RESOLUTION AUTHORIZING LA CIENEGA LOMOD, INC. (“CORPORATION”) AS THE SOLE MEMBER OF LOMOD RHC I, LLC, A SINGLE PURPOSE ENTITY AND MANAGING GENERAL PARTNER OF ROSE HILL COURTS I HOUSING PARTNERS, L.P., TO ENTER INTO, EXECUTE AND DELIVER ALL REQUIRED AGREEMENTS, CERTIFICATES AND DOCUMENTS, INCLUDING THE STANDARD AGREEMENT, PURSUANT TO A LOAN FROM THE STATE DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT'S AFFORDABLE HOUSING AND SUSTAINABLE COMMUNITIES PROGRAM IN FURTHERANCE OF THE REDEVELOPMENT OF ROSE HILL COURTS PHASE I

Purpose: As required by the State Department of Housing and Community Development ("HCD"), approve and authorize a loan of Affordable Housing and Sustainable Community Program ("AHSC Program") funds from HCD to Rose Hill Courts I Housing Partners, L.P. (the "Partnership") and execution of an AHSC Standard Agreement prior to approval of the financial closing of the redevelopment of Rose Hill Courts Phase I. The executed Standard Agreement is required for HCD to issue a Disbursement Agreement and to ensure a timely closing for Phase I.

Regarding: On January 23, 2020, by Resolution 9568, the Housing Authority of the City of Los Angeles ("HACLA") Board of Commissioners ("BOC") authorized HACLA’s President and CEO to enter into a Disposition and Development Agreement ("DDA") with Rose Hill Courts I Housing Partners, L.P., a California limited partnership (the “Partnership”), for the development of an 89 unit affordable housing residential development in Phase I of the Rose Hill Courts redevelopment (“Phase I”) and, together with Phase II of the Rose Hill Courts redevelopment, the “Project”).

On December 17, 2020, by Resolution 2020-05, the LOMOD Board of Directors authorized LOMOD, as the sole member and manager of LOMOD RHC I, LLC, a California limited liability company, to enter into the Partnership as the managing general partner (the “MGP”). The DDA between HACLA and the Partnership for Phase I was executed on February 5, 2020 and amended by a certain first amendment to the DDA (“First Amendment”) on August 28, 2020.

Pursuant to the terms of the DDA, the Partnership and its development partner, The Related Companies of California, LLC ("Related"), submitted an application for funding under the AHSC Program’s Notice of Funding Availability ("NOFA"), issued by HCD on November 1, 2019. HCD issued a commitment letter on July 20, 2020, awarding the Partnership a loan in an amount not to exceed twelve million dollars ($12,000,000) (the “AHSC Loan”) for the development of Phase I. As the sole member and manager of LOMOD RHC I, LLC, the MGP of the Partnership, LOMOD must approve and execute the required documents of the AHSC Loan.
The 100-unit Rose Hill Courts public housing project is located on a 5.24-acre site at 4446 Florizel Street, within the Northeast Community Plan Area. The existing site consists of fourteen (14) two-story, wood-frame buildings with townhouse and flat style apartments comprising one hundred (100) units and an administration building. HACLA desires to continue to transform the Rose Hill Courts public housing into an environmentally friendly, vibrant community conducive to healthy living, aging in place and economically progressive conditions. After carrying out extensive community outreach with residents and community stakeholders over several years, HACLA and Related finalized a two phased Revitalization Plan for Rose Hill Courts. The revitalization will include demolition of the existing fifteen (15) structures and construction of a total of one hundred eighty-five (185) residential housing units (183 affordable housing units onsite plus two market-rate managers’ units) in two phases.

Phase I includes (a) the demolition of seven (7) buildings (20 units comprising approximately 19,573 square feet) and the existing administrative building (comprising approximately 2,611 square feet) and (b) the construction of eighty-nine (89) new residential units, including one (1) manager unit, on the northeast corner of Rose Hill Courts in two (2) residential buildings (Buildings A and B comprising approximately 104,384 square feet). Phase I will consist of eleven (11) units to be converted under the Rental Assistance Demonstration (“RAD”) program and seventy-seven (77) units to be assisted under the Section 8 Project Based-Voucher (“PBV”) program. Eighty-four (84) units will be operated and maintained as qualified low-income units under the Low-Income Housing Tax Credit (“LIHTC”) program, and all of the units (excluding the one (1) manager unit) will be considered “replacement housing units” for units demolished at Rose Hill Courts. Two (2) RAD units and two (2) PBV units will not be operated and maintained under the LIHTC program.

LOMOD is the sole member and manager of LOMOD RHC I, LLC, a California limited liability company, which, pursuant to that certain First Amended and Restated Agreement of Limited Partnership of Rose Hill Courts I Housing Partners, L.P., dated December 23, 2020, entered as the MGP of the Partnership with a 0.005% ownership interest. The administrative general partner of the Partnership is Related/Rose Hill Courts I Development Co., LLC, a California limited liability company, with a 0.005% ownership interest. The members of Related/Rose Hill Courts I Development Co., LLC are: (1) Related Companies of California, LLC, a California limited liability company (90% interest); and (2) Related Futures, LLC, a California limited liability company (10% interest). The tax credit investor limited partner and equity provider will be an affiliate of Raymond James Tax Credit Funds, Inc. who will enter into the partnership at construction finance closing.

The Phase I financing plan in the DDA contemplated Related and the Partnership applying for funding under the AHSC Program, which is administered by HCD and the Strategic Growth Council to support environmentally friendly development. Related, the Partnership and the City of Los Angeles (“City”) applied for funding under the AHSC Program’s November 1, 2019 Round 5 NOFA. HCD provided the Partnership, Related and
the City with a commitment letter on July 20, 2020, awarding the Partnership a loan in a maximum amount of twelve million dollars ($12,000,000). In order for the Partnership to receive the AHSC Loan, LOMOD, as the sole member and manager of LOMOD RHC I, LLC, the MGP of the Partnership, must enter into, approve and execute all required agreements, certificates, and documents, including the Standard Agreement for the AHSC Loan. The AHSC Loan will be a residual receipt loan secured by a Regulatory Agreement, paid from 50% of cash flow, and will have a term of 55 years with 3% interest. Additionally, as part of the HCD commitment letter, the City was awarded a grant for the development of sustainable transportation infrastructure and transit related amenities. The grant will go directly to the City and not the Partnership.

Financial closing for Phase I is scheduled for May 2021 and construction will commence soon thereafter. HCD requires LOMOD approval of the AHSC Loan prior to execution of the AHSC Standard Agreement because LOMOD is the sole member of LOMOD RHC I, LLC, the managing general partner of the Partnership. HCD requires execution of the Standard Agreement prior to initiating drafts of the HCD Disbursement Agreement and related documents which are required for financial closing. Accordingly, to ensure a timely closing for Phase I, LOMOD approval of the AHSC Loan is required earlier in the closing process than the remainder of the LOMOD approvals for financial closing.

**Funding:** The HACLA Chief Administrative Officer and the LOMOD Treasurer confirm the following:

*Source of Funds:* No funding from LOMOD is required for this action.

*Budget and Program Impact:* No anticipated budget or program impact.

**Environmental Review:**

*CEQA:* HACLA is the lead agency for the Rose Hill Courts redevelopment for purposes of the California Environmental Quality Act (CEQA). On November 26, 2019, HACLA certified the Environmental Impact Report (SCH 2018091035) and Errata, dated November 2019, for the Rose Hill Courts redevelopment project and approved the project.

The demolition and disposition activities are consistent with the certified EIR and will be subject to the imposition of various measures contained in the EIR’s MMRP and City and HACLA’s conditions of approval.

No further environmental review is required for HACLA’s recommended actions because there has been no change to the Rose Hill Courts redevelopment or substantial changes in circumstances or new information that would warrant subsequent environmental analysis in accordance with CEQA, including but not limited to Public Resources Code section 21166 and State CEQA Guidelines sections 15162, 15163 and 15164.

*NEPA:* The Housing & Community Investment Department of Los Angeles (“HCID/LA”), the Responsible Entity, completed a Part 58 NEPA review for the Rose Hill Courts redevelopment through an Environmental Impact Statement and culminating in the approval of the Environmental Review by HUD.

**Section 3:** Not applicable.

The Sponsor shall have Site Control of the real property on which the Development is located, as required by the Guidelines. Such control shall not be contingent on the approval of any other party. The status and nature of the Sponsor's title and interest in the property shall be subject to the Department's approval. Site Control may be evidenced by one of the following:

A. Fee title;

B. A leasehold interest on the project property with provisions that enable the lessee to make improvements on and encumber the property provided that the terms and conditions of any proposed lease shall permit compliance, prior to loan closing, with all Program requirements;

H. Other forms of site control that give the Department assurance (equivalent to A-G above) that the applicant or developer will be able to complete the Project and all housing designated in the application in a timely manner and in accordance with all the requirements of the Program.

If the Sponsor's interest in the property is a leasehold, the lease must provide adequate security for the Loan and comply with the requirements of the Uniform Multifamily Regulations ("UMR"), Section 8316. The Sponsor shall provide a copy of the ground lease for the Department's approval and review of its compliance with UMR Section 8316. 7. **Title Report**

The Sponsor shall provide a current title report for the real property on which the Development is located. If the Sponsor's interest in the property is leasehold, then the Sponsor shall provide a current title report for the leasehold interest and the fee interest.

8. **Site Inspection**

The Department reserves the right, upon reasonable notice, to inspect the Development site and any structures or other improvements thereon to determine whether the Development site meets the requirements of the Program Guidelines and the criteria set forth in the Project Report. 13. **Reasonable Development Costs**

Sponsor shall provide to the Department evidence that total development costs are reasonable and necessary for the proposed improvements. To verify cost reasonableness, the Department may require qualified third-party verification of costs, evidence of the competitive bidding of major trades and real estate appraisals. Where the Development is a component of a larger development, the Sponsor shall submit to the Department for its approval, a development cost sharing breakdown for the entire development which covers all development costs for each of the individual components of the entire development and includes a discrete development budget for the Development consistent with the budget in the Application and Project Report. Eligible costs for Developments are limited to costs as specified in MHP Guidelines Section 7304 (a) & (b).

14. **Sponsor Control of Development**

Sponsor shall provide evidence satisfactory to the Department that the Sponsor identified in the Application and who demonstrated the requisite experience, pursuant to Section 106 (a)(12) of the Guidelines, in the application process, has and will retain full control over the development, construction, ownership and management of the Development through control of the Sponsor entity by the Sponsor either directly as Borrower, or as a managing general partner of Borrower, or as the member/manager of the general partner of the Borrower, if Borrower is a partnership. The same control requirement applies to any Borrower organized as a limited liability company. The failure to demonstrate the requisite control of the Sponsor entity by the Sponsor may result in significant delay in the processing, or potentially the cancellation, of the Loan. The Sponsor which demonstrated the requisite experience of owning and developing affordable rental housing, shall execute the Department's Sponsor Operating Guaranty to ensure that the Sponsor has the resources and experience to develop, own and manage the Development. The organizational structure of the Borrower, including the control and ownership by the Sponsor or Sponsors, and any changes thereto, must be reviewed and approved by the Department and must comply with all Program requirements.

Should a relocation plan not be required, Sponsor must provide documentation for Department approval that there are no relocation requirements.

16. **Architect Contract**

The contract shall require an architect to supervise the construction work, conduct periodic site visits, prepare periodic inspection reports, verify the validity of the construction contractor's payment requests, prepare or review change orders, and, upon completion of construction, provide the certification described in paragraph 31 of these General Conditions.

17. **Appraisals**

If the property for the Development is being purchased, the Sponsor shall provide an appraisal acceptable to the Department of the as-is value of the property, prepared by a qualified, licensed appraiser.

EXHIBIT D

No subordination may limit the Department’s remedies and must comply with UMR Section 8315. Balloon payments are not allowed on senior debt, except as provided in UMR section 8310. Senior loans are prohibited from including call option language in the terms of the loan other than is reasonable in case of default, nor may Sponsor be required to remarket Bonds prior to expiration of the senior loan. Financial instruments on senior loans (including but not limited to swaps, collars, and interest rate hedges) must extend for the full term of the senior loan and cannot be required to be renewed or extended prior to the end of the full term.

Sponsors must obtain an interest rate cap on any interest rate that is not fixed for the full term of the senior loan. The interest rate at the cap must not jeopardize project feasibility. Interest rate resets, renewals, extensions of letters of credit, or other senior loan provisions, must not require the Sponsor to re-qualify.

All payments, lender fees, bond fees, issuer fees, trustee fees, letter of credit fees, swaps fees, hedge fees, enhancement fees, credit facility and liquidity fees, and other fees, charges and costs, in addition to principal and interest payments, must be fully disclosed to the Department in the loan closing transaction summary and in the operating budget.

Any remediation work to be performed shall be subject to Department approval. The Sponsor shall also provide an asbestos assessment and a lead-based paint report for the Department’s approval if the Development involves rehabilitation or demolition of existing improvements.

Upon written notice to Sponsor, Department may require its advance written approval of all future change orders and modifications. Deviations from the plans and specifications which have the effect of reducing the quality, life or utility of a specified item or system must receive the prior written approval of the Department. Should change orders be submitted to the Department for its approval, they shall be deemed accepted if not rejected in writing within 10 business days of receipt by the Department. Sponsor shall not authorize or approve any change orders rejected by the Department.

Such right to inspect shall include, but shall not be limited to, the right to inspect all work done, all materials and equipment used or to be used, and all books and records, including payroll records, maintained in connection with the construction work. Such right of inspection shall be exercised in a reasonable manner. The Department shall have no affirmative duty to inspect the Development and shall incur no liability for failing to do so. Once having undertaken any inspection, neither the Department, nor any representative of the Department shall incur any liability for failing to make any such inspection properly, or for failing to complete any such inspection. The fact that such inspection may or may not have occurred shall not relieve the

All changes shall be subject to Department approval. However, if the Development is changed in any way as to make it ineligible under Section 103(a)(1) and 106 of the Guidelines, then the Loan commitment will be cancelled and all Loan funds awarded to the Sponsor shall be disencumbered.

25. Evidence of Existence of Application Selection Criteria

Upon request, Sponsor shall provide to the Department evidence of the existence of the amenities, services, improvements, features and characteristics of the Development which were included in the Application and as set forth in the Project Report and awarded points under Section 107 of the Guidelines in the Department’s rating of the Application.
