RESOLUTION AUTHORIZING THE PRESIDENT AND CEO, OR HIS DESIGNEE, TO ENTER INTO A LONG-TERM GROUND LEASE, PURCHASE OPTION, RIGHT OF FIRST REFUSAL, ACQUISITION LOAN OF $7,100,000 BETWEEN HACLA AND ROSE HILL COURTS I HOUSING PARTNERS, L.P. (THE “PARTNERSHIP”); ISSUE A HACLA GAP LOAN OF $8,350,000 AND A LOAN OF FUNDS FROM THE STATE DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT’S INFILL INFRASTRUCTURE GRANT (“IIG”) PROGRAM IN AN AMOUNT UP TO $3,519,300 DIRECTLY TO THE PARTNERSHIP OR THROUGH A HACLA INSTRUMENTALITY OR HOUSING PROMISE CORPORATION, A NON-PROFIT CORPORATION MISSIONED TO SERVE HACLA; ENTER INTO A RAD USE AGREEMENT WITH THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT; THE EXECUTION OF RELATED DOCUMENTS AND AGREEMENTS; AND TO UNDERTAKE VARIOUS ACTIONS IN CONNECTION THEREWITH IN ORDER TO INITIATE THE CONSTRUCTION OF ROSE HILL COURTS PHASE I, AN 89-UNIT AFFORDABLE RESIDENTIAL DEVELOPMENT WITH COMMUNITY AMENITIES

Douglas Guthrie
President & Chief Executive Officer

Geoffrey Moen
Director of Development

Purpose: To effectuate both the financial and construction closing of the Rose Hill Courts Phase I (the “Project” or “Phase I”) in order that construction and redevelopment may begin. This Project includes a Rental Assistance Demonstration (“RAD”) Use Agreement with HUD and the Developer for the development of 11 RAD units and a Section 18 demolition/disposition restriction for 77 PBV units.

Regarding: On January 23, 2020, the Board of Commissioners (“BOC”), by Resolution No. 9568, authorized HACLA’s President and CEO to execute a Disposition and Development Agreement (“DDA”) with the Partnership for the redevelopment of Rose Hill Courts Phase I, a multi-family rental housing project.

On January 23, 2020, the BOC, by Resolution No. 9576, authorized the dedication of one hundred and seventy-two (172) Section 8 Project-Based Vouchers (“PBV”) to Rose Hill Courts Phases I and II, of which 77 will be allocated for Phase I and 95 will be allocated for Phase II.

On January 23, 2020, the BOC, by Resolution No. 9571, authorized the IIG application to the California Department of Housing and Community Development (“HCD”), as co-applicant with the Developer, and to enter into, execute, and deliver a State of California Standard Agreement (“Standard Agreement”) with HCD if the application is approved and awarded.
On August 27, 2020, by Resolution 9623, the BOC authorized the President and CEO to enter into a First Amendment to the DDA to provide up to an additional $2,850,000 for a total maximum gap funding amount of $8,350,000 to the Partnership in order for the Project to address the funding shortfall caused by current economic conditions and increased cost estimates prior to applying to the third round of FY2020 CTCAC/CDLAC allocations.

On March 25, 2021, by Resolution 9691, the BOC approved an exception to Section VII-Derivative Products, of the Debt Management Policy (MPP 107.7) (the “Policy”) of HACLA to permit its instrumentality LOMOD RHC I, LLC (“LOMOD” or “MGP”), through its sole member and HACLA instrumentality, La Cienega LOMOD, Inc. ("La Cienega") to enter into documents in furtherance of utilizing an interest rate swap as a component of the financing plan for the Project.

Issues:

Background

Rose Hill Courts Phase I is the first phase of the redevelopment of Rose Hill Courts and will be constructed on approximately 1.79-acres of land located at the northeastern corner of the 5.24-acre Rose Hill Courts public housing site owned by HACLA.

The overall redevelopment plan involves the demolition of the existing 15 structures and construction of a total of 185 residential housing units (183 affordable housing units plus two unrestricted managers’ units) to be developed in two phases. Phase I includes 89 units developed in two four-story elevator buildings with flats, designed to provide maximum accessibility for the existing tenant population (many of whom are elderly/disabled), who would move into Phase I once it is completed. Phase I would include a community room and an onsite leasing office as well as an outdoor garden, exercise, seating and children’s play space. Phase I includes a total of 56 parking spaces onsite and 80 bicycle parking spaces; upgraded lighting, fencing, and security features; and storm drain and utility improvements. The new sustainably-designed buildings include energy efficient solar panels and landscaping with water-efficient irrigation. Phase II, which is intended to initiate construction after Phase I is fully leased, will include the balance of 96 units and will be developed along with additional outdoor and community space on the remainder of the Rose Hill Courts redevelopment site.

As part of this redevelopment, RHC households will benefit from one mile of bikeway paths that connect to the existing bicycle network, new sidewalks and the purchase of eight new electric DASH buses to strengthen connections to transit for the entire neighborhood. A workforce development partnership with GRID Alternatives will bring solar installation job training and job placement to disadvantaged residents. By developing new housing near an existing transit plaza, this project implements the City of Los Angeles’ Community Plan’s policy to encourage pedestrian activity and the use of public transportation.

HACLA and the Developer have been working closely to implement the vision of a redeveloped Rose Hill Courts since BOC approval of all essential deal terms and primary
legal documents in January 2020. In September 2020, HACLA received Section 18 demolition and disposition approval from HUD for 89 units and in October 2020, entered into a Converting Awaiting Transfer (“CAT”) agreement for the early demolition and conversion of 7 vacant RAD units located in the Phase I footprint.

All the existing tenants in the Phase I footprint were relocated between December 2020 and February 2021 and demolition of the buildings in Phase I was completed the second week of April 2021.

The Financing Plan for the Project has progressed on schedule and the Developer has obtained funds necessary to finance approximately $64,209,722 in costs associated with the development of this Project including $31,843,632 in tax-exempt construction financing to be provided through a loan by Union Bank; a taxable construction loan estimated at $3,466,588 funded by Union Bank, approximately $17,349,977 generated from four percent (4%) low-income housing tax credit (“LIHTC”) equity investment from Raymond James Tax Credit Funds, Inc. (“RJTCF”), $12,000,000 in Affordable Housing and Sustainable Communities (“AHSC”) Program and $3,519,300 in financing with the State’s HCD Infill Infrastructure Grant Program funds (“IIG”). The HACLA BOC had previously approved making a $7,100,000 Acquisition loan for the appraised value of the conveyed land and a HACLA Gap loan for an amount of $8,350,000 to the Partnership in order for the Project to address the funding shortfall. HACLA also will provide seventy-seven (77) Section 8 Project Based Vouchers and eleven (11) Rental Assistance Demonstration (RAD) Section 8 Project Based Vouchers.

The Project development cost, after excluding the costs of land, the MGP Capital Contribution, and soft loan interest, amounts to approximately $611,795 per unit. While the Project costs are comparable to recent City of LA funded projects, they are at the upper spectrum of similar projects due to the following reasons: a) Due to historic designation and downzoning issues, project had to go through full-fledged CEQA/NEPA/Section 106 and entitlement process, incurring costs associated with preparing environmental impact report/statements and other documents, b) services of consultants such as biologist, archaeologist, paleontologist, tribal monitor, waterproofing consultant etc. are needed for meeting mitigation monitoring requirements. c) Incurred higher design costs as the project evolved from rehabilitation to new construction, d) increased construction period to accommodate HCID/LA accessibility review, e) Project site has a significant grade which increased the complexity of the design and need for retaining walls, and f) demolition and relocation costs attributable to this phase. The Financing Plan was approved by HUD after carrying out a Subsidy Layering Review (“SLR”) and the RAD Conversion Commitment (RCC) was issued in mid-March 2021.

The Developer has progressed significantly in finalizing its construction drawings for the Phase I Project and expects to be able to pull all building permits necessary to start construction in June 2021 and anticipate construction will be completed within 24
months. Through a competitive process, the Developer and HACLA selected R.D. Olson Construction, Inc. to be the General Contractor for the construction of the Project.

**Replacement Units:**

Phase I would include 11 Rental Assistance Demonstration ("RAD") units and 77 non-RAD Section 8 Project Based Voucher ("PBV") units to create 88 on-site replacement units for the original 100 units comprising Rose Hill Courts. All 88 units are replacement units and will be made available to tenants of Rose Hill Courts based on seniority and with a preference for those households required to move off-site in order to construct Phase I.

**Affordability** All 88 housing units, except for the manager’s unit, will be subject to occupancy and affordability restrictions imposed by CDLAC, CTCAC, RAD, Section 18, Section 8 regulations, HCD, the City’s Density Bonus through a recorded covenant with HACLA, restrictions applicable to other financing sources and lenders, HACLA’s Ground Lease and other statutory or regulatory restrictions. HACLA, through the Ground lease affordability restrictions intends that, upon turnover, all residential units within the Project (other than the one manager’s unit) will be restricted for occupancy by households of low, very low and extremely low-income ("Restricted Units") in accordance with the following table:

**Developer**

Related/Rose Hill Courts I Development Co., LLC, a California limited liability company, a single purpose entity with The Related Companies of California, LLC as its controlling member, will serve as the Administrative General Partner ("AGP") of the Partnership. Pursuant to Resolution 2020-5 of the La Cienega Board of Directors, approved in December 2020, LOMOD RHC I, LLC, a single purpose entity whose sole member is La Cienega, entered into the Partnership as the Managing General Partner. The LIHTC equity investor, Raymond James California Housing Opportunities Fund X L.L.C., a Florida limited liability company ("Equity Investor"), will be admitted as the investor limited partner of the Partnership at financial closing and the execution of an Amended and Restated Agreement of Limited Partnership.

**Ground Lease**

Under the terms of the Ground Lease, at closing, HACLA will lease 1.79 acres of land associated with the Project for the Fair Market Value of $7,100,000 to the Partnership for a period of 75 years with two options at HACLA’s discretion to extend by another 12 years for each option, for a maximum lease term of 99 years. HUD will release the public housing Declarations of Trust on the portion of the Phase I property and record a RAD Use Agreement and Section 18 restriction embedded in the Ground Lease.

Due to a shortfall of initial proceeds, the Partnership cannot afford to make the ground lease payment upfront, requiring HACLA to provide the Partnership with an Acquisition Loan evidenced by a promissory note for the appraised value of the conveyed land. The Acquisition Loan shall have a 55-year term starting at permanent conversion. The loan carries a 3% simple interest rate and will be repaid from a pro rata share of 50% of the Project’s residual receipts cash flow until all principal and interest is repaid.

For thirty-six months starting at end of 15-year tax credit compliance period, HACLA and the AGP for each Phase will have a Purchase Option to acquire the Project. As Related Companies of California wanted to have a purchase option as well as HACLA, HACLA negotiated the following terms for any subsequent resyndication of the Project (1) any developer fee associated with such resyndication will be shared 60% to Related and 40% to HACLA; and (2) any net cash flow or net capital proceeds payable to the general partners following such resyndication will be shared 70% to HACLA and 30% to Related.
If either the AGP or HACLA wishes to exercise the option, it shall send written notice of its intent to the other party no later than three months prior to the expiration of the option term, and the other party shall have sixty (60) days from the date of such notice to elect whether or not to participate in the purchase. If the other party does not wish to participate in the purchase, the party sending the notice may exercise the option and purchase the Development or the Investor’s partnership interests on its own. After expiration of the Purchase Option term, HACLA or the MGP will have a right of first refusal (“ROFR”) for an additional one year. Under the ROFR, HACLA would have the choice to acquire the property if the Developer receives a Bona Fide Offer which the Developer is prepared to accept in accordance with the Limited Partnership Agreement.

Although the Board of Commissioners has already approved a Gap Loan of $8,350,000 for Phase I, this report is intended to provide the Board with a clear understanding of the negotiated terms for such loan. Based on the most current underwriting, HACLA anticipates the Gap Loan amount to reduce to approximately $5,287,445 approximately 18 months after construction completion when the Equity Investor makes its final capital contribution. Any reduction in Gap Loan will be subject to the extent that all other costs can be covered through other projected public and private sources committed to the Project. The HACLA Loan Agreement will require the Developer to make good faith efforts to apply for and obtain an Affordable Housing Program Loan (“AHP Loan”) from the Federal Home Loan Bank during construction. It is anticipated that the Project could competitively apply for approximately $800,000 in AHP Loan funds. Additionally, terms of the Loan Agreement require that any cost savings realized at conversion to permanent financing will be provided to HACLA to be applied against HACLA’s Gap Loan.

The Gap Loan funds would be drawn first in order to save interest carry on the conventional construction loan. The Gap Loan will be a 55-year residual receipts loan, bearing 3% simple annual interest and will be repaid from a pro rata share of 50% of the Project’s residual receipt cash flow until all principal and interest is repaid.

Given that the Project utilizes conventional bank loans, HACLA will be required to subordinate its loans to the Project’s construction and permanent lenders. Under the subordination agreements, HACLA will require that the agreements contain notice and cure provisions which reasonably protect HACLA’s interests in the event of the Developer’s default under any of the senior loans.

For optimal tax structuring purposes, HACLA staff seeks flexibility to loan a portion of the Gap Loan funds to Housing Promise Corporation, a non-HACLA affiliate or LOMOD RHC I, LLC the MGP, who in turn will make a loan to the Developer on the same terms. This arrangement may be necessary to prevent related party debt issues that could potentially restrict the MGP from receiving the negotiated cash flow and/or capital split. Any agreement if necessary, between HACLA and HPC, will include provisions providing for the full repayment or recapture of principal and interest paid on the loan from HPC to the Partnership.
Authority

IIG Loan
HACLA will make a loan of $3,519,300 with funds made available through an award of HCD IIG Grant Funds for the Project. The IIG Loan shall not accrue interest and will have a term of 55 years. For optimal tax structuring purposes, HACLA may also loan or grant the IIG Loan funds to Housing Promise Corporation, who in turn will make a loan to the Developer on the same terms. This arrangement may be necessary to prevent related party debt issues that could potentially restrict the MGP from receiving the negotiated cash flow and/or capital split. Any agreement if necessary, between HACLA and HPC, will include provisions providing for the repayment or recapture of principal and interest if any, paid on the loan from HPC to the Partnership, provided that any repayment or recapture of the IIG funds is subject to the IIG program requirements.

GP Capital Contribution
Pursuant to the BOC approval under Resolution 9623 to provide additional gap funding, HACLA and the Partnership executed the Amendment to the DDA increasing the gap funding for the Project. In return, the AGP has agreed to increase the Developer Fee by $2,000,000 beyond the $3,500,000 cap imposed by HCD under the AHSC Program, which will be payable to the MGP. Such additional $2,000,000 will be provided to the Partnership as an MGP Capital Contribution (the “MGP Capital Contribution”) in furtherance of the Project. The additional LIHTC equity realized by the higher amount of eligible basis will reduce the Project’s funding gap by approximately $700,000.

The AGP recently presented concerns from its tax counsel regarding the timing of the MGP Capital Contribution. Specifically, the AGP advised, based on the opinion of its tax counsel, that the MGP Capital Contribution must be provided to the Partnership prior to the MGP receiving payment of the final $2,000,000 of Developer Fee. The AGP has requested that La Cienega, via the MGP, make the MGP Capital Contribution no less than seven months before the payment of MGP’s final portion of Developer Fee. Per the AGP, such structure may be necessary to avoid a “round-trip” characterization of the MGP Capital Contribution and Developer Fee, and a potential reduction in eligible basis. The MGP Capital Contribution timing requested by the AGP diverges from HACLA and La Cienega’s anticipated structure, which would have had the MGP Capital Contribution occur concurrently with the payment of the MGP’s $2,000,000 of Developer Fee. At the La Cienega Board of Directors meeting on April 22, 2021, staff will recommend making the MGP Capital Contribution at construction completion (anticipated to occur in March 2023) and receiving the Developer Fee payment seven months later at Stabilization (anticipated to occur by October 2023).

Management & Operations
The Ground Lease and HACLA Loan Documents incorporate strong provisions for HACLA’s oversight of the Project, its management, and its operations during the term of the Ground Lease and Loans. HACLA must approve the Project’s annual operating budget and will review and monitor all management practices regularly to ensure they are consistent with the affordability restrictions, prioritization of Rose Hill Courts residents for occupancy of replacement units, support of resident leadership, tenant protections
and application of grievance procedures. The Property Management and Re-Occupancy Plan, will set forth the referral process and require the Partnership to rent all vacant RAD Units and PBV Units to eligible families referred by HACLA.

Related Management Company, L.P. will be the Property Manager for the Project. The closing documents shall contain provisions providing that HACLA may terminate the management agent upon 30 days’ notice following termination of the Ground Lease and after 60 days of non-compliance with the management, leasing and occupancy requirements of the Ground Lease. Subject to HACLA obtaining lender/investor approval and upon approval by Related, HACLA shall have the option to take over property management after 5 years of operations at which point HACLA will become the guarantor for all outstanding guarantees to the Investor and lenders.

**Development Structure & Obligations**

A number of the deal terms under the DDA, Ground Lease and HACLA Loan Agreement are technical in nature and intended to ensure that there are sufficient guarantees during construction of the Project; and protection of HACLA’s rights and remedies for the Project.

At the closing, the Predevelopment Loan attributable to Phase I Project that have been drawn to date currently totaling $2,195,324 along with any additional amount drawn down through closing, will be repaid to HACLA with any accrued interest. In addition, eligible third party expenses incurred by HACLA such as City of LA fees, legal and other 3rd party consultant costs, community outreach activities etc., amounting to approximately $450,000, will be reimbursed at closing.

The deal structure strongly protects HACLA as fee owner of the land, and the covenants and restrictions of HACLA, HCD and HUD retain long-term, deep affordability for the Project. The Project shall be subject to the BOC adopted Mitigation Monitoring and Reporting Program under the CEQA approval and related conditions of approval adopted by the City of Los Angeles (‘City”) or HACLA.

In connection with the development and construction of the Project, the Developer will follow the requirements of the DDA, as incorporated in the Ground Lease and HACLA loan documents, including providing local job opportunities and meeting sustainable development goals, including delivering buildings and the new RHC community in compliance with Green Point Rated criteria.

Construction closing for this Project is currently scheduled to occur on or around May 20, 2021, subject to HUD approval of the RAD closing, and the lender and Investor approval primary financing closing.

The substantially final draft versions of the RAD Use Agreement, the various HACLA Loan Documents, the Ground Lease, the Purchase Option, the Right of First Refusal, and such
other ancillary HACLA documents (collectively, the “HACLA Financing Documents), may require finalization of non-key provisions which the President and CEO, with the support of HACLA’s staff, senior staff attorneys and outside legal counsel, will finalize prior to their execution. Examples of such non-key provisions include compilation and insertion of various supporting exhibits and documents, selection of specific terminology to appropriately refer and identify parties, events and periods and clarification of other references and concepts. The final language of such non-key provisions will not materially alter the negotiated HACLA Financing Documents or other ancillary documents or key business terms.

Vision Plan: PLACE Strategy #1: Stabilize the physical and financial viability of the conventional public housing portfolio.

The Rose Hill Courts Phase I redevelopment will allow for the construction of 89 new housing units, 88 units of which will be deeply affordable. This Project will further HACLA’s goals of improving its affordable housing stock as well as improved ADA-compliant, modern, sustainably designed, and amenity rich units. This action will help HACLA extend the life of critical, deeply affordable housing in the City to serve existing public housing residents and future income-qualified households within the City.

Funding: The Chief Administrative Officer confirms the following:

Source of Funds: No additional funding is requested for this Project. If HACLA’s unrestricted and available redevelopment proceeds are required for funding the $2.0 million MGP Capital contribution at a future point in time, staff will return to the BOC for its approval.

Budget and Program Impact: As described in this Report, the HACLA Gap Loan amount will be reduced to approximately $5,287,445. Staff has negotiated a further reduction of the Gap Loan if the Project is successful in receiving AHP funding during construction unless additional HACLA approved costs arise during construction in which case proceeds may be used to fund these costs. HACLA will also receive reimbursement of 3rd party costs expended on the Project. A pay-off of the outstanding Predevelopment Loan including interest earned will be made at construction closing which repayment proceeds will be used to fund the Gap Loan. The Gap Loan and Acquisition Loan repayments will be made from 50% of net cash flow proceeds pari-passu with other soft loans until paid in full. The Developer shall bear the cost of resources necessary to track compliance with Local Hiring and Section 3 Contracting Requirements incurred by HACLA by paying to HACLA a one-time fee of $40,000. HACLA will receive $20,000 in Davis Bacon/Labor Compliance Monitoring Fee and a $50,000 in Construction Oversight & Compliance Fee during the construction period.

Environmental Review:

CEQA: No further environmental review is required for HACLA’s recommended actions because
based on the project record there has been no change to the Rose Hill Courts Redevelopment or substantial changes in circumstances or new information that would warrant subsequent environmental analysis in accordance with CEQA, including but not limited to Public Resources Code section 21166 and State CEQA Guidelines sections 15162, 15163 and 15164. Based on this, HACLA will file a Notice of Determination after the BOC has acted on this item.

**NEPA:**

Pursuant to 24 CFR Part 58, the City of Los Angeles, through its Housing and Community Investment Department (“HCIDLA”), serves as the environmentally responsible entity in preparation of the Final Environmental Impact Statement for the Rose Hill Courts Redevelopment Project. HCIDLA issued a Record of Decision on January 24, 2020 and submitted a Request for Release of Funds to HUD on February 8, 2020. On March 9, 2020, the U.S. Department of Housing and Urban Development’s Los Angeles Office of Public Housing issued approval of the City of Los Angeles’ Environmental Certification.

**SECTION 3:**

The Developer will comply with Section 3 requirements and ensure that employment and other economic opportunities generated by the HUD financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State, and local laws and regulations, be directed toward qualified low and very low-income persons, and to business concerns which provide economic opportunities to low and very low-income persons and will comply with the implementing of Section 3 regulations, as well as the terms negotiated in the operative agreements herein. The Developer will set aside at least thirty percent (30%) of all new predevelopment, construction and post-construction jobs generated by the re-syndication first for current residents of Rose Hill Courts, second to qualified Section 3 residents of the North East Los Angeles neighborhood, third to participants in HUD’s Youthbuild programs in the City of Los Angeles; and fourth to residents of the City of Los Angeles who meet Section 3 eligibility requirements. Furthermore, the Partnerships will strive to provide at least ten percent (10%) of all construction work hours to Section 3 Residents according to the hiring priorities set forth above. A Construction Section 3 Hiring Plan was submitted to HACLA and will be included as an exhibit to the General Contractor’s contract. The Hiring Plan discusses strategies and investments that will assist in enabling their contractors and consultants to hire and train Section 3 residents during the construction stages, and subcontracting with Section 3 Businesses. A Post-Construction Section 3 Hiring Plan will be submitted at a later time to ensure that jobs and contracting opportunities are given to Section 3 residents and businesses to the extent feasible.

Notwithstanding the above Section 3 commitments, the parties are aware that new Section 3 rules (codified at 24 CFR Part 75) may be applicable to the project depending upon such factors as the execution date of additional agreements, funding and the project construction start date. Should HACLA determine that the new Section 3 rules apply, the parties will work together in good faith to make any necessary adjustments to Developer’s Section 3 commitments including the execution of necessary agreement(s) and contract(s) amendments as necessary to ensure compliance with the new Section 3 rules and Developer’s Section 3 commitments.

HACLA FINANCING DOCUMENTS
RENTAL ASSISTANCE DEMONSTRATION USE AGREEMENT

by and between

United States of America, Secretary of Housing and Urban Development, HUD

Housing Authority of the City of Los Angeles, PHA

and

Rose Hill Courts I Housing Partners, L.P., Project Owner

Dated as of _______, 2021

NOTE: This cover page is for recording purposes only and does not modify or amend the terms of the attached instrument.
This Rental Assistance Demonstration Use Agreement (hereinafter called the “Agreement”) is made as of ___________, 2021, for the benefit of and agreed to by the United States Department of Housing and Urban Development, acting by and through the Secretary, his or her successors, assigns or designates (hereinafter called “HUD”) by Rose Hill Courts I Housing Partners, L.P., a California limited partnership (“Project Owner”), and the Housing Authority of the City of Los Angeles, a public body, corporate and politic (“PHA”).

Whereas, Rental Assistance Demonstration (hereinafter called “RAD”) provides the opportunity to test the conversion of public housing and other HUD-assisted properties to long-term, project-based Section 8 rental assistance to achieve certain goals, including the preservation and improvement of these properties through access to private debt and equity to address immediate and long-term capital needs.

Whereas, the PHA is the fee owner of the real property described on Exhibit A (the “Property”), upon which is or will be located improvements owned or to be owned by Project Owner receiving assistance converted pursuant to RAD, which project will commonly be known as Rose Hill Courts Phase I (the “Project”). The Project will contain eighty-nine (89) dwelling units, of which eleven (11) (“Assisted Units”) are subject to a RAD Housing Assistance Payment Contract, as the same may be renewed, amended or replaced from time to time (“RAD HAP Contract”).

Whereas, pursuant to the Consolidated and Further Continuing Appropriations Act of 2012 (Public Law 112-55, approved November 18, 2011, as amended from time to time, the “RAD Statute”); and the corresponding PIH Notice 2012-32, rev-2, as amended from time to time, and any successor document and/or regulations (hereinafter called the “RAD Notice”), which this Agreement incorporates by this reference, the PHA and/or the Project Owner, as applicable, has agreed to encumber the Property and the Project Owner has agreed to operate the Project in accordance with this Agreement in exchange for HUD’s agreement to execute or permit the execution of the RAD HAP Contract and the assistance provided thereby;
**Whereas**, in accordance with the RAD Statute and RAD Notice, except as otherwise agreed in writing by HUD, this Agreement is to be recorded superior to other liens on the Property, run until the conclusion of the initial term of the RAD HAP Contract, automatically renew upon each extension or renewal of the RAD HAP Contract for a term that runs with each renewal term of the RAD HAP Contract, and remain in effect even in the case of abatement or termination of the RAD HAP Contract for the term the RAD HAP Contract would have run, absent the abatement or termination.

**Now Therefore**, in consideration of the foregoing, conversion of assistance pursuant to RAD, provision of rental assistance pursuant to the RAD HAP Contract and other valuable consideration, the parties hereby agree as follows:

1. **Definitions.** All terms used in this Agreement and not otherwise defined have the same meaning as set forth in the RAD Notice.

2. **Term.** The initial term of this Agreement commences upon the date this Agreement is entered into and shall run until the conclusion of the initial term of the RAD HAP Contract. The RAD HAP Contract is effective for twenty (20) years. Unless otherwise approved by HUD, this Agreement shall remain in effect through the initial term of the RAD HAP Contract and for additional periods to coincide with any renewal term of the RAD HAP Contract or any replacement RAD HAP Contract. It is the intention of the parties that the RAD HAP Contract and this Agreement shall each renew upon the completion of its initial term. Therefore, this Agreement shall remain in effect until a release is recorded as contemplated by Section 8. Such release shall be the evidence of the non-renewal of the RAD HAP Contract, of the determination not to execute a replacement RAD HAP Contract and of the termination of this Agreement. This Agreement will survive abatement of assistance or termination of the RAD HAP Contract unless otherwise approved by HUD.

3. **Use Restriction and Tenant Incomes.** The Assisted Units shall be leased in accordance with the RAD HAP Contract, including any applicable eligibility and/or income-targeting requirements. In the case that the RAD HAP Contract is terminated prior to the completion of the term or renewal term, if applicable, of this Agreement (by way of illustration and not limitation, for breach or non-compliance), for the remainder of the term of this Agreement new tenants leasing the Assisted Units (except if any of the Assisted Units is a HUD-approved manager unit) must have incomes at or below 80 percent of the Area Median Income (AMI) at the time of admission (“**Eligible Tenants**”). Additionally, rents for such Assisted Units must not exceed 30% of 80% of the AMI for households of the size occupying an appropriately sized unit. Notwithstanding the foregoing, in the event the Project Owner so requests and is able to demonstrate to HUD’s satisfaction that despite the Project Owner’s good faith and diligent efforts to do so, the Project Owner is unable either (1) to rent a sufficient percentage of Assisted Units to Eligible Tenants in order to satisfy the restrictions in this paragraph, or (2) to otherwise provide for the financial viability of the Project, HUD may, in its sole discretion, agree to reduce the percentage of units subject to the restriction under this paragraph or otherwise modify this restriction in a manner acceptable to the Project Owner and HUD. Any such modification of the restrictions listed in this paragraph shall be evidenced by a written amendment to this Agreement executed by each of the parties hereto.
4. **Survival.** This Agreement will survive foreclosure and bankruptcy.

5. **Fair Housing and Civil Rights Requirements.** The Project Owner and its agents, where applicable, shall ensure that the Project complies with applicable federal fair housing and civil rights laws, regulations, and other legal authorities, including those identified at 24 C.F.R. § 5.105.

6. **Accessibility Requirements.** The Project Owner and its agents, where applicable, shall ensure that the Project complies with all applicable federal accessibility requirements under the Fair Housing Act and implementing regulations at 24 CFR Part 100, Section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR Part 8, and Titles II and III of the Americans with Disabilities Act and implementing regulations at 28 CFR Parts 35 and 36, respectively.

7. **Restrictions on Transfer.** HUD has been granted and is possessed of an interest in the above described Project. Except as authorized below, the Project Owner and, if a party hereto, the PHA, shall not transfer, convey, encumber or permit or suffer any transfer, conveyance, assignment, lease, mortgage, pledge or other encumbrance of said Project and/or Property or any part thereof without prior written consent of HUD. Notwithstanding the foregoing, HUD hereby authorizes (a) leases in the normal operation of the Project, (b) subordinate liens contemplated by a RAD Conversion Commitment executed in connection with the Project, whether such liens are recorded concurrent with the recordation of this Use Agreement or recorded subsequent hereto (such as permanent financing to replace construction-period financing), and (c) conveyance or dedication of land for use as streets, alleys, or other public rights-of-way and grants and easements for the establishment, operation and maintenance of public utilities. Except as otherwise approved in writing by HUD, any lien on the Project and/or Property shall be subject and subordinate to this Agreement. Unless this Agreement is released by HUD, any transferee of the Project and/or Property shall take title subject to this Agreement. In the event of a default under the RAD HAP Contract including, without limitation, upon any transfer of the Property or Project without HUD consent, upon expiration of any applicable notice and/or cure periods, HUD may transfer the RAD HAP Contract and the rental assistance contemplated therein to another entity and/or Property and/or Project. The Project Owner has constituted HUD as its attorney-in-fact to effect any such transfer.

8. **Amendment or Release.** This Agreement may not be amended without HUD consent. This Agreement shall remain as an encumbrance against the Property unless and until HUD executes a release for recording. This Agreement may only be released by HUD in its sole discretion. In the event that the RAD HAP is, in accordance with all applicable laws and RAD program requirements, not renewed or replaced, HUD shall not unreasonably fail to provide such a release upon the completion of the applicable term of this Agreement.

9. **Enforcement.** In the event of a breach or threatened breach of any of the provisions of this Agreement, any eligible tenant or applicant for occupancy within the Project, or the Secretary or his or her successors or delegates, may institute proper legal action to enforce performance of such provisions, to enjoin any acts in violation of such provisions, to recover whatever damages can be proven, and/or to obtain whatever other relief may be appropriate.
10. **Severability.** The invalidity, in whole or in part, of any of the provisions set forth in this Agreement shall not affect or invalidate any remaining provisions.

11. **Conflicts.** Any conflicts between this Agreement and the RAD HAP Contract or any other applicable HUD program requirements shall be conclusively resolved by the Secretary.

12. **Execution of Other Agreements.** The Project Owner and, if a party hereto, the PHA, agrees that it has not and will not execute any other agreement with provisions contradictory to, or in opposition to, the provisions of this Agreement, and that in any event, the provisions of this Agreement are paramount and controlling as to the rights and obligations set forth and supersede any other conflicting requirements.

13. **Subsequent Statutory Amendments.** If revisions to the provisions of this Agreement are necessitated by subsequent statutory amendments, the Project Owner and, if a party hereto, the PHA, agrees to execute modifications to this Agreement that are needed to conform to the statutory amendments. At HUD’s option, HUD may implement any such statutory amendment through rulemaking.

14. **Lender Provisions.**

   A. Nothing in this Agreement prohibits any holder of a mortgage or other lien against the Property or Project from foreclosing its lien or accepting a deed in lieu of foreclosure. Any lien holder shall give HUD, as a courtesy, written notice prior to declaring an event of default. Any lien holder shall provide HUD concurrent notice with any written filing of foreclosure filed in accordance with state law provided that the foreclosure sale shall not occur sooner than sixty days (60) days after such notice to HUD. The Notice to HUD may be personally delivered or sent by U.S. certified or registered mail, return receipt requested, first class postage prepaid, addressed as follows:

   If for PBRA transactions:
   U.S. Department of Housing and Urban Development
   451 7th Street SW, Room 9100
   Washington, DC 20410
   Attention: Office of the Assistant Secretary for Housing - Rental Assistance Demonstration

   If for PBV transactions:
   U.S. Department of Housing and Urban Development
   451 7th Street SW, Room 4100
   Washington, DC 20410
   Attention: Office of the Assistant Secretary for Public and Indian Housing - Rental Assistance Demonstration

   B. Notwithstanding any lien holder’s foreclosure rights, this Agreement survives foreclosure and any new owners of the Property or the Project take ownership subject to this Agreement.

   C. Transfer of title to the Property or the Project may be grounds for termination of assistance under the RAD HAP Contract. However, HUD may permit, through prior written
consent by HUD, the new owner of the Property or the Project to assume the RAD HAP Contract, subject to the terms included therein, or enter into a new RAD HAP Contract. Any HUD consent to continued HAP assistance is subject to the RAD Statute and other RAD program requirements.

D. Each entity interested in purchasing the Property in a foreclosure sale administered under state foreclosure law may submit a written request to HUD to continue RAD HAP Contract assistance in the event of such entity’s successful acquisition at the foreclosure sale. Such request shall be submitted by the latter of ten business days after first publication of the foreclosure sale or 60 days prior to such foreclosure sale.

15. Successors and Assigns. This Agreement shall be binding upon the Project Owner and, if a party hereto, the PHA, and all future successors and assigns of either with respect to any portion of the Property or the Project.

d. **Term of the HAP Contract**

1. **Beginning of Term**

   The Contract begins on **June 1, 2021**.

2. **Length of initial term**

   a. Subject to paragraph 2.b, the initial term of the HAP Contract for any contract unit is **20 years**.

   b. The initial term of the HAP Contract for any unit may not be less than 15 years, and may be for a term of up to 20 years upon the request of the Owner and with the approval of the CA.

3. **Contract Administrator’s Obligation to Offer to Renew and Owner Obligation to Accept Offers to Renew**

   The CA and the Owner acknowledge and agree upon expiration of the initial term of the HAP Contract, and upon each renewal term of the HAP Contract, the CA shall offer to renew the HAP Contract and the Owner shall accept each offer to renew the HAP Contract, subject to the terms and conditions applicable at the time of each offer, and further subject to the availability of appropriations for each year of each such renewal.
4. **Funding of PBV HAP Contract**

   a. **Funding for the Year of Conversion.** In the Year of Conversion, the HAP Contract shall be funded only from public housing amounts obligated prior to the effective date of the HAP Contract, and from any additional public housing amounts that HUD obligates in full or in part, subject to the availability of sufficient appropriated funding, for the remainder of the calendar year in which the HAP Contract becomes effective. Owner acknowledges that this amount for the first year may be less than the contract rent for subsequent years.\(^3\)

   b. **Funding for remainder of the initial term and any renewal term.** Starting in the First Full Year and in each subsequent year in which the HAP Contract is effective, for the remainder of the initial term and any renewal term, subject to the availability of sufficient appropriated funding (budget authority), as provided in appropriations acts and in the CA’s Consolidated Annual Contributions Contract with HUD, the CA will make full payments of housing assistance payments due to an Owner for any contract year in accordance with the HAP Contract. The availability of sufficient funding must be determined by HUD or the CA in accordance with HUD requirements. If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP Contract, the CA has the right to terminate the HAP Contract by notice to the Owner for all or any of the Contract units. Such action by the CA shall be implemented in accordance with HUD requirements.

   e. **Occupancy and payment**

      1. **Payment for occupied unit**

         During the term of the HAP Contract, the CA shall make housing assistance payments to the Owner for the months during which a contract unit is leased to and occupied by an eligible family. If an assisted family moves out of a Contract unit, the Owner may keep the housing assistance payment for the calendar month when the family moves out (“move-out month”). However, the Owner may not keep the payment if the CA determines that the vacancy is the Owner’s fault.

      2. **Vacancy payment**

         THE PHA HAS DISCRETION WHETHER TO INCLUDE THE VACANCY PAYMENT PROVISION (PARAGRAPH f.2), OR TO STRIKE THIS PROVISION FROM THE HAP CONTRACT FORM.

---

\(^3\) Note that new definitions of First Full Year, HUD requirements and Year of Conversion are added to Section 2 of Part 2 of the HAP Contract.
a. If an assisted family moves out of a Contract unit, the CA may provide vacancy payments to the Owner for a CA-determined vacancy period extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month.

b. The vacancy payment to the Owner for each month of the maximum two-month period will be determined by the CA, and cannot exceed the monthly rent to Owner under the assisted lease, minus any portion of the rental payment received by the Owner (including amounts available from the tenant’s security deposit). Any vacancy payment may only cover the period the unit remains vacant.

c. The CA may only make vacancy payments to the Owner if:

1. The Owner gives the CA prompt, written notice certifying that the family has vacated the unit and the date when the family moved out (to the best of the Owner’s knowledge and belief);

2. The Owner certifies that the vacancy is not the fault of the Owner and that the unit was vacant during the period for which payment is claimed;

3. The Owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and

4. The Owner provides any additional information required and requested by the CA to verify that the Owner is entitled to the vacancy payment.

d. The CA must take every reasonable action to minimize the likelihood and length of vacancy.

e. The Owner may refer families to the CA, and recommend selection of such families from the CA waiting list for occupancy of vacant units.

f. The Owner must submit a request for vacancy payments in the form and manner required by the CA and must provide any information or substantiation required by the CA to determine the amount of any vacancy payments.

3. **PHA is not responsible for family damage or debt to Owner**

Except as provided in this paragraph e (Occupancy and Payment), the CA will not make any other payment to the Owner under the HAP Contract. The CA will not make any payment to Owner for any damages to the unit, or for any other amounts owed by a family under the family's lease.

f. **Non-Applicability of Income Mixing Requirement.**
There is no cap on the number of units that may receive PBV assistance in a project.

under the program.  

First Full Year. The first full calendar year of the HAP Contract beginning the year after the 
calendar year of the effective date. To clarify, in cases in which a project converts in

the calendar year starting on the effective date and the First Full Year begins the year 
following.  

HAP Contract. This housing assistance payments contract between the CA and the owner. 
The contract consists of Part 1, Part 2, and the contract exhibits (listed in section 1.c of the 
HAP Contract).  

Housing assistance payment. The monthly assistance payment by the CA for a contract

Housing quality standards (HQS). The HUD minimum quality standards for dwelling 
units occupied by families receiving project-based voucher program assistance.
HUD. U.S. Department of Housing and Urban Development.

HUD requirements. HUD requirements which apply to the project-based voucher program. HUD requirements are issued by HUD headquarters, as regulations, Federal Register notices or other binding program directives. HUD requirements include Notice PIH 2012-32 (HA), “Rental Assistance Demonstration—Final Implementation, Revision 2,” as revised or amended from time to time (or any successor document) (RAD Notice). Any references in this HAP Contract to specific sections of the RAD Notice include any successor provisions whether explicitly stated or not.

Owner. Any person or entity who has the legal right to lease or sublease a unit to a participant.

Premises. The building or complex in which a contract unit is located, including common areas or grounds.

Principal or interested party. This term includes a management agent and other persons or entities participating in project management, and the officers and principal members, shareholders, investors, and other parties having a substantial interest in the HAP Contract, or in any proceeds or benefits arising from the HAP Contract.

Tenant rent. The portion of the rent to Owner payable by the family, as determined by the CA in accordance with HUD requirements. The CA is not responsible for paying any part of the tenant rent.

Year of Conversion. The time from the effective date of the HAP Contract through the end of that calendar year.

3. PURPOSE

a. This is a HAP Contract between the CA and the Owner.

b. The purpose of the HAP Contract is to provide housing assistance payments for eligible families who lease contract units that comply with the HUD HQS from the Owner.
c. The CA must make housing assistance payments to the Owner in accordance with the HAP Contract for contract units leased and occupied by eligible families during the HAP Contract term. HUD provides funds to the CA to make housing assistance payments to Owners for eligible families.

4. RENT TO OWNER; HOUSING ASSISTANCE PAYMENTS

a. Amount of initial rent to Owner

The initial rent to Owner for each contract unit is stated in Exhibit A, which is attached to and made a part of the HAP Contract. At the beginning of the HAP contract term, and until rent to Owner is adjusted in accordance with section 5 of the HAP Contract, the rent to Owner for each bedroom size (number of bedrooms) shall be the initial rent to Owner amount listed in Exhibit A.

b. HUD rent requirements

Notwithstanding any other provision of the HAP Contract, the rent to Owner may in no event exceed the amount authorized in accordance with HUD requirements. The CA has the right to reduce the rent to Owner, at any time, to correct any errors in establishing or adjusting the rent to Owner in accordance with HUD requirements. The CA may recover any overpayment from the Owner.

c. CA payment to Owner

1. Each month the CA must make a housing assistance payment to the Owner for a unit under lease to and occupied by an eligible family in accordance with the HAP Contract.

2. The monthly housing assistance payment to the Owner for a contract unit is equal to the amount by which the rent to Owner exceeds the tenant rent.

3. Payment of the tenant rent is the responsibility of the family. The CA is not responsible for paying any part of the tenant rent, or for paying any other claim by the Owner against a family. The CA is only responsible for making housing assistance payments to the Owner on behalf of a family in accordance with the HAP Contract.

4. The Owner will be paid the housing assistance payment under the HAP Contract on or about the first day of the month for which payment is due, unless the Owner and the CA agree on a later date.

5. To receive housing assistance payments in accordance with the HAP contract, the Owner must comply with all the provisions of the HAP contract. Unless the Owner complies with all the provisions of the HAP contract.
Contract, the Owner does not have a right to receive housing assistance payments.

6. If the CA determines that the Owner is not entitled to the payment or any part of it, the CA, in addition to other remedies, may deduct the amount of the overpayment from any amounts due the Owner, including amounts due under any other housing assistance payments contract.

7. The Owner will notify the CA promptly of any change of circumstances that would affect the amount of the monthly housing assistance payment, and will return any payment that does not conform to the changed circumstances.

8. Notwithstanding anything else in this HAP Contract, in the Year of Conversion, any housing assistance payments shall equal amounts funded in accordance with Part 1, Section 1.d.4.a (Funding for the Year of Conversion) of this HAP Contract.

d. Termination of assistance for family

The CA may terminate housing assistance for a family under the HAP Contract in accordance with HUD requirements. The CA must notify the Owner in writing of its decision to terminate housing assistance for the family in such case.

5. ADJUSTMENT OF RENT TO OWNER

a. PHA determination of adjusted rent

1. Subject to section 5.b. of the HAP Contract, at each anniversary date during the term of the HAP Contract, the CA will adjust the rent to Owner by applying HUD’s operating cost adjustment factor (OCAF), subject to the availability of appropriations for each year of the HAP Contract term.

2. The adjustment of rent to Owner shall always be determined in accordance with all HUD requirements. The amount of the rent to Owner may be adjusted up or down, in the amount defined by the CA in accordance with HUD requirements.

b. Reasonable rent

The rent to Owner for each contract unit may at no time exceed the reasonable rent charged for comparable units in the private unassisted market, as determined by the CA in accordance with 24 C.F.R. § 983.303. However, the rent to Owner shall not be reduced below the initial rent to Owner for dwelling units under the HAP Contract except in the following cases: (1) to correct errors in calculations in accordance with HUD requirements; (2) if additional housing assistance has been combined with PBV assistance after the execution of the HAP Contract and a rent
decrease is required pursuant to 24 C.F.R. § 983.55; or (3) if a decrease in rent to Owner is required based on changes in the allocation of responsibility for utilities between the Owner and the tenant.

c. **No special adjustments**

The CA will not make any special adjustments of the rent to Owner.

d. **Owner compliance with HAP contract**

The CA shall not approve, and the Owner shall not receive, any increase of rent to Owner unless all contract units are in accordance with the HQS, and the Owner has complied with the terms of the assisted leases and the HAP Contract.

e. **Notice of rent adjustment**

Rent to Owner shall be adjusted by written notice by the CA to the Owner in accordance with this section. Such notice constitutes an amendment of the rents specified in Exhibit A.

6. **OWNER RESPONSIBILITY**

The Owner is responsible for:

a. Performing all management and rental functions for the contract units.

b. Maintaining the units in accordance with HQS.

c. Complying with equal opportunity requirements.

d. Enforcing tenant obligations under the lease.

e. Paying for utilities and housing services (unless paid by the family under the lease).

f. Collecting from the tenant:

1. Any security deposit;

2. The tenant rent; and

3. Any charge for unit damage by the family.

7. **OWNER CERTIFICATION**

The owner certifies that during the term of the HAP Contract:

a. All contract units meet HQS, or successor standard, or will meet HQS no later than the date of completion of the “Work” (including any environmental mitigation
measures) as indicated in the RAD Conversion Commitment (RCC) which will be no later than [08/01/2023].

b. The Owner is providing all the services, maintenance and utilities as agreed to under the HAP Contract and the leases with assisted families.

c. Each contract unit for which the Owner is receiving housing assistance payments is leased to an eligible family referred by the CA, and the lease is in accordance with the HAP Contract and HUD requirements.

d. To the best of the Owner’s knowledge, the members of the family reside in each contract unit for which the Owner is receiving housing assistance payments, and the unit is the family’s only residence.

e. The Owner (including a principal or other interested party) is not the parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit.

f. The amount of the housing assistance payment is the correct amount due under the HAP Contract.

g. The rent to Owner for each contract unit does not exceed rents charged by the Owner for other comparable unassisted units.

h. Except for the housing assistance payment and the tenant rent as provided under the HAP Contract, the Owner has not received and will not receive any payments or other consideration (from the family, the CA, HUD, or any other public or private source) for rental of the contract unit.

i. The family does not own, or have any interest in the contract unit. If the Owner is a cooperative, the family may be a member of the cooperative.

8. CONDITION OF UNITS

a. Owner maintenance and operation

The Owner must maintain and operate the contract units and premises to provide decent, safe and sanitary housing in accordance with the HQS, including performance of ordinary and extraordinary maintenance. The Owner must provide all the services, maintenance and utilities set forth in Exhibits B and C, and in the lease with each assisted family.

b. PHA inspections

1. The CA must inspect each Contract unit after rehabilitation is completed in accordance with the RCC.
2. Before providing assistance to a new family in a contract unit, the CA must inspect the unit. The CA may not provide assistance on behalf of the family until the unit fully complies with the HQS.

3. At least annually during the term of the HAP Contract, the CA must inspect a random sample, consisting of at least 20 percent of the contract units in each building, to determine if the contract units and the premises are maintained in accordance with the HQS. Turnover inspections pursuant to paragraph 2 of this section are not counted towards meeting this annual inspection requirement.

4. If more than 20 percent of the annual sample of inspected contract units in a building fail the initial inspection, the CA must reinspect 100 percent of the contract units in the building.

5. The CA must inspect contract units whenever needed to determine that the contract units comply with the HQS and that the Owner is providing maintenance, utilities, and other services in accordance with the HAP Contract. The CA must take into account complaints and any other information that comes to its attention in scheduling inspections.

c. Violation of the housing quality standards

1. If the CA determines a contract unit is not in accordance with the HQS, the CA may exercise any of its remedies under the HAP Contract for all or any contract units. Such remedies include termination, suspension or reduction of housing assistance payments, and termination of the HAP Contract.

2. The CA may exercise any such contractual remedy respecting a contract unit even if the family continues to occupy the unit.

3. The CA shall not make any housing assistance for a dwelling unit that fails to meet the HQS, unless the Owner corrects the defect within the period specified by the CA and the CA verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects, the owner must correct the defect within no more than 30 calendar days (or any CA-approved extension).

d. Maintenance and replacement—owner’s standard practice

Maintenance and replacement (including redecoration) must be in accordance with the standard practice for the building concerned as established by the Owner.

9. LEASING CONTRACT UNITS
a. Selection of tenants

1. During the term of the HAP Contract, the Owner must lease all Contract units to eligible families selected and referred by the CA from the CA’s waiting list. The waiting list shall be established and maintained in accordance with HUD requirements, including the special PBV waiting list provisions in the RAD Notice (including Section 1.6.D.4 or successor provision).

2. The Owner is responsible for adopting written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant’s ability to perform the lease obligations.

3. Consistent with HUD requirements, the Owner may apply its own admission procedures in determining whether to admit a family referred by the CA for occupancy of a contract unit. The Owner may refer families to the CA, and recommend selection of such families from the CA waiting list for occupancy of vacant units.

4. The Owner must promptly notify in writing any rejected applicant of the grounds for rejection.

5. The CA must determine family eligibility in accordance with HUD requirements.

6. The contract unit leased to each family must be appropriate for the size of the family under the CA’s subsidy standards.

5. If a contract unit was occupied by an eligible family at the time the unit was selected by the CA, or is so occupied on the effective date of the HAP Contract, the Owner must offer the family the opportunity to lease the same or another appropriately-sized contract unit with assistance under the HAP Contract.

6. The Owner is responsible for screening and selecting tenants from the families referred by the CA from its waiting list.

b. Vacancies

1. The Owner must promptly notify the CA of any vacancy in a contract unit. After receiving the Owner notice, the CA shall make every reasonable effort to refer a sufficient number of families for Owner to fill the vacancy.

2. The Owner must rent vacant contract units to eligible families on the CA waiting list referred by the CA.
3. The CA and the Owner must make reasonable good faith efforts to minimize the likelihood and length of any vacancy.

4. If any contract units have been vacant for a period of 120 or more days since Owner notice of vacancy (and notwithstanding the reasonable good faith efforts of the CA to fill such vacancies), the CA may give notice to the Owner amending the HAP Contract to reduce the number of contract units by subtracting the number of contract units (by number of bedrooms) that have been vacant for such period.

10. TENANCY

a. Lease

The lease between the Owner and each assisted family must be in accordance with HUD requirements. In all cases, the lease must include the HUD-required tenancy addendum. The tenancy addendum must include, word-for-word, all provisions required by HUD.

b. Termination of tenancy

1. The Owner may only terminate a tenancy in accordance with the lease and HUD requirements.

2. The Owner must give the CA a copy of any Owner eviction notice to the tenant at the same time that the Owner gives notice to the tenant. Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used to commence an eviction action under State or local law.

3. The Owner shall provide adequate written notice of termination of the lease, which shall be (A) a reasonable period of time, but not to exceed 30 days if the health or safety of other tenants, Owner employees, or persons residing in the immediate vicinity of the premises is threatened; or in the event of any drug-related or violent criminal activity or any felony conviction; (B) Not less than 14 days in the case of nonpayment of rent; and (C) Not less than 30 days in any other case, except that if a State or local law provides for a shorter period of time, such shorter period shall apply.

4. The Owner must renew all tenant leases upon expiration, unless good cause under 24 C.F.R. § 983.257(a) exists for non-renewal of a lease.

c. Family payment

1. The portion of the monthly rent to Owner payable by the family ("tenant rent") will be determined by the CA in accordance with HUD
requirements. The amount of the tenant rent is subject to change during the term of the HAP Contract. Any changes in the amount of the tenant rent will be effective on the date stated in a notice by the CA to the family and the Owner.

2. The amount of the tenant rent as determined by the CA is the maximum amount the Owner may charge the family for rent of a contract unit, including all housing services, maintenance and utilities to be provided by the Owner in accordance with the HAP Contract and the lease.

3. The Owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by the CA. The Owner must immediately return any excess rent payment to the tenant.

4. The family is not responsible for payment of the portion of the contract rent covered by the housing assistance payment under the HAP Contract. The Owner may not terminate the tenancy of an assisted family for nonpayment of the CA housing assistance payment.

5. The CA is only responsible for making the housing assistance payments to the Owner on behalf of the family in accordance with the HAP Contract. The CA is not responsible for paying the tenant rent, or any other claim by the Owner.

d. Other Owner charges

1. Except as provided in paragraph 2, the Owner may not require the tenant or family members to pay charges for meals or supportive services. Nonpayment of such charges is not grounds for termination of tenancy.

2. In assisted living developments receiving project-based voucher assistance, Owners may charge tenants, family members, or both for meals or supportive services. These charges may not be included in the rent to Owner, nor may the value of meals and supportive services be included in the calculation of reasonable rent. Non-payment of such charges is grounds for termination of the lease by the Owner in an assisted living development.

3. The Owner may not charge the tenant or family members extra amounts for items customarily included in rent in the locality or provided at no additional cost to the unsubsidized tenant in the premises.

e. Security deposit

1. The Owner may collect a security deposit from the family.
2. The Owner must comply with HUD and CA requirements, which may change from time to time, regarding security deposits from a tenant.

3. The CA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the Owner to unassisted families.

4. When the family moves out of the contract unit, the Owner, subject to State and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit or other amounts which the family owes under the lease. The Owner must give the family a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used as reimbursement to the Owner, the Owner must promptly refund the full amount of the balance to the family.

5. If the security deposit is not sufficient to cover amounts the family owes under the lease, the Owner may seek to collect the balance from the family. However, the CA has no liability or responsibility for payment of any amount owed by the family to the Owner.

11. FAMILY RIGHT TO MOVE
   a. The family may terminate its lease at any time after the first year of occupancy. The family must give the Owner advance written notice of intent to vacate (with a copy to the CA) in accordance with the lease. If the family has elected to terminate the lease in this manner, the CA must offer the family the opportunity for tenant-based rental assistance in accordance with HUD requirements.

   b. Before providing notice to terminate the lease under paragraph a, the family must first contact the CA to request tenant-based rental assistance if the family wishes to move with continued assistance. If tenant-based rental assistance is not immediately available upon lease termination, the CA shall give the family priority to receive the next available opportunity for tenant-based rental assistance.

12. OVERCROWDED, UNDER-OCCUPIED, AND ACCESSIBLE UNITS

   The CA subsidy standards determine the appropriate unit size for the family size and composition. The CA and Owner must comply with the requirements in 24 CFR 983.259.

13. PROHIBITION OF DISCRIMINATION
   a. The Owner may not refuse to lease contract units to, or otherwise discriminate against any person or family in leasing of a contract unit, because of race, color, religion, sex, national origin, disability, age or familial status.

c. The CA and the Owner must cooperate with HUD in conducting compliance reviews and complaint investigations pursuant to all applicable civil rights statutes, Executive Orders, and all related rules and regulations.

14. PHA DEFAULT AND HUD REMEDIES

If HUD determines that the CA has failed to comply with the HAP Contract, or has failed to take appropriate action to HUD’s satisfaction or as directed by HUD, for enforcement of the CA’s rights under the HAP Contract, HUD may assume the CA’s rights and obligations under the HAP Contract, and may perform the obligations and enforce the rights of the CA under the HAP Contract.

15. OWNER DEFAULT AND PHA REMEDIES

a. Owner default

Any of the following is a default by the Owner under the HAP Contract:

1. The Owner has failed to comply with any obligation under the HAP Contract, including the Owner’s obligations to maintain all contract units in accordance with the housing quality standards.

2. The Owner has violated any obligation under any other housing assistance payments contract under Section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f).
3. The Owner has committed any fraud or made any false statement to the CA or HUD in connection with the HAP Contract.

4. The Owner has committed fraud, bribery or any other corrupt or criminal act in connection with any Federal housing assistance program.

5. If the property where the contract units are located is subject to a lien or security interest securing a HUD loan or a mortgage insured by HUD and:

   A. The Owner has failed to comply with the regulations for the applicable mortgage insurance or loan program, with the mortgage or mortgage note, or with the regulatory agreement; or

   B. The Owner has committed fraud, bribery or any other corrupt or criminal act in connection with the HUD loan or HUD-insured mortgage.

6. The Owner has engaged in any drug-related criminal activity or any violent criminal activity.

b. **CA remedies**

   1. If the CA determines that a breach has occurred, the CA may exercise any of its rights or remedies under the HAP Contract.

   2. The CA must notify the Owner in writing of such determination. The notice by the CA to the Owner may require the Owner to take corrective action (as verified by the CA) by a time prescribed in the notice.

   3. The CA’s rights and remedies under the HAP Contract include recovery of overpayments, termination or reduction of housing assistance payments, and termination of the HAP Contract.

c. **CA remedy is not waived**

   The CA’s exercise or non-exercise of any remedy for Owner breach of the HAP Contract is not a waiver of the right to exercise that remedy or any other right or remedy at any time.

16. **OWNER DUTY TO PROVIDE INFORMATION AND ACCESS REQUIRED BY HUD OR PHA**

   a. **Required information**

   The Owner must prepare and furnish any information pertinent to the HAP Contract as may reasonably be required from time to time by the CA or HUD. The Owner shall furnish such information in the form and manner required by the CA or HUD.
b. **PHA and HUD access to premises**

The Owner must permit the PHA or HUD or any of their authorized representatives to have access to the premises during normal business hours and, for the purpose of audit and examination, to have access to any books, documents, papers and records of the Owner to the extent necessary to determine compliance with the HAP Contract, including the verification of information pertinent to the housing assistance payments or the HAP Contract.

17. **CA AND OWNER RELATION TO THIRD PARTIES**

a. **Injury because of Owner action or failure to act**

The CA has no responsibility for or liability to any person injured as a result of the Owner’s action or failure to act in connection with the implementation of the HAP Contract, or as a result of any other action or failure to act by the Owner.

b. **Legal relationship**

The Owner is not the agent of the CA. The HAP Contract does not create or affect any relationship between the CA and any lender to the Owner or any suppliers, employees, contractors or subcontractors used by the Owner in connection with the implementation of the HAP Contract.

c. **Exclusion of third party claims**

Nothing in the HAP Contract shall be construed as creating any right of a family or other third party (other than HUD) to enforce any provision of the HAP Contract, or to assert any claim against HUD, the CA or the Owner under the HAP Contract.

d. **Exclusion of Owner claims against HUD**

Nothing in the HAP Contract shall be construed as creating any right of the Owner to assert any claim against HUD.

18. **PHA-OWNED UNITS**

Notwithstanding Section 17 of the HAP Contract, a CA may own units assisted under the PBV program, subject to the special requirements in 24 CFR 983.59 regarding PHA-owned units and all other HUD requirements governing PHA ownership of PBV units.

19. **CONFLICT OF INTEREST**

a. **Interest of members, officers, or employees of CA, members of local governing body, or other public officials**
1. No present or former member or officer of the CA (except tenant-commissioners), no employee of the CA who formulates policy or influences decisions with respect to the housing choice voucher program or project-based voucher program, and no public official or member of a governing body or State or local legislator who exercises functions or responsibilities with respect to these programs, shall have any direct or indirect interest, during his or her tenure or for one year thereafter, or in the HAP Contract.

2. HUD may waive this provision for good cause.

b. Disclosure

The Owner has disclosed to the CA any interest that would be a violation of the HAP Contract. The Owner must fully and promptly update such disclosures.

c. Interest of member of or delegate to Congress

No member of or delegate to the Congress of the United States of America or resident-commissioner shall be admitted to any share or part of this HAP Contract or to any benefits arising from the contract.

20. EXCLUSION FROM FEDERAL PROGRAMS

a. Federal requirements

The Owner must comply with and is subject to requirements of 2 CFR part 2424.

b. Disclosure

The Owner certifies that:

1. The Owner has disclosed to the CA the identity of the Owner and any principal or interested party.

2. Neither the Owner nor any principal or interested party is listed on the U.S. General Services Administration list of parties excluded from Federal procurement and nonprocurement programs; and none of such parties are debarred, suspended, subject to a limited denial of participation or otherwise excluded under 2 CFR part 2424.

21. TRANSFER OF THE CONTRACT OR PROPERTY

a. When consent is required

1. The Owner and the CA agree that neither the HAP Contract nor the premises may be transferred without the written consent of CA and HUD.
2. “Transfer” includes:
   
   A. Any sale or assignment or other transfer of ownership, in any form, of the HAP Contract or the property;
   
   B. The transfer of any right to receive housing assistance payments that may be payable pursuant to the HAP Contract;
   
   C. The creation of a security interest in the HAP Contract or the property:
   
   D. Foreclosure or other execution on a security interest;
   
   E. A creditor’s lien, or transfer in bankruptcy; or
   
   F. Any refinancing or restructuring of permanent debt imposing liens on the property by the Owner of the project, except to such extent permitted pursuant to that certain Rental Assistance Demonstration Use Agreement entered into in connection with the premises.

3. Owner, CA and HUD hereby agree that:
   
   A. CA and HUD hereby consent to any transfer of a passive or non-controlling interest in the Owner entity, including (by way of illustration and not of limitation, such transfers include transfers of the interests of limited partners in a limited partnership, transfers of the interests of members other than managing members or managers in a limited liability company, and transfers of interests in a corporation that cumulatively represent less than half the beneficial interest in the HAP Contract or the premises).
   
   B. The Owner must obtain advance consent of CA and HUD for transfer of any interest of a general partner of a limited partnership or for the transfer, elimination or addition of a manager or managing member of a limited liability company. If such assignment is made in connection with any HUD-approved financing for the premises, including without limitation low-income housing tax credits, subject to the provisions of Section 37 of this HAP Contract, HUD and CA hereby consent to: an assignment by a general partner of a limited partnership Owner to a limited partner; and an assignment by the managing member of a limited liability company Owner to another member of Owner.
   
   C. Limited CA and HUD consent to collateral assignments of the HAP Contract to lenders is provided in Section 36 of this HAP Contract.

b. Transferee assumption of HAP Contract

No transferee (including the holder of a security interest, the security holder’s transferee or successor in interest, or the transferee upon exercise of a security interest) shall have any right to receive any payment of housing assistance
payments pursuant to the HAP Contract, or to exercise any rights or remedies under the HAP Contract, unless the CA and HUD has consented in advance, in writing to such transfer, and the transferee has agreed in writing, in a form acceptable to the CA and HUD in accordance with HUD requirements, to assume the obligations of the Owner under the HAP Contract, and to comply with all the terms of the HAP Contract.

c. **Effect of consent to transfer**

1. The creation or transfer of any security interest in the HAP Contract is limited to amounts payable under the HAP Contract in accordance with the terms of the HAP Contract.

2. The CA and HUD’s consent to transfer of the HAP Contract or the property does not to change the terms of the HAP Contract in any way, and does not change the rights or obligations of the PHA or the Owner under the HAP Contract.

3. The CA and HUD’s consent to transfer of the HAP Contract or the property to any transferee does not constitute consent to any further transfers of the HAP Contract or the property, including further transfers to any successors or assigns of an approved transferee.

d. **When transfer is prohibited**

The CA and HUD will not consent to the transfer if any transferee, or any principal or interested party is debarred, suspended subject to a limited denial of participation, or otherwise excluded under 2 CFR part 2424, or is listed on the U.S. General Services Administration list of parties excluded from Federal procurement or nonprocurement programs.

22. **SUBSIDY LAYERING**

a. **Owner disclosure**

The Owner must disclose to the PHA, in accordance with HUD requirements, information regarding any related assistance from the Federal Government, a State, or a unit of general local government, or any agency or instrumentality thereof, that is made available or is expected to be made available with respect to the contract units. Such related assistance includes, but is not limited to, any loan, grant, guarantee, insurance, payment, rebate, subsidy, credit, tax benefit, or any other form of direct or indirect assistance.

b. **Limit of payments**

Housing assistance payments under the HAP Contract must not be more than is necessary, as determined in accordance with HUD requirements, to provide
affordable housing after taking account of such related assistance. The CA will adjust in accordance with HUD requirements the amount of the housing assistance payments to the Owner to compensate in whole or in part for such related assistance.

23. **OWNER LOBBYING CERTIFICATIONS**
   a. The Owner certifies, to the best of Owner’s knowledge and belief, that:
      
      1. No Federally appropriated funds have been paid or will be paid, by or on behalf of the Owner, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of the HAP Contract, or the extension, continuation, renewal, amendment, or modification of the HAP Contract.
      
      2. If any funds other than Federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the HAP Contract, the Owner must complete and submit Standard Form-LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions.
   
   b. This certification by the Owner is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352.

24. **Intentionally Omitted.**

25. **TERMINATION OF HAP CONTRACT FOR WRONGFUL SELECTION OF CONTRACT UNITS**

The HAP Contract may be terminated upon at least 30 days’ notice to the Owner by the CA or HUD if the CA or HUD determines that the contract units were not eligible for selection in conformity with HUD requirements.

26. **NOTICES AND OWNER CERTIFICATIONS**
   a. Where the Owner is required to give any notice to the CA pursuant to the HAP Contract or any other provision of law, such notice must be in writing and must be given in the form and manner required by the CA.
   
   b. Any certification or warranty by the Owner pursuant to the HAP Contract shall be deemed a material representation of fact upon which reliance was placed when this transaction was made or entered into.
27. **ENTIRE AGREEMENT; INTERPRETATION**

a. The HAP Contract, including the exhibits, is the entire agreement between the CA and the Owner.

b. The HAP Contract must be interpreted and implemented in accordance with all statutory requirements, and with all HUD requirements, including amendments or changes in HUD requirements during the term of the HAP Contract. The Owner agrees to comply with all such laws and HUD requirements.

28. **RAD REHAB ASSISTANCE PAYMENTS**

For any unit (1) that is vacant during the period of Work pursuant to the RCC; and (2) for which the Owner is not otherwise receiving housing assistance payments in accordance with section 4(c) of this HAP Contract; the Owner is entitled to receive a monthly RAD Rehab Assistance Payment calculated in accordance with the provision of the RAD Notice governing RAD Rehab Assistance Payments (i.e., Notice PIH 2012-32 (HA), REV-2, section 1.7.A.9. or successor provision), in the amount of $517 per unit, as determined by HUD; shall apply to no more than 11 units in any given month; and shall commence upon the effective date of this HAP Contract, so long as the Owner is in compliance with the approved repair schedule as provided in the RCC. All RAD Rehab Assistance Payments shall end, and the Owner will cease to be entitled to any such payments, (1) on [08-01-2023]; or (2) upon actual completion of the Work, if sooner. Provided, however, during the Year of Conversion (as defined in Section 2), any RAD Rehab Assistance Payments shall not exceed amounts funded pursuant to Section 1.d.4(a).

29. **CA BOARD APPROVAL**

The CA’s Board must approve the operating budget for the covered project annually in accordance with HUD requirements.

30. **PROPERTY AND LIABILITY INSURANCE**

The Owner agrees that the project shall be covered at all times by commercially available property and liability insurance to protect the project from financial loss. To the extent insurance proceeds permit, or as determined feasible by the first mortgage lender, the Owner agrees to promptly restore, reconstruct, and/or repair any damaged or destroyed property of a project, except with the written approval of HUD to the contrary.

31. **RESIDENT PROCEDURAL RIGHTS’ GRIEVANCE PROCESS**

The Owner and the CA must comply with the grievance process requirements in the RAD Notice (including section 1.6.C.7.ii. or successor provision) for projects converting to PBV assistance.
32. **RESIDENT PARTICIPATION AND FUNDING**

In accordance with Attachment 1B.2.B. of the RAD Notice, captioned “PBV Resident Participation and Funding,” families in projects that convert to PBV assistance have the right to establish and operate resident organizations for the purpose of addressing issues related to their living environment. The Attachment details all of the requirements governing Resident Participation and Funding, with which the Owner must comply.

33. **FLOOD INSURANCE**

If the project is located in an area that has been identified by the Federal Emergency Management Agency as an area having special flood hazards and if the sale of flood insurance has been made available under the National Flood Insurance Program, the Owner agrees that: (1) the project will be covered, during the life of the property, by flood insurance in an amount at least equal to its development or project cost (less estimated land cost) or to the limit of coverage made available with respect to the particular type of property under the National Flood Insurance Act of 1968, whichever is less; and (2) that it will advise any prospective purchaser or transferee of the property in writing of the continuing requirement to maintain such flood insurance during the life of the property.

34. **REPLACEMENT RESERVE REQUIREMENT**

The Owner shall establish and maintain a replacement reserve in accordance with the RCC.

35. **LABOR STANDARDS**

By execution of this HAP Contract, the Owner warrants that construction or repair Work on the project that is initiated within eighteen (18) months of the effective date of the HAP Contract shall be in compliance with applicable labor standards, including Davis-Bacon wage requirements, as stated in the “Addendum to the HAP Contract—Labor Standards.” The “Addendum to the HAP Contract—Labor Standards” shall be included as an “Additional Exhibit” under Part 1, Section 1.c. of the HAP Contract.

36. **LENDER PROVISIONS**

Notwithstanding anything else in this HAP Contract:

a. The holder of any HUD-approved mortgage against the project may take action against the Owner and the project that results in the holder of the mortgage or its designee (either referred to herein as “Lender Temporary Custodian”) coming into ownership of the project or assuming the role of “Owner” under this HAP Contract. Transfer of the project or the HAP Contract from the Owner is grounds for termination of the HAP Contract assistance unless otherwise approved by HUD.
HUD and CA hereby consent to a collateral assignment of this contract to any Lender Temporary Custodian and pre-approve any Lender Temporary Custodian as a temporary custodian of the project and as a new “Owner” pursuant to this HAP Contract, and continued assistance to the project pursuant to this HAP Contract, subject to the following conditions:

1. HUD and CA must receive thirty (30) days prior written notice of the transfer of the project to the Lender Temporary Custodian and the form of the documents necessary to effect such transfer.

2. In connection with the transfer, Lender Temporary Custodian must execute and deliver to HUD and CA an assumption on the HAP Contract, in such form as acceptable to HUD.

3. Such approval and consent to continue assistance pursuant to this HAP Contract is expressly limited to a period of only 90 days that commences the date of such transfer of the project, provided that HUD in its sole discretion may extend such 90-day period by an additional 30 days, or for so long as HUD deems reasonably necessary for Lender to find a permanent replacement Owner. Consistent with Public Law 112-55, in the event that the Lender Temporary Custodian comes into ownership of the project, the Lender Temporary Custodian shall use such interim period to identify a proposed permanent Owner determined by HUD to be capable of abiding by the HAP Contract, Use Agreement, and any and all applicable RAD program requirements. The provision of housing assistance payments to any proposed permanent replacement Owner is subject to HUD’s consent.

4. Prior to a transfer of the project to a Lender Temporary Custodian, HUD may at any time by written notice to a Lender Temporary Custodian revoke the approvals given herein if HUD becomes aware of any conditions or circumstances (by way of illustration and not limitation, such conditions or circumstances may include debarment, suspension or limited denial of participation) that would disqualify or compromise the ability of Lender Temporary Custodian from acting as an interim custodian of the project pursuant to the HAP Contract.

37. LOW-INCOME HOUSING TAX CREDIT PROVISIONS

Notwithstanding anything else in this HAP Contract:

a. **Notice.** As long as the equity investor identified below (“Equity Investor”) is a partner or member of Owner, HUD shall endeavor as a courtesy to Equity Investor to deliver to Equity Investor a copy of any notice of default that is delivered to Owner under the terms of the HAP Contract. Use Agreement or RAD Conversion Commitment (RCC). Equity Investor’s Address for such purposes is:
b. **Right to Cure.** Any cure of any default by Owner under the HAP Contract, Use Agreement or RCC offered by Equity Investor shall be treated the same as if offered by Owner.

c. **Transfer of Investor Members/Partners.** Equity Investor, and each successor member or partner in Owner, may transfer its interest in the Owner without prior written consent of HUD if:

1. HUD receives prior written notice of such transfer; and

2. HUD receives executed copies of any and all documents necessary to effect such transfer, including any and all amendments to Owner’s organizational documents.

d. **Removal of General Partner/Managing Member**

1. HUD and CA have pre-approved the replacement of the Owner’s general partner or managing member with an affiliate of Equity Investor, or any successor equity investor (“Interim Replacement GP/MM”) as a temporary replacement general partner/managing member of the Owner, in the event Owner’s general partner or managing member is removed for cause in accordance with Owner’s organizational documents.

2. Interim Replacement GP/MM may remove Owner’s general partner or managing member in accordance with the Owner’s organizational documents without further written consent from HUD or CA and HUD and CA shall continue assistance to the project in accordance with the HAP Contract, provided that Interim Replacement GP/MM provide HUD and CA with prior written notice of such replacement and HUD and CA receive executed copies of any and all documents necessary to effect such replacement.

3. Such approval of such Interim Replacement GP/MM is expressly limited to a period of only 90 days that commences the date of such removal, provided that HUD in its sole discretion may extend such 90-day period by an additional 30 days, or for so long as HUD deems reasonably necessary to provide for a permanent replacement of the general partner or managing member. After such interim period, any proposed permanent replacement for the Owner’s general partner or managing member is subject to HUD’s consent.
4. HUD may at any time by written notice to Equity Investor or any successor revoke the approvals given herein if HUD becomes aware of any conditions or circumstances that would disqualify or compromise the ability of Interim Replacement GP/MM from acting as an interim general partner/managing member pursuant to this HAP Contract.

38. CONTINUATION OF HAP CONTRACT

Except where otherwise approved by HUD, this HAP Contract shall continue in effect and housing assistance payments will continue in accordance with the terms of the HAP Contract in the event: (1) Of assignment, sale, or other disposition of this HAP Contract; (2) Of foreclosure, including foreclosure by HUD; (3) Of assignment of the mortgage or deed in lieu of foreclosure; (4) HUD or the CA takes over possession, operation or ownership; or (5) The Owner prepays the mortgage.

39. ALTERNATIVE REQUIREMENTS

a. Owner Proposal Selection Procedures. Projects will be selected for assistance in accordance with the provisions in the RAD Notice. Therefore, 24 C.F.R. § 983.51 does not apply.

b. Percentage Limitation. Section 8(o)(13)(B) of the 1937 Act and 24 C.F.R. § 983.6 do not apply to assistance provided under RAD.

c. Consistency with PHA Plan and Other Goals. Section 8(o)(13)(ii) of the 1937 Act and 24 C.F.R. §§ 983.57(b)(1) and (c) do not apply.

Addendum to the HAP Contract—Labor Standards

This addendum is used for both the Project-Based Voucher HAP Contract and the Project-Based Rental Assistance (“PBRA”) HAP Contract under the Rental Assistance Demonstration and is applicable for all construction or repair work on projects that are initiated within eighteen (18) months after the effective date of the HAP contract. For PBRA HAP Contracts, it is “Exhibit 4” to the HAP Contract.

1. HUD-FEDERAL LABOR STANDARDS PROVISIONS

The owner is responsible for inserting the entire text of section 1 of this Addendum in all construction contracts for construction or repair work on the project that is initiated within eighteen (18) months of the effective date of the HAP contract and, if the owner performs any rehabilitation work on the project, the owner must comply with all provisions of section 1. (Note: Sections 1(b) and (c) apply only when the amount of the prime contract exceeds $100,000.)

(a)(1)(i) Minimum Wages. All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project) will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made part hereof regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under section l(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's [12514] payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321)) shall be posted at all times by the contractor and its...
subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)(A) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met: (1) The work to be performed by the classification requested is not performed by a classification in the wage determination; (2) The classification is utilized in the area by the construction industry; and (3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (a)(1)(ii)(B) or (C) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determinations or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably
anticipated in providing bona fide fringe benefits under a plan or program: Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(2) Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractors under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due.

(3)(i) Payrolls and Basic Records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section l(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section l(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the
registration of apprenticeship programs and certification of trainee programs, the registration of
the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)(A) The contractor shall submit weekly for each week in which any contract work is
performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract,
but if the agency is not such a party, the contractor will submit the payrolls to the applicant,
sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls
submitted shall set out accurately and completely all of the information required to be maintained
under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not
be included on weekly transmittals. Instead the payrolls shall only need to include an
individually identifying number for each employee (e.g., the last four digits of the employee's
social security number). The required weekly payroll information may be submitted in any form
desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division
Web site at http://www.dol.gov/esa/whd/forms/w347instr.htm or its successor site. The prime
contractor is responsible for the submission of copies of payrolls by all subcontractors.
Contractors and subcontractors shall maintain the full social security number and current address
of each covered worker, and shall provide them upon request to HUD or its designee if the
agency is a party to the contract, but if the agency is not such a party, the contractor will submit
them to the applicant, sponsor, or owner, as the case may be, for transmission to HUD or its
designee, the contractor, or the Wage and Hour Division of the Department of Labor for
purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a
violation of this section for a prime contractor to require a subcontractor to provide addresses
and social security numbers to the prime contractor for its own records, without weekly
submission to the sponsoring government agency (or the applicant, sponsor, or owner).

(B) Each payroll submitted shall be accompanied by a "Statement of compliance," signed by the
contractor or subcontractor or his or her agent who pays or supervises the payment of the persons
employed under the contract and shall certify the following: (1) That the payroll for the payroll
period contains the information required to be provided under 29 CFR 5.5(a)(3)(ii), the
appropriate information is being maintained under 29 CFR 5.5 (a)(3)(i), and that such
information is correct and complete; (2) That each laborer or mechanic (including each helper,
apprentice, and trainee) employed on the contract during the payroll period has been
paid the full weekly wages earned, without rebate, either directly or indirectly, and that no
deductions have been made either directly or indirectly from the full wages earned, other than
permissible deductions as set forth in 29 CFR part 3; (3) That each laborer or mechanic has been
paid not less than the applicable wage rates and fringe benefits or cash equivalents for the
classification of work performed, as specified in the applicable wage determination incorporated
into the contract.
(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of Title 18 and section 3801 et seq. of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4)(i) Apprentices and Trainees. Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions
of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In the event the Employment and Training Administration withdraws approval of a program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal Employment Opportunity. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

(5) Compliance with Copeland Act Requirements. The contractor shall comply with the requirements of 29 CFR part 3 which are incorporated by reference in this Addendum.
(6) Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in section 1(a)(1) through (11) and such other clauses as HUD or its designee may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this section 1(a).

(7) Contract Terminations; Debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) Disputes Concerning Labor Standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

(10)(i) Certification of Eligibility. By entering into this Addendum, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR part 24.

(ii) No part of this Contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR part 24. [12516]

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Addendum are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Addendum to his employer.
(b) Contract Work Hours and Safety Standards Act. The provisions of this paragraph (b) are applicable only where the amount of the prime contract exceeds $100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime Requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; Liability for Unpaid Wages; Liquidated Damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in subparagraph (1) of this paragraph.

(3) Withholding for Unpaid Wages and Liquidated Damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any monies payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraphs (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

(c) Health and Safety. The provisions of this paragraph (c) are applicable only where the amount of the prime contract exceeds $100,000.
(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous to his or her health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The contractor shall comply with all regulations issued by the Secretary of Labor pursuant to 29 CFR part 1926, and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, 40 U.S.C. 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontract as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.
2. WAGE AND CLAIMS ADJUSTMENTS

The owner shall be responsible for the correction of all violations under section 1 of this Addendum, including violations committed by other contractors. In cases where there is evidence of underpayment of salaries or wages to any laborers or mechanics (including apprentices and trainees) by the owner or other contractor or a failure by the owner or other contractor to submit payrolls and related reports, the owner shall be required to place an amount in escrow, as determined by HUD sufficient to pay persons employed on the work covered by the Addendum the difference between the salaries or wages actually paid such employees for the total number of hours worked and the full amount of wages required under this Addendum, as well as an amount determined by HUD to be sufficient to satisfy any liability of the owner or other contractor for liquidated damages pursuant to section 1 of this Addendum. The amounts withheld may be disbursed by HUD for and on account of the owner or other contractor to the respective employees to whom they are due, and to the Federal Government in satisfaction of liquidated damages under section 1.

3. EVIDENCE OF UNIT(S) COMPLETION; ESCROW

(a) The owner shall evidence the completion of the unit(s) by furnishing the Contract Administrator a certification of compliance with the provisions of sections 1 and 2 of this Addendum, and that to the best of the owner's knowledge and belief there are no claims of underpayment to laborers or mechanics in alleged violation of these provisions of the Addendum. In the event there are any such pending claims to the knowledge of the owner, the Contract Administrator, or HUD, the owner will place a sufficient amount in escrow, as directed by the Contract Administrator or HUD, to assure such payments.

(b) The escrows required under this section and section 2 of this Addendum shall be paid to HUD, as escrowee, or to an escrowee designated by HUD, and the conditions and manner of releasing and approving such escrows shall be approved by HUD.

Section 3.8 Covenants Applicable to RAD Units.

(a) Landlord acknowledges that the RAD Units shall be benefited by the terms and conditions of any RAD HAP Contract that may be entered into. For so long as such a RAD HAP Contract or the RAD Use Agreement is in effect, with respect to the RAD Units, the RAD Requirements shall be binding upon Landlord and Tenant and each of their respective successors and assigns, including, without limitation, any entity that succeeds to Tenant’s interest in the Leased Premises by foreclosure or an instrument in lieu of foreclosure.

(b) Except as otherwise provided in the RAD Requirements or as otherwise waived, modified, or amended as applied to the Improvements, the RAD Units shall be operated pursuant to the RAD Requirements for so long as any RAD HAP Contract or RAD Use Agreement is in effect.

(c) Neither the Tenant nor any of its partners shall have any authority to: (i) take any action in violation of the RAD Use Agreement, or (ii) fail to renew the RAD HAP Contract upon such terms and conditions applicable at the time of renewal when offered for renewal by the Landlord as contract administrator.

(d) If the RAD HAP Contract and any related Project subsidies are terminated or reduced, or termination or reduction is reasonably anticipated based on federal government appropriations or other changes to the RAD or Project-Based Voucher Programs, through no fault of the Tenant, the Tenant shall notify Landlord in writing immediately and the following provisions shall apply:

(i) At least sixty (60) days before the expected termination of Project subsidies, Tenant shall submit to Landlord a financial feasibility plan that proposes management measures designed to maintain the financial feasibility of the Project, which may include rent increases and Operating Expense reductions for the continued viability of the Project (the “Feasibility Plan”) and shall satisfy the following requirements:

A. At a minimum, the Feasibility Plan submitted by Tenant to Landlord shall meet the requirements of Exhibit F attached hereto. Where possible, and subject to the Approved Financing Documents and Regulatory Agreements, the Feasibility Plan shall include skewing rents higher on portions of the Residential Units in order to preserve affordability for other Residential Units regulated by the Regulatory Agreements. Any necessary rent increases shall be phased in gradually, consistent with maintaining the Project’s financial feasibility.
B. The Feasibility Plan is subject to Landlord’s review and approval, which approval shall not be unreasonably withheld or delayed. Landlord shall review and approve or disapprove a complete proposed Feasibility Plan, in writing, within twenty-one (21) days of receipt from Tenant, unless such longer period is required to obtain approval of Landlord’s Board of Commissioners. In the event, Landlord disapproves the Feasibility Plan, it shall include, with the notice of disapproval, the specific reasons for its disapproval. In the event Landlord disapproves the Feasibility Plan, the Tenant shall provide a revised Feasibility Plan within twenty-one (21) days of the notice of disapproval and the process for review and approval shall continue until such time as the Landlord approves the Feasibility Plan. If the Landlord fails to provide an approval or disapproval within the times stated above, the last Feasibility Plan submitted by Tenant shall be deemed approved.

C. In the event Landlord disapproves the third (3rd) Feasibility Plan submitted by Tenant in accordance with Section 3.8(d)(i)B, Landlord and Tenant shall enter mediation to reach agreement on a Feasibility Plan. The parties agree that the mediator shall be chosen no later than thirty (30) days after Landlord’s disapproval of such third (3rd) Feasibility Plan. If the parties cannot agree on the selection of a mediator, one shall be selected by American Arbitration Association. The fees and expenses of the mediator shall be borne equally by the parties. To the extent the parties fail to reach agreement on a Feasibility Plan through mediation, no less than thirty (30) days following the initiation of mediation, either party may commence litigation to resolve disputes arising under this Section 3.8(d)(i).

(ii) Upon the termination of the RAD HAP Contract or loss of related Project subsidy (each a “RAD Subsidy Event”), Tenant may draw from any available subsidy reserves to temporarily maintain the Project’s existing affordability.

(iii) During Tenant’s development of the Feasibility Plan and Landlord’s review of same, Landlord and Tenant shall collaborate and make commercially reasonable efforts to find alternative subsidies or financing structures, including applying for Project-Based Voucher Section 8 assistance, that would maintain the deeper income targeting contained in the Regulatory Agreements. Upon the date that is three (3) months following a RAD Subsidy Event or such efforts to find alternative subsidies or financing structures are unsuccessful in whole or in part, as reasonably agreed to by Landlord and Tenant:

A. In the event Tenant has proposed and Landlord has approved a Feasibility Plan, the Tenant may increase rents and income targeting for the RAD Units above the levels allowed by the Regulatory Agreements up to the maximum rents allowed by TCAC under its Tax Credit Regulatory Agreement, if applicable. Rents shall be raised only to the extent required in the Feasibility Plan and as permitted, if at all, by HUD.
B. In the event Tenant has proposed, but Landlord has not yet approved, a Feasibility Plan, then upon the earlier to occur of (I) the date that is three (3) months following a RAD Subsidy Event and (II) the depletion of more than 25% of any available subsidy reserves, the Tenant may increase rents as necessary to cover Operating Expenses in the then approved Operating Budget up to the limits of the Tax Credit Regulatory Agreement, or if outside of the Tax Credit Compliance period, the Post-Foreclosure Rent Restrictions, and as permitted, if at all, by HUD. Any necessary rent increases shall be phased in gradually and effective only upon turnover of the Residential Units, consistent with maintaining the Project’s financial feasibility; provided, however, if (i) the termination or reduction of Project subsidies is caused solely by act or omission of Landlord or (ii) Tenant has depleted 50% of any available subsidy reserves, the Tenant may increase rents prior to turnover of the Residential Units up to the limits of the Tax Credit Regulatory Agreement, or if outside of the Tax Credit Compliance period, the Post-Foreclosure Rent Restrictions, and as permitted, if at all, by HUD.

(iv) Notwithstanding the provisions of this Section 3.8(d), the RAD Use Agreement shall remain in full force and effect. The Tenant (or its partners) shall not be obligated to make a loan to the Project or deplete reserves as part of a Feasibility Plan, except as provided in this Section 3.8(d). Subject to the RAD Requirements, the RAD HAP Contract and applicable law, Landlord shall make best efforts to (1) mitigate the loss or reduction in subsidy at the Project by prioritizing the Project in its allocation of additional or replacement Housing Choice Vouchers, RAD subsidy, or comparable subsidy; (2) cause any unavoidable reduction in subsidy to occur gradually; and (3) coordinate with the Tenant in planning and implementing such reduction.

Section 3.9 Covenants Applicable to PBV Units.

(a) Landlord acknowledges that the PBV Units shall be benefited by the terms and conditions of any PBV HAP Contract that may be entered into. For so long as such a PBV HAP Contract is in effect, the PBV Units shall comply with all applicable HUD regulations and guidelines, including, without limitation, all applicable regulations governing Project-Based Voucher Section 8 assistance.

(b) Except as otherwise provided in the HUD Disposition Approval attached hereto as Exhibit C-1 or as otherwise waived, modified, or amended as applied to the Improvements, the PBV Units shall be operated pursuant to the Section 18 Restriction for so long as the Section 18 Restriction is in effect.

(c) If the PBV HAP Contract and any related Project subsidies are terminated or reduced, or termination or reduction is reasonably anticipated based on federal government appropriations or other changes to the Housing Choice Voucher Program, through no fault of the Tenant, the Tenant shall notify Landlord in writing immediately and the following provisions shall apply:
(i) At least sixty (60) days before the expected termination of Project subsidies, Tenant shall submit to Landlord a Feasibility Plan and shall satisfy the following requirements:

A. At a minimum, the Feasibility Plan submitted by Tenant to Landlord shall meet the requirements of Exhibit F attached hereto. Where possible, and subject to the Approved Financing Documents and Regulatory Agreements, the Feasibility Plan shall include skewing rents higher on portions of the Residential Units in order to preserve affordability for other Residential Units regulated by the Regulatory Agreements. Any necessary rent increases shall be phased in gradually, consistent with maintaining the Project’s financial feasibility.

B. The Feasibility Plan is subject to Landlord’s review and approval, which approval shall not be unreasonably withheld or delayed. Landlord shall review and approve or disapprove a complete proposed Feasibility Plan, in writing, within twenty-one (21) days of receipt from Tenant, unless such longer period is required to obtain approval of Landlord’s Board of Commissioners. In the event, Landlord disapproves the Feasibility Plan, it shall include, with the notice of disapproval, the specific reasons for its disapproval. In the event the Landlord disapproves the Feasibility Plan, the Tenant shall provide a revised Feasibility Plan within twenty-one (21) days of the notice of disapproval and the process for review and approval shall continue until such time as the Landlord approves the Feasibility Plan. If the Landlord fails to provide an approval or disapproval within the times stated above, the last Feasibility Plan submitted by Tenant shall be deemed approved.

C. In the event Landlord disapproves the third (3rd) Feasibility Plan submitted by Tenant in accordance with Section 3.9(c)(i)B, Landlord and Tenant shall enter mediation to reach agreement on a Feasibility Plan. The parties agree that the mediator shall be chosen no later than thirty (30) days after Landlord’s disapproval of such third (3rd) Feasibility Plan. If the parties cannot agree on the selection of a mediator, one shall be selected by American Arbitration Association. The fees and expenses of the mediator shall be borne equally by the parties. To the extent the parties fail to reach agreement on a Feasibility Plan through mediation, no less than thirty (30) days following the initiation of mediation, either party may commence litigation to resolve disputes arising under this Section 3.9(c)(i).

(ii) Upon the termination of the PBV HAP Contract or loss of related Project Subsidy (each a, “PBV Subsidy Event”), Tenant may draw from any available subsidy reserves to temporarily maintain the Project’s existing affordability.

(iii) During Tenant’s development of the Feasibility Plan and Landlord’s review of same, Landlord and Tenant shall collaborate and make commercially reasonable efforts to find alternative subsidies or financing structures that would maintain
the deeper income targeting contained in the Regulatory Agreements. Upon the date that is three (3) months following a PBV Subsidy Event or such efforts to find alternative subsidies or financing structures are unsuccessful in whole or in part, as reasonably agreed to by Landlord and Tenant:

A. In the event Tenant has proposed and Landlord has approved a Feasibility Plan, the Tenant may increase rents and income targeting for the PBV Units above the levels allowed by the Regulatory Agreements up to the maximum rents allowed by TCAC under its Tax Credit Regulatory Agreement, if applicable. Rents shall be raised only to the extent required in the Feasibility Plan and as permitted, if at all, by HUD.

B. In the event Tenant has proposed, but Landlord has not yet approved, a Feasibility Plan, then upon the earlier to occur of (I) the date that is three (3) months following a PBV Subsidy Event and (II) the depletion of more than 25% of any available subsidy reserves, the Tenant may increase rents as necessary to cover Operating Expenses in the then approved Operating Budget up to the limits of the Tax Credit Regulatory Agreement, or if outside of the Tax Credit Compliance period, the Post-Foreclosure Rent Restrictions, and as permitted, if at all, by HUD. Any necessary rent increases shall be phased in gradually and effective only upon turnover of the Residential Units, consistent with maintaining the Project’s financial feasibility; provided, however, if (i) the termination or reduction of Project subsidies is caused solely by act or omission of Landlord or (ii) Tenant has depleted 50% of any available subsidy reserves, the Tenant may increase rents prior to turnover of the Residential Units up to the limits of the Tax Credit Regulatory Agreement, or if outside of the Tax Credit Compliance period, the Post-Foreclosure Rent Restrictions, and as permitted, if at all, by HUD.

(iv) Notwithstanding the provisions of this Section 3.9(c), the Tenant (or its partners) shall not be obligated to make a loan to the Project or deplete reserves as part of a Feasibility Plan, except as provided in this Section 3.9(c). Subject to the PBV HAP Contract and applicable law, Landlord shall make best efforts to (1) mitigate the loss or reduction in subsidy at the Project by prioritizing the Project in its allocation of additional or replacement Housing Choice Vouchers or comparable subsidy, (2) cause any unavoidable reduction in subsidy to occur gradually, and (3) coordinate with the Tenant in planning and implementing such reduction.

Section 3.10 State Prevailing Wages and Federal Davis Bacon and Related Acts Compliance. This development project is a public works project, as defined in Labor Code section 1720, and must be performed in accordance with the requirements of Labor Code sections 1720 to 1815, inclusive, and sections 16000 to 17270 of Title 8 of the California Code of Regulations, which govern the payment of prevailing wage rates on public works projects. The project is also subject to the federal Davis-Bacon and Related Acts (29 CFR 1 et seq., 29 CFR 3 et seq., and 29 CFR 5-7 et seq.) and all other applicable federal and state laws, regulations, policies, as amended, including those regarding discrimination, unfair labor practices, anti-kickback,
collusion, the Fair Labor Standards Act, and where triggered, the Contract Work Hours and Safety Standards Act.

(a) Public Works Compliance. Tenant shall pay and assure that all contractors and subcontractors working on the Developments pay no less than federal and state prevailing wages; and comply with all applicable reporting and recordkeeping requirements. Tenant, as an “Awarding Body”, shall also pay any and all applicable labor compliance monitoring fees.

(i) State Prevailing Wages. Tenant shall and shall cause its contractors and subcontractors to pay prevailing wages in the construction of the Development as those wages are determined pursuant to Labor Code Sections 1720 et seq. and the implementing regulations of the Department of Industrial Relations ("DIR"), to employ apprentices as required by Labor Code Sections 1777.5 et seq., and the implementing regulations of the DIR and comply with the other applicable provisions of Labor Code Sections 1720 et seq., 1777.5 et seq., 1810-1815 and implementing regulations of the DIR.

A. All calls for bids, bidding materials and the construction documents for the Development must specify that (1) no contractor or subcontractor may be listed on a bid proposal nor be awarded a contract for the Development unless registered with the DIR pursuant to Labor Code Section 1725.5; and (2) the Development is subject to compliance monitoring and enforcement by the Authority.

B. Tenant, as the "awarding body", shall register the Development as required by Labor Code Section 1773.3 as set forth in the DIR's online form PWC-100 within 30 days of project award or prior to the start of construction (whichever occurs first), and provide evidence of such registration to the Authority upon request and any additional registration reporting to the DIR.

C. In accordance with Labor Code Sections 1725.5 and 1771.1, Developer shall require that its contractors and subcontractors be registered with the DIR, and maintain such registration as required by the DIR.

D. Pursuant to Labor Code Section 1771.4, the Development is subject to compliance monitoring and enforcement by the DIR. Tenant shall require its contractors and subcontractors to submit payroll and other records electronically to the DIR and the Authority pursuant to Labor Code Sections 1771.4 and 1776 et seq, or in such other format as required by the DIR and the Authority.

E. Developer shall and shall cause its contractors and subcontractors to keep and retain such records as are necessary to determine if prevailing wages have been paid as required pursuant to Labor Code Sections 1720 et seq., and that apprentices have been employed as required by Labor Code Section 1777.5 et seq., and shall, from time to time upon the request to provide to the Authority such records and other documentation reasonably requested by the Authority.
F. Tenant shall and shall cause its respective contractors and subcontractors to comply with all other applicable provisions of Labor Code, including without limitation, Labor Code Sections 1720 et seq., 1725.5, 1771, 1771.1, 1771.4, 1776, 1777.5 et seq., 1810-1815 and implementing regulations of the DIR in connection with construction of the Development or any other work undertaken or in connection with the Development.

G. Copies of the currently applicable current per diem prevailing wages are available from the DIR website, www.dir.ca.gov. Developer shall cause its respective contractors to post the applicable prevailing rates of per diem wages at the Phase I Site and to post job site notices, in compliance with Title 8 California Code of Regulations 16451(d) or as otherwise as required by the DIR.

H. Tenant shall indemnify, hold harmless and defend (with counsel reasonably selected by the Authority), to the extent permitted by applicable law, the Authority, its councilmembers, commissioners, officials, employees and agents, against any claim for damages, compensation, fines, penalties or other amounts arising out of the failure or alleged failure of any person or entity (including Tenant, or its contractors or subcontractors) to pay prevailing wages as determined pursuant to Labor Code Sections 1720 et seq., to hire apprentices in accordance with Labor Code Sections 1777.5 et seq., or to comply with the other applicable provisions of Labor Code Sections 1720 et seq., 1725.5, 1771, 1771.1, 1771.4, 1776, 1777.5 et seq., 1810-1815 and the implementing regulations of the DIR in connection with the work performed pursuant to this Agreement.

Section 3.11 Payment and Performance Bonds In connection with the Improvements, Tenant shall require its general contractor to procure and deliver to Landlord copies of labor and material (payment) bonds and performance bonds, or a dual bond which covers both payment and performance obligations, in a penal sum each of not less than one hundred percent (100%) of the scheduled cost of the Improvements, and one hundred percent (100%) payment bond. Said bonds shall be issued by an insurance company which is licensed to do business in the State of California and has a rating equivalent to AAA or AA+ by an insurance company listed in the current year’s Federal Register or as otherwise approved by Landlord. The labor and materials (payment) bond shall name Landlord as a co-obligee or assignee.

Section 3.12 Landlord Review Tenant shall be solely responsible for all aspects of Tenant’s conduct in connection with the Improvements, including, but not limited to, the quality and suitability of the specifications, the supervision of construction work, and the qualifications, financial condition, and performance of all engineers, contractors, subcontractors, suppliers, consultants, and property managers. Any review or inspection undertaken by Landlord with reference to the Improvements, in accordance with the terms of this Lease, is solely for the purpose of determining whether Tenant is properly discharging its obligations to Landlord, and should not be relied upon by Tenant or by any third parties as a warranty or representation by Landlord as to the quality of the design or performance of the Improvements.

Section 3.13 Accessibility Requirements The design and the operation of the Project shall meet the program accessibility requirements of Section 504 of the Rehabilitation Act of
ARTICLE 4 RENTS

Section 4.1 Rent. Upon execution of this Lease, Tenant has compensated Landlord for the acquisition of the leasehold interest created by this Lease in the amount of [Seven Million One Hundred Thousand Dollars ($7,100,000)] attributable to the fair market value of the Leased Premises, as determined in accordance with the DDA. Payment of Rent shall be made by execution of the Authority Acquisition Note.

Section 4.2 Additional Rents. In addition to the Rent specified in Section 4.1 hereof, any and all of the payments that Tenant is required to make hereunder to or for the benefit of Landlord shall be deemed to be “Additional Rents.” All such Additional Rents shall be payable in accordance with the provisions of this Lease specifying the payment of such Additional Rents, including, but not limited to, Section 4.3 herein. The Rent specified in Section 4.1 hereof and Additional Rents payable hereunder shall be deemed “Rents” reserved by Landlord, and any remedies now or hereafter given to Landlord under the laws of the State of California for collection of the Rents shall exist in favor of Landlord, in addition to any and all other remedies specified in this Lease.

Section 4.3 Payments. All Rents or other sums, if any, due Landlord hereunder shall be paid by Tenant to Landlord at the address of Landlord set forth herein for notices, or to such other person and/or at such other address as Landlord may direct.

Section 4.4 Net Lease and Assumption of Risk. This Lease is intended to be, and shall be, construed as an absolute net lease, whereby under all circumstances and conditions (whether now or hereafter existing or within the contemplation of the Parties), the Rents provided for herein shall be absolutely net to Landlord over and above all costs, expenses, and charges of every kind or nature whatsoever related to the Leased Premises, including, without limitation, taxes, utility costs, insurance premiums, operating expenses, costs of repairs, maintenance, restorations, and replacements of the Project, except as may otherwise be expressly set forth herein.

Section 4.5 Financial Statements. Tenant shall provide to Landlord annual and quarterly financial statements.

(a) Within one hundred twenty (120) days after the end of each calendar year but in no event later than April 1 of each year, Tenant shall prepare and deliver to Landlord a statement (the “Annual Statement”), in form and containing such details as are reasonably satisfactory to Landlord, showing the total amount of Net Cash Flow received during such calendar year, itemizing all revenues and expenditures used to compute Net Cash Flow, and specifying the total...
amount of the annual Net Cash Flow payment due pursuant to the terms of the Authority Acquisition Note, if any. Tenant shall make any required Net Cash Flow payment to Landlord on the date that it delivers the Annual Statement to Landlord. Concurrent with delivery of each Annual Statement, Tenant shall also deliver to Landlord the audited financial statements of Tenant, as of the end of the prior year, with the report of Tenant’s accountants thereon stating that the audit of such financial statements has been made in accordance with generally accepted audit standards.

(b) Within twenty-one (21) days after the end of each calendar quarter, Tenant shall prepare and deliver to Landlord a statement (the “Quarterly Statement”), in form and containing such details as are reasonably satisfactory to Landlord. At a minimum each Quarterly Statement for the Project shall include: (i) an income statement, (ii) a balance sheet, and (iii) rent rolls.

Section 4.6 Operating Budget. Not less than thirty (30) days prior to the completion of the Improvements, and not less than annually thereafter on or before November 1 of each year, Tenant shall submit to Landlord on not less than an annual basis an Operating Budget for the Project, which budget shall be subject to the written approval of Landlord’s president/chief executive officer or his designee (the “Executive Officer”), which approval shall not be unreasonably withheld, conditioned, or delayed. The proposed Operating Budget shall include a description of anticipated repairs and capital replacements to be undertaken during such year. The Executive Officer’s discretion in review and approval of each proposed Operating Budget shall include, without limitation, authority to review individual categories, line items, and accounts, such as the following: extent, type, and amount for social services at or associated with the Project; existing balance(s) in and proposed deposits to any reserve accounts to evaluate shortfalls and/or cumulative unexpended/unencumbered deposits and reasonableness and conformity to prevailing market rates in Los Angeles County. Expressly excluded from Landlord’s review under this section 4.6 are Investor’s Asset Management Fee and partnership management fees payable to the Managing General Partner and Administrative General Partner (each as defined in the Partnership Agreement). Landlord shall respond promptly, but in any event on or before December 1 of each year, to Tenant’s request for approval of its Operating Budget. If Landlord fails to respond in any form to Tenant’s request for approval of its Operating Budget on or before December 1, then Tenant may consider the Operating Budget approved (the “Default Approval”). In the event Default Approval does not apply and Landlord and Tenant fail to reach agreement on an Operating Budget by the beginning of the fiscal year, the Operating Budget of the previous fiscal year shall apply to the Project without any increase or change. Changes to the Operating Budget over five percent (5%) during the year must be approved by the Landlord during any period during which an affiliate of Landlord is not a general partner of the Tenant.

ARTICLE 5 TAXES AND OTHER IMPOSITIONS; UTILITIES

Section 5.1 Payment of Impositions. Prior to delinquency, Tenant will pay or cause to be paid all of the Impositions, except that if any Imposition that Tenant is obligated to pay in whole or in part is permitted by law to be paid in installments, Tenant may pay or cause to be paid such Imposition (or its proportionate part thereof) in installments prior to delinquency.
Upon the written request of Landlord, Tenant shall exhibit and deliver to Landlord evidence satisfactory to Landlord of payment of all Impositions. During the first and last years of the Term, all Impositions that shall become payable during each calendar, fiscal, tax, or Lease Year, as applicable, shall be ratably adjusted on a per diem basis between Landlord and Tenant in accordance with the respective portions of such calendar, fiscal, tax, assessment, or Lease Year during the Term. If any special assessments are payable in installments, Tenant shall pay only those installments that are due and for which the delinquency date occurs during the Term for periods occurring during the Term. The Parties acknowledge that Tenant intends to apply for an exemption for ad valorem taxes under Section 214(g) of the California Revenue and Taxation Code. Nothing in this Section 5.1 shall prohibit the Tenant from depositing such Imposition payments into an escrow account maintained by the First Mortgagee for the purposes of paying such Impositions.

Section 5.2 Contested Taxes and Other Impositions. Tenant, at its sole cost and expense, in its own name or in the name of Landlord and subject to the consent of any Mortgagee (if required), may contest the validity or amount of any Imposition relating to all or any portion of the Leased Premises, in which event the payment thereof may be deferred during the pendency of such contest, if diligently prosecuted.

(a) As may be necessary or desirable, Landlord or Tenant, as applicable, upon the request of the other Party, shall use its best reasonable efforts to assist in any such proceeding to contest the validity or amount of any Imposition.

(b) Nothing contained in this Section 5.2, however, shall be construed to allow any such contested Imposition to remain unpaid for a length of time which shall permit the Leased Premises, or any part thereof, to be sold by any Governmental Authorities for the nonpayment of such Imposition. Tenant shall promptly furnish Landlord copies of all notices, appeals, pleadings, motions, and orders in any proceedings commenced with respect to such contested Imposition. During such contest, Tenant shall (by the payment of such disputed taxes, assessments, or charges, if necessary) prevent any advertisement of tax sale, any foreclosure of, or any divesting thereby of Landlord’s title, reversion, or other interest in or to the Leased Premises and the Improvements.

Section 5.3 Valuation Assessment. If applicable, Tenant, at its expense, may attempt to obtain a lowering of the assessed valuation of the Leased Premises for any year for the purpose of reducing taxes thereon.

Section 5.4 Failure to Pay Impositions. If Tenant fails to pay any Impositions before the same become delinquent, or as otherwise required pursuant to Section 5.1 hereof, Landlord, at its election, may pay such Impositions (but shall not be obligated to pay same), together with any interest and penalties due thereon, and the amount so paid by Landlord shall be repayable to Landlord by Tenant within forty-five (45) days after Landlord’s demand therefor.

Section 5.5 Utilities. Tenant shall pay all utilities used, rendered, or supplied upon or in connection with the Improvements and the construction thereof including, but not limited to, all charges for gas, electricity, light, heat, or power, all telephone and other communications
services, all water rents and sewer service charges, and all sanitation fees or charges levied or charged against the Leased Premises during the Term; provided, however, that Tenant shall have no responsibility hereunder for the payment of utilities supplied by the respective providers directly to residential tenants for such residential tenant’s use in connection with the occupancy of their respective Residential Units. Landlord shall have no responsibility for the payment of utility costs.

ARTICLE 6 INSURANCE

Section 6.1 Tenant’s Insurance. During the Term, Tenant shall keep and maintain in force, at no cost or expense to Landlord, the following insurance, all of which shall be provided by companies and/or agencies authorized to do business in the State of California; provided, however, that in the event of conflict between the following requirements and the requirements in the Approved Financing Documents, the stricter requirements shall control:

(a) Leased Premises Insurance. Property insurance covering all risks of direct physical loss or damage to the Improvements not scheduled to be demolished, with limits of not less than one hundred percent (100%) of the “full replacement value” thereof, which insurance shall be provided by Tenant upon Closing. Such policies shall be broad form and shall include, but shall not be limited to, coverage for fire, extended coverage, vandalism, malicious mischief, and storm. Perils customarily excluded from all risk insurance, e.g., earthquake and flood, may be excluded. The term “full replacement value” shall exclude the cost of excavation, foundations, and footings. The amount of such insurance shall be adjusted by reappraisal of the Project by the insurer or its designee not more than once every five (5) years after construction during the Term, if requested in writing by Landlord.

(b) General Liability Insurance. Commercial general liability and automobile liability insurance, covering loss or damage resulting from accidents or occurrences on or about or in connection with the Improvements or any work, matters, or things under, or in connection with, or related to this Lease, with personal injury, death, and property damage combined single limit liability of not less than One Million Dollars ($1,000,000.00) for general liability and One Million Dollars ($1,000,000.00) for automobile liability for each accident or occurrence and an aggregate limit of not less than Two Million Dollars ($2,000,000.00) for general liability and One Million Dollars ($1,000,000.00) for automobile liability, and umbrella/excess liability insurance of Five Million Dollars ($5,000,000.00). Coverage under any such comprehensive policy shall be broad form and shall include, but shall not be limited to, operations, contractual, elevators, owner’s and contractor’s protective, products and completed operations, and the use of all owned, non-owned, and hired vehicles.

(c) Workers’ Compensation Insurance. Tenant shall carry or cause to be carried Workers’ Compensation insurance with limits as required by the State of California and Employer’s Liability limits of One Million Dollars ($1,000,000.00) for bodily injury by accident and One Million Dollars ($1,000,000.00) per person and in the annual aggregate for bodily injury by disease covering all persons employed by Tenant in connection with the Improvements and with respect to whom death, bodily injury, or sickness insurance claims could be asserted against Landlord or Tenant.
(d) **Builders’ Risk Insurance.** As of Closing, during the course of any construction, alteration, or reconstruction of the Improvements, the cost for which exceed the capacity of Tenant’s permanent/operating property insurance carrier, then Tenant shall provide builders’ risk insurance for not less than the value of the construction contract, combined single limit for bodily injury or property damage insuring the interests of Landlord, Tenant, and any contractors and subcontractors.

Section 6.2 **General Requirements.** All policies described in Section 6.1 shall include Landlord and Tenant, together with Mortgagees, as their respective interests may appear. All policies described in Section 6.1 shall contain: (a) the agreement of the insurer to give Landlord and Mortgagees, as applicable, at least thirty (30) days’ notice prior to cancellation (including, without limitation, for non-payment of premium) or any material change in said policies, however if such notice cannot be provided by the carrier, then responsibility of such notice shall be borne by the Tenant; (b) an agreement that such policies are primary and non-contributing with any insurance that may be carried by Landlord; (c) a waiver by the insurer of all rights of subrogation against Landlord and its authorized parties in connection with any loss or damage thereby insured against; and (d) terms providing that any loss covered by such insurance may be adjusted with Landlord and Tenant according to their interests in the Leased Premises, but shall, to the extent required by the loan documents of a Mortgage, be payable to the holder of a Mortgage, who shall agree to receive and disburse all proceeds of such insurance, subject to the duty of Tenant to repair or restore, as set forth in Sections 12.1 and 12.2 hereof.

Section 6.3 **Evidence of Insurance.** Certificates of insurance for all insurance required to be maintained by Tenant prior to Closing under this Article 6 shall be furnished by Tenant to Landlord on or before the date of this Lease. Landlord reserves the right to require complete, certified copies of all required insurance policies, including endorsements demonstrating the coverage required by this Lease at any time.

Section 6.4 **Failure to Maintain.** If Tenant fails to maintain such insurance, Landlord, at its election, may procure such insurance as may be necessary to comply with the above requirements (but shall not be obligated to procure same), and Tenant agrees to repay to Landlord as Additional Rent the cost of such insurance. Landlord shall provide at least three (3) days’ notice and opportunity to cure to Tenant before procuring any required insurance; provided, however, if such cure period would create a potential lapse in any insurance coverage, Landlord shall have no such notice obligation.

Section 6.5 **Acceptability of Insurers.** Insurance is to be placed with insurers with a current A.M. Best’s rating of no less than A-: VII or such other rating as may be reasonably acceptable to Landlord.

**ARTICLE 7 MAINTENANCE, ALTERATIONS, REPAIRS AND REPLACEMENTS**

Section 7.1 **Maintenance of Leased Premises.** During the Term at Tenant’s sole cost and expense, Tenant shall keep and maintain the Leased Premises, all Improvements, and all appurtenances thereunto belonging, in good and safe order, condition, and repair. In addition, all
maintenance and repair of the Residential Units shall conform and comply with the Legal Requirements affecting the Leased Premises.

Section 7.2 Alterations to Leased Premises. Following construction of the Improvements, Tenant may make any additions, alterations, or changes (sometimes collectively referred to herein as “Alterations”) in or to the Improvements subject, however, to the following conditions:

(a) No Alterations shall be made that are likely to materially impair the structural soundness of the Improvements;

(b) No Alterations of the Leased Premises shall be undertaken (other than in emergency situations or as required by Governmental Authorities having jurisdiction) which have a cost greater than Two Hundred Fifty Thousand Dollars ($250,000.00) that would materially affect the design of the Improvements, or demolition of any portion thereof, without first presenting to Landlord complete plans and specifications therefor and obtaining Landlord’s written consent thereto (which consent shall be given so long as, in Landlord’s judgment, such Alterations will not violate the Legal Requirements, this Lease, the Regulatory Agreements, or impair the value of the Improvements);

(c) No Alterations shall be undertaken until Tenant shall have procured, to the extent the same may be required from time to time, all permits and authorizations of all applicable Governmental Authorities, all required consents of Mortgagee, and the consent of Landlord if required pursuant to subsection (b), above, if applicable. Landlord shall join in the application for such permits or authorizations whenever such action is necessary or helpful and is requested by Tenant, and shall use Landlord’s reasonable best efforts to obtain such permits or authorizations; and

(d) Any Alterations shall be performed in a good and worker-like manner and in compliance with the Legal Requirements, Regulatory Agreements, all applicable RAD Requirements, and all applicable Insurance Requirements.

Section 7.3 Indemnifications. Notwithstanding any other provision of this Lease to the contrary, Tenant shall defend, indemnify and hold harmless Landlord and its commissioners, its officer(s), employee(s), agent(s), contractor(s), and director(s) (including directors or employees of any Landlord instrumentalities or affiliates) from all claims, actions, demands, costs, expenses and attorneys' fees arising out of, attributable to or otherwise occasioned, in whole or in part, by an act or omission of the Tenant, its agent(s), contractor(s), servant(s), or employee(s) which constitutes a breach of the Tenant’s obligations under this Lease. If any third-party performing work for the Tenant on the Project shall assert any claim against the Landlord on account of any damage alleged to have been caused by reason of the negligent acts or intentional misconduct of the Tenant, its agent(s), servant(s), employee(s) or contractor(s) (including, without limitation, its general contractor), the Tenant shall defend at its own expense any suit based upon such claim; and if any such judgment or claim against the Landlord shall be allowed, the Tenant shall pay or satisfy such judgment or claim and pay all reasonable costs and expenses in connection therewith including reasonable attorneys’ fees.
In addition, if any contractor or subcontractor which performed preconstruction work or any construction work for Tenant or Tenant’s affiliates on the Improvements shall assert any claim against Landlord on account of any damage alleged to have been caused by reason of acts of negligence of Tenant or Tenant’s affiliates, their members, partners, officers, directors, affiliates, agents, or employees, or their construction contractors, Tenant shall defend at its own expense any suit based upon such claim; and if any such judgment or claim against Landlord shall be allowed, Tenant shall pay or cause to be paid or satisfied such judgment or claim and pay all costs and expenses in connection therewith.

The obligations, indemnities, and liabilities of the Tenant under this Section 7.3 shall not extend to any liability caused by the negligence or misconduct of HUD, Landlord, or their employee(s), contractor(s), or agent(s). The Tenant’s liability shall not be limited by any provisions or limits of insurance set forth in this Lease. This indemnity shall survive the termination of this Lease.

Section 7.4 Management. Tenant shall at all times use its best efforts to keep the Leased Premises fully leased, in good condition and repair and in accordance with this Lease. Tenant shall: (a) carefully and efficiently operate, lease, and manage the Leased Premises; (b) maintain separate books and records for the Leased Premises; (c) timely collect all rents, and pay and discharge all costs, expenses, liabilities, and obligations of or relating to the Leased Premises; (d) use commercially reasonable efforts to operate and maintain the Leased Premises substantially in accordance with the Operating Budget approved by Landlord pursuant to Section 4.6; (e) maintain such reserves as may be required by the Mortgagee; and (f) timely furnish Landlord with accounting documents and other information regarding the Project and the operation thereof as may be reasonably required by Landlord.

Section 7.5 Delegation of Management Duties. The Leased Premises shall be managed by the Management Agent approved by Landlord. Each management contract relating to the Leased Premises shall (a) be subject to the Landlord’s approval, (b) provide that it may be terminated by Landlord at any time after the termination of this Lease upon thirty (30) days’ notice to the Management Agent and (c) allow Tenant to terminate the management contract following Management Agent’s failure to materially comply with the management, leasing, and occupancy requirements of Sections 7.4, 7.5 and 7.6 of this Lease. If Landlord determines that the Management Agent has failed to materially comply with the management, leasing, and occupancy requirements of Sections 7.4, 7.5 and 7.6 of this Lease, Landlord shall notify Tenant. Tenant shall then have sixty (60) days beyond the cure periods in the management contract to cause the Management Agent to correct the non-compliance. If, following such sixty (60) day period, Management Agent has not corrected the non-compliance and Tenant has not terminated the management contract then, Landlord shall have the right, subject to any applicable Mortgagee or Investor approvals, to remove Management Agent. All service and supply contracts shall also by their terms be terminable by Landlord at any time after the termination of this Lease upon thirty (30) days’ notice. Tenant shall not enter into any commercially unreasonable contract for services or supplies. Landlord’s approval of any management agent shall not be construed as a representation, endorsement, or warranty by Landlord as to the reputation, ability, or qualifications of the same. In addition, the Landlord expressly reserves the
right to approve the fees and/or compensation of the Management Agent. As of the date hereof, Landlord has approved the initial Management Agent, the initial Management Agreement, and the initial management fee.

Section 7.6 Management and Operation of the Residential Units.

(a) Tenant shall be responsible, at its sole cost and expense, for the repair and maintenance of the Residential Units in full compliance with this Lease and all Legal Requirements (including, without limitation, any applicable HUD regulations and guidelines applicable to the RAD Units and the PBV Units), and for paying all costs relating to such Residential Units (including, without limitation, taxes, insurance, and any homeowner’s association fees or special assessments). Landlord shall have the right to inspect, monitor, and audit the operations of Tenant (including, but not limited to, evaluating housing quality standards and the tenant selection process) with respect to the operation and maintenance of the Residential Units in its capacity as contract administrator for HUD of any PBV HAP Contract or RAD HAP Contract, and Tenant shall cooperate fully with respect to such activities by Landlord (including, without limitation, providing Landlord with such information regarding the operation and maintenance of the Residential Units as may reasonably be requested by Landlord).

(b) Tenant and Landlord shall comply with the provisions of Exhibit G hereto, the Property Management and Re-Occupancy Plan, which requires: (i) Tenant to rent all vacant RAD Units and PBV Units to eligible families referred and approved by Landlord; (ii) Landlord and Tenant to determine tenant eligibility in accordance with any applicable HUD regulations and guidelines; and (iii) the Parties to cooperate in good faith with respect to the lease-up process to ensure, among other matters that lease-up and occupancy occurs in a timely manner and complies with the requirements of Approved Financing and the Regulatory Agreements.

(c) Subject to the RAD Requirements applicable to Resident(s) of the RAD Units and PBV Units, Landlord and Tenant agree that the Tax Credit Units developed on the Leased Premises must be rented to Resident(s) who meet the eligibility requirements of TCAC, California Debt Limit Allocation Committee (“CDLAC”), and HCD (to the extent restricted by HCD), and the Investor and other Project lenders in connection with their Regulatory Agreements and Approved Financing Documents. Landlord shall only refer to Tenant those Resident(s) who meet the requirements of TCAC, CDLAC, HCD, the Section 18 Restriction, and the RAD Requirements, as applicable. The referral process shall be detailed in the Property Management and Re-Occupancy Plan and Landlord shall countersign the Property Management and Re-Occupancy Plan to ensure Landlord's compliance with its obligations thereunder. Tenant shall provide all Resident(s) tenant protections provided at Exhibit C and all occupants of the Residential Units supportive services as provided in the Supportive Services Plan at Exhibit H.

Section 7.7 Certain Limitation on Work. Tenant shall not do or knowingly permit any work which would adversely and materially affect the value, rentability, or rental value of the Leased Premises, and Tenant shall not, without the prior written consent of Landlord, demolish or remove, or cause, knowingly suffer, or knowingly permit the demolition or removal of, the Project other than such demolition and/or removal as may be permitted following any event described in Articles 11 and 12 hereof.
Section 7.8 **Alterations Required by Law.** Without limitation on the other provisions of this Lease, if any work shall be required with respect to the Leased Premises or any part thereof by any present or future laws, ordinances, or regulations, the same shall be done by and the cost thereof borne by Tenant.

Section 7.9 **Landlord Completion of Work.** To the extent Tenant is required to complete work pursuant to any Legal Requirement and fails to do so, upon the expiration of sixty (60) days written notice from Landlord to Tenant, or such longer period as is reasonably necessary to complete such work given the circumstances, Landlord shall have the right to complete such work and Tenant shall reimburse Landlord for all reasonable expenses incurred in connection therewith.

**ARTICLE 8 MORTGAGE LOANS**

Section 8.1 **Loan Obligations.** Nothing contained in this Lease shall relieve the Tenant of its obligations and responsibilities under any Approved Financing or Approved Financing Documents to operate the Project as set forth therein.

Section 8.2 **Liens and Encumbrances Against Tenant’s Interest in the Leasehold Estate.** Tenant shall have the right to encumber the leasehold estate created by this Lease and the Improvements with the Regulatory Agreements and all other liens and restrictive covenants related to the Approved Financing. Except as otherwise provided in this Lease, Tenant shall not engage in any financing or any other transaction creating any security interest or other encumbrance or lien upon the Property other than a lien for current taxes, whether by express agreement or operation of law, or allow any encumbrance or lien to be made on or attached to the Property or the Improvements, except with the prior written consent of the Landlord, which approval shall not be unreasonably withheld, delayed or conditioned, and as otherwise permitted under this Lease. The Tenant shall notify the Landlord in writing in advance of any financing secured by any deed of trust, mortgage, or other similar lien instrument that it proposes to enter into with respect to the Improvements, and of any encumbrance or lien that has been created on or attached to the Property whether by voluntary act of the Tenant or otherwise.

Section 8.3 **Cost of Loans to be Paid by Tenant.** The Tenant affirms that, except as otherwise provided in the documents evidencing financing to the Project provided by Landlord, it shall bear all of the costs and expenses in connection with (i) the preparation and securing of the Approved Financing, (ii) the delivery of any instruments and documents and their filing and recording, if required, and (iii) all taxes and charges payable in connection with the Approved Financing.

Section 8.4 **Proceeds of Loans.** It is expressly understood and agreed that all Approved Financing proceeds shall be paid to and become the property of Tenant, and that the Landlord shall have no right to receive any such Approved Financing proceeds.

Section 8.5 **No Subordination of Fee Interest.** Subject to the rights of HCD, the Landlord will not approve any subordination of its fee interest in any portion of the Property to
the interests of any lender or other entity providing financing for the Project. Landlord agrees to execute lease riders that may be required by HCD or TCAC in connection with the Approved Financing; provided, however, that any required lease riders are consistent with this Lease and approved by Landlord and HUD, as applicable.

Section 8.6 Notice and Right to Cure Defaults Under Loans. The Landlord may record in the Official Records a request for notice of any default under the Approved Financing Documents or other financing secured by the Project. In the event of default by the Tenant under the Approved Financing Documents or other financing secured by the Project, the Landlord shall have the right, but not the obligation, to cure the default within the cure periods available to the Tenant and its partners. Any payments made by the Landlord to cure a default shall be treated as Additional Rent due from the Tenant and shall be paid to Landlord within thirty (30) days following the date on which the payment was made by the Landlord.

ARTICLE 9 PERMITTED MORTGAGES AND INVESTOR RIGHTS

Section 9.1 Right to Encumber. Tenant shall have the right during the Term to encumber, through one or more Mortgages, Regulatory Agreements, or declaration of covenants, all of Tenant’s right, title, and interest in the Leased Premises, subject to the provisions of this Lease and with prior written Landlord and HUD approval, if required. Landlord hereby approves all Mortgages and Regulatory Agreement contemplated by the Approved Financing Documents, except any Approved Financing Documents not executed as of substantially even date herewith. Except as expressly set forth in this Lease, Landlord shall not encumber its fee interest in the Leased Premises.

Section 9.2 Notice to Mortgagee. During any period in which a Mortgage is in place, Landlord shall give any such Mortgagee of which Landlord has received notice from Tenant a duplicate copy of all notices of default or other notices that Landlord may give to or serve in writing upon Tenant pursuant to the terms of this Lease and all such duplicate copies of notices of default and other notices shall be distributed simultaneously to both Tenant and Mortgagee. No notice by Landlord to Tenant under this Lease shall be effective unless and until a copy of such notice has been delivered to each Mortgagee of which Landlord has received notice from Tenant. Additionally, Landlord shall give Mortgagee written notice of any rejection of this Lease in bankruptcy proceedings. Landlord shall not serve a notice of cancellation or termination upon Tenant unless a copy of any prior notice of default shall have been given to Mortgagee and the time for curing such default pursuant to Section 9.3 below shall have expired without the same having been cured, and no such notice of default shall be effective as to such Mortgagee not receiving actual notice thereof. Landlord further agrees that it shall notify Mortgagee in writing of the failure of Tenant to cure a default within any applicable grace period under this Lease and of the curing of any default by Tenant under this Lease, and Mortgagee shall have the additional cure periods pursuant to Section 9.4 below. The performance by Mortgagee of any condition or agreement on part of Tenant to be performed hereunder will be deemed to have been performed with the same force and effect as though performed by Tenant. The address of Mortgagee originally designated in a Mortgage may be changed upon written notice delivered to Landlord in the manner specified in Section 18.12 herein. Landlord's failure to give any such notice to any such Mortgagee shall not constitute a default under Section 13.4.
Section 9.3 Right of Mortgagee to Cure. Notwithstanding any default by Tenant under this Lease, Landlord shall have no right to terminate or cancel this Lease unless Landlord shall have given each Mortgagee written notice of such default pursuant to Section 9.2 of this Lease and such Mortgagees shall have failed to remedy such default or acquire Tenant’s leasehold estate created by this Lease or commence foreclosure or other appropriate proceedings as set forth in, and within the time specified by, this Section.

Any Mortgagee which has an outstanding Mortgage shall have the right, but not the obligation, at any time to pay any or all of the Rents due pursuant to the terms of this Lease, and do any other act or thing required of Tenant by the terms of this Lease, to prevent termination of this Lease. After receipt of notice from Landlord that Tenant has failed to cure such default within the period specified in this Lease, Mortgagee shall have ninety (90) days from the receipt of such notice to cure such default. All payments so made and all things so done shall be as effective to prevent a termination of this Lease as the same would have been if made and performed by Tenant instead of by Mortgagee. However, in order to prevent termination of this Lease, a Mortgagee shall not be required to cure: (i) default on obligations of Tenant to satisfy or otherwise discharge any lien, charge, or encumbrance against Tenant’s interest in this Lease caused by a wrongful act or omission of Tenant; or (ii) defaults on obligations of Tenant under any indemnity provision in this Lease arising from acts or omissions of Tenant; or (iii) other past monetary obligations then in default other than the payment of Annual Rent; or (iv) any default resulting from the acts or omissions of Landlord (“Excluded Defaults”). For purposes of clarification and illustration, it is the intention of the Parties hereto that Excluded Defaults shall include (but not as an exclusive list) claims, damages, liability, and expenses, including personal injury and property damage arising or alleged to be arising from actions or inactions of Tenant such as failure to pay insurance premiums, allowing dangerous conditions to exist at the Leased Premises or failure to operate the Leased Premises in accordance with regulatory restrictions. If the default by Tenant is of such nature that it cannot practicably be cured without possession of the Leased Premises, then the ninety (90)-day period set forth above shall be extended for so long as a Mortgagee shall be proceeding with reasonable diligence to foreclose on Tenant’s interest or otherwise obtain possession of the Leased Premises for itself or a receiver and such cure period shall commence upon the date that Mortgagee obtains possession.

Prior to the expiration of the cure rights of Mortgagees, Landlord shall not effect or cause any purported termination of this Lease nor take any action to deny Tenant possession, occupancy, or quiet enjoyment of the Leased Premises or any part thereof.

Without limiting the rights of Mortgagees as stated above, and whether or not there shall be any notice of default hereunder, each Mortgagee shall have the right, but not the obligation, at any time prior to termination of this Lease to pay all of the Rents due hereunder, with all due interest and late charges, to procure any insurance, to pay any taxes or assessments, to make any repairs or improvements, to do any other act or thing required of Tenant hereunder, and to do any act or thing which may be necessary and proper to be done in the performance and observance of the agreements, covenants, and conditions hereof to prevent termination of this Lease. Any Mortgagee and its agents and contractors shall have full access to the Leased Premises for purposes of accomplishing any of the foregoing. Any of the foregoing done by any
Mortgagee shall be as effective to prevent a termination of this Lease as the same would have been if done by Tenant.

Any default under this Lease which by its nature cannot be remedied by any Mortgagee shall be deemed to be remedied if (i) within ninety (90) days after receiving written notice from Landlord that Tenant has failed to cure such default within the period specified in this Lease, or prior thereto, any Mortgagee shall have acquired Tenant’s leasehold estate or commenced foreclosure or other appropriate proceedings or other remedies available to such Mortgagee under the applicable Mortgage, (ii) Mortgagee shall diligently prosecute any such proceedings or remedies referenced in subsection (i) above to completion, and (iii) Mortgagee shall have fully cured any default in the payment of any monetary obligations of Tenant hereunder which does not require possession of the Leased Premises.

If any Mortgagee is prohibited, stayed, or enjoined by any bankruptcy, insolvency, or other judicial proceedings involving Tenant from commencing or prosecuting foreclosure or other appropriate proceedings, the times specified for commencing or prosecuting such foreclosure or other proceedings shall be extended for the period of such prohibition; provided that any Mortgagee shall have fully cured any default in the payment of any monetary obligations of Tenant under this Lease (other than Excluded Defaults) and shall continue to pay currently such monetary obligations when the same fall due; provided, further, that such Mortgagee shall not interfere with Landlord’s efforts to seek compliance by Tenant with any non-monetary obligation under this Lease.

Section 9.4 Additional Rights of Mortgagee.

(a) Landlord agrees that, without the prior written consent of Mortgagee (which consent shall not be unreasonably withheld, conditioned or delayed), Landlord shall have no right to (A) enter into any agreement amending, modifying, or waiving any material provision of, or terminating this Lease (except as otherwise provided herein), or (B) cancel or terminate or agree to or accept a cancellation, termination or surrender of this Lease (except in the event of default by Tenant and provided Mortgagee shall have been provided with written notice and opportunity to cure such default as set forth in Section 9.3 above). Any actions described under this Section 9.4(a) taken by Landlord without Mortgagee’s prior written consent shall be voidable by Mortgagee.

(b) Tenant may delegate irrevocably to Mortgagee the authority to exercise any or all of Tenant’s rights hereunder, including, but not limited to the right of Mortgagee to participate (in conjunction with or to the exclusion of Tenant) in any proceeding, arbitration or settlement involving condemnation or eminent domain affecting Tenant’s leasehold interest in the Leased Premises, but no such delegation shall be binding upon Landlord unless and until either Tenant or Mortgagee in question shall give to Landlord a true copy of a written instrument effecting such delegation, in form required for recording. Any provision of this Lease that gives Mortgagee the privilege of exercising a particular right of Tenant hereunder on condition that Tenant shall have failed to exercise such right shall not be deemed to diminish any privilege that Mortgagee may have, by virtue of a delegation of authority from Tenant, to exercise such right without regard to whether or not Tenant shall have failed to exercise such right.
(c) Each Mortgagee shall be a third party beneficiary of the rights and benefits granted to Mortgagees under this Lease. Neither the Tenant nor the Landlord shall be deemed to be a third party beneficiary of the rights granted hereunder to a Mortgagee and no Mortgagee shall have any obligation to the Tenant or the Landlord to account for any decision, action or election it may take or the exercise of its rights hereunder, nor shall any Mortgagee have any duty to the Tenant or the Landlord to exercise any right hereunder in any particular manner or order, other than that which such Mortgagee, in its sole discretion (but in any event subject to the terms of this Lease) shall deem appropriate and in its own best interests.

Section 9.5 Limitation on Liability of Mortgagee. No Mortgagee shall be or become liable to Landlord as an assignee of this Lease or otherwise unless it expressly assumes by written instrument executed by Landlord and Mortgagee such liability (in which event the Mortgagee’s liability shall be limited to the period of time during which it is the owner of the leasehold estate created hereby) and no assumption shall be inferred from or result from foreclosure or other appropriate proceedings in the nature thereof or as the result of any other action or remedy provided for by such Mortgage or other instrument or from a conveyance from Tenant pursuant to which the purchaser at foreclosure or grantee shall acquire the rights and interest of Tenant under the terms of this Lease.

Section 9.6 Estoppel Certificates. Landlord and Tenant agree that at any time and from time to time upon not less than twenty (20) days’ prior written notice by the other Party, or upon request from any Mortgagee or Investor or a permitted assignee or other interested party, Landlord or Tenant will execute, acknowledge, and deliver to the other Party or to such Mortgagee or Investor a statement in writing certifying: (a) that this Lease is unmodified and in full force and effect; (b) the date through which the Rents have been paid; and (c) that, to the knowledge of the certifier (if such be the case), there is no default (or any conditions existing which, but for the passage of time or the giving of notice, would constitute a default), set-off, defense, or other claim against Landlord or Tenant, as applicable, other than those, if any, so specified under the provisions of this Lease. In addition to clauses (a) through (c) above, if a Mortgagee requires such a statement in writing from Landlord, Landlord, in its statement, shall (x) confirm that Landlord consents to the Mortgage in question; (y) identify all of the relevant documents that evidence this Lease; and (z) provide any other statements or provisions reasonably requested by Mortgagee. It is intended that any such statement may be relied upon by any persons proposing to acquire the interest of Landlord, Tenant, or any Mortgagee or Investor, as the case may be, in this Lease or by any prospective Mortgagee or Investor or permitted assignee of any Mortgage or Investor.

Section 9.7 Registration of Mortgages. Tenant shall, from time to time upon written request by Landlord, provide written notice to Landlord of the name and address of each Mortgagee under this Lease. For purposes of this Lease, the First Mortgagee is a Mortgagee and all references to Mortgagee shall refer to and include (i) the First Mortgagee, together with its successors and assigns including a successor who acquires the First Mortgagee’s interests as a result of foreclosure or acceptance of a deed in lieu of foreclosure and (ii) a holder of any Mortgage. Any Mortgagee or designee thereof that acquires title to the leasehold estate or any part thereof, any person that acquires title to the leasehold estate through any judicial or non-judicial foreclosure sale, deed, or assignment in lieu thereof, or any sale or transfer made under any order of any court to satisfy wholly or in part obligations secured by any Mortgage, and the
successors and assigns of any such Mortgagee, is referred to as a “Transferee.” Each Mortgagee and Transferee is an intended beneficiary of the terms of this Lease.

Section 9.8 New Lease. Notwithstanding the provisions of Sections 10 and 11 hereof, in the event of the termination or cancellation of this Lease prior to the natural expiration of the Term of this Lease due to a default of Tenant or operation of law or otherwise (including, without limitation, the bankruptcy filing of Tenant or the commencement of an insolvency proceeding or similar proceeding, an act of condemnation or eminent domain against a portion of the Leased Premises by a government agency or body, the destruction or damage of the Leased Premises, or a change in the control or management of Tenant), Landlord shall also be obligated to give notice to Mortgagee simultaneously with such notice given to Tenant and shall include in the notice a statement of all sums which would be due under this Lease at the time of termination and all other defaults of Tenant existing at such time. No such notice to Tenant shall be effective with respect to termination or cancellation of this Lease unless Mortgagee shall also have been so notified. Landlord, upon written request from any Mortgagee within sixty (60) days of receiving such notice of termination or cancellation, shall enter into a new lease with the Mortgagee having a lien with the most senior priority or its designee in accordance with and upon the same terms and conditions as set forth herein and with the same relative priority in time and in right as this Lease (to the extent possible) and having the benefit of and vesting in Mortgagee, or its designee, of all the rights, title, interest, powers, and privileges of Tenant hereunder (the “New Lease”). In this regard, in the event of the filing of a petition in bankruptcy by Tenant, and Tenant rejects this Lease under the then applicable provisions of the United States Bankruptcy Code, U.S.C. Title 11, (the “Bankruptcy Code”), Landlord shall, upon the request of a Mortgagee within the time period specified above, affirm this Lease, and Landlord will enter into a New Lease immediately upon Tenant’s rejection of this Lease. In the event of the filing of a petition in bankruptcy by Landlord, and Landlord rejects this Lease and Tenant does not affirm it, a Mortgagee will have, within a reasonable amount of time, the authority to affirm this Lease on behalf of Tenant and to keep this Lease in full force and effect. Nothing in this Section or this Lease shall be construed to imply that this Lease may be terminated by reason of rejection in any bankruptcy proceeding of Tenant. The Parties intend, for the protection of Mortgagees, that any such rejection shall not cause a termination of this Lease. Notwithstanding anything to the contrary contained herein, no termination of this Lease shall become effective until, and the lien of each Mortgage on the Leased Premises shall remain effective until, either a New Lease has been made pursuant to this Section 9.7 of this Lease or no Mortgagee has timely accepted (or caused to be accepted) a New Lease, upon the expiration of the 60-day period as set forth above. Upon entering into a New Lease, such Mortgagee or its affiliated designee shall cure any monetary default by Tenant hereunder, except Excluded Defaults.

After cancellation and termination of this Lease and upon compliance with the provisions of this Section 9.7 by Mortgagee, or its designee, within such time, Landlord shall thereupon execute and deliver such New Lease to such Mortgagee or its designee, having the same relative priority in time and right as this Lease (to the extent possible) and having the benefit of all the right, title, interest, powers, and privileges of Tenant hereunder in and to the Leased Premises (other than with respect to Excluded Defaults) and Landlord and the new Tenant shall execute and deliver any deed or other instrument and take such other action as may be reasonably necessary to confirm or assure such right, title, interest, or obligations.
Upon the execution and delivery of the New Lease, title to all Improvements on the Leased Premises shall automatically vest in the Mortgagor or the designee until the expiration or earlier termination of the term of the New Lease.

If Landlord shall, without termination of the Lease, evict Tenant, or if Tenant shall abandon the Leased Premises, then any reletting thereof shall be subject to the liens and rights of Mortgagees, and in any event Landlord shall not relet the Leased Premises or any part thereof, other than renewal of occupancies of residential tenants and leases or other occupancy agreements with new residential tenants consistent with any covenants of record for low-income housing, without sixty (60) days’ advance written notice to all Mortgagees of the intended reletting and the terms thereof, and if any Mortgagee shall, within thirty (30) days of receipt of such notice, give notice to Landlord of such Mortgagee’s intent to pursue proceedings to foreclose on the Leased Premises or otherwise cause the transfer thereof, then so long as the Mortgagee shall diligently pursue such proceedings Landlord shall not proceed with such reletting without the written consent of such Mortgagee.

Nothing herein contained shall require any Mortgagee to accept a New Lease.

No Mortgagee shall be liable to Landlord unless it expressly assumes such liability in writing. In the event any Mortgagee or other transferee becomes the “Tenant” under this Lease or under any New Lease obtained pursuant to this Article, Mortgagor or other transferee shall not be liable for the obligations of Tenant under this Lease that do not accrue during the period of time that the Mortgagor or such other transferee, as the case may be, remains the actual Tenant under this Lease or the New Lease, holding record title to the leasehold interest thereunder, other than the requirement that the Mortgagee cure any monetary defaults (except Excluded Defaults) by Tenant upon entering into a New Lease. In no event shall any Mortgagee or other transferee be: (i) liable for the erection, completion, or restoration of any improvements unless erection, completion, or restoration of any improvements is required as a result of the acts or omissions of the Mortgagor following the date of its acquisition of Tenant’s interest in the Leased Premises; (ii) liable for any condition of the Leased Premises that existed prior to the date of its acquisition of Tenant’s interest in the Leased Premises, or for any damage, loss, or injury caused by such preexisting condition, or for the correction thereof or the compliance with any law related thereto; (iii) bound by any amendment of this Lease made without the prior written consent of the Mortgagor; or (iv) liable for any act or omission of any prior “Tenant” of any portion of the Leased Premises (including Tenant). Any liability of any Mortgagee or other transferee shall be limited to its interests in the leasehold and the Leased Premises, and shall be enforceable solely against those interests.

The Investor, for so long as Investor is a limited partner of Tenant, shall have all of the same rights as a Mortgagor under this Section 9.7; provided, however, that in lieu of foreclosure, Investor shall be attempting with diligence and in good faith to remove one or both general partners of Tenant in accordance with the Tenant’s Partnership Agreement.

Section 9.9 Rights of Investor. Investor shall have the same notice and cure rights as any Mortgagor, which rights shall run concurrently with those of any Mortgagor for so long as
Investor is a limited partner of Tenant, provided, however, that Investor shall be deemed to have met any condition relating to the commencement or continuation of a foreclosure proceeding if it is attempting with diligence and in good faith to remove one or both general partners of Tenant. Notwithstanding anything to the contrary herein, Tenant shall not be permitted to terminate this Lease prior to the expiration of the Term without the prior written consent of the Investor. The address for any notices to same, as of the date hereof, is provided in Section 18.12 hereof.

Notwithstanding any other provisions herein:

(a) if a monetary event of default occurs under the terms of this Lease, prior to exercising any remedies hereunder, Landlord shall provide written notice of such default to Investor and Investor shall have a period of sixty (60) days after such notice is given within which to cure the default prior to exercise of remedies by Landlord; or

(b) if a nonmonetary event of default occurs under the terms of this Lease, prior to exercising any remedies hereunder, Landlord shall provide written notice of such default to Investor and Investor shall have a period of ninety (90) days after such notice is given within which to cure the default prior to exercise of remedies by Landlord, unless such cure cannot reasonably be accomplished within such ninety (90) day period, in which event Investor shall have such time as is reasonably required to cure such default so long as Investor continues in good faith to diligently pursue the cure.

(c) The following provisions are for the benefit of HCD in connection with the HCD Loan:

(1) The Landlord shall not place any mortgage on its fee interest without the prior written consent of HCD.

(2) Landlord hereby consents to any assignment of the Lease by Tenant to HCD, and following such assignment HCD may further assign or transfer the Lease to a third party without the consent of Landlord.

(3) Landlord may not terminate the lease or accelerate the Rent upon a default by Tenant without first providing HCD with the notice and cure period set forth in 8.3 above.

(4) Landlord may not terminate this lease without the prior written consent of HCD and any attempt to take such action without the consent of HCD will be void.

(5) In the event of Casualty, the Lease may not be terminated so long as the Tenant or HCD pursues reconstruction of the Improvements with reasonable diligence.

(6) HCD shall not have any liability for the performance of any of the obligations of Tenant under the Lease until HCD has acquired the leasehold interest, and then only in accordance with the terms of the Lease and only with respect to obligations that accrue during the HCD’s ownership of the leasehold interest.
Neither Landlord nor Tenant, in the event of bankruptcy by either, will take the benefit of any provisions in the United States Bankruptcy Code that would cause the termination of the Lease or otherwise render it unenforceable in accordance with its terms.

The leasehold interest under this Lease will not merge into the fee interest in the event that the Tenant acquires the reversionary interest in the Project.

The acquisition of the Leased Premises by HCD will not result in a termination of the Lease; and upon such event, the Landlord shall enter into a new lease having a term at least as long as the term remaining on the Lease prior to acquisition by the HCD and on substantially the same terms and conditions as this Lease.

ARTICLE 10 REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 10.1 Representations, Warranties and Covenants of Tenant. As an inducement to Landlord to enter into and to proceed under this Lease, Tenant warrants and represents to Landlord as follows, which warranties, representations, and covenants are true and correct as of the date of this Lease:

(a) Tenant has the right, power, and authority to enter into this Lease and the right, power, and authority to comply with the terms, obligations, provisions, and conditions contained in this Lease;

(b) The entry by Tenant into this Lease and the performance of all of the terms, provisions, and conditions contained herein will not, or with the giving of notice or the passage of time, or both, would not, violate or cause a breach or default under any other agreements to which Tenant is a party or by which it is bound;

(c) Tenant (i) shall not cause or permit any Hazardous Substances and Materials to be placed, held, located, or released or disposed of on, under, or at the Leased Premises or any part thereof, except in commercially reasonable amounts used in the construction and operation of the Improvements and in accordance with Legal Requirements, and (ii) shall not cause or permit any Hazardous Substances and Materials contamination of the Leased Premises or any part thereof; provided, however, that Tenant shall not be in violation of this Subsection 10.1(c) or otherwise be liable or obligated under this Lease for any of the foregoing to the extent caused by the existence of soils, water, or materials already located on the Leased Premises as of the Commencement Date or that arises from the migration of Hazardous Materials or Substances released from, disposed of, or otherwise placed at, a location other than the Leased Premises by parties and/or circumstances over which Tenant has no control and due to no fault of Tenant (for convenience such event is called an “On-Site Migration” hereinafter); and

(d) At all times during the Term, Tenant or its authorized representative shall use, maintain and operate the Leased Premises and the Improvements thereon in accordance with all Legal Requirements and Regulatory Agreements. The Tenant acknowledges that prior to the date hereof, the City and Landlord certified an Environmental Impact Report (the “EIR”) and its related Mitigation and Monitoring Program attached hereto as Exhibit I (as amended consistent
with applicable law from time to time, the “Mitigation Measures”). The Tenant will comply with the terms of the EIR and the Mitigation Measures and related conditions of approval adopted by the City or Landlord prior to the date hereof to the extent applicable to the Leased Premises and Improvements.

Section 10.2 Representations, Warranties and Covenants of Landlord. As an inducement to Tenant to enter into and to proceed under this Lease, Landlord warrants and represents to Tenant as follows, which warranties, representations, and covenants are true and correct as of the date of this Lease:

(a) Landlord has the right, power, and authority to enter into this Lease and the right, power, and authority to comply with the terms, obligations, provisions, and conditions contained in this Lease;

(b) (1) Landlord has made available prior to execution of this Lease all documents related to the Leased Premises and existing prior to the Commencement Date (the “Property Documents”), and any copies that are furnished to Tenant by Landlord are and will be true, complete and correct copies of the Property Documents; (2) Landlord has received no notices from any Governmental Authority of any zoning, safety, building, fire, environmental, health code or any other violations whatsoever with respect to the Leased Premises other than as disclosed in the Property Documents; (3) the Leased Premises are currently vacant; (4) there is no litigation or proceeding (including, but not limited to, condemnation or eminent domain proceedings, pending grievances or arbitration proceedings or foreclosure proceedings threatened) or pending unfair labor practice charges or complaints, pending, or threatened, against or relating to the Landlord or the Leased Premises; (5) Landlord has not received notice of any special assessment(s) from any Governmental Authority; (6) except as disclosed in writing to Tenant, the Leased Premises does not contain any Hazardous Substances and Materials; (7) there are no maintenance, operating or other agreements affecting the Leased Premises, except as set forth in the Property Documents and disclosed in writing to the Tenant. Unless otherwise agreed to in writing by the Tenant any service contracts will be terminated by the Landlord prior to Closing; (8) the Landlord has not and will not enter into any contract, agreement, understanding or commitment that will be binding on Tenant or the Leased Premises after the Closing without the approval of the Tenant.

(c) Landlord shall provide all available information relating to the Leased Premises, as expeditiously as necessary, for the orderly progress of the Project. In addition, the Landlord shall coordinate closely with the Tenant regarding all communications with HUD, forward to the Tenant all relevant correspondence, directives, and other written materials either to or from HUD with respect to this Lease. Landlord will respond as promptly as possible, within its management structure, to questions that may arise during Project administration.

(d) The entry by Landlord into this Lease and the performance of all of the terms, provisions, and conditions contained herein will not, or with the giving of notice or the passage of time, or both, would not, violate or cause a breach of default under any other agreements to which Landlord is a party or by which it is bound.
Section 10.3  Hazardous Substances and Materials.

(a) Certain Covenants and Agreements. Tenant hereby covenants and agrees that:

(1) Except as permitted by Section 10.1(c) hereof, Tenant shall not permit the Leased Premises or any portion thereof to be a site for the use, generation, treatment, manufacture, storage, disposal, release, or transportation of Hazardous Substances and Materials or otherwise knowingly permit the presence of Hazardous Substances and Materials in, on, or under the Leased Premises in violation of any applicable law. Provided however, that if any condition causing non-compliance with this Section existed at the Leased Premises prior to the Commencement Date of this Lease, or arises from an On-Site Migration, Tenant shall not be in default hereunder unless Tenant’s acts or omissions exacerbate such prior existence or On-Site Migration;

(2) Tenant shall keep and maintain the Leased Premises and each portion thereof in compliance with, and shall not cause or permit the Leased Premises or any portion thereof to be in violation of, any applicable environmental laws. Provided however, that if any condition causing non-compliance with this Section existed at the Leased Premises prior to the date of this Lease, or arises from an On-Site Migration, Tenant shall not be in default hereunder unless Tenant’s acts or omissions exacerbate such prior existence or On-Site Migration;

(3) Upon receiving actual knowledge of any of the following, Tenant shall immediately advise Landlord in writing:

(A) any and all enforcement, cleanup, removal, or other governmental or regulatory actions instituted, completed, or threatened against Tenant or the Leased Premises pursuant to any applicable environmental laws;

(B) any and all claims made or threatened by any third party against Tenant or the Leased Premises relating to damage, contribution, cost recovery, compensation, loss, or injury resulting from any Hazardous Substances and Materials (the matters set forth in the foregoing clause (A) and this clause (B) are hereinafter referred to as “Hazardous Substances and Materials Claims”);

(C) the presence of any Hazardous Substances and Materials in, on or under the Leased Premises in quantities which require reporting to a government agency or in excess of commercially reasonable amounts used in the construction and operation of the Improvements and in accordance with Legal Requirements; or

(4) Tenant shall indemnify Landlord for any and all costs and expenses, and increases thereof, including reasonable attorneys’ fees, reasonable expert witness fees, and reasonable consultant fees, resulting from Tenant’s failure to give Landlord notice as required by subsections (a)(3)(A)-(B) of this Section 10.3.

(5) Landlord shall have the right to join and participate in, as a party if it so elects, any Hazardous Substances and Materials Claims including any legal proceedings or
actions (including response actions) initiated in, or in connection therewith. Landlord’s election to so join or participate shall not affect in any manner the indemnity obligations of the Parties as set forth in this Lease.

(6) Without Landlord’s prior written consent, which shall not be unreasonably withheld or delayed, Tenant shall not take any remedial action in response to the presence of any Hazardous Substances and Materials on, under, or about the Leased Premises (other than in emergency situations or as required by Governmental Authorities having jurisdiction), nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Substances and Materials Claims.

(b) Indemnity. Without limiting the generality or obligations of the indemnification set forth in Section 7.3 above, Tenant hereby agrees to indemnify, protect, hold harmless, and defend (by counsel reasonably satisfactory to Landlord) Landlord, its board members, commissioners, officers, agents, successors, assigns, and employees (the “Landlord Indemnitees”) from and against any and all claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind, and all costs and expenses incurred in connection therewith (including, but not limited to, reasonable attorney’s fees, expert witness fees, and consultant fees) (“Indemnification Claims”), arising directly or indirectly, in whole or in part, out of:

(1) The failure of Tenant or any other person or entity under Tenant’s control on or after the Commencement Date (or prior to the Commencement Date if and to the extent that the negligence or willful misconduct of Tenant or any other person under the control of Tenant resulted in material harm) to comply with any applicable environmental law relating in any way whatsoever to the handling, treatment, presence, removal, storage, decontamination, cleanup, transportation, or disposal, or investigation or notice thereof, of Hazardous Substances and Materials into, on, under, or from the Leased Premises;

(2) The presence in, on, under, or the escape, seepage, leakage, spillage, emission, discharge, migration, disposal, release, or threatened release of any Hazardous Substances and Materials in, on, under, or from the Leased Premises on or after the Commencement Date (or prior to the Commencement Date if and to the extent that the negligence or willful misconduct of Tenant or any person under the control of Tenant results in material harm); or

(3) Any act or omission on or off the Leased Premises on or after the Commencement Date (or prior to the Commencement Date if and to the extent that the negligence or willful misconduct of Tenant or any employees, agents, contractors, or subcontractors of Tenant results in material harm), whether by Tenant or any employees, agents, contractors, or subcontractors of Tenant, in connection with the handling, treatment, removal, storage, decontamination, cleanup, transport, or disposal of any Hazardous Substances and Materials. Tenant’s indemnity obligations as they pertain to activities occurring off the Leased Premises shall only extend to activities performed by or arising from activities performed by
Tenant or any employees, agents, contractors, or subcontractors of Tenant or parties over which Tenant has control.

The foregoing indemnity shall further apply to any residual contamination on or under the Leased Premises, or affecting any natural resources, and to any contamination of any property or natural resources arising in connection with the generation, use, handling, treatment, storage, transport, release, threatened release, or disposal of any such Hazardous Substances and Materials, and irrespective of whether any of such activities were or will be undertaken in accordance with environmental laws. The provisions of this subsection shall survive expiration of the Term or other termination of this Lease, and shall remain in full force and effect. This indemnity obligation shall not extend to the extent any claim arises from any Landlord Indemnitee’s negligence or willful misconduct, any and all claims arising from any Hazardous Substances and Materials brought onto and/or released at the Leased Premises by any Landlord Indemnitee, or Indemnification Claims arising from conditions existing at the Leased Premises prior to the date of this Lease or arising from an On-Site Migration, except to the extent such conditions or On-Site Migration is exacerbated by Tenant’s negligence or willful misconduct.

(c) Landlord hereby agrees to indemnify, protect, hold harmless and defend (by counsel reasonably satisfactory to the Tenant) the Tenant and any affiliate of Tenant and their respective board members, directors, officers, partners, employees, members, agents, consultants, lenders, volunteers, representatives, successors, and assigns (all the foregoing, the “Tenant Indemnitees”) from and against any loss, damage, cost, expense, or liability to the extent arising out of or attributable to (i) the presence, from prior to the Commencement Date, of any Hazardous Substances and Materials or any environmental condition identified in that certain Remedial Action Plan, ______________________, (ii) On-Site Migration, or (iii) Tenant’s construction of the Improvements substantially in accordance with the requirements of Article 3 hereof. However, anything in the preceding sentence notwithstanding, the foregoing indemnities shall not extend to claims, losses, fees, damages, costs, or expenses of any kind or nature to the extent Hazardous Substances and Materials or environmental conditions are (y) caused or exacerbated by a Tenant Indemnitee’s intentional wrongful acts, intentional wrongful omissions, gross negligence, or willful misconduct (including grossly negligent deviations from the requirements of Article 3 hereof) or (z) result from any Hazardous Substances and Materials brought onto and/or released at the Leased Premises by any Tenant Indemnitee or with any Tenant Indemnitee’s knowledge or permission (express or implied).

(d) The provisions of subsections (c) and (d) of this section 10.3 shall survive expiration or earlier termination of this Lease, and shall remain in full force and effect. Nothing in this Lease is intended in any way to limit either Party from pursuing any remedies such Party may have with regard to the existence of Hazardous Substances or Materials in, on, under, or about the Leased Premises as against third parties.

(e) No Limitation. Tenant hereby acknowledges and agrees that Tenant’s duties, obligations, and liabilities under this Lease, including, without limitation, under subsection (b) above, are in no way limited or otherwise affected by any information Landlord may have concerning the Leased Premises and/or the presence on the Leased Premises of any Hazardous Substances and Materials.
Substances and Materials, whether Landlord obtained such information from Tenant or from its own investigations, except as provided herein.

Section 10.4  **As-Is Conveyance.** Except as otherwise set forth in this Lease, including but not limited to Sections 10.2 and 10.3, this Lease is made “AS IS,” with no warranties or representations by Landlord concerning the condition of the Leased Premises.

Section 10.5  **Environmental Work.** Landlord represents and warrants that it has completed remediation of the Leased Premises to the extent required by the California Environmental Protection Agency’s Department of Toxic Substances Control for Tenant to develop the Leased Premises and that the California Environmental Protection Agency’s Department of Toxic Substances Control has issued a No Further Action Letter or Certificate of Clean Closure, as applicable. Tenant shall comply with, and shall cause its agents, employees, and contractors to comply with, all laws regarding the use, removal, storage, transportation, disposal, and remediation of Hazardous Substances and Materials. Notwithstanding the foregoing, the Landlord may not commence an action for Default against Tenant in response or because of a condition existing at the Property prior to the Commencement Date or an On-Site Migration, except to the extent such condition or On-Site Migration is exacerbated by Tenant.

**ARTICLE 11 EMINENT DOMAIN**

Section 11.1  **Termination of Lease.** Landlord and Tenant agree that, in the event of a Taking such that Tenant reasonably determines that the Leased Premises cannot continue to be operated, at reasonable cost, for its then-current use, then, subject to the rights and with the prior consent of all Mortgagees, this Lease shall, at Tenant’s sole option, terminate as of the Taking Date.

Section 11.2  **Continuation of Lease and Presumption of Restoration.** Landlord and Tenant agree that, in the event of a Taking that does not result in the termination of this Lease pursuant to Section 11.1 above, this Lease shall continue in effect as to the remainder of the Leased Premises, and the Net Condemnation Award subject to the rights and with the prior consent of all Mortgagees will be disbursed in accordance with Section 11.4 below to Tenant or to Mortgagee and shall be used so as to make the remainder of the Leased Premises a complete, unified, and efficient operating unit as nearly as reasonably possible to the condition existing prior to the Taking, subject to any applicable requirements of Mortgagee.

Section 11.3  **Temporary Taking.** If there shall be a temporary Taking of a year or less with respect to all or any part of the Leased Premises or of Tenant’s Estate, then the Term shall not be reduced and Tenant shall continue to pay all Rents, Impositions, and other charges required herein, without reduction or abatement thereof at the times herein specified; provided, however, that Tenant shall not be required to perform such obligations that Tenant is prevented from performing by reason of such temporary Taking.

Section 11.4  **Award.** Subject to the rights of Mortgagees, if there is a Taking, whether whole or partial, Landlord and Tenant shall be entitled to receive all awards for the Leased Premises and the Improvements, subject to the rights of the Mortgagees. If the Leased Premises
shall be restored as is contemplated in Section 11.2 above, Tenant shall be entitled to recover the costs and expenses incurred in such restoration out of any Net Condemnation Award, subject to the Mortgagees’ right to elect to have such Net Condemnation Award paid directly to such Mortgagees, as set forth in the applicable Approved Financing Documents.

Section 11.5 Joinder. If a Mortgage exists, the Mortgagees, to the extent permitted by law, shall be made a party to any Taking proceeding.

ARTICLE 12 DAMAGE OR DESTRUCTION

Section 12.1 Damage or Destruction to Leased Premises. Tenant shall give prompt written notice to Landlord after the occurrence of any fire, earthquake, act of God, or other casualty to or in connection with the Leased Premises, the Improvements, or any portion thereof (hereinafter sometimes referred to as a “Casualty”). Subject to Section 12.2 below, and the rights of any Mortgagees, if during the Term the Improvements shall be damaged or destroyed by Casualty, Tenant shall repair or restore the Improvements, so long as Tenant determines, in its sole discretion, that it is feasible to do so and in such event Tenant provides or causes to be provided sufficient additional funds which, when added to such insurance proceeds, will fully effect such repair or restoration. Upon the occurrence of any such Casualty, Tenant, promptly and with all due diligence, shall apply for and collect all applicable insurance proceeds recoverable with respect to such Casualty. In the event that Tenant shall determine, subject to the rights and with the consent of Mortgagee, by notice to Landlord given within thirty (30) days after receipt by Tenant of any such insurance proceeds, that it is not economically practical to restore the Improvements and/or the Leased Premises to substantially the same condition in which they existed prior to the occurrence of such Casualty, Tenant may terminate this Lease as of a date that is not less than thirty (30) days after the date of such notice. If Tenant terminates this Lease pursuant to this Section 12.1, Tenant shall surrender possession of the Leased Premises to Landlord immediately.

Section 12.2 Damage or Destruction near End of Term. If, during the last seven (7) years of the Term, the Improvements shall be damaged by Casualty, then Tenant shall have the option, to be exercised within one hundred twenty (120) days after such Casualty:

(a) to repair or restore the Improvements as hereinabove provided in this Article 12; or

(b) subject to the rights of Mortgagees, to terminate this Lease by notice to Landlord, which termination shall be deemed to be effective as of the date of the Casualty. If Tenant terminates this Lease pursuant to this Section 12.2, Tenant shall surrender possession of the Leased Premises to Landlord immediately and assign to Landlord (or, if same has already been received by Tenant, pay to Landlord) all of its right, title, and interest in and to the proceeds from Tenant’s insurance upon the Leased Premises, subject to the prior rights of any Mortgagee therein, as referenced in Section 12.3 below.

Section 12.3 Distribution of Insurance Proceeds. In the event that insurance proceeds are not applied to restoration of the Leased Premises, the Improvements, or any portion thereof
and this Lease is terminated pursuant to Sections 12.1 or 12.2 hereof, the insurance proceeds received as the result of such Casualty shall be distributed, in the order provided, to (a) the First Mortgagee in accordance with the First Mortgage Loan for the repayment of the First Mortgage Loan if such Casualty occurs while the First Mortgage Loan is in effect, (b) all other Mortgagees with Mortgages in effect, (c) to Tenant to recover its investment, and (d) Landlord, and otherwise in accordance with Section 12.1 hereof; provided, however, that Tenant may retain the following amount of insurance proceeds: (i) any reasonable costs, fees or expenses incurred by Tenant in connection with the adjustment of the loss or collection of the proceeds; (ii) any reasonable costs incurred by Tenant in connection with the Leased Premises after the Casualty, which costs are eligible for reimbursement from such insurance proceeds; and (iii) the proceeds of any rental loss or business interruption insurance applicable prior to the date of surrender of the Leased Premises to Landlord.

ARTICLE 13 EVENTS OF DEFAULT

Section 13.1 Events of Default. Each of the following shall be an “Event of Default” by Tenant hereunder:

(a) failure by Tenant to pay any Rents when due or to pay any Impositions, insurance premiums, or other liquidated sums of money herein stipulated to be paid by Tenant, if such failure shall continue for a period of sixty (60) days after written notice thereof has been given by Landlord to Tenant and Investor;

(b) failure by Tenant to perform or observe any of the provisions of this Lease stipulated in this Lease to be observed and performed by Tenant (including, but not limited to the failure to comply with Section 3.6), if such failure shall continue for a period of ninety (90) days after written notice thereof has been given by Landlord to Tenant and Investor; provided, however, that if any such failure cannot reasonably be cured within such ninety (90)-day period, then Landlord shall not have the right to terminate this Lease or Tenant’s right to possession hereunder so long as Tenant or Investor promptly commences the curing of any such failure and thereafter proceeds in good faith and with due diligence to remedy and correct such failure within a reasonable period of time;

(c) the failure of Tenant to cure, within the prescribed time period, (i) any declaration of default by the holder of a Mortgage on the Tenant’s Estate, (ii) any breach or violation of Applicable CC&Rs and Easements with which Tenant is obligated to comply under Section 3.3, following the expiration of any applicable notice and cure periods, or (iii) any breach or violation of any Approved Financing Document, following notice to Tenant and the expiration of any applicable cure period;

(d) the subjection of any right or interest of Tenant in this Lease to attachment, execution, or other levy, or to seizure under legal process, if not released within one hundred twenty (120) days; provided that the foreclosure of any Mortgage shall not be construed as an Event of Default within the meaning of this Subsection 13.1(d);
(e) the appointment of a receiver, not including receivership pursuant to any Mortgage, to take possession of Tenant’s Estate or of Tenant’s operations on the Leased Premises for any reason, if such receivership is not terminated, dismissed, or vacated within one hundred twenty (120) days after the appointment of the receiver;

(f) the filing by Tenant of a petition for voluntary bankruptcy under the Bankruptcy Code or any similar law, state or Federal, now or hereafter in effect;

(g) the filing against Tenant of any involuntary proceedings under such Bankruptcy Code or similar law, if such proceedings have not been vacated or stayed within ninety (90) days of the date of filing;

(h) the appointment of a trustee or receiver for Tenant or for all or the major part of Tenant’s property or the Leased Premises, in any involuntary proceeding, not including pursuant to any Mortgage, or taking of jurisdiction by any court over all or the major part of Tenant’s property or the Leased Premises in any involuntary proceeding for the reorganization, dissolution, liquidation, or winding up of Tenant, if such trustee or receiver shall not be discharged or such jurisdiction relinquished or vacated or stayed on appeal or otherwise stayed within ninety (90) days;

(i) Intentionally Omitted;

(j) a general assignment by Tenant for the benefit of creditors or Tenant’s admittance in writing of its insolvency or inability to pay its debts generally as they become due or Tenant’s consent to the appointment of a receiver or trustee or liquidator for Tenant, all or the major part of its property, or the Leased Premises; or

(k) violation of the RAD Use Agreement in accordance with Section 20.1(c), if such failure shall continue for a period of sixty (60) days after written notice thereof has been given by Landlord to Tenant and Investor.

To the extent cure is permitted hereunder, a partner of Tenant shall have the right to cure any default or breach of this Lease by Tenant, and Landlord agrees to accept a timely cure tendered by a partner.

Section 13.2 Rights and Remedies.

(a) At any time after the occurrence of an Event of Default hereunder, Landlord, subject in all respects to the provisions of this Lease with respect to Landlord’s and Investor’s rights to cure defaults by Tenant and with respect to the rights of any Mortgagees and Investors, and subject further to the provisions of Section 13.3 of this Lease, may terminate this Lease by giving Tenant written notice thereof (with a copy of such notice to the Mortgagees and to Investor), setting forth in such notice an effective date for termination which is not less than thirty (30) days after the date of such notice, in which event this Lease and Tenant’s Estate created hereby and all interest of Tenant and all parties claiming by, through, or under Tenant shall automatically terminate upon the effective date for termination as set forth in such notice,
with the same force and effect and to the same extent as if the effective date of such notice had been the date originally fixed in Article 2 hereof for the expiration of the Term. In such event, Landlord, its agents, or representatives, shall have the right, without further demand or notice, to re-enter and take possession of the Leased Premises (including all buildings and other Improvements comprising any part thereof) at any time from and after the effective termination date without being deemed guilty of any manner of trespass and without prejudice to any remedies for arrears of Rents or existing breaches of covenants; provided that Landlord shall not be entitled to disturb possession of any tenants or others in possession pursuant to tenant leases with Tenant so long as such tenants or others are not in default thereunder and attorn to Landlord as their Landlord.

(b) Upon the exercise of Landlord’s remedies pursuant to this Section 13.2, Tenant shall execute such releases, deeds, and other instruments in recordable form as Landlord shall reasonably request in order to accurately set forth of record the then current status of Tenant’s Estate and Tenant’s rights hereunder.

Section 13.3 Deficiency Judgments. Landlord, for itself and for each and every succeeding owner of Landlord’s Estate in the Leased Premises, agrees that it shall never be entitled to seek a personal judgment against Tenant or its members and that (a) upon any Event of Default hereunder, the rights of Landlord to enforce the obligations of Tenant, its successors, or assigns, or to collect any judgment, shall be limited to the termination of this Lease and of Tenant’s Estate and the enforcement of any other rights and remedies specifically granted to Landlord hereunder, provided, however, that the limitations set forth in this Section 13.3 shall not be applicable to (i) fraud, (ii) misappropriation of any Net Condemnation Award or insurance, and (iii) misappropriation of Authority Gap Loan funds.

Section 13.4 Default by Landlord.

(a) Events of Default. Landlord shall be in default of this Lease if it fails to perform any provision of this Lease that it is obligated to perform or if any of Landlord’s representations or warranties is untrue or becomes untrue in any material respect, and if the failure to perform or the failure of such representation or warranty is not cured within thirty (30) days after written notice of the default has been given to Landlord. If the default cannot reasonably be cured within thirty (30) days, Landlord shall not be in default of this Lease if Landlord commences to cure the default within such thirty (30)-day period and diligently and in good faith continues to cure the default until completion.

(b) Right to Cure; Tenant’s Remedies. Subject to Section 13.5 below, if Landlord shall have failed to cure a default by Landlord after expiration of the applicable time for cure of a particular default, Tenant, at its election, but without obligation therefor (i) may seek specific performance of any obligation of Landlord, after which Tenant shall retain, and may exercise and enforce, any and all rights that Tenant may have against Landlord as a result of such default, (ii) from time to time without releasing Landlord in whole or in part from the obligations to be performed by Landlord hereunder, may cure the default at Landlord’s cost, (iii) may terminate this Lease, and/or (iv) may exercise any other remedy given hereunder or now or hereafter existing at law or in equity. Any reasonable costs incurred by Tenant in order to cure such a
default by Landlord shall be due immediately from Landlord, together with interest at the prime rate published in the Wall Street Journal from time to time, and may be offset against any amounts due from Tenant to Landlord.

Section 13.5 Notices. Notices given by Landlord under Section 13.1 or by Tenant under Section 13.4 shall specify the alleged default and the applicable Lease provisions, and shall demand that Tenant or Landlord, as applicable, perform the appropriate provisions of this Lease within the applicable period of time for cure. No such notice shall be deemed a forfeiture or termination of this Lease unless expressly set forth in such notice.

Section 13.6 Bankruptcy of Landlord. If this Lease is rejected by Landlord or Landlord’s trustee in bankruptcy following the bankruptcy of Landlord under the Bankruptcy Code, as now or hereafter in effect, Tenant shall not have the right to treat this Lease as terminated except with the prior written consent of all Mortgagees and the Investor, and the right to treat this Lease as terminated in such event shall be deemed assigned to each and every Mortgagee whether or not specifically set forth in any such Mortgage, so that the concurrence in writing of Tenant and each Mortgagee shall be required as a condition to treating this Lease as terminated in connection with any such bankruptcy proceeding.

ARTICLE 14 QUIET ENJOYMENT AND POSSESSION; INSPECTIONS

Section 14.1 Quiet Enjoyment. Landlord covenants and warrants that Tenant, upon payment of all sums herein provided and upon performance and observance of all of its covenants herein contained, shall peaceably and quietly have, hold, occupy, use, and enjoy, and shall have the full, exclusive, and unrestricted use and enjoyment of, all of the Leased Premises during the Term, subject only to the provisions of this Lease, the RAD Use Agreement, the Regulatory Agreements, and all applicable Legal Requirements.

Section 14.2 Landlord’s Right of Inspection. Notwithstanding Section 14.1 above, Landlord, in person or through its agents, upon reasonable prior notice to Tenant, shall have the right, subject to the rights of tenants, to enter upon the Leased Premises for purposes of reasonable inspections performed during reasonable business hours in order to assure compliance by Tenant with its obligations under this Lease. In addition to the aforementioned inspection rights, Tenant grants a right of access to Landlord, or any of its authorized representatives, with respect to any books, documents, papers, or other records related to this Lease in order to make audits, examinations, excerpts, and transcripts.

ARTICLE 15 VACATION OF LEASED PREMISES

Tenant covenants that upon any termination of this Lease, whether by lapse of time or because of any of the conditions or provisions contained herein, Tenant will peaceably and quietly yield and surrender possession of the Leased Premises to Landlord. The foregoing, however, will be subject to the rights of tenants or others in possession pursuant to tenant leases with Tenant, provided that such tenants are not in default thereunder and attorn to Landlord as their Landlord. An action of forcible detainer shall lie if Tenant holds over after a demand for possession is made by Landlord. Notwithstanding anything to the contrary herein, Tenant shall
not voluntarily vacate or surrender and Landlord shall not accept any voluntary vacating or surrendering of the Leased Premises by Tenant while a Mortgage remains outstanding or while an Investor shall remain a member in Tenant.

ARTICLE 16 NON-MERGER

For so long as any debt secured by a Mortgage upon the leasehold created by this Lease shall remain outstanding and unpaid, or so long as an Investor shall remain a partner in Tenant, unless Mortgagee shall otherwise consent in writing, there shall be no merger of either this Lease or Tenant’s Estate created hereunder with the fee estate of the Leased Premises or any part thereof by reason of the fact that the same person may acquire, own, or hold, directly or indirectly, (a) this Lease, Tenant’s Estate created hereunder, or any interest in this Lease or Tenant’s Estate (including the Improvements), and (b) the fee estate in the Leased Premises or any part thereof or any interest in such fee estate (including the Improvements), unless and until all persons, including any assignee of Landlord, having an interest in (i) this Lease or Tenant’s Estate created hereunder, and (ii) the fee estate in the Leased Premises or any part thereof, shall join in a written instrument effecting such merger and shall duly record the same, and shall have obtained the prior written consent of Mortgagee.

ARTICLE 17 ASSIGNMENTS AND TRANSFERS; FORECLOSURE

Section 17.1 Consent Required. Except as specifically permitted in the RAD Use Agreement and the Regulatory Agreements, no Transfer shall be made without Landlord’s prior written approval; any such Transfer shall be made pursuant to the Regulatory Agreements. This Lease shall be binding upon and inure to the benefit of the successors and assigns of Landlord and Tenant, except that Tenant may not assign or sublet its interest in this Lease without the prior written consent of Landlord and any other consent required by the Regulatory Agreements. Any attempted Transfer without such required consents shall be null and void. Any person to whom any Transfer is attempted without such consent shall have no claim, right, or remedy whatsoever hereunder against Landlord, and Landlord shall have no duty to recognize any person claiming under or through the same.

Section 17.2 Limitations on Consent Requirement. Notwithstanding the foregoing:

(a) The consent of Landlord shall not be required for:

(1) a lease of any Residential Unit at the Leased Premises, subject to the Landlord’s prior approval of the form of Tenant Lease;

(2) transfer of the Leased Premises and Improvements to a Mortgagee by foreclosure or deed-in-lieu of foreclosure (or the leasehold equivalent thereof), or to a third-party purchaser pursuant to a foreclosure sale (or the leasehold equivalent thereof);

(3) after Closing, the transfer by Investor of Investor’s partnership interest in Tenant to an affiliate of Investor or a transfer of an interest in Investor, provided that either Investor remains obligated to fund its equity contribution, or the affiliate assumes the obligations
to fund Investor’s equity contribution, in accordance with the terms of the Partnership Agreement (if at the time of the proposed transfer no equity contribution remains unpaid, then consent shall not be required for the transfer of any partner interest);

(4) grants and easements for the establishment, operation, and maintenance of utility services; or

(5) the removal of a general partner of the Tenant pursuant to the Partnership Agreement and the replacement of such general partner with an affiliate of Investor, provided that the admission of a non-affiliate of Investor shall require the reasonable consent of Landlord.

(b) If Tenant requests the consent of Landlord to an internal reorganization of Tenant, or of any of the partners, members, or stockholders of Tenant, Landlord will not unreasonably withhold or delay such consent.

Section 17.3 Subsequent Assignment. In cases where Landlord’s consent is required, Landlord’s or HUD’s consent to one assignment will not waive the requirement that Landlord and HUD consent to any subsequent assignment.

Section 17.4 Request for Consent. If Tenant requests Landlord’s consent to a specific assignment, Tenant shall provide to Landlord such information as may reasonably be required by Landlord.

Section 17.5 Consent of Landlord Not Required. The foreclosure of a Mortgage or any sale thereunder, whether by judicial proceedings or by virtue of any power contained in any Mortgage, or any conveyance of the Tenant’s Estate to any Mortgagee or its affiliate or third party designee through, or in lieu of, foreclosure or other appropriate proceedings in the nature thereof, shall not breach any provision of or constitute an Event of Default under this Lease, and upon such foreclosure, sale, or conveyance, Landlord shall recognize any Mortgagee or such affiliate or designee of any Mortgagee, or any purchaser at any such foreclosure sale, as Tenant hereunder. Provided, however, that Landlord may disapprove a subsequent Transfer after foreclosure, deed in lieu of foreclosure, or other appropriate proceedings where the proposed transferee has (a) insufficient prior experience in managing affordable multifamily rental housing, (b) demonstrated poor performance in managing affordable multifamily rental housing, or (c) has been debarred or suspended by HUD.

Section 17.6 Transfer After Foreclosure. This Lease may be transferred, without the consent of Landlord, to any Mortgagee or an affiliate thereof, pursuant to foreclosure or similar proceedings, or pursuant to a Transfer of this Lease to such Mortgagee (or its affiliate or third party designee) in lieu thereof, and may be thereafter transferred by such Mortgagee (or its affiliate or third party designee), and any Mortgagee (or its affiliate) shall be liable to perform the obligations herein imposed on Tenant only for and during the period it is in possession or ownership of the leasehold estate created hereby. Provided, however, that Landlord may disapprove a subsequent Transfer after foreclosure, deed in lieu of foreclosure, or other appropriate proceedings by Mortgagee (or its affiliate or third party designee) where the proposed transferee has (a) insufficient prior experience in managing affordable multifamily rental housing,
(b) demonstrated poor performance in managing affordable multifamily rental housing, or (c) has been debarred or suspended by HUD. In no event shall any Mortgagee (or its affiliate or third party designee) be (i) liable for any prior act or omission of Tenant unless and to the extent such act or omission is continuing following the foreclosure or other transfer, or (ii) subject to any offsets or defenses which Landlord may have against Tenant.

Section 17.7 Grant of Purchase Option. Notwithstanding anything to the contrary set forth in any other provision of this Lease, nothing shall prohibit the granting of a purchase option and/or right of first refusal to the Landlord, or its designee, including without limitation, the Managing General Partner, and to the Administrative General Partner to purchase the Tenant’s Estate (or the Investor’s interest in the Tenant) as provided in the Right of First Refusal/Purchase Option and/or (ii) the exercise of such Right of First Refusal/Purchase Option in accordance with the Right of First Refusal/Purchase Option (and the assignment of the Authority Gap Loan, Authority IIG Loan and Authority Acquisition Loan to purchaser, if the Authority or its affiliate is the purchaser); provided, however, that any such option rights described in this Section 17.7 shall be subordinate to the Approved Financing Documents.

ARTICLE 18 MISCELLANEOUS PROVISIONS

Section 18.1 Entire Agreement: Modifications. This Lease supersedes all prior discussions and agreements between the Parties with respect to the leasing of the Leased Premises. This Lease contains the sole and entire understanding between the Parties with respect to the leasing of the Leased Premises pursuant to this Lease, and all promises, inducements, offers, solicitations, agreements, representations, and warranties heretofore made between the Parties, if any, are merged into this Lease.

Section 18.2 Amendments. Landlord shall not unreasonably withhold its consent to any amendments to this Lease that are reasonably requested by a Mortgagee, including, without limitation, for the purpose of reasonably implementing the mortgage protection provisions contained in this Lease to allow Mortgagee reasonable means to protect or preserve the lien of its Mortgage upon occurrence of a default under the terms of this Lease. Landlord and Tenant each agree to execute and deliver (and to acknowledge for recording purposes, if necessary) such agreement(s) or instrument(s) reasonably required to effect such amendments; provided, however, Landlord may, in its sole and absolute discretion, refuse to consent to any proposed amendments to the description of the Leased Premises, the Term, Rent, or any other amendments which would materially change the rights and/or obligations of Landlord under this Lease. Landlord and Tenant each agree not to enter into any amendment or modification of the Lease without the prior written consent of each Mortgagee.

Section 18.3 Governing Law. This Lease, and the rights and obligations of the Parties hereunder, shall be governed by and construed in accordance with the substantive laws of the State of California.

Section 18.4 Binding Effect. This Lease shall inure to the benefit of and be binding upon the Parties hereto, their heirs, successors, administrators, executors, and permitted assigns.
Section 18.5  **Severability.** In the event any provision or portion of this Lease is held by any court of competent jurisdiction to be invalid or unenforceable, such holdings shall not affect the remainder hereof, and the remaining provisions shall continue in full force and effect to the same extent as would have been the case had such invalid or unenforceable provision or portion never been a part hereof, except to the extent the rights and obligations of the Parties have been materially altered by such unenforceability.

Section 18.6  **Further Assurances.** From and after the date of this Lease, Landlord and Tenant, at the request of the other Party, shall make, execute, and deliver or obtain and deliver all such affidavits, deeds, certificates, resolutions, and other instruments and documents, and shall do or cause to be done all such other things that either Party may reasonably require in order to effectuate the provisions and the intention of this Lease.

Section 18.7  **Captions.** All captions, headings, paragraphs, subparagraphs, letters, and other reference captions are solely for the purpose of facilitating convenient reference to this Lease, shall not supplement, limit, or otherwise vary the text of this Lease in any respect, and shall be wholly disregarded when interpreting the meaning of any terms or provisions hereof. All references to particular articles, sections, subsections, paragraphs, and subparagraphs by number refer to the text of such items as so numbered in this Lease.

Section 18.8  **Gender.** Words of any gender used in this Lease shall be held and construed to include any other gender, and words of a singular number shall be held to include the plural, and vice versa, unless the context requires otherwise.

Section 18.9  **Exhibits.** Each and every exhibit referred to or otherwise mentioned in this Lease is attached to this Lease and is and shall be construed to be made a part of this Lease by such reference or other mention at each point at which such reference or other mention occurs, in the same manner and with the same effect as if each exhibit were set forth in full at length every time it is referred to and otherwise mentioned.

Section 18.10  **References.** All references to paragraphs or subparagraphs shall be deemed to refer to the appropriate paragraph or subparagraph of this Lease. Unless otherwise specified in this Lease, the terms “herein,” “hereof,” “hereinafter,” “hereunder” and other terms of like or similar import, shall be deemed to refer to this Lease as a whole, and not to any particular paragraph or subparagraph hereof.

Section 18.11  **Rights Cumulative.** Except as expressly limited by the terms of this Lease, all rights, powers, and privileges conferred hereunder shall be cumulative and not restrictive of those provided at law or in equity.

Section 18.12  **Notices.** All notices, requests, demands, or other communications required or permitted to be given hereunder shall be in writing and shall be addressed and delivered by hand or by certified mail, return receipt requested, or by Federal Express or UPS, or by hand delivery by a recognized, reputable courier, to each party at the addresses set forth below. Any such notice, request, demand, or other communication shall be considered given or delivered, as the case may be, on the date of receipt. Rejection or other refusal to accept or inability to deliver
because of changed address of which proper notice was not given shall be deemed to be receipt of the notice, request, demand, or other communication. By giving prior written notice thereof, any Party, from time to time, may change its address for notices hereunder. Legal counsel for the respective Parties may send to the other Party any notices, requests, demands, or other communications required or permitted to be given hereunder by such Party.

Section 18.13 Counterparts. This Lease may be executed in several counterparts, each of which shall be deemed an original, and all such counterparts together shall constitute one and the same agreement.

Section 18.14 Time of Essence. Time is and shall be of the essence in this Lease.

Section 18.15 Relationship of Parties. No relationship exists between Landlord and Tenant other than landlord and tenant. The Parties hereto expressly declare that, in connection with the activities and operations contemplated by this Lease, they are neither partners nor joint venturers, nor does a debtor-creditor, principal-agent, or any other relationship except as aforesaid, exist between them.

Section 18.16 Multiple Leasehold Mortgages. If at any time there shall be more than one Mortgage, the Mortgagee under the First Mortgage Loan (“First Loan Mortgagee”) shall be prior in lien and shall be vested with all of the rights of Mortgagee under this Lease (other than the provisions for receipt of notices) to the exclusion of any junior Mortgage and junior Mortgagee; provided, however, that: (a) if the First Loan Mortgagee fails to or refuses to exercise its rights set forth under this Lease, each holder of a junior Mortgage in the order of priority of their respective liens shall have the right to exercise such rights; and (b) with respect to the right of a Mortgagee under Section 9.8 (right to request a New Lease), such right may, notwithstanding the limitation of time set forth in Section 9.8, if any, be exercised by the holder of any junior Mortgage, in the event the holder of a senior Mortgage shall not have exercised such right within a reasonable amount of time.

Section 18.17 Conflicts with Mortgage. In the event of a default under a Mortgage, such Mortgagee may exercise with respect to the Leased Premises any right, power, or remedy under the Mortgage which is not in conflict with the provisions of this Lease. In the event of a conflict or inconsistency between any requirement contained in this Lease and any requirement contained in any document referred to in this Lease, including any Mortgage, the terms of this Lease shall in all instances be controlling.

Section 18.18 Attorneys’ Fees. In the event of litigation between the Parties arising out of this Lease, each Party shall bear its own costs and expenses, including attorneys’ fees, and any judgment or decree rendered in such a proceeding shall not include an award thereof.

Section 18.19 Non-Liability of Governmental Officials and Employees; Conflicts of Interest. No member, official, employee, commissioner, agent, consultant, or contractor of
Landlord shall be personally liable to Tenant or any successor or assign of Tenant in the event of any default or breach by Landlord hereunder, or for any amount which may become due to Tenant or any successor or assign of Tenant as a result of such default or breach, or for any of Landlord’s obligations under this Lease; provided, however, that the foregoing shall not void or diminish the obligations of Landlord under this Lease.

Tenant represents and warrants that to Tenant’s actual knowledge no member, official, employee, commissioner, agent, consultant, or contractor of Landlord has any direct or indirect personal interest in this Lease or participation in any decision relating to this Lease which affects his or her personal interests or the interests of any corporation, partnership, or other entity in which he or she is, directly or indirectly, interested. Tenant further represents and warrants to Landlord that it has not paid or given, and will not pay or give, to any third party (other than as specifically set forth in this Lease) any money or other consideration for obtaining this Lease.

Except as may be expressly set forth herein, no present or future partner, shareholder, participant, employee, agent, officer, or partner of or in Tenant shall have any personal liability, directly or indirectly, under or in connection with this Lease; provided, however, that the foregoing shall not void or diminish the obligations of Tenant under this Lease.

Section 18.20 Consent; Reasonableness. Except as otherwise specified herein, in the event that Tenant or Landlord shall require the consent or approval of the other Party in fulfilling any agreement, covenant, provision, or condition contained in this Lease, such consent or approval shall not be unreasonably withheld or delayed by the Party from whom such consent or approval is sought, and shall be given or disapproved within the times set forth herein, or, if no time is given, within ten (10) business days of request therefor. Except as may be otherwise expressly set forth herein, approvals and disapprovals on the part of Landlord may be given by Landlord’s chief executive officer.

Section 18.21 Non-Waiver of Governmental Rights. Nothing in this Lease shall be construed to in any way obligate Landlord or any other Governmental Authority to take any discretionary action relating to the construction, development, or operation of the Project, including, but not limited to, condemnation, rezoning, variances, subdivision, environmental clearances, or any other governmental approvals which are or may be required pursuant to the Legal Requirements. Nothing in this Lease shall be construed to restrict or impair in any manner whatsoever any Legal Requirement or the exercise by Landlord of any governmental powers or rights thereunder.

Section 18.22 Removal of Personal Property. Title to personal property of Tenant shall remain in Tenant. If Tenant or Mortgagee shall not have removed such personal property from the Leased Premises upon a reasonable period of time following the expiration or earlier termination of the Lease (such period not to be less than thirty (30) days following delivery of written notice from Landlord to Tenant and Mortgagee), then Landlord shall have the right, at its election, in addition or in the alternative to its other rights with respect to the same, to either (i) deem such personal property abandoned and retain the same as its property, or dispose of the same without accountability in such manner as Landlord may see fit (and Landlord shall be promptly reimbursed by Tenant for all reasonable expenses of such disposition upon written
demand therefor), or (ii) remove and store the same in a place satisfactory to Landlord, in which event all reasonable expenses of such removal and storage shall be charged to and be borne by Tenant, and Landlord shall be promptly reimbursed by Tenant for such expenses upon written demand therefor. Tenant shall repair any loss or damage to the Leased Premises or any part thereof caused or resulting from the removal of the personal property (whether removed by or at the direction of Landlord or Tenant), except to the extent such loss or damage was caused by the gross negligence or willful misconduct of Landlord, its agents and/or employees. [SUBJECT TO HACLA REVIEW]

ARTICLE 19 PARTICULAR COVENANTS

Section 19.1 Non-Discrimination. Tenant shall not discriminate against, or segregate any person or group of persons on the grounds of race, color, creed, religion, sex, sexual orientation, marital status, national origin or ancestry, or disability in the lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Leased Premises nor shall Tenant, or any person claiming under or through Tenant, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of residential tenants, subtenants, or vendees of the Leased Premises. The foregoing covenant shall run with the land. Landlord shall be entitled to invoke any remedies available at law or in equity to redress any breach of this subsection or to compel compliance therewith by Tenant.

Section 19.2 Mandatory Language in All Subsequent Deeds, Leases and Contracts. All deeds, leases, or contracts entered into by Tenant on or after the date of execution of this Lease as to any portion of the Project or Leased Premises shall contain the following language:

(a) In deeds: “Grantee herein covenants by and for itself, its successors, and assigns that there shall be no discrimination against or segregation of a person or of a group of persons on account of race, color, religion, creed, sex, sexual orientation, marital status, ancestry, or national origin in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the property herein conveyed nor shall the grantee or any person claiming under or through the grantee establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of residential tenants, lessees, subtenants, sublessee, or vendees in the property herein conveyed. The foregoing covenant shall run with the land.”

(b) In leases (except for leases from Tenant to a residential tenant): “The lessee herein covenants by and for the lessee and lessee’s heirs, personal representatives, and assigns and all persons claiming under the lessee or through the lessee that the lessee’s lease is made subject to the condition that there shall be no discrimination against or segregation of any person or of a group of persons on account of race, color, religion, creed, sex, sexual orientation, marital status, ancestry, or national origin in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the land herein leased nor shall the lessee or any person claiming under or through the lessee establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of residential tenants, lessees, sublessees, subtenants, or vendees in the land herein leased.”
(c) In contracts: “There shall be no discrimination against or segregation of any person or group of persons on account of race, color, religion, creed, sex, sexual orientation, marital status, ancestry, or national origin in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the property nor shall the transferee or any person claiming under or through the transferee establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of residential tenants, lessees, subtenants, sublessees, or vendees of the land.”

Section 19.3 TCAC Lease Rider. At the time required by TCAC, Landlord and Tenant agree to execute and record against the Leased Premises in the official records of the County of Los Angeles, a lease rider in the form required by TCAC and HUD.

ARTICLE 20 RAD PROVISIONS

In addition to entering into this Lease, Landlord and Tenant also contemplate the provision of rental assistance to the Project pursuant to a RAD HAP Contract. If a RAD HAP Contract is entered into pursuant to the RAD Requirements, HUD will require Landlord and Tenant to enter into a RAD Use Agreement in connection with the provision of rental assistance to the Project. Notwithstanding any other clause or provision in this Lease, upon execution of the RAD Use Agreement and for so long as the RAD Use Agreement is in effect, the following provisions shall apply:

(a) This Lease shall in all respects be subordinate to the RAD Use Agreement. Subordination continues in effect with respect to any future amendment, extension, renewal, or any other modification of the RAD Use Agreement or this Lease.

(b) If any of the provisions of this Lease conflict with the terms of the RAD Use Agreement, the provisions of the RAD Use Agreement shall control.

(c) The provisions in this Article 20 are required to be inserted into this Lease by HUD and may not be amended without HUD’s prior written approval.

(d) Violation of the RAD Use Agreement constitutes a default of this Lease.

(e) Notwithstanding any other contract, document or other arrangement, upon termination of this Lease, title to the real property leased hereunder shall remain vested in the Landlord and title to the buildings, fixtures, improvements, trade fixtures and equipment that belong to Tenant shall vest in Landlord.

(f) Neither the Tenant nor any of its partners shall have any authority to:

(1) Take any action in violation of the RAD Use Agreement; or

(2) Fail to renew the RAD HAP Contract upon such terms and conditions applicable at the time of renewal when offered for renewal by the Landlord or HUD.
(3) Except to the extent permitted by the RAD HAP Contract or RAD Use Agreement and the normal operation of the Project, neither the Tenant nor any partners shall have any authority without the consent of Landlord to sell, transfer, convey, assign, mortgage, pledge, sublease or otherwise dispose of, at any time, the Project or any part thereof.

Pursuant to the Section 3.6(b) of the Lease, all of the PBV Units shall be operated as affordable for families at or below eighty percent (80%) of the area median income for not less than (30) years following the Commencement Date (the “Section 18 Restriction”).

If there is a foreclosure, all units are subject to the Post-Foreclosure Rent Restrictions as described in the Lease.

**Tenant Protections**

**Tenant Leases**

Notwithstanding the Regulatory Agreements, Approved Financing Documents, and any other documents imposing tenant protections on the Project, all Residents shall be subject to the same Tenant Lease and tenant protections to the extent permitted by law. Landlord and Tenant acknowledge that the Residential Units obtain assistance under various programs including, but
not limited to, the PBV program and RAD program, each of which provides tenant protections. The tenant protections and opportunities granted to Residents shall be uniformly applied to the Residential Units through the inclusion of tenant protection provisions in all Tenant Leases, including those provided herein, to the extent permitted by applicable Regulatory Agreements and the RAD Use Agreement. Provided, however, that the tenant protections need not be extended to the one (1) manager’s unit.

**Resident Participation and Funding**

To support Resident participation, Residents will have the right to establish and operate a resident organization for the purpose of addressing issues related to their living environment, which includes the terms and conditions of their tenancy as well as activities related to housing and community development.

1. **Legitimate Resident Organization.** Tenant must recognize legitimate resident organizations and give reasonable consideration to concerns raised by legitimate resident organizations. A resident organization is legitimate if it has been established by the Residents of the Project, meets regularly, operates democratically, is representative of all Residents in the Project, and is completely independent of the Tenant, management, and their representatives.

In the absence of a legitimate resident organization at the Project, HUD encourages the Tenant and residents to work together to determine the most appropriate ways to foster a constructive working relationship, including supporting the formation of a legitimate resident organization.

Residents are encouraged to contact the Tenant directly with questions or concerns regarding issues related to their tenancy. Tenant is also encouraged to actively engage residents in the absence of a resident organization; and

2. **Protected Activities.** Tenant must allow Residents and resident organizers to conduct the following activities related to the establishment or operation of a resident organization:
   a. Distributing leaflets in lobby areas;
   b. Placing leaflets at or under Residents' doors;
   c. Distributing leaflets in common areas;
   d. Initiating contact with Residents;
   e. Conducting door-to-door surveys of Residents to ascertain interest in establishing a resident organization and to offer information about resident organizations;
   f. Posting information on bulletin boards;
   g. Assisting Resident to participate in resident organization activities;
   h. Convening regularly scheduled resident organization meetings in a space on site and accessible to Residents, in a manner that is fully independent of management representatives. In order to preserve the independence of resident organizations, management representatives may not attend such meetings unless invited by the resident organization to specific meetings to discuss a specific issue or issues; and
   i. Formulating responses to Tenant’s requests for:
      1. Rent increases;
      2. Partial payment of claims;
      3. The conversion from project-based paid utilities to resident-paid utilities;
4. A reduction in resident utility allowances;
5. Converting residential units to non-residential use, cooperative housing, or condominiums;
6. Major capital additions; and
7. Prepayment of loans.

In addition to these activities, Tenant must allow Residents and resident organizers to conduct other reasonable activities related to the establishment or operation of a resident organization. Tenant shall not require Residents and resident organizers, as required under the RAD Requirements, to obtain prior permission before engaging in the activities permitted in this section.

3. Meeting Space. Tenant must reasonably make available the use of any community room or other available space appropriate for meetings that are part of the Project when requested by:
   a. Residents or a resident organization and used for activities related to the operation of the resident organization; or
   b. Residents seeking to establish a resident organization or collectively address issues related to their living environment.

Resident and resident organization meetings must be accessible to persons with disabilities, unless this is impractical for reasons beyond the organization's control. If the Project has an accessible common area or areas, it will not be impractical to make organizational meetings accessible to persons with disabilities. Tenant may charge a reasonable, customary and usual fee, approved by the HUD and/or Landlord as may normally be imposed for the use of such facilities in accordance with procedures prescribed by HUD, for the use of meeting space. The Landlord may waive this fee.

4. Resident Organizers. A resident organizer is a Resident or non-resident who assists residents in establishing and operating a resident organization, and who is not an employee or representative of Tenant, managers, or their agents. Tenant must allow resident organizers to assist Residents in establishing and operating resident organizations.

5. Canvassing. If the Project has a consistently enforced, written policy against canvassing, then a non-resident resident organizer must be accompanied by a Resident while at the Project. If the Project has a written policy favoring canvassing, any non-resident resident organizer must be afforded the same privileges and rights of access as other uninvited outside parties in the normal course of operations. If the Project does not have a consistently enforced, written policy against canvassing, the Project shall be treated as if it has a policy favoring canvassing. A Resident has the right not to be re-canvassed against his or her wishes regarding participation in a resident organization.

6. Funding. Tenant must provide $25 per occupied [RAD Unit and PBV Unit] annually for resident participation, of which at least $15 per occupied [RAD Unit and PBV Unit] shall be provided to the legitimate Resident organization at the Project. These funds must be used for resident education, organizing around tenancy issues, and training activities. In the absence of a legitimate resident organization at a Project:
a. Landlord encourages the Tenant and Residents to work together to determine the most appropriate ways to foster a constructive working relationship, including supporting the formation of a legitimate Residents organization. Residents are encouraged to contact the Tenant directly with questions or concerns regarding issues related to their tenancy. Tenant is also encouraged to actively engage Residents in the absence of a Resident organization; and

b. Project Owners must make Resident participation funds available to Residents for organizing activities in accordance with this Exhibit. Residents must make requests for these funds in writing to the Tenant. These requests will be subject to approval by the Tenant.

**Termination Notification**

Tenant must provide adequate written notice of termination of any Resident lease in accordance with HUD requirements and any requirements prescribed in the Regulatory Agreements or Approved Financing Documents. Further, Tenant shall provide adequate written notice of termination of any Resident lease which shall not be less than:

a. A reasonable period of time, but not to exceed 30 days:
   1. If the health or safety of other Residents, Tenant employees, or persons residing in the immediate vicinity of the premises is threatened; or
   2. ii. In the event of any drug-related or violent criminal activity or any felony conviction;

b. 14 days in the case of nonpayment of rent; and

c. 30 days in any other case, except that if a State or local law provides for a shorter period of time, such shorter period shall apply.

**Grievance Process**

Tenant must maintain a grievance process in accordance with HUD requirements and any requirements prescribed in the Regulatory Agreements or Approved Financing Documents. Further, Tenant’s grievance procedure shall provide an opportunity for an informal hearing, as outlined in 24 CFR § 982.555. Notwithstanding the provisions of 24 CFR § 982.555, an opportunity for an informal hearing shall be given to Residents for any dispute that a Resident may have with respect to a Tenant action in accordance with the Resident’s lease that adversely affect the Resident’s rights, obligations, welfare, or status.

a. For Residents of the RAD Units and PBV Units, the Landlord, as contract administrator, will perform the informal hearing. The hearing officer must be selected in accordance with 24 CFR § 982.555(e) (4) (i). For Residents of Residential Units other than the RAD Units and the PBV Units, the Tenant shall perform the informal hearing.

b. There is no right to an informal hearing for class grievances or to disputes between Residents not involving the Tenant or Landlord.

c. The Tenant shall give Residents notice of their ability to request an informal hearing as outlined in 24 CFR § 982.555(c)(1).

d. The Tenant shall provide the opportunity for an informal hearing before an eviction. Current informal hearing procedures must be outlined in the Tenant’s Management Plan.

Mr. Douglas Guthrie
Executive Director
Housing Authority of the City of Los Angeles
2600 Wilshire Boulevard
Los Angeles, CA 90057

Dear Mr. Guthrie:

The U.S. Department of Housing and Urban Development’s (Department) Special Applications Center (SAC) has reviewed the Housing Authority of the City of Los Angeles (HACLA) applications for the demolition of 1 non-dwelling and 5 dwelling building containing 13 dwelling units and disposition of 1.79 acres of vacant land at the Rose Hill Courts portion of Ramona/Rose CA004000401, (aka: Ramona Gardens and Rose Hill Courts) (PIC application DDA0010885). Also, the demolition of 8 dwelling buildings containing 76 dwelling units and the disposition of 3.45 acres of vacant land at the Rose Hill Courts portion of Ramona/Rose, CA004000401 (PIC application DDA0010888). The SAC received the applications on June 19, 2020 via the Inventory Management System/Public and Indian Housing Information Center (IMS/PIC) system. Supplemental information was received through September 21, 2020.

Environmental Review

The Environmental Review (ER) was performed by the local Responsible Entity (RE) City of Los Angeles in accordance with 24 CFR part 58 on January 24, 2020. A Request for Release of Funds/Environmental Certification (RROF/C), form HUD-7015.15 was submitted to the HUD Los Angeles Field Office of Public Housing (Field Office) on February 19, 2020. The HUD Los Angeles Field Office accepted the RROF/C and approved an Authority to Use Grant Funds, form HUD-7015.16 on March 9, 2020.

Civil Rights Compliance Review

HUD’s Office of Fair Housing and Equal Opportunity (FHEO) monitors PHA compliance with civil rights requirements through or in connection with HUD programs, including Section 18 demolition. Civil rights requirements include, but are not limited to, those outlined at 24 CFR 5.105(a), Title VI of the Civil Rights Act of 1964 and its implementing regulations at 24 CFR part 1, Section 504 of the Rehabilitation Act of 1973 and its implementing regulations at 24 CFR part 8, as well as Titles II and III of the Americans with Disabilities Act, and Executive Order 11063 and its implementing regulations at 24 CFR part 107. On July 23, 2020, the San Francisco Region IX HUD Office of FHEO provided a memorandum to the SAC indicating it had reviewed these applications and had no objection to SAC approving these applications.
PHA Plan

Public Housing Authorities (PHAs) must include proposed demolitions and dispositions in a PHA Annual Plan, Significant Amendment or MTW Annual Plan. Qualified PHAs, as defined by the Housing and Economic Recovery Act of 2008 (HERA), must discuss the demolition and disposition at a public hearing, as required by 24 CFR 903.7. HACLA submitted an Agency Annual Plan to the HUD Los Angeles Field Office on October 16, 2019, which includes a description of the proposed demolition and disposition at the property. The HUD Los Angeles Field Office approved the Agency Annual Plan on December 23, 2019.

Previous Removals at the Development

HACLA has not received any previous HUD approvals for removing property from the development.

Reason for Action (Justification)

HACLA proposed the demolition based on 24 CFR 970.15, and has certified in the application under PHA Certification in Demolition and Disposition Addendum HUD-52860-A that the property proposed for demolition is obsolete as to physical condition and certified that the proposed development (units or other property) meets the obsolescence criteria of 24 CFR 970.15 as specifically described in this SAC application. HACLA further certified that such obsolescence makes any units proposed for demolition unsuitable for housing purposes and that no reasonable program of modification is cost-effective to return the development to its useful purpose.
HACLA provided a Physical Needs Assessment (PNA) and summary reporting on the condition of the property. According to the summary, the property is showing evidence of termite damage in the structural members. Asbestos and lead have been found at the property. The report also suggests that the property is in need of electrical replacement and would require meeting current seismic requirements required by the local municipality.

The Total Development Cost (TDC) limit for the units proposed for demolition is calculated below. The Department used the TDC applicable at the time of submission of this demolition application.

The HACLA provided an estimate of itemized rehabilitation costs, based upon the existing conditions of the units, which is included in Exhibit - B at the end of this document. SAC made some adjustments to the items and amounts included, which are also shown on Exhibit - B. The HACLA estimated a total of $31,434,867 in rehabilitation costs. After the SAC adjustments, rehabilitation is estimated to cost $13,850,366, which is 58.89 percent of the TDC limit.

**Demolition Cost**

The application states that it will cost approximately $1,225,850, to demolish the subject units at the Rose Hill Courts portion of Ramona /Rose, CA004000401. HACLA’s application stated that the property would be demolished prior to conveyance. Details of the demolition are as follows:

**Relocation**

When the application was originally submitted to the Department, 87 units proposed for demolition and disposition were occupied (12 families related to DDA0010885 and 75 families related to DDA0010888). HACLA has submitted a certification that it will carry out and implement this removal action including relocation, in conformity with all applicable civil rights requirements.
HACLA estimated cost for the remaining residents includes moving expenses and counseling/advisory services. The details of the relocation plan are as follows:

HACLA indicated it plans to request 89 Tenant Protection Vouchers (TPVs) from HUD based on this demolition and disposition approval to assist in relocating residents with Section 8 tenant-based assistance. HACLA indicated it would provide displaced residents with the following counseling and advisory services: Prior to issuing any relocation notices, including a 90-day notice, each household will be personally interviewed to gather information appropriate to determine needs and preferences regarding the temporary move off-site for Phase I tenants and one time move to the newly built Phase I units for Phase II residents.

**Description and Proposed Removal Action - Disposition**

After demolition, HACLA proposes to dispose of 5.24 acres of the resulting vacant land at the Rose Hill Courts portion of Ramona/Rose, CA004000401. Details of the proposed disposition are as follows:

<table>

</tr>
<tr>

</tr>
<tr>

</tr>
<tr>

</tr>
</tbody>
</table>

**Disposition Justification**

HACLA proposed the disposition based the best interests of PHA and residents and consistent with PHA Plan and 1937 Act and has justified the disposition of the property in accordance with the specific criteria of 24 CFR 970.17(c) and PIH Notice 2018-04.

HACLA proposes to demolish the property in two phases prior to conveyance. HACLA proposes to redevelop the site which will create 185 new residential housing units (183 affordable housing units onsite plus two market-rate managers’ units) in two phases. The redevelopment includes a 6,300 square-foot Management Office/Community Building and a “Central Park” green space, creating a park-like setting for residents. The redevelopment includes ample open space and recreational amenities to promote continued community outdoor use such as outdoor communal space with shaded seating and grills, children’s play areas with tot lots, paved surfaces, and several courtyards. The new affordable community will include a total of 174 parking spaces onsite, with at-grade and tuck-under parking; upgraded lighting,
fencing, signage, and security features; and storm drain and utility improvements. The new sustainably designed buildings are energy efficient and the landscaping includes water efficient irrigation. HACLA seeks to dispose of the property in order to use all available resources to provide sustainable affordable housing options, including low-income housing tax credits and state affordable housing funding sources. HACLA has also assessed the feasibility of converting Rose Hill Courts units under HUD’s Rental Assistance Demonstration (RAD) program, and as a result, has 11 onsite units currently under CHAP which will be newly constructed as part of the Phase I project.

**Property Valuation**

The HACLA submitted an appraisal with the application. Theodore A. Cressner, an independent appraiser, determined the Fair Market Value (FMV) to be $18,600,000, as of January 15, 2020.

**Method of Disposition and Use of Net Proceeds**

The HACLA proposed the disposition via a negotiated ground lease at less than FMV. HACLA will ground lease the underlying property each phase to the applicable partnership (Rose Hill Courts I Housing Partners, L.P., and Rose Hill Courts II Housing Partners, L.P.) commencing upon construction loan closing and continuing for 66 years with three options at HACLA’s discretion to extend by another 11 years for each option, for a total extension of 33 years. At Closing, the Partnership shall acquire the leasehold estate from the Authority by paying the appraised FMV as a Capitalized Lease Payment and $1/year thereafter. HACLA shall make a loan to the Partnership in the amount of the Capitalized Lease Payment and the Partnership shall use the proceeds of the loan to pay the Capitalized Lease Payment. The Carryback Loan shall be repaid through a nonrecourse residual receipts note with a term of 55 years. Based on current appraisal, the FMV for Phase I is $7,100,000 and $11,500,000 for Phase II.

HACLA stated that it will not receive any cash at closing. Based on its position in the waterfall and current economic projections for Phase I, HACLA expects to see residual receipts beginning in Year 8 of operation. Phase II will be similar but HACLA is still working on the projections. For Phase II, in addition to seller carry back acquisition loan, HACLA will also be providing additional gap funding.

**Commensurate Public Benefits**

In accordance with 24 CFR 970.19(d), HUD may authorize a PHA to dispose of property at less than FMV (where permitted by state law) based on a commensurate public benefit to the community, the PHA, or the federal government. HUD determines commensurate public benefit on a case-by-case basis. In its application, HACLA requested that HUD find a commensurate public benefit based on the proposed future use of the property as redevelopment will include a total of 185 residential housing units (183 affordable housing units onsite plus two market-rate managers’ units) in two phases. The redevelopment includes a 6,300 square-foot Management Office/Community Building and a “Central Park” green space. Although the negotiated sale
price is less than FMV, because of the benefits arising from the negotiated sale, it is in the best interest of the public housing residents and the PHA, and will result in a commensurate public benefit, as required in 24 CFR 970.19(d).

Resident Consultation

1. Project Specific Resident Organization: None-exists

2. PHA-wide Resident Organization: Housing Authority Resident Advisory Council (HARAC)

3. Resident Advisory Board (RAB) in accordance with 24 CFR 903.13: HARAC

24 CFR 970.9(a) requires that an application for demolition/disposition be developed in consultation with residents who will be affected by the proposed action, any resident organizations for the development, PHA-wide resident organizations that will be affected by the demolition/disposition, and the Resident Advisory Board (RAB). The PHA must also submit copies of any written comments submitted to the PHA and any evaluation that the PHA has made of the comments. Due to COVID 19 protocols, HACLA held a conference call with the residents on April 8, 2020 instead of a “in person” meeting. The HACLA included an agenda, participation list in the application package. HACLA held a conference call with the HARAC on April 16, 2020. the HACLA provided a copy of the questions and responses.

Offer for Sale to the Resident Organization

24 CFR 970.9(b) (1) of the regulation requires that a public housing agency offer the opportunity to purchase the property proposed for disposition to any eligible resident organization, eligible resident management corporation as defined in 24 CFR part 964, or to a nonprofit organization acting on behalf of the residents, if the resident entity has expressed an interest in purchasing the property for continued use as low-income housing. HA has chosen not to provide an opportunity based on the exception found in 24 CFR 970.9(b) (3) (ii) A PHA seeks disposition outside the public housing program to privately finance or otherwise develop a facility to benefit low-income families (e.g., day care center, administrative building, mixed-finance housing under 24 CFR part 905 subpart F, or other types of low-income housing)”. The Department concurs with the HACLA’s determination that it has complied with the requirements of 24 CFR 970.9.

Mayor/Local Government Consultation and Board Resolution

As part of the consultation process, HACLA met with the City of Los Angeles Council District 14 office and associated Neighborhood Councils on multiple dates starting on December 1, 2015 through November 20, 2019 to discuss the redevelopment and demolition disposition applications. As required by 24 CFR 970.7(a)(14), the application package includes a letter of support from the Honorable Eric Garcetti, Mayor of the City of Los Angeles, dated April 7, 2020. The last resident consultation was on April 16, 2020. As required by 24 CFR 970.7(a)(13), HACLA’s Board of Commissioners approved the submission of the demolition and
disposition application for the proposed property on April 23, 2020, via Resolution Number 9590.

**Approval**

**Demolition:**

The Department has reviewed the application and finds it to be consistent with Section 18 of the Act, and the implementing regulations, 24 CFR part 970, including requirements related to resident consultation. Based upon the review, the Department finds that the requirements of 24 CFR part 970 and Section 18 of the Act have been met, the proposed demolition of the Rose Hill Courts portion of Ramona/Rose, CA004000401 as described in the application and identified below, is hereby approved.

### Conditions

The HACLA shall ensure that 185 units of other housing are developed on the property and 172 units are operated as affordable and reserved for families at or below 80 percent of AMI for a period of not less than 30 years. The RAD units are not the subject of this approval and are therefore governed by separate HUD approvals.

These use restrictions requiring that Rose Hill Courts I Housing Partners, L.P., and Rose Hill Courts II Housing Partners, L.P., develop and operate the property as 172 units affordable at incomes at or below 80 percent of AMI for 30 years, must be enforced by use agreements, or other legal mechanisms as determined by the HUD Los Angeles OPH. Such use restriction documents must be recorded in a first priority position against the properties (other than a RAD Use Agreement, if applicable), prior to any financing documents or other encumbrances, and remain in effect even in the event of default or foreclosure on the properties.

- The Rose Hill Courts I Housing Partners, L.P., and Rose Hill Courts II Housing Partners, L.P., shall maintain ownership and operation of the property during the use restriction period. The owner shall not convey, sublease or transfer the property approved for this disposition without prior approval from the HACLA and the Department at any point during the period of use restriction. The forgoing restriction shall not apply to leases with residential tenants for individual dwelling units.
- The use restrictions shall be covenants that run with the land, and shall bind and inure to the benefit of the parties, their successors and assigns, and every party now or hereafter acquiring any right, title, or interest therein or in any part thereof;
- Certain involuntary transfers of the property, such as to a secured lender upon default under the security documents, or pursuant to foreclosure, may occur, with the use restrictions surviving the transfer. Any subsequent transfers shall require prior written approval from the HACLA and HUD; and
- The HACLA is responsible for monitoring and enforcing these use restrictions during the restriction period.
Notwithstanding this approval, the PHA shall not proceed to enter into any long-term
ground lease or disposition agreement for a phase until all demolition actions for such phase
approved by HUD are complete. The PHA may enter into a long-term ground lease for Phase I
following demolition of the Phase I site and before demolition of the Phase II site.

The HUD Los Angeles OPH, with concurrence from the HUD Los Angeles Office of the
General Counsel (OGC) must approve all acquiring entities, terms and conditions in the
conveyance of real property, whether in whole or in part, described in this approval. If there are
previous land and/or use agreements or encumbrances, other than the Declaration of Trust
(DOT), disposition approval and release of the DOT does not circumvent or supersede those
obligations.

Other Requirements

The Department reminds the HACLA that pursuant to 24 CFR 970.21(c)(2), if any of the
following types of federal financial assistance is used in connection with the demolition of public
housing, the project is subject to section 104(d) of the Housing and Community Development
Act of 1974, 42 U.S.C. 5304(d) (as amended), including the relocation payment provisions and
the anti-displacement provisions, which require that comparable replacement dwellings be
provided within the community for the same number of occupants as could have been housed in
the occupied and vacant, occupiable low- and moderate-income units:

- Community Development Block Grant (CDBG) program, 42 U.S.C. 5301 et seq.
  (including loan guarantees under section 108 of the Housing and Community
  Development Act of 1974, 42 U.S.C. 5308 et seq.); or

- HOME program, 42 U.S.C. 12701 et seq.

Please contact the HUD Los Angeles OPH for additional guidance, if applicable.

Operating Subsidy

Please be aware that in accordance with 24 CFR 990.114, the demolition of these units
will affect HACLA’s operating subsidy eligibility. Please contact your Portfolio Manager at the
HUD Los Angeles OPH for additional guidance.

Energy Performance Contracting

HACLA does not have an approved Energy Performance Contracting (EPC)

Capital Fund Financing Program (CFFP)

As of September 8, 2020, HACLA did not have HUD approval of a Capital Fund
Financing Program (CFFP) proposal.
Tenant Protection Vouchers (TPVs)

Applicable appropriations law and HUD guidance provide that PHAs may be eligible to receive TPVs for dispositions of public housing units that temporarily or permanently remove units from a PHA’s public housing inventory and distinguishes TPVs into two classes:

- **Relocation TPVs:** HUD provides relocation TPVs in cases where the public housing units will be replaced in connection with the disposition. Relocation TPVs assist PHAs with relocating residents and must be offered to displaced residents. Relocation TPVs cannot be reissued by the PHA after the initial resident that received the TPV ends participation in the program. Based on current appropriations law and HUD policy, the maximum number of relocation TPVs that a PHA is eligible to receive is based on occupancy of units on the day of the disposition approval. The PHA’s maximum relocation TPV award identified below.

- **Replacement TPVs:** HUD provides replacement TPVs in cases where the public housing will not be replaced in connection with the disposition and become part of the PHA’s permanent HCV program. Replacement TPVs must be used first to assist displaced residents. Any remaining replacement TPVs can then be issued to families on its waiting list and/or project-based in accordance with all applicable Section 8 rules. Based on current appropriations law and HUD policy, the maximum number of replacement TPVs that a PHA is eligible to receive is currently based on units that were occupied within 24 months from the day the disposition application is approved by HUD. A PHA’s replacement TPV award will not change from the maximum award identified below unless its redevelopment plans change, and it decides to develop replacement public housing units in connection with the disposition. HACLA must keep HUD updated on any changes and submit a request to amend this approval if it’s redevelopment plan change.

On the date of this approval, 87 units are occupied, and 2 vacant units were occupied within the previous 24 months. HACLA does not intend to redevelop any public housing units at the property. Based on this, HACLA is eligible for maximum TPVs as follows:

<table>

<th>Relocation TPVs</th>
<th>Replacement TPVs</th>
</tr>
</thead>
<tbody>
<tr>
<td>Maximum TPV Award</td>
<td>-</td>
<td><strong>89</strong></td>
</tr>
</tbody>
</table>

HUD will not automatically issue TPVs to the HACLA as part of this approval. Instead, HACLA must apply to HUD separately for TPVs in accordance with PIH Notice 2018-09. HACLA cannot submit the TPV request until it needs the TPVs for purposes of relocating the residents who will be displaced (generally no sooner than 30-60 days from the planned start of relocation). The timing of HACLA’s TPV application submission and the start of relocation noted in this approval should be consistent.

As part of its TPVs request, HACLA must submit the following to the HUD Los Angeles OPH Field Office:

- a) The name and IMS/PIC application number of the public housing project in this disposition approval.
- b) The number of TPVs requested (subject to the limitations above).
c) Form HUD-52515 (Voucher Funding Application). If lease-up will cover more than one calendar year, HACLA must submit a separate Form HUD-52515 for each calendar year.

d) A leasing schedule that identifies the number of TPVs to be leased on a month-to-month basis. If lease-up will cover more than one calendar year, HACLA must submit separate leasing schedules for each calendar year.

e) A copy of this approval (PDF version - signed and dated).

The HUD Los Angeles Field Office will conduct a threshold review of the TPV request prior to sending the request to HUD’s Financial Management Center (FMC) for a final determination and processing. HUD’s FMC will notify PHAs in writing of their final TPV award.

**PIC and Monitoring - HACLA**

In accordance with 24 CFR 970.7(a)(4), the HACLA provided the following general timetable based on the number of days major actions will occur following approval of the application:

The Department recognizes that a PHA’s plans to start relocation sometimes change. However, because the Department relies on this information to determine Operating Funds subsidy, PHAs are responsible for ensuring the days to relocation information in a SAC application is reasonably accurate. If days to relocation in a SAC application is not reasonably accurate, asset repositioning fee (ARF) payments under 24 CFR 990.190 may begin prematurely and a PHA may receive less Operating Fund subsidy than it otherwise would be entitled to receive. A PHA may even find itself in a situation where it is operating public housing units without any Operating Fund subsidy. Therefore, it is essential that PHAs make timely requests to the Department for any necessary modifications to the days to relocation in a SAC application. Note that after the Operating Fund subsidy revisions deadline in the first year of ARF eligibility, no further changes to the days to relocation in an approved SAC application or HUD-52723 can be made.

If the HACLA becomes aware that the days to begin relocation information (noted in Field A above table - Begin relocation of residents) is not reasonably accurate, the HACLA must send an email to the Director of Los Angeles OPH within five business days, with a copy to the HUD PIH staff member assigned to the PHA using the following Subject “PHA Code, SAC
The HACLA must include the new estimated number for the days to relocation, along with a brief explanation of the reason for the modification. The Los Angeles OPH will review the request to ensure it is reasonable and it has no information that is inconsistent with the request (e.g. information from residents that relocation has started) and that the new estimated days to relocation is not past the Operating Fund subsidy revisions deadline in the first year of ARF eligibility. If the HACLA’s request is acceptable, SAC will modify the days to relocation in the SAC application in IMS/PIC and email the PHA notifying it that it has made the change. SAC processes these modifications as technical corrections and will not issue a formal written amendment to this approval. If the HACLA’s request is not acceptable (e.g. the requested new days to relocation is past the Operating Fund subsidy revisions deadline in the first year of ARF eligibility), the Los Angeles OPH will deny the request in writing. The HACLA must keep adequate records of all relocations (including actual relocation start dates) for purposes of HUD monitoring.

In accordance with 24 CFR 970.35 of the regulation, your agency is required to inform the HUD Los Angeles OPH of the status of the project (i.e., delays, actual demolition/disposition, modification requests or other problems). Within seven days of demolition completion and making the final payment to the demolition contractor, the HACLA must enter the “actual” dates of demolition/disposition, directly into the IMS/PIC data system, Inventory Removals sub-module under “Removed from Inventory” tab for the HUD Los Angeles OPH approval, using the following procedure:

- On the screen, select the appropriate "Development Number", then select "Add Transaction". On the next screen, select the appropriate "Application Number" from the drop-down menu. In the "Action/Closing Date" box, enter the removal date. If the properties in an application were removed on multiple dates, a separate transaction is needed for each action date. The remaining steps are as applicable.
- If removal is by buildings, use “Remove Residential Inventory By Building” section, select the appropriate buildings available in the "Complete Buildings Available" box and transfer them to the "Proposed Buildings" box.
- For removal of some units in a building, use “Remove Residential Inventory By Unit” section. To select the appropriate units available, use the drop-down "Select the building number" box which populates the "Units Available" box. Transfer the appropriate units to the "Proposed Units" box.
- For removal of non-dwelling buildings without PIC building numbers, use “Remove Non-Residential Inventory” section. Fill in the number of non-dwelling buildings without PIC building numbers.
- Save the information using the "Save" button. The status of this information is then displayed as "Draft."
  - HACLA supervisory staff submits the information to the HACLA Executive Director, or the designated final reviewer at the HACLA, using the Submission sub tab. The status becomes "Submitted for Review".
  - The HACLA Executive Director or designee uses the Review sub tab to reject the transaction, which places it in a "Rejected" status, or approves, which places it in a "Submitted for Approval" status.
- If the submission is rejected by HUD, the HACLA may modify the information by repeating the previous procedure. If the transaction is rejected, the status becomes
"Rejected." If the HUD Los Angeles OPH approves the transaction, the status in IMS/PIC permanently changes to "Removed from Inventory (RMI)".

When the demolition/disposition is completed in its entirety, please submit a report to the HUD Los Angeles OPH confirming the action and certifying compliance with all applicable requirements. Auditable financial statements, expenditures and files for each transaction relative to the action must be maintained, available upon request and forwarded with the final report.

The HACLA must retain records of the SAC applications and its implementing actions of HUD’s approval of this SAC applications for a period of not less than 3 years following the last required action of HUD’s approval.

PIC and Monitoring – OPH

It is the Los Angeles OPH’s responsibility to monitor this activity based on its latest risk assessment. The Los Angeles OPH must review the relocation change request submitted by HACLA, within 10 business days, to ensure it is reasonable and it has no information that is inconsistent with the request (e.g. information from residents that relocation has started) and that the new estimated days to relocation is not past the Operating Fund subsidy revisions deadline in the first year of ARF eligibility. If the HACLA’s request is acceptable, notify SACTA@hud.gov via an email. The SAC will modify the days to relocation in the SAC application in IMS/PIC and email the HACLA notifying that change has been made. If the HACLA’s request is not acceptable (e.g. the requested new days to relocation is past the Operating Fund subsidy revisions deadline in the first year of ARF eligibility), the Los Angeles OPH will deny the request in writing.

The Los Angeles OPH must verify that the actual data is entered in IMS/PIC by the HACLA within seven days of demolition/disposition and final payment to ensure the Department is not overpaying operating subsidy and the Capital Fund formula data is correct.

When the PHA submits an Inventory Removal action in IMS/PIC, your Office will be notified seeking inventory removal approval via a PIC system generated email to your designated PIC coach or another person. Below is a sample notification email:

“Subject: Inventory Removal Submittal Notification (HA code)
Inventory removals have been submitted for approval by your office on [submission date] by [HA Code].”

When the above email is received, your Office is responsible for the review and approval or rejection of the PHA’s Inventory Removal submission within seven days.

The HUD Los Angeles OPH has been informed of this approval and its staff is available to provide any technical assistance necessary for your agency to proceed with the demolition and disposition.
As the HACLA start the process of implementation, I urge you to continue to maintain an open dialogue with your residents and local officials. If you have to modify your plans, please contact the SAC at SACTA@hud.gov. As always, my staff and I are available to assist you in any way possible.

Sincerely,

JANE HORNSTEIN

Section 3, Local Hire, Nondiscrimination and Equal Opportunity Requirements

1. Local Hire and Section 3 Requirements. The work to be performed under this Agreement is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. §1701u, as amended and the Section 3 regulations set forth in at 24 CFR Part 135 (collectively, “Section 3”). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, be directed toward low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low- and very low-income persons. With respect to hiring for pre-development, construction and post construction job opportunities, the Developer shall use good faith efforts to fulfill, to the greatest extent feasible, the local hiring and contracting minimum numerical targets pursuant to its Construction and Post Construction Local Hiring and Section 3 Contracting Plan, in accordance with Section 3, and negotiated in accordance with the Authority’s Section 3 Guide and Compliance Plan (“Section 3 Guide”), attached to this Exhibit as Attachment 1, by hiring Section 3-qualified residents, as more particularly described in Section 1.a below (“Section 3 New Hire Requirements”). The Developer shall also use good faith efforts to ensure to the greatest extent feasible that a minimum number of work hours performed on the Development shall be performed by Section 3 Residents (defined at 24 CFR section 135.5), as more particularly described at 1.a below (“Section 3 Work Hour Requirements”).

For purposes of this Exhibit, the term “Local Hiring Requirements” shall mean the Section 3 New Hire Requirements and Section 3 Work Hour Requirements. Construction and post construction job opportunities created as a result of the Development shall be interpreted consistent with the HUD Section 3 definitions of “Employment opportunities generated by Section 3 covered assistance” and “New Hire,” as set forth at 24 CFR section 135.5, and may include, without limitation, employment opportunities, whether part-time or full-time, and/or training or apprenticeship opportunities, and are expected to be available in a range of fields from administration to construction.

a. Section 3 New Hire and Section 3 Work Hour Requirements. The Developer agrees to meet the Section 3 New Hire Requirements such that, at a minimum, thirty percent (30%) of the new pre-development, construction, and post-construction job opportunities generated by the Development shall be set aside, to the greatest extent feasible, for Section 3 Residents (as defined in 24 CFR section 135.5). Pursuant to the Section 3 regulations, specifically 24 CFR section 135.34(a)(2), and notwithstanding the priorities set forth in Section III.E of the Section 3 Guide, the Developer shall meet the Section 3 New Hiring Requirements in the following order of priorities among eligible applicants competing for particular jobs; provided, that, notwithstanding the following priorities, the goals set forth herein may be satisfied with any combination of hires regardless of the priority of category such hires may fall within: (1) current residents of Rose Hill Courts, (2) qualified Section 3 Residents of the Northeast Los Angeles neighborhood, (3) participants in HUD’s Youthbuild programs in the City of Los Angeles; and (4) income qualified Section 3 Residents living in the City of Los
Angeles, all to the greatest extent feasible. Additionally, the Developer agrees to meet the Section 3 Work Hour Requirements such that, at a minimum, ten percent (10%) of total work hours performed on construction work on the Development shall be performed, to the greatest extent feasible, by Section 3 Residents, according to the hiring priorities set forth herein. The Developer shall include the Section 3 Hiring and Work Hour Requirements in all subcontracts and ensure compliance by its contractors, and subcontractors under its authority performing work related to the Development.

b. Section 3 and MBE/WBE Contracting Requirements. To meet Section 3 Business Concern Contracting Requirements, the Developer shall use good faith efforts to award to the greatest extent feasible at least (i) ten percent (10%) of the total dollar amount of building trades work for all construction contracts and (ii) three percent (3%) of the total dollar amount of all non-construction contracts to Section 3 Business Concerns, as such term is defined in the Section 3 Regulations. Furthermore, the Developer shall include the Section 3 Clause, set forth in 24 CFR Part 135.38 and attached to this Exhibit as Attachment 2, in all subcontracts and ensure compliance by its contractors and subcontractors under its authority performing work related to the Development. In addition, the Developer shall use good faith efforts to ensure to the greatest extent feasible that Small, Minority, Women’s, and Resident Business Enterprises participate in contracting and subcontracting, pursuant to the efforts attached to this Exhibit as Attachment 3.

2. Construction Local Hiring and Section 3 & MBE/WBE Contracting Plan. The Developer shall prepare a plan for meeting the Section 3 New Hire Requirements, Section 3 Work Hour Requirements, and the Section 3 and MBE/WBE Contracting Requirements described herein during the pre-development and construction phases of the Development (“Construction Local Hiring and Section 3 Contracting Plan”) which will include a Compliance Schedule for meeting its minimum numerical employment targets, including outreach, hiring and training, as well as Section 3 Business outreach and subcontracting. The Plan shall be submitted to the Authority for its reasonable approval prior to commencing work. The Construction Local Hiring and Section 3 Contracting Plan shall remain in effect until the Development achieves substantial completion.

a. Compliance. The Developer shall submit to the Authority’s Section 3 Compliance Administrator or designee (the “Compliance Administrator”) the Section 3 reporting forms required under the Section 3 Guide in accordance with the Reports Submission Schedule attached to this Exhibit as Attachment 4, unless otherwise mutually agreed to by the parties (the “Section 3 Reports”). Within forty-five (45) business days of receipt of complete and accurate Section 3 Reports, the Compliance Administrator shall notify the Developer of any actual deficiencies in meeting its hiring and subcontracting commitments that could lead to a declaration of default to afford the Developer a reasonable opportunity to cure. In the event of a reasonable determination by the Compliance Administrator that the Developer has failed to cure following a reasonable opportunity to do so, which in no event shall exceed forty-five (45) business days, in lieu of the penalties for noncompliance set forth in Article X.B of the Section 3 Guide, the Developer shall be subject to default penalties calculated as follows:

i. Failure to meet Section 3 New Hire Requirements: Penalties in the
amount of Forty-Five Dollars ($45.00) per person hour of the shortfall in Section 3 hiring (for example, if 3,000 person hours were expended on newly hired workers during the course of a given week for the Development, then of those 3,000 hours, 900 must be worked by Section 3 residents; if Section 3 residents worked only 600 hours, and the contractor did not demonstrate good faith compliance efforts to the satisfaction of the Authority, then penalties would be due in the amount of $45.00 multiplied by the 300-person-hour shortfall, or $13,500), assessed upon completion of the Development and payable to the Authority upon demand;

ii. In addition, penalties will be regarded by the Authority as poor past-performance and may be grounds for determining that a contractor is non-responsible and ineligible for award of future contracts.

The General Contractor’s compliance with the Construction Local Hiring and Section 3 Contracting Plan and achievement of HUD numerical goals will constitute good faith efforts and compliance with the applicable Local Hiring Requirements and Section 3 Contracting Requirements.

The Developer shall bear the cost of resources necessary to track compliance with Local Hiring and Section 3 Contracting Requirements incurred by the Authority by paying to the Authority a one-time fee of Forty Thousand Dollars ($40,000).

3. Post-Construction Local Hiring and Section 3 Plan. The Developer shall submit pursuant to the Ground Lease a post-construction plan (the “Post-Construction Local Hiring and Section 3 Contracting Plan”) for reasonable approval by the Compliance Administrator. The Post-Construction Local Hiring and Section 3 Plan shall be in effect immediately following expiration of the Construction Local Hiring and Section 3 Contracting Plan and shall last for the duration of the Ground Lease and shall cover all post-construction employment and Section 3 Business contracting opportunities generated by the Development.

a. Compliance. In order to provide a reasonable opportunity to cure any perceived or actual failures to meet the post-construction Local Hiring Requirements, Section 3 Contracting Requirements and Good Faith Efforts, the Developer shall submit to the Compliance Administrator on an annual basis the Section 3 reporting forms then-required and as applicable under the Section 3 Guide (the “Post-Construction Section 3 Reports”). Within forty-five (45) business days of receipt of complete and accurate Post-Construction Section 3 Reports, the Compliance Administrator shall notify the Developer of any actual deficiencies that could lead to a declaration of default to afford a reasonable opportunity to cure. In the event of a reasonable determination by the Compliance Administrator that the Developer has failed to cure following a reasonable opportunity to do so, which in no event shall exceed forty-five (45) business days, the Authority will pursue remedies available to it pursuant to this Agreement or other agreements between the Authority and the Developer. The penalties for noncompliance set forth in Article X.B of the Section 3 Guide do not apply to Post-Construction Local Hiring compliance.

4. The Local Hiring and Section 3 Contracting Requirements and reporting forms may be amended from time to time to remain in compliance with regulatory changes as adopted by the U.S. Department of Housing and Urban Development (“HUD”), but only to the extent
reasonably required by HUD.

5. Notwithstanding anything to the contrary contained in these Local Hire and Section 3 Requirements, exercise of good faith efforts to comply, to the greatest extent feasible, with the numerical targets set forth herein for the pre-development, construction, and post-construction phases of the Development will constitute satisfaction of all obligations hereunder regardless of whether such numerical targets are actually achieved. Efforts which demonstrate good faith include, but are not limited to, those stated in Section III.D. of the Section 3 Guide, attached to this Exhibit as Attachment 1.

ROSE HILL COURTS PHASE I
CONSTRUCTION LOCAL HIRING AND SECTION 3 CONTRACTING PLAN

Introduction & Commitment

R.D. Olson Construction ("RDO") is committed to the success of the Rose Hill Courts Phase I ("Project") Section 3 and Local Hiring goals as set forth in the Housing Authority of the City of Los Angeles (HACLA)'s Section 3 Guide and Compliance Plan and related agreements between Related and HACLA. The Construction Local Hiring and Section 3 Contracting Plan (Section 3 Plan) will be overseen by Rose Hill Courts I Housing Partners, L.P. ("Owners"). The Owner will be responsible for monitoring RDO’s Section 3 progress and achievements.

RDO agrees to meet the Section 3 New Hire Requirements such that, at a minimum, thirty percent (30%) of the new construction job opportunities generated by the Project will be set aside, to the greatest extent feasible, for Section 3 Residents (as defined in 24 CFR section 135.5). Pursuant to the Section 3 regulations, specifically 24 CFR section 135.34(a)(2), and notwithstanding the priorities set forth in HACLA’s Section 3 Guide

RDO will meet the Section 3 New Hiring Requirements in the following order of priorities among eligible applicants: (1) current residents of Rose Hill Courts (P1), (2) qualified Section 3 Residents of the Northeast Los Angeles neighborhood (P2), (3) participants in HUD’s YouthBuild programs in the City of Los Angeles (P3); and (4) income qualified Section 3 Residents living in the City of Los Angeles (P4), all to the greatest extent feasible.

Additionally, RDO agrees to meet the Section 3 Work Hour Requirements such that, at a minimum, ten percent (10%) of total work hours performed on the Project will be performed, to the greatest extent feasible, by Section 3 Residents, according to the hiring priorities set forth by HACLA. RDO will include the Section 3 Hiring and Work Hour Requirements in all subcontractor contracts and will ensure compliance by its subcontractors and all parties under its authority performing work related to the Project.

To meet Section 3 Business Concern Contracting Requirements, RDO will, to the “greatest extent feasible,” award at least ten percent (10%) of the total dollar amount of building trades work for the Work under the General Contract (dated XX/XX/2021) to Section 3 Business Concerns, as such term is defined in the Section 3 Regulations. Furthermore, RDO will include the Section 3 Clause, set forth in 24 CFR Part 135.38, in all subcontractor contracts and will ensure compliance by its subcontractors and all parties under its authority performing work related to the Project. RDO will use good faith efforts to ensure to the greatest extent feasible that Small, Minority, Women’s, and Resident Business Enterprises participate in contract and subcontracting.

RDO acknowledges that Section 3 enterprises are businesses that can provide evidence that meet one of the following criteria: (1) 51 percent or more owned by Section 3 residents, or were Section 3 residents within three years of the date of first hire; or (2) At least 30 percent of its full time employees include persons that are currently Section 3 residents, or were Section 3 residents within three years of the date of first hire; or (3) Provides evidence, as required, of a commitment to subcontract in excess of 25 percent of the dollar award of all subcontracts to business concerns that meet one of the first two qualifications above.

Approved: 04/01/2021
R.D. Olson Outreach Plan & Implementation

R.D. Olson has contracted with Labor Compliance CA, LLC (“LCCA”), a HUD Registered Section 3 business concern and is a sister company to TPM Labor Compliance Services, to implement the below plan. LCCA’s local hire coordinator (“Coordinator”) for the Rose Hills Court Phase I is Frank Marsala. The Coordinator has extensive experience with targeted hiring on HACLA’s redevelopment of the Dana Strand and Jordan Downs properties.

The following section will describe RDO’s Outreach Plan & Implementation process:

1. **Meet with HACLA staff to confirm their goals, requirements and attend a local hire orientation:** RDO will meet with HACLA Section 3 staff to review and confirm the Project’s Section 3 and Local Hire requirements.

   RDO intends to work with HACLA’s Watts WorkSource Center and the Northeast Los Angeles WorkSource Center to ensure that the Rose Hill Courts residents, Northeast Los Angeles residents, Youth Build participants and other Section 3 Residents in the City of Los Angeles are informed about the Project and its employment opportunities at the Project site.

2. **Identify hiring requirements at the subcontractor preconstruction conference process:** Assessing upfront employment needs begins at the subcontractor preconstruction conference. The Coordinator will distribute HACLA Section 3 Form 1: Declaration of Understanding, Form-2: Section 3 Business Concern Certification, and Form-4: Section 3 Economic Opportunities Plan to all prospective subcontractors.

   At the preconstruction / post award conference the Project’s Section 3 and Local Hire goals will be conveyed in writing and presented to the prospective bidders. Section 3 forms, along with a Section 3 Goals presentation, will be provided to the subcontractors, followed by a Q & A session. The Coordinator will present the material using HACLA’s Section 3 resources.

   Forms 1, 2, & 4 will be collected and submitted to RDO’s contracting team to establish selection of best fitted subcontractors for Section 3 goal attainment.

3. **Jobs forecasting assessment:** An assessment will be created based upon the subcontractors’ Form-4. A summary worksheet will be submitted to RDO’s project management team that identifies the number of positions required for each company to fulfill the contracted work scope. The intent is to evaluate the prospective bidder’s HR processes from field staff to backend administration.

4. **HACLA, WorkSource Centers, and Neighborhood Outreach:** Coordinator will establish relationships with the Northeast Los Angeles WorkSource Center, HACLA Watts Los Angeles WorkSource Center, and HACLA Section 3 Representative. The Coordinator will introduce job opportunities with the WorkSource centers and will collaborate on recruitment processes. The Coordinator will tap into the existing client/job databases to help merge existing resource capabilities to the Project job opportunities. The Coordinator will also share the approved HACLA Section 3 and Local Hire Commitment Plan accordingly.
Upcoming job opportunities will be posted at the jobsite and information flyers will be distributed to the WorkSource Centers to inform Section 3 residents of potential job opportunities. Additionally, flyers will be posted on the Project’s Facebook page maintained by the Owner.

5. **LocalHIRE.us Platform:** LocalHIRE.us is a proprietary website that will be used by the Coordinator to present Project information, post job opportunities, and collect a list of prospective candidates. The primary purpose of LocalHIRE.us is to connect qualified local area residents to construction employment opportunities, including those who may face barriers to employment.

LocalHIRE.us has database capabilities that establish an online job opportunity list for both job seekers and for RDO’s subcontractor base. Prospective job seekers identify their construction skillsets and provide their contact information for the Coordinator to follow-up. The LocalHIRE.us job seekers will be contacted and an on-line meet & greet will be held.

The meet and greet sessions will be hosted by the Coordinator and the LocalHIRE.us applicants will be briefed on the HACLA WorkSource Center / Northeast LA WorkSource Center process for HACLA list placement. The data collected will be shared with the WorkSource Centers and HACLA for further vetting before the list is provided to the subcontractors seeking Section 3 local workers.

As subcontractors are awarded contracts, the Coordinator will review Form 4 to identify specific trades performed by these contractors and their hiring needs. The Coordinator will work with subcontractors to determine hiring requirements for job posts. The Coordinator will convey all job posts to HACLA Section 3 Representative, HACLA Watts WorkSource Center & Northeast LA WorkSource Center.

6. **Placement of Qualified Workers and Section 3 Local Subcontractors:** Coordinator will work with RDO to assist with its Section 3 contracting obligation. RDO will negotiate in good faith with Section 3 Businesses and will not unjustly reject bids prepared by any firm. RDO will review contract scopes of work for the purpose of subcontracting with Section 3 firms. Where possible, RDO will break out contract work items into economically feasible units to facilitate Section 3 participation based upon the subcontractor’s qualifications, workforce composition, bonding and insurance capacities.

Coordinator will assist RDO with the pre-construction on-boarding conferences to ensure subcontractors fully understand their obligation to comply with Section 3 Business subcontracting requirements. RDO and Coordinator will require selected subcontractors, at every tier, to submit specific Section 3 hiring and subcontracting commitments prior to work commencement.

Coordinator will assist selected first tier subcontractors in identifying lower tier Section 3 firms to help meet the Section 3 Business contracting goals. Follow-up meetings will also be held with subcontractors on an as-needed basis to assist with preparing reports and other related project documents.

LCCA will track employment hiring and work with contacts at the HACLA’s Watts WorkSource Center and Northeast LA WorkSource Center to see what economic on-the-job training funds may be available to help subcontractors with training and equipment needs through workforce investment funds. Additionally, LCCA will work close with HACLA Section 3 Representative and the HACLA Watts WorkSource Center to identify P1, P2, and P4 candidates. Our Section 3 coordinator will work with
the Northeast Los Angeles WorkSource Center to identify P2 candidates that will be reverse referred back to HACLA for vetting and preparation for job placement.

Our Section 3 coordinator will collaborate with HACLA’s Watts WorkSource Program Director and Workforce Development Specialist, to identify pre-existing lists of community-based pre-apprenticeship candidates for P3 recruitment. An additional P-3 outreach engagement will be established in consultation with CCEO YouthBuild to determine viable resources for YouthBuild prospective participation. Subcontractors will receive YouthBuild documentation for employment consideration.

7. **Good Faith Effort Documentation**: RDO will provide a complete good faith effort package at the end of the project with copies of all Section 3/SBE/MBE/WBE Business names, contact persons, addresses, phone numbers, and dates of all Section 3/SBE/MBE/WBE Businesses that were solicited for the project or have submitted inquiries. Copies of solicitation letters and faxes will be included as a part of the Form-4: Section 3 Economic Opportunity Plan. All solicitation letters, telephone logs, follow-up contacts, and responses received from Section 3 Businesses and organizations will be documented.

The exercise of good faith efforts to comply, to the greatest extent feasible, with the numerical targets set forth herein for the construction of the Project will constitute satisfaction of all obligations hereunder regardless of whether such numerical targets are actually achieved.

8. **Section 3 Hiring Review Meetings**: Coordinator and RDO will meet internally and periodically to review the plan and hiring goals. These meetings will cover areas of success and improvement to the existing plan. Hiring processes, subcontractor participation, and WorkSource Center feedback will be covered. Each meeting will be geared towards providing the construction team with a report on progress of employment opportunities and job fulfillments.

9. **Reporting Data Preparation & Compliance Reporting**: LCCA will monitor, track, and prepare required reports using certified payroll reports and applicable Section 3 forms. Coordinator will work with HACLA to pull job creation data and placements. Coordinator will draft reports for RDO/Owner’s review and submit to HACLA’s Section 3 Compliance Administrator via email as required below:

- **Contractor/Subcontractor HACLA Reports**: Forms 1, 2, 3, 4, & 6 will be processed at time of contracting.
  - Form 1, 2, 4 – Will be submitted by subcontractors prior to contract execution. Form 4 will clearly state new hires committed.
  - Form 6 – Will be submitted to HACLA for assistance in referring Section 3 residents. When feasible, the job order will be submitted to HACLA 10-14 days prior to start date so HACLA will have enough time to recruit, refer and allow sub to conduct interviews.
  - Form 3 – Once a Section 3 resident is hired, the employee and employer will complete the form, which will be submitted to HACLA.
- **Monthly Report**
  - Form 5 – Monthly reporting form for subcontractors. Since these reports are cumulative, the subs will add additional data each month. Subs who do not perform during a reporting month will not submit this form. While HACLA does not necessarily require Form 5 to be submitted on a monthly basis, RDO will use to prepare monthly report. HACLA will request only the final Form 5 from the subs upon completion.
  - RDO monthly updates on project progress.
• **Quarterly Report** – RHC Section 3 Compliance Report Form (in excel format) will be submitted to HACLA on a quarterly basis. This is a cumulative report, hence each report will have updated numbers.

• **Project Closeout** – Final Section 3 Compliance Report and support documentation of efforts made will be submitted at the end of construction.

SECTION 3 GUIDE AND COMPLIANCE PLAN

I. INTRODUCTION

A. Section 3 Regulation

Section 3 of the Housing and Urban Development Act of 1968 (codified at 12 U.S.C. 1701u and implemented at 24 CFR Part 135, hereinafter, "Section 3"), as amended, requires that economic opportunities generated by the receipt of certain funding from the U.S. Department of Housing and Urban Development ("HUD") for housing and community development programs shall, to the greatest extent feasible, be given to low and very low income persons, particularly those who are recipients of government assistance for housing, and to businesses that provide economic opportunities for these persons (collectively, “Section 3 Beneficiaries”).

B. HACLA Policy

It is the intent and policy of the Housing Authority of the City of Los Angeles (“HACLA”) to fully comply with Section 3 and to require its Contractors undertaking contracts to which Section 3 applies to demonstrate good faith effort to comply, to the greatest extent feasible, with Section 3 and the responsibilities described under this Section 3 Guide and Compliance Plan (this “Plan”) by providing economic opportunities to Section 3 Beneficiaries.

C. Applicability

The requirements set forth in this Plan arise when HACLA utilizes Section 3 Covered Assistance for a Section 3 Covered Project or Section 3 Covered Contract, as those terms are defined here. HACLA reserves the right to impose upon Contractors requirements that go beyond the requirements of Section 3 and this Plan when deemed in the best interest of HACLA.

D. Purposes of this Guide and Compliance Plan

The purpose of this Plan is to assist Contractors in understanding their Section 3 obligations so that they can be successful in meeting these responsibilities. This purpose is accomplished through the guidance and instruction provided in the Plan, in other Section 3 materials and publications provided by HACLA, and assistance provided by HACLA’s Section 3 Compliance Administrator. HACLA has developed and continues to develop programs and procedures, all as necessary to implement this Plan in order to realize the goals of Section 3. This Plan shall remain in effect for so long as it remains consistent with federal regulations or until changed by HACLA.

E. Part 135 Amendments and Conflicts

Amendments to 24 CFR Part 135 shall apply to this Plan as of the effective date of the updated regulation. Where provisions of this Plan conflict with 24 CFR Part 135, the latter shall prevail.
II. DEFINITIONS

The following terms used throughout this Plan have the following assigned meanings.

“Contractor” means any person or entity that enters into a contract with HACLA, and includes the plural form “Contractors.” When referred to collectively as Contractor/Subcontractor and its plural form, Contractors/Subcontractors, the term means both the Prime Contractor and any of its Subcontractors engaged under a Section 3 Covered Contract. Contractor also refers to service providers, vendors and developers.

“HACLA” means the Housing Authority of the City of Los Angeles.

“HUD” means the United States Department of Housing and Urban Development.

“IFB” means an Invitation for Bids, which is a procurement methodology that typically awards a contract to the lowest cost bidder, provided that the bidder meets certain minimum criteria.

“Los Angeles Metropolitan Area” means the metropolitan statistical area (MSA) established by the Office of Management and Budget as the Los Angeles-Long Beach-Glendale Metropolitan Area.

“Metropolitan Area” means a metropolitan statistical area established by the Office of Management and Budget, and includes its plural form “Metropolitan Areas.”

“New Hire” means a full-time employee hired on a permanent, temporary or seasonal basis as a direct result of a Contractor’s/Subcontractor’s contractual obligation in connection with a Section 3 Covered Project, and includes its plural form “New Hires.” An employee who was on a Contractor’s/Subcontractor’s payroll on or prior to award of the Section 3 Covered Contract shall not be counted towards the Contractor’s/Subcontractor’s numerical goals under Section III.B herein.

“Nonmetropolitan county” means any county outside of a Metropolitan Area.

“Section 3 Beneficiaries” refers, collectively, to Section 3 Business Concerns and Section 3 Residents.

“Section 3 Business Concern” means a business entity authorized to engage in the type of business activity for which it was formed, and which satisfies one or more of the following criteria: (i) at least fifty-one (51) percent of the business is owned by one or more Section 3 Residents; (ii) at least thirty (30) percent of its permanent, full-time employees include persons who are currently Section 3 Residents, or were Section 3 Residents within three (3) years of the date such persons were first employed with the business; or (iii) a business that provides HACLA sufficient evidence of its commitment to subcontract more than twenty-five (25) percent of the dollar award of all subcontracts awarded under a Section 3 Covered Contract to Section 3 Business Concerns.
“Section 3 Covered Assistance” means financial assistance received from HUD or any other federal agency, receipt of which triggers the obligations that arise under Section 3.

“Section 3 Covered Contract” means a contract entered into directly with HACLA or a subcontract (including a professional service contract) awarded to a Contractor for work generated by the expenditure of Section 3 Covered Assistance, or for work arising in connection with a Section 3 Covered Project, and includes its plural form, “Section 3 Covered Contracts.” It also includes contracts that HACLA has deemed subject to Section 3, as authorized herein.

“Section 3 Covered Project” means a project funded using Section 3 Covered Assistance and includes construction related projects involving the construction, reconstruction, conversion or rehabilitation of housing (including reduction and abatement of lead-based paint hazards), and the construction and reconstruction of buildings and improvements and non-construction related projects. It also includes contracts that HACLA has deemed subject to Section 3, as authorized herein.

“Section 3 Resident” means: (i) public housing resident or (ii) a low or very low income person who lives in the Los Angeles Metropolitan Area of the Section 3 Covered Project and who has a household income that does not exceed HUD’s income limits, as described in the most current version of HUD’s Income Eligibility Guidelines. Current income limits may be accessed on HACLA’s website at www.hacla.org/s3residentresources and on HUD’s link at http://portal.hud.gov/hudportal/HUD?src=/program_offices/fair_housing_equal_opp/section3/section3.

“Subcontractor” means any person or entity (other than a person who is an employee of the Contractor) that contracts with a Prime Contractor on a Section 3 Covered Project, and includes its plural form “Subcontractors.” When referred to collectively as Contractor/Subcontractor and its plural form, Contractors/Subcontractors, the term means both the Prime Contractor and any of its Subcontractors engaged under a Section 3 Covered Contract.

III. GOALS

The goals set forth in this section apply to all Section 3 Covered Contracts awarded by HACLA in any fiscal year.

A. HACLA’s Numerical Goals

1. HACLA shall, to the “greatest extent feasible,” provide economic opportunities to Section 3 Beneficiaries.

2. Under HUD regulations, HACLA may satisfy the “greatest extent feasible” requirement by meeting these numerical goals:

   a. At least 30% of the aggregate number of New Hires to be directed to Section 3 Residents.
b. At least ten percent (10%) of the total dollar amount of all contracts awarded by HACLA for building trades work for maintenance, repair, modernization or development of public housing, or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction related Section 3 Covered Contracts should be awarded to Section 3 Business Concerns.

c. At least three percent (3%) of the total dollar amount of all nonbuilding trades work related Section 3 Covered Contracts awarded by HACLA should be awarded to Section 3 Business Concerns.

B. Contractor Numerical Goals

1. Contractors employed on Section 3 Contracts shall, to the greatest extent feasible, provide economic opportunities to Section 3 Beneficiaries.

2. In accordance with Section 3 regulations, Contractors may satisfy the “greatest extent feasible” requirement by meeting these numerical goals:

   a. Contractors employed under a Section 3 Covered Contract are expected to achieve an employment level of thirty percent (30%) of all New Hires to be Section 3 Residents and to maintain this percentage throughout the life of the contract. This is HACLA’s preferred method for Contractors to meet their Section 3 obligations. The employment should be meaningful, but it need not be related to the scope of services covered under the contract.

   b. At least ten percent (10%) of the total dollar amount of all Contractor subcontracts awarded by Contractor in connection with building trades work for maintenance, repair, modernization or development of public housing, or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction related Section 3 Covered Contracts should be awarded to Section 3 Business Concerns.

   c. At least three percent (3%) of the total dollar amount of all Contractor subcontracts awarded by Contractor in connection with nonbuilding trade work related Section 3 Covered Contracts should be awarded to Section 3 Business Concerns.

C. Providing Other Economic Opportunities

1. Contractors who are unable to offer training and/or employment opportunities to Section 3 Residents may offer other economic opportunities directed at Section 3 Resident upward mobility and self-sufficiency, such as offering scholarships, and sponsoring enrollment into apprenticeship programs, mentorship programs, and internships.

2. Contractors who are unable to provide subcontracting opportunities to Section 3 Business Concerns may provide and promote mechanisms to create economic opportunities directed at Section 3 Business Concerns, such as scaling of work for purchase of supplies or materials, and/or providing Section 3 Business Concerns with tools to enable them to successfully compete for contracting opportunities, such as bonding and insurance assistance.
D. Contractor Good Faith Efforts

1. Contractors may demonstrate good faith efforts to offer training and employment opportunities to Section 3 Residents by taking such actions as:

   a. Promptly notifying HACLA about training opportunities and available employment positions, including job descriptions;

   b. Utilizing HACLA’s Section 3 Resident Registry to identify job ready Section 3 Residents and informing qualified residents of training opportunities and available employment positions;

   c. Advertising training opportunities, and available employment positions in local media outlets and on appropriate social media platforms;

   d. Prominently displaying a notice of Section 3 commitments and available employment opportunities at the project site and other appropriate places within the project site, such as where applications for training and employment are taken;

   e. Advertising available training opportunities and employment positions by distributing flyers that identify the positions to be filled, the qualifications required, and where to obtain additional information about the application process, to every occupied dwelling unit in one or more of HACLA’s housing developments and posting copies of the flyer in the development’s common areas, including at the community center, the management office and the computer lab as applicable;

   f. Contacting Resident Advisory Councils (RACs) and other resident organizations to inform them of training and available employment positions;

   g. Contacting agencies administering Los Angeles County YouthBuild Programs, and requesting their assistance in recruiting LA County YouthBuild Program participants for training opportunities and employment positions;

   h. Consulting with state and local agencies administering training programs, such as those funded through Workforce Investment Act, unemployment compensation programs, community organizations and other officials or organizations to assist with training and recruiting Section 3 Residents for employment positions;

   i. Developing on the job training opportunities;

   j. Keeping a list of Section 3 Residents who apply directly or by referrals for the available jobs;

   k. Contacting local job training centers, worksource centers, and community organizations to inform them of training opportunities, available employment positions and subcontracting opportunities;

   l. Working with labor organizations to set up a Project Labor Agreement (PLA) if feasible, or making similar arrangements for dispatching and training of Section 3 Residents in
order of hiring priority;

m. Sending to labor organizations or representatives of workers with whom the Contractor/Subcontractor has a collective bargaining agreement or understanding, a notice of its Section 3 project commitments; and

n. Utilizing resources and methods identified in the Appendix to 24 CFR Part 135 I.

2. Contractors may demonstrate efforts to inform and award contracts to Section 3 Business Concerns by taking such steps as:

a. Contacting businesses listed in HACLA’s registry of certified Section 3 Business Concerns to inform them of subcontracting opportunities (see www.hacla.org/forms);

b. Contacting Metropolitan Area businesses listed in HUD’s registry of certified Section 3 Business Concerns to inform them of subcontracting opportunities (see https://portalapps.hud.gov/Sec3BusReg/BRegistry/SearchBusiness);

c. Advertising subcontracting opportunities through trade association publications, local media outlets, on appropriate social media platforms, and at the project site;

d. Notifying business associations, business assistance centers, and other community organizations of contracting opportunities and requesting their assistance in identifying Section 3 Business Concerns to solicit bids or proposals;

e. Establishing or sponsoring programs designed to assist Section 3 Business Concerns to enable them to participate in subcontracting opportunities; and

f. Utilizing resources and methods identified in the Appendix to 24 CFR Part 135 II.

3. Contractors who fail to meet these Section 3 numerical goals have the burden of demonstrating, to HACLA’s satisfaction, the reason why compliance was not feasible by providing HACLA with documentation of good faith efforts taken and barriers encountered.

E. Preference for Section 3 Residents in Training and Employment Opportunities

1. In accordance with the guidelines set forth at 24 CFR Part 135.34, unless otherwise provided therein, Contractors performing work under Section 3 Covered Contracts shall direct their efforts to provide, to the greatest extent feasible, new training and employment opportunities to Section 3 Residents in the following order of priority:

a. First priority (P1): Individuals residing in the HACLA owned or managed public housing development where the Section 3 Covered Project is being performed.

b. Second priority (P2): Individuals residing in other HACLA owned or managed public housing developments.
c. Third priority (P3): Other residents of Los Angeles County who are participants of HUD Youth Build Programs being carried out in within the Los Angeles Metropolitan Area or Nonmetropolitan county in which the Section 3 covered assistance is expended.

d. Fourth Priority (P4): Other Section 3 Residents.

IV. SECTION 3 FUND CONTRIBUTIONS

A. Purpose of Fund

HACLA has established a Section 3 Fund to permit Contractors to contribute funding for programs that generate economic and employment opportunities for Section 3 Residents, where the Contractor has demonstrated to HACLA’s satisfaction, that compliance with Section 3 requirements for hiring, subcontracting and providing other economic opportunities is not feasible. Contractor contributions to the Section 3 Fund are considered an option of last resort, as HACLA’s preferred method for Contractors to meet their Section 3 obligations is to satisfy their numerical goals, as expressed herein. HACLA does not accept Contractor contributions to the Section 3 Fund in lieu of compliance with Section 3 or this Plan.

B. Participation in Fund

1. Contractors who, prior to contract award, are unable to satisfy their numerical goals despite demonstrating good faith efforts as outlined above, may, at HACLA’s election, be required to contribute to the Section 3 Fund.

2. Contractors who, following contract award, are unable to satisfy their Section 3 commitments as set forth in their Economic Opportunity Plan (“EOP,” described below) may, at HACLA’s election, be permitted to contribute to the Section 3 Fund and avoid the penalties for default described in section X.B herein, provided the Section 3 Compliance Administrator finds Contractor’s lack of compliance is due to extraordinary circumstances and not due to the Contractor’s lack of good faith compliance efforts or Contractor’s failure to exhaust all feasible alternatives for compliance.

C. Contribution Requirements

1. For construction related Section 3 Covered Projects, Contractor contributions to the Section 3 Fund shall be equal to the lesser of three percent (3%) of (i) the total contract amount plus any modifications, or (ii) the actual dollar amount spent by HACLA under the contract.

2. For non-construction related Section 3 Covered Projects, Contractor contributions shall be equal to the lesser of three percent (3%) of (i) the total contract amount plus any modifications, or (ii) the actual dollar amount spent by HACLA under the contract.

3. Section 3 Fund contributions are based solely on net amount paid to Contractor, excluding shipping fees and taxes. All expenses authorized under the contract, including license fees, labor and materials costs, are subject to Section 3 Fund contribution calculations.
D. Payment Options

1. For construction related Section 3 Covered Projects with contracts of up to one (1) year, Contractors have the option of making contributions in a single up-front payment or making payments on a periodic basis following the receipt of contract payments from HACLA, provided such periodic payments must be in amounts of no less than three percent (3%) of the amount HACLA paid the Contractor for a particular installment.

2. For all contracts exceeding one (1) year, Contractors have the option of making contributions (i) in a single up-front payment at contract commencement based upon the subject year’s contract award value, (ii) in periodic payments of three percent (3%) or greater of each payment received from HACLA, or (iii) at the end of the contract year based upon the actual dollar amount spent by HACLA under the contract for that particular year.

3. Contractors making their Section 3 Fund contribution at the end of contract year shall submit payment in full within thirty (30) days after the receipt of HACLA’s final or year-end payment under the contract.

4. Section 3 Fund contributions for contracts terminated before the contract year end term shall be paid in full at the time of termination.

E. Voluntary Contributions

Contractors may contribute to the Section 3 Fund in discretionary amounts in addition to satisfying their Section 3 obligations.

F. Use of Section 3 Fund Proceeds

1. Section 3 Funds shall only be used by HACLA to further the purpose of Section 3, which are to provide economic and employment opportunities to Section 3 Residents.

2. In support of the purposes of Section 3 and in furtherance of this Plan, Section 3 Funds shall be used for job training, education and employment service programs that are specifically directed at assisting Section 3 Residents find meaningful employment. Such programs include, but are not limited to:
   
   a. Occupational/trade training programs that provide Section 3 Resident trainees with individualized support to enhance social, vocational and developmental skills; and
   
   b. HACLA-approved apprenticeship training programs and HACLA-approved pre-apprenticeship training programs designed to prepare Section 3 Resident trainees to enter into and succeed in an approved apprenticeship program.

3. Programs awarded Section 3 Funds will be carefully monitored to ensure effective use and quality of services.
V. SECTION 3 BUSINESS CONCERNS

A. Bid Preference

1. HACLA has adopted a bid preference for Section 3 Business Concerns when awarding Section 3 Covered Contracts utilizing the Invitation for Bids (“IFB”) method of soliciting construction and maintenance activities. The bid preference does not apply to materials-only contracts, service contracts or contracts that are procured without the use of federal funds.

2. The bid preference requires that the IFB be awarded to the qualified Section 3 Business Concern with the lowest responsive and responsible bid and highest priority ranking if that bid meets the criteria set forth in the following Bid Preference Table:

<table>
<thead>
<tr>
<th>When the lowest responsive bid is:</th>

B. Designation as a Section 3 Business Concern

1. Business owners seeking HACLA’s designation as a Section 3 Business Concern must submit a Section 3 Business Certification Form (to be provided by HACLA) in their bid/offer package, along with required supporting documentation.

2. Where a business entity is certified by HACLA as a Section 3 Business Concern based on its ownership interest (i.e., at least fifty-one percent (51%) of the business is owned by one or more Section 3 Residents) or the percentage of employees who are or were Section 3 Residents at the time of contract award (i.e., at the time of award, at least thirty percent (30%) of its permanent, full-time employees include persons who are currently Section 3 Residents, or were Section 3 Residents within three (3) years of the date such persons were first employment with the business), the certification is valid for three (3) years.

3. Where a business entity is certified by HACLA as a Section 3 Business Concern based on its commitment to subcontract more than twenty-five percent (25%) of the dollar award of all subcontracts awarded under a Section 3 Covered Contract to Section 3 Business Concerns, HACLA’s certification of the business is valid for the term of the business’ Section 3 Covered Contract.
4. HACLA reserves the right but is not compelled to accept a Contractor’s/Subcontractor’s certification as a Section 3 Business Concern approved by another governmental entity.

5. Certification as a Section 3 Business Concern does not relieve Contractors from their Section 3 obligations, including the achievement of their numerical goals. All Section 3 Business Concerns are required to demonstrate compliance with Section 3 and this Plan.

VI. SECTION 3 RECRUITMENT AND NEW HIRES

Contractors are expected to make good faith efforts to achieve the numerical goals outlined at Section III.B herein, following the Section 3 Resident priority preferences set forth at Section III.E herein. This section provides guidance for the recruitment of New Hires, including New Hires who are Section 3 Residents.

A. Recruitment Efforts

1. HACLA maintains a database of employment-ready Section 3 Residents who meet certain minimum qualifications for various categories of employment. Upon receipt of a completed Section 3 Job Order Form from Contractor/Subcontractor, HACLA will provide referrals of qualified candidates from the database. When reasonably possible, Contractors are expected to provide HACLA with the Section 3 Job Order Form well in advance of project commencement.

2. Upon receipt of a Section 3 Job Order Form, HACLA will refer qualified candidates for interviews for each available position. Contractors are expected to give each New Hire candidate full consideration for available positions.

3. Independent of HACLA’s efforts and referrals, Contractors shall engage in independent employment recruitment efforts following the Section 3 Resident priority preferences set forth at Section III.D herein using the methods and resources identified at Section III.C and others as applicable.

4. Contractors shall submit to HACLA their interview notes, including reasons for denial of employment or training opportunity and any follow up actions to be taken to assist the Section 3 Resident in the future, as applicable.

B. Section 3 Resident New Hires

1. All Section 3 Resident New Hires shall be employees of the Contractor and shall have all the protections afforded to employees under state, federal and local laws. Contractors are expected to impose the same hiring requirements and personnel rules and policies upon Section 3 Resident New Hires as are imposed upon their other employment candidates and employees.

2. Contractors are required to report to HACLA within two (2) business days of hiring Section 3 Residents and shall provide to HACLA a completed Section 3 Resident Certification Form (to be provided by HACLA) for each Section 3 Resident New Hire.
C. Apprenticeship Programs

1. Contractors who employ apprentices to satisfy their numerical goals are required to utilize appropriate apprenticeship programs approved by the federal Department of Labor (“DOL”).

2. Contractors who employ apprentices on construction projects that are subject to the Davis-Bacon Wage Act are required to adhere to all legal requirements for wage rates and ratios of apprentices to journeymen set forth therein.

3. For each apprentice employed on a project, Contractors shall, prior to contract commencement, submit to HACLA apprentice certificates issued by the Department of Labor.

D. Limitations

Contractors/Subcontractors retain the sole discretion and control over any hiring and personnel decisions. HACLA cannot and will not exercise any control over any of the Contractors’ or Subcontractors’ employees, including New Hires, regardless of whether they were referred by HACLA or are Section 3 Residents.

E. Documented Efforts

Contractors shall document efforts taken to recruit and interview Section 3 Residents for hire and shall, upon reasonable request, provide HACLA with documentation that demonstrates such efforts, including interview notes, which shall include reasons for denial of employment or other actions as applicable.

F. Lack of Compliance

A Contractor’s failure to satisfy the requirements of this section may result in HACLA’s determination that the Contractor has failed to demonstrate good faith efforts to comply with the requirements of Section 3 and this Plan, and may subject Contractor to the penalties for default described in section XI.B herein, which include monetary fines and debarment.

VII. REQUIRED SUBMISSION DOCUMENTS

A. Section 3 Economic Opportunity Plans

1. All Contractors awarded a Section 3 Covered Contract and their Subcontractors shall prepare an Economic Opportunity Plan (“EOP”), which provides HACLA a “snapshot” of Contractors’ and Subcontractors’ current workforce, anticipated workforce to complete the project, subcontracting needs and efforts to generate economic opportunities in compliance with Section 3 and this Plan. The specific requirements of the EOP will be included in HACLA’s solicitation for the work.

2. Unless the solicitation specifies otherwise, a Contractor’s EOP shall be submitted to HACLA with Contractor’s bid/offer package. Bids/Offeres submitted by Contractors without an EOP, when required, will be rejected as non-responsive and will not be considered for contract award.
3. Unless the solicitation specifies otherwise, a Subcontractor’s EOP shall be submitted to HACLA prior to commencement of the contract.

4. EOP commitments will be incorporated into the contract. Contractors are responsible for incorporating their EOP commitments in any subcontracts it awards for the contract work.

5. Failure on the part of Contractor/Subcontractors to meet the commitments set forth in Contractor’s EOP may subject Contractor to the penalties for default described in Section X.B herein, including a determination that the Contractor is in material default of the contract.

B. Declaration of Intent to Comply with Section 3 Regulations

1. In addition to the EOP, Contractors awarded a Section 3 Covered Contract and their Subcontractors shall complete a Declaration of Intent to Comply with Section 3 Regulations form (to be provided by HACLA), which shall be submitted with Contractor’s bid/offer package, unless the solicitation specifies otherwise.

2. Bids/Offers submitted by Contractors without completed Declarations, when required, may be rejected as non-responsive and will not be considered for contract award.

C. Section 3 Compliance Summary Report

1. Contractors shall, upon HACLA’s request, provide periodic reports using the Section 3 Compliance Summary Report form (to be provided by HACLA). The report shall include information about New Hires, business subcontracting and supporting documents that reflect Contractor/Subcontractor good faith efforts to satisfy Section 3 requirements and fulfil its Section 3 commitments.

2. HACLA reserves the right to request from Contractor additional compliance documents to support data reported in the Section 3 Compliance Summary Report, and to request such other documents as HACLA deems necessary for clarification and proof of efforts.

VIII. DEVELOPMENT AND REDEVELOPMENT PROJECTS

In recognition that large-scale development and redevelopment projects (i) present a unique opportunity to generate employment and job training opportunities for Section 3 Residents, and (ii) typically involve mixed funding which may impose hiring priorities that differ from those specified in this Plan, HACLA’s Board of Commissioners adopts the following exceptions and requirements for Section 3 Covered Projects that are procured in connection with large-scale development and redevelopment projects that are subject to the Board’s approval.

A. Priorities and Commitments

1. The project’s master development agreement, disposition and development agreement, or similar agreement between HACLA and the developer, may, consistent with 24 CFR Part 135.34, reflect priorities for training and employment opportunities that differ from those
2. The developer is responsible for submitting to HACLA a detailed Section 3 Economic Opportunity Plan that details its approach, methods and resources to be used to meet and/or exceed HUD numerical goals.

3. The developer’s specific, negotiated Section 3 commitments shall be made applicable to developer’s Contractors, Subcontractors and all other businesses employed on the project. The developer will be held responsible for enforcing Section 3 requirements and project commitments, and for monitoring its Subcontractors’ performance for compliance.

B. Penalties

In the event the developer fails to meet its commitments and can not demonstrate to HACLA’s satisfaction that good faith efforts have been made to fulfil their commitments, it shall be subject to penalties for non-compliance as negotiated in its master development agreement, disposition and development agreement or similar agreement between HACLA and the developer. Shall no such penalty agreement exist, the penalties for non-compliance set forth at Section X.B herein shall apply to the project.

C. Conflicts

Except as expressly set forth herein, Section 3 requirements and this Plan shall apply to the project. In the event of any perceived or actual conflicts between developer’s specific, negotiated Section 3 commitments and the requirements of 24 CFR Part 135 and/or this Plan, HACLA’s determination shall be final and binding.

IX. REQUIREMENTS APPLICABLE TO HUD NOTICE OF FUNDING AVAILABILITY (NOFA) PROGRAMS

The Section 3 compliance requirements at 24 CFR Part 135.9 apply to all HUD Notices of Funding Availability (NOFAs) and shall be imposed in all HACLA NOFA solicitations.

X. COMPLIANCE

A. Reviews for Compliance

1. HACLA may periodically audit Contractors’/Subcontractors’ performance for compliance with the requirements of Section 3 and this Plan, and may conduct periodic project site visits to support such efforts.

2. In connection with an audit for compliance, HACLA reserves the right to request from Contractors/Subcontractors additional reports and information concerning its efforts to comply with requirements of Section 3 and this Plan, and the Section 3 related contract terms and conditions.
B. Penalties for Non-Compliance

1. Contractors who fail to comply with their EOPs or otherwise fail to meet their commitments and obligations arising under Section 3, this Plan or the Section 3 related contract terms and conditions, shall, following notice and a reasonable opportunity to cure (as determined by HACLA in its sole discretion based upon the circumstances), be deemed in material default of their contracts, and may be subject to administrative penalties and/or debarment as follows:
   
a. 1st Violation: Administrative penalty of ten percent (10%) of the contract award amount including all amendments.

   b. 2nd Violation: Administrative penalty of additional ten percent (10%) of the contract award amount including all amendments.

   c. 3rd Violation: Debarment, suspension, denial of participation in HACLA contracting or HUD programs in accordance with 24 CFR § 135.74d.

XI. RECORDS RETENTION

HACLA and any of their duly authorized representatives shall, until three years after final payment under the Section 3 Covered Contract, have access to and the right to examine any Contractor or Subcontractor directly pertinent books, documents, papers, or other records concerning Section 3 outreach efforts and commitments for the purpose of making audit, examination, excerpts, and transcriptions.

indemnity and reimbursement agreement with the City under terms consistent
with the requirements of this condition.

The City shall notify the applicant within a reasonable period of time of its receipt of any

applicant of any obligation imposed by this condition. In the event the Applicant fails to
comply with this condition, in whole or in part, the City may withdraw its defense of the
action, void its approval of the entitlement, or take any other action. The City retains the
right to make all decisions with respect to its representations in any legal proceeding,
including its inherent right to abandon or settle litigation.

local law.

Nothing in the definitions included in this paragraph are intended to limit the rights of the
City or the obligations of the Applicant otherwise created by this condition.
IV. Mitigation Monitoring and Reporting Program
IV. MITIGATION MONITORING AND REPORTING PROGRAM

1. Introduction

This Mitigation Monitoring and Reporting Program (MMRP) has been prepared pursuant to Public Resources Code Section 21081.6, which requires a Lead Agency to adopt a “reporting or monitoring program for the changes made to the project or conditions of project approval, adopted in order to mitigate or avoid significant effects on the environment.” Additionally, Section 15097(a) of the State CEQA Guidelines requires that a public agency adopt a program for monitoring or reporting mitigation measures and project revisions, which it has required to mitigate or avoid significant environmental effects. This MMRP has been prepared in compliance with the requirements of CEQA, Public Resources Code Section 21081.6 and Section 15097 of the State CEQA Guidelines. This MMRP has been updated based on changes made earlier in this Final EIR.

The Housing Authority of the City of Los Angeles is the Lead Agency for the Project and is therefore responsible for administering and implementing the MMRP. A public agency may delegate reporting or monitoring responsibilities to another public agency or to a private entity that accepts the delegation; however, until mitigation measures have been completed, the Lead Agency remains responsible for ensuring implementation of mitigation measures in accordance with the MMRP.

An Environmental Impact Report (EIR) has been prepared to address the potential environmental impacts of the Project. The evaluation of the Project’s impacts in the EIR takes into consideration the project design features (PDFs) and applies mitigation measures (MMs) needed to avoid or reduce potentially significant environmental impacts. This MMRP allows for monitoring implementation of the PDFs and MMs required for the Project.

2. Organization

As shown on the following pages, each identified PDF and MM for the Project is organized by environmental impact area, with the following details:

- Responsible Party—the party that is responsible for implementing the project design feature or mitigation measure.
- Monitoring Party—the agency to which reports involving feasibility, compliance, implementation, and development are made.
- Implementation Stage—the phase of the Project during which mitigation measure shall be monitored.

3. Administrative Procedures and Enforcement

This MMRP shall be enforced throughout all phases of the Project, as applicable. The project Applicant shall be responsible for implementing each PDF and MM and shall be obligated to provide certification, as identified below, to the applicable monitoring and enforcement agencies. Furthermore, the Applicant shall maintain records demonstrating compliance with each PDF and MM. Such records shall be made available to the City of Los Angeles upon request.

During the construction phase and prior to the issuance of building permits, the Applicant shall retain an independent Construction Monitor (either via the City or through a third-party consultant),
approved by the Housing Authority of the City of Los Angeles, who shall be responsible for monitoring implementation of PDFs and MMs during construction activities consistent with the monitoring phase and frequency set forth in this MMRP.

The Construction Monitor shall also prepare documentation of the Applicant’s compliance with the PDFs and MMs during construction every 90 days in a form satisfactory to the Housing Authority of the City of Los Angeles. The documentation must be signed by the Applicant and Construction Monitor and be included as part of the Applicant’s Compliance Report. The Construction Monitor shall be obligated to immediately report to the Enforcement Agency any non-compliance with the MMs and PDFs within two businesses days if the Applicant does not correct the non-compliance within a reasonable time of notification to the Applicant by the monitor or if the non-compliance is repeated. Such non-compliance shall be appropriately addressed by the Enforcement Agency.

4. Program Modification

After review and approval of the final MMRP by the Lead Agency, minor changes and modifications to the MMRP are permitted, but can only be made subject to approval by the Lead Agency. The Lead Agency, in conjunction with any appropriate agencies or departments, will determine the adequacy of any proposed change or modification. This flexibility is necessary in light of the nature of the MMRP and the need to protect the environment. No changes will be permitted unless the MMRP continues to satisfy the requirements of CEQA, as determined by the Lead Agency.

The Project shall be in substantial conformance with the PDFs and MMs contained in this MMRP. The enforcing departments or agencies may determine substantial conformance with PDFs and MMs in the MMRP, at their discretion and within reason. If the department or agency cannot find substantial conformance, a PDF or MM is allowed to be modified or deleted as follows: the enforcing department or agency, or the decision maker for a subsequent discretionary project related approval finds that the modification or deletion complies with CEQA, including CEQA Guidelines Sections 15162 and 15164, which could include the preparation of an addendum or subsequent environmental clearance, if necessary, to analyze the impacts from the modifications to or deletion of the PDFs or MMs. Any addendum or subsequent CEQA clearance shall explain why the PDF or MM is no longer needed, not feasible, or the other basis for modifying or deleting the PDF or MM. Under this process, the modification or deletion of a PDF or MM shall not, in and of itself, require a modification to any Project discretionary approval unless the Director of Planning also finds that the change to the PDF or MM results in a substantial change to the Project or the non-environmental conditions of approval.

NOW, THEREFORE, HCID and SHPO agree that the Undertaking shall be implemented in accordance with the following stipulations to take into account the effect of the Undertaking on historic properties, and further agree that these stipulations will govern the Undertaking and all of its parts until this Project PA expires or is terminated.

STIPULATIONS

HCID shall ensure that the following measures are carried out:

I. ADDRESSING ADVERSE EFFECTS OF THE UNDERTAKING ON HISTORIC ARCHITECTURAL PROPERTIES

A. Related shall prepare an interpretive display and install it in the new community building on the redeveloped Rose Hill Courts property. The interpretive display shall be completed to coincide with the opening of the community building once
construction is complete. It shall include a brief history of the historic property, its significance in the contexts of public and defense worker housing in Los Angeles during the Second World War and public housing design related to the Garden City and Modern movements, and a description of the Undertaking which led to the demolition of the historic property. The display shall be professionally written, illustrated, and designed. The content shall be prepared by persons meeting the Secretary of the Interior’s (SOI) Professional Qualifications Standards for History or Architectural History. HCID shall ensure that Related has satisfactorily completed the interpretive display as described in this stipulation and submit the draft content to SHPO for review and approval. SHPO shall have 30 days to review the interpretive display content before it is produced and installed.

B. HACLA shall add to its existing website a section dedicated to the history of HACLA and public housing in Los Angeles within six (6) months from the issuance of the Certificate of Occupancy for the Rose Hill Courts Redevelopment Project. The website shall provide content on the history of the agency, the significance of public housing in the City, and notable examples of public housing architecture and site planning. It shall include links to other scholarly sources of information on the history and design of public housing. The new website section shall be professionally written, illustrated, and designed. The content shall be prepared by persons meeting the SOI Professional Qualifications Standards for History or Architectural History. HCID shall ensure that HACLA has satisfactorily completed the new website section as described in this stipulation and submit the draft content to SHPO for review and approval. SHPO shall have thirty (30) days to review the content before it is published. Once the new website section is complete, HACLA shall publicize it in its monthly newsletter.

II. STANDARDS FOR ARCHAEOLOGY AND HISTORIC PRESERVATION

A. All actions prescribed by this Project PA that involve the identification, evaluation, analysis, recordation, treatment, monitoring, and disposition of historic properties and that involve the reporting and documentation of such actions in the form of reports, forms or other records, shall be carried out by or under the direct supervision of a person or persons meeting, at a minimum, the Secretary of the Interior’s Professional Qualifications Standards (PQS), for the appropriate discipline (48 FR 44739, September 29, 1983). Tribal consultants who are available to perform monitoring duties are assigned and approved by each Tribal Organization.

B. All preservation activities carried out pursuant to this Project PA shall meet the Secretary of the Interior’s Standards for Archeology and Historic Preservation (48 FR 44716-44740, September 29, 1983).

III. ARCHAEOLOGICAL TESTING AND EVALUATION PROGRAM

HACLA shall acquire and retain the services of a Project Archaeologist to ensure that the following measures are carried out:
A. An archaeological testing and evaluation program shall be conducted as deemed necessary by the Project Archaeologist in accordance with the Archaeological Testing Plan (ATP), which is included as Attachment A of this Project PA.

B. HCID shall use the NRHP criteria for evaluating the significance of the archaeological properties. The quality of significance in American history, architecture, engineering, and culture may be present in district, sites, buildings, structures, and objects that possess integrity of location, design, setting, material, workmanship, feeling, and association, and:

   a. That are associated with events that have made a significant contribution to the broad patterns of our history; or
   b. That are associated with the lives of persons significant in our past; or
   c. That embody distinctive characteristics of a type, period or method of construction, or that represent the work of a master, or that possess high artistic values, or that represent a significant and distinguishable entity whose component may have individual distinction; or
   d. That have yielded or may be likely to yield information important in prehistory or history.

C. If an archaeological resource is encountered that the Project Archaeologist determines is NRHP eligible, the Project Sponsors shall act in accordance with the applicable provisions of this Project PA. The property and eligibility determination shall be submitted to the SHPO for review pursuant to the terms of 36 CFR 800.4.

D. If resources are discovered that the Project Archaeologist determines meet NRHP Criterion D, and if preservation in place is not feasible, an Archaeological Data Recovery Program (ADRP) shall be implemented in accordance with this Project PA. If resources are discovered that may meet NRHP Criteria A and/or B and/or C, then representatives of the appropriate descendant community or the appropriate community members shall be consulted on the determination. Upon such consultation with the appropriate descendant community representatives, the Project Archaeologist will identify the appropriate treatment and this treatment will be implemented by the Project Sponsors. If after fifteen (15) days of notification to the descendant community, the descendant community does not respond to the request for consultation, the Project Archaeologist will identify the appropriate treatment, as approved by the Project Sponsors.

E. Archaeological Monitoring

   1. The Project Archaeologist shall determine what project activities shall be archaeologically monitored. In most cases, any intact ground-disturbing activities shall be archaeologically monitored. Ground-disturbing activities shall include foundation demolition and removal, excavation, grading, utilities installation, foundation work, pike drive (foundation, shoring, etc.). These activities shall require archaeological monitoring because of the risk these activities pose to archaeological resources and their depositional context.
2. Archaeological Monitor(s), including a Native American Monitor under the supervision of the Project Archaeologist, shall be present and reasonably compensated for their monitoring services on the project site according to a schedule agreed upon by the Project Archaeologist until the Project Archaeologist determines that ground-disturbing activities are complete.

F. Final Archaeological Resources Report.

1. The Project Archaeologist shall submit an Advanced Draft, Draft, and Final Archaeological Resources Report (FARR) to the Consulting Parties and the SHPO. That report shall evaluate the historical significance of any discovered archaeological remains and shall describe the research methods employed in the testing, monitoring, and data recovery programs undertaken. A tribal monitoring report shall be included as an appendix to the FARR.

2. Once approved by the Project Archaeologist, SHPO, and the Project Sponsors, copies of the FARR shall be distributed and filed with the repositories listed below. Information that may put at risk any archaeological resource shall be provided in a separate removable insert within the final report. All sensitive material that is considered confidential shall not be distributed to the public and only the South Central Coastal Information Center at California State University, Fullerton shall be provided with a full and complete document with all sensitive and confidential materials provided.

   a. Los Angeles County Library
   b. Los Angeles Conservancy
   c. California Office of Historic Preservation
   d. Los Angeles Office of Historic Resources
   e. South Central Coastal Information Center at California State University, Fullerton

3. In instances of high public interest in or the high interpretive value of the resource, the Project Archaeologist may deem a different final report format and distribution.

G. Post-Review Discoveries. After all archaeological work has concluded there is the further possibility that unanticipated discoveries of archaeological deposits and/or feature(s) could occur during subsequent construction activities. It is possible such actions could unearth, expose, or disturb subsurface archaeological, historical, or Native American resources that were not identified during the previous archaeological phases. To facilitate compliance with regulatory requirements, project personnel shall be alerted to the possibility of encountering archaeological materials and/or human remains during this stage of construction and apprised of the proper procedure to follow in the event that such materials are found in accordance with 36 CFR 700.13(a)(3).
IV. CONSULTATION WITH DESCENDANT COMMUNITIES

On discovery of archeological remains associated with descendant Native Americans or other potentially interested descendant group(s), appropriate representatives of the descendant groups and the Project Archaeologist shall be contacted. Representative(s) of the descendant group(s) shall be given the opportunity to monitor archeological field investigations of the remains and to consult with the Project Archaeologist regarding appropriate treatment of the remains, of the recovered data, and, if applicable, any analysis, interpretative treatment, cataloguing, curation, reporting, and/or repatriation of the associated archeological remains. A copy of the Final Archaeological Resources Report shall be provided to the representatives of the descendant groups when requested.

V. TREATMENT OF HUMAN REMAINS OF NATIVE AMERICAN ORIGIN

If human remains are discovered at any time during the implementation of the Undertaking, HCID, the Project Archaeologist and the other Project Sponsors shall follow the provisions of the California Health and Human Safety Code (Human Remains) Section 7050.5, as well as all local laws as appropriate. This shall include immediate notification of the Los Angeles County Coroner, and in the event of the Coroner's determination that the human remains are prehistoric Native American remains, notification of the California State Native American Heritage Commission (NAHC) shall ensue. The NAHC shall appoint a Most Likely Descendant (MLD) (PRC Section 5097.98). The Project Archeologist, HCID, Project Sponsors, and MLD shall develop an agreement for the treatment of, with appropriate dignity, human remains and associated or unassociated funerary objects and items of cultural patrimony. The agreement should take into consideration the appropriate excavation, removal, recordation, analysis, documentation, custodianship, curation, and final disposition (including repatriation) of the human remains and associated or unassociated funerary objects and items of cultural patrimony.

VI. DISCOVERIES AND UNANTICIPATED EFFECTS

If HCID determines after construction of the Undertaking has commenced, that either the Undertaking will affect a previously unidentified property that may be eligible for the NRHP or affect a known historic property in an unanticipated manner, HCID will address the discovery or unanticipated effect in accordance with 36 CFR §800.13(b)(3). HCID at its discretion may hereunder and pursuant to 36 CFR §800.13(c) assume any discovered property to be eligible for inclusion in the NRHP.

VII. OBJECTIONS

A. Should any signatory, including Concurring Parties, object at any time to the manner in which the terms of this agreement are implemented, HCID shall consult with the objecting party(ies) to resolve the objection and inform the other signatories of the objection. If HCID determines within fifteen (15) calendar days of receipt that such objections cannot be resolved, HCID shall forward all documentation relevant to the dispute to the ACHP in accordance with 36 CFR § 800.2(b)(2). HCID in reaching a final decision regarding the dispute shall take any ACHP comments provided into account. HCID’s responsibility to carry out all other actions under this Project PA that are not the subjects of the dispute shall remain unchanged.
B. At any time during implementation of the measures situated in this agreement, should an objection to any such measure or its manner of implementation be raised in writing by a member of the public, HCID shall take the objection into account and consult, as needed, with the objecting party, the SHPO, and the Concurring Parties as needed, for a period of time not to exceed fifteen (15) calendar days and inform the other signatories of the objection. If HCID is unable to resolve the conflict, HCID shall forward all documentation relevant to the dispute to the ACHP in accordance with 36 CFR § 800.2(b)(2).

VIII. DURATION OF THE AGREEMENT

This Project PA is in effect for five (5) years from the date of execution. At any time, the signatories can agree to amend this Project PA in accordance with the amendment process referenced in Stipulation X, below.

IX. DISPUTE RESOLUTION

A. Should any signatory object at any time to the manner in which the terms of this Project PA are implemented, the ACHP shall be asked to comment in accordance with 36 CFR § 800.2(b)(2).

B. At any time during implementation of the stipulations outlined in this Project PA should an objection to any such stipulation or its manner of implementation be raised in writing by a member of the public, HCID shall take the objection into account and consult, as needed, with the objecting party, the SHPO, and the Concurring Parties, as needed, for a period of time not to exceed fifteen (15) calendar days. If HCID is unable to resolve the conflict, HCID shall forward all documentation relevant to the dispute to the ACHP pursuant to 36 CFR § 800.2(b)(2).

X. AMENDMENTS, NON-COMPLIANCE, AND TERMINATION

A. If any signatory believes that the terms of this Project PA cannot be carried out or that an amendment to its terms should be made, that signatory shall immediately consult with the other parties to develop amendments pursuant to 36 CFR § 800.6(c)(7). If this Project PA is not amended as provided for in this stipulation, any signatory may terminate it with 30 days' notice, whereupon HCID shall proceed in accordance with 36 CFR § 800.6(c)(8).

B. If either the terms of this Project PA or the Undertaking have not been carried out within five (5) years of the execution of this agreement, the PA will expire unless the signatories extend the PA by amendment.
C. Execution and implementation of this Project PA shall serve as evidence that HCID has afforded the ACHP a reasonable opportunity to comment on the Undertaking and its effects on historic properties, that the City has taken into account the effects of the Undertaking on historic properties, and HCID has satisfied its responsibilities under Section 106 of the NHPA.

1.0 CONTEXT AND INTRODUCTION

This Archaeological Testing Plan (ATP) is somewhat unconventional in that it is intended simply as a companion document to the Rose Hill Courts Programmatic Agreement (PA) and the related Phase I Cultural Resources Survey. A systematic pedestrian survey of the proposed project area and an exhaustive archival research program strongly supports the contention that no prehistoric or historic archaeological remains will be discovered during the Rose Hills Courts demolition and construction project. However, the California State Historic Preservation Office (OHP) strongly recommended that a Programmatic Agreement rather than a Memorandum be prepared for the Project. Given that the PA is an authoritative document, it seemed prudent to develop this related ATP even though there is only a very remote possibility of discovering buried cultural remains during the demolition and construction activities as determined by the Project’s Phase I Cultural Resources Survey and the Environmental Impact Report (EIR). Hence, when reviewing the present document the reader is cautioned that the ATP is simply a hypothetical instrument and there is no present basis for discerning any significant probability or even possibility of the late discovery of cultural materials within the Project.

The Housing Authority of the City of Los Angeles (HACLA) in cooperation with The Related Companies of California, LLC (Related) proposes to redevelop Rose Hill Courts (RHC) public housing site (the Project) located at 4466 Florizel Street in the City of Los Angeles (Figure 1). The Project specifically proposes to redevelop the existing 5.24 acre (228,255 square feet) Project Site located within the Northeast Los Angeles Community Plan (Community Plan), in the El Sereno Community of the City of Los Angeles (City). The Project proposes to build 185 new multi-family units, 174 parking spaces and a Management Office/Community Building. The existing 15 structures onsite, which currently have significant capital needs due to their age, would be demolished.

An Environmental Impact Report/Environmental Impact Statement (EIR/EIS) is being prepared for the Project. That report is fashioned to be in compliance with both the California Environmental Quality Act (CEQA) and National Environmental Policy Act (NEPA). Section 106 of the National Historic Preservation Act (NHPA) requires that all federal agencies planning actions defined as “undertakings” consider the effects of their undertakings on historic properties. Rose Hill Courts is a historic property that was determined eligible for listing in the National Register of Historic Places (NRHP) as a historic district through the federal review process. This new Project involves funding from HUD that qualifies as an "undertaking."

The Project has a Programmatic Agreement (PA) between HACLA and the City of Los Angeles Housing + Community Investment Department (HCIDLA), and the California State Historic Preservation Officer (SHPO) (currently in draft form). This PA was prepared because the parties involved determined that the resolution of adverse effects could not be achieved through a Standard Mitigation Measures Agreement, and so the Project, or Undertaking, shall be implemented in accordance with several stipulations that would take into account the effect of the undertaking on historic properties. The need for an Archaeological Testing Plan (ATP) is addressed in Stipulation II.D, wherein such a Plan will be developed as deemed necessary. The ATP itself is identified in Stipulation III.

UltraSystems Environmental Inc. (UltraSystems) has prepared this ATP to apply with respect to the remote possibility that cultural resources and/or historic features might be discovered.

The initial cultural resources investigation that has been already completed and includes: 1) a literature review; 2) records search accessing the archives at the Information Center; 3) Native
American consultation and coordination; 4) Sacred Lands File Search through the California Native American Heritage Commission; and 5) a pedestrian survey (see Background section below.) A Phase I pedestrian survey often excludes subsurface investigation, and so no exploration of the subsurface Project areas was undertaken. However, it is not possible to discern if there are cultural features or further evidence of aboriginal occupation under the surface of the ground.

This ATP is prepared and intended as a template which will serve as guidance if a Phase II compliance effort is found necessary per specifications in the PA.

Background Setting:

The information provided in the Project's Background Setting is taken in large part from the Phase I Cultural Resources Report prepared by UltraSystems for the Rose Hill Courts Development Project Environmental Impact Report (O'Neil 2019).

1.1.1 Natural Setting

The Project lies within the City of Los Angeles, Los Angeles County, in coastal southern California. Los Angeles is located on a hilly coastal plain with the Pacific Ocean as its southern and western boundaries. The city stretches north to the foothills of the Santa Monica Mountains and is bounded by the San Gabriel Mountains to the east. Numerous canyons and valleys characterize the region, making it an area of diverse micro-climates.

The predominant weather influences in the Los Angeles area is the warm, moist Pacific air, keeping temperatures mild throughout the year. Summers are dry and sunny with most of the precipitation falling during winter, receiving on average 17 inches of rain per year. The city is quite large covering 469 square miles.

Prior to urbanization, creeks flowed across the Los Angeles Basin (better identified as a plain) from the San Gabriel Mountains to the ocean with little hindrance. These water courses often meandered across the plain to different physical locations over time. The Los Angeles Basin, situated behind the coast, was, in the preindustrial era, primarily grassland and coastal scrub brush. In the past, several rivers and large creeks contained riparian habitat as well as estuaries at their ocean exits.

1.1.2 Cultural Setting

1.1.2.1 Prehistoric Context

The term "prehistoric period" refers to the period prior to the arrival of Euroamericans. It is widely acknowledged that human occupation in the Americas began about 13,000 or more years ago (all dates presented here are calibrated radiocarbon ages or calendar dates). However, recent discoveries in areas outside of California have pushed that age back several thousand years more to about 15,000 or even perhaps up to nearly 20,000 years ago (Smith and Barker 2017).

To describe and understand the cultural processes that occurred during prehistory, archaeologists have routinely developed a number of chronological frameworks to correlate technological and cultural changes recognized in the archaeological record. These summaries bracket certain time spans into distinct archaeological horizons, traditions, complexes, and phases.
Many archaeologists tend to follow the regional synthesizes adapted from a scheme developed by William J. Wallace in 1955 and modified by others (Chartkoff and Chartkoff 1984; Moratto 1984; Sutton et al. 2007; Wallace 1978; Warren 1968 and others). Although the beginning and ending dates vary, the general framework of prehistory in the Southern California area consists of the following four periods:

- **Paleoindian and Lake Mojave Periods** [Pleistocene and Early Holocene] (ca. 11000 B.C. to 6000 B.C.). This time period is characterized by highly mobile foraging strategies and a broad-spectrum of subsistence pursuits. These earliest expressions of aboriginal occupation in America were marked by the use of large dart or spear points (Fluted and Concave Base points) that are an element of the Western Clovis expression. Following the earliest portions of this time span there was a change in climate coincident with the retreat of the glaciers. Large bodies of water existed and lakeside aboriginal adaptations were common. Large stemmed points (Western Stemmed Series – Lake Mojave and Silver Lake points) were accompanied by a wide variety of formalized stone tools and were employed with the aid of atlatls (dart throwing boards). The latter archaeological materials are thought to be representative of an adaptation that was in part focused on lacustrine and riverine environments.

- **Millingstone Horizon** [Middle Holocene] (ca. 6000 B.C. to A.D. 1000). During this time span mobile hunter-gatherers evolved and became more sedentary. Certain plant foods and small game animals came to the forefront of indigenous subsistence strategies. This prehistoric cultural expression is often notable for its large assemblage of millingstones. These are especially well-made, deep-basin metates accompanied by formalized, portable handstones (manos). Additionally, the prehistoric cultural assemblage of this time period is dominated by an abundance of scraping tools (including scraper planes and pounding/pulping implements), with only a slight representation of dart points (Pinto, Elk, and Gypsum types).

- **Late Prehistoric Period** (ca. A.D. 1000 to 1500). Following the Millingstone Horizon were cultures that appeared to have a much more complex sociopolitical organization, more diversified subsistence base and exhibited an extensive use of the bow and arrow. Small, light arrow points (Rose Spring Series), and, later pottery, mark this period along with the full development of regional Native cultures and tribal territories.

- **Protohistoric Period** (ca. A.D. 1500 to 1700s). This final cultural period ushered in long-distance contacts with Europeans, and thereby led to the Historic Period (ca. A.D. 1700 to contemporary times). Small arrow points recognized as Desert Side-notched and Cottonwood forms are a hallmark of this time period.

### 1.1.2.2 Ethnohistoric Context

The Project area lies within the area of the Gabrieleno/Tongva aboriginal territory (Bean and Smith 1978:538), who speak a language classified as a member of the Uto-Aztecan language stock. Gabrieleno is specifically identified as an element of its Northern Takic Branch.

The Gabrieleno were considered one of the most populous, wealthiest, and therefore most powerful ethnic nationality in aboriginal Southern California (Bean and Smith 1978:538). Unfortunately, most Gabrieleno cultural practices had declined long before systematic ethnographic studies were
instituted. Today, the leading sources on Gabrielino culture are Bean and Smith (1978), and McCawley (1996).

According to the recent research, Takic groups were not the first inhabitants of the region. Archeologists suggest that the Takic in-migration may have occurred as early as the Middle Holocene, replacing or intermarrying with indigenous Hokin speakers (Howard and Raab 1993; Porcasi 1998). By the time of European contact, the Gabrielino territory included the southern Channel Islands and the Los Angeles Basin reaching east into the present-day San Bernardino-Riverside area and south to the Santa Ana River in central Orange County.

Different groups of the Gabrielino adopted varied types of subsistence, based on varying combinations of gathering, hunting, and/or fishing. Because of the similarities to other Southern California tribes in economic activities, inland Gabrielino groups' industrial arts, dominated by basket weaving, demonstrated no substantial difference from those of their neighbors (Kroeber 1925). Coastal Gabrielino material culture, on the other hand, reflected an elaborately developed artisanship most recognized through the medium of steatite, which was rivaled by few other groups in Southern California.

The intricacies of Gabrielino social organization are not well known. There appeared to have been at least three hierarchically ordered social classes, topped with an elite consisting of the chiefs, their immediate families, and the very rich (Bean and Smith 1978). Some individuals owned land, and property boundaries were marked by the owner's personalized symbol. Villages were politically autonomous, composed of non-localized lineages, each with its own leader. The dominant lineage's leader was usually the village chief, whose office was generally hereditary through the male line. Often several villages were allied under the leadership of a single chief. The villages were frequently engaged in warfare against one another, resulting in what some consider to be a state of constant enmity between coastal and inland Gabrielino groups.

The first Franciscan establishment in Gabrielino territory and the region was Mission San Gabriel, founded in 1772. Priests from here proselytized the Tongva throughout the Los Angeles Basin region. As early as 1542, however, the Gabrielino were in contact with the Spanish as a result of the coastal sea expedition of Juan Rodríguez Cabrillo, but it was not until 1769 that the Spaniards took steps to colonize Gabrielino territory. Shortly afterwards, most of the Gabrielino people were incorporated into Mission San Gabriel and other missions in Southern California (Engelhardt 1931). Due to introduced diseases, dietary deficiencies, and forceful reducción (removal of non-agrarian Native populations to the mission compound), Gabrielino population dwindled rapidly from these impacts. By 1900, the Gabrielino Native community had almost ceased to exist as a culturally identifiable group. In the late 20th century, however, a renaissance of Native American activism and cultural revitalization among a number of groups of Gabrielino descendants took place. Among the results of this movement has been a return to a traditional name for the tribe, the Tongva, which is employed by several of the bands and organizations representing tribal members. Many of the bands focus on maintaining and teaching traditional knowledge, with special focus on language, place names, and natural resources.

The downtown Los Angeles area, situated among a foothill transition zone and the Los Angeles River traversing the middle, was an ideal location for Native settlements (McCawley 1996:57). The village of Yaonga was situated near the old Plaza of Los Angeles approximately one and a half miles southwest of the Project site at the edge of the plain, and a village named Geverobit was apparently also very near this same location by the river. The Tongva community of Maawnga was set on the west edge of the Cahuenga Hills to the west (McCawley, 1996:55). In the Rose Hills, "on the road from
San Gabriel to Los Angeles” according to mission priest José Zalvidea was the village of ‘Ochuunga, a name derived from ‘ochuur, “wild rose” in Tongva. This ancient trail through the hills connected the two valleys was eventually transformed into Mission Road and Huntington Drive, passing approximately 800 feet east of Rose Hill Courts. Also referred to as Otsungra, this nearby Tongva village was located near the present-day community of El Sereno.

The Village of Otsungra

In the Rose Hills area itself, “on the road from San Gabriel to Los Angeles” according to Mission San Gabriel priest Fr. José Zalvidea, was the village of ‘Ochuunga, a name derived from ‘ochuur, “wild rose” in Tongva (also spelled Otsungra). A trail and trade route through a canyon in the hills connected the large coastal valley to San Gabriel and other valleys linking villages along the way; this trail was eventually transformed into Mission Road and Huntington Drive, passing approximately 800 feet east of Rose Hill Courts.

Evidence for the village of “Ochuunga” is available in the sacramental registers of Mission San Gabriel, where from 1775 through 1813 there were 146 village inhabitants baptized and, in large part, brought to the mission grounds to live, and another five residents came to Mission San Fernando in 1801 and 1805 (ECPP 2019). This population makes it one of the larger Gabrielleño villages during the Contact Period. The location of this village within the Rose Hills area is witnessed from the fact that the ranch for this region was termed Rancho Rosa de Castillo, both the village and the ranch being named for the abundance of the native rose bush (Rosa californica) that flourished in the well-watered canyons here. This rancho, situated between the Los Angeles Pueblo lands and those held by Mission San Gabriel, was granted to Juan Bastillo in 1831 who used it for cattle ranching. Encompassing approximately 3,300 acres, it covered almost five square miles. Bastillo built an adobe casa (home) where the California State University Los Angeles campus currently sits, approximately two miles southeast of the Rose Hill Courts Project site.

Attempting to more exactly locate the village of Otsungra poses problems due to the lack of clear and precise information. Local ethnographic works by major researchers such as A. L. Kroeber (1925), Bean and Smith (1978) and Johnson (2006) do not attempt to indicate the village on their maps of Gabrielleño territory. However, the placename itself does make the location likely to have been generally situated within the same named Rose Hills and near the creek here identified as Rio Rosa de Castillo. It likely would have been situated on the rancho named for it, but that covers approximately five square miles. Often a rancho situated his hacienda on the most favorable plot of land of the estate with flat, well-watered surroundings. Such a location often was also the site of a prominent Native American village - this may have been the case with Otsungra. Interviews with members of the Gabrielleño community in the early 20th century by anthropologist/linguist John P. Harrington (1986: Reels 102-105) elicited memories of the village name and location. One of Harrington’s consultants, identified as “Z” (for José Maria Zalvidea, not to be confused with the earlier Franciscan priest) was familiar with the term ‘otšūvit (/tʃ/ for the “ch” sound; the suffix -vit means a person from a place); “Z” placed the village “on the road [traditional trail] from San Gabriel to Los Angeles, about three miles from San Gabriel” (Harrington 1989:Reel 102, Fr 326-R). Measuring this distance from Mission San Gabriel southwest along Mission Road toward Los Angeles, this would place Otsungra on the west edge of Alhambra adjacent to El Sereno, about two miles east of the Project site. Another consultant identified as “F” (Feliz) pronounced the name as ‘otšūvit, stating that “there is a big matanza (slaughter house [or field]) there now at the site of ‘otšūvit, about half-way between Los Angeles and San Gabriel. Railroad and wagon road pass by Rosa de Castillo” (Harrington 1989:Reel 102, Fr 326-R). Railroad tracks still parallel Mission Road in its south side, and half-way
between Mission San Gabriel and old downtown Los Angeles along this route. "E" also places the village site at the eastern edge of the community of El Sereno and near the border of Alhambra, approximately two miles east of the Project site. Considering that a rancho matanza would require relatively flat, open space with water nearby, such topography exists in this immediate area where there is a railroad yard at a locality named Auran (USGS 1966). That location is along the creek that was just a half-mile north of the CSU Los Angeles campus that contains the rancho hacienda. The convergence of these elements match what would be expected for the trail, creek, matanza, and rancho hacienda, and match the descriptions provided by Harrington's Gabriellino consultants on the general location of the village of Otsungna relative to Mission San Gabriel and old downtown Los Angeles. The general location of the creek, traditional trail, and Contact Period village were all along what is now Mission Road, 1.5 miles southeast of the Project.

The above analysis leads to the suggestion that the probable location of Otsungna was somewhere along a wide space along the canyon connecting Mission San Gabriel with old downtown Los Angeles, which now contains Mission Road, at the eastern edge of El Sereno and northwest of the CSU Los Angeles campus. This location is approximately 1.5 to 2.25 miles southeast of the Rose Hill Courts Project site.

It would be expected that a Contact Period village site such as Otsungna, given the size of its population, would leave considerable archaeological material in the ground. There is no evidence, however, for such a prehistoric or Contact Period habitation at the Rose Hill Courts Project site and vicinity as determined by the present cultural resources report (O'Neil 2019).

1.1.2.3 Historic Context

Spanish/Mexican Era

Spanish occupation of Alta California began in 1769, in San Diego. The first Europeans to explore the area that would become Alta California were members of the 1542 expedition of Juan Rodriguez Cabrillo. Cabrillo sailed along the California coast, but did not explore the interior. Europeans did not attempt inland exploration until 1769, when Lieutenant Colonel Gaspar de Portolá led an overland expedition from San Diego to Monterey. This expedition of 62 people passed north and west of the Project in August 1769 (Brown 2001), and may have encountered the Tongva village of Koruvunga in the Santa Monica Region (Brown 2001:347; McCawley 1996:61). The Expedition camped near here, at the village's water supply, a spring which still flows to this day on the grounds of University High School. The name was said to mean "we are in the warmth, it says we are in the sun now..." (Harrington 1986; in McCawley 1996:61).

Mission San Gabriel was established in the Los Angeles Basin in 1771, and the Los Angeles Pueblo was established as a civilian settlement on September 4, 1781 (Engelhardt 1931). The Mission San Gabriel lands were used for the support of the mission and provided for the large population of Tongva Native Americans. The mission lands were held in trust for Native peoples by the Franciscan missionaries for eventual redistribution. The lands along the coast, however, were open for early settlement by the colonists from New Spain.

Mexico rebelled against Spain in 1810, and by 1821, Mexico, including California, achieved independence. The Mexican Republic began to grant private land to citizens to encourage emigration to California. Ranchos soon surrounded the mission lands in all directions, often on tracts originally intended for the neophytes.
Following Mexican independence from Spain (1821), the Rancho Rosa de Castilla (Rose of Castile Ranch) was granted in 1831 to Juan Ballesteros. He was the Register of the Pueblo of Los Angeles from 1823 to 1824. The rancho was named after the stream running through the area. This stream was called the Arroyo Rosa de Castilla because of the roses growing on its banks. It includes what are now Lincoln Heights, El Sereno, City Terrace, and parts of South Pasadena, Alhambra, and Monterey Park. After the secularization of the missions in 1833, the ranch passed to Francisco (Chico) Lopez. He had a home in Paredon Blanco (now Boyle Heights), but kept his cattle here. In 1840 he expanded the adobe on the ranch which had been built by workers from the Mission in 1776. This adobe was located in what is now the City of Alhambra near Westmont Drive and Jurich Place. In the late 1840s, he obtained title to a ranch near Lake Elizabeth in northern Los Angeles County and moved his cattle from Rancho Rosa de Castilla to this ranch.

The Mexican-American War of 1846 saw the invasion of California from both land and sea by the United States. Following the rapid influx of population to the north because of the Gold Rush of 1849, California was made a state in 1850. The economic and social order was slow to change in the southern portion of the state, however, and rancheros were left in control of their vast estates through the 1860s. Los Angeles was a part of the “Cow Counties” and had little representation in the state legislature because of the sparse population. This allowed the predominantly Anglo population of the north to pass laws aimed at breaking up the Mexican ranchos for settlement by Eastern farmers. Additionally, devastating droughts killed much of the livestock, crippled many of the ranchos. The collapse of the ranchos and dismantling of their land ownership helped pave the way for the “Boom of the Eighties” which saw an influx of people from the rest of the United States and the beginning of many of the towns we see today (Dumke 1944). This was the time of sustained growth for Los Angeles, and satellite communities started to form around the city to the east, south, and west. Further, the plains between these developed areas came to be filled with farms and orchards.

The History of El Sereno

The following discussion was adapted from the “History of El Sereno” (Cassen 1994), provided by the El Sereno Historical Society

The Rancho Rosa de Castilla was acquired around 1850 by Anaclet Lestrade, priest of Our Lady of the Angels Church on the Plaza. In 1852, Juan Baptiste and his wife Catalina Hegui Batz, who had arrived in California from Argentina in 1850, acquired the adobe ranch house from Lestrade. Jean-Baptiste engaged in farming and sheep ranching until his death on December 6, 1859. Under the Homestead Act, Catalina Batz received official title to the 160 acres upon which the adobe stood in 1876. The ranch eventually encompassed a total of 3,283 acres of land. It included the contemporary communities of Ramona Acres (City of Alhambra), Sierra Vista (El Sereno), Sierra Park (El Sereno), West Alhambra (Alhambra and El Sereno), and Bairdstown (El Sereno) west to El Sereno Avenue (now Eastern Avenue).

The Southern Pacific Railroad was built through El Sereno in 1876. Catalina Batz purchased the majority of the excess lands adjacent to the tracks after the railroad was completed. Due to Southern Pacific’s high fares, development of this area did not immediately follow. Competition soon arrived with the advent of the Santa Fe Railroad, which built trackage to Los Angeles in 1887. A fare war between the two railroads lowered rates bringing many immigrants from the East and Midwest to Los Angeles. During the subsequent real estate boom, the Yorba and Paige Tract, at the western edge of El Sereno, was recorded in October 1887. The adjacent Omaha Heights Tract was recorded in 1892.
The pastoral setting of this area changed radically with the development of rail transportation lines. On May 1, 1895, the first inter-urban rail route in Southern California opened from Los Angeles to Pasadena along the Arroyo Seco, spurring the development of residential subdivisions along that route. In 1902, the Pasadena Short Line was opened along Los Angeles-Pasadena Boulevard, now Huntington Drive.

The Short Line Villa Tract was annexed to the City of Los Angeles as part of The Arroyo Seco Annexation on February 9, 1912. This annexation also included the Yorba and Paige Tract, Grider and Hamilton’s Rose Hill Tract adjacent to Monterey Road and the Pasadena Villa Tract, a local subdivision that extended south from the Arroyo Seco.

El Sereno’s population rose markedly as the country prepared for World War II. Due to the rationing of gas and rubber, communities along the Pacific Electric routes received the majority of new residents who came to work at the aircraft and munitions factories in Los Angeles. El Sereno experienced major industrial growth during these years.

Restrictive covenants had prevented Mexican-American families who lived in the adjacent communities of Lincoln Heights and Boyle Heights from purchasing homes in El Sereno. After restrictions were lifted by a 1948 Supreme Court decision (Shelly v. Kraemer), many Mexican-American families moved to El Sereno. The demand for housing after World War II was satisfied by the construction of new neighborhoods in the southern end of El Sereno.

1.1.2.4 Site-Specific Research

The cultural resources inventory and related archival research for the Rose Hill Courts Project included a background cultural resources records check (archival research) at the South Central Coastal Information Center (SCCIC), California State University, Fullerton, a Sacred Lands File (SLF) search request to the NAHC, and the acquisition of a list of local Native American entities to contact from the NAHC. A pedestrian cultural resource survey of the entire Project area was completed (O'Neil 2019.)

1.1.2.5 FINDINGS

Records Search

Based on the cultural resources records search conducted at the SCCIC, no prehistoric cultural resource sites or isolates have been recorded within the Project or within the half-mile buffer. The records search did show the presence of one historic property within the half-mile buffer zone. This is Soto Street Bridge over Mission Road and Huntington Drive South (P-19-188230). Built 1936–38, the bridge carries Soto Road over Mission Road and Huntington Drive South. The bridge is approximately 2,250 feet due south of the Project site.

A letter report prepared by GPA Consulting states that the Rose Hill Courts is significant as one of the oldest public housing complexes in Los Angeles that exemplified city planning and public welfare practices, and was determined eligible for listing on the National Register of Historic Places (NRHP); as such it was automatically included in the California Register of Historic Places (CRHR) (Grimes 2015:1).
Previous Cultural Resources Investigations

According to records at the SCCIC, there have been no previous cultural resource surveys within the Project boundary. Three cultural resources surveys had been completed within the 0.5-mile buffer. As noted above, none of the cultural resource surveys recorded prehistoric or historic cultural resources within the Project site.

LA-00588 was a cultural resource survey and impact report for a tentative parcel in the hills approximately 1000 feet to the north of the Rose Hill Courts. LA-01319 was an archaeological survey report assessing a large parcel to the north for two adjacent proposed waste disposal sites. LA-06371, a wireless facility assessment, was conducted approximately 2,200 feet due east of the Project site. No prehistoric or historic properties were found by any of these surveys.

Native American Outreach

On April 25, 2018, Mr. O'Neil submitted a request to the NAHC via email, fax and mail for a SLF search within the 0.5-mile project buffer. The results of the search request were received April 26, 2018, at the office of UltraSystems from Ms. Gayle Totton, Associate Governmental Program Analyst. The NAHC letter stated that “A record search of the NAHC Sacred Lands File was completed for the area of potential effect (APE) referenced above with negative results [emphasis in the original].”

UltraSystems prepared letters to each of the nine tribal contacts representing seven tribal organizations provided by the NAHC. On April 26, 2018 Mr. O'Neil mailed letters and sent emails with accompanying maps to all seven tribal groups (Gabrieleño Band of Mission Indians – Kizh Nation, Fernandeño Tataviam Band of Mission Indians, San Fernandeño Band of Mission Indians, Gabrielson/Tongva San Gabriel Band of Mission Indians, Gabrielson Tongva Indians of California Tribal Council, Gabrielson-Tongva Tribe and Gabrielson/Tongva Nation) describing the Project and showing the Project's location, requesting a reply if they have knowledge of cultural resources in the area that they wished to share, and asking if they had any questions or concerns regarding the Project.

Mr. Andrew Salas, Chairman of the Gabrieleño Band of Mission Indians – Kizh Nation, replied by email May 1, 2018 stating that the Project area has the potential for discoveries of cultural resources, and requested that Native American monitors be present during ground disturbing activities. Mr. Jairo Avila, THPO for the Fernandeño Tataviam Band of Mission Indians responded by email on May 10, 2018, stating that the Project location is outside the Tataviam Band’s area of concern and consultation, and that they would defer to members of the Gabrielson tribe who should be contacted instead.

Following up on the initial letter and email contacts, telephone calls were conducted by Megan Black on May 29, 2018 to the five tribal organizations who had not previously responded by email. There were three telephone calls placed with no answer, at which messages were left. When Chairperson Donna Yocom with the San Fernandeño Band of Mission Indians was reached, she deferred to more local tribal entities. During the call to Mr. Anthony Morales, Chairperson of the Gabrielson/Tongva San Gabriel Band of Mission Indians, he stated that the Project area is culturally sensitive to the Band and requested that both a Native American and an archaeological monitor be present during ground disturbing activities. Mr. Robert F. Dorame, Chairperson of the Gabrielson Tongva Indians of California Tribal Council, stated that he would like to have the contact letter and map resent to him via email, and to give them a week to respond, and that if we received no further response then they
have no comment; the letter and map were resent to him the same day, however, there has been no further reply to date.

Pedestrian Survey Results

On May 23, 2018, Mr. O’Neil conducted a Phase I pedestrian cultural resources survey using standard procedures and techniques that meet the Secretary of Interior’s guidelines.

Planned demolition and redevelopment of the Rose Hill Courts are intended for every structure, and so the entire parcel was inspected. Survey transects were conducted in an opportunistic manner in conformity with the available exposed ground surface and layout of the landscaping between the sets of apartments. There are wide lawns surrounding the perimeter of the Courts along the surrounding four streets, McKenzie Avenue on the east, Mercury Avenue on the south, Boundary Avenue on the west and Florizel Street to the north. Transects covering these lawns on each side were walked. Between the housing buildings were lawns and flower beds with trees, shrubs and annual bedding plants; these lawns were walked and the flower beds were observed by walking along their edges. The lawns were a mix of being well maintained on which occasions there was no soil visible; large portions, however, showed considerable die-back and/or had numerous gopher holes which provided views of surface and sub-surface soil. The perimeter patches of sparse grass cover and base of the interior flower beds allowed for approximately 20% visibility overall.

The result of the pedestrian survey was negative for both prehistoric and historic archaeological sites, features and isolates.

1.1.3  Geotechnical Setting and Grading

1.1.3.1  Geotechnical Setting

A geotechnical study was conducted at the RHC project site by Geocon West, Inc. in 2018. This consisted of soil borings at 21 locations scattered through the site (Figure 2). Information from a review of the boring findings can be helpful to determine the potential sensitivity of the subsurface deposits for cultural resources given that buried archaeological sites require relatively undisturbed ground with stratigraphic integrity to be present.

The bore locations were situated throughout the entire project site, in all four quadrants, including along the outer edges and within the center of the site, with a minimum of two bores in the northwest quadrant and a maximum of eight in the southeast quadrant. The depths of the borings varied from a minimum of 5 feet in Borings 4, 8, 10, 18 and 19, to a maximum of 56.5 feet in Boring 2. In eight of the bores the uppermost soil layer consisted of Artificial Fill usually described as “Silty Sand, medium dense, dry, light brown, fine-grained, some medium-grained, trace rootlets, trace fine gravel,” sometimes with “abundant brick fragments.” The fill was encountered in Borings 3, 4, 6, 9, 10, 11, 12 and 13, and reached depths ranging from 2.5 below the surface to 6 feet. The bores that encountered fill were not in a cohesive area, though five of the eight were in the northeast quadrant while the remaining three were scattered among the southwest and southeast quadrants. In the remaining 13 borings Alluvium was the top soil encountered. This was usually described as “Clayey Silt, stiff, slightly moist, dark brown, low plasticity, trace fine-grained sand,” with lower layers of alluvium being brown or yellowish brown. The depth of dark brown alluvium ranged from 5 feet to 10.5 feet deep, with lower layers of alluvium reaching to 47 feet. Below the alluvium Puente Formation “Silstone” was encountered. Borings were always concluded if the Puente Formation was encountered, but sometimes the bore only went as deep as 5 feet into alluvium and then stopped.
The surface artificial fill was encountered at spots scattered throughout the project site. However, data from the borings demonstrate that use of fill was not continuous in all areas. The boring results show that there were alluvium deposits at the surface present between all of the demonstrated artificial fill surface deposits. Therefore it cannot be assumed that any given area will have artificial fill at the surface even with it is present nearby. There were no surface deposits of bedrock, represented by the Puente Formation in the project site.

While statistically, fill may actually be present 38% of the time given its presence in eight of the 21 borings, these locations appear almost randomly scattered throughout the project site. Therefore it should be assumed that any given portion of the project’s ground surface may have native alluvium at the surface.

1.1.3.2 Tuck-Under Parking Background

A new element for parking in the Rose Hill Courts Redevelopment plan will be “Tuck-Under Parking” along the south side of the project site. This will be located along the east edge of Buildings C and D parallel to Boundary Avenue, and along the length of Buildings G, H and I parallel to Mercury Avenue (Figure 3). A review of the "Master Site Plan" and the “Phase II – Site Section / SD19” drawings (Withgee Malcolm Architects: 2019), indicate that the Tuck-Under Parking will be situated at ground level, equivalent with the first floor of the other residential buildings, while portions of Buildings C, D, G, H and I’s first residential floor will now be above the parking spaces at what otherwise would be the second floor of buildings that do not have tuck-under parking. This configuration means that there will be no extra grading or excavation required at these five buildings to accommodate the Tuck-Under Parking. Therefore no special archaeological monitoring will be required during the grading for this aspect of the project.

(It was seen that in the ten geotechnical borings conducted along the south and west sides of the project site, where Buildings C, D, G, H and I will be located, there were three borings that encountered artificial fill at the surface, with the remaining seven borings encountering alluvium.)
2.0 ARCHAEOLICAL TESTING PLAN (ATP)

The Archaeological Testing Plan:

Within the Programmatic Agreement (PA), Stipulation III directly relates to the requirement for an Archaeological Testing Plan (ATP) that would be necessitated if during Project construction historic or prehistoric archaeological findings are discovered. An archaeological testing and evaluation program shall be conducted in accordance with such an ATP. The ATP is to be reviewed and approved by the SHPO. The ATP shall specify the types of archaeological remains that may potentially be adversely affected by the proposed construction project, the testing methods to be used, and the locations recommended for testing.

As stated above in Section 1.0 Context and Introduction, we feel that there is only a remote possibility that a late discovery will occur during Project demolition or construction.

The purpose of the ATP is to outline the means by which the presence/absence and extent of archaeological resources within the Project may be determined and to evaluate whether these late discovery resources constitute an historical property using the criteria of the NRHP.

The Project Archaeologist shall submit a written report of the findings relating to the ATP to SHPO. If, based on the testing plan, the Project Archaeologist finds that significant archaeological remains are present, then it shall be determined if additional mitigation measures are warranted. Additional measures that may be undertaken include excavation and testing, supplemental monitoring, and/or an archaeological data recovery program. No archaeological data recovery program shall be undertaken without the prior approval of the Project Archaeologist.

If the Project Archaeologist determines that a significant (NRHP eligible) archaeological resource is present and that the resource could be adversely affected by the project, at the discretion of the Project Sponsors either:

a. The proposed project shall be re-designed as to avoid any adverse effects on the significant archaeological resource; or

b. A data recovery program shall be implemented, unless the Project Archaeologist determines that the archaeological resource is of greater interpretive value than its research significance and that the interpretive use of the resource is the more feasible alternative.

ATP Purpose:

The purpose of this Archaeological Testing Plan (ATP) is to outline the manner in which to determine the extent and possible presence/absence of historic and/or prehistoric archaeological resources. Further, this plan is meant to provide the means by which to identify whether such resources constitute a significant historical property using the criteria of the NRHP. This ATP shall specify the types of archaeological remains that could be adversely affected by the proposed Project, the testing methods to be used, and the locations recommended for testing.

Types of Archaeological Remains:

The types of archaeological remains that might be expected at the Rose Hill Courts Project include: flaked stone debitage, bifaces, projectile points, formalized and informal flaked stone tools, ground...
stone (milling equipment), ceramics, bone artifacts and eco-facts including animal remains and macro-botanical remains; and historic artifacts.

Further there would be the potential to identify a midden – culturally altered soils containing charcoal, macro-botanical remains, and economic animal bone. Also there would be the potential to identify prehistoric features that would include roasting hearths, caches of artifacts, house pits or floors, postholes. Many types of historic features could also be found including privies, structural foundations, wells, and a host of other forms relating to Euroamerican use of the area.

There is also the possibility of identifying human remains and related mortuary offerings (see discussion below).

Field Methods for Test Excavations:

If found necessary, collection of artifacts and excavations will consist of a series of Test Excavation Units (TEUs) and Shovel Test Pits (STPs) within and immediately outside the locations of the Late Discoveries. The latter might be isolated individual artifacts, concentrations of artifacts, features, or the presence of a midden.

The TEUs will be one meter square and these units will be excavated in 10 cm levels. Each will be excavated to sterile soil or at least 20 cm below to the appearance of a sterile level even if no cultural material is observed, as permitted by the presence of bedrock. Material from each of the TEUs will be screened in 1/8" mesh screens.

If an historic or prehistoric archaeological feature is discovered then a TEU will be excavated over that discovery and an additional one meter square unit will be placed so as to identify the full extent and associated archaeological materials.

Additionally, there will be a number of STPs excavated. These STPs will be the standard 30 cm width (shovel width) and they will be excavated in 20 cm levels. Each STP will be excavated to sterile soil or at least 20 cm in depth even if no cultural material is observed, as permitted by the presence of bedrock. Soil extracted from each of the STPs will be screened in 1/8" mesh screens.

The location of all TEUs and STPs will be recorded with a sub-meter GIS device and plotted on a site map. Sidewall profiles of the TEUs will be drawn. Any artifacts recovered will be recorded and collected in standard professional fashion. Level record sheets will be completed for each excavation unit. Photographs and drawings will be made of each TEU.

All cultural material collected will be returned to the cultural consulting firm’s office and analyzed by a specialist in the dating, flaked stone and ground stone technology, and function of flaked, ground and battered stones, beads and ornaments, faunal remains and plant macrofossils (as appropriate). Organic material, such as charcoal, charcoal-imbedded soil, faunal or macrobotanical remains would be collected and up to two samples will be submitted for radiocarbon assays.

Curation:

Following the completion of the cataloging and analytical methods, Project collections, notes, field records, and related documentation will be prepared for permanent curation according to the Smithsonian Institution guideline and the requirements of a permanent curation facility. Materials to be curated include archaeological samples, artifacts, ecofacts, paper and electronic records, maps,
plans, profile drawings, photographic logs, consultant and subcontractor reports, special studies and a minimum of two paper copies of the final technical report. These materials will be curated (archived) in a facility that meets the federal standards presented in 36CFR Part 79, Curation of Federally Owned and Administered Archaeological Collections.

Management and Treatment of Human Remains:

In the event that human remains are discovered the Project Archaeologist will contact the Los Angeles County Coroner. Upon determination that the remains are likely prehistoric and/or Native American, the Coroner shall contact the Native American Heritage Commission (NAHC) within 24 hours, and the NAHC will immediately notify the person it believes to be the Most Likely Descendent (MLD) of the deceased Native American. Further procedures will be followed as required by the Public Resources Code, Sections 5097.94, 5097.98, 5097.99, and Health and Safety Code, Section 7050.5.

3.0 EVALUATION OF ARCHAEOLOGICAL RESOURCES / LABORATORY METHODS

The procedures used in the initial processing of recovered material include the cleaning (as appropriate), sorting, and cataloging of all items. All items are to be individually examined and cataloged according to class, type, and material; counted; and weighed on a digital scale. The cultural material would be sorted during cataloging into the following categories: flaked stonedebitage, bifaces, formal and informal stone tools, projectile points, ground stone, ceramics, and bone artifacts; eco-facts including animal remains and plant macrofossils; and historic artifacts.

All flaked stone will be separated by toolstone material types. Debitage, including both flakes and angular debris, will be sorted by subclass and by cortex (primary, secondary, and interior). Flakes with more than 50 percent dorsal cortex are to be classified as primary, those with less than 50 percent as secondary, and flakes with no cortex were labeled as interior. Angular debris that could not be oriented as to proximal/distal ends or ventral/dorsal side is to be classified as core shatter.

The classification of flaked stone tools is determined by the type and technology of modification. Ground stone artifacts are classified as to type, including bifacial and unifacial manos and milling tools (stone bowls or mortars, pestles, milling slabs or metates) and fragments. Length, width, and thickness measurements are to be taken on all modified stone using a digital caliper. Ceramics are to be sorted by ware, type, and vessel fragment type (i.e., rim or body). The eco-factual class consisted of unmodified vertebrate faunal remains and plant macrofossils. Modified bone is separated from the unmodified bone assemblage. Historic items are cataloged and identified as specifically as possible.

4.0 ARCHAEOLOGICAL MONITORING PROGRAM

For the construction phase of the Project an Archaeological Monitor and a Native American Monitor may be required. This is addressed in Stipulation III.G.d of the PA.

Monitoring is recommended in Project areas where there would be intact (relatively undisturbed ground) areas where project construction activities are being conducted. Monitors would be needed within 50 feet of where intact ground is being excavated (see Section 2.4). Safety is paramount and all monitors are required to undergo safety briefings and shall abide by all Occupational Safety and Health Administration (OSHA) and Project Safety Requirements. Monitors have the authority to halt work. A record of safety briefings shall be completed and all monitors shall participate.
Archaeological Monitors shall have the following qualifications and responsibilities:

- Monitors shall be familiar with the types of historic and prehistoric remains that are found within the study area;

- Monitors shall maintain a daily work log that includes: date and time of work, area worked, type of work being carried and construction equipment present, construction activities performed, nature of monitoring activities, cultural resources present, name of other monitors working on the project.

Color digital photographs shall be taken as deemed appropriate to document monitoring activities.

Monitors shall provide daily updates to the Project Archaeologist. Weekly reports will be sent to the Project Archaeologist summarizing the character of their work. These reports shall include: when and where the monitoring work took place, dates they were employed, and hours worked, when they started and when they exited the Project. Once the monitoring activity is complete a full and complete monitoring report will be completed and transmitted to the client Project Archaeologist.

The monitoring report shall include:

- All monitoring activities;
- Locations of monitoring;
- Dates of monitoring;
- Personnel and resumes;
- Resources that were identified and protected;
- Damaged resources and the effects of those impacts –
- Resources discovered, their character and significance;
- Management and treatment measures implemented.

5.0 FINAL ARCHAEOLOGICAL RESOURCES REPORT

A professional scientific report will be crafted that will present the results of the background, methods and findings related to the implementation and execution of the ATP. This report will follow the standard scientific guidelines for cultural resources investigations. The report will adhere to elements of the Secretary of the Interior's Standards for Archaeological Documentation (National Park Service 1983). The technical report and related special studies will be responsive to professional standards and also be consistent with the ARMR guidelines. Precise locational data shall be provided in a separate appendix.

The report shall contain the results of Native American consultation and coordination, a discussion of the natural environment, research design, field methods, laboratory methods, related specialized studies, analytical methods and results, discussion of the age of the remains, their cultural and historical affiliation, cultural context, site function, site significance, and relevant potential meaning and interpretation.
6.0 LATE DISCOVERIES

Management of Previously Unknown Sites and Features:

There may be the remote possibility for a need to explore and test for the presence of subsurface cultural materials where there are "late discoveries" (prehistoric or historical archaeological materials or features) recognized during construction. Also, previously unknown artifacts, features, or sites could possibly be encountered during construction. The spatial distribution of features and their functional types are important in terms of intra-site structure, site spatial organization, and site function. The recovery and documentation of cultural remains will include mapping the discovery location, photographing the materials in situ, illustrating individual artifacts, sketching features, soil profiling, and related test excavations. A discussion of the disposition and curation of recovered artifacts is presented above under Curation.

Guidelines for treatment of late discoveries are as follows:

- The monitor (archaeological or Native American) shall have the authority to halt work in the vicinity of the discovery and redirect heavy equipment from the discovery site.
- All ground-disturbing activities that could adversely affect the newly discovered cultural material shall be halted. The horizontal and vertical limits of the resource within the area shall be determined. If necessary the resource shall be protected by barriers and monitors to ensure that no further disturbance to the resource takes place.
- The Project Archaeologist shall evaluate the discovery.
- The criteria for listing in the National Register of Historic Place shall be applied.
- If the cultural resource is determined to be an historic property (eligible for the NRHP), consultation shall take place to consider the appropriate treatment measures.
- Consultation with Native American groups or interested parties regarding the find shall occur.
- If needed a Data Recovery Plan shall be developed.
- The discovery of human remains during construction requires special procedures as indicated above.
- Discoveries, their evaluation, analysis and significance shall be reported in a final report for the Project.

DECLARATION OF RESTRICTIVE COVENANTS
FOR THE
DEVELOPMENT AND OPERATION OF AFFORDABLE HOUSING

This Declaration of Restrictive Covenants for the Development and Operation of Affordable Housing (the “Declaration”) dated March 11, 2021, for reference purposes only, by the Housing Authority of the City of Los Angeles (“HACLA”), a public body, corporate and politic, the fee owner of the real property, its successors, assigns and transferees (the “Real Property Owner”), Rose Hill Courts I Housing Partners, L.P., a California Limited Partnership, the leasehold owner of the real property and the fee owner of the housing development improvements, its successors, assigns and transferees (the “Housing Development Owner”) is hereby given to and on behalf of the California Department of Housing and Community Development, an agency of the State of California (the “Department”).

RECITALS

This Declaration affects that certain real property commonly known as 4446 Florizel Street, located in the City of Los Angeles, County of Los Angeles, State of California, as more particularly described in the Legal Description attached hereto as Exhibit “A” and incorporated herein by this reference (the “Property”) and is entered into based on the following facts and understandings:

1. Real Property Owner and the Department entered into an agreement 19-IIG-14417 dated [INSERT DATE OF EXECUTION], 2021 (the “Standard
Agreement”), under the Infill Infrastructure Grant Program of 2019 (the “Program”). The Program was forth in Health and Safety Code sections 53559, 53559.1, and 53599.2 (added by Stats. 2019, ch. 159, § 20). The primary objective of the Program is to promote infill housing development.

2. Pursuant to the terms of the Standard Agreement, the Department agreed to provide Real Property Owner with a grant under the Program (the “Grant”) in an amount not to exceed $3,519,300.00. The Standard Agreement requires Real Property Owner to use the Grant to complete certain infrastructure improvements to the Property and to develop a residential development containing affordable housing units (the “Affordable Housing Development”) on the Property, all as specified in the Standard Agreement.

3. The Real Property Owner and the Department also entered into a Disbursement Agreement dated ______________, 2021 governing the disbursement of funds from the Program Grant (the “Disbursement Agreement”).

4. The Real Property Owner, as landlord, and the Housing Development Owner, as tenant, entered into that certain Ground Lease Agreement dated as of substantially even date herewith (the “Ground Lease”). In conjunction with the Ground Lease, the Real Property Owner and Housing Development Owner also executed that certain Memorandum of Ground Lease dated as of substantially even date herewith, which was recorded on substantially even date herewith, in the Official Records of the County of Los Angeles (the “Official Records”).

5. To ensure the construction and continued operation of the Affordable Housing Development and as consideration for the Program Grant, the Real Property Owner and Housing Development Owner agreed to encumber their respective interests and enter into this Declaration, to restrict the development, use and occupancy of the Affordable Housing Development.

6. The Real Property Owner is joining in this Restrictive Covenant for the sole purpose of encumbering its fee interest in the Property solely for the limited purpose of ensuring that the Property will be available for use as an Affordable Housing Development site and the Department shall not hold the Real Property Owner liable for the construction and the continued operation of the Affordable Housing Development.

7. The term “Owner” as used in this Declaration shall include Real Property Owner and Housing Development Owner, and all of their respective successors, assigns and transferees of their respective interests in the Affordable Housing Development and the Property.
NOW, THEREFORE, Owner, in consideration of the Department’s Grant to Real Property Owner and for other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Owner hereby covenants, agrees and declares that the Property shall be owned, held, used, maintained, and transferred pursuant to the following restrictive covenants (the “Covenants”) and that such Covenants shall be binding upon all of Owner’s successors, assigns and transferees to the Property, and all leases, tenants, contractors, agents, and all persons claiming an interest in the Property, or claiming an interest by and through any of the foregoing.

COVENANTS

1. **Construction, Operation and Maintenance of the Affordable Housing Development.** Owner, for itself and for any successors-in-interest to and transferees or assigns of the Property, hereby declares and covenants that the Property is restricted to the development and use of the Affordable Housing Development and uses ancillary to such housing and other uses as may be reasonably approved by the Department in its sole discretion. The Affordable Housing Development shall be comprised of, at the minimum, the number and size of units, have such occupancy and affordability restrictions and such other characteristics as are described in Exhibit B, “Affordable Housing Development,” attached hereto and incorporated herein by this reference.

2. **Repair and Maintenance of the Property and other Building or Improvements of the Affordable Housing Development.** Owner agrees:
   a. To keep the Property in a decent, safe, sanitary, rentable, tenantable condition and repair, and permit no waste thereof;
   b. Not to commit or suffer to be done or exist on or about the Property any condition causing the Property to become less valuable;
   c. Not to construct any buildings or improvements on the Property, other than the buildings and improvements contemplated as part of the Affordable Housing Development or add to, remove, demolish or structurally alter any buildings and improvements now or hereinafter located on the Property;
   d. To repair, restore or rebuild promptly any buildings or improvements on the Property that may become damaged or be destroyed while subject to this Covenant;
   e. To comply with all applicable laws, ordinances and governmental regulations affecting the Property or requiring any alteration or improvement thereof, and not to suffer or permit any violations of any
such law, ordinance or governmental regulation, nor of any covenant, condition or restriction affecting the Property;

f. Not to initiate or acquiesce in any change in any zoning or other land use or legal classification which affects any of the Property without the Department's prior written consent; and

g. Not to alter the use of all or any part of the Property without prior written consent of the Department.

a. Except with the Department’s prior written approval, Owner shall not make any sale, encumbrance, hypothecation, assignment, refinancing, pledge, conveyance, or transfer in any other form of the Property or the Affordable Housing Development or of any of its interest in either of them. The transfer of any limited partnership interest in the Housing Development Owner shall not constitute a default hereunder and the removal and replacement of a general partner pursuant to the Housing Development Owner’s partnership agreement shall not constitute a default hereunder (please conform to the HACLA loan agreement investor rider).

b. The Department may grant its approval for a sale, transfer or conveyance of the Property or the Affordable Housing Development subject to such terms and conditions as may be necessary to preserve or establish the fiscal integrity of the Property or the Affordable Housing Development or to ensure compliance with the Program Requirements.

4. Charges; Liens. Owner shall pay all taxes, assessments and other charges, fines and impositions attributable to the Property or to the Affordable Housing Development, if any, by Owner making payment, when due, directly to the payee thereof. Owner shall promptly furnish to Department all notices of amounts due under this paragraph, and in the event Owner shall make payment directly, Owner shall promptly furnish to Department receipts evidencing such payments. Owner shall pay when due all encumbrances, charges, and liens, on the Property or to the Affordable Housing Development, any portion thereof and payments on notes or other obligations secured by an interest in the Property or Affordable Housing Development, any portion thereof, with interest in accordance with the terms thereof. Owner shall have the right to contest in good faith any claim or lien, or payment due thereunder, provided that Owner does so diligently and without prejudice to Department.

5. Hazard and Liability Insurance and Condemnation.
a. The Owner shall at all times keep the Property and the Affordable Housing Development insured against loss by fire and such other hazards, casualties, liabilities and contingencies, and in such amounts and for such periods as required by the Department. All insurance policies and renewals thereof shall be issued by a carrier and in form acceptable to the Department.

b. In the event of any fire or other casualty to the Property or Affordable Housing Development or eminent domain proceedings resulting in condemnation of the Property or Affordable Housing Development or any part thereof, Owner shall have the right to rebuild the Property or the Affordable Housing Development, and to use all available insurance or condemnation proceeds therefore, provided that, as determined by the Department in its sole discretion, (a) such proceeds are sufficient to rebuild the Property or Affordable Housing Development in a manner that ensures continued operation of the Affordable Housing Development and as consideration for the Program Grant, (b) the Department shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance or condemnation proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no material breach or default then exists under the Grant. If the casualty or condemnation affects only part of the Property or Affordable Housing Development and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and/or partial repayment of the Grant.

6. **Covenants Run with the Land.** The Property is held and hereafter shall be held, conveyed, hypothecated, encumbered, leased, rented, used and occupied subject to these covenants, conditions, restrictions and limitations. All of the herein-stated covenants, conditions, restrictions and limitations are intended to constitute both equitable servitudes and covenants running with the land. Owner expressly acknowledges and agrees that the Covenants are reasonable restraints on Owner's right to own, use, maintain, and transfer the Property and any estate or interest therein and are not and shall not be construed to be an unreasonable restraint on alienation. Each and every contract, deed or other instrument hereafter executed covering or conveying the Property or any portion thereof, shall be held conclusively to have been executed, delivered and accepted subject to such covenants and restrictions, regardless of whether such covenants or restrictions are set forth in such contract, deed or other instrument.

7. **Binding Effect.** Any purchaser of the Property or of any portion of or interest in the Property, by the acceptance of a deed therefore, whether from Owner or from any subsequent owner of the Property, or by the signing of a
contract or agreement to purchase the Property, shall by the acceptance of such deed or by the signing of such contract or agreement be deemed to have consented to and accepted the Covenants set forth in this Declaration.

8. Term of Declaration. The Covenants in this Declaration shall be binding, effective and enforceable commencing upon the execution of this Declaration and shall continue in full force and effect for a period of not less than fifty-five (55) years for Rental Affordable Housing Developments after a certificate of occupancy or its equivalent has been issued for the Affordable Housing Development by the local jurisdiction or, if no such certificate is issued, from the date of initial occupancy of the Affordable Housing Development.

9. No Approval of Building Permits. Owner agrees not to approve or issue any permits for the construction of improvements on the Property inconsistent with the Affordable Housing Development as described in Exhibit B hereto.

10. Default. The following shall constitute a default of this Declaration and shall entitle the Department to all of the remedies contained herein.

   a. Any default under the Standard Agreement or the Disbursement Agreement shall also be a default under this Declaration.

   b. Owner’s failure to repay all disbursed Grant funds upon demand by the Department where construction of the Affordable Housing Development has not received building permits and begun within five (5) years from the date of the Program Grant award to include any granted extension of the deadline date.

   c. Failure to complete the Affordable Housing Development, as evidenced by a certificate of occupancy, within the period of time set forth in the Standard Agreement, but not more than eight (8) years from the date of the award of the Program Grant or any extension granted by the Department.

   d. The Housing Development Owner’s limited partner shall have the right, but not the obligation, to cure any default under the Declaration and the parties shall accept such performance as performed by the Housing Development Owner or Real Property Owner.

11. Remedies. The Department and its successors and assigns may use any or all of the following provisions in the event of a default or breach of this Declaration. The failure by the Department to exercise any specific right or remedy shall not preclude the Department from exercising any other right or remedy, or from maintaining any action to which it may otherwise be entitled at law or in equity:
a. **Specific Performance.** The development, use and maintenance of the Property as an Affordable Housing Development in accordance with Exhibit B attached to this Declaration is of a special and unique kind and character, so that a breach of any material provision of this Declaration by Owner, its successors, assigns or transferees, would not have an adequate remedy at law. Therefore, the Department’s rights in the affordable housing provisions may be enforced by an action for specific performance and such other equitable relief as is provided by the laws of the State of California.

b. **Performance Lien.** Owner acknowledges that Department requires security to ensure the faithful performance of the Covenants in this Declaration. In order to provide such security, Owner hereby consents to the imposition of, and there is hereby imposed, a lien ("Lien") on the Property as security for the doing and performance of the Covenants and other obligations set forth in this Covenant. Upon recordation of this Declaration in the office of the Recorder of the County of Los Angeles, State of California, the Lien shall have the priority of a judgment lien. The Lien may be foreclosed, at the discretion of the Department, by a judicial foreclosure or private foreclosure in the same manner that a mortgage of real property with power of sale given to the mortgagee may be foreclosed. For purposes of foreclosure of the Lien, the Department shall be deemed to be a mortgagee holding a mortgage with a power of sale. The Lien may be released by the Department, in its sole discretion, at any time by recording a separate instrument stating that the Lien is to be released. Notwithstanding, the Lien shall automatically terminate at the end of the duration of this Declaration, or upon the Declaration’s termination by the Department, or as otherwise ordered by a Court of law having jurisdiction over the Property. [NTD: If the Performance Lien provision remains, it should be limited the Housing Development Owner’s interest in the Property and Affordable Housing Development. It should not apply to the Real Property Owner’s interest in the Property.]

c. **Injunctive Relief.** In pursuing specific performance of the Covenants, the Department shall be entitled to petition the court for injunctive relief to preserve the Department’s interests in the Property and its rights under this Declaration. Such injunctive relief may include, but is not limited to, an order of the court restraining any development of the Property inconsistent with the Covenants made herein.

d. **Appointment of Receiver.** In conjunction with any other remedy provided herein or by law, the Department may apply to any court of competent jurisdiction for the appointment of a receiver to take over and operate the Affordable Housing Development in accordance with the terms of this Declaration and the Standard Agreement.
e. **Legal Actions.** In addition to any other rights and remedies, any party may institute a legal action to require the cure of any breach or default of the Covenants contained in this Declaration and to recover damages for any breach or default, or to obtain any other remedy consistent with the purpose of this Declaration. Damages may include, but are not limited to, reimbursement of the Department’s Grant to Owner with interest at the highest rate permissible under applicable law. In any action seeking enforcement or interpretation of any of the terms or provisions of this Declaration, the prevailing party shall be awarded, in addition to damages, injunctive relief, or other relief, its reasonable costs and attorneys’ fees.

12. **Department Review and Inspection.**

a. At any time during the term of this Declaration, the Department or its designee may enter and inspect the Property and inspect all accounting records pertaining to the construction of the infill infrastructure projects funded by the Grant, and the development or operation of the Affordable Housing Development. Upon request by the Department, the Owner shall notify occupants of upcoming inspections of their units in accordance with state law.

b. At the Department's request, the Owner shall provide, at Owner's expense, a special audit of the infill infrastructure projects funded by the Grant and the Affordable Housing Development certified by an independent certified public accountant. The Department may also perform or cause to be performed audits of any and all phases of the Owner's activities related to the Grant.

c. The Department may request any other information that it deems necessary to monitor compliance with the Covenants and other requirements set forth in this Declaration and the Standard Agreement. The Owner shall provide such information within 14 days from the Department's written request for such information.

d. The Owner agrees to regular monitoring of the housing development by the Department or such designee the Department may name at any time during the term of the Standard Agreement and/or Covenant, to verify compliance with the requirements of the Program. The Owner, or designee, shall submit annual reports as required by the Department on forms approved or provided by the Department, detailing components of the on-going operations of the housing development, as noted in this subsection. The components of annual operations for which reporting is required, which the Department retains the right to inspect, or cause to be inspected.
(subject to the rights of residential tenants of the Affordable Housing Development), include, and are not limited to:

(1) The Affordable Housing Development, including interior of units, common areas, and exterior of the development;
(2) Tenant files, demonstrating compliance with Program affordability standards;
(3) Financial records, including the right to request a certified financial audit of the revenue, expenses, and operations of the housing development; and
(4) Insurance records to ensure continuous insurance coverage in accordance with Department and Program requirements.

13. **Owner Representations.** Each Owner, as to itself, represents and warrants to the Department that: (1) Housing Development Owner has sufficient interest in the Property to own, develop, construct and operate the Affordable Housing Development in accordance with this Declaration, (2) to Owner’s actual knowledge and belief, there are no agreements, contracts, covenants, conditions or exclusions to which Owner (or its predecessor in interest) is a party which would, if enforced, prohibit or restrict the use of the Property in accordance with the terms of this Declaration, (3) Owner has the full right and authority to enter into this Declaration, (4) this Declaration constitutes a valid and legally binding obligation on Owner, enforceable in accordance with its terms, and (5) Owner is duly organized and authorized to do business in the State of California.

14. **Governing Law.** This Declaration shall be interpreted and be governed by the laws of the State of California.

15. **Severability.** Every provision of this Declaration is intended to be severable. If any provision of this Declaration is held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not be affected or impaired.

IN WITNESS WHEREOF, the Owner has caused this Declaration to be signed by its duly authorized representative, as of the day and year first written above.

Interest shall commence at Closing and shall accrue thereafter at a rate equal to the interest rate stated below on the outstanding principal balance. The interest rate on this Note shall be three percent (3%) simple interest per annum.  

2. **Term.** All unpaid interest and principal shall be due and payable on the date that is fifty-five (55) years from the date the Construction Loan is paid in full (“Conversion”), but no later than December 31, 2078.]  

3. **Payments.** Payments of principal, interest, and all other amounts hereunder shall be made in currency of the United States to the Lender at its principal office in Los Angeles, California, or such other place as the Lender may designate from time to time in writing. Payments of principal and any accrued interest shall be due and payable under this Note as follows:  

    (a) Commencing at Conversion, principal and interest shall be payable as an annual payment to the extent available from Net Cash Flow of the Borrower, in the priority set forth in the Distribution of Net Cash Flow at Exhibit A attached hereto. Such payments shall be applied first to accrued interest, if any, then to principal. The Borrower may prepay the outstanding principal balance of this Note, in full or in part, at any time without penalty or premium.  

    (b) This Note shall become due and payable in full in the event of (a) a Transfer that is not permitted under the Ground Lease or approved by Lender, subject to the cure periods set forth in Section 13.4(a) of the Ground Lease, (ii) the date of any “Event of Default”, as defined and provided for in the Ground Lease, the Authority Acquisition Deed of Trust, or of any uncured breach or default under any of the other “Loan Documents” (as such term is defined in the Authority Acquisition Deed of Trust), and (iii) the expiration or earlier termination of the Ground Lease.  

4. **Enforcement.**
(a) The Borrower agrees to the full extent permitted by law that in case of a default hereunder, neither the Borrower nor anyone claiming through or under the Borrower shall or will set up, claim, or seek to take advantage of any appraisement, valuation, stay, extension, or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of the Authority Acquisition Deed of Trust, or the absolute sale of any collateral, or the final and absolute putting into possession thereof, immediately after such sale, of the purchasers thereat, and the Borrower, for itself and all who may at any time claim through or under it, hereby waives, to the full extent that it may lawfully so do, the benefit of all such laws, and any and all right to have the assets comprising any collateral marshalled upon any enforcement or foreclosure of the lien of the Authority Acquisition Deed of Trust, or to have any collateral appraised for the purpose of reducing any deficiency judgment obtained against the Borrower upon enforcement or foreclosure of the Authority Acquisition Deed of Trust and the Borrower further agrees that the Lender or any court having jurisdiction to foreclose such lien may sell any collateral, in part or as an entirety.

(b) The obligations of the Borrower to make the payments required to be made hereunder shall be absolute and unconditional, and shall not be subject to diminution by set-off, counterclaim, abatement, or otherwise (except in connection with a judicial proceeding involving a claim asserted by the Lender under this Note wherein the failure by the Borrower to raise as a defense any such set-off, counterclaim, or abatement would, pursuant to applicable law, operate as a permanent bar to the Borrower’s asserting in a separate judicial proceeding a claim against the Lender based upon such set-off, counterclaim, or abatement). Until such time as the principal of, interest on, and all other amounts due under this Note shall have been fully paid, the Borrower shall not suspend or discontinue any payments required to be made hereunder except to the extent of any prepayment hereof.

5. **Acceleration.** Upon the occurrence of a default in the payment of any amount due hereunder continuing uncured beyond ten (10) days from the date the Lender gives written notice to the Borrower of such default, the principal of, interest on, and all other amounts owing under this Note may be declared due and payable.

6. **Costs and Expenses.** If it is necessary for the Lender to employ attorneys or incur expenses for the collection of amounts payable hereunder, all costs and expenses incident to such collection, including without limitation reasonable fees of such attorneys, shall be added to the principal amount hereof and be collectible as a part hereof.

7. **Waivers.** The Borrower (and any other person becoming obligated hereunder) hereby waives presentment, demand, dishonor, protest, notice for payment, notice of nonpayment, notice of default, notice of compromise or surrender, and any other demand or notice whatsoever in connection with payment of this Note. Failure to accelerate the debt evidenced hereby by reason of the occurrence of an event of default, or the acceptance of a past due payment of interest or principal, or any other waiver, extension, or forbearance of any kind shall not be construed as a novation or a waiver of the right of the Lender to thereafter insist upon strict compliance with the terms hereof without previous notice of such intention being given to the Borrower.

8. **Recourse.** Neither the Borrower nor any partner of the Borrower shall have any direct or indirect personal liability for payment of the principal of, or interest on, the Loan or the performance
of the covenants of the Borrower under the Authority Acquisition Deed of Trust. The sole recourse of the Lender with respect to the principal of, or interest on, the Note and defaults by the Borrower in the performance of its covenants under the Authority Acquisition Deed of Trust shall be to the property described in the Authority Acquisition Deed of Trust; provided, however, that nothing contained in the foregoing limitation of liability shall (a) limit or impair the enforcement against all such security for this Note of all the rights and remedies of the Lender hereunder, or (b) be deemed in any way to impair the right of the Lender to assert the unpaid principal amount of this Note as demand for money within the meaning and intendment of Section 431.70 of the California Code of Civil Procedure or any successor provision thereto. The foregoing limitation of liability is intended to apply only to the obligation for the repayment of the principal of, and payment of interest on this Note and the performance of the Borrower’s obligations under the Authority Acquisition Deed of Trust, except as hereafter set forth; nothing contained herein is intended to relieve the Borrower of its obligation to indemnify the Lender under Sections 7.3 and 10.3 of the Ground Lease, or for liability for: (i) fraud or willful misrepresentation; (ii) the failure to pay taxes, assessments or other charges which may create liens on the Property that are payable or applicable prior to any foreclosure under the Authority Acquisition Deed of Trust (to the full extent of such taxes, assessments or other charges); (iii) the fair market value of any personal property or fixtures removed or disposed of by the Borrower other than in accordance with the Authority Acquisition Deed of Trust; and (iv) the misappropriation of any proceeds under any insurance policies or awards resulting from condemnation or the exercise of the power of eminent domain or by reason of damage, loss or destruction to any portion of the Property.

9. **Subordination.** Notwithstanding any other provisions of this Note, all liens, claims, charges, and priorities related to the loan contemplated by this Note shall be subordinate and junior to the Construction Loan, Permanent Loan and HCD Loan.

10. **Governing Law.** This Note shall be governed by and construed in accordance with the laws of the State of California.

ARTICLE 2
MAINTENANCE AND MODIFICATION OF THE PROPERTY AND SECURITY

Section 2.1 Maintenance and Modification of the Property by Trustor. Trustor agrees that at all times prior to full payment of the sum owed under the Note, Trustor will, at Trustor's own expense, maintain, preserve, and keep the Security or cause the Security to be maintained and preserved in good condition. Trustor will from time to time make or cause to be made all repairs, replacements, and renewals deemed proper and necessary by it. If there arises a condition in contravention of this requirement, and if the Trustor has not cured such condition within thirty (30) days after receiving a Beneficiary notice of such a condition, and the Trustor has not initiated diligent efforts to cure such condition within such period, then in addition to any other rights available to the Beneficiary, the Beneficiary shall have the right to perform all acts necessary to cure such condition, and to establish or enforce a lien or other encumbrance against the Security. Beneficiary shall have no responsibility in any of these matters or for the making of improvements or additions to the Security.

Trustor agrees to pay fully and discharge (or cause to be paid fully and discharged) all claims for labor done and for material and services furnished in connection with the Security, diligently to file or procure the filing of a valid notice of cessation upon the event of a cessation of labor on the work or construction on the Security for a continuous period of thirty (30) days or more, and to take all other reasonable steps to forestall the assertion of claims of lien against the Security or any part thereof. Trustor irrevocably appoints, designates, and authorizes Beneficiary as its agent (said agency being coupled with an interest) with the authority, but without any obligation, to file for record any notices of completion or cessation of labor or any other notice that Beneficiary deems necessary or desirable to protect its interest in and to the Security or the Loan Documents; provided, however, that Beneficiary shall exercise its rights as agent of Trustor only in the event that Trustor shall fail to take, or shall fail to diligently continue to take, those actions as hereinbefore provided.

Upon demand by Beneficiary, Trustor shall make or cause to be made such demands or claims as Beneficiary shall specify upon laborers, materialmen, subcontractors, or other persons who have furnished or claim to have furnished labor, services, or materials in connection with the Security. Nothing herein contained shall require Trustor to pay any claims for labor, materials, or services which Trustor in good faith disputes and is diligently contesting provided that Trustor shall, within thirty (30) days after the filing of any claim of lien, record in the Office of the Recorder of the County of Los Angeles, a surety bond in an amount one and a half times the amount of such claim item to protect against a claim of lien.

Section 2.2 Granting of Easements. Except as set forth in the Loan Documents, Trustor may not grant easements, licenses, rights-of-way, or other rights or privileges in the nature of easements with respect to any property or rights included in the Security except those required or desirable for installation and maintenance of public utilities including, without limitation, access, water, gas, electricity, sewer, telephone, and telegraph, or those required by law and as approved, in writing, by Beneficiary, which approval shall not be unreasonably withheld or delayed.

Section 2.3 Assignment of Rents. As part of the consideration for the indebtedness evidenced by the Note, Trustor hereby absolutely and unconditionally assigns and transfers to Beneficiary all the rents and revenues of the Property including those now due, past due, or to become due by virtue of any lease or other agreement for the occupancy or use of all or any part of the Property, regardless of to whom the rents and revenues of the Property are payable (collectively, the “Rents”). After the occurrence and during the continuation of an Event of Default (as defined in
Section 7.1), Trustor hereby authorizes Beneficiary or Beneficiary's agents to collect the aforesaid rents and revenues and hereby directs each tenant of the Property to pay such Rents to Beneficiary or Beneficiary's agents. Prior to the occurrence of an Event of Default, Trustor shall collect and receive all Rents of the Property as trustee for the benefit of Beneficiary and Trustor shall apply the Rents so collected to the sums secured by this Deed of Trust with the balance, so long as no Event of Default has occurred, to the account of Trustor, it being intended by Trustor and Beneficiary that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only. Upon delivery of written notice by Beneficiary to Trustor of an Event of Default, and without the necessity of Beneficiary entering upon and taking and maintaining full control of the Property in person, by agent, or by a court-appointed receiver, Beneficiary shall immediately be entitled to possession of all Rents of the Property as specified in this Section 2.3 as the same becomes due and payable, including but not limited to Rents then due and unpaid, and all such Rents shall immediately upon delivery of such notice be held by Trustor as trustee for the benefit of Beneficiary only; provided, however, that the written notice by Beneficiary to Trustor of an Event of Default shall contain a statement that Beneficiary exercises its rights to such Rents. Trustor agrees that commencing upon delivery of such written notice of an Event of Default, each tenant of the Property shall make such Rents payable to and pay such Rents to Beneficiary or Beneficiary's agents on Beneficiary's written demand to each tenant therefor, delivered to each tenant personally, by mail, or by delivering such demand to each rental unit, without any liability on the part of said tenant to inquire further as to the existence of a default by Trustor.

Except for the financing previously approved by the Beneficiary pursuant to the Loan Documents, Trustor hereby covenants that Trustor has not executed any prior assignment of said Rents, that Trustor has not performed, and will not perform, any acts or has not executed and will not execute, any instrument which would prevent Beneficiary from exercising its rights under this Section 2.3, and that at the time of execution of this Deed of Trust, there has been no anticipation or prepayment of any of the Rents of the Property for more than two (2) months prior to the due dates of such rents. Trustor covenants that Trustor will not hereafter collect or accept payment of any Rents of the Property more than two (2) months prior to the due dates of such Rents. Trustor further covenants that Trustor will execute and deliver to Beneficiary such further assignments of rents and revenues of the Property as Beneficiary may from time to time request.

Upon and during the continuation of an Event of Default, Beneficiary may in person, by agent, or by a court-appointed receiver, regardless of the adequacy of Beneficiary's security, enter upon and take and maintain full control of the Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof including, but not limited to, the execution, cancellation, or modification of leases, the collection of all Rents of the Property, the making of repairs to the Property, and the execution or termination of contracts providing for the management or maintenance of the Property, all on such terms as are deemed best to protect the security of this Deed of Trust. In the event Beneficiary elects to seek the appointment of a receiver for the Property upon an Event of Default, Trustor hereby expressly consents to the appointment of such receiver. Beneficiary or the receiver shall be entitled to receive a reasonable fee for so managing the Property.

All Rents collected upon and during the continuation of an Event of Default shall be applied first to the costs, if any, of taking control of and managing the Property and collecting the Rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, costs of repairs to the Property, premiums on insurance policies, taxes, assessments, and other charges on the Property, and the costs of discharging any obligation or liability of Trustor as lessor or landlord of the Property and then to the sums secured by this Deed of Trust. Beneficiary or the receiver shall
have access to the books and records used in the operation and maintenance of the Property and shall be liable to account only for those Rents actually received. Beneficiary shall not be liable to Trustor, anyone claiming under or through Trustor, or anyone having an interest in the Property by reason of anything done or left undone by Beneficiary under this Section 2.3.

If the Rents of the Property are not sufficient to meet the costs, if any, of taking control of and managing the Property and collecting the Rents, any funds expended by Beneficiary for such purposes shall become indebtedness of Trustor to Beneficiary secured by this Deed of Trust pursuant to Section 3.3 hereof. Unless Beneficiary and Trustor agree in writing to other terms of payment, such amounts shall be payable upon notice from Beneficiary to Trustor requesting payment thereof and shall bear interest from the date of disbursement at the rate stated in Section 3.3.

Any entering upon and taking and maintaining of control of the Property by Beneficiary or the receiver and any application of Rents as provided herein shall not cure or waive any default hereunder or invalidate any other right or remedy of Beneficiary under applicable law or provided herein. This assignment of rents of the Property shall terminate at such time as this Deed of Trust ceases to secure indebtedness held by Beneficiary. The rights of the Beneficiary under this Section 2.3 are subject to the rights of the Senior Lender and any other senior lender.

ARTICLE 3
TAXES AND INSURANCE; ADVANCES

Section 3.1 Taxes, Other Governmental Charges and Utility Charges. Trustor shall pay, or cause to be paid prior to the date of delinquency, all taxes, assessments, charges, and levies imposed by any public authority or utility company which are or may become a lien affecting the Security or any part thereof; provided, however, that Trustor shall not be required to pay and discharge any such tax, assessment, charge, or levy so long as (a) the legality thereof shall be promptly and actively contested in good faith and by appropriate proceedings, and (b) Trustor maintains reserves adequate to pay any liabilities contested pursuant to this Section 3.1. With respect to taxes, special assessments, or other similar governmental charges, Trustor shall pay such amount in full prior to the attachment of any lien thereon or any part of the Security; provided, however, if such taxes, assessments, or charges may be paid in installments, Trustor may pay in such installments. Except as provided in clause (b) of the first sentence of this paragraph, the provisions of this Section 3.1 shall not be construed to require that Trustor maintain a reserve account, escrow account, impound account, or other similar account for the payment of future taxes, assessments, charges, and levies.

In the event that Trustor shall fail to pay any of the foregoing items required by this Section to be paid by Trustor, Beneficiary may (but shall be under no obligation to) pay the same, after Beneficiary has notified Trustor of such failure to pay and Trustor fails to fully pay such items within seven (7) business days after receipt of such notice. Any amount so advanced therefor by Beneficiary, together with interest thereon from the date of such advance at the maximum rate permitted by law, shall become an additional obligation of Trustor to the Beneficiary and shall be secured hereby, and Trustor agrees to pay all such amounts.

Section 3.2 Provisions Respecting Insurance. Trustor agrees to provide insurance conforming in all respects to that required under the Loan Documents during the course of construction and following completion, and at all times until all amounts secured by this Deed of
Trust have been paid and all other obligations secured hereunder fulfilled, and this Deed of Trust reconveyed.

All such insurance policies and coverages shall be maintained at Trustor's sole cost and expense. Certificates of insurance for all of the above insurance policies, showing the same to be in full force and effect, shall be delivered to Beneficiary upon demand therefor at any time prior to Beneficiary's receipt of the entire Principal and all amounts secured by this Deed of Trust.

Section 3.3 Advances. In the event Trustor shall fail to maintain the full insurance coverage required by this Deed of Trust or shall fail to keep the Security in accordance with the Loan Documents, Beneficiary, after at least seven (7) days prior notice to Beneficiary, may (but shall be under no obligation to) take out the required policies of insurance, pay the premiums on the same, make such repairs or replacements as are necessary and provide for payment thereof, or expend such funds as necessary to remedy such failure by Trustor; and all amounts so advanced therefor by Beneficiary shall become an additional obligation of Trustor to Beneficiary (together with interest as set forth below) and shall be secured hereby, which amounts Trustor agrees to pay on the demand of Beneficiary, and if not so paid, shall bear interest from the date of the advance at the lesser of ten percent (10%) per annum or the maximum rate permitted by law.

ARTICLE 4
DAMAGE, DESTRUCTION OR CONDEMNATION

Section 4.1 Awards and Damages. All judgments, awards of damages, settlements, and compensation made in connection with or in lieu of (1) taking of all or any part of or any interest in the Property by or under assertion of the power of eminent domain, (2) any damage to or destruction of the Property or in any part thereof by insured casualty, and (3) any other injury or damage to all or any part of the Property (“Funds”) are hereby assigned to and shall be paid to Beneficiary by a check made payable to Beneficiary. Such Funds shall be applied to restoration or repair of the Property damaged, provided such restoration or repair is economically feasible and (after completion of the repair or restoration) the security of this Deed of Trust is not thereby impaired, as determined in Beneficiary's reasonable discretion. Such work or repair shall be in accordance with plans and specifications approved by the Beneficiary and commenced no later than the later of (a) one hundred twenty (120) days after the damage or loss occurs or (b) thirty (30) days following receipt of the Funds, and shall be complete within one (1) year thereafter. If such restoration or repair is not economically feasible, or if Trustor fails to provide additional monies to fund any deficiency in connection with such restoration, or if the security of this Deed of Trust would be impaired, then the Funds will be used to repay any amounts due under this Deed of Trust with the excess, if any, paid to Trustor. Beneficiary must consent to the settlement and adjustment of all claims under insurance policies provided under this Deed of Trust. All or any part of the amounts so collected and recovered by Beneficiary may be released to Trustor upon such conditions as Beneficiary may impose for its disposition. Application of all or any part of the Funds collected and received by Beneficiary or the release thereof shall not cure or waive any default under this Deed of Trust. The rights of Beneficiary under this Section 4.1 are subject to the rights of the Senior Lender and any other senior lender.

ARTICLE 5
AGREEMENTS AFFECTING THE PROPERTY; FURTHER ASSURANCES; PAYMENT OF PRINCIPAL AND INTEREST
Section 5.1 Other Agreements Affecting Property. Trustor shall duly and punctually perform all terms, covenants, conditions, and agreements binding upon it under the Loan Documents and any other agreement of any nature whatsoever now or hereafter involving or affecting the Security or any part thereof.

Section 5.2 Agreement to Pay Attorneys' Fees and Expenses. In the event of any Event of Default (as defined in Section 7.1) hereunder, and if Beneficiary should employ attorneys or incur other expenses for the collection of amounts due or the enforcement of performance or observance of an obligation or agreement on the part of Trustor in this Deed of Trust, Trustor agrees that it will, on demand therefor, pay to Beneficiary the reasonable fees of such attorneys and such other reasonable expenses so incurred by Beneficiary; and any such amounts paid by Beneficiary shall be added to the indebtedness secured by the lien of this Deed of Trust, and shall bear interest from the date such expenses are incurred at the lesser of ten percent (10%) per annum or the maximum rate permitted by law.

Section 5.3 Payment of the Principal. Trustor shall pay to Beneficiary the Principal and any other payments as set forth in the Note in the amounts and by the times set out therein.

Section 5.4 Personal Property; Fixture Filing. To the maximum extent permitted by law, the personal property subject to this Deed of Trust shall be deemed to be fixtures and part of the real property and this Deed of Trust shall constitute a fixtures filing under the California Commercial Code. As to any personal property not deemed or permitted to be fixtures, this Deed of Trust shall constitute a security agreement under the California Commercial Code. Trustor hereby grants Beneficiary a security interest in such items.

Section 5.5 Financing Statement. Trustor shall execute and deliver to Beneficiary such financing statements pursuant to the appropriate statutes, and any other documents or instruments as are required to convey to Beneficiary a valid perfected security interest in the Security. Trustor agrees to perform all acts which Beneficiary may reasonably request so as to enable Beneficiary to maintain such valid perfected security interest in the Security in order to secure the payment of the Note in accordance with their terms. Beneficiary is authorized to file a copy of any such financing statement in any jurisdiction(s) as it shall deem appropriate from time to time in order to protect the security interest established pursuant to this instrument. Trustor shall pay all costs of filing such financing statements and any extensions, renewals, amendments, and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements, and releases thereof, as Beneficiary may reasonably require. Without the prior written consent of Beneficiary, Trustor shall not create or suffer to be created pursuant to the California Commercial Code any other security interest in the Security, including replacements and additions thereto.

Section 5.6 Operation of the Security. Trustor shall operate the Security (and, in case of a transfer of a portion of the Security subject to this Deed of Trust, the transferee shall operate such portion of the Security) in full compliance with the Loan Documents.

Section 5.7 Inspection of the Security. At any and all reasonable times upon seventy-two (72) hours' notice, Beneficiary and its duly authorized agents, attorneys, experts, engineers, accountants, and representatives, shall have the right, without payment of charges or fees, to inspect the Security.
Section 5.8 Nondiscrimination. Trustor herein covenants by and for itself, its heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, age, sex, sexual orientation, marital status, national origin, or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Security, nor shall Trustor itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Security. The foregoing covenants shall run with the land.

ARTICLE 6
HAZARDOUS WASTE

Trustor shall keep and maintain the Property in compliance with, and shall not cause or permit the Property to be in violation of any federal, state, or local laws, ordinances, or regulations relating to industrial hygiene or to the environmental conditions on, under, or about the Property including, but not limited to, soil and ground water conditions; provided however, that if any condition causing non-compliance with this Section existed at the Property prior to the date of this Agreement or at other property within the vicinity of the Leased Premises, the Borrower shall not be in default hereunder. Trustor shall not use, generate, manufacture, store, or dispose of on, under, or about the Property or transport to or from the Property any flammable explosives, radioactive materials, hazardous wastes, toxic substances, or related materials, including without limitation, any substances defined as or included in the definition of “hazardous substances,” “hazardous wastes,” “hazardous materials,” or “toxic substances” under any applicable federal or state laws or regulations (collectively referred to hereinafter as “Hazardous Materials”) except such of the foregoing as are used in construction of the improvements on the Property or as may be customarily kept and used in and about residential property.

Trustor shall immediately advise Beneficiary in writing if at any time it receives written notice of: (i) any and all enforcement, cleanup, removal, or other governmental or regulatory actions instituted, completed, or threatened against Trustor or the Property pursuant to any applicable federal, state, or local laws, ordinances, or regulations relating to any Hazardous Materials, (“Hazardous Materials Law”); (ii) all claims made or threatened by any third party against Trustor or the Property relating to damage, contribution, cost recovery compensation, loss, or injury resulting from any Hazardous Materials (the matters set forth in clauses (i) and (ii) above are hereinafter referred to as “Hazardous Materials Claims”); and (iii) Trustor's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause the Property or any part thereof to be classified as “border-zone property” under the provision of California Health and Safety Code, Sections 25220 et seq., or any regulation adopted in accordance therewith, or to be otherwise subject to any restrictions on the ownership, occupancy, transferability, or use of the Property under any Hazardous Materials Law.

Beneficiary shall have the right to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any Hazardous Materials Claims. Trustor shall indemnify and hold harmless Beneficiary and its board members, supervisors, directors, officers, employees, agents, successors, and assigns from and against any loss, damage, cost, expense, or liability directly or indirectly arising out of or attributable to the use, generation, storage, release, threatened release, discharge, disposal, or presence of Hazardous Materials on, under, or about the Property including without limitation: (a) all foreseeable consequential damages; (b) the costs of any
required or necessary repair, cleanup, or detoxification of the Property and the preparation and implementation of any closure, remedial, or other required plans; and (c) all reasonable costs and expenses incurred by Beneficiary in connection with clauses (a) and (b), including but not limited to reasonable attorneys' fees; provided however that this indemnification shall not apply to any loss, damage, cost, expense or liability directly or indirectly arising out of or attributable to any condition that existed at the Property prior to the date of this Deed of Trust or at other property within the vicinity of the Property.

Without Beneficiary's prior written consent, which shall not be unreasonably withheld, Trustor shall not take any remedial action in response to the presence of any Hazardous Materials on, under, or about the Property, nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Material Claims, which remedial action, settlement, consent decree, or compromise might, in Beneficiary's reasonable judgment, impair the value of Beneficiary's security hereunder; provided, however, that Beneficiary's prior consent shall not be necessary in the event that the presence of Hazardous Materials on, under, or about the Property either poses an immediate threat to the health, safety, or welfare of any individual or is of such a nature that an immediate remedial response is necessary and it is not reasonably possible to obtain Beneficiary's consent before taking such action, provided that in such event Trustor shall notify Beneficiary as soon as practicable of any action so taken. Beneficiary agrees not to withhold its consent, where such consent is required hereunder, if either: (i) a particular remedial action is ordered by a court of competent jurisdiction; (ii) Trustor will or may be subjected to civil or criminal sanctions or penalties if it fails to take a required action; (iii) Trustor establishes to the reasonable satisfaction of Beneficiary that there is no reasonable alternative to such remedial action which would result in less impairment of Beneficiary's security hereunder; or (iv) the action has been agreed to by Beneficiary.

Trustor hereby acknowledges and agrees that (i) this Article is intended as Beneficiary's written request for information (and the Trustor's response) concerning the environmental condition of the Property as required by California Code of Civil Procedure Section 726.5, and (ii) each representation and warranty in this Deed of Trust or any of the other Loan Documents (together with any indemnity applicable to a breach of any such representation and warranty) with respect to the environmental condition of the property is intended by Beneficiary and Trustor to be an “environmental provision” for purposes of California Code of Civil Procedure Section 736.

In the event that any portion of the Property is determined to be “environmentally impaired” (as that term is defined in California Code of Civil Procedure Section 726.5(e)(3)) or to be an “affected parcel” (as that term is defined in California Code of Civil Procedure Section 726.5(e)(1)), then, without otherwise limiting or in any way affecting Beneficiary's or Trustee's rights and remedies under this Deed of Trust, Beneficiary may elect to exercise its rights under California Code of Civil Procedure Section 726.5(a) to (1) waive its lien on such environmentally impaired or affected portion of the Property and (2) exercise (a) the rights and remedies of an unsecured creditor, including reduction of its claim against Trustor to judgment, and (b) any other rights and remedies permitted by law. For purposes of determining Beneficiary's right to proceed as an unsecured creditor under California Code of Civil Procedure Section 726.5(a), Trustor shall be deemed to have willfully permitted or acquiesced in a release or threatened release of Hazardous Materials, within the meaning of California Code of Civil Procedure Section 726.5(d)(1), if the release or threatened release of Hazardous Materials was knowingly or negligently caused or contributed to by any lessee, occupant, or user of any portion of the Property and Trustor knew or should have known of the activity by such lessee, occupant, or user which caused or contributed to the release or threatened...
release. All costs and expenses, including (but not limited to) attorneys' fees, incurred by Beneficiary in connection with any action commenced under this paragraph, including any action required by California Code of Civil Procedure Section 726.5(b) to determine the degree to which the Property is environmentally impaired, plus interest thereon at the lesser of ten percent (10%) or the maximum rate permitted by law, until paid, shall be added to the indebtedness secured by this Deed of Trust and shall be due and payable to Beneficiary upon its demand made at any time following the conclusion of such action.

Trustor is aware that California Civil Code Section 2955.5(a) provides as follows: “No lender shall require a borrower, as a condition of receiving or maintaining a loan secured by real property, to provide hazard insurance coverage against risks to the improvements on that real property in an amount exceeding the replacement value of the improvements on the property.”

ARTICLE 7
EVENTS OF DEFAULT AND REMEDIES

Section 7.1 Events of Default. Each of the following shall constitute an Event of Default following the expiration of any applicable notice and cure periods: (1) failure to make any payment to be paid by Trustor under the Loan Documents within ten (10) days after the date due; (2) failure to observe or perform any of Trustor's other covenants, agreements, or obligations under the Loan Documents (which failure has not been cured within the times and in the manner set forth in the Loan Documents); or (3) failure to make any payment or perform any of Trustor's other covenants, agreements, or obligations under any other debt instruments or regulatory agreement secured by the Property, which default shall not be cured within the times and in the manner provided therein, provided, however, to the extent that the Trustor cures its failure to perform as described in this Section 7.1(3), Trustor shall be deemed to have cured the Event of Default arising from this Section 7.1(3).

Section 7.2 Acceleration of Maturity. If an Event of Default shall have occurred and be continuing, then at the option of Beneficiary, the amount of any payment related to the Event of Default and the unpaid Principal of the Note (including all interest thereon) shall immediately become due and payable, upon written notice by Beneficiary to Trustor (or automatically where so specified in the Loan Documents), and no omission on the part of Beneficiary to exercise such option when entitled to do so shall be construed as a waiver of such right.

Section 7.3 Beneficiary's Right to Enter and Take Possession. If an Event of Default shall have occurred and be continuing, Beneficiary may:

(a) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, and without regard to the adequacy of its security, enter upon the Security and take possession thereof (or any part thereof) and of any of the Security, in its own name or in the name of Trustee, and do any acts which it deems necessary or desirable to preserve the value or marketability of the Property, or part thereof or interest therein, increase the income therefrom or protect the security thereof. The entering upon and taking possession of the Security shall not cure or waive any Event of Default or Notice of Default (as defined below) hereunder or invalidate any act done in response to such Default or pursuant to such Notice of Default and, notwithstanding the continuance in possession of the Security, Beneficiary shall be entitled to exercise every right provided for in this Deed of Trust, or by law upon occurrence of any Event of Default, including the right to exercise the power of sale;
(b) Commence an action to foreclose this Deed of Trust as a mortgage, appoint a
receiver, or specifically enforce any of the covenants hereof;

(c) Deliver to Trustee a written declaration of default and demand for sale, and a
written notice of default and election to cause Trustor's interest in the Security to be sold (“Notice of
Default and Election to Sell”), which notice Trustee or Beneficiary shall cause to be duly filed for
record in the Official Records of the County of Los Angeles; or

(d) Exercise all other rights and remedies provided herein, in the instruments by
which Trustor acquires title to any Security, or in any other document or agreement now or hereafter
evidencing, creating, or securing all or any portion of the obligations secured hereby, or provided by
law.

Section 7.4 Foreclosure By Power of Sale. Should Beneficiary elect to foreclose by
exercise of the power of sale herein contained, Beneficiary shall give notice to Trustee (the “Notice
of Sale”) and shall deposit with Trustee this Deed of Trust which is secured hereby (and the deposit
of which shall be deemed to constitute evidence that the unpaid principal amount of the Note is
immediately due and payable), and such receipts and evidence of any expenditures made that are
additionally secured hereby as Trustee may require.

(a) Upon receipt of such notice from Beneficiary, Trustee shall cause to be
recorded, published, and delivered to Trustor such Notice of Default and Election to Sell as then
required by law and by this Deed of Trust. Trustee shall, without demand on Trustor, after lapse of
such time as may then be required by law and after recordation of such Notice of Default and
Election to Sell and after Notice of Sale having been given as required by law, sell the Security, at
the time and place of sale fixed by it in said Notice of Sale, whether as a whole or in separate lots or
parcels or items as Trustee shall deem expedient and in such order as it may determine unless
specified otherwise by Trustor according to California Civil Code Section 2924g(b), at public
auction to the highest bidder, for cash in lawful money of the United States payable at the time of
sale. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or
deeds conveying the property so sold, but without any covenant or warranty, express or implied. The
recitals in such deed or any matters of facts shall be conclusive proof of the truthfulness thereof.
Any person, including, without limitation, Trustor, Trustee, or Beneficiary, may purchase at such
sale, and Trustor hereby covenants to warrant and defend the title of such purchaser or purchasers.

(b) After deducting all reasonable costs, fees, and expenses of Trustee, including
costs of evidence of title in connection with such sale, Trustee shall apply the proceeds of sale to
payment of: (i) the unpaid Principal amount of the Note; (ii) all other amounts owed to Beneficiary
under the Loan Documents; (iii) all other sums then secured hereby; and (iv) the remainder, if any,
to Trustor.

(c) Trustee may postpone sale of all or any portion of the Property by public
announcement at such time and place of sale, and from time to time thereafter, and without further
notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a
new Notice of Sale.

Section 7.5 Receiver. If an Event of Default shall have occurred and be continuing,
Beneficiary, as a matter of right and without further notice to Trustor or anyone claiming under the
Security, and without regard to the then value of the Security or the interest of Trustor therein, shall have the right to apply to any court having jurisdiction to appoint a receiver or receivers of the Security (or a part thereof), and Trustor hereby irrevocably consents to such appointment and waives further notice of any application therefor. Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases, and all the powers and duties of Beneficiary in case of entry as provided herein, and shall continue as such and exercise all such powers until the date of confirmation of sale of the Security, unless such receivership is sooner terminated.

Section 7.6 Remedies Cumulative. No right, power, or remedy conferred upon or reserved to Beneficiary by this Deed of Trust is intended to be exclusive of any other right, power, or remedy, but each and every such right, power, and remedy shall be cumulative and concurrent and shall be in addition to any other right, power, and remedy given hereunder or now or hereafter existing at law or in equity.

Section 7.7 No Waiver.

(a) No delay or omission of Beneficiary to exercise any right, power, or remedy accruing upon any Event of Default shall exhaust or impair any such right, power, or remedy, or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power, and remedy given by this Deed of Trust to Beneficiary may be exercised from time to time and as often as may be deemed expeditious by Beneficiary. Beneficiary's expressed or implied consent to a breach by Trustor, or a waiver of any obligation of Trustor hereunder, shall not be deemed or construed to be a consent to any subsequent breach, or further waiver, of such obligation or of any other obligations of Trustor hereunder. Failure on the part of Beneficiary to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by Beneficiary of its right hereunder or impair any rights, power, or remedies consequent on any Event of Default by Trustor.

(b) If Beneficiary (i) grants forbearance or an extension of time for the payment of any sums secured hereby, (ii) takes other or additional security or the payment of any sums secured hereby, (iii) waives or does not exercise any right granted in the Loan Documents, (iv) releases any part of the Security from the lien of this Deed of Trust, or otherwise changes any of the terms, covenants, conditions, or agreements in the Loan Documents, (v) consents to the granting of any easement or other right affecting the Security, or (vi) makes or consents to any agreement subordinating the lien hereof, any such act or omission shall not release, discharge, modify, change, or affect the original liability under this Deed of Trust, or any other obligation of Trustor or any subsequent purchaser of the Security or any part thereof, or any maker, co-signer, endorser, surety, or guarantor (unless expressly released); nor shall any such act or omission preclude Beneficiary from exercising any right, power, or privilege herein granted or intended to be granted in any Event of Default then made or of any subsequent Event of Default, nor, except as otherwise expressly provided in an instrument or instruments executed by Beneficiary shall the lien of this Deed of Trust be altered thereby.

Section 7.8 Suits to Protect the Security. Beneficiary shall have power to (a) institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Security and the rights of Beneficiary as may be unlawful or any violation of this Deed of Trust, (b) preserve or protect its interest (as described in this Deed of Trust) in the Security, and (c) restrain the enforcement of or compliance with any legislation or other governmental enactment, rule, or order that may be unconstitutional or otherwise invalid, if the enforcement for compliance with such
enactment, rule, or order would impair the Security thereunder or be prejudicial to the interest of Beneficiary.

Section 7.9 Beneficiary May File Proofs of Claim. In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition, or other proceedings affecting Trustor, its creditors, or its property, Beneficiary, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of Beneficiary allowed in such proceedings and for any additional amount which may become due and payable by Trustor hereunder after such date.

Section 7.10 Waiver. Trustor waives presentment, demand for payment, notice of dishonor, notice of protest and nonpayment, protest, notice of interest on interest and late charges, and diligence in taking any action to collect any sums owing under the Note or in proceedings against the Security, in connection with the delivery, acceptance, performance, default, endorsement, or guaranty of this Deed of Trust.

ARTICLE 8
MISCELLANEOUS

Section 8.1 Amendments: Prior Agreements. This instrument cannot be waived, changed, discharged, or terminated orally, but only by an instrument in writing signed by Beneficiary and Trustor.

Section 8.2 Reconveyance by Trustee. Upon written request of Beneficiary stating that (i) all sums secured hereby have been paid or forgiven, and (ii) that all obligations of Trustor under the Loan Documents have been satisfied, and upon surrender of this Deed of Trust to Trustee for cancellation and retention, and upon payment by Trustor of Trustee's reasonable fees, Trustee shall reconvey the Security to Trustor, or to the person or persons legally entitled thereto.

Section 8.3 Notices. If at any time after the execution of this Deed of Trust it shall become necessary or convenient for one of the parties hereto to serve any notice, demand, or communication upon the other party, such notice, demand, or communication shall be in writing and shall be served by depositing the same in the registered United States mail, return receipt requested, postage prepaid and:

Either party may change its address at any time by giving written notice of such change to Beneficiary or Trustor as the case may be, in the manner provided herein, at least ten (10) days prior to the date such change is desired to be effective.

Section 8.4 Successors and Joint Trustors. Where an obligation is created herein binding upon Trustor, the obligation shall also apply to and bind any transferee or successors in interest. Where the terms of this Deed of Trust have the effect of creating an obligation of Trustor and a transferee, such obligation shall be deemed to be a joint and several obligation of Trustor and such transferee. Where Trustor is more than one entity or person, all obligations of Trustor shall be deemed to be a joint and several obligation of each and every entity and person comprising Trustor.

Section 8.5 Captions. The captions or headings at the beginning of each Section hereof are for the convenience of the parties and are not a part of this Deed of Trust.

Section 8.6 Invalidity of Certain Provisions. Every provision of this Deed of Trust is intended to be severable. In the event any term or provision hereof is declared to be illegal or invalid for any reason whatsoever by a court or other body of competent jurisdiction, such illegality or invalidity shall not affect the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable. If the lien of this Deed of Trust is invalid or unenforceable as to any part of the debt, or if the lien is invalid or unenforceable as to any part of the Security, the unsecured or partially secured portion of the debt, and all payments made on the debt, whether voluntary or under foreclosure or other enforcement action or procedure, shall be considered to have been first paid or applied to the full payment of that portion of the debt which is not secured or partially secured by the lien of this Deed of Trust.

Section 8.7 Governing Law. This Deed of Trust shall be governed by and construed in accordance with the laws of the State of California.

Section 8.8 Gender and Number. In this Deed of Trust, the singular shall include the plural and the masculine shall include the feminine and neuter and vice versa, if the context so requires.

Section 8.9 Deed of Trust, Mortgage. Any reference in this Deed of Trust to a mortgage shall also refer to a deed of trust and any reference to a deed of trust shall also refer to a mortgage.

Section 8.10 Actions. Trustor agrees to appear in and defend any action or proceeding purporting to affect the Security.
Section 8.11 Substitution of Trustee. Beneficiary may from time to time substitute a successor or successors to any Trustee named herein or acting hereunder to execute this Deed of Trust. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all title, powers, and duties conferred upon any Trustee herein named or acting hereunder. Each such appointment and substitution shall be made by written instrument executed by Beneficiary, containing reference to this Deed of Trust and its place of record, which, when duly recorded in the proper office of the county or counties in which the Property is situated, shall be conclusive proof of proper appointment of the successor trustee.

Section 8.12 Statute of Limitations. The pleading of any statute of limitations as a defense to any and all obligations secured by this Deed of Trust is hereby waived to the full extent permissible by law.

Section 8.13 Acceptance by Trustee. Trustee accepts this Deed of Trust when this Deed of Trust, duly executed and acknowledged, is made public record as provided by law. Except as otherwise provided by law the Trustee is not obligated to notify any party hereto of pending sale under this Deed of Trust or of any action of proceeding in which Trustor, Beneficiary, or Trustee shall be a party unless brought by Trustee.

Section 8.14 Compliance with Internal Revenue Code Section 42. Beneficiary acknowledges that Trustor intends to enter into an extended use agreement, which constitutes the extended low-income housing commitment described in Section 42(h)(6)(B) of the Internal Revenue Code, as amended (the “Code”). As of the date hereof, Code Section 42(h)(6)(E)(ii) does not permit the eviction or termination of tenancy (other than for good cause) of an existing tenant of any low-income unit or any increase in the gross rent with respect to such unit not otherwise permitted under Code Section 42 for a period of three (3) years after the date the building is acquired by foreclosure or by instrument in lieu of foreclosure. In the event the extended use agreement is recorded against the Property, Beneficiary agrees to comply with the provisions set forth in Code Section 42(h)(6)(E)(ii).

ARTICLE 9

EXHIBIT B

Investor Rider

This Rider is attached to and made a part of the promissory note, the deed of trust, and loan agreement or other document(s) evidencing, securing, and governing a loan in the amount of [Seven Million One Hundred Thousand Dollars ($7,100,000.00)] (the “Loan”) made by the Housing Authority of the City of Los Angeles (“Lender”) to Rose Hill Courts I Housing Partners, L.P., a California limited partnership (“Borrower” or the “Partnership”) for the acquisition of a leasehold interest in real property for the construction of approximately eighty-nine (89) units (including one (1) manager’s unit) of rental housing and related improvements (the “Project”). The Amended and Restated Agreement of Limited Partnership forming or continuing the Borrower and previously approved by Lender is referred to herein as the “Partnership Agreement”.

The parties hereto agree that the following covenants, terms, and conditions shall be part of and shall modify or supplement each of the documents evidencing, securing, or governing the disbursement of the Loan (the “Loan Documents”), and that in the event of any inconsistency or conflict between the covenants, terms, and conditions of the Loan Documents and this Rider, the following covenants, terms, and conditions shall control and prevail:

1. **Recourse/Non-Recourse Obligation.** The Loan is a recourse obligation of the Borrower.

2. **General Partner and Limited Partner Change.** The withdrawal, removal, and/or replacement of a general partner of the Partnership pursuant to the terms of the Partnership Agreement shall not constitute a default under any of the Loan Documents, and any such actions shall not accelerate the maturity of the Loan, provided that (i) the Borrower’s limited partner provides the Lender with prior written notice of removal and substitution of a general partner of Borrower, and (ii) with respect to Related/Rose Hill Courts I Development Co., LLC, the administrative general partner of Borrower, any substitute general partner is reasonably acceptable to Lender.

   Additionally, the transfer of any limited partnership interests in Borrower or in any limited or special limited partner of Borrower pursuant to the terms of the Partnership Agreement shall not constitute a default under any of the Loan Documents, and any such actions shall not accelerate the maturity of the Loan.

3. **Monetary Default.** If a monetary event of default occurs under the terms of any of the Loan Documents, prior to exercising any remedies thereunder Lender shall give Borrower and each of the general and limited partners of the Partnership, as identified in the Partnership Agreement, simultaneous written notice of such default. Borrower shall have a period of seven (7) days after such notice is given within which to cure the default prior to exercise of remedies by Lender under the Loan Documents, or such longer period of time as may be specified in the Loan Documents. Borrower’s limited partners shall have the right, but not the obligation, to cure any default under the Loan Documents within the applicable cure periods provided to Borrower thereunder.
4. **Non-Monetary Default.** If a non-monetary event of default occurs under the terms of any of the Loan Documents, prior to exercising any remedies thereunder Lender shall give Borrower and each of the general and limited partners of the Partnership, as identified in the Partnership Agreement, simultaneous written notice of such default. If the default is reasonably capable of being cured within thirty (30) days, Borrower shall have such period to effect a cure prior to exercise of remedies by Lender under the Loan Documents, or such longer period of time as may be specified in the Loan Documents. If the default is such that it is not reasonably capable of being cured within thirty (30) days or such longer period if so specified, and if Borrower (a) initiates corrective action within said period, and (b) diligently, continually, and in good faith works to effect a cure as soon as possible, then Borrower shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by Lender. If Borrower fails to take corrective action or to cure the default within a reasonable time, Lender shall give Borrower and each of the general and limited partners of the Partnership written notice thereof, whereupon the limited partner may remove and replace the general partner with a substitute general partner who shall effect a cure within a reasonable time thereafter in accordance with the foregoing provisions. In no event shall Lender be precluded from exercising remedies if its security becomes or is about to become materially jeopardized by any failure to cure a default or the default is not cured within one hundred eighty (180) days after the first notice of default is given, or such longer period of time as may be specified in the Loan Documents. Borrower’s limited partners shall have the right, but not the obligation, to cure any default under the Loan Documents within the applicable cure periods provided to Borrower thereunder.

Additionally, notwithstanding the occurrence of any monetary or nonmonetary default under the terms of any of the Loan Documents, during the Compliance Period (as defined in the Partnership Agreement), Lender shall not (i) commence foreclosure proceedings with respect to the Property under the Loan Documents or exercise any other rights or remedies it may have under the Loan Documents, including, but not limited to, accelerating sums due under the Loan Documents, collecting rents, appointing (or seeking the appointment of) a receiver or exercising any other rights or remedies hereunder or (ii) join with any other creditor in commencing any bankruptcy reorganization arrangement, insolvency or liquidation proceedings with respect to Borrower.

5. **Casualty, Condemnation, Etc.** In the event of any fire or other casualty to the Project or eminent domain proceedings resulting in condemnation of the Project or any part thereof, Borrower shall have the right to rebuild the Project, and to use all available insurance or condemnation proceeds therefor, provided that (a) such proceeds are sufficient to rebuild the Project in a manner that provides adequate security to Lender for repayment of the Loan or if such proceeds are insufficient then Borrower shall have funded any deficiency, (b) Lender shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance or condemnation proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no material default then exists under the Loan Documents (subject to any applicable cure periods thereunder). If the casualty or condemnation affects only part of the Project and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the Loan in a manner that provides adequate security to Lender for repayment of the remaining balance of the Loan.

6. **Force Majeure.** There shall be no default for delays by reason of Force Majeure as provided in Section 7.14 of the Loan Agreement, except as provided in said Section 7.14.
7. **Purchase Rights.** The execution and delivery of the purchase option and right of first refusal [agreement] described in the Partnership Agreement shall not constitute a default under the Loan Documents or accelerate the maturity of the Loan thereunder. Any requisite consent of Lender to (a) the exercise of said purchase option and right of first refusal agreement by the project sponsor identified therein, and to (b) the assumption without penalty of Loan obligations by the project sponsor and the release of Borrower from such obligations, shall not be unreasonably withheld. Subject to any such consent requirement, the exercise of rights under such agreement shall not constitute a default or accelerate maturity of the Loan.

8. **Loan Assumption.** If the purchase option and right of first refusal agreement described in the Partnership Agreement is not exercised and the Project is sold subject to low-income housing use restrictions as contained in an existing regulatory agreement or other recorded covenant, any requisite consent of lender to said sale, and to the assumption without penalty of loan obligations by the purchaser and the release of Borrower from such obligations, shall not be unreasonably withheld, provided, however, that the principals of purchaser shall be comparable to the principals of Borrower in (a) experience and track record of developing, operating, maintaining, and, if applicable, managing, affordable housing financed with sources and restrictions comparable to the Approved Financing, (b) financial wherewithal, and (c) such other underwriting criteria as may be employed by lender at the time of any such proposed assumption.

9. **Lender Approvals, Etc.** In any approval, consent, or other determination by Lender required under any of the Loan Documents, Lender shall act reasonably and in good faith.

10. **Subordination.** Lender acknowledges that Borrower and the California Tax Credit Allocation Committee intend to enter into, or concurrently with the execution and delivery of the Loan Documents are entering into, an extended use agreement, which constitutes the extended low-income housing commitment described in Section 42(h)(6)(B) of the Internal Revenue Code, as amended. Lender agrees to subordinate the Loan and Lender’s rights under the Loan Documents executed in conjunction therewith to the relevant provisions of said extended use agreement. This subordination is being made in consideration of the allocation of tax credits to the Project, absent which the development of the Project would not occur, and this mortgage loan would not be made.

Subject to the prior written approval of the Lender, which approval shall not be unreasonably withheld, conditioned or delayed, the Borrower may refinance the Approved Financing loans (as defined in the Loan Documents). Any refinancing of the Approved Financing loans shall be on commercially reasonable terms in an amount not to exceed the then outstanding principal balance of such Approved Financing loans plus reasonable costs. The Borrower shall reimburse the Lender for any costs it incurs related to the refinancing of the Approved Financing loans.

The Borrower shall repay the Authority Gap Loan from any Cost Savings, Excess Equity Proceeds, AHP Loan proceeds, if any, and from Net Cash Flow to the extent available until the Loan Maturity Date, when all remaining unpaid principal and interest shall be due and payable, all as more fully and particularly provided in the Authority Gap Note. The obligation to repay the Authority Gap Loan shall be evidenced by the Authority Gap Note in the form attached hereto as Exhibit G-1.

(b) The Authority shall loan to the Borrower the Authority IIG Loan for the purposes set forth in Section 2.4(b) of this Agreement, and the Borrower shall repay principal and interest on the Authority IIG Loan pursuant to the Authority IIG Note. The Authority’s obligation to disburse the proceeds of the Authority IIG Loan to the Borrower shall be contingent on the Authority’s receipt of funds from HCD under the IIG Standard Agreement. The obligation to repay the Authority IIG Loan shall be evidenced by the Authority IIG Note in the form attached hereto as Exhibit G-2.

Section 2.2  Term. The Authority Gap Loan and Authority IIG Loan shall mature on the Loan Maturity Date.

Section 2.3  Interest.

(a) Subject to the provisions of Section 2.3(c) below, the Authority Gap Loan shall bear simple interest at three percent (3%) per annum, commencing at Closing.

Section 2.4 Use of Loan Funds.

(a) The Borrower shall use the Authority Gap Loan funds to pay development costs of the Project during the construction phase, consistent with the Approved Development Budget, and as part of the permanent financing of the Project, but only as necessary to cover gaps between the other Approved Financing and the actual costs of constructing the Project as reflected in the Approved Development Budget and Construction Plans. Borrower shall use commercially reasonable efforts to speed and maximize repayment of the Authority Gap Loan, which efforts shall include at a minimum the following:

(i) The Borrower shall make good faith efforts to apply for an AHP Loan. If the Authority is required to be a co-applicant for any Funding Program, the Borrower shall provide an indemnity of the Authority acceptable to the Authority in the Authority’s sole discretion. If the Borrower decides not to apply for an available AHP Loan, the Borrower shall provide a written justification for such non-application to the Authority for its approval and if not approved, shall so apply. The Authority will be provided a copy of any AHP Loan application as a record of submission within a reasonable amount of time. The Borrower shall prepare the AHP Loan application with the assistance of the Authority and shall provide the complete application for Authority review and approval no less than fifteen (15) days before the applicable AHP Loan application deadline. If the Borrower applies for an AHP Loan and does not receive an award, the Authority and the Borrower shall meet and confer and mutually agree whether to re-apply.

(ii) If awarded the AHP Loan, the Borrower shall diligently pursue closing and funding of the AHP Loan thereafter. Borrower shall use the proceeds of the AHP Loan to (1) in the event the AHP Loan is awarded before any or all of the Authority Gap Loan has been drawn, to replace the Authority Gap Loan as a source under the Approved Development Budget and minimize draws on the Authority Gap Loan, and (2) to the extent permitted by FHLB program rules governing uses of AHP Loan proceeds, to repay the Authority Gap Loan. Borrower may use such proceeds for other purposes only after the Authority Gap Loan has been paid in full. In the event that the Parties determine that the AHP Loan is necessary to meet Project development and operational costs, then notwithstanding anything to the contrary in the Loan Documents, Ground Lease, or any other document between the Authority and Borrower or its affiliates, the Borrower may use the AHP Loan to pay for costs approved by the Authority in its reasonable discretion in place of repaying or reducing the amount owed under the Authority Gap Note.

(iii) Borrower shall draw on the Authority Gap Loan consistent with the Approved Development Budget and pursuant to a written draw request in the form attached hereto as Exhibit E-2. In the event that the undrawn balance of the Authority Gap Loan ever
exceeds the amount of reasonably projected remaining Project expenses, Borrower shall draw on the Authority Gap Loan only to the extent necessary to cover the remaining Project expenses. Furthermore, in the event Borrower is awarded the AHP Loan prior to drawing on the Authority Gap Loan then such AHP Loan proceeds shall be drawn before the Authority Gap Loan.

(b) The Borrower shall use the Authority IIG Loan proceeds to pay development costs of the Project during the construction phase, consistent with the Approved Development Budget and the IIG Requirements, and as part of the permanent financing of the Project.

(c) The Borrower shall not use the Loan proceeds for any other purpose without the prior written consent of the Authority.

The Deed of Trust shall be junior in lien priority to the deeds of trust securing the Construction Loan, Permanent Loan, HCD Loan, and Authority Acquisition Loan, and senior in lien priority to the deed of trust securing the AHP Loan.

(b) The Authority agrees that the Deed of Trust is and shall at all times continue to be, subordinate, subject and inferior (in payment and priority) to the Construction Loan and the Permanent Loan, and the liens, rights, payment interests, priority interests and security interests granted to the Authority in connection with the Loan and the Loan Documents, are, and hereby expressly acknowledged to be in all respects and at all times, subject to the terms and provisions of the Subordination Agreements. The Authority further agrees to subordinate the Deed of Trust to the lien of the deed of trust and regulatory agreement securing the HCD Loan provided the Authority receives reasonably adequate notice and cure rights and pursuant to a subordination agreement in a form reasonably approved by the Authority and, subject to HCD requirements, provided such HCD Loan is subordinate to the RAD Use Agreement. The Authority agrees to execute and permit the recordation of regulatory agreements required by HCD with respect to the HCD Loan, provided such regulatory agreements are subordinate to the RAD Use Agreement and in a form reasonably approved by the Authority.

**Section 2.9 Reports and Accounting of Net Cash Flow.**

(a) **Audited Financial Statement.** In connection with the annual repayment of the Loan, the Borrower shall furnish to the Authority an audited financial statement duly certified by an independent firm of certified public accountants approved by the Authority, setting forth in reasonable detail the computation and amount of Net Cash Flow during the preceding calendar year.

(c) **Authority Audits.** The receipt by the Authority of any statement pursuant to subsection (a) above or any payment by the Borrower or acceptance by the Authority of any Loan repayment for any period shall not bind the Authority as to the correctness of such statement or such payment. Within three (3) years after the receipt of any such statement, the Authority or any designated agent or employee of the Authority at any time, and upon reasonable prior notice, shall be entitled to audit the Net Cash Flow and all books, records, and accounts pertaining thereto. the unpaid principal amount of the Note as demand for money within the meaning and intentment of Section 431.70 of the California Code of Civil Procedure or any successor provision thereto. The foregoing limitation of liability is intended to apply only to the obligation for the repayment of the principal of, and payment of interest on the Note and the performance of the Borrower's obligations under the Deed of Trust, except as hereafter set forth; nothing contained herein is intended to relieve the Borrower of its obligation to indemnify the Authority under Sections 4.7 and 7.4 of this Agreement, or for liability for: (i) fraud or willful misrepresentation; (ii) the failure to pay taxes, assessments or other charges which may create liens on the Property that are payable or applicable prior to any foreclosure under the Deed of Trust (to the full extent of such taxes, assessments or other charges); (iii) the fair market value of any personal property or fixtures removed or disposed of by the Borrower other than in accordance with the Deed of Trust; and (iv) the misappropriation of any proceeds under any insurance policies or awards resulting from condemnation or the exercise of the power of eminent domain or by reason of damage, loss or destruction to any portion of the Property.

(b) Upon receipt of the marketing plan, the Authority shall promptly review the marketing plan and shall reasonably approve or disapprove it within thirty (30) days after submission. If the marketing plan is not approved, the Borrower shall submit a revised marketing plan within thirty (30) days. The process for review and approval shall continue until such time as the Authority approves of the Marketing Plan.

Section 3.9 Equal Opportunity. The Borrower, for itself and its successors, assigns, and transferees, agrees that in the construction of the Project:

(a) It will not discriminate against any employee or applicant for employment because of race, color, religion, creed, national origin, ancestry, disability, medical condition, age, marital status, sex, sexual preference/orientation, Acquired Immune Deficiency Syndrome (AIDS) acquired or perceived, or retaliation for having filed a discrimination complaint (nondiscrimination factors). The Borrower will take affirmative action to ensure that applicants are considered for employment by the Borrower without regard to the nondiscrimination factors, and that the Borrower's employees are treated without regard to the nondiscrimination factors during employment including, but not limited to, activities of: upgrading, demotion or transfer; recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Borrower agrees to post in conspicuous places, available to its employees and applicants for employment, the applicable nondiscrimination clause set forth herein;

(b) It will ensure that its solicitations or advertisements for employment are in compliance with the aforementioned nondiscrimination factors; and

(c) It will cause the foregoing provisions to be inserted in all contracts for the construction of the Project entered into after the effective date of this Agreement; provided,
However, that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

Section 3.10  Section 3. Borrower shall comply with the Section 3 requirements set forth in Section 3.1 and Section 3.7 of the Ground Lease and will include the Section 3 clause required by HUD regulations at 24 CFR Part 135, as applicable and as amended, in all contracts.

Section 3.11  Progress Reports. Until such time as the Borrower has completed the Improvements, the Borrower shall provide the Authority with monthly progress reports regarding the status of the construction of the Project, including a certification that the actual construction costs to date conform to the Approved Development Budget, as it may be amended from time to time pursuant to Section 3.15 below. This provision shall be satisfied by submission of the monthly draw request, or a copy thereof, to the Authority.

Section 3.12  Construction Responsibilities.

(a) It shall be the responsibility of the Borrower to coordinate and schedule the work to be performed so that commencement and completion of construction will take place in accordance with this Agreement.

(b) The Borrower shall be solely responsible for all aspects of the Borrower's conduct in connection with the Project, including (but not limited to) the quality and suitability of the Construction Plans, the supervision of construction work, and the qualifications, financial condition, and performance of all architects, engineers, contractors, subcontractors, suppliers, consultants, and property managers. Any review or inspection undertaken by the Authority with reference to the Project is solely for the purpose of determining whether the Borrower is properly discharging its obligations to the Authority, and should not be relied upon by the Borrower or by any third parties as a warranty or representation by the Authority as to the quality of the design or construction of the Project.

Section 3.13  Mechanics Liens, Stop Notices, and Notices of Completion.

(a) If any claim of lien is filed against the Property or a stop notice affecting the completion of construction is served on the Authority or any other lender or other third party in connection with the Project, then the Borrower shall, within thirty (30) days after such filing or service, either pay and fully discharge the lien or stop notice, effect the release of such lien or stop notice by delivering to the Authority a surety bond in sufficient form and amount, or provide the Authority with other assurance satisfactory to the Authority that the claim of lien or stop notice will be paid or discharged, provided that the Authority provides written notice of such claim of lien or stop notice to the Borrower promptly upon receipt by the Authority.

(b) If the Borrower fails to discharge any lien, encumbrance, charge, or claim in the manner required in this Section, then in addition to any other right or remedy, the Authority may with notice to Borrower (but shall be under no obligation to) discharge such lien, encumbrance, charge, or claim at the Borrower's expense. Alternately, the Authority may require the Borrower to immediately deposit with the Authority the amount necessary to satisfy such lien or claim and
any costs, pending resolution thereof. The Authority may use such deposit to satisfy any claim or lien that is adversely determined against the Borrower.

(c) The Borrower shall file a valid notice of cessation or notice of completion upon cessation of construction on the Project for a continuous period of thirty (30) days or more, except in the event such cessation of construction is caused by adverse weather conditions, and shall take all other reasonable steps to forestall the assertion of claims of lien against the Property. The Borrower authorizes the Authority, but without any obligation on the Authority, to record any notices of completion or cessation of labor, or any other notice that the Authority deems necessary or desirable to protect its interest in the Project and Property.

Section 3.14 Inspections. The Borrower shall, upon advance reasonable written request, permit and facilitate, and shall require its contractors to permit and facilitate, observation and inspection at the Project by the Authority and by public authorities during reasonable business hours for the purposes of determining compliance with this Agreement.

Section 3.15 Approved Development Budget; Revisions to Budget. The Borrower shall submit any required amendments to the Approved Development Budget to the Authority for approval monthly if actual costs of the Project vary or will vary from the costs shown on the Approved Development Budget. Written consent of the Authority shall be required to amend the Approved Development Budget, which consent shall not be unreasonably withheld. Notwithstanding the foregoing, this Section shall not apply to (i) the reallocation from any contingency line item in the Approved Development Budget to another line item, (ii) savings in one line item allocated to another line item, or (iii) for any cost change of Seventy Five Thousand Dollars ($75,000) for each item or Two Hundred Fifty Thousand Dollars ($250,000) in the aggregate; provided, however, that there is no material change in the Construction Plans.

Section 3.16 Authority Fees. The Borrower shall pay the Authority the following fees at Closing: (a) a construction monitoring fee in the amount of Fifty Thousand Dollars ($50,000), (b) a construction Section 3 compliance fee in the amount of Forty Thousand Dollars ($40,000) and (c) a Davis Bacon compliance monitoring fee in the amount of Twenty Thousand Dollars ($20,000).

Section 4.5  **Audits.** The Borrower shall make available for examination at reasonable intervals and during normal business hours to the Authority all books, accounts, reports, files, and other papers or property with respect to all matters covered by this Agreement, and shall permit the Authority to audit, examine, and make excerpts or transcripts from such records. The Authority may make audits of any conditions relating to this Agreement.

Section 4.6  **Additional Requirements.**

(a) The Borrower shall comply with all applicable laws, regulations and administrative requirements governing the use of the Loan funds. In the event of any conflict between this Agreement and applicable laws, regulations and administrative requirements

The Authority shall indemnify and hold harmless the Borrower, its partners, their members and their respective directors, officers, employees, agents, successors and assigns from and against any loss, damage, cost, expense, or liability directly or indirectly arising out of or attributable to the Authority’s relocation activities. This indemnity obligation shall not extend to the extent that any claim arises directly or indirectly from relocation activities attributable to the Borrower or its contractors or agents. Following initial lease up, if and to the extent that acts or omissions of the Borrower result in the permanent or temporary displacement of residential tenants, homeowners, or businesses, the Borrower shall comply with all applicable local, state, and federal statutes and regulations with respect to relocation planning, advisory assistance, and payment of monetary benefits.
(vii) Accessibility. The requirements of Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), and federal regulations issued pursuant thereto, which prohibit discrimination against the handicapped in any federally assisted program, and the applicable requirements of Title II and/or Title III of the Americans with Disabilities Act of 1990 (42 U.S.C. § 12131 et seq.).

Further, Authority approval is required for any decrease or modification of such subsidy reserve pursuant to the Partnership Agreement, except for decreases in accordance with the intended purpose of such subsidy reserve.]
Section 4.7 Hazardous Materials.

(a) Borrower shall comply with Sections 10.1(c), 10.1(d), and 10.3(a) of the Ground Lease, and the provisions of such Sections shall be deemed incorporated herein by reference as if copied in full into this paragraph, provided that Authority shall have and enjoy all the same rights and protections attributed to Landlord thereunder. By way of illustration and not limitation, simultaneously with Borrower advising Landlord in writing of any fact or circumstance, requesting any written consent, or providing any notice to Landlord pursuant to such provisions in the Ground Lease, Borrower shall provide such writings, requests, and notices to Authority, and Authority shall have and enjoy all the same rights and protections attributed to Landlord thereunder.

(b) The Authority, in its capacity as lender with respect to the Loan and the Deed of Trust securing repayment of same and separate and apart from its capacity as Landlord under the Ground Lease, shall have the right to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any Hazardous Substances and Materials Claims or arising out of any breach or violation by Borrower of its obligations under this Section 4.7 and the Authority shall also have the right to have its reasonable attorneys' fees, expert witness and consultant fees, as well as all costs, expenses, and interest, in connection therewith paid by the Borrower. The Borrower shall defend, indemnify, and hold harmless the Authority and Authority Board members, supervisors, directors, officers, employees, agents, successors and assigns from and against any loss, damage, cost, expense or liability directly or indirectly arising out of or attributable to the failure of the Borrower or any other person or entity, other than the Authority, to comply with this Section 4.7. This obligation to indemnify shall survive termination of this Agreement.

(c) The Borrower hereby acknowledges and agrees that (i) this Section is intended as the Authority's written request for information (and the Borrower's response) concerning the environmental condition of the Property as required by California Code of Civil Procedure Section 726.5, and (ii) each representation and warranty in this Agreement (together with any indemnity obligation applicable to a breach of any such representation and warranty) with respect to the environmental condition of the Property is intended by the Parties to be an “environmental provision” for purposes of California Code of Civil Procedure Section 736.

(d) In the event that any portion of the Property is determined to be “environmentally impaired” (as that term is defined in California Code of Civil Procedure Section 726.5(e)(3)) or to be an “affected parcel” (as that term is defined in California Code of Civil Procedure Section 726.5(e)(1)), then, without otherwise limiting or in any way affecting the Authority's or the trustee's rights and remedies under the Deed of Trust, the Authority may elect to exercise its rights under California Code of Civil Procedure Section 726.5(a) to (1) waive its lien on such environmentally impaired or affected portion of the Property and (2) exercise (a) the rights and remedies of an unsecured creditor, including reduction of its claim against the Borrower to judgment, and (b) any other rights and remedies permitted by law. For purposes of determining the Authority's right to proceed as an unsecured creditor under California Code of Civil Procedure Section 726.5(a), the Borrower shall be deemed to have willfully permitted or
acquiesced in a release or threatened release of hazardous materials, within the meaning of California Code of Civil Procedure Section 726.5(d)(1), if the release or threatened release of hazardous materials was knowingly or negligently (whether active or passive) caused or contributed to by any lessee, occupant, or user of any portion of the Property and the Borrower knew or should have known of the activity by such lessee, occupant, or user which caused or contributed to the release or threatened release. All costs and expenses, including (but not limited to) attorneys' fees, incurred by the Authority in connection with any action commenced under this paragraph, including any action required by California Code of Civil Procedure Section 726.5(b) to determine the degree to which the Property is environmentally impaired, plus interest thereon at the lesser of ten percent (10%) or the maximum rate permitted by law, until paid, shall be added to the indebtedness secured by the Deed of Trust and shall be due and payable to the Authority upon its demand made at any time following the conclusion of such action.

(e) Borrower shall have no liability under this Agreement for Hazardous Materials existing at the Project prior to the date of this Agreement or from On-Site Migration except to the extent such condition is exacerbated by Borrower's negligence or intentional misconduct (as defined in the Ground Lease).

Section 4.8 Maintenance and Damage.

(a) During the course of both construction and operation of the Project, the Borrower shall maintain the Property and Improvements in accordance with the Ground Lease and Article 2 of the Deed of Trust.

(b) Subject to the Ground Lease, the terms of Section 4.1 of the Deed of Trust shall govern in the event of any casualty, damage, destruction or condemnation of the Property and/or Improvements (or any portion thereof).

Section 4.9 Fees and Taxes. The Borrower shall be solely responsible for payment of all fees, assessments, taxes, charges, and levies imposed by any public authority or utility company with respect to the Property or the Improvements to the extent owned by the Borrower, and shall pay such charges prior to delinquency. However, the Borrower shall not be required to pay and discharge any such charge so long as (a) the legality thereof is being contested diligently and in good faith and by appropriate proceedings, and (b) if requested by the Authority, the Borrower deposits with the Authority any funds or other forms of assurance that the Authority in good faith from time to time determines appropriate to protect the Authority from the consequences of the contest being unsuccessful.

Section 4.10 Notice of Litigation. The Borrower shall promptly notify the Authority in writing of any litigation materially affecting the Borrower or the Project and of any claims or disputes that involve a material risk of such litigation.

Section 4.11 Operation of Project.

(a) Promptly after completion of construction, the Borrower shall operate the Borrower’s Leasehold Estate and Improvements in accordance with the Ground Lease.
(b) Before leasing any Unit in the Project, the Borrower shall submit its proposed form of lease agreement for the Authority's review and approval. The initial term of the form of lease agreement for the Units shall be for no less than one (1) year, except by mutual agreement between the Borrower and the tenant, and shall not contain any provision which is prohibited by applicable law or regulation.

(c) Before leasing any Unit in the Project, the Borrower shall submit its proposed Section 3 Plan for the Authority's review and approval in accordance with Section 3.7 of the Ground Lease.

Section 4.12 Nondiscrimination. The Borrower covenants by and for itself and its successors and assigns that there shall be no discrimination against or segregation of a person or of a group of persons on account of race, color, religion, creed, age, disability, sex, sexual orientation, familial status, marital status, ancestry or national origin in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Borrower’s Leasehold Estate and Improvements, nor shall the Borrower or any person claiming under or through the Borrower establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Borrower’s Leasehold Estate and Improvements. The foregoing covenant shall run with the leasehold interest.

Section 4.13 Transfer.

(a) For purposes of this Agreement, “Transfer” shall mean any sale, assignment, transfer, refinancing, or further encumbering, whether voluntary or involuntary, of (i) any rights and/or duties under this Agreement, (ii) any general partner interest in the Borrower, (iii) any direct limited partner interest in the Borrower other than a transfer to an affiliate of Investor, and/or (iv) any interest in the Borrower’s Leasehold Estate and Improvements, including (but not limited to) a fee simple interest, a joint tenancy interest, a life estate, a partnership interest, a leasehold interest, a security interest, or an interest evidenced by a land contract by which possession of the Borrower’s Leasehold Estate and Improvements is transferred and the Borrower retains title. The term “Transfer” shall exclude the leasing of any single Unit in the Project to an occupant in compliance with applicable regulatory agreements including the leasing of Units.

(b) Except as provided in the Ground Lease, including without limitation under Sections 17.5 and 17.6 of the Ground Lease, no Transfer shall be permitted without the prior written consent of the Authority, which the Authority may withhold in its discretion. The Loan shall automatically accelerate and be due in full upon any unauthorized Transfer.

(c) The Authority approves the grant of the security interests in the Property described in Section 1.1(c) above.

(d) Notwithstanding anything to the contrary herein and subject to the prior written approval of the Authority, which approval shall not be unreasonably withheld, conditioned or
delayed, the Borrower may refinance the Approved Financing loans. Any refinancing of the Approved Financing loans shall be on commercially reasonable terms in an amount not to exceed the then outstanding principal balance of such Approved Financing loans plus reasonable costs, inclusive of any prepayment penalties or yield maintenance fees due under the Approved Financing, and including any protective advances made by the applicable lender of such Approved Financing. The Borrower shall reimburse the Authority for any costs it incurs related to the refinancing of the Approved Financing loans.

Section 4.14 Insurance Requirements. The Borrower shall maintain the following insurance coverage throughout the Term of the Loan:

(a) Workers’ Compensation Insurance. Borrower shall carry or cause to be carried Workers’ Compensation insurance with limits as required by the State of California and Employer’s Liability limits of One Million Dollars ($1,000,000.00) for bodily injury by accident and One Million Dollars ($1,000,000.00) per person and in the annual aggregate for bodily injury by disease covering all persons employed by Borrower in connection with the Improvements and with respect to whom death, bodily injury, or sickness insurance claims could be asserted against Borrower.

(ii) Be primary and non-contributing with respect to any insurance or self-insurance programs covering the Authority, its commissioners, officers, and employees.

(iii) Include all of the Borrower's subcontractors as insured under its policies or furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

The Borrower shall cause any general contractor, agent, or subcontractor working on the Project under direct contract with the Borrower or subcontract to maintain insurance of the types and in at least the minimum amounts described in subsections (a) and (b) above, excluding the

Should any of the required insurance be provided under a form of coverage that includes an annual aggregate limit or provides that claims investigation or legal defense costs be included in such annual aggregate limit, such annual aggregate limit shall be three times the occurrence limits specified above.

(e) All policies and bonds shall be endorsed to provide thirty (30) days prior written notice of cancellation, reduction in coverage, or intent not to renew to the address established for notices to the Authority.

(d) **Default Under Other Loans.** Failure by the Borrower to make any payment or perform any of the Borrower's covenants, agreements, or obligations under the documents evidencing and securing the Approved Financing and the bond documents related to the Construction Loan and Permanent Loan for Project following expiration of all applicable notice and cure periods.

Section 5.2 **Notice to Investor.** The Authority shall give to the Investor at the address set forth in Section 7.9 hereof a duplicate copy of all notices of default or other notices that the Authority may give to or serve in writing upon the Borrower pursuant to the terms of this Agreement. No notice of default given to the Borrower shall be effective until the Investor receives such notice.

Section 5.3 **Right of Investor to Cure.** Notwithstanding any default by the Borrower under this Agreement, the Authority shall have no right to terminate this Agreement or exercise any remedies hereunder or under applicable law or take any other enforcement action hereunder unless the Authority shall have first given the Investor written notice of such default and the Investor shall have failed to remedy such default or remove the General Partner within the applicable cure period, as set forth in greater detail in the Investor Rider attached hereto as Exhibit I.

Section 5.4 **Remedies.** The occurrence of any Default hereunder following the expiration of all applicable notice and cure periods will, either at the option of the Authority or automatically where so specified, relieve the Authority of any obligation to make or continue the Loan and shall give the Authority the right to proceed with any and all remedies set forth in this Agreement and the Loan Documents, including but not limited to the following:

(a) **Acceleration of Note.** The Authority shall have the right to cause all indebtedness of the Borrower to the Authority under this Agreement and the Note, together with any accrued interest thereon, to become immediately due and payable. The Borrower waives all right to presentment, demand, protest or notice of protest, or dishonor. The Authority may proceed to enforce payment of the indebtedness and to exercise any or all rights afforded to the Authority as
a creditor and secured party under the law including the Uniform Commercial Code, including foreclosure under the Deed of Trust. The Borrower shall be liable to pay the Authority on demand all reasonable expenses, costs, and fees (including, without limitation, reasonable attorney's fees and expenses) paid or incurred by the Authority in connection with the collection of the Loan and the preservation, maintenance, protection, sale, or other disposition of the security given for the Loan.

(b) **Specific Performance.** The Authority shall have the right to mandamus or other suit, action or proceeding at law or in equity to require the Borrower to perform its obligations and covenants under the Loan Documents or to enjoin acts which may be unlawful or in violation of the provisions of the Loan Documents.

(c) **Right to Cure at Borrower's Expense.** The Authority shall have the right (but not the obligation) to cure any monetary default by the Borrower under a loan other than the Loan. The Borrower agrees to reimburse the Authority for any funds advanced by the Authority to cure a monetary default by the Borrower upon demand therefor, together with interest thereon at the lesser of the maximum rate permitted by law or ten percent (10%) per annum from the date of expenditure until the date of reimbursement.

Section 5.5 **Right of Contest.** The Borrower shall have the right to contest in good faith to any claim, demand, levy, or assessment, the assertion of which would constitute a Default hereunder. Any such contest shall be prosecuted diligently and in a manner unprejudicial to the Authority or the rights of the Authority hereunder.

Section 5.6 **Remedies Cumulative.** No right, power, or remedy given to the Authority by the terms of this Agreement or the Loan Documents is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given to the Authority by the terms of any such instrument, or by any statute or otherwise against the Borrower and any other person. Neither the failure nor any delay on the part of the Authority to exercise any such rights and remedies shall operate as a waiver thereof, nor shall any single or partial exercise by the Authority of any such right or remedy preclude any other or further exercise of such right or remedy, or any other right or remedy.

### ARTICLE 6 REPRESENTATIONS AND WARRANTIES OF BORROWER

Section 6.1 **Borrower's Warranty of Good Standing and Authority.** The Borrower hereby represents and warrants to the Authority as follows:

(a) **Organization.** The Borrower is duly organized and validly existing and is (or shall be prior to the commencement of activities under this Agreement) in good standing under the laws of the State of California and has the power and authority to own its property and carry on its business as now being conducted. Borrower shall provide an opinion to this effect from its counsel at the time of execution of this Agreement.
(b) **Authority of Borrower.** The Borrower has full power and authority to execute and deliver this Agreement and to make and accept the borrowings contemplated hereunder, to execute and deliver the Loan Documents and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement, and to perform and observe the terms and provisions of all of the above.

(c) **Authority of Persons Executing Documents.** This Agreement and the Loan Documents and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement have been or will be executed and delivered by persons who are duly authorized to execute and deliver the same for and on behalf of the Borrower, and all actions required under the Borrower's organizational documents and applicable governing law for the authorization, execution, delivery, and performance of this Agreement and the Loan Documents and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement, have been duly taken (to the extent such actions are required as of the date of execution and delivery of the above-named documents).

(d) **Valid and Binding Agreements.** This Agreement and the Loan Documents and all other documents or instruments which have been executed and delivered pursuant to or in connection with this Agreement constitute or, if not yet executed or delivered, will, when so executed and delivered, constitute, legal, valid, and binding obligations of the Borrower enforceable against it in accordance with their respective terms, subject to the laws affecting creditors rights and principles of equity.

(e) **No Breach of Law or Agreement.** Neither the execution nor delivery of this Agreement and the Loan Documents or of any other documents or instruments executed and delivered, or to be executed or delivered, pursuant to this Agreement, nor the performance of any provision, condition, covenant or other term hereof or thereof, will conflict with or result in a breach of any statute, rule, or regulation, or any judgment, decree, or order of any court, board, commission, or agency whatsoever binding on Borrower, or any provision of the organizational documents of the Borrower, or will conflict with or constitute a breach of or a default under any agreement to which the Borrower is a party, or will result in the creation or imposition of any lien upon any assets or property of the Borrower, other than liens established pursuant to the Loan Documents.

(f) **Pending Proceedings.** Except as disclosed in writing to the Authority prior to execution of this Agreement, to the knowledge of the Borrower, the Borrower is not in default under any law or regulation or under any order of any court, board, commission, or agency whatsoever, and, to the best of its knowledge, there are no claims, actions, suits or proceedings pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower or the Project, at law or in equity, before or by any court, board, commission, or agency whatsoever.

(g) **No Debarment.** Neither the Borrower nor the Administrative General Partner has been debarred or suspended pursuant to 2 C.F.R. Part 2424.
(h) Financial Statements. The financial statements of the Borrower and other financial data and information furnished by the Borrower to the Authority fairly present the information contained therein. As of the date of this Agreement, there has not been any adverse, material change in the financial condition of the Borrower from that shown by such financial statements and other data and information.

ARTICLE 7  GENERAL PROVISIONS

Section 7.1 Relationship of Parties. Nothing contained in this Agreement shall be interpreted or understood by any of the Parties, or by any third persons, as creating the relationship of employer and employee, principal and agent, limited or general partnership, or joint venture between the Authority and the Borrower or its agents, employees, or contractors, and the Borrower shall at all times be deemed an independent contractor and shall be wholly responsible for the manner in which it or its agents, or both, perform the services required of it by the terms of this Agreement. The Borrower has and retains the right to exercise full control of employment, direction, compensation, and discharge of all persons assisting in the performance of services under this Agreement. In regards to the acquisition of the Property, construction of the Improvements, and operation of the Project, the Borrower shall be solely responsible for all matters relating to payment of its employees, including compliance with Social Security, withholding, and all other laws and regulations governing such matters, and shall include requirements in each contract that contractors shall be solely responsible for similar matters relating to their employees. The Borrower shall be solely responsible for its own acts and those of its agents and employees.

Section 7.2 No Claims. Nothing contained in this Agreement shall create or justify any claim against the Authority by any person that the Borrower may have employed or with whom the Borrower may have contracted relative to the purchase of materials, supplies, or equipment, or the furnishing or the performance of any work or services with respect to the acquisition of the Property, the construction of the Improvements, or the operation of the Project, and the Borrower shall include similar requirements in any contracts entered into for the acquisition of the Property, the construction of the Improvements, or the operation of the Project.

Section 7.3 Amendments. No alteration or variation of the terms of this Agreement shall be valid unless made in writing by the Parties.

Section 7.4 Indemnification. Notwithstanding any other provision of this Agreement to the contrary, Borrower shall defend, indemnify and hold harmless the Authority and its commissioners, its officer(s), employee(s), agent(s), contractor(s), and director(s) (including directors or employees of any Authority instrumentalities or affiliates) from all claims, actions, demands, costs, expenses and attorneys' fees arising out of, attributable to or otherwise occasioned, in whole or in part, by an act or omission of the Borrower, its agent(s), contractor(s), servant(s), or employee(s) which constitutes a breach of the Borrower’s obligations under this Agreement. If any third-party performing work for the Borrower on the Project shall assert any claim against the Authority on account of any damage alleged to have been caused by reason of the negligent acts or intentional misconduct of the Borrower, its agent(s), servant(s), employee(s) or contractor(s) (including, without limitation, its general contractor), the Borrower
shall defend at its own expense any suit based upon such claim; and if any judgment or claim against the Authority based on such claim shall be allowed, the Borrower shall pay or satisfy such judgment or claim and pay all reasonable costs and expenses in connection therewith including attorneys’ fees. The obligations, indemnities, and liabilities of the Borrower under this Section 7.4 shall not extend to any liability caused by the negligence or misconduct of HUD, the Authority, or their employee(s), contractor(s) or agent(s). The Borrower’s liability shall not be limited by any provisions or limits of insurance set forth in this Agreement. The provisions of this Section 7.4 shall survive the expiration of the Term and the reconveyance of the Deed of Trust.

Section 7.5       Non-Liability of Authority Officials, Employees and Agents. No member, official, employee or agent of the Authority shall be personally liable to the Borrower in the event of any default or breach by the Authority or for any amount which may become due to the Borrower or its successor or on any obligation under the terms of this Agreement.

Section 7.6       No Third Party Beneficiaries. There shall be no third party beneficiaries to this Agreement, except that the Investor shall be a third party beneficiary with respect to notice and cure rights granted to the Investor in this Agreement.

Section 7.7       Discretion Retained By Authority. The Authority's execution of this Agreement in no way limits the discretion of the Authority in the review and approval process in connection with development of the Project.

Section 7.8       Conflict of Interest.

(a) Except for approved eligible administrative or personnel costs, no person described in Section 7.8(b) below who exercises or has exercised any functions or responsibilities with respect to the activities funded pursuant to this Agreement or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a personal or financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during, or at any time after, such person's tenure. The Borrower shall exercise due diligence to ensure that the prohibition in this Section 7.8(a) is followed.

(b) The conflict of interest provisions of Section 7.8(a) above apply to any person who is an employee, agent, consultant, officer, or any immediate family member of such person, or any appointed official of the Authority, or any person related within the third (3rd) degree of such person.

Section 7.9       Notices, Demands and Communications. Formal notices, demands, and communications between the Parties shall be sufficiently given if and shall not be deemed given unless dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered by express delivery service, return receipt requested, or delivered personally, to the principal office of the Parties as follows:

Section 7.10 Applicable Law. This Agreement shall be governed by the laws of the state of California.

Section 7.11 Parties Bound. Except as otherwise limited herein, the provisions of this Agreement shall be binding upon and inure to the benefit of the Parties and their heirs, executors, administrators, legal representatives, successors, and assigns. This Agreement is intended to run with the land and shall bind the Borrower and its successors and assigns in the Property and the Improvements for the entire Term, and the benefit hereof shall inure to the benefit of the Authority and its successors and assigns.

Section 7.12 Reserved.
Section 7.13 Severability. If any term of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions shall continue in full force and effect unless the rights and obligations of the Parties have been materially altered or abridged by such invalidation, voiding, or unenforceability.

Section 7.14 Force Majeure. In addition to specific provisions of this Agreement, performance by either Party shall not be deemed to be in default where delays or defaults are due to: war; insurrection; strikes; lock-outs; riots; floods; earthquakes; fires; quarantine restrictions; freight embargoes; lack of transportation; or court order; or any other similar causes (other than lack of funds of the Borrower or the Borrower's inability to finance the construction of the Project) beyond the control or without the fault of the Party claiming an extension of time to perform. An extension of time for any cause will be deemed granted if notice by the Party claiming such extension is sent to the other within fifteen (15) days from the commencement of the cause and such extension of time is not rejected in writing by the other Party within fifteen (15) days of receipt of the notice. In no event shall the Authority be required to agree to cumulative delays in excess of one year.

Section 7.15 Authority Approval. This Loan has been approved by the Authority Board of Commissioners ("Authority Board") pursuant to Resolution No. [____]. Whenever this Agreement calls for Authority approval, consent, or waiver, the written approval, consent, or waiver of the Authority President and Chief Executive Officer shall constitute the approval, consent, or waiver of the Authority, without further authorization required from the Authority Board. The Authority hereby authorizes the Authority President and Chief Executive Officer to deliver such approvals or consents as are required by this Agreement, or to waive requirements under this Agreement, on behalf of the Authority. Any consents or approvals required under this Agreement shall not be unreasonably withheld or made, except where it is specifically provided that a sole discretion standard applies. The Authority President and Chief Executive Officer is also hereby authorized to approve, on behalf of the Authority, requests by the Borrower for reasonable extensions of time deadlines set forth in this Agreement. The Authority shall not unreasonably delay in reviewing and approving or disapproving any proposal by the Borrower made in connection with this Agreement.

Section 7.16 Waivers. Any waiver by the Authority of any obligation or condition in this Agreement must be in writing. No waiver will be implied from any delay or failure by the Authority to take action on any breach or default of the Borrower or to pursue any remedy allowed under this Agreement or applicable law. Any extension of time granted to the Borrower to perform any obligation under this Agreement shall not operate as a waiver or release from any of its obligations under this Agreement. Consent by the Authority to any act or omission by the Borrower shall not be construed to consent to any other or subsequent act or omission or to waive the requirement for the Authority's written consent to future waivers.

Section 7.17 Title of Parts and Sections. Any titles of the sections or subsections of this Agreement are inserted for convenience of reference only and shall be disregarded in interpreting any part of this Agreement's provisions.
Section 7.18  **Entire Understanding of the Parties.** This Agreement constitutes the entire understanding and agreement of the Parties with respect to the Loan.

EXHIBIT C

Scope of Development for the Improvements

[attached]
Exhibit C-1
Scope of Development for Improvements

The Rose Hill Courts Phase I (“Project”) has been designed to provide high quality, multi-family housing, at a scale that is contextual and appropriate for the site and the community.

The Project is located on the northeast corner of McKenzie Ave. and Florizel St., and is 89 units (replacing seven buildings consisting of 20 units and the existing administration building). The Project will consist of two buildings. Building A will consist of four (4) stories with a basement with a total of 51 units. Building B will consist of 4 stories with a total of 38 units. Both buildings will be served by elevators. In total there will be 51 one-bedrooms, 26 two-bedrooms, eight (8) three-bedrooms, and four (4) four-bedrooms. The on-site Manager will occupy one two-bedroom unit. Building A will include community spaces for residents of both Buildings A and B and an onsite leasing office and social service office.

The Project would provide a total of 56 at-grade parking spaces onsite; upgraded lighting, fencing, signage, and security features; and storm-drain and utility improvements. The new sustainably designed buildings are energy efficient and the landscaping includes water-efficient irrigation that reuses stormwater.

Based on extensive outreach to the residents and the community at large, the Project has been designed to provide high quality, multi-family housing, at a scale that is contextual and appropriate for the site and the community.

The proposed buildings would be designed in a contemporary style. Projecting balcony decks, horizontal overhangs and canopies would be integrated with other architectural elements, such as balcony railings and shading devices. These architectural elements would provide horizontal and vertical articulations that would serve to break up the building planes and modulate building massing. The buildings are designed with a variety of exterior finishes, including stucco, composite siding, storefront windows, simulated wood accents, metal railings, integrated signage and lighting.

The central green space includes several discrete activity areas, each with a unique design theme and use. Outdoor space adjacent to the buildings offers places for social gatherings, and special events and celebrations, with shaded seating areas and BBQ grills for outdoor dining. The landscape design would create a park-like setting for residents.

Security: Fencing would be located between buildings. The central green area would be fenced from the street, and pedestrian walks accessing perimeter streets would have combination of hedges and fencing to clearly define paths of access. A five-foot tubular steel fencing is proposed on the interior of the Project Site to provide security and maintain resident access to the Project Site.
The site will have security features including: cameras and controlled access to the buildings. Ground rules will be established by the property management company (Related Management Company) and onsite maintenance staff will keep the property clean. Secured building entry points and pedestrian security gates are located throughout the Project Site.

**Accessibility:** The apartments comply with design and construction requirements as stated under the Fair Housing Amendments Act of 1988 and implementing regulations at 24 CFR 100.205. Rose Hill Courts Phase I is designed and constructed to have at least one building entrance on an accessible route. Further, the public and common use areas are readily accessible to and usable by handicapped persons and all the doors on the premises are sufficiently wide to allow passage by handicapped persons in wheelchairs. All apartments contain the following features of adaptable design:

1. An accessible route into and through the unit;
2. Light switches, electrical outlets, thermostats and other environmental controls in accessible locations;
3. Reinforcements in bathroom walls to allow later installation of grab bars around the toilet, tub, shower, stall and shower seat, where such facilities are provided; and
4. Usable kitchens and bathrooms such that an individual in a wheelchair can maneuver about the space.

The City of Los Angeles Department of Building and Safety (LADBS) considers 24 CFR in its existing procedures for the review and approval of newly constructed buildings and determinations as to whether the design and construction of such buildings are consistent with the applicable CFR sections.

2. Loan Agreement. Guarantor acknowledges receipt of a copy of the Loan Agreement and all of the instruments described therein and/or attached thereto. The Loan Agreement is incorporated herein by this reference as though fully set forth herein. “Loan Agreement” as used herein shall mean, refer to and include the Loan Agreement, as well as any riders, exhibits, addenda, implementation agreements, amendments and attachments thereto (which are hereby incorporated herein by this reference), heretofore or hereinafter entered into by the Authority and
the Borrower or other documents expressly incorporated by reference in the Loan Agreement.

2. **Guaranty.** Guarantor hereby guarantees the performance by the Borrower of (a) its obligation to complete development of the Project pursuant to the terms and conditions set forth in the Loan Agreement. Without limiting the generality of the foregoing, Guarantor guarantees that: (i) such development shall be completed substantially within the time limits set forth in the Loan Agreement, subject to force majeure delays; (ii) the Project shall be constructed and completed substantially in accordance with the Scope of Development attached to the Loan Agreement at Exhibit C, the Construction Plans, the Approved Development Budget and the other provisions of the Loan Agreement, as the same may be modified from time to time in accordance with the Loan Agreement (collectively, the “**Phase I Development Plan**”); (iii) the Project shall be developed and completed free and clear of any mechanic’s liens, materialmen’s liens and equitable liens; and (iv) all costs of construction shall be paid or otherwise discharged prior to delinquency; and (b) each of its indemnity obligations set forth in Sections 4.7 and 7.4 of the Loan Agreement.

3. **Lien Free Completion.** Substantial completion of development of the Project free and clear of liens shall be deemed to have occurred upon (“**Lien Free Completion**”): (a) (i) the Authority’s receipt of all required occupancy permit(s) for the Project (if any) issued by the local government agency having jurisdiction and authority to issue same, and (ii) the expiration of the statutory period(s) within which valid mechanic’s liens, materialmen’s liens and/or stop notices may be recorded and/or served by reason of the development of the Project, or, alternatively, the Authority’s receipt of valid, unconditional releases thereof from all persons entitled to record said liens or serve said stop notices; or (b) the Authority’s receipt of such other evidence of lien free completion as the Authority deems satisfactory in its reasonable discretion.

4. **Obligations of Guarantor Upon Default by Borrower.** If the Project is not substantially completed within the time required by the Loan Agreement, Guarantor shall, within thirty (30) days of receipt of written demand of the Authority: (a) diligently proceed to complete the Project at Guarantor’s sole cost and expense; (b) fully pay and discharge all claims for labor performed and material and services furnished in connection with the Project; and (c) release and discharge all claims of stop notices, mechanic’s liens, materialmen’s liens and equitable liens that may arise in connection with the Project.

5. **Remedies.** If Guarantor fails to promptly perform its obligations under this Guaranty after written demand by the Authority, the Authority shall have the remedy, from time to time and without first requiring performance by the Borrower, to bring any action at law or in equity or both to compel Guarantor to perform its obligations hereunder, and to collect in any such action compensation for all loss, cost, damage, injury and expense sustained or incurred by the Authority as a direct consequence of the failure of Guarantor to perform its obligations.

6. **Rights of the Authority.** Guarantor authorizes the Authority, without giving notice to Guarantor or obtaining Guarantor’s consent and without affecting the liability of Guarantor, from time to time to approve modifications to the Phase I Development Plan so long as such modifications do not materially increase the cost of developing the Project nor materially increase the time necessary to complete the Project.
7. **Guarantor’s Waivers.** Guarantor waives: (a) any defense based upon any legal disability or other defense of the Borrower, any other guarantor or other person, or by reason of the cessation or limitation of the liability of the Borrower from any cause other than full payment and performance of those obligations of the Borrower which are guaranteed hereunder; (b) any defense based upon any lack of authority of the officers, directors, partners or agents acting or purporting to act on behalf of the Borrower or any principal of the Borrower or any defect in the formation of the Borrower or any principal of the Borrower; (c) any and all rights and defenses arising out of an election of remedies by the Authority, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for a guaranteed obligation, has destroyed Guarantor’s rights of subrogation and reimbursement against the principal by the operation of Section 580d of the California Code of Civil Procedure or otherwise; (d) any defense based upon the Authority’s failure to disclose to Guarantor any information concerning the Borrower’s financial condition or any other circumstances bearing on the Borrower’s ability to pay and perform its obligations under the Loan Agreement; (e) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in any other respects more burdensome than that of a principal; (f) any defense based upon the Authority’s election, in any proceeding instituted under the Federal Bankruptcy Code, of the application of Section 1111(b)(2) of the Federal Bankruptcy Code or any successor statute; (g) any defense based upon any borrowing or any grant of a security interest under Section 364 of the Federal Bankruptcy Code; (h) any right of subrogation, any right to enforce any remedy which the Authority may have against the Borrower and any right to participate in, or benefit from, any security for the Loan now or hereafter held by the Authority; (i) presentment, demand, protest and notice of any kind; and (j) the benefit of any statute of limitations affecting the liability of Guarantor hereunder or the enforcement hereof. Guarantor further waives any and all rights and defenses that Guarantor may have because the Borrower’s debt is secured by real property; this means, among other things, that: (1) the Authority may collect from Guarantor without first foreclosing on any real or personal property collateral pledged by the Borrower; (2) if the Authority forecloses on any real property collateral pledged by the Borrower, then (A) the amount of the debt may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, and (B) the Authority may collect from Guarantor even if the Authority, by foreclosing on the real property collateral, has destroyed any right Guarantor may have to collect from the Borrower. These rights and defenses being waived by Guarantor include, but are not limited to, any rights or defenses based upon Section 580a, 580b, 580d or 726 of the California Code of Civil Procedure. Without limiting the generality of the foregoing or any other provision hereof, Guarantor further expressly waives to the extent permitted by law any and all rights and defenses, including without limitation any rights of subrogation, reimbursement, indemnification and contribution, which might otherwise be available to Guarantor under California Civil Code Sections 2787 to 2855, inclusive, 2899 and 3433, or under California Code of Civil Procedure Sections 580a, 580b, 580d and 726, or any of such sections.

8. **Guarantor’s Warranties.** Guarantor warrants and acknowledges that: (a) the Authority would not enter into the Loan Agreement or make the Loan but for this Guaranty; (b) Guarantor has reviewed all of the terms and provisions of the Loan Agreement; (c) Guarantor has established adequate means of obtaining from sources other than the Authority, on a continuing
basis, financial and other information pertaining to the Borrower’s financial condition, the Phase I Site, the progress of construction of the Project, and the status of the Borrower’s performance of its obligations under the Loan Agreement, and the Authority has made no representation to Guarantor as to any such matters; and (d) Guarantor has not and will not, without the prior written consent of the Authority, sell, lease, assign, encumber, hypothecate, transfer or otherwise dispose of all or substantially all of Guarantor’s assets, or any interest therein, other than in the ordinary course of Guarantor’s business.

9. **Subordination.** Guarantor subordinates all present and future indebtedness owing by the Borrower to Guarantor to the obligations at any time owing by the Borrower to the Authority under the Loan Documents. Guarantor assigns all such indebtedness to the Authority as security for this Guaranty. Guarantor agrees to make no claim for such indebtedness until all obligations of the Borrower under the Loan Agreement with respect to the development of the Project have been fully discharged. Guarantor further agrees not to assign all or any part of such indebtedness unless the Authority is given prior notice and such assignment is expressly made subject to the terms of this Guaranty. Nothing contained in the foregoing shall prohibit or prevent distributions, directly or indirectly, from the Borrower to Guarantor in the ordinary course of business except after the occurrence of a Borrower and/or Guarantor default.

10. **Disclosure of Information.** Guarantor agrees that the Authority may disseminate to any such actual or potential purchaser(s), assignee(s) or participant(s) all documents and information (including, without limitation, all financial information) which has been or is hereafter provided to or known to the Authority, in all cases subject to the Authority’s typical confidentiality practices, with respect to: (a) the Phase I Site and the Project and their operation; (b) any party connected with the Loan Agreement (including, without limitation, the Guarantor, the Borrower, any partner of the Borrower, any constituent partner of the Borrower, any other guarantor and any non-borrower trustor); and/or (c) any lending relationship which the Authority may have with any party connected with the Project. In the event of any such sale, assignment or participation, the Authority and the parties to such transaction shall share in the rights and obligations of the Authority as set forth in the Loan Agreement only as and to the extent they agree among themselves. In connection with any such sale, assignment or participation, Guarantor further agrees that the Guaranty shall be sufficient evidence of the obligations of Guarantor to each purchaser, assignee, or participant, and upon written request by the Authority, Guarantor shall consent to such amendments or modifications to the Loan Documents as may be reasonably required in order to evidence any such sale, assignment, or participation.

11. **Additional, Independent and Unsecured Obligations.** This Guaranty is independent of the obligations of the Borrower under the Loan Documents. The Authority may bring a separate action to enforce the provisions hereof against Guarantor without taking action against the Borrower or any other party or joining the Borrower or any other party as a party to such action. Except as otherwise provided in this Guaranty, this Guaranty is not secured and shall not be deemed to be secured by any security instrument unless such security instrument expressly recites that it secures this Guaranty.

12. **Attorneys’ Fees; Enforcement.** If any attorney is engaged by the Authority to enforce or defend any provision of this Guaranty, or the Loan Agreement relating to the development of
the Project, Guarantor shall pay to the Authority, immediately upon demand all reasonable attorneys’ fees and costs incurred by the Authority in connection therewith.

13. **Rules of Construction.** If this Guaranty is executed by more than one person, the term “Guarantor” shall include all such persons. When the context and construction so require, all words used in the singular herein shall be deemed to have been used in the plural and vice versa. All headings appearing in this Guaranty are for convenience only and shall be disregarded in construing this Guaranty.

14. **Governing Law.** This Guaranty shall be governed by, and construed in accordance with, the laws of the State of California, except to the extent preempted by federal laws. Guarantor and all persons and entities in any manner obligated to the Authority under this Guaranty consent to the jurisdiction of any federal or state court within the State of California having proper venue and also consent to service of process by any means authorized by California or federal law.

15. **Miscellaneous.** The provisions of this Guaranty will bind and benefit the heirs, executors, administrators, legal representatives, nominees, successors and assigns of Guarantor and the Authority. The liability of all persons and entities who are in any manner obligated hereunder shall be joint and several. If any provision of this Guaranty shall be determined by a court of competent jurisdiction to be invalid, illegal or unenforceable, that portion shall be deemed severed from this Guaranty and the remaining parts shall remain in full force as though the invalid, illegal or unenforceable portion had never been part of this Guaranty.

16. **Termination.** Notwithstanding any earlier termination of the Loan Agreement, this Guaranty and all of Guarantor’s obligations hereunder shall terminate and be of no further force and effect upon Lien Free Completion, as defined in Section 3.

17. **Subordination.** Notwithstanding anything contained in this Guaranty to the contrary, this Guaranty shall be subject and subordinate to a prior and superior guaranty made by any Guarantor in favor of MUFG Union Bank, N.A. (“Construction Lender”); provided, however, if the Construction Lender is not diligently and continuously pursuing Lien Free Completion under the superior guaranty, the Authority shall have the right to fully pursue all remedies hereunder.

17. **Enforceability.** Guarantor hereby acknowledges that: (a) the obligations undertaken by Guarantor in this Guaranty are complex in nature, and (b) numerous possible defenses to the enforceability of these obligations may presently exist and/or may arise hereafter, and (c) as part of the Authority’s consideration for entering into this transaction, the Authority has specifically bargained for the waiver and relinquishment by Guarantor of all such defenses, and (d) Guarantor has had the opportunity to seek and receive legal advice from skilled legal counsel in the area of financial transactions of that type contemplated herein. Given all of the above, Guarantor does hereby represent and confirm to the Authority that Guarantor is fully informed regarding, and that Guarantor does thoroughly understand: (i) the nature of all such possible defenses, and (ii) the circumstances under which such defenses may arise, and (iii) the benefits which such defenses might confer upon Guarantor, and (iv) the legal consequences to Guarantor.
of waiving such defenses.

EXHIBIT I

Investor Rider

This Investor Rider is attached to and made a part of the promissory notes, the deeds of trust, and loan agreement or other document(s) evidencing, securing, and governing a bridge loan in the approximate original amount of [Eight Million Three Hundred Fifty Thousand Dollars ($8,350,000.00)] (the “Authority Gap Loan”) and a loan of Infill Infrastructure Grant funds in the approximate original amount of [Three Million Five Hundred Nineteen Thousand Three Hundred Dollars ($3,519,300.00)] (the “Authority IIG Loan” and together with the Authority Gap Loan, the “Loan”) made by the Housing Authority of the City of Los Angeles (“Lender”) to Rose Hill Courts I Housing Partners, L.P., a California limited partnership (“Borrower” or the “Partnership”) for the construction of approximately eighty-nine (89) units (including one (1) manager’s unit) of rental housing and related improvements (the “Project”). The [Amended and Restated Agreement of Limited Partnership] forming or continuing the Borrower is referred to herein as the “Partnership Agreement”.

The parties hereto agree that the following covenants, terms, and conditions shall be part of and shall modify or supplement each of the documents evidencing, securing, or governing the disbursement of the Loan (the “Loan Documents”), and that in the event of any inconsistency or conflict between the covenants, terms, and conditions of the Loan Documents and this Rider, the following covenants, terms, and conditions shall control and prevail:

1. **Recourse/Non-recourse Obligation.** The Loan is a recourse obligation of the Borrower.

2. **General Partner and Limited Partner Change.** The withdrawal, removal, and/or replacement of a general partner of the Partnership pursuant to the terms of the Partnership Agreement shall not constitute a default under any of the Loan Documents, and any such actions shall not accelerate the maturity of the Loan, provided that (i) the Borrower’s limited partner provides the Lender with prior written notice of removal and substitution of a general partner of Borrower, and (ii) with respect to Related/Rose Hill Courts I Development Co., LLC, the administrative general partner of Borrower, any substitute general partner is reasonably acceptable to Lender.

   Additionally, the transfer of any limited partnership interests in Borrower or in any limited or special limited partner of Borrower pursuant to the terms of the Partnership Agreement shall not constitute a default under any of the Loan Documents, and any such actions shall not accelerate the maturity of the Loan.

3. **Monetary Default.** If a monetary event of default occurs under the terms of any of the Loan Documents, prior to exercising any remedies thereunder Lender shall give Borrower and each of the general and limited partners of the Partnership, as identified in the Partnership Agreement, simultaneous written notice of such default. Borrower shall have a period of seven (7) days after such notice is given within which to cure the default prior to exercise of remedies by Lender under the Loan Documents, or such longer period of time as may be specified in the
Loan Documents. Borrower’s limited partners shall have the right, but not the obligation, to cure any default under the Loan Documents within the applicable cure periods provided to Borrower thereunder.

4. Non-Monetary Default. If a non-monetary event of default occurs under the terms of any of the Loan Documents, prior to exercising any remedies thereunder Lender shall give Borrower and each of the general and limited partners of the Partnership, as identified in the Partnership Agreement, simultaneous written notice of such default. If the default is reasonably capable of being cured within thirty (30) days, Borrower shall have such period to effect a cure prior to exercise of remedies by Lender under the Loan Documents, or such longer period of time as may be specified in the Loan Documents. If the default is such that it is not reasonably capable of being cured within thirty (30) days or such longer period if so specified, and if Borrower (a) initiates corrective action within said period, and (b) diligently, continually, and in good faith works to effect a cure as soon as possible, then Borrower shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by Lender. If Borrower fails to take corrective action or to cure the default within a reasonable time, Lender shall give Borrower and each of the general and limited partners of the Partnership written notice thereof, whereupon the limited partner may remove and replace the general partner with a substitute general partner who shall effect a cure within a reasonable time thereafter in accordance with the foregoing provisions. In no event shall Lender be precluded from exercising remedies if its security becomes or is about to become materially jeopardized by any failure to cure a default or the default is not cured within one hundred eighty (180) days after the first notice of default is given, or such longer period of time as may be specified in the Loan Documents. Borrower’s limited partners shall have the right, but not the obligation, to cure any default under the Loan Documents within the applicable cure periods provided to Borrower thereunder.

Additionally, notwithstanding the occurrence of any monetary or nonmonetary default under the terms of any of the Loan Documents, during the Compliance Period (as defined in the Partnership Agreement), Lender shall not (i) commence foreclosure proceedings with respect to the Property under the Loan Documents or exercise any other rights or remedies it may have under the Loan Documents, including, but not limited to, accelerating sums due under the Loan Documents, collecting rents, appointing (or seeking the appointment of) a receiver or exercising any other rights or remedies hereunder or (ii) join with any other creditor in commencing any bankruptcy reorganization arrangement, insolvency or liquidation proceedings with respect to Borrower.

5. Casualty, Condemnation, Etc. In the event of any fire or other casualty to the Project or eminent domain proceedings resulting in condemnation of the Project or any part thereof, Borrower shall have the right to rebuild the Project, and to use all available insurance or condemnation proceeds therefor, provided that (a) such proceeds are sufficient to rebuild the Project in a manner that provides adequate security to Lender for repayment of the Loan or if such proceeds are insufficient then Borrower shall have funded any deficiency, (b) Lender shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance or condemnation proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no material default then exists under the
Loan Documents (subject to any applicable cure periods thereunder). If the casualty or condemnation affects only part of the Project and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the Loan in a manner that provides adequate security to Lender for repayment of the remaining balance of the Loan.

6. **Force Majeure.** There shall be no default for delays by reason of Force Majeure as provided in Section 7.14 of the Loan Agreement, except as provided in said Section 7.14.

7. **Purchase Rights.** The execution and delivery of the purchase option and right of first refusal agreement described in the Partnership Agreement shall not constitute a default under the Loan Documents or accelerate the maturity of the Loan thereunder. Any requisite consent of Lender to (a) the exercise of said purchase option and right of first refusal agreement by the project sponsor identified therein, and to (b) the assumption without penalty of Loan obligations by the project sponsor and the release of Borrower from such obligations, shall not be unreasonably withheld. Subject to any such consent requirement, the exercise of rights under such agreement shall not constitute a default or accelerate maturity of the Loan.

8. **Loan Assumption.** If the purchase option and right of first refusal agreement described in the Partnership Agreement is not exercised and the Project is sold subject to low-income housing use restrictions as contained in an existing regulatory agreement or other recorded covenant, any requisite consent of lender to said sale, and to the assumption without penalty of loan obligations by the purchaser and the release of Borrower from such obligations, shall not be unreasonably withheld, provided, however, that the principals of purchaser shall be comparable to the principals of Borrower in (a) experience and track record of developing, operating, maintaining, and, if applicable, managing, affordable housing financed with sources and restrictions comparable to the Approved Financing, (b) financial wherewithal, and (c) such other underwriting criteria as may be employed by lender at the time of any such proposed assumption.

9. **Lender Approvals, Etc.** In any approval, consent, or other determination by Lender required under any of the Loan Documents, Lender shall act reasonably and in good faith.

10. **Subordination.** Lender acknowledges that Borrower and the California Tax Credit Allocation Committee intend to enter into, or concurrently with the execution and delivery of the Loan Documents are entering into, an extended use agreement, which constitutes the extended low-income housing commitment described in Section 42(h)(6)(B) of the Internal Revenue Code, as amended. Lender agrees to subordinate the Loan and Lender’s rights under the Loan Documents executed in conjunction therewith to the relevant provisions of said extended use agreement. This subordination is being made in consideration of the allocation of tax credits to the Project, absent which the development of the Project would not occur, and this mortgage loan would not be made.

Subject to the prior written approval of the Lender, which approval shall not be unreasonably withheld, conditioned or delayed, the Borrower may refinance the Approved Financing loans (as defined in the Loan Documents). Any refinancing of the Approved
Financing loans shall be on commercially reasonable terms in an amount not to exceed the then outstanding principal balance of such Approved Financing loans plus reasonable costs. The Borrower shall reimburse the Lender for any costs it incurs related to the refinancing of the Approved Financing loans.

11. **Notice Address.**

   The Notice Address of the limited partner is:
   ____________
   ____________
   ____________

   with a copy to:
   ____________
   ____________
   ____________

12. **Third Party Beneficiary Status.** Borrower’s limited partners shall be intended third party beneficiaries of this Rider for purposes of the rights granted to the limited partners hereunder.

(a) Subject to the notice and cure periods set forth in the Loan Agreement, any of the following shall constitute an “event of default” under this Note:

(i) Any failure to pay, in full, any payment required under this Note within ten (10) days of written notice that such payment is due;

(ii) The occurrence of any “Default” under the Loan Agreement as defined therein, “Event of Default” under the Deed of Trust as defined therein, or breach or violation of any other instrument securing the obligations of the Borrower under this Note or under any other promissory notes hereafter issued by the Borrower to the Lender pursuant to the Loan Agreement or the Deed of Trust, following the expiration of notice and cure periods, if any, set forth therein.

(b) Upon the occurrence of such an event of default, the entire unpaid principal balance, together with all interest thereon, and together with all other sums then payable under this Note and the Deed of Trust shall at the option of the Lender become immediately due and payable upon written notice by the Lender to the Borrower without further demand.

(c) The failure to exercise the remedy set forth in Subsection 5(b) above or any other remedy provided by law upon the occurrence of one or more of the foregoing events of default shall not constitute a waiver of the right to exercise any remedy at any subsequent time in respect to the same or any other default. The acceptance by the Lender hereof of any payment which is less than the total of all amounts due and payable at the time of such payment shall not constitute a waiver of the right to exercise any of the foregoing remedies or options at that time or at any subsequent time, or nullify any prior exercise of any such remedy or option, without the express consent of the Lender, except as and to the extent otherwise provided by law.

(6) Waivers.

(a) The Borrower hereby waives diligence, presentment, protest and demand, and notice of protest, notice of demand, and notice of dishonor of this Note. The Borrower expressly agrees that this Note or any payment hereunder may be extended from time to time and that the
Lender may accept further security or release any security for this Note, all without in any way affecting the liability of the Borrower.

(b) No extension of time for payment of this Note or any installment hereof made by agreement by the Lender with any person now or hereafter liable for payment of this Note shall operate to release, discharge, modify, change, or affect the original liability of the Borrower under this Note, either in whole or in part.

(c) The obligations of the Borrower under this Note shall be absolute and the Borrower waives any and all rights to offset, deduct, or withhold any payments or charges due under this Note for any reason whatsoever.

(7) Miscellaneous Provisions.

(a) All notices to the Lender or the Borrower shall be given in the manner and at the addresses set forth in the Loan Agreement, or to such addresses as the Lender and the Borrower may hereinafter designate. Copies of notices to the Borrower from the Lender shall also be provided by the Lender to any limited partner of the Borrower who requests such notice in writing and provides the Lender with written notice of its address.

(b) The Borrower promises to pay all costs and expenses, including reasonable attorney's fees, incurred by the Lender in the enforcement of the provision of this Note, regardless of whether suit is filed to seek enforcement.

(c) This Note may not be changed orally, but only by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification, or discharge is sought.

(d) This Note shall be governed by and construed in accordance with the laws of the State of California.

(e) The times for the performance of any obligations hereunder shall be strictly construed, time being of the essence.

(f) This document, together with the Loan Documents, contains the entire agreement between the parties as to the Authority Gap Loan. It may not be modified except upon written consent of the parties.

(g) Neither the Borrower nor any partner of the Borrower shall have any direct or indirect personal liability for payment of the principal of, or interest on, the Authority Gap Loan or the performance of the covenants of the Borrower under the Deed of Trust. The sole recourse of the Lender with respect to the principal of, or interest on, this Note and defaults by the Borrower in the performance of its covenants under the Deed of Trust shall be to the property described in the Deed of Trust; provided, however, that nothing contained in the foregoing limitation of liability shall (a) limit or impair the enforcement against all such security for this
Note of all the rights and remedies of the Lender thereunder, or (b) be deemed in any way to impair the right of the Lender to assert the unpaid principal amount of this Note as demand for money within the meaning and intendment of Section 431.70 of the California Code of Civil Procedure or any successor provision thereto. The foregoing limitation of liability is intended to apply only to the obligation for the repayment of the principal of, and payment of interest on this Note and the performance of the Borrower's obligations under the Deed of Trust, except as hereafter set forth; nothing contained herein is intended to relieve the Borrower of its obligation to indemnify the Lender under Sections 4.7 and 7.4 of the Loan Agreement, or for liability for: (i) fraud or willful misrepresentation; (ii) the failure to pay taxes, assessments or other charges which may create liens on the Property that are payable or applicable prior to any foreclosure under the Deed of Trust (to the full extent of such taxes, assessments or other charges); (iii) the fair market value of any personal property or fixtures removed or disposed of by the Borrower other than in accordance with the Deed of Trust; and (iv) the misappropriation of any proceeds under any insurance policies or awards resulting from condemnation or the exercise of the power of eminent domain or by reason of damage, loss or destruction to any portion of the Property.

(h) Notwithstanding any other provisions of this Note, all liens, claims, charges, and priorities related to the Authority Gap Loan contemplated by this Note shall be subordinate and junior to all liens, claims, charges, and priorities related to the Construction Loan, Permanent Loan and HCD Loan.

(i) Exhibit A, attached hereto, is hereby incorporated into this Note.

MAINTENANCE AND MODIFICATION OF THE PROPERTY AND SECURITY

Section 2.1 Maintenance and Modification of the Property by Trustor. Trustor agrees that at all times prior to full payment of the sum owed under the Note, Trustor will, at Trustor's own expense, maintain, preserve, and keep the Security or cause the Security to be maintained and preserved in good condition. Trustor will from time to time make or cause to be made all repairs, replacements, and renewals deemed proper and necessary by it. If there arises a condition in contravention of this requirement, and if the Trustor has not cured such condition within thirty (30) days after receiving a Beneficiary notice of such a condition, and the Trustor has not initiated diligent efforts to cure such condition within such period, then in addition to any other rights available to the Beneficiary, the Beneficiary shall have the right to perform all acts necessary to cure such condition, and to establish or enforce a lien or other encumbrance against the Security. Beneficiary shall have no responsibility in any of these matters or for the making of improvements or additions to the Security.

Trustor agrees to pay fully and discharge (or cause to be paid fully and discharged) all claims for labor done and for material and services furnished in connection with the Security, diligently to file or procure the filing of a valid notice of cessation upon the event of a cessation of labor on the work or construction on the Security for a continuous period of thirty (30) days or more, and to take all other reasonable steps to forestall the assertion of claims of lien against the Security or any part thereof. Trustor irrevocably appoints, designates, and authorizes Beneficiary as its agent (said agency being coupled with an interest) with the authority, but without any obligation, to file for record any notices of completion or cessation of labor or any other notice that Beneficiary deems necessary or desirable to protect its interest in and to the Security or the Loan Documents; provided, however, that Beneficiary shall exercise its rights as agent of Trustor only in the event that Trustor shall fail to take, or shall fail to diligently continue to take, those actions as hereinbefore provided.

Upon demand by Beneficiary, Trustor shall make or cause to be made such demands or claims as Beneficiary shall specify upon laborers, materialmen, subcontractors, or other persons who have furnished or claim to have furnished labor, services, or materials in connection with the Security. Nothing herein contained shall require Trustor to pay any claims for labor, materials, or services which Trustor in good faith disputes and is diligently contesting provided that Trustor shall, within thirty (30) days after the filing of any claim of lien, record in the Office of the Recorder of the County of Los Angeles, a surety bond in an amount one and a half times the amount of such claim item to protect against a claim of lien.
Section 2.2  **Granting of Easements.** Except as set forth in the Loan Documents, Trustor may not grant easements, licenses, rights-of-way, or other rights or privileges in the nature of easements with respect to any property or rights included in the Security except those required or desirable for installation and maintenance of public utilities including, without limitation, access, water, gas, electricity, sewer, telephone, and telegraph, or those required by law and as approved, in writing, by Beneficiary, which approval shall not be unreasonably withheld or delayed.

Section 2.3  **Assignment of Rents.** As part of the consideration for the indebtedness evidenced by the Note, Trustor hereby absolutely and unconditionally assigns and transfers to Beneficiary all the rents and revenues of the Property including those now due, past due, or to become due by virtue of any lease or other agreement for the occupancy or use of all or any part of the Property, regardless of to whom the rents and revenues of the Property are payable (collectively, the “**Rents**”). After the occurrence and during the continuation of an Event of Default (as defined in Section 7.1), Trustor hereby authorizes Beneficiary or Beneficiary's agents to collect the aforesaid rents and revenues and hereby directs each tenant of the Property to pay such Rents to Beneficiary or Beneficiary's agents. Prior to the occurrence of an Event of Default, Trustor shall collect and receive all Rents of the Property as trustee for the benefit of Beneficiary and Trustor shall apply the Rents so collected to the sums secured by this Deed of Trust with the balance, so long as no Event of Default has occurred, to the account of Trustor, it being intended by Trustor and Beneficiary that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only. Upon delivery of written notice by Beneficiary to Trustor of an Event of Default, and without the necessity of Beneficiary entering upon and taking and maintaining full control of the Property in person, by agent, or by a court-appointed receiver, Beneficiary shall immediately be entitled to possession of all Rents of the Property as specified in this Section 2.3 as the same becomes due and payable, including but not limited to Rents then due and unpaid, and all such Rents shall immediately upon delivery of such notice be held by Trustor as trustee for the benefit of Beneficiary only; provided, however, that the written notice by Beneficiary to Trustor of an Event of Default shall contain a statement that Beneficiary exercises its rights to such Rents. Trustor agrees that commencing upon delivery of such written notice of an Event of Default, each tenant of the Property shall make such Rents payable to and pay such Rents to Beneficiary or Beneficiary's agents on Beneficiary's written demand to each tenant therefor, delivered to each tenant personally, by mail, or by delivering such demand to each rental unit, without any liability on the part of said tenant to inquire further as to the existence of a default by Trustor.

Except for the financing previously approved by the Beneficiary pursuant to the Loan Agreement, Trustor hereby covenants that Trustor has not executed any prior assignment of said Rents, that Trustor has not performed, and will not perform, any acts or has not executed and will not execute, any instrument which would prevent Beneficiary from exercising its rights under this Section 2.3, and that at the time of execution of this Deed of Trust, there has been no anticipation or prepayment of any of the Rents of the Property for more than two (2) months prior to the due dates of such rents. Trustor covenants that Trustor will not hereafter collect or accept payment of any Rents of the Property more than two (2) months prior to the due dates of such Rents. Trustor further covenants that Trustor will execute and deliver to Beneficiary such further assignments of rents and revenues of the Property as Beneficiary may from time to time request.

Upon and during the continuation of an Event of Default, Beneficiary may in person, by agent, or by a court-appointed receiver, regardless of the adequacy of Beneficiary's security, enter upon and take and maintain full control of the Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof including, but not limited to, the execution,
cancellation, or modification of leases, the collection of all Rents of the Property, the making of repairs to the Property, and the execution or termination of contracts providing for the management or maintenance of the Property, all on such terms as are deemed best to protect the security of this Deed of Trust. In the event Beneficiary elects to seek the appointment of a receiver for the Property upon an Event of Default, Trustor hereby expressly consents to the appointment of such receiver. Beneficiary or the receiver shall be entitled to receive a reasonable fee for so managing the Property.

All Rents collected upon and during the continuation of an Event of Default shall be applied first to the costs, if any, of taking control of and managing the Property and collecting the Rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, costs of repairs to the Property, premiums on insurance policies, taxes, assessments, and other charges on the Property, and the costs of discharging any obligation or liability of Trustor as lessor or landlord of the Property and then to the sums secured by this Deed of Trust. Beneficiary or the receiver shall have access to the books and records used in the operation and maintenance of the Property and shall be liable to account only for those Rents actually received. Beneficiary shall not be liable to Trustor, anyone claiming under or through Trustor, or anyone having an interest in the Property by reason of anything done or left undone by Beneficiary under this Section 2.3.

If the Rents of the Property are not sufficient to meet the costs, if any, of taking control of and managing the Property and collecting the Rents, any funds expended by Beneficiary for such purposes shall become indebtedness of Trustor to Beneficiary secured by this Deed of Trust pursuant to Section 3.3 hereof. Unless Beneficiary and Trustor agree in writing to other terms of payment, such amounts shall be payable upon notice from Beneficiary to Trustor requesting payment thereof and shall bear interest from the date of disbursement at the rate stated in Section 3.3.

Any entering upon and taking and maintaining of control of the Property by Beneficiary or the receiver and any application of Rents as provided herein shall not cure or waive any default hereunder or invalidate any other right or remedy of Beneficiary under applicable law or provided herein. This assignment of rents of the Property shall terminate at such time as this Deed of Trust ceases to secure indebtedness held by Beneficiary. The rights of the Beneficiary under this Section 2.3 are subject to the rights of the Senior Lender and any other senior lender.

ARTICLE 3
TAXES AND INSURANCE; ADVANCES

Section 3.1 Taxes, Other Governmental Charges and Utility Charges. Trustor shall pay, or cause to be paid prior to the date of delinquency, all taxes, assessments, charges, and levies imposed by any public authority or utility company which are or may become a lien affecting the Security or any part thereof; provided, however, that Trustor shall not be required to pay and discharge any such tax, assessment, charge, or levy so long as (a) the legality thereof shall be promptly and actively contested in good faith and by appropriate proceedings, and (b) Trustor maintains reserves adequate to pay any liabilities contested pursuant to this Section 3.1. With respect to taxes, special assessments, or other similar governmental charges, Trustor shall pay such amount in full prior to the attachment of any lien therefor on any part of the Security; provided, however, if such taxes, assessments, or charges may be paid in installments, Trustor may pay in such installments. Except as provided in clause (b) of the first sentence of this paragraph, the provisions of this Section 3.1 shall not be construed to require that Trustor maintain a reserve account, escrow account, impound account, or other similar account for the payment of future taxes, assessments, charges, and levies.
In the event that Trustor shall fail to pay any of the foregoing items required by this Section to be paid by Trustor, Beneficiary may (but shall be under no obligation to) pay the same, after Beneficiary has notified Trustor of such failure to pay and Trustor fails to fully pay such items within seven (7) business days after receipt of such notice. Any amount so advanced therefor by Beneficiary, together with interest thereon from the date of such advance at the maximum rate permitted by law, shall become an additional obligation of Trustor to the Beneficiary and shall be secured hereby, and Trustor agrees to pay all such amounts.

Section 3.2 Provisions Respecting Insurance. Trustor agrees to provide insurance conforming in all respects to that required under the Loan Documents during the course of construction and following completion, and at all times until all amounts secured by this Deed of Trust have been paid and all other obligations secured hereunder fulfilled, and this Deed of Trust reconveyed.

All such insurance policies and coverages shall be maintained at Trustor's sole cost and expense. Certificates of insurance for all of the above insurance policies, showing the same to be in full force and effect, shall be delivered to Beneficiary upon demand therefor at any time prior to Beneficiary's receipt of the entire Principal and all amounts secured by this Deed of Trust.

Section 3.3 Advances. In the event Trustor shall fail to maintain the full insurance coverage required by this Deed of Trust or shall fail to keep the Security in accordance with the Loan Documents, Beneficiary, after at least seven (7) days prior notice to Beneficiary, may (but shall be under no obligation to) take out the required policies of insurance, pay the premiums on the same, make such repairs or replacements as are necessary and provide for payment thereof, or expend such funds as necessary to remedy such failure by Trustor; and all amounts so advanced therefor by Beneficiary shall become an additional obligation of Trustor to Beneficiary (together with interest as set forth below) and shall be secured hereby, which amounts Trustor agrees to pay on the demand of Beneficiary, and if not so paid, shall bear interest from the date of the advance at the lesser of ten percent (10%) per annum or the maximum rate permitted by law.

ARTICLE 4
DAMAGE, DESTRUCTION OR CONDEMNATION

Section 4.1 Awards and Damages. All judgments, awards of damages, settlements, and compensation made in connection with or in lieu of (1) taking of all or any part of or any interest in the Property by or under assertion of the power of eminent domain, (2) any damage to or destruction of the Property or in any part thereof by insured casualty, and (3) any other injury or damage to all or any part of the Property (“Funds”) are hereby assigned to and shall be paid to Beneficiary by a check made payable to Beneficiary. Such Funds shall be applied to restoration or repair of the Property damaged, provided such restoration or repair is economically feasible and (after completion of the repair or restoration) the security of this Deed of Trust is not thereby impaired, as determined in Beneficiary's reasonable discretion. Such work or repair shall be in accordance with plans and specifications approved by the Beneficiary and commenced no later than the later of (a) one hundred twenty (120) days after the damage or loss occurs or (b) thirty (30) days following receipt of the Funds, and shall be complete within one (1) year thereafter. If such restoration or repair is not economically feasible, or if Trustor fails to provide additional monies to fund any deficiency in connection with such restoration, or if the security of this Deed of Trust would be impaired, then the Funds will be used to repay any amounts due under this Deed of Trust with the
excess, if any, paid to Trustor. Beneficiary must consent to the settlement and adjustment of all claims under insurance policies provided under this Deed of Trust. All or any part of the amounts so collected and recovered by Beneficiary may be released to Trustor upon such conditions as Beneficiary may impose for its disposition. Application of all or any part of the Funds collected and received by Beneficiary or the release thereof shall not cure or waive any default under this Deed of Trust. The rights of Beneficiary under this Section 4.1 are subject to the rights of the Senior Lender and any other senior lender.

ARTICLE 5
AGREEMENTS AFFECTING THE PROPERTY; FURTHER ASSURANCES; PAYMENT OF PRINCIPAL AND INTEREST

Section 5.1 Other Agreements Affecting Property. Trustor shall duly and punctually perform all terms, covenants, conditions, and agreements binding upon it under the Loan Documents and any other agreement of any nature whatsoever now or hereafter involving or affecting the Security or any part thereof.

Section 5.2 Agreement to Pay Attorneys' Fees and Expenses. In the event of any Event of Default (as defined in Section 7.1) hereunder, and if Beneficiary should employ attorneys or incur other expenses for the collection of amounts due or the enforcement of performance or observance of an obligation or agreement on the part of Trustor in this Deed of Trust, Trustor agrees that it will, on demand therefor, pay to Beneficiary the reasonable fees of such attorneys and such other reasonable expenses so incurred by Beneficiary; and any such amounts paid by Beneficiary shall be added to the indebtedness secured by the lien of this Deed of Trust, and shall bear interest from the date such expenses are incurred at the lesser of ten percent (10%) per annum or the maximum rate permitted by law.

Section 5.3 Payment of the Principal. Trustor shall pay to Beneficiary the Principal and any other payments as set forth in the Note in the amounts and by the times set out therein.

Section 5.4 Personal Property; Fixture Filing. To the maximum extent permitted by law, the personal property subject to this Deed of Trust shall be deemed to be fixtures and part of the real property and this Deed of Trust shall constitute a fixtures filing under the California Commercial Code. As to any personal property not deemed or permitted to be fixtures, this Deed of Trust shall constitute a security agreement under the California Commercial Code. Trustor hereby grants Beneficiary a security interest in such items.

Section 5.5 Financing Statement. Trustor shall execute and deliver to Beneficiary such financing statements pursuant to the appropriate statutes, and any other documents or instruments as are required to convey to Beneficiary a valid perfected security interest in the Security. Trustor agrees to perform all acts which Beneficiary may reasonably request so as to enable Beneficiary to maintain such valid perfected security interest in the Security in order to secure the payment of the Note in accordance with their terms. Beneficiary is authorized to file a copy of any such financing statement in any jurisdiction(s) as it shall deem appropriate from time to time in order to protect the security interest established pursuant to this instrument. Trustor shall pay all costs of filing such financing statements and any extensions, renewals, amendments, and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements, and releases thereof, as Beneficiary may reasonably require. Without the prior written consent of Beneficiary,
Trustor shall not create or suffer to be created pursuant to the California Commercial Code any other security interest in the Security, including replacements and additions thereto.

Section 5.6 Operation of the Security. Trustor shall operate the Security (and, in case of a transfer of a portion of the Security subject to this Deed of Trust, the transferee shall operate such portion of the Security) in full compliance with the Loan Documents.

Section 5.7 Inspection of the Security. At any and all reasonable times upon seventy-two (72) hours' notice, Beneficiary and its duly authorized agents, attorneys, experts, engineers, accountants, and representatives, shall have the right, without payment of charges or fees, to inspect the Security.

Section 5.8 Nondiscrimination. Trustor herein covenants by and for itself, its heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, age, sex, sexual orientation, marital status, national origin, or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Security, nor shall Trustor itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Security. The foregoing covenants shall run with the land.

ARTICLE 6
HAZARDOUS WASTE

Trustor shall keep and maintain the Property in compliance with, and shall not cause or permit the Property to be in violation of any federal, state, or local laws, ordinances, or regulations relating to industrial hygiene or to the environmental conditions on, under, or about the Property including, but not limited to, soil and ground water conditions; provided however, that if any condition causing non-compliance with this Section existed at the Property prior to the date of this Agreement or at other property within the vicinity of the Leased Premises, the Borrower shall not be in default hereunder. Trustor shall not use, generate, manufacture, store, or dispose of, on, under, or about the Property or transport to or from the Property any flammable explosives, radioactive materials, hazardous wastes, toxic substances, or related materials, including without limitation, any substances defined as or included in the definition of “hazardous substances,” “hazardous wastes,” “hazardous materials,” or “toxic substances” under any applicable federal or state laws or regulations (collectively referred to hereinafter as “Hazardous Materials”) except such of the foregoing as are used in construction of the improvements on the Property or as may be customarily kept and used in and about residential property.

Trustor shall immediately advise Beneficiary in writing if at any time it receives written notice of: (i) any and all enforcement, cleanup, removal, or other governmental or regulatory actions instituted, completed, or threatened against Trustor or the Property pursuant to any applicable federal, state, or local laws, ordinances, or regulations relating to any Hazardous Materials, (“Hazardous Materials Law”); (ii) all claims made or threatened by any third party against Trustor or the Property relating to damage, contribution, cost recovery compensation, loss, or injury resulting from any Hazardous Materials (the matters set forth in clauses (i) and (ii) above are hereinafter referred to as “Hazardous Materials Claims”); and (iii) Trustor's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could
cause the Property or any part thereof to be classified as “border-zone property” under the provision of California Health and Safety Code, Sections 25220 et seq., or any regulation adopted in accordance therewith, or to be otherwise subject to any restrictions on the ownership, occupancy, transferability, or use of the Property under any Hazardous Materials Law.

Beneficiary shall have the right to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any Hazardous Materials Claims. Trustor shall indemnify and hold harmless Beneficiary and its board members, supervisors, directors, officers, employees, agents, successors, and assigns from and against any loss, damage, cost, expense, or liability directly or indirectly arising out of or attributable to the use, generation, storage, release, threatened release, discharge, disposal, or presence of Hazardous Materials on, under, or about the Property including without limitation: (a) all foreseeable consequential damages; (b) the costs of any required or necessary repair, cleanup, or detoxification of the Property and the preparation and implementation of any closure, remedial, or other required plans; and (c) all reasonable costs and expenses incurred by Beneficiary in connection with clauses (a) and (b), including but not limited to reasonable attorneys' fees; provided however that this indemnification shall not apply to any loss, damage, cost, expense or liability directly or indirectly arising out of or attributable to any condition that existed at the Property prior to the date of this Deed of Trust or at other property within the vicinity of the Property.

Without Beneficiary's prior written consent, which shall not be unreasonably withheld, Trustor shall not take any remedial action in response to the presence of any Hazardous Materials on, under, or about the Property, nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Material Claims, which remedial action, settlement, consent decree, or compromise might, in Beneficiary's reasonable judgment, impair the value of Beneficiary's security hereunder; provided, however, that Beneficiary's prior consent shall not be necessary in the event that the presence of Hazardous Materials on, under, or about the Property either poses an immediate threat to the health, safety, or welfare of any individual or is of such a nature that an immediate remedial response is necessary and it is not reasonably possible to obtain Beneficiary's consent before taking such action, provided that in such event Trustor shall notify Beneficiary as soon as practicable of any action so taken. Beneficiary agrees not to withhold its consent, where such consent is required hereunder, if either: (i) a particular remedial action is ordered by a court of competent jurisdiction; (ii) Trustor will or may be subjected to civil or criminal sanctions or penalties if it fails to take a required action; (iii) Trustor establishes to the reasonable satisfaction of Beneficiary that there is no reasonable alternative to such remedial action which would result in less impairment of Beneficiary's security hereunder; or (iv) the action has been agreed to by Beneficiary.

Trustor hereby acknowledges and agrees that (i) this Article is intended as Beneficiary's written request for information (and the Trustor's response) concerning the environmental condition of the Property as required by California Code of Civil Procedure Section 726.5, and (ii) each representation and warranty in this Deed of Trust or any of the other Loan Documents (together with any indemnity applicable to a breach of any such representation and warranty) with respect to the environmental condition of the property is intended by Beneficiary and Trustor to be an “environmental provision” for purposes of California Code of Civil Procedure Section 736.

In the event that any portion of the Property is determined to be “environmentally impaired” (as that term is defined in California Code of Civil Procedure Section 726.5(e)(3)) or to be an “affected parcel” (as that term is defined in California Code of Civil Procedure Section 726.5(e)(1)),
then, without otherwise limiting or in any way affecting Beneficiary's or Trustee's rights and remedies under this Deed of Trust, Beneficiary may elect to exercise its rights under California Code of Civil Procedure Section 726.5(a) to (1) waive its lien on such environmentally impaired or affected portion of the Property and (2) exercise (a) the rights and remedies of an unsecured creditor, including reduction of its claim against Trustor to judgment, and (b) any other rights and remedies permitted by law. For purposes of determining Beneficiary's right to proceed as an unsecured creditor under California Code of Civil Procedure Section 726.5(a), Trustor shall be deemed to have willfully permitted or acquiesced in a release or threatened release of Hazardous Materials, within the meaning of California Code of Civil Procedure Section 726.5(d)(1), if the release or threatened release of Hazardous Materials was knowingly or negligently caused or contributed to by any lessee, occupant, or user of any portion of the Property and Trustor knew or should have known of the activity by such lessee, occupant, or user which caused or contributed to the release or threatened release. All costs and expenses, including (but not limited to) attorneys' fees, incurred by Beneficiary in connection with any action commenced under this paragraph, including any action required by California Code of Civil Procedure Section 726.5(b) to determine the degree to which the Property is environmentally impaired, plus interest thereon at the lesser of ten percent (10%) or the maximum rate permitted by law, until paid, shall be added to the indebtedness secured by this Deed of Trust and shall be due and payable to Beneficiary upon its demand made at any time following the conclusion of such action.

Trustor is aware that California Civil Code Section 2955.5(a) provides as follows: “No lender shall require a borrower, as a condition of receiving or maintaining a loan secured by real property, to provide hazard insurance coverage against risks to the improvements on that real property in an amount exceeding the replacement value of the improvements on the property.”

ARTICLE 7
EVENTS OF DEFAULT AND REMEDIES

Section 7.1 Events of Default. Each of the following shall constitute an Event of Default following the expiration of any applicable notice and cure periods: (1) failure to make any payment to be paid by Trustor under the Loan Documents within ten (10) days after the date due; (2) failure to observe or perform any of Trustor's other covenants, agreements, or obligations under the Loan Documents (which failure has not been cured within the times and in the manner set forth in the Loan Agreement); or (3) failure to make any payment or perform any of Trustor's other covenants, agreements, or obligations under any other debt instruments or regulatory agreement secured by the Property, which default shall not be cured within the times and in the manner provided therein, provided, however, to the extent that the Trustor cures its failure to perform as described in this Section 7.1(3), Trustor shall be deemed to have cured the Event of Default arising from this Section 7.1(3).

Section 7.2 Acceleration of Maturity. If an Event of Default shall have occurred and be continuing, then at the option of Beneficiary, the amount of any payment related to the Event of Default and the unpaid Principal of the Note (including all interest thereon) shall immediately become due and payable, upon written notice by Beneficiary to Trustor (or automatically where so specified in the Loan Documents), and no omission on the part of Beneficiary to exercise such option when entitled to do so shall be construed as a waiver of such right.

Section 7.3 Beneficiary's Right to Enter and Take Possession. If an Event of Default shall have occurred and be continuing, Beneficiary may:
(a) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, and without regard to the adequacy of its security, enter upon the Security and take possession thereof (or any part thereof) and of any of the Security, in its own name or in the name of Trustee, and do any acts which it deems necessary or desirable to preserve the value or marketability of the Property, or part thereof or interest therein, increase the income therefrom or protect the security thereof. The entering upon and taking possession of the Security shall not cure or waive any Event of Default or Notice of Default (as defined below) hereunder or invalidate any act done in response to such Default or pursuant to such Notice of Default and, notwithstanding the continuance in possession of the Security, Beneficiary shall be entitled to exercise every right provided for in this Deed of Trust, or by law upon occurrence of any Event of Default, including the right to exercise the power of sale;

(b) Commence an action to foreclose this Deed of Trust as a mortgage, appoint a receiver, or specifically enforce any of the covenants hereof;

(c) Deliver to Trustee a written declaration of default and demand for sale, and a written notice of default and election to cause Trustor's interest in the Security to be sold ("Notice of Default and Election to Sell"), which notice Trustee or Beneficiary shall cause to be duly filed for record in the Official Records of the County of Los Angeles; or

(d) Exercise all other rights and remedies provided herein, in the instruments by which Trustor acquires title to any Security, or in any other document or agreement now or hereafter evidencing, creating, or securing all or any portion of the obligations secured hereby, or provided by law.

Section 7.4 Foreclosure By Power of Sale. Should Beneficiary elect to foreclose by exercise of the power of sale herein contained, Beneficiary shall give notice to Trustee (the "Notice of Sale") and shall deposit with Trustee this Deed of Trust which is secured hereby (and the deposit of which shall be deemed to constitute evidence that the unpaid principal amount of the Note is immediately due and payable), and such receipts and evidence of any expenditures made that are additionally secured hereby as Trustee may require.

(a) Upon receipt of such notice from Beneficiary, Trustee shall cause to be recorded, published, and delivered to Trustor such Notice of Default and Election to Sell as then required by law and after recordation of such Notice of Default and Election to Sell and after Notice of Sale having been given as required by law, sell the Security, at the time and place of sale fixed by it in said Notice of Sale, whether as a whole or in separate lots or parcels or items as Trustee shall deem expedient and in such order as it may determine unless specified otherwise by Trustor according to California Civil Code Section 2924g(b), at public auction to the highest bidder, for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed or any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustor, Trustee, or Beneficiary, may purchase at such sale, and Trustor hereby covenants to warrant and defend the title of such purchaser or purchasers.
(b) After deducting all reasonable costs, fees, and expenses of Trustee, including costs of evidence of title in connection with such sale, Trustee shall apply the proceeds of sale to payment of: (i) the unpaid Principal amount of the Note; (ii) all other amounts owed to Beneficiary under the Loan Documents; (iii) all other sums then secured hereby; and (iv) the remainder, if any, to Trustor.

delete

c) Trustee may postpone sale of all or any portion of the Property by public announcement at such time and place of sale, and from time to time thereafter, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new Notice of Sale.

Section 7.5 Receiver. If an Event of Default shall have occurred and be continuing, Beneficiary, as a matter of right and without further notice to Trustor or anyone claiming under the Security, and without regard to the then value of the Security or the interest of Trustor therein, shall have the right to apply to any court having jurisdiction to appoint a receiver or receivers of the Security (or a part thereof), and Trustor hereby irrevocably consents to such appointment and waives further notice of any application therefor. Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases, and all the powers and duties of Beneficiary in case of entry as provided herein, and shall continue as such and exercise all such powers until the date of confirmation of sale of the Security, unless such receivership is sooner terminated.

Section 7.6 Remedies Cumulative. No right, power, or remedy conferred upon or reserved to Beneficiary by this Deed of Trust is intended to be exclusive of any other right, power, or remedy, but each and every such right, power, and remedy shall be cumulative and concurrent and shall be in addition to any other right, power, and remedy given hereunder or now or hereafter existing at law or in equity.

Section 7.7 No Waiver.

(a) No delay or omission of Beneficiary to exercise any right, power, or remedy accruing upon any Event of Default shall exhaust or impair any such right, power, or remedy, or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power, and remedy given by this Deed of Trust to Beneficiary may be exercised from time to time and as often as may be deemed expedient by Beneficiary. Beneficiary's expressed or implied consent to a breach by Trustor, or a waiver of any obligation of Trustor hereunder, shall not be deemed or construed to be a consent to any subsequent breach, or further waiver, of such obligation or of any other obligations of Trustor hereunder. Failure on the part of Beneficiary to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by Beneficiary of its right hereunder or impair any rights, power, or remedies consequent on any Event of Default by Trustor.

(b) If Beneficiary (i) grants forbearance or an extension of time for the payment of any sums secured hereby, (ii) takes other or additional security or the payment of any sums secured hereby, (iii) waives or does not exercise any right granted in the Loan Documents, (iv) releases any part of the Security from the lien of this Deed of Trust, or otherwise changes any of the terms, covenants, conditions, or agreements in the Loan Documents, (v) consents to the granting of any easement or other right affecting the Security, or (vi) makes or consents to any agreement subordinating the lien hereof, any such act or omission shall not release, discharge, modify, change, or affect the original liability under this Deed of Trust, or any other obligation of Trustor or any
subsequent purchaser of the Security or any part thereof, or any maker, co-signer, endorser, surety, or guarantor (unless expressly released); nor shall any such act or omission preclude Beneficiary from exercising any right, power, or privilege herein granted or intended to be granted in any Event of Default then made or of any subsequent Event of Default, nor, except as otherwise expressly provided in an instrument or instruments executed by Beneficiary shall the lien of this Deed of Trust be altered thereby.

Section 7.8  Suits to Protect the Security. Beneficiary shall have power to (a) institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Security and the rights of Beneficiary as may be unlawful or any violation of this Deed of Trust, (b) preserve or protect its interest (as described in this Deed of Trust) in the Security, and (c) restrain the enforcement of or compliance with any legislation or other governmental enactment, rule, or order that may be unconstitutional or otherwise invalid, if the enforcement for compliance with such enactment, rule, or order would impair the Security thereunder or be prejudicial to the interest of Beneficiary.

Section 7.9  Beneficiary May File Proofs of Claim. In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition, or other proceedings affecting Trustor, its creditors, or its property, Beneficiary, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of Beneficiary allowed in such proceedings and for any additional amount which may become due and payable by Trustor hereunder after such date.

Section 7.10  Waiver. Trustor waives presentment, demand for payment, notice of dishonor, notice of protest and nonpayment, protest, notice of interest on interest and late charges, and diligence in taking any action to collect any sums owing under the Note or in proceedings against the Security, in connection with the delivery, acceptance, performance, default, endorsement, or guaranty of this Deed of Trust.

ARTICLE 8
MISCELLANEOUS

Section 8.1  Amendments: Prior Agreements. This instrument cannot be waived, changed, discharged, or terminated orally, but only by an instrument in writing signed by Beneficiary and Trustor.

Section 8.2  Reconveyance by Trustee. Upon written request of Beneficiary stating that (i) all sums secured hereby have been paid or forgiven, and (ii) that all obligations of Trustor under the Loan Documents have been satisfied, and upon surrender of this Deed of Trust to Trustee for cancellation and retention, and upon payment by Trustor of Trustee's reasonable fees, Trustee shall reconvey the Security to Trustor, or to the person or persons legally entitled thereto.

Section 8.3  Notices. If at any time after the execution of this Deed of Trust it shall become necessary or convenient for one of the parties hereto to serve any notice, demand, or communication upon the other party, such notice, demand, or communication shall be in writing and shall be served by depositing the same in the registered United States mail, return receipt requested, postage prepaid and:

If to Beneficiary:  Housing Authority of City of Los Angeles
Any notice, demand, or communication shall be deemed given, received, made, or communicated, if mailed in the manner herein specified, on the delivery date or date delivery is refused by the addressee, as shown on the return receipt. Either party may change its address at any time by giving written notice of such change to Beneficiary or Trustor as the case may be, in the manner provided herein, at least ten (10) days prior to the date such change is desired to be effective.

Section 8.4 Successors and Joint Trustors. Where an obligation is created herein binding upon Trustor, the obligation shall also apply to and bind any transferee or successors in interest. Where the terms of this Deed of Trust have the effect of creating an obligation of Trustor and a transferee, such obligation shall be deemed to be a joint and several obligation of Trustor and such transferee. Where Trustor is more than one entity or person, all obligations of Trustor shall be deemed to be a joint and several obligation of each and every entity and person comprising Trustor.

Section 8.5 Captions. The captions or headings at the beginning of each Section hereof are for the convenience of the parties and are not a part of this Deed of Trust.

Section 8.6 Invalidity of Certain Provisions. Every provision of this Deed of Trust is intended to be severable. In the event any term or provision hereof is declared to be illegal or invalid for any reason whatsoever by a court or other body of competent jurisdiction, such illegality or invalidity shall not affect the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable. If the lien of this Deed of Trust is invalid or unenforceable as to any part of the debt, or if the lien is invalid or unenforceable as to any part of the Security, the unsecured or partially secured portion of the debt, and all payments made on the debt, whether voluntary or under foreclosure or other enforcement action or procedure, shall be considered to have been first paid or applied to the full payment of that portion of the debt which is not secured or partially secured by the lien of this Deed of Trust.
Section 8.7  Governing Law. This Deed of Trust shall be governed by and construed in accordance with the laws of the State of California.

Section 8.8  Gender and Number. In this Deed of Trust, the singular shall include the plural and the masculine shall include the feminine and neuter and vice versa, if the context so requires.

Section 8.9  Deed of Trust, Mortgage. Any reference in this Deed of Trust to a mortgage shall also refer to a deed of trust and any reference to a deed of trust shall also refer to a mortgage.

Section 8.10  Actions. Trustor agrees to appear in and defend any action or proceeding purporting to affect the Security.

Section 8.11  Substitution of Trustee. Beneficiary may from time to time substitute a successor or successors to any Trustee named herein or acting hereunder to execute this Deed of Trust. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all title, powers, and duties conferred upon any Trustee herein named or acting hereunder. Each such appointment and substitution shall be made by written instrument executed by Beneficiary, containing reference to this Deed of Trust and its place of record, which, when duly recorded in the proper office of the county or counties in which the Property is situated, shall be conclusive proof of proper appointment of the successor trustee.

Section 8.12  Statute of Limitations. The pleading of any statute of limitations as a defense to any and all obligations secured by this Deed of Trust is hereby waived to the full extent permissible by law.

Section 8.13  Acceptance by Trustee. Trustee accepts this Deed of Trust when this Deed of Trust, duly executed and acknowledged, is made public record as provided by law. Except as otherwise provided by law the Trustee is not obligated to notify any party hereto of pending sale under this Deed of Trust or of any action of proceeding in which Trustor, Beneficiary, or Trustee shall be a party unless brought by Trustee.

Section 8.14  Compliance with Internal Revenue Code Section 42. Beneficiary acknowledges that Trustor intends to enter into an extended use agreement, which constitutes the extended low-income housing commitment described in Section 42(h)(6)(B) of the Internal Revenue Code, as amended (the “Code”). As of the date hereof, Code Section 42(h)(6)(E)(ii) does not permit the eviction or termination of tenancy (other than for good cause) of an existing tenant of any low-income unit or any increase in the gross rent with respect to such unit not otherwise permitted under Code Section 42 for a period of three (3) years after the date the building is acquired by foreclosure or by instrument in lieu of foreclosure. In the event the extended use agreement is recorded against the Property, Beneficiary agrees to comply with the provisions set forth in Code Section 42(h)(6)(E)(ii).

Investor Rider

This Rider is attached to and made a part of the promissory note, the deed of trust, and loan agreement or other document(s) evidencing, securing, and governing a Gap Loan from the Authority in the maximum principal amount of [Eight Million Three Hundred Fifty Thousand Thousand Dollars ($8,350,000.00)] (the “Authority Gap Loan” or the “Loan”) made by the Housing Authority of the City of Los Angeles (“Lender”) to Rose Hill Courts I Housing Partners, L.P., a California limited partnership (“Borrower” or the "Partnership") for the construction of approximately eighty-nine (89) units (including one (1) manager’s unit) of rental housing and related improvements (the “Project”). The Amended and Restated Agreement of Limited Partnership forming or continuing the Borrower is referred to herein as the “Partnership Agreement”.

The parties hereto agree that the following covenants, terms, and conditions shall be part of and shall modify or supplement each of the documents evidencing, securing, or governing the disbursement of the Loan (the “Loan Documents”), and that in the event of any inconsistency or conflict between the covenants, terms, and conditions of the Loan Documents and this Rider, the following covenants, terms, and conditions shall control and prevail:

1. **Recourse/Non-Recourse Obligation.** The Loan is a recourse obligation of the Borrower.

2. **General Partner and Limited Partner Change.** The withdrawal, removal, and/or replacement of a general partner of the Partnership pursuant to the terms of the Partnership Agreement shall not constitute a default under any of the Loan Documents, and any such actions shall not accelerate the maturity of the Loan, provided that (i) the Borrower’s limited partner provides the Lender with prior written notice of removal and substitution of a general partner of Borrower, and (ii) with respect to Related/Rose Hill Courts I Development Co., LLC, the administrative general partner of Borrower, any substitute general partner is reasonably acceptable to Lender.

   Additionally, the transfer of any limited partnership interests in Borrower or in any limited or special limited partner of Borrower pursuant to the terms of the Partnership Agreement shall not constitute a default under any of the Loan Documents, and any such actions shall not accelerate the maturity of the Loan.

3. **Monetary Default.** If a monetary event of default occurs under the terms of any of the Loan Documents, prior to exercising any remedies thereunder Lender shall give Borrower and each of the general and limited partners of the Partnership, as identified in the Partnership Agreement, simultaneous written notice of such default. Borrower shall have a period of seven (7) days after such notice is given within which to cure the default prior to exercise of remedies by Lender under the Loan Documents, or such longer period of time as may be specified in the Loan Documents. Borrower’s limited partners shall have the right, but not the obligation, to cure any default under the Loan Documents within the applicable cure periods provided to Borrower thereunder.
4. **Non-Monetary Default.** If a non-monetary event of default occurs under the terms of any of the Loan Documents, prior to exercising any remedies thereunder Lender shall give Borrower and each of the general and limited partners of the Partnership, as identified in the Partnership Agreement, simultaneous written notice of such default. If the default is reasonably capable of being cured within thirty (30) days, Borrower shall have such period to effect a cure prior to exercise of remedies by Lender under the Loan Documents, or such longer period of time as may be specified in the Loan Documents. If the default is such that it is not reasonably capable of being cured within thirty (30) days or such longer period if so specified, and if Borrower (a) initiates corrective action within said period, and (b) diligently, continually, and in good faith works to effect a cure as soon as possible, then Borrower shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by Lender. If Borrower fails to take corrective action or to cure the default within a reasonable time, Lender shall give Borrower and each of the general and limited partners of the Partnership written notice thereof, whereupon the limited partner may remove and replace the general partner with a substitute general partner who shall effect a cure within a reasonable time thereafter in accordance with the foregoing provisions. In no event shall Lender be precluded from exercising remedies if its security becomes or is about to become materially jeopardized by any failure to cure a default or the default is not cured within one hundred eighty (180) days after the first notice of default is given, or such longer period of time as may be specified in the Loan Documents. Borrower’s limited partners shall have the right, but not the obligation, to cure any default under the Loan Documents within the applicable cure periods provided to Borrower thereunder.

Additionally, notwithstanding the occurrence of any monetary or nonmonetary default under the terms of any of the Loan Documents, during the Compliance Period (as defined in the Partnership Agreement), Lender shall not (i) commence foreclosure proceedings with respect to the Property under the Loan Documents or exercise any other rights or remedies it may have under the Loan Documents, including, but not limited to, accelerating sums due under the Loan Documents, collecting rents, appointing (or seeking the appointment of) a receiver or exercising any other rights or remedies hereunder or (ii) join with any other creditor in commencing any bankruptcy reorganization arrangement, insolvency or liquidation proceedings with respect to Borrower.

5. **Casualty, Condemnation, Etc.** In the event of any fire or other casualty to the Project or eminent domain proceedings resulting in condemnation of the Project or any part thereof, Borrower shall have the right to rebuild the Project, and to use all available insurance or condemnation proceeds therefor, provided that (a) such proceeds are sufficient to rebuild the Project in a manner that provides adequate security to Lender for repayment of the Loan or if such proceeds are insufficient then Borrower shall have funded any deficiency, (b) Lender shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance or condemnation proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no material default then exists under the Loan Documents (subject to any applicable cure periods thereunder). If the casualty or condemnation affects only part of the Project and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the Loan in a manner that provides adequate security to Lender for repayment of the remaining balance of the Loan.

6. **Force Majeure.** There shall be no default for delays by reason of Force Majeure as provided in Section 7.14 of the Loan Agreement, except as provided in said Section 7.14.
7. **Purchase Rights.** The execution and delivery of the purchase option and right of first refusal [agreement] described in the Partnership Agreement shall not constitute a default under the Loan Documents or accelerate the maturity of the Loan thereunder. Any requisite consent of Lender to (a) the exercise of said purchase option and right of first refusal agreement by the project sponsor identified therein, and to (b) the assumption without penalty of Loan obligations by the project sponsor and the release of Borrower from such obligations, shall not be unreasonably withheld. Subject to any such consent requirement, the exercise of rights under such agreement shall not constitute a default or accelerate maturity of the Loan.

8. **Loan Assumption.** If the purchase option and right of first refusal agreement described in the Partnership Agreement is not exercised and the Project is sold subject to low-income housing use restrictions as contained in an existing regulatory agreement or other recorded covenant, any requisite consent of lender to said sale, and to the assumption without penalty of loan obligations by the purchaser and the release of Borrower from such obligations, shall not be unreasonably withheld, provided, however, that the principals of purchaser shall be comparable to the principals of Borrower in (a) experience and track record of developing, operating, maintaining, and, if applicable, managing, affordable housing financed with sources and restrictions comparable to the Approved Financing, (b) financial wherewithal, and (c) such other underwriting criteria as may be employed by lender at the time of any such proposed assumption.

9. **Lender Approvals, Etc.** In any approval, consent, or other determination by Lender required under any of the Loan Documents, Lender shall act reasonably and in good faith.

10. **Subordination.** Lender acknowledges that Borrower and the California Tax Credit Allocation Committee intend to enter into, or concurrently with the execution and delivery of the Loan Documents are entering into, an extended use agreement, which constitutes the extended low-income housing commitment described in Section 42(h)(6)(B) of the Internal Revenue Code, as amended. Lender agrees to subordinate the Loan and Lender’s rights under the Loan Documents executed in conjunction therewith to the relevant provisions of said extended use agreement. This subordination is being made in consideration of the allocation of tax credits to the Project, absent which the development of the Project would not occur, and this mortgage loan would not be made.

Subject to the prior written approval of the Lender, which approval shall not be unreasonably withheld, conditioned or delayed, the Borrower may refinance the Approved Financing loans (as defined in the Loan Documents). Any refinancing of the Approved Financing loans shall be on commercially reasonable terms in an amount not to exceed the then outstanding principal balance of such Approved Financing loans plus reasonable costs. The Borrower shall reimburse the Lender for any costs it incurs related to the refinancing of the Approved Financing loans.

11. **Notice Address.**

The Notice Address of the limited partner is: Raymond James California Housing Opportunities Fund X L.L.C. c/o Raymond James Tax Credit Funds, Inc. 880 Carillon Parkway St. Petersburg, Florida 33716 Attention: Steven J. Kropf, President

with a copy to: Nixon Peabody LLP

EXHIBIT B- INVESTOR RIDER
12. **Third Party Beneficiary Status.** Borrower’s limited partners shall be intended third party beneficiaries of this Rider for purposes of the rights granted to the limited partners hereunder.

MAINTENANCE AND MODIFICATION OF THE PROPERTY AND SECURITY

Section 2.1 Maintenance and Modification of the Property by Trustor. Trustor agrees that at all times prior to full payment of the sum owed under the Note, Trustor will, at Trustor’s own expense, maintain, preserve, and keep the Security or cause the Security to be maintained and preserved in good condition. Trustor will from time to time make or cause to be made all repairs, replacements, and renewals deemed proper and necessary by it. If there arises a condition in contravention of this requirement, and if the Trustor has not cured such condition within thirty (30) days after receiving a Beneficiary notice of such a condition, and the Trustor has not initiated diligent efforts to cure such condition within such period, then in addition to any other rights available to the Beneficiary, the Beneficiary shall have the right to perform all acts necessary to cure such condition, and to establish or enforce a lien or other encumbrance against the Security. Beneficiary shall have no responsibility in any of these matters or for the making of improvements or additions to the Security.

Trustor agrees to pay fully and discharge (or cause to be paid fully and discharged) all claims for labor done and for material and services furnished in connection with the Security, diligently to file or procure the filing of a valid notice of cessation upon the event of a cessation of labor on the work or construction on the Security for a continuous period of thirty (30) days or more, and to take all other reasonable steps to forestall the assertion of claims of lien against the Security or any part thereof. Trustor irrevocably appoints, designates, and authorizes Beneficiary as its agent (said agency being coupled with an interest) with the authority, but without any obligation, to file for record any notices of completion or cessation of labor or any other notice that Beneficiary deems necessary or desirable to protect its interest in and to the Security or the Loan Documents; provided, however, that Beneficiary shall exercise its rights as agent of Trustor only in the event that Trustor shall fail to take, or shall fail to diligently continue to take, those actions as hereinbefore provided.

Upon demand by Beneficiary, Trustor shall make or cause to be made such demands or claims as Beneficiary shall specify upon laborers, materialmen, subcontractors, or other persons who have furnished or claim to have furnished labor, services, or materials in connection with the Security. Nothing herein contained shall require Trustor to pay any claims for labor, materials, or
services which Trustor in good faith disputes and is diligently contesting provided that Trustor shall, within thirty (30) days after the filing of any claim of lien, record in the Office of the Recorder of the County of Los Angeles, a surety bond in an amount one and a half times the amount of such claim item to protect against a claim of lien.

Section 2.2 Granting of Easements. Except as set forth in the Loan Documents, Trustor may not grant easements, licenses, rights-of-way, or other rights or privileges in the nature of easements with respect to any property or rights included in the Security except those required or desirable for installation and maintenance of public utilities including, without limitation, access, water, gas, electricity, sewer, telephone, and telegraph, or those required by law and as approved, in writing, by Beneficiary, which approval shall not be unreasonably withheld or delayed.

Section 2.3 Assignment of Rents. As part of the consideration for the indebtedness evidenced by the Note, Trustor hereby absolutely and unconditionally assigns and transfers to Beneficiary all the rents and revenues of the Property including those now due, past due, or to become due by virtue of any lease or other agreement for the occupancy or use of all or any part of the Property, regardless of to whom the rents and revenues of the Property are payable (collectively, the “Rents”). After the occurrence and during the continuation of an Event of Default (as defined in Section 7.1), Trustor hereby authorizes Beneficiary or Beneficiary's agents to collect the aforesaid rents and revenues and hereby directs each tenant of the Property to pay such Rents to Beneficiary or Beneficiary's agents. Prior to the occurrence of an Event of Default, Trustor shall collect and receive all Rents of the Property as trustee for the benefit of Beneficiary and Trustor shall apply the Rents so collected to the sums secured by this Deed of Trust with the balance, so long as no Event of Default has occurred, to the account of Trustor, it being intended by Trustor and Beneficiary that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only. Upon delivery of written notice by Beneficiary to Trustor of an Event of Default, and without the necessity of Beneficiary entering upon and taking and maintaining full control of the Property in person, by agent, or by a court-appointed receiver, Beneficiary shall immediately be entitled to possession of all Rents of the Property as specified in this Section 2.3 as the same becomes due and payable, including but not limited to Rents then due and unpaid, and all such Rents shall immediately upon delivery of such notice be held by Trustor as trustee for the benefit of Beneficiary only; provided, however, that the written notice by Beneficiary to Trustor of an Event of Default shall contain a statement that Beneficiary exercises its rights to such Rents. Trustor agrees that commencing upon delivery of such written notice of an Event of Default, each tenant of the Property shall make such Rents payable to and pay such Rents to Beneficiary or Beneficiary's agents on Beneficiary's written demand to each tenant therefor, delivered to each tenant personally, by mail, or by delivering such demand to each rental unit, without any liability on the part of said tenant to inquire further as to the existence of a default by Trustor.

Except for the financing previously approved by the Beneficiary pursuant to the Loan Agreement, Trustor hereby covenants that Trustor has not executed any prior assignment of said Rents, that Trustor has not performed, and will not perform, any acts or has not executed and will not execute, any instrument which would prevent Beneficiary from exercising its rights under this Section 2.3, and that at the time of execution of this Deed of Trust, there has been no anticipation or prepayment of any of the Rents of the Property for more than two (2) months prior to the due dates of such rents. Trustor covenants that Trustor will not hereafter collect or accept payment of any Rents of the Property more than two (2) months prior to the due dates of such Rents. Trustor further covenants that Trustor will execute and deliver to Beneficiary such further assignments of rents and revenues of the Property as Beneficiary may from time to time request.
Upon and during the continuation of an Event of Default, Beneficiary may in person, by agent, or by a court-appointed receiver, regardless of the adequacy of Beneficiary's security, enter upon and take and maintain full control of the Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof including, but not limited to, the execution, cancellation, or modification of leases, the collection of all Rents of the Property, the making of repairs to the Property, and the execution or termination of contracts providing for the management or maintenance of the Property, all on such terms as are deemed best to protect the security of this Deed of Trust. In the event Beneficiary elects to seek the appointment of a receiver for the Property upon an Event of Default, Trustor hereby expressly consents to the appointment of such receiver. Beneficiary or the receiver shall be entitled to receive a reasonable fee for so managing the Property.

All Rents collected upon and during the continuation of an Event of Default shall be applied first to the costs, if any, of taking control of and managing the Property and collecting the Rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, costs of repairs to the Property, premiums on insurance policies, taxes, assessments, and other charges on the Property, and the costs of discharging any obligation or liability of Trustor as lessor or landlord of the Property and then to the sums secured by this Deed of Trust. Beneficiary or the receiver shall have access to the books and records used in the operation and maintenance of the Property and shall be liable to account only for those Rents actually received. Beneficiary shall not be liable to Trustor, anyone claiming under or through Trustor, or anyone having an interest in the Property by reason of anything done or left undone by Beneficiary under this Section 2.3.

If the Rents of the Property are not sufficient to meet the costs, if any, of taking control of and managing the Property and collecting the Rents, any funds expended by Beneficiary for such purposes shall become indebtedness of Trustor to Beneficiary secured by this Deed of Trust pursuant to Section 3.3 hereof. Unless Beneficiary and Trustor agree in writing to other terms of payment, such amounts shall be payable upon notice from Beneficiary to Trustor requesting payment thereof and shall bear interest from the date of disbursement at the rate stated in Section 3.3.

Any entering upon and taking and maintaining of control of the Property by Beneficiary or the receiver and any application of Rents as provided herein shall not cure or waive any default hereunder or invalidate any other right or remedy of Beneficiary under applicable law or provided herein. This assignment of rents of the Property shall terminate at such time as this Deed of Trust ceases to secure indebtedness held by Beneficiary. The rights of the Beneficiary under this Section 2.3 are subject to the rights of the Senior Lender and any other senior lender.

ARTICLE 3
TAXES AND INSURANCE; ADVANCES

Section 3.1 Taxes, Other Governmental Charges and Utility Charges. Trustor shall pay, or cause to be paid prior to the date of delinquency, all taxes, assessments, charges, and levies imposed by any public authority or utility company which are or may become a lien affecting the Security or any part thereof; provided, however, that Trustor shall not be required to pay and discharge any such tax, assessment, charge, or levy so long as (a) the legality thereof shall be promptly and actively contested in good faith and by appropriate proceedings, and (b) Trustor maintains reserves adequate to pay any liabilities contested pursuant to this Section 3.1. With respect to taxes, special assessments, or other similar governmental charges, Trustor shall pay such amount in full prior to
the attachment of any lien therefor on any part of the Security; provided, however, if such taxes, assessments, or charges may be paid in installments, Trustor may pay in such installments. Except as provided in clause (b) of the first sentence of this paragraph, the provisions of this Section 3.1 shall not be construed to require that Trustor maintain a reserve account, escrow account, impound account, or other similar account for the payment of future taxes, assessments, charges, and levies.

In the event that Trustor shall fail to pay any of the foregoing items required by this Section to be paid by Trustor, Beneficiary may (but shall be under no obligation to) pay the same, after Beneficiary has notified Trustor of such failure to pay and Trustor fails to fully pay such items within seven (7) business days after receipt of such notice. Any amount so advanced therefor by Beneficiary, together with interest thereon from the date of such advance at the maximum rate permitted by law, shall become an additional obligation of Trustor to the Beneficiary and shall be secured hereby, and Trustor agrees to pay all such amounts.

Section 3.2 Provisions Respecting Insurance. Trustor agrees to provide insurance conforming in all respects to that required under the Loan Documents during the course of construction and following completion, and at all times until all amounts secured by this Deed of Trust have been paid and all other obligations secured hereunder fulfilled, and this Deed of Trust reconveyed.

All such insurance policies and coverages shall be maintained at Trustor's sole cost and expense. Certificates of insurance for all of the above insurance policies, showing the same to be in full force and effect, shall be delivered to Beneficiary upon demand therefor at any time prior to Beneficiary's receipt of the entire Principal and all amounts secured by this Deed of Trust.

Section 3.3 Advances. In the event Trustor shall fail to maintain the full insurance coverage required by this Deed of Trust or shall fail to keep the Security in accordance with the Loan Documents, Beneficiary, after at least seven (7) days prior notice to Beneficiary, may (but shall be under no obligation to) take out the required policies of insurance, pay the premiums on the same, make such repairs or replacements as are necessary and provide for payment thereof, or expend such funds as necessary to remedy such failure by Trustor; and all amounts so advanced therefor by Beneficiary shall become an additional obligation of Trustor to Beneficiary (together with interest as set forth below) and shall be secured hereby, which amounts Trustor agrees to pay on the demand of Beneficiary, and if not so paid, shall bear interest from the date of the advance at the lesser of ten percent (10%) per annum or the maximum rate permitted by law.

ARTICLE 4
DAMAGE, DESTRUCTION OR CONDEMNATION

Section 4.1 Awards and Damages. All judgments, awards of damages, settlements, and compensation made in connection with or in lieu of (1) taking of all or any part of or any interest in the Property by or under assertion of the power of eminent domain, (2) any damage to or destruction of the Property or in any part thereof by insured casualty, and (3) any other injury or damage to all or any part of the Property ("Funds") are hereby assigned to and shall be paid to Beneficiary by a check made payable to Beneficiary. Such Funds shall be applied to restoration or repair of the Property damaged, provided such restoration or repair is economically feasible and (after completion of the repair or restoration) the security of this Deed of Trust is not thereby impaired, as determined in Beneficiary's reasonable discretion. Such work or repair shall be in accordance with plans and specifications approved by the Beneficiary and commenced no later than the later of (a)
one hundred twenty (120) days after the damage or loss occurs or (b) thirty (30) days following receipt of the Funds, and shall be complete within one (1) year thereafter. If such restoration or repair is not economically feasible, or if Trustor fails to provide additional monies to fund any deficiency in connection with such restoration, or if the security of this Deed of Trust would be impaired, then the Funds will be used to repay any amounts due under this Deed of Trust with the excess, if any, paid to Trustor. Beneficiary must consent to the settlement and adjustment of all claims under insurance policies provided under this Deed of Trust. All or any part of the amounts so collected and recovered by Beneficiary may be released to Trustor upon such conditions as Beneficiary may impose for its disposition. Application of all or any part of the Funds collected and received by Beneficiary or the release thereof shall not cure or waive any default under this Deed of Trust. The rights of Beneficiary under this Section 4.1 are subject to the rights of the Senior Lender and any other senior lender.

ARTICLE 5
AGREEMENTS AFFECTING THE PROPERTY; FURTHER ASSURANCES; PAYMENT OF PRINCIPAL AND INTEREST

Section 5.1 Other Agreements Affecting Property. Trustor shall duly and punctually perform all terms, covenants, conditions, and agreements binding upon it under the Loan Documents and any other agreement of any nature whatsoever now or hereafter involving or affecting the Security or any part thereof.

Section 5.2 Agreement to Pay Attorneys' Fees and Expenses. In the event of any Event of Default (as defined in Section 7.1) hereunder, and if Beneficiary should employ attorneys or incur other expenses for the collection of amounts due or the enforcement of performance or observance of an obligation or agreement on the part of Trustor in this Deed of Trust, Trustor agrees that it will, on demand therefor, pay to Beneficiary the reasonable fees of such attorneys and such other reasonable expenses so incurred by Beneficiary; and any such amounts paid by Beneficiary shall be added to the indebtedness secured by the lien of this Deed of Trust, and shall bear interest from the date such expenses are incurred at the lesser of ten percent (10%) per annum or the maximum rate permitted by law.

Section 5.3 Payment of the Principal. Trustor shall pay to Beneficiary the Principal and any other payments as set forth in the Note in the amounts and by the times set out therein.

Section 5.4 Personal Property; Fixture Filing. To the maximum extent permitted by law, the personal property subject to this Deed of Trust shall be deemed to be fixtures and part of the real property and this Deed of Trust shall constitute a fixtures filing under the California Commercial Code. As to any personal property not deemed or permitted to be fixtures, this Deed of Trust shall constitute a security agreement under the California Commercial Code. Trustor hereby grants Beneficiary a security interest in such items.

Section 5.5 Financing Statement. Trustor shall execute and deliver to Beneficiary such financing statements pursuant to the appropriate statutes, and any other documents or instruments as are required to convey to Beneficiary a valid perfected security interest in the Security. Trustor agrees to perform all acts which Beneficiary may reasonably request so as to enable Beneficiary to maintain such valid perfected security interest in the Security in order to secure the payment of the Note in accordance with their terms. Beneficiary is authorized to file a copy of any such financing statement in any jurisdiction(s) as it shall deem appropriate from time to time in order to protect the
security interest established pursuant to this instrument. Trustor shall pay all costs of filing such financing statements and any extensions, renewals, amendments, and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements, and releases thereof, as Beneficiary may reasonably require. Without the prior written consent of Beneficiary, Trustor shall not create or suffer to be created pursuant to the California Commercial Code any other security interest in the Security, including replacements and additions thereto.

Section 5.6 Operation of the Security. Trustor shall operate the Security (and, in case of a transfer of a portion of the Security subject to this Deed of Trust, the transferee shall operate such portion of the Security) in full compliance with the Loan Documents.

Section 5.7 Inspection of the Security. At any and all reasonable times upon seventy-two (72) hours' notice, Beneficiary and its duly authorized agents, attorneys, experts, engineers, accountants, and representatives, shall have the right, without payment of charges or fees, to inspect the Security.

Section 5.8 Nondiscrimination. Trustor herein covenants by and for itself, its heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, age, sex, sexual orientation, marital status, national origin, or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Security, nor shall Trustor itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Security. The foregoing covenants shall run with the land.

ARTICLE 6
HAZARDOUS WASTE

Trustor shall keep and maintain the Property in compliance with, and shall not cause or permit the Property to be in violation of any federal, state, or local laws, ordinances, or regulations relating to industrial hygiene or to the environmental conditions on, under, or about the Property including, but not limited to, soil and ground water conditions; provided however, that if any condition causing non-compliance with this Section existed at the Property prior to the date of this Agreement or at other property within the vicinity of the Leased Premises, the Borrower shall not be in default hereunder. Trustor shall not use, generate, manufacture, store, or dispose of on, under, or about the Property or transport to or from the Property any flammable explosives, radioactive materials, hazardous wastes, toxic substances, or related materials, including without limitation, any substances defined as or included in the definition of “hazardous substances,” “hazardous wastes,” “hazardous materials,” or “toxic substances” under any applicable federal or state laws or regulations (collectively referred to hereinafter as “Hazardous Materials”) except such of the foregoing as are used in construction of the improvements on the Property or as may be customarily kept and used in and about residential property.

Trustor shall immediately advise Beneficiary in writing if at any time it receives written notice of: (i) any and all enforcement, cleanup, removal, or other governmental or regulatory actions instituted, completed, or threatened against Trustor or the Property pursuant to any applicable federal, state, or local laws, ordinances, or regulations relating to any Hazardous Materials, (“Hazardous Materials Law”); (ii) all claims made or threatened by any third party against Trustor
or the Property relating to damage, contribution, cost recovery compensation, loss, or injury resulting from any Hazardous Materials (the matters set forth in clauses (i) and (ii) above are hereinafter referred to as “Hazardous Materials Claims”); and (iii) Trustor's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause the Property or any part thereof to be classified as “border-zone property” under the provision of California Health and Safety Code, Sections 25220 et seq., or any regulation adopted in accordance therewith, or to be otherwise subject to any restrictions on the ownership, occupancy, transferability, or use of the Property under any Hazardous Materials Law.

Beneficiary shall have the right to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any Hazardous Materials Claims. Trustor shall indemnify and hold harmless Beneficiary and its board members, supervisors, directors, officers, employees, agents, successors, and assigns from and against any loss, damage, cost, expense, or liability directly or indirectly arising out of or attributable to the use, generation, storage, release, threatened release, discharge, disposal, or presence of Hazardous Materials on, under, or about the Property including without limitation: (a) all foreseeable consequential damages; (b) the costs of any required or necessary repair, cleanup, or detoxification of the Property and the preparation and implementation of any closure, remedial, or other required plans; and (c) all reasonable costs and expenses incurred by Beneficiary in connection with clauses (a) and (b), including but not limited to reasonable attorneys' fees; provided however that this indemnification shall not apply to any loss, damage, cost, expense or liability directly or indirectly arising out of or attributable to any condition that existed at the Property prior to the date of this Deed of Trust or at other property within the vicinity of the Property.

Without Beneficiary's prior written consent, which shall not be unreasonably withheld, Trustor shall not take any remedial action in response to the presence of any Hazardous Materials on, under, or about the Property, nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Material Claims, which remedial action, settlement, consent decree, or compromise might, in Beneficiary's reasonable judgment, impair the value of Beneficiary's security hereunder; provided, however, that Beneficiary's prior consent shall not be necessary in the event that the presence of Hazardous Materials on, under, or about the Property either poses an immediate threat to the health, safety, or welfare of any individual or is of such a nature that an immediate remedial response is necessary and it is not reasonably possible to obtain Beneficiary's consent before taking such action, provided that in such event Trustor shall notify Beneficiary as soon as practicable of any action so taken. Beneficiary agrees not to withhold its consent, where such consent is required hereunder, if either: (i) a particular remedial action is ordered by a court of competent jurisdiction; (ii) Trustor will or may be subjected to civil or criminal sanctions or penalties if it fails to take a required action; (iii) Trustor establishes to the reasonable satisfaction of Beneficiary that there is no reasonable alternative to such remedial action which would result in less impairment of Beneficiary's security hereunder; or (iv) the action has been agreed to by Beneficiary.

Trustor hereby acknowledges and agrees that (i) this Article is intended as Beneficiary's written request for information (and the Trustor's response) concerning the environmental condition of the Property as required by California Code of Civil Procedure Section 726.5, and (ii) each representation and warranty in this Deed of Trust or any of the other Loan Documents (together with any indemnity applicable to a breach of any such representation and warranty) with respect to the environmental condition of the property is intended by Beneficiary and Trustor to be an “environmental provision” for purposes of California Code of Civil Procedure Section 736.
In the event that any portion of the Property is determined to be “environmentally impaired” (as that term is defined in California Code of Civil Procedure Section 726.5(e)(3)) or to be an “affected parcel” (as that term is defined in California Code of Civil Procedure Section 726.5(e)(1)), then, without otherwise limiting or in any way affecting Beneficiary's or Trustee's rights and remedies under this Deed of Trust, Beneficiary may elect to exercise its rights under California Code of Civil Procedure Section 726.5(a) to (1) waive its lien on such environmentally impaired or affected portion of the Property and (2) exercise (a) the rights and remedies of an unsecured creditor, including reduction of its claim against Trustor to judgment, and (b) any other rights and remedies permitted by law. For purposes of determining Beneficiary's right to proceed as an unsecured creditor under California Code of Civil Procedure Section 726.5(a), Trustor shall be deemed to have willfully permitted or acquiesced in a release or threatened release of Hazardous Materials, within the meaning of California Code of Civil Procedure Section 726.5(d)(1), if the release or threatened release of Hazardous Materials was knowingly or negligently caused or contributed to by any lessee, occupant, or user of any portion of the Property and Trustor knew or should have known of the activity by such lessee, occupant, or user which caused or contributed to the release or threatened release. All costs and expenses, including (but not limited to) attorneys' fees, incurred by Beneficiary in connection with any action commenced under this paragraph, including any action required by California Code of Civil Procedure Section 726.5(b) to determine the degree to which the Property is environmentally impaired, plus interest thereon at the lesser of ten percent (10%) or the maximum rate permitted by law, until paid, shall be added to the indebtedness secured by this Deed of Trust and shall be due and payable to Beneficiary upon its demand made at any time following the conclusion of such action.

Trustor is aware that California Civil Code Section 2955.5(a) provides as follows: “No lender shall require a borrower, as a condition of receiving or maintaining a loan secured by real property, to provide hazard insurance coverage against risks to the improvements on that real property in an amount exceeding the replacement value of the improvements on the property.”

ARTICLE 7
EVENTS OF DEFAULT AND REMEDIES

Section 7.1 Events of Default. Each of the following shall constitute an Event of Default following the expiration of any applicable notice and cure periods: (1) failure to make any payment to be paid by Trustor under the Loan Documents within ten (10) days after the date due; (2) failure to observe or perform any of Trustor's other covenants, agreements, or obligations under the Loan Documents (which failure has not been cured within the times and in the manner set forth in the Loan Agreement); or (3) failure to make any payment or perform any of Trustor's other covenants, agreements, or obligations under any other debt instruments or regulatory agreement secured by the Property, which default shall not be cured within the times and in the manner provided therein, provided, however, to the extent that the Trustor cures its failure to perform as described in this Section 7.1(3), Trustor shall be deemed to have cured the Event of Default arising from this Section 7.1(3).

Section 7.2 Acceleration of Maturity. If an Event of Default shall have occurred and be continuing, then at the option of Beneficiary, the amount of any payment related to the Event of Default and the unpaid Principal of the Note (including all interest thereon) shall immediately become due and payable, upon written notice by Beneficiary to Trustor (or automatically where so
specified in the Loan Documents), and no omission on the part of Beneficiary to exercise such option when entitled to do so shall be construed as a waiver of such right.

Section 7.3 Beneficiary's Right to Enter and Take Possession. If an Event of Default shall have occurred and be continuing, Beneficiary may:

(a) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, and without regard to the adequacy of its security, enter upon the Security and take possession thereof (or any part thereof) and of any of the Security, in its own name or in the name of Trustee, and do any acts which it deems necessary or desirable to preserve the value or marketability of the Property, or part thereof or interest therein, increase the income therefrom or protect the security thereof. The entering upon and taking possession of the Security shall not cure or waive any Event of Default or Notice of Default (as defined below) hereunder or invalidate any act done in response to such Default or pursuant to such Notice of Default and, notwithstanding the continuance in possession of the Security, Beneficiary shall be entitled to exercise every right provided for in this Deed of Trust, or by law upon occurrence of any Event of Default, including the right to exercise the power of sale;

(b) Commence an action to foreclose this Deed of Trust as a mortgage, appoint a receiver, or specifically enforce any of the covenants hereof;

(c) Deliver to Trustee a written declaration of default and demand for sale, and a written notice of default and election to cause Trustor's interest in the Security to be sold (“Notice of Default and Election to Sell”), which notice Trustee or Beneficiary shall cause to be duly filed for record in the Official Records of the County of Los Angeles; or

(d) Exercise all other rights and remedies provided herein, in the instruments by which Trustor acquires title to any Security, or in any other document or agreement now or hereafter evidencing, creating, or securing all or any portion of the obligations secured hereby, or provided by law.

Section 7.4 Foreclosure By Power of Sale. Should Beneficiary elect to foreclose by exercise of the power of sale herein contained, Beneficiary shall give notice to Trustee (the “Notice of Sale”) and shall deposit with Trustee this Deed of Trust which is secured hereby (and the deposit of which shall be deemed to constitute evidence that the unpaid principal amount of the Note is immediately due and payable), and such receipts and evidence of any expenditures made that are additionally secured hereby as Trustee may require.

(a) Upon receipt of such notice from Beneficiary, Trustee shall cause to be recorded, published, and delivered to Trustor such Notice of Default and Election to Sell as then required by law and by this Deed of Trust. Trustee shall, without demand on Trustor, after lapse of such time as may then be required by law and after recordation of such Notice of Default and Election to Sell and after Notice of Sale having been given as required by law, sell the Security, at the time and place of sale fixed by it in said Notice of Sale, whether as a whole or in separate lots or parcels or items as Trustee shall deem expedient and in such order as it may determine unless specified otherwise by Trustor according to California Civil Code Section 2924g(b), at public auction to the highest bidder, for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied.
recitals in such deed or any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustor, Trustee, or Beneficiary, may purchase at such sale, and Trustor hereby covenants to warrant and defend the title of such purchaser or purchasers.

(b) After deducting all reasonable costs, fees, and expenses of Trustee, including costs of evidence of title in connection with such sale, Trustee shall apply the proceeds of sale to payment of: (i) the unpaid Principal amount of the Note; (ii) all other amounts owed to Beneficiary under the Loan Documents; (iii) all other sums then secured hereby; and (iv) the remainder, if any, to Trustor.

(c) Trustee may postpone sale of all or any portion of the Property by public announcement at such time and place of sale, and from time to time thereafter, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new Notice of Sale.

Section 7.5 Receiver. If an Event of Default shall have occurred and be continuing, Beneficiary, as a matter of right and without further notice to Trustor or anyone claiming under the Security, and without regard to the then value of the Security or the interest of Trustor therein, shall have the right to apply to any court having jurisdiction to appoint a receiver or receivers of the Security (or a part thereof), and Trustor hereby irrevocably consents to such appointment and waives further notice of any application therefor. Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases, and all the powers and duties of Beneficiary in case of entry as provided herein, and shall continue as such and exercise all such powers until the date of confirmation of sale of the Security, unless such receivership is sooner terminated.

Section 7.6 Remedies Cumulative. No right, power, or remedy conferred upon or reserved to Beneficiary by this Deed of Trust is intended to be exclusive of any other right, power, or remedy, but each and every such right, power, and remedy shall be cumulative and concurrent and shall be in addition to any other right, power, and remedy given hereunder or now or hereafter existing at law or in equity.

Section 7.7 No Waiver.

(a) No delay or omission of Beneficiary to exercise any right, power, or remedy accruing upon any Event of Default shall exhaust or impair any such right, power, or remedy, or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power, and remedy given by this Deed of Trust to Beneficiary may be exercised from time to time and as often as may be deemed expeditious by Beneficiary. Beneficiary's expressed or implied consent to a breach by Trustor, or a waiver of any obligation of Trustor hereunder, shall not be deemed or construed to be a consent to any subsequent breach, or further waiver, of such obligation or of any other obligations of Trustor hereunder. Failure on the part of Beneficiary to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by Beneficiary of its right hereunder or impair any rights, power, or remedies consequent on any Event of Default by Trustor.

(b) If Beneficiary (i) grants forbearance or an extension of time for the payment of any sums secured hereby, (ii) takes other or additional security or the payment of any sums secured hereby, (iii) waives or does not exercise any right granted in the Loan Documents, (iv) releases any part of the Security from the lien of this Deed of Trust, or otherwise changes any of the
terms, covenants, conditions, or agreements in the Loan Documents, (v) consents to the granting of any easement or other right affecting the Security, or (vi) makes or consents to any agreement subordinating the lien hereof, any such act or omission shall not release, discharge, modify, change, or affect the original liability under this Deed of Trust, or any other obligation of Trustor or any subsequent purchaser of the Security or any part thereof, or any maker, co-signer, endorser, surety, or guarantor (unless expressly released); nor shall any such act or omission preclude Beneficiary from exercising any right, power, or privilege herein granted or intended to be granted in any Event of Default then made or of any subsequent Event of Default, nor, except as otherwise expressly provided in an instrument or instruments executed by Beneficiary shall the lien of this Deed of Trust be altered thereby.

Section 7.8 Suits to Protect the Security. Beneficiary shall have power to (a) institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Security and the rights of Beneficiary as may be unlawful or any violation of this Deed of Trust, (b) preserve or protect its interest (as described in this Deed of Trust) in the Security, and (c) restrain the enforcement of or compliance with any legislation or other governmental enactment, rule, or order that may be unconstitutional or otherwise invalid, if the enforcement for compliance with such enactment, rule, or order would impair the Security thereunder or be prejudicial to the interest of Beneficiary.

Section 7.9 Beneficiary May File Proofs of Claim. In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition, or other proceedings affecting Trustor, its creditors, or its property, Beneficiary, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of Beneficiary allowed in such proceedings and for any additional amount which may become due and payable by Trustor hereunder after such date.

Section 7.10 Waiver. Trustor waives presentment, demand for payment, notice of dishonor, notice of protest and nonpayment, protest, notice of interest on interest and late charges, and diligence in taking any action to collect any sums owing under the Note or in proceedings against the Security, in connection with the delivery, acceptance, performance, default, endorsement, or guaranty of this Deed of Trust.

ARTICLE 8
MISCELLANEOUS

Upon written request of Beneficiary stating that (i) all sums secured hereby have been paid or forgiven, and (ii) that all obligations of Trustor under the Loan Documents have been satisfied, and upon surrender of this Deed of Trust to Trustee for cancellation and retention, and upon payment by Trustor of Trustee's reasonable fees, Trustee shall reconvey the Security to Trustor, or to the person or persons legally entitled thereto.

Section 8.4 Successors and Joint Trustors. Where an obligation is created herein binding upon Trustor, the obligation shall also apply to and bind any transferee or successors in interest. Where the terms of this Deed of Trust have the effect of creating an obligation of Trustor and a transferee, such obligation shall be deemed to be a joint and several obligation of Trustor and such transferee. Where Trustor is more than one entity or person, all obligations of Trustor shall be deemed to be a joint and several obligation of each and every entity and person comprising Trustor.

Section 8.5 Captions. The captions or headings at the beginning of each Section hereof are for the convenience of the parties and are not a part of this Deed of Trust.

Section 8.6 Invalidity of Certain Provisions. Every provision of this Deed of Trust is intended to be severable. In the event any term or provision hereof is declared to be illegal or invalid for any reason whatsoever by a court or other body of competent jurisdiction, such illegality or invalidity shall not affect the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable. If the lien of this Deed of Trust is invalid or unenforceable as to any part of the debt, or if the lien is invalid or unenforceable as to any part of the Security, the unsecured or partially secured portion of the debt, and all payments made on the debt, whether voluntary or under foreclosure or other enforcement action or procedure, shall be considered to have
been first paid or applied to the full payment of that portion of the debt which is not secured or partially secured by the lien of this Deed of Trust.

Section 8.7 Governing Law. This Deed of Trust shall be governed by and construed in accordance with the laws of the State of California.

Section 8.8 Gender and Number. In this Deed of Trust, the singular shall include the plural and the masculine shall include the feminine and neuter and vice versa, if the context so requires.

Section 8.9 Deed of Trust, Mortgage. Any reference in this Deed of Trust to a mortgage shall also refer to a deed of trust and any reference to a deed of trust shall also refer to a mortgage.

Section 8.10 Actions. Trustor agrees to appear in and defend any action or proceeding purporting to affect the Security.

Section 8.11 Substitution of Trustee. Beneficiary may from time to time substitute a successor or successors to any Trustee named herein or acting hereunder to execute this Deed of Trust. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all title, powers, and duties conferred upon any Trustee herein named or acting hereunder. Each such appointment and substitution shall be made by written instrument executed by Beneficiary, containing reference to this Deed of Trust and its place of record, which, when duly recorded in the proper office of the county or counties in which the Property is situated, shall be conclusive proof of proper appointment of the successor trustee.

Section 8.12 Statute of Limitations. The pleading of any statute of limitations as a defense to any and all obligations secured by this Deed of Trust is hereby waived to the full extent permissible by law.

Section 8.13 Acceptance by Trustee. Trustee accepts this Deed of Trust when this Deed of Trust, duly executed and acknowledged, is made public record as provided by law. Except as otherwise provided by law the Trustee is not obligated to notify any party hereto of pending sale under this Deed of Trust or of any action or proceeding in which Trustor, Beneficiary, or Trustee shall be a party unless brought by Trustee.

Section 8.14 Compliance with Internal Revenue Code Section 42. Beneficiary acknowledges that Trustor intends to enter into an extended use agreement, which constitutes the extended low-income housing commitment described in Section 42(h)(6)(B) of the Internal Revenue Code, as amended (the “Code”). As of the date hereof, Code Section 42(h)(6)(E)(ii) does not permit the eviction or termination of tenancy (other than for good cause) of an existing tenant of any low-income unit or any increase in the gross rent with respect to such unit not otherwise permitted under Code Section 42 for a period of three (3) years after the date the building is acquired by foreclosure or by instrument in lieu of foreclosure. In the event the extended use agreement is recorded against the Property, Beneficiary agrees to comply with the provisions set forth in Code Section 42(h)(6)(E)(ii).

Investor Rider

This Rider is attached to and made a part of the promissory note, the deed of trust, and loan agreement or other document(s) evidencing, securing, and governing a loan of Infill Infrastructure Grant funds in the approximate original amount of [Three Million Five Hundred Nineteen Thousand Three Hundred Dollars ($3,519,300.00)] (the “Authority IIG Loan” or the “Loan”) made by the Housing Authority of the City of Los Angeles (“Lender”) to Rose Hill Courts I Housing Partners, L.P., a California limited partnership (“Borrower” or the “Partnership”) for the construction of approximately eighty-nine (89) units (including one (1) manager’s unit) of rental housing and related improvements (the “Project”). The Amended and Restated Agreement of Limited Partnership forming or continuing the Borrower is referred to herein as the “Partnership Agreement”.

The parties hereto agree that the following covenants, terms, and conditions shall be part of and shall modify or supplement each of the documents evidencing, securing, or governing the disbursement of the Loan (the “Loan Documents”), and that in the event of any inconsistency or conflict between the covenants, terms, and conditions of the Loan Documents and this Rider, the following covenants, terms, and conditions shall control and prevail:

1. **Recourse/Non-Recourse Obligation.** The Loan is a recourse obligation of the Borrower.

2. **General Partner and Limited Partner Change.** The withdrawal, removal, and/or replacement of a general partner of the Partnership pursuant to the terms of the Partnership Agreement shall not constitute a default under any of the Loan Documents, and any such actions shall not accelerate the maturity of the Loan, provided that (i) the Borrower’s limited partner provides the Lender with prior written notice of removal and substitution of a general partner of Borrower, and (ii) with respect to Related/Rose Hill Courts I Development Co., LLC, the administrative general partner of Borrower, any substitute general partner is reasonably acceptable to Lender.

   Additionally, the transfer of any limited partnership interests in Borrower or in any limited or special limited partner of Borrower pursuant to the terms of the Partnership Agreement shall not constitute a default under any of the Loan Documents, and any such actions shall not accelerate the maturity of the Loan.

3. **Monetary Default.** If a monetary event of default occurs under the terms of any of the Loan Documents, prior to exercising any remedies thereunder Lender shall give Borrower and each of the general and limited partners of the Partnership, as identified in the Partnership Agreement, simultaneous written notice of such default. Borrower shall have a period of seven (7) days after such notice is given within which to cure the default prior to exercise of remedies by Lender under the Loan Documents, or such longer period of time as may be specified in the Loan Documents. Borrower’s limited partners shall have the right, but not the obligation, to cure any default under the Loan Documents within the applicable cure periods provided to Borrower thereunder.
4. **Non-Monetary Default.** If a non-monetary event of default occurs under the terms of any of the Loan Documents, prior to exercising any remedies thereunder Lender shall give Borrower and each of the general and limited partners of the Partnership, as identified in the Partnership Agreement, simultaneous written notice of such default. If the default is reasonably capable of being cured within thirty (30) days, Borrower shall have such period to effect a cure prior to exercise of remedies by Lender under the Loan Documents, or such longer period of time as may be specified in the Loan Documents. If the default is such that it is not reasonably capable of being cured within thirty (30) days or such longer period if so specified, and if Borrower (a) initiates corrective action within said period, and (b) diligently, continually, and in good faith works to effect a cure as soon as possible, then Borrower shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by Lender. If Borrower fails to take corrective action or to cure the default within a reasonable time, Lender shall give Borrower and each of the general and limited partners of the Partnership written notice thereof, whereupon the limited partner may remove and replace the general partner with a substitute general partner who shall effect a cure within a reasonable time thereafter in accordance with the foregoing provisions. In no event shall Lender be precluded from exercising remedies if its security becomes or is about to become materially jeopardized by any failure to cure a default or the default is not cured within one hundred eighty (180) days after the first notice of default is given, or such longer period of time as may be specified in the Loan Documents. Borrower’s limited partners shall have the right, but not the obligation, to cure any default under the Loan Documents within the applicable cure periods provided to Borrower thereunder.

Additionally, notwithstanding the occurrence of any monetary or nonmonetary default under the terms of any of the Loan Documents, during the Compliance Period (as defined in the Partnership Agreement), Lender shall not (i) commence foreclosure proceedings with respect to the Property under the Loan Documents or exercise any other rights or remedies it may have under the Loan Documents, including, but not limited to, accelerating sums due under the Loan Documents, collecting rents, appointing (or seeking the appointment of) a receiver or exercising any other rights or remedies hereunder or (ii) join with any other creditor in commencing any bankruptcy reorganization arrangement, insolvency or liquidation proceedings with respect to Borrower.

5. **Casualty, Condemnation, Etc.** In the event of any fire or other casualty to the Project or eminent domain proceedings resulting in condemnation of the Project or any part thereof, Borrower shall have the right to rebuild the Project, and to use all available insurance or condemnation proceeds therefor, provided that (a) such proceeds are sufficient to rebuild the Project in a manner that provides adequate security to Lender for repayment of the Loan or if such proceeds are insufficient then Borrower shall have funded any deficiency, (b) Lender shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance or condemnation proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no material default then exists under the Loan Documents (subject to any applicable cure periods thereunder). If the casualty or condemnation affects only part of the Project and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the Loan in a manner that provides adequate security to Lender for repayment of the remaining balance of the Loan.

6. **Force Majeure.** There shall be no default for delays by reason of Force Majeure as provided in Section 7.14 of the Loan Agreement, except as provided in said Section 7.14.
7. **Purchase Rights.** The execution and delivery of the purchase option and right of first refusal [agreement] described in the Partnership Agreement shall not constitute a default under the Loan Documents or accelerate the maturity of the Loan thereunder. Any requisite consent of Lender to (a) the exercise of said purchase option and right of first refusal agreement by the project sponsor identified therein, and to (b) the assumption without penalty of Loan obligations by the project sponsor and the release of Borrower from such obligations, shall not be unreasonably withheld. Subject to any such consent requirement, the exercise of rights under such agreement shall not constitute a default or accelerate maturity of the Loan.

8. **Loan Assumption.** If the purchase option and right of first refusal agreement described in the Partnership Agreement is not exercised and the Project is sold subject to low-income housing use restrictions as contained in an existing regulatory agreement or other recorded covenant, any requisite consent of lender to said sale, and to the assumption without penalty of loan obligations by the purchaser and the release of Borrower from such obligations, shall not be unreasonably withheld, provided, however, that the principals of purchaser shall be comparable to the principals of Borrower in (a) experience and track record of developing, operating, maintaining, and, if applicable, managing, affordable housing financed with sources and restrictions comparable to the Approved Financing, (b) financial wherewithal, and (c) such other underwriting criteria as may be employed by lender at the time of any such proposed assumption.

9. **Lender Approvals, Etc.** In any approval, consent, or other determination by Lender required under any of the Loan Documents, Lender shall act reasonably and in good faith.

10. **Subordination.** Lender acknowledges that Borrower and the California Tax Credit Allocation Committee intend to enter into, or concurrently with the execution and delivery of the Loan Documents are entering into, an extended use agreement, which constitutes the extended low-income housing commitment described in Section 42(h)(6)(B) of the Internal Revenue Code, as amended. Lender agrees to subordinate the Loan and Lender’s rights under the Loan Documents executed in conjunction therewith to the relevant provisions of said extended use agreement. This subordination is being made in consideration of the allocation of tax credits to the Project, absent which the development of the Project would not occur, and this mortgage loan would not be made.

Subject to the prior written approval of the Lender, which approval shall not be unreasonably withheld, conditioned or delayed, the Borrower may refinance the Approved Financing loans (as defined in the Loan Documents). Any refinancing of the Approved Financing loans shall be on commercially reasonable terms in an amount not to exceed the then outstanding principal balance of such Approved Financing loans plus reasonable costs. The Borrower shall reimburse the Lender for any costs it incurs related to the refinancing of the Approved Financing loans.

11. **Notice Address.**

The Notice Address of the limited partner is:

Such requirements in Sections (a) and (b) herein shall be referred to as the “RAD Requirements.” If there is a conflict between a provision of the Loan Documents and any RAD Requirement, then the RAD Requirement shall govern, except as such RAD Requirement may have been expressly waived in writing by HUD.

State College Boulevard, Suite 600, Brea, California 92821, Attention: Manager, is made with reference to the following facts:

A. Unless expressly defined herein, all capitalized terms used herein shall have the meanings ascribed to them in Appendix I attached hereto and made a part hereof.

B. Borrower is the owner (or, concurrently with the recording of this Agreement, will be the owner) of a leasehold interest in the Property, which Property is more particularly described in Exhibit "A" attached hereto and made a part hereof.

C. Borrower and Subordinating Party have heretofore entered into or, concurrently herewith, are entering into, those certain loan documents more particularly described in Exhibit "B" attached hereto (collectively, "Subordinating Party’s Loan Documents"), pursuant to the terms of which Subordinating Party shall make to Borrower (i) a $3,519,300 loan ("Subordinating Party’s Infill Loan"), which Subordinating Party’s Infill Loan is secured by, among other things, that certain Authority Subordinate Leasehold Deed of Trust with Assignment of Rents, Security Agreement and Fixture Filing (Authority IIG Loan) dated May 1, 2021 ("Subordinating Party’s Infill Deed of Trust"), (ii) a $7,100,000 loan ("Subordinating Party’s Acquisition Loan"), which Subordinating Party’s Acquisition Loan is secured by, among other things, that certain Authority Subordinate Leasehold Deed of Trust with Assignment of Rents, Security Agreement and Fixture Filing (Authority Acquisition Loan) dated May 1, 2021 ("Subordinating Party’s Infill Deed of Trust"), (i) a $7,100,000 loan ("Subordinating Party’s Acquisition Loan"), which Subordinating Party’s Acquisition Loan is secured by, among other things, that certain Authority Subordinate Leasehold Deed of Trust with Assignment of Rents, Security Agreement and Fixture Filing (Authority Gap Loan) dated May 1, 2021 ("Subordinating Party’s Gap Deed of Trust"). Each of the Subordinating Party’s Infill Deed of Trust,
Subordinating Party’s Acquisition Deed of Trust and Subordinating Party’s Gap Deed of Trust are executed by Borrower for the benefit of Subordinating Party and recorded concurrently herewith in the Official Records of Los Angeles County, California (“Official Records”), and encumber the leasehold interest in the Property and all Improvements to be constructed thereon. Subordinating Party’s Infill Deed of Trust, Subordinating Party’s Acquisition Deed of Trust and Subordinating Party’s Gap Deed of Trust are sometimes hereinafter referred to as “Subordinating Party’s Security Documents”.

D. Concurrently herewith, Borrower, Governmental Lender and Bank are entering into the Borrower Loan Agreement, pursuant to the terms of which Governmental Lender shall make to Borrower the Borrower Loan to cover a portion of the cost of constructing the Improvements and certain other costs related thereto, which Borrower Loan is evidenced by the Borrower Note, made by Borrower to the order of Governmental Lender, and secured by, among other things, the Deed of Trust, executed by Borrower for the benefit of Governmental Lender and Bank, and encumbering the Property and all Improvements to be constructed thereon. The Borrower Loan Agreement, the Borrower Note, the Deed of Trust and all other documents evidencing, securing or pertaining to the Borrower Loan are sometimes hereinafter collectively referred to as the “Borrower Loan Documents”. All right, title and interest of Governmental Lender with respect to the Borrower Loan and the Borrower Loan Documents have been assigned to Bank.

E. As a condition precedent to Governmental Lender’s and Bank’s making the Borrower Loan, Governmental Lender and Bank require that the Deed of Trust shall unconditionally be and remain at all times a lien or charge upon the Project which is prior and superior to the liens or charges of Subordinating Party’s Security Documents.

NOW, THEREFORE, in consideration of Governmental Lender’s and Bank’s making the Borrower Loan to Borrower, and in consideration of the mutual promises and agreements hereinafter contained and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in order to induce Governmental Lender and Bank to make the Borrower Loan to Borrower, the parties to this Agreement do hereby agree as follows:

1. SUBORDINATION OF SUBORDINATING PARTY’S SECURITY DOCUMENTS. The Deed of Trust, and any and all renewals or extensions thereof and all amendments and modifications hereafter made thereto, and any and all disbursements made by Governmental Lender to or for the account or benefit of Borrower the repayment of which is secured thereunder, shall unconditionally be and remain at all times a lien or charge against the Project that is prior and superior to the liens or charges of Subordinating Party’s Security Documents, to the same extent and purpose as though Subordinating Party’s Security Documents had been executed and recorded subsequent to the recording of the Deed of Trust and the making of each disbursement or advance made by Governmental Lender to Borrower the repayment of which is secured by the Deed of Trust, regardless of whether Borrower, at the time of any such disbursement or advance, may have been in default under the Borrower Loan Agreement, the Deed of Trust, or any of the other the Borrower Loan Documents and regardless of whether Governmental Lender was obligated to make any such disbursement or advance. Notwithstanding the foregoing, Governmental Lender and Bank shall not amend or modify the terms of the Borrower Loan and/or the Borrower Loan Documents without the prior written consent of the Subordinating Party if such amendment or modification has the effect of: (i) increasing or decreasing the amount of the Borrower Loan, except in the case of sums advanced by Governmental Lender or Bank in exercising their rights and remedies under the Borrower Loan Documents or as otherwise provided in Paragraph 2 of this Agreement; (ii) increasing the annual interest rate(s), including the default rate, above the rate(s) described in the Borrower Note; or (iii) modifying the maturity date to be sooner than the stated maturity date of the Borrower Note.

2. ALL DISBURSEMENTS UNDER THE BORROWER LOAN SECURED BY THE DEED OF TRUST. Notwithstanding anything to the contrary set forth in the Borrower Loan Agreement or any other agreement among Governmental Lender, Bank and Borrower with respect to the disbursement of all or any portions of the proceeds of the Borrower Loan, any and all disbursements made by Governmental Lender to or for the account or benefit of Borrower or the Project in connection with the following, whether or not Governmental Lender is obligated to make such disbursements pursuant to the Borrower Loan Documents: (a) any costs or expenses incurred in complying with any laws, rules, regulations, or statutes or any
of any governmental agencies or authorities having or exercising jurisdiction over the Project; (b) any sums advanced to pay for the cost of completing the construction of the Project, Project cost overruns and/or to lease-up and stabilize the Project made by Governmental Lender or Bank; and (c) any sums advanced by Governmental Lender or Bank for the payment of real estate taxes or assessments or insurance premiums, or any other sums advanced or obligations incurred by Governmental Lender or Bank in connection with the protection or preservation of any security given to Governmental Lender or Bank with respect to the Borrower Loan, including, without limitation, interest thereon shall be deemed to be, and in all events shall be, secured by the Deed of Trust and, as so secured, and regardless of whether Borrower at the time of any such disbursements may have been in default under the Borrower Loan Documents and regardless of whether Governmental Lender or Bank were obligated to make any such disbursements, shall be and remain a lien or charge against the Project that is unconditionally prior and superior to the lien and effect of Subordinating Party’s Security Documents.

3. APPLICATION OF PAYMENTS UNDER SUBORDINATING PARTY’S LOAN. Until such time as all amounts outstanding under the Borrower Loan have been indefeasibly paid in full, prior to the occurrence of an Event of Default (as such term is defined in the Borrower Loan Documents), Subordinating Party shall be entitled to receive and retain payments made pursuant to and in accordance with the Subordinating Party’s Loan Documents; provided, however, that no such payment is made more than ninety (90) days in advance of its scheduled due date. Upon the occurrence of an Event of Default under the Borrower Loan Documents, all amounts (including, without limitation, all insurance proceeds and condemnation awards) received by Subordinating Party from, or for the account of, Borrower under Subordinating Party’s Loan, after notice to Subordinating Party of such Event of Default, shall be immediately remitted to Bank at the address set forth above to be applied by Governmental Lender in reduction of amounts outstanding under the Borrower Loan, in such amounts and in such order as Bank shall determine. In the event that any payment is made to Subordinating Party which is not permitted under this Agreement, such payment shall be held by Subordinating Party in trust for the benefit of Governmental Lender and Bank and shall be paid immediately to Bank for application to the payment of all of the indebtedness and obligations remaining unpaid under the Borrower Loan. Without limiting the complete subordination of the Subordinating Party’s Loan to the payment in full of the Borrower Loan, in any bankruptcy, insolvency, receivership or proceeding, upon any payment or distribution to creditors, Governmental Lender and Bank shall be paid in full first in cash before the Subordinating Party shall be entitled to receive any payment or other distribution on account of or in respect to the Subordinating Party’s Loan and, until the entire Borrower Loan is paid in full in cash, any payment or distribution to which the Subordinating Party will be entitled but for this Agreement (whether in cash, property or other assets) shall be paid to Bank.

4. SUBORDINATION TO MODIFICATION OF BORROWER LOAN. If Governmental Lender and Bank extend or otherwise modify the terms of the Borrower Loan (including any amendment or modification which requires the Subordinating Party’s prior written consent pursuant to Paragraph 1 and for which Subordinating Party has granted such consent), Subordinating Party, upon 45 days’ prior notice to Subordinating Party, shall execute a new subordination agreement, in the form of this Agreement, confirming Subordinating Party’s subordination of the effect of Subordinating Party’s Security Documents against the Project to the lien or charge of the Deed of Trust. In the event that consent from the Subordinating Party is not required hereunder or such consent has been obtained, the execution of such new subordination agreement, however, shall not be a condition to the effectiveness of the subordination of Subordinating Party’s Security Documents against the Project to the lien or charge of the Deed of Trust, which subordination shall be automatic.

5. [INTENTIONALLY DELETED].

6. BANK RIGHT TO CURE DEFAULT UNDER SUBORDINATING PARTY’S LOAN. Upon the occurrence of a default under the Subordinating Party’s Loan, Subordinating Party shall: (a) concurrently with notifying Borrower of the occurrence of such event of default, notify Bank at its address set forth above of the occurrence of such default or event of default; (b) permit Bank to cure or correct (provided that such event of default is curable) any such event of default within thirty (30) calendar days after receipt of such notice (“Bank Cure Period”); provided, however, that Subordinating Party has the
continuing right to commence to pursue its remedies under the Subordinating Party’s Loan Documents on account of such default during the Bank Cure Period, including but not limited to the right to accelerate the Subordinating Party’s Loan, record a notice of default and to obtain a receiver; provided further, that if the cure is completed during the Bank Cure Period, Subordinating Party will rescind any notice of default after reimbursement of all of its costs incurred in connection with the default, including, without limitation, attorneys’ fees and court costs; and (c) accept all payments and all acts done by Bank on behalf of Borrower within the Bank Cure Period as though the same had been timely done and performed by Borrower, so that such acts and payments shall fully and totally cure and correct all such defaults, breaches, failures or refusals for all purposes.

7. INTERCREDITOR AGREEMENT.

(a) Amendments and Modifications To Subordinating Party's Loan Documents. Borrower and Subordinating Party shall not modify, amend or in any way change or supplement the provisions of the Subordinating Party’s Loan Documents without the prior written consent of Bank (which consent will not be unreasonably withheld, except as provided below); any such purported modification, amendment, change or supplement without Bank’s prior written consent shall be null and void and shall have no force or effect whatsoever. 11. **SUBORDINATING PARTY’S REPRESENTATIONS, WARRANTIES, COVENANTS, CONSENTS, APPROVALS AND ACKNOWLEDGEMENTS.** Subordinating Party hereby warrants, represents, declares, agrees and acknowledges as follows:

(a) For purposes of this Agreement, Subordinating Party acknowledges that Subordinating Party has been provided the opportunity to review the Borrower Loan Documents before executing this Agreement;

(b) Governmental Lender and Bank, in making disbursements pursuant to the Borrower Loan Agreement, are under no obligation or duty to insure, nor has Governmental Lender or Bank represented that it will insure, the proper application of such proceeds by the person(s) to whom Governmental Lender or Bank disburses such proceeds, and any application or use of such proceeds for purposes other than as provided in any such agreement shall not defeat or render invalid, in whole or in part, the subordination provided for in this Agreement;

(c) Governmental Lender and Bank have not made any warranty or representation of any kind or nature whatsoever to Subordinating Party with respect to (i) the application of the proceeds of the Borrower Loan being made by Governmental Lender to Borrower upon the security of the Deed of Trust, (ii) the value of the Property, the Improvements to be constructed thereon pursuant to the Borrower Loan Agreement, or the marketability or value thereof upon completion of such construction, or (iii) the ability of Borrower to honor its covenants and agreements with Governmental Lender, Bank or Subordinating Party;

(d) Governmental Lender’s and/or Bank’s release of any security for the Borrower Loan, including, without limitation, the reconveyance of any portion(s) of the Project from the lien of the Deed of Trust shall not constitute a waiver or relinquishment of Subordinating Party’s unconditional subordination of the liens or charges of Subordinating Party’s Security Documents against the Project to the lien or charge of the Deed of Trust, unless and until the Borrower Loan has been repaid in full and the lien or charge of the Deed of Trust has been reconveyed from the Project;

(e) Governmental Lender would not make the Borrower Loan to Borrower absent the execution of this Agreement by Subordinating Party;
Governmental Lender and Bank have no duty to disclose to Subordinating Party any facts Governmental Lender or Bank may now know or hereafter know about Borrower or the partners or successors of Borrower, regardless of whether (i) Governmental Lender or Bank has reason to believe that any such facts may increase materially the risk beyond that which Subordinating Party intends to assume, (ii) Governmental Lender or Bank may have reason to believe that such facts are unknown to Subordinating Party, or (iii) Governmental Lender or Bank has a reasonable opportunity to communicate such facts to Subordinating Party, it being understood and agreed that Subordinating Party is fully responsible for being and keeping informed of the financial condition of Borrower and/or any partners or successors of Borrower and of all circumstances bearing on the risk of non-payment of any indebtedness of Borrower to Governmental Lender described in this Agreement;

Subordinating Party has made such independent legal and factual inquiries and examinations as Subordinating Party deems necessary or desirable, and Subordinating Party has relied solely on said independent inquiries and examinations in entering into this Agreement;

The Subordinating Party’s Loan Documents as described in Exhibit “B” attached hereto are all of the documents evidencing, securing or pertaining to Subordinating Party’s Loan, true, correct and complete copies thereof have been delivered to Bank and the Subordinating Party’s Loan Documents have not been amended or modified except as reflected thereon;

As of the date set forth above, the Subordinating Party has no offset, defense, deduction or claim against Borrower under any of the Subordinating Party’s Loan Documents, Borrower is not in default under any of the Subordinating Party’s Loan Documents and the Subordinating Party knows of no event that has occurred or is continuing which, with the passage of time or the giving of notice, or both would constitute a default under any of the Subordinating Party’s Loan Documents;

Each and every covenant, condition and obligation contained in the Subordinating Party’s Loan Documents required to be performed or satisfied as of the date hereof, and each and every matter required to be approved the Subordinating Party as of the date hereof, has been satisfied and/or approved and/or waived as applicable, including without limitation, the conditions set forth in Section 2.6 of the Subordinating Party’s Loan Agreement;

Borrower is not obligated to commence construction of the Improvements until thirty (30) days after the closing of the Loan, and construction of the Improvements need not be completed until [June 1, 2023] [CHECK];

As of the date set forth above, except for the sum of [$_____________] of the Subordinating Party’s Gap Loan and the sum of [$_____________] of the Subordinating Party’s Infill Loan, the Subordinating Party’s Loan has been fully funded and Borrower’s use of such Subordinating Party’s Loan funds complies with the provisions of the Subordinating Party’s Loan Agreement.] [CHECK: CONFIRM TIMING OF DISTRIBUTION OF EACH HOUSING AUTHORITY LOAN]

Notwithstanding anything stated to the contrary in the Subordinating Party’s Loan Documents, (i) the limited partner in Borrower shall have the right at any time and from time to time, without the approval or consent of the Subordinating Party, to assign, sell or otherwise transfer to any third party its limited partnership interest in Borrower, provided that Borrower provides notice to the Subordinating Party of such assignment, sale or transfer concurrently with such assignment, sale or transfer, and (ii) the general partner in Borrower shall have the right, without the approval or consent of the Subordinating Party, to pledge or otherwise encumber its partnership interest in Borrower to Governmental Lender and Bank and the foreclosure of such pledge by Governmental Lender or Bank shall not cause an event of default under the Subordinating Party’s Loan Documents;

Notwithstanding anything stated to the contrary in the Subordinating Party’s Loan Documents, Subordinating Party’s interest in the plans and specifications and all data, drawings, contracts and agreements relating thereto and all contracts and agreements relating to the construction of the Improvements shall be subject and subordinate to Governmental Lender’s and Bank’s interest in the same;
(o) Notwithstanding anything stated to the contrary in the Subordinating Party’s Loan Documents, Subordinating Party’s rights in and to the leases and rents of the Property shall be subject and subordinate to the rights of Governmental Lender and Bank to same;

(p) Notwithstanding anything stated to the contrary in the Subordinating Party’s Loan Documents, the occurrence of an Event of Default under the Borrower Loan Documents shall not in and of itself constitute a default or an event of default under any of the Subordinating Party's Loan Documents unless the occurrence of such event shall constitute a separate default under the Subordinating Party’s Loan Documents;

(q) The subordination of the Subordinating Party’s Loan shall continue in the event that any payment with respect to any Borrower Loan Document (whether by or on behalf of Borrower, as proceeds of security or enforcement of any right of set-off or otherwise) is for any reason repaid or returned to Borrower or its insolvent estate, or avoided, set aside or required to be paid to Borrower, a trustee, a receiver or other similar party under any bankruptcy, insolvency or receivership or similar law under any bankruptcy, insolvency, receivership or similar proceeding. In such event, the Borrower Loan or any part thereof originally intended to be satisfied shall be deemed to be reinstated and outstanding to the extent of any repayment, return or other action, as if such payment on account of the Borrower Loan had not been made; and

(r) Subordinating Party shall not commence in or join with any other creditor in commencing any bankruptcy, insolvency, receivership or similar proceeding involving Borrower and Subordinating Party shall not initiate any action, motion or request in any such proceeding involving any other person or entity, which seeks the consolidation of some or all of the assets of Borrower into such proceeding. In the event of any such proceeding relating to Borrower or the Property or, in the event of any such proceeding relating to any other person or entity into which (notwithstanding the covenant in the first sentence of this clause) the assets or interests of Borrower are consolidated, then in either event, the Borrower Loan shall first be paid in full before Subordinating Party shall be entitled to receive or retain any payment or distribution with respect to the Subordinating Party’s Loan. Subordinating Party agrees that (i) the Bank shall receive all payments and distributions of every kind or character in respect of the Subordinating Party’s Loan to which the Subordinating Party would otherwise be entitled, before the subordination provisions of this Agreement (including, without limitation, any payments or distributions during the pendency of any bankruptcy, insolvency, receivership or similar proceeding involving Borrower or the Property) until the Borrower Loan is repaid in full, and (ii) the subordination of the Subordinating Party’s Loan and the Subordinating Party’s Security Documents shall not be affected in any way by the Bank electing, under Section 1111(b) of the Federal Bankruptcy Code, to have its claim treated as being a fully secured claim. In addition, Subordinating Party hereby covenants and agrees that, in connection with such a proceeding involving Borrower, neither Subordinating Party nor any of its affiliates shall (i) make or participate in a loan facility to or for the benefit of Borrower on a basis that is senior to or pari passu with the liens and interests held by Governmental Lender and Bank pursuant to the Borrower Loan Documents and (ii) not contest the continued accrual of interest on the Borrower Loan, in accordance with and at the rate specified in the Borrower Loan Documents, both for periods before and for periods after commencement of such proceeding.

12. INTENTIONALLY OMITTED.

13. ESTOPPEL CERTIFICATES. Either party shall, within twenty (20) days following the other party’s written request therefor, execute and deliver to such requesting party an estoppel certificate in form and substance reasonably satisfactory to the requesting party.

(e) The Borrower (and any person related to it within the meaning of Section 147(a)(2) of the Code) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the sale of the Notes to be applied in a manner contrary to the requirements of the Funding Loan Agreement, the Borrower Loan Agreement or this Regulatory Agreement.

(f) The Borrower shall comply with all applicable requirements of Section 65863.10 of the California Government Code, including, if applicable, the requirements for providing notices in Sections (b), (c), (d) and (e) thereof.

(i) The foregoing certificate evidencing the Completion Date shall be delivered to the Fiscal Agent no later than the date 36 months from the Closing Date unless the
Borrower delivers to the Fiscal Agent a certificate of the Authority consenting to an extension of such date, accompanied by an opinion of Tax Counsel to the effect that such extension will not result in interest on the Notes being included in gross income for federal income tax purposes. The Borrower agrees to spend additional moneys for payment of any costs of the Project sufficient to reduce the portion of proceeds of the Notes (A) spent on land by the Borrower relative to the Project Site to an amount that is less than 25% of the amount of proceeds of the Notes spent by the Borrower relative to the Project Site for all purposes and (B) spent on costs of the Project paid or incurred by or on account of the Borrower or any related person (as such term is used in Section 147(a)(2) of the Code) on or after the date 60 days prior to the Inducement Date and chargeable to the capital account of the Project (or so chargeable either with a proper election by the Borrower to deduct such amounts, within the meaning of Treasury Regulation Section 1.103-8(a)(1)) so that the amount of proceeds of the Notes expended on such Qualified Project Costs is at least 97% of the amount of proceeds of the Notes spent for all purposes related to the Project, except that, upon receipt by the Borrower, the Fiscal Agent and the Authority of an approving opinion of Tax Counsel indicating no adverse effect to the tax-exempt status of the Notes, the percentage of such amounts so used may be 95%.

(j) [Reserved].

(k) All workers performing construction work for the Project employed by the Borrower or by any contractor or subcontractor shall be compensated in an amount no less than the greater of (i) the general prevailing rate of per diem wages (“Prevailing Wages”) as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations and (ii) the general prevailing rate of per diem wages as determined by the U.S. Labor Department pursuant to the Davis–Bacon Act under 40 U.S.C.S. 3141–3148 and implementing regulations (“Davis-Bacon Wages”), if applicable.

To that end, and for the term of this Regulatory Agreement, the Borrower hereby represents, as of the date hereof, and covenants, warrants and agrees as follows:

(a) The Project is being acquired, constructed and equipped for the purpose of providing multifamily residential rental property, and the Borrower shall own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with applicable provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.
(b) All of the dwelling units in the Project will be similarly constructed units, and, to the extent required by the Code and the Regulations, each dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink; provided that any tenant may, but shall not be obligated to, provide a refrigerator for the unit to be occupied.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis, or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home, retirement house or trailer court or park.

(d) No part of the Project will at any time be owned or used as a condominium or by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or uses. Other than obtaining a final subdivision map on the Project and a Final Subdivision Public Report from the California Department of Real Estate, the Borrower has not and shall not take any steps in connection with a conversion of the Project to a condominium or cooperative ownership except with the prior written approving opinion of Tax Counsel that by reason of any such action the interest on the Notes (if any is outstanding) will not become includable in gross income for federal income tax purposes.

(e) All of the dwelling units (except for the manager’s unit described in (g) below) will be available for rental on a continuous basis to members of the general public, and the Borrower has not and will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent that dwelling units are required to be leased or rented to Low Income Tenants, Very Low Income Tenants, or holders of Section 8 certificates or vouchers or any preference the Borrower gives to a class of persons permitted to be given preference pursuant to the Code, State law and other applicable federal law or pursuant to the Ground Lease or RAD Use Agreement (as defined in the Ground Lease).

(f) The Project Site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the Project Facilities will comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in any building in the Project shall be occupied by the Borrower unless the building contains five or more dwelling units, in which case one unit may be occupied by the Borrower or by persons related to or affiliated with the Borrower such as a resident manager or maintenance personnel. Subject to the foregoing limitation, up to a total of one unit in the Project may be occupied by a resident manager or maintenance personnel.

(h) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Regulations be caused by fire, seizure, requisition, foreclosure,
transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date that prevents the Authority from enforcing the requirements of the Regulations, or condemnation or similar event, the Borrower covenants that, within a “reasonable period” determined in accordance with the Regulations, it will either prepay the Borrower Loan and cause the Notes to be redeemed or apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

(i) The Borrower shall not discriminate on the basis of race, religion, creed, color, ethnic group identification, sex, sexual preference, source of income (e.g. TANF, SSI), mental or physical disability, age, national origin or marital status in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project.

(j) Following the expiration or termination of the Qualified Project Period, Low Income Units and Very Low Income Units shall remain available to the Low Income Tenants and Very Low Income Tenants, respectively, then occupying such units at the date of expiration or termination of the Qualified Project Period at a rent not greater than the rent determined pursuant to Sections 4(a) and 4(j) below, as applicable, until the earliest of any of the following occurs:

   (i) The household’s income exceeds 140% of the income at which such household would qualify as a Low Income Tenant or a Very Low Income Tenant.

   (ii) The household voluntarily moves or is evicted for “good cause.” For these purposes, “good cause” means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the lease agreement that detrimentally affect the health and safety of other persons or the structure, the fiscal integrity of the Project, or the purposes or special programs of the Project.

   (iii) Fifty-five years after the date on which 50% occupancy is achieved.

   (iv) The Borrower pays the relocation assistance and benefits to such Low Income Tenants or Very Low Income Tenants, as provided in Section 7264(b) of the Government Code of the State of California.

   (k) The Authority may but shall not be required to monitor the Borrower’s compliance with the provisions of subparagraph (j) above.

   (l) The Borrower shall file with the Internal Revenue Service on or before each March 31 as long as the Notes remains outstanding, a completed IRS Form 8703, or successor form, and deliver to the Authority a written copy thereof.

Section 4. Low Income Units and Very Low Income Units. Pursuant to the requirements of Section 142(d) of the Code and applicable provisions of the Act, the Borrower hereby represents, as of the date hereof, and warrants, covenants and agrees as follows:
During the Qualified Project Period, not less than 40% of the units in the Project shall be designated as Low Income Units and shall be continuously occupied by or held available for occupancy by Low Income Tenants at monthly rents that do not exceed one-twelfth of the amount obtained by multiplying 30% times 60% of the Median Income for the Area, as adjusted for household size. Household size is determined under Section 34312.3(c)(1)(B) and (c)(2)(B) of the California Health and Safety Code consistent with Section 42(g)(2)(C) of the Code, with the more restrictive limits being applicable. Such Low Income Units shall be of comparable quality and offer a range of sizes and number of bedrooms comparable to those units that are available to other tenants and shall be distributed throughout the Project.

A unit occupied by a Low Income Tenant who, at the commencement of the occupancy, is a Low Income Tenant shall be treated as occupied by a Low Income Tenant until a recertification of such tenant’s income in accordance with Section 4(c) below demonstrates that such tenant no longer qualifies as a Low Income Tenant and thereafter such unit shall be treated as any residential unit of comparable or smaller size in the Project occupied by a new resident other than a Low Income Tenant. Moreover, a unit previously occupied by a Low Income Tenant and then vacated shall be considered occupied by a Low Income Tenant until reoccupied, other than for a temporary period, at which time the character of the unit shall be redetermined. In no event shall such temporary period exceed 31 days.

Immediately prior to a Low Income Tenant’s occupancy of a Low Income Unit, the Borrower will obtain and maintain on file an Income Certification from each Low Income Tenant occupying a Low Income Unit, dated immediately prior to the initial occupancy of such Low Income Tenant in the Project. In addition, the Borrower will provide such further information as may be required in the future by the State of California, the Authority, the Act, Section 142(d) of the Code and the Regulations, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code. The Borrower shall verify that the income provided by an applicant is accurate by taking one or more of the following steps as a part of the verification process: (i) obtain a federal income tax return for the most recent tax year, (ii) obtain a written verification of income and employment from the applicant’s current employer, (iii) if an applicant is unemployed or did not file a tax return for the previous calendar year, obtain other verification of such applicant’s income satisfactory to the Authority or (iv) such other information as may be reasonably requested by the Authority.

Copies of the most recent Income Certifications for Low Income Tenants shall be attached to the quarterly report to be filed with the Authority and the Fiscal Agent as required in (d) below.

Immediately prior to the first anniversary date of the occupancy of a Low Income Unit by one or more Low Income Tenants, and on each anniversary date thereafter, the Borrower shall recertify the income of the occupants of each Low Income Unit by
obtaining a completed Income Certification based upon the current income of each occupant of the unit. In the event the recertification demonstrates that such household’s income exceeds 140% of the income at which such household would qualify as Low Income Tenants, such household will no longer qualify as Low Income Tenants and, to the extent necessary to comply with the requirements of Section 4(a) above, the Borrower will rent the next available unit of comparable or smaller size to one or more Low Income Tenants.

(d) Upon commencement of the Qualified Project Period, and within 15 days of the last day of each quarter thereafter during the term of this Regulatory Agreement, the Borrower shall advise the Authority and the Fiscal Agent of the status of the occupancy of the Project by delivering to the Authority and the Fiscal Agent a Certificate of Continuing Program Compliance.

(e) The Borrower shall maintain complete and accurate records pertaining to the Low Income Units, and shall permit any duly authorized representative of the Authority, Funding Lender, the Fiscal Agent, Department of the Treasury or Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Low Income Units.

(f) The Borrower shall submit to the Secretary of the Treasury annually on the anniversary date of the start of the Qualified Project Period, or such other date as is required by the Secretary, a certification that the Project continues to meet the requirements of Section 142(d) of the Code, and shall provide a copy of such certification to the Authority.

(g) The Borrower shall accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the United States Housing Act of 1937, or its successor. The Borrower shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants. The Borrower shall not collect any additional fees or payments from a Low Income Tenant except security deposits or other deposits required of all tenants. The Borrower shall not collect security deposits or other deposits from a Section 8 certificate or voucher holder in excess of those allowed under the Section 8 Program. The Borrower shall not discriminate against applicants for Low Income Units on the basis of source of income (i.e., TANF or SSI), and the Borrower shall consider a prospective tenant’s previous rent history of at least one year as evidence of the ability to pay the applicable rent (ability to pay shall be demonstrated if an applicant can show that the same percentage or more of the applicant’s income has been paid for rent in the past as will be required to be paid for the rent applicable to the Low Income Unit to be occupied, provided that such Low Income Tenant’s expenses have not materially increased).

(h) Each lease pertaining to a Low Income Unit shall contain a provision to the effect that the Borrower has relied on the Income Certification and supporting information supplied by the applicant in determining qualification for occupancy of the Low Income Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease. Each lease will also contain a
provision that failure to cooperate with the annual recertification process reasonably instituted by the Borrower pursuant to Section 4(c) above may, at the option of the Borrower, disqualify the unit as a Low Income Unit, or provide grounds for termination of the lease.

(i) Prior to the Closing Date, the Borrower agrees to provide to the Authority a copy of the form of application and lease to be provided to prospective Low Income Tenants. The term of the lease shall be not less than 30 days.

(j) In addition to the requirements set forth in Section 4(a), the Borrower shall satisfy the following requirements:

(i) As required by the Authority, not less than 43 of the units in the Project shall be Very Low Income Units and shall be rented to, or made available for rental to, Very Low Income Tenants on the same terms and conditions, and subject to the same requirements, as are set forth in this Section 4 with respect to the Low Income Units, except that monthly rents shall not exceed one-twelfth of the amount obtained by multiplying 30% times 50% of the Median Income for the Area, adjusted as provided in Section 4(a) above (but without regard to the final paragraph thereof).

(ii) Pursuant to the CDLAC Conditions and for the entire term of the Regulatory Agreement, the Project shall consist of 88 units plus 1 manager’s unit of which at least: 43 units shall be rented or held vacant for Very Low Income Tenants; and 9 units shall be rented or held vacant for rental for Low Income Tenants subject to the rent restrictions in Section 4(a).

(k) The Borrower shall ensure the Project complies with the provisions of Section 52080(g) of the California Health and Safety Code.

Section 5. Tax Status of the Notes. The Borrower and the Authority each hereby represents, as of the date hereof, and warrants, covenants and agrees that:

(a) It will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the exclusion from gross income for federal income tax purposes or the exemption from California personal income taxation of the interest on the Notes and, if it should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof;

(b) It will take such action or actions as may be necessary, in the written opinion of Tax Counsel filed with the Authority and Funding Lender, to comply fully with the Act and all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations issued under Section 142(d) of the Code to the extent necessary to maintain the exclusion from gross income for federal income tax purposes of interest on the Notes; and
(c) The Borrower, at the Borrower’s expense, will file of record such documents and take such other steps as are necessary, in the written opinion of Tax Counsel filed with the Authority, the Fiscal Agent and Funding Lender, in order to ensure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County of Los Angeles.

(d) The Borrower will not enter into any agreements that would result in the payment of principal of or interest on the Notes being “federally guaranteed” within the meaning of Section 149(b) of the Code.

(e) The Borrower hereby reaffirms the arbitrage certifications made by it in the Tax Certificate, and such certifications are hereby incorporated herein as covenants of the Borrower by this reference.

(f) The Borrower hereby agrees to comply with the requirements of Section 148(f) of the Code and to rebate excess investment earnings to the federal government.

(g) The Borrower hereby covenants to include the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project to another person to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement.

(h) The Borrower shall assure that the proceeds of the Notes are used in a manner such that the Notes will satisfy the requirements of Section 142(d) of the Code relating to qualified residential rental projects.

(i) The Notes upon issuance and delivery shall be considered “private activity bonds” within the meaning of the Code with respect to which CDLAC has transferred a portion of the State of California’s private activity bond allocation (within the meaning of Section 146 of the Code) equal to the principal amount of the Notes.

(j) The Authority and the Borrower covenant that not less than 97% of the net proceeds of the Notes (within the meaning of Section 150(a)(3) of the Code) will be paid for Qualified Project Costs.

(k) The Authority and the Borrower covenant that less than 25% of the proceeds of the Notes shall be used, directly or indirectly, for the acquisition of land.

(l) The Authority and the Borrower covenant that no proceeds of the Notes shall be used directly or indirectly to provide any airplane, skybox or other private luxury box, health club facility, facility used for gambling or store the principal business of which is the sale of alcoholic beverages for consumption off premises, and no portion of the proceeds of the Notes shall be used for an office unless (i) the office is located on the premises of the facilities constituting the Project and (ii) not more than a de minimis
amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

(m) The Borrower shall not take, or permit or suffer to be taken by the Funding Lender, Fiscal Agent or otherwise, any action with respect to the proceeds of the Notes that, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Notes would have caused any Note to be an “arbitrage bond” within the meaning of Section 148 of the Code.

(n) In accordance with Section 147(b) of the Code, the average maturity of the Notes do not exceed 120% of the average reasonably expected economic life of the facilities being financed by the Notes.

(o) The Authority and the Borrower covenant that, from the proceeds of the Notes and investment earnings thereon, an amount not in excess of 2% of the proceeds of the Notes, will be used for costs of issuance of the Notes, all within the meaning of Section 147(g)(1) of the Code. For this purpose, if the fees of the Agent and the Holder are retained as a discount on the purchase of the Notes, such retention shall be deemed to be an expenditure of proceeds of the Notes for said fees.

(p) The proceeds of the Notes will be allocated to expenses actually paid with proceeds of the Notes unless, prior to the date that is the later of 18 months (i) after the expenditure is paid, or (ii) after the Project financed with proceeds of the Notes is placed in service, the Borrower makes a different allocation of such expenditures to different contemporaneous purposes. In any event, such alternative allocation must occur no later than 60 days after the fifth anniversary of the Closing Date (or 60 days after the retirement of the Notes if earlier).

(q) [Reserved].

(r) [Reserved].

The Borrower hereby covenants to notify any subsequent owner of the Project of the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project to another person to the end that such transferee has notice of such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement; provided that the covenants contained in this paragraph shall not apply to the Funding Lender or its designee should the Funding Lender or its designee become the owner of the Project by foreclosure, deed in lieu of foreclosure or comparable conversion of the Borrower Loan Documents.

Section 6. Modification of Special Tax Covenants. The Borrower, the Fiscal Agent and the Authority hereby agree as follows:

(a) To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Tax Counsel filed with the Authority, the Fiscal Agent and Funding Lender, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement that must be complied with
in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Notes, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements.

(b) To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Tax Counsel filed with the Authority, the Fiscal Agent, Funding Lender and Borrower, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment approved and signed by the Authority, the Fiscal Agent and Borrower, approved by the Funding Lender, and approved by the written opinion of Tax Counsel that such amendment will not affect the exclusion from gross income for federal income tax purposes of interest on the Notes.

(c) The Borrower, the Authority and, if applicable, the Fiscal Agent, shall execute, deliver and, if applicable, the Borrower or the Authority shall file of record any and all documents and instruments necessary to effectuate the intent of this Section 6, and each of the Borrower and the Authority hereby appoints the Fiscal Agent as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record (it being understood that the Fiscal Agent has no duty or obligation to take such action) on behalf of the Borrower or the Authority, as is applicable, any such document or instrument (in such form as may be approved in writing by Tax Counsel) if either the Borrower or the Authority defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the Authority or the Borrower, the Fiscal Agent shall take no action under this subsection without first notifying the Borrower or the Authority, or both of them, as is applicable, and without first providing the Borrower or the Authority, or both of them, as is applicable, an opportunity to comply with the requirements of this Section 6. Nothing in this subsection (c) shall be construed to allow the Fiscal Agent to execute an amendment to this Regulatory Agreement on behalf of the Authority or the Borrower.

Section 7. Indemnification. The Borrower hereby releases the Authority, Funding Lender and Fiscal Agent and their respective officers and employees, past, present and future, from, and covenants and agrees to indemnify, hold harmless and defend the Authority, Funding Lender and Fiscal Agent and their respective officers, commissioners, directors, officials, agents and employees and each of them, past, present and future (collectively, the “Indemnified Parties” and individually, an “Indemnified Party”) from and against, any and all claims, losses, costs, damages, demands, expenses, taxes, suits, judgments, actions and liabilities of whatever nature, joint or several (including, without limitation, actual out-of-pocket costs of investigation, reasonable attorneys’ fees, actual out-of-pocket litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments), made directly or indirectly (a) by or on behalf of any person arising from any cause whatsoever in connection with transactions contemplated hereby or otherwise in connection with the Project, Notes, Taxable Note or execution or amendment of any document relating thereto; (b) arising from any cause whatsoever in connection with the approval of financing for the Project, the making of the Borrower Loan or otherwise; (c) arising from any act or omission of the Borrower or any of its agents, servants, employees or licensees, in connection with the Borrower Loan or the Project; (d) arising in
connection with the issuance and sale, resale or reissuance of the Notes or any certifications or representations made by any person (other than the Authority or the party seeking indemnification in connection therewith) or the carrying out by the Borrower of any of the transactions contemplated by the Notes, the Funding Loan Agreement, the Borrower Loan Agreement or this Regulatory Agreement; (e) arising in connection with the operation of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, construction or equipping of, the Project or any part thereof; (f) arising out of or in connection with the Funding Lender’s or Fiscal Agent’s exercise of their respective powers or duties under the Borrower Loan Agreement, this Regulatory Agreement or the Funding Loan Agreement, as applicable, or any other related agreements to which the Funding Lender, or Fiscal Agent are a party; and (g) any actual or alleged violation of any Hazardous Materials Law or with respect to the presence of Hazardous Materials on or under the Project or in any of improvements or on or under any property of the Borrower that is adjacent to the Project (whether before or after the date of this Agreement and whether or not the Borrower knew of the same), except (i) in the case of the foregoing indemnification of the Funding Lender or Fiscal Agent or any of their respective officers, members, directors, agents and employees, to the extent such damages are caused by the negligence or willful misconduct of such person and (ii) in the case of the foregoing indemnification of the Authority or any of its officers, members, commissioners, directors, officials, agents and employees, to the extent such damages are caused by the willful misconduct of such person.

This indemnification shall extend to and include, without limitation, all reasonable costs, counsel fees, expenses and liabilities incurred in connection with any such claim, or proceeding brought with respect to such claim, except (i) in the case of the foregoing indemnification of the Funding Lender or Fiscal Agent or any of their respective Indemnified Parties to the extent such damages are caused by the negligence or willful misconduct of such Indemnified Party, and (ii) in the case of the foregoing indemnification of the Authority or any of its Indemnified Parties to the extent such damages are caused by the willful misconduct of such Indemnified Party.

In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party and approved by the Borrower (which approval shall not be unreasonably withheld); and the Borrower shall assume the payment of all reasonable fees and expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Authority shall have the right to review and approve or disapprove any such compromise or settlement. The Borrower specifically acknowledges and agrees that it has an immediate and independent obligation to defend each Indemnified Party from any claim that actually or potentially falls within this Section 7 even if such claim is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to the Borrower by any Indemnified Party and continues at all times thereafter. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that unless such separate counsel is employed with the approval of the Borrower, which approval shall not be unreasonably withheld, the Borrower shall not be required to pay the fees and expenses of such separate counsel unless the Indemnified Party reasonably determines that a conflict exists between the interests of the Borrower and such
Indemnified Party, in which case the Borrower shall pay the reasonable fees and expenses of such separate counsel.

The Borrower also shall pay and discharge and shall indemnify and hold harmless the Authority, Funding Lender and Fiscal Agent from (i) any lien or charge upon payments by the Borrower to the Authority, Funding Lender and Fiscal Agent hereunder arising out of Borrower’s actions or inactions and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges, are sought to be imposed, the Authority shall give prompt notice to the Borrower, and the Borrower shall have the sole right and duty to assume, and will assume, the defense thereof, with full power to litigate, compromise or settle the same in its sole discretion.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of Section 10 of this Regulatory Agreement, the Borrower shall remain obligated to indemnify the Indemnified Parties pursuant to this Section 7 for all claims arising from events occurring prior to such transfer, unless at the time of transfer the Authority has consented to indemnification under this Section 7 from such subsequent owner for all claims arising from events occurring prior to such transfer. If the Authority has consented to any transfer of the Project in accordance with the provisions of Section 10 of this Regulatory Agreement, the Borrower shall not be obligated to indemnify the Indemnified Parties pursuant to this Section 7 for actions or inactions of the transferee arising after such transfer, but shall remain obligated to provide indemnity for claims related to actions or inactions occurring prior to such transfer.

In addition to the foregoing, the Borrower will pay upon demand all of the fees and expenses paid or incurred by the Funding Lender, Fiscal Agent or Authority in enforcing the provisions hereof.

The provisions of this Section 7 shall survive the term of the Notes and this Regulatory Agreement and the earlier removal or resignation of the Fiscal Agent.

The obligations of the Borrower under this Section are independent of any other contractual obligation of the Borrower to provide indemnity to the Indemnified Parties, and the obligation of the Borrower to provide indemnity hereunder shall not be interpreted, construed or limited in light of any other separate indemnification obligation of the Borrower. The Indemnified Parties shall be entitled simultaneously to seek indemnity under this Section and any other provision under which they are entitled to indemnity.

All obligations of the Borrower under this Regulatory Agreement for the payment of money, including claims for indemnification and damages, shall not be secured by or in any manner constitute a lien on the Project, and neither the Authority nor the Funding Lender shall have the right to enforce such obligations other than directly against the Borrower pursuant to Section 15 of this Regulatory Agreement.

Nothing in this Section 7 is intended to release the General Partner or the Developer (as defined in the below-defined Partnership Agreement) from their respective obligations as a Partner.
Section 8. Consideration. The Authority has issued the Notes to make the Borrower Loan, to finance the Project, all for the purpose, among others, of inducing the Borrower to acquire, construct, equip and operate the Project. In consideration of the issuance of the Notes by the Authority, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which the Project can be put on the terms and conditions set forth herein.

Section 9. Reliance. The Authority and the Borrower hereby recognize and agree that the representations, warranties, covenants and agreements set forth herein may be relied upon by all persons, including but not limited to the Fiscal Agent, interested in the legality and validity of the Notes, and in the exclusion from gross income for federal income tax purposes of interest on the Notes and the exemption from California personal income taxation of the interest on the Notes. In performing its duties and obligations hereunder, the Authority and the Fiscal Agent may rely upon statements and certificates of the Borrower, the Low Income Tenants and Very Low Income Tenants, and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the Authority and the Fiscal Agent may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Authority, Funding Lender and Fiscal Agent under this Regulatory Agreement in good faith and in conformity with such opinion; provided, however, if there are conflicting opinions among the counsel selected by such parties, the opinion of Tax Counsel shall govern the interpretation and enforcement of this Regulatory Agreement.

Section 10. Sale or Transfer of the Project; Syndication. The Borrower intends to hold the Project for its own account, has no current plans to sell, transfer or otherwise dispose of the Project, and hereby covenants and agrees not to sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder) including equity interests in the Borrower aggregating more than 50% of the equity interest in the Borrower, or any general partner interests in the Borrower, without obtaining the prior written consent of the Authority (except as provided in the next succeeding paragraph) and receipt by the Authority (except as provided in the next succeeding paragraph) of (i) such certifications as deemed necessary by the Authority to establish that the Borrower shall not be in default under this Regulatory Agreement or under the Borrower Loan Agreement or, if any such defaults exist, the purchaser or assignee undertakes to cure such defaults to the satisfaction of the Authority, (ii) a written instrument by which the Borrower’s purchaser or transferee has assumed in writing and in full the Borrower’s duties and obligations under this Regulatory Agreement, (iii) an opinion of counsel for the transferee that the transferee has duly assumed the obligations of the Borrower under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iv) documentation from the transferee reflecting the transferee’s experience or, should the transferee choose to have a property manager run the Project, a property manager’s experience with owning and/or operating multifamily housing projects such as the Project and with use and occupancy restrictions similar to those contained in this Regulatory Agreement, which experience shall be for a period of not less than 3 years, (v) evidence of satisfaction of compliance with the provisions of Section 27(d)(i) related to notice to CDLAC of transfer of the Project and (vi) an opinion of Tax Counsel addressed to the Authority to the effect
that such transfer will not cause interest on the Notes to become includable in the gross income of the recipients thereof for federal income tax purposes.

No transfer of the Project shall operate to release the Borrower from its obligations under this Regulatory Agreement with respect to any action or inaction taken prior to such transfer. Nothing contained in this Section 10 shall affect any provision of the Borrower Loan Documents to which the Borrower is a party that requires the Borrower to obtain the consent of the Funding Lender as a precondition to sale, transfer or other disposition of, or any direct or indirect interest in, the Project or of any direct or indirect interest in the Borrower or that gives the Funding Lender the right to accelerate the maturity of the Borrower Loan under the Borrower Loan Agreement, or to take some other similar action with respect to the Borrower Loan, upon the sale, transfer or other disposition of the Project. Notwithstanding anything contained in this Section 10 to the contrary, neither the consent of the Authority nor the delivery of items (i) through (vi) of the preceding paragraph shall be required in the case of a foreclosure or deed in lieu of foreclosure (including, without limitation, a foreclosure or transfer of title by deed in lieu thereof pursuant to the Security) or comparable conversion of the Borrower Loan made pursuant to the Borrower Loan Agreement and other Borrower Loan Documents, whereby the Funding Lender or any of its designees, or a third-party purchaser from the Funding Lender or any of its designees becomes the owner of the Project, and nothing contained in this Section 10 shall otherwise affect the right of the Funding Lender or any of its designees, or any such third-party purchaser, to foreclose on the Project or to accept a deed in lieu of foreclosure or to effect a comparable conversion of the Borrower Loan made pursuant to the Borrower Loan Agreement. Consent of the Authority and delivery of items (i) through (vi) (or, if the Notes are no longer outstanding, (i) through (v)) of the preceding paragraph shall be required for any future transfer of the Project to be made subsequent to any transfer described in the preceding sentence.

It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 10 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Not less than 30 days prior to consummating any sale, transfer or disposition of any interest in the Project, the Borrower shall deliver to the Authority, Funding Lender and Fiscal Agent a notice in writing explaining the nature of the proposed transfer.

Notwithstanding the above, the following transfers will be permitted without the consent of the Authority: (a) a transfer of the limited partner interests in the Borrower of the Tax Credit Investor to an entity controlled directly or indirectly by either an affiliate of the Tax Credit Investor or Raymond James Tax Credit Funds, Inc. and (b) the removal of a general partner in the Borrower by the Tax Credit Investor for cause in accordance with the terms of the Partnership Agreement and the replacement of such removed general partner with an entity controlled directly or indirectly by either an affiliate of the Tax Credit Investor or Raymond James Tax Credit Funds, Inc. as an interim general partner so long as the ultimate replacement general partner is approved by the Authority in its reasonable discretion.

**Section 11. Term.** Except as provided in Section 3(j) and Section 7 above, which provisions shall continue beyond the Qualified Project Period, and, except as provided in the second paragraph of this Section 11, this Regulatory Agreement and all and several of the terms hereof shall become effective upon its execution and delivery and shall remain in full force and
effect during the Qualified Project Period, or for such longer period as is provided in Sections 3(j) and 7 above, and in the CDLAC Resolution referred to in Section 27 below, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Notes and expiration of the Funding Loan Agreement, Borrower Loan Agreement and Borrower Loan. Notwithstanding any other provisions of this Regulatory Agreement to the contrary, this entire Regulatory Agreement, or any of the provisions or sections hereof, may be terminated prior to the expiration of the Qualified Project Period upon agreement by the Authority, Funding Lender (if any Notes are outstanding) and Borrower only if there shall have been received by the Authority and the Funding Lender an opinion of Tax Counsel that such termination will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Notes or the exemption from State personal income taxation of the interest on the Notes and the Taxable Note.

The terms of this Regulatory Agreement to the contrary notwithstanding (except as to the provisions of Section 7), this Regulatory Agreement, and each and all of the terms hereof, shall automatically terminate and be of no further force or effect in the event of an involuntary noncompliance by the Borrower with the provisions of this Regulatory Agreement caused by (i) fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date that prevents the Authority or the Fiscal Agent from enforcing the provisions of this Regulatory Agreement, or (ii) foreclosure on the Project or delivery of a deed in lieu of foreclosure (including, without limitation, a foreclosure or transfer of title by deed in lieu thereof pursuant to the Security) or condemnation or a similar event, but only if within a reasonable period thereafter the Notes are redeemed or retired or amounts received as a consequence of such event are used to provide a project that meets the requirements of the Code set forth in this Regulatory Agreement; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure on the Project or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any Affiliate obtains an ownership interest in the Project for federal income tax purposes. Assuming that the Notes are redeemed as described in the preceding sentence and otherwise notwithstanding the foregoing, in the event that a senior lender holding a first priority deed of trust encumbering the Project elects to foreclose, or accept a deed in lieu of foreclosure, after the occurrence of a default under its loan that is secured by a first priority deed of trust, such senior lender shall have the option to either (a) require that the Authority terminate this Regulatory Agreement, or (b) enter into an agreement with the Authority that this Regulatory Agreement will remain on the title to the Project and the senior lender or its affiliated entity will comply with the provisions of this Regulatory Agreement, except that the senior lender or its affiliated entity will be permitted to increase the rents applicable to all the dwelling units in the Project to a level that is the lower of market or those rents that may be charged to lower income households, as defined in Section 50079.5 of the California Health and Safety Code. Notwithstanding any other provision of this Regulatory Agreement, this Regulatory Agreement may be terminated upon agreement by the Authority and the Borrower, with the consent of CDLAC, upon receipt by the Authority of an opinion of Tax Counsel (with a copy to the Funding Lender) to the effect that such termination will not adversely affect the exclusion from gross income of interest on the Notes for federal income tax purposes. Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms. Borrower agrees that the reasonable fees and
costs of the Authority, Funding Lender and Fiscal Agent and their respective legal counsel in connection with the termination of this Regulatory Agreement shall be paid by the Borrower.

Section 12. Covenants To Run With the Land. The Borrower hereby subjects its leasehold interest in the Project (including the Project Site) to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The Authority and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower’s successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

Section 13. Burden and Benefit. The Authority and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Borrower’s legal interest in the Project is rendered less valuable thereby. The Authority and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants and Very Low Income Tenants and by furthering the public purposes for which the Notes were issued.

Section 14. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Project Site.

Section 15. Enforcement. If the Borrower defaults in the performance or observance of any of its covenants, agreements or obligations set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given (a) by the Authority to the Borrower, Funding Lender, the Fiscal Agent and Tax Credit Investor or (b) by the Funding Lender to the Authority, the Fiscal Agent, Tax Credit Investor and Borrower (provided, however, that the Authority may at its sole option extend such period if the Borrower provides the Authority and Funding Lender with an opinion of Tax Counsel to the effect that such extension will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Notes (if outstanding)), then the Authority or the Fiscal Agent may declare an “Event of Default” to have occurred hereunder and shall provide written notice thereof to the Borrower and Funding Lender, as applicable, and, at the Authority’s option, may take any one or more of the following steps:

(i) by mandamus or other suit, action or proceeding at law or in equity, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the Authority or the Fiscal Agent hereunder;

(ii) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project; or
take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

The Borrower hereby agrees that specific enforcement of the Borrower’s agreements contained herein is the only means by which the Authority may fully obtain the benefits of such agreements made by the Borrower herein, and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Borrower.

The Tax Credit Investor shall have the right, but not the obligation, to cure any default hereunder and the parties agree to accept such performance as if it were undertaken by the Borrower itself.

The Funding Lender shall have the right, in accordance with this Section 15 and subject to the applicable provisions of the Funding Loan Agreement, to exercise any or all of the rights or remedies of the Authority or Fiscal Agent hereunder; provided that prior to taking any such act, the Funding Lender shall give the Authority and the Fiscal Agent written notice of its intended action. All fees, costs and expenses of the Funding Lender (including, without limitation, reasonable attorneys’ fees and expenses) incurred in taking any action pursuant to this Section 15 shall be the sole responsibility of the Borrower.

Notwithstanding anything contained in this Regulatory Agreement, the Funding Loan Agreement or the Borrower Loan Agreement to the contrary, the occurrence of an Event of Default shall not be deemed, under any circumstances whatsoever, to be a default under the Borrower Loan Documents except as may be otherwise specified, as applicable, in the Borrower Loan Documents.

The Authority or Fiscal Agent may not, upon the occurrence of an Event of Default, seek, in any manner, to foreclose on the Project, to cause the Funding Lender to redeem the Notes, or to declare the principal of the Notes and the interest accrued on the Notes to be immediately due and payable or to cause the Funding Lender to take any action under any of Borrower Loan Documents or any other documents if such action would or could have the effect of achieving any one or more of the actions, events or results described above. The occurrence of an Event of Default shall not impair, defeat or render invalid the lien of the Security.

The rights of the Funding Lender under this Section are in addition to all rights conferred upon the Funding Lender under the Funding Loan Agreement and other Funding Loan Documents, and in no way limit those rights.

Section 16. Recording and Filing. The Borrower shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the Authority and Funding Lender may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

Section 17. Payment of Fees. The Borrower shall pay to the Authority the issuance and annual ongoing Authority Fee on the dates and in the amounts set forth in the definition thereof. Notwithstanding any prepayment of the Borrower Loan or any discharge of the Funding Loan Agreement, except as set forth in the following paragraph, throughout the term of this Regulatory Agreement, the Borrower shall continue to pay to the Authority the Authority Fee, and, following
the occurrence of an Event of Default, to the Authority and Funding Lender reasonable compensation for any services rendered by any of them hereunder and reimbursement for all expenses reasonably incurred by any of them as a result of such Event of Default. The Authority Fee referenced in this section shall in no way limit amounts payable by the Borrower under Section 7 hereof, or arising after an Event of Default in connection with the Authority’s or Funding Lender’s enforcement of the provisions of this Regulatory Agreement.

In the event that the Notes are prepaid in part or in full prior to the end of the term of this Regulatory Agreement, the Authority Fee shall be paid by the Borrower at the time of the prepayment of the Notes and shall be a lump sum amount equal to the present value (based on a discount rate equal to the yield on a U.S. treasury security maturing nearest the end date of the Qualified Project Period, as determined by the Authority at the time of prepayment) of the Authority Fee, calculated based on the amount of the Notes outstanding immediately preceding such prepayment, for the number of years remaining in the Qualified Project Period under this Regulatory Agreement.

The Borrower shall also pay the Authority a processing fee equal to the greater of $5,000 or 0.125% of the permanent principal amount of the Notes (as amortized, if applicable), plus all related expenses, for any consent, approval, transfer, amendment, or waiver requested of the Authority.

During any period that the Funding Lender or any of its respective agents owns the Project, it shall be responsible to make payments under this Section 17 accruing during such period. The Funding Lender shall not be liable for the payment of any compensation or any fees, costs, expenses or penalties otherwise payable for any period of time that it was not or is not the owner of the Project.

Section 18. Governing Law. This Regulatory Agreement shall be governed by the internal laws of the State of California, without resort to conflicts of laws principles.

Section 19. Amendments. This Regulatory Agreement shall be amended (i) except as provided in Section 6(a), only with the prior written consent of the Funding Lender and (ii) by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County of Los Angeles. The parties hereto acknowledge that for so long as the Notes are outstanding, the Funding Lender is a third-party beneficiary to this Regulatory Agreement. Any amendment to this Regulatory Agreement shall be accompanied by an opinion of Tax Counsel to the effect that such amendment will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Notes.

Section 20. Notice. All notices, certificates or other communications shall be sufficiently given and shall be deemed given on the date personally delivered or on the third business day following the date on which the same have been mailed by certified mail, return receipt requested, postage prepaid and addressed as follows:

Any of the foregoing parties may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates, documents or other communications shall be sent. Copies of notices sent by any party hereto shall be sent concurrently to the Fiscal Agent.

Section 21. Severability. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 22. Multiple Counterparts. This Regulatory Agreement may be executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 23. Compliance by Borrower. The Fiscal Agent shall not be responsible for monitoring or verifying compliance by the Borrower with its obligations under this Regulatory Agreement. The Borrower acknowledges and agrees to all provisions of the Funding Loan Agreement applicable to it.

Section 24. General Obligation of Borrower; Limitations on Recourse to Borrower. Except as provided in Section 7 of this Regulatory Agreement, no subsequent owner of the Project shall be liable or obligated to pay damages for the breach or default of any obligation of or covenant by any prior owner (including the Borrower) under this Regulatory Agreement. Such obligations are the obligations of the person who was the owner at the time the default or breach was alleged to have occurred, and such owner shall remain liable for any and all damages occasioned thereby even after such person ceases to be the owner of the Project, and no person seeking such damages shall have recourse against the Project.

Section 25. Third-party Beneficiaries. The parties to this Regulatory Agreement recognize and agree that the terms of this Regulatory Agreement and the enforcement of those terms are essential to the security of the owners of the Notes and are entered into for their benefit. The Funding Lender, on behalf of the owners of the Notes, shall have contractual rights in this Regulatory Agreement and shall be entitled (but not obligated) to enforce, separately or jointly with the Authority, or to cause the Authority to enforce, the terms of this Regulatory Agreement. The Funding Lender is intended to be and shall be a third-party beneficiary of this Regulatory Agreement, and the Funding Lender shall have the right (but not the obligation) to enforce the terms of this Regulatory Agreement insofar as this Regulatory Agreement sets forth obligations of the Borrower.

CDLAC is also intended to be and shall be a third-party beneficiary of this Regulatory Agreement to the limited extent that it shall be entitled to enforce, in accordance with Section 15 hereof, the terms of the CDLAC Resolution.
Section 26. Damage, Destruction or Condemnation of the Project. In the event that the Project is damaged or destroyed or title to the property, or any part thereof, is taken through the exercise or the threat of the exercise of the power of eminent domain, the Borrower shall comply with all applicable requirements of the other Borrower Loan Documents.

Section 27. CDLAC Requirements. In addition to other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 4 and 5 hereof, the Borrower hereby agrees to comply with each of the requirements of CDLAC set forth in this Section 27, as follows:

(a) The Borrower shall comply with the CDLAC Resolution, which is attached hereto as Appendix D, and the CDLAC Conditions set forth in Exhibit A thereto (collectively, the “CDLAC Conditions”), which conditions are incorporated herein by reference and made a part hereof. The Borrower will prepare and submit to the Authority:

(i) not later than February 1 of each year, until the Project is completed, and on February 1 every three years thereafter (such that the next succeeding year shall be the beginning of each such three-year period) until the end of the Qualified Project Period, a Certification of Compliance II for Qualified Residential Rental Projects, in substantially the form attached hereto as Appendix E or otherwise required or provided by CDLAC from time to time after the date hereof (“CDLAC Compliance Certificate”), executed by an authorized representative of the Borrower; such CDLAC Compliance Certificate shall be prepared pursuant to the terms of the CDLAC Conditions;

(ii) a Certificate of Completion, in substantially the form attached hereto as Appendix F or otherwise required or provided by CDLAC from time to time after the date hereof, executed by an authorized representative of the Borrower certifying among other things to the substantial completion of the Project; and

(iii) not later than February 1 of every third year following the submission of the Certificate of Completion, until the later of the end of the Qualified Project Period or the period described in paragraph (c), below, a project status report, as required or provided by the California Tax Credit Allocation Committee or equivalent documentation required or otherwise provided by CDLAC from time to time after the date hereof, executed by an authorized representative of the Borrower.

Compliance with the terms of the CDLAC Conditions not contained within this Regulatory Agreement, but referred to in the CDLAC Conditions, are the responsibility of the Borrower to report to the Authority.

(b) The Borrower acknowledges that the Authority shall monitor the Borrower’s compliance with the terms of the CDLAC Conditions. The Borrower acknowledges that the Authority will prepare and submit to CDLAC, not later than March 1 of each year, until the Project is completed, and on March 1 every three years thereafter (such that the next succeeding year shall be the beginning of each such three-year period)
until the end of the Qualified Project Period, a Self-Certification Certificate in the form provided by CDLAC. The Borrower will cooperate fully with the Authority in connection with such monitoring and reporting requirements.

(c) Except as otherwise provided in Section 11 of this Regulatory Agreement, this Regulatory Agreement shall terminate on the date 55 years after the date on which at least 50% of the units in the Project are first occupied or otherwise after the commencement of the Qualified Project Period.

(d) The Borrower shall notify CDLAC in writing of: (i) any change in ownership of the Project; (ii) any change in the issuer of the Notes; (iii) any change in the name of the Project or the property manager; (iv) any default under the Funding Loan Agreement, the Borrower Loan Agreement or this Regulatory Agreement, including, but not limited to, such defaults associated with the Tax-Exempt status of the Notes, and the income and rental requirements as provided in Sections 4 and 5 hereof and the CDLAC Conditions; or (v) termination of this Regulatory Agreement.

(e) CDLAC shall have the right, but not the obligation, to deliver revised CDLAC Conditions to the Borrower after the Closing Date, at any time, that are not more restrictive than the original CDLAC Conditions; provided however, that: (i) any changes in the terms and conditions of the CDLAC Conditions prior to the recordation against the Project in the real property records of the County of Los Angeles of a regulatory agreement between Borrower and the California Tax Credit Allocation Committee (“TCAC Regulatory Agreement”) shall be limited to such changes as are necessary to correct any factual errors or to otherwise conform the CDLAC Conditions to any change in facts or circumstances applicable to the Borrower or the Project; and (ii) after recordation of the TCAC Regulatory Agreement, any changes in the terms and conditions of the CDLAC Conditions shall be limited to such changes as are necessary to conform Items 1, 6, 7, 10, 11, 12, 14, 15, 16, 18, 19, 20, 21, 22, 23, 24, 25, 26 and/or 37 of Exhibit A to the CDLAC Conditions to any change in terms and conditions requested by Borrower and approved by CDLAC. The Authority may, in its sole and absolute discretion, require the Borrower to enter into an amendment to this Regulatory Agreement reflecting the revised CDLAC Conditions, which amendment shall be executed by the parties hereto or their successor in title and duly recorded in the official real estate records of the County of Los Angeles. The Borrower shall pay any costs and expenses in connection therewith and provide CDLAC with a copy of that recorded amendment reflecting the revised CDLAC Conditions.

Any of the foregoing requirements of the CDLAC Conditions contained in this Section 27 may be expressly waived by CDLAC, in its sole discretion, in writing, but (i) no waiver by CDLAC of any requirement of this Section 27 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the Authority has received an opinion of Tax Counsel that any such provision is not required by the Act and may be waived without adversely affecting the exclusion from gross income of interest on the Notes for federal income tax purposes; and (ii) any requirement of this Section 27 shall be void and of no force and effect if the Authority and the Borrower receive a written opinion of Tax Counsel to the effect that compliance with any such requirement would cause interest on the Notes to cease to be Tax-Exempt or to
the effect that compliance with such requirement would be in conflict with the Act or any other state or federal law.

**Section 28. Annual Reporting Covenant.** No later than January 31 of each calendar year (commencing January 31, 2022), the Borrower, on behalf of the Authority, agrees to provide to the California Debt and Investment Advisory Commission, by any method approved by the California Debt and Investment Advisory Commission, with a copy to the Authority, the annual report information required by Section 8855(k)(1) of the California Government Code. This covenant shall remain in effect until the later of the date (i) the Notes are no longer Outstanding or (ii) the proceeds of the Notes have been fully spent.

**Section 29. The Fiscal Agent.** The Fiscal Agent shall act as specifically provided herein and in the Funding Loan Agreement and may exercise such additional powers as are reasonably incidental hereto and thereto. The Fiscal Agent shall have no duty to act with respect to enforcement of the Borrower’s performance hereunder as described in Section 15 unless it shall have actual knowledge of any such default as provided in Section 15 and the Fiscal Agent has received written direction from the Funding Lender and has been indemnified to its satisfaction. The Fiscal Agent may act as the agent of and on behalf of the Authority, and any act required to be performed by the Authority as herein provided shall be deemed taken if such act is performed by the Fiscal Agent. In connection with any such performance, the Fiscal Agent is acting solely as Fiscal Agent under the Funding Loan Agreement and not in its individual capacity, and, except as expressly provided herein, all provisions of the Funding Loan Agreement relating to the rights, privileges, powers, indemnities and protections of the Fiscal Agent shall apply with equal force and effect to all actions taken (or omitted to be taken) by the Fiscal Agent in connection with this Regulatory Agreement. Neither the Fiscal Agent nor any of its officers, directors or employees shall be liable for any action taken or omitted to be taken by it or them hereunder or in connection herewith except for its or their own gross negligence or willful misconduct.

No provision of this Regulatory Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

The Authority shall be responsible for the monitoring of the Borrower’s compliance with the terms of this Regulatory Agreement. The Fiscal Agent shall not be responsible for such monitoring.

After the date on which no Notes remains Outstanding, as provided in the Funding Loan Agreement, the Fiscal Agent shall no longer have any duties or responsibilities under this Regulatory Agreement and all references to the Fiscal Agent in this Regulatory Agreement shall be deemed references to the Authority.

**Section 30. Americans with Disabilities Act.** The Borrower and the Fiscal Agent each hereby certifies that it and any contractor and subcontractor will comply with the Accessibility Laws (as defined in Appendix G). The Borrower and any contractor and subcontractor will provide reasonable accommodations to allow qualified individuals with disabilities to have access
to and to participate in its programs, services, and activities in accordance with the applicable provisions of the ADA, the ADAAG, Section 504, the UFAS, the FHA (each as defined in Appendix G) and all subsequent amendments. The Borrower, the Fiscal Agent and each and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship to or association with a person with a disability. Any contract and subcontract entered into by the Borrower or the Fiscal Agent, relating to this Regulatory Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph. The Borrower hereby agrees to observe all of the covenants contained in Appendix G to this Regulatory Agreement as if contained herein.

Income Computation

6. The total anticipated income, calculated in accordance with this paragraph 6, of all persons (except children under 18 years) listed above for the 12-month period beginning the earlier of the date that I/we plan to move into a unit or sign a lease for a unit is $__________.

Included in the total anticipated income listed above are:

(a) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;

(b) The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;
(c) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (6)(b) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of $5000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by the Department of Housing and Urban Development;

(d) The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount except deferred periodic amounts from supplemental security income and social security benefits that are received in a lump sum amount or in prospective monthly amounts;

(e) Payments in lieu of earnings, such as unemployment and disability compensation, worker’s compensation and severance pay except lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker’s compensation), capital gains and settlement for personal or property losses (excluding payments in lieu of earnings, such as unemployment and disability compensation, worker’s compensation and severance pay);

(f) Welfare assistance. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of:

1. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
2. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family’s welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage;

(g) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling;

(h) All regular pay, special pay and allowances of a member of the Armed Forces except the special pay to a family member serving in the Armed Forces who is exposed to hostile fire.

Excluded from such anticipated income are:

(a) Income from employment of children (including foster children) under the age of 18 years;

(b) Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);

(c) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker’s compensation), capital
gains and settlement for personal or property losses except payments in lieu of earnings, such as unemployment and disability compensation, worker’s compensation and severance pay;

(d) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;

(e) Income of a live-in aide, as defined by 24 CFR §5.403;

(f) The full amount of student financial assistance paid directly to the student or to the educational institution;

(g) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;

(h) (1) Amounts received under training programs funded by the Department of Housing and Urban Development;

(2) Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);

(3) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;

(4) Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed $200 per month) received by a resident for performing a service for the Public Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination. No resident may receive more than one such stipend during the same period of time;

(5) Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program;

(i) Temporary, nonrecurring or sporadic income (including gifts);

(j) Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

(k) Earnings in excess of $480 for each full-time student 18 years old or older (excluding the head of household and spouse);

(l) Adoption assistance payments in excess of $480 per adopted child;

(m) Deferred periodic amounts from supplemental security income and social security benefits that are received in a lump sum amount or in prospective monthly amounts.
(n) Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;

(o) Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or

(p) Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 CFR §5.609(c) apply.

7. Do the persons whose income or contributions are included in item 6 above

(a) have savings, stocks, bonds, equity in real property or other form of capital investment (excluding the values of necessary items of personal property such as furniture and automobiles and interests in Indian trust land)?
   _____ Yes   _____ No

(b) have they disposed of any assets (other than at a foreclosure or bankruptcy sale) during the last two years at less than fair market value?

e. The Accessible Units shall be prioritized for persons with disabilities who have a disability-related need for the accessibility features of the Accessible Unit. Required Accessible Units shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout projects and sites, and shall be available in a sufficient range of sizes and amenities so that a qualified individual with a disability has a choice of living arrangements that is, as a whole, comparable to that of other persons eligible for housing assistance under the same program.

i. The Accessible Units shall be affordable for households pursuant to the terms the Financing Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications.

j. Following reasonable notice to the Borrower, Borrower shall allow HACLA to conduct periodic on-site inspections of the Housing Development in order to verify compliance with the Accessibility Standards.

k. The Housing Development as a whole and all Housing Units shall meet the requirements of the Accessibility Standards as defined in Section 1, above, and any requirements of HACLA, provided such requirements minimally meet and do not diminish the requirements of the Accessibility Standards.

Section 3. Occupancy of Accessible Housing Units. The Borrower shall follow the requirements of Section 504 and its implementing regulations at 24 C.F.R. Part 8, to assure that information regarding the availability of Accessible Units reaches eligible individuals with disabilities. The Borrower will take reasonable, nondiscriminatory steps to maximize the utilization of such units by eligible individuals who require the accessibility features of the particular unit. To this end, the Borrower will take the following steps when an Accessible Unit becomes vacant:

a. First, the Borrower will offer the Accessible Unit to a current occupant of the Housing Development who needs the features of an Accessible Unit;

b. Second, the Borrower will offer the Accessible Unit to a current occupant of a Housing Development under common control who needs the features of an Accessible Unit;

c. Third, the Borrower will offer the Accessible Unit to an eligible, qualified applicant on the site based or Section 8 waiting list (whichever is incorporated into the Development management plan) for Accessible Housing Units who needs the features of an Accessible Unit;

d. If there are no eligible current tenants or applicants in need of accessible features, then the Borrower must conduct targeted outreach and marketing to advertise the unit to qualified individuals who need the accessible features, distributing the information about the accessible vacancy in accord with the Borrower’s HACLA approved Development management plan, distributing it to organizations that serve people with disabilities. All such communications shall take appropriate steps to ensure effective communication with individuals with disabilities by utilizing appropriate auxiliary aids and services, such as the use of accessible websites and emails. Outreach efforts to the disability community shall include, but not be limited to, notices and other communications describing the availability of such Accessible Units, specific information regarding the features of Accessible Units, eligibility criteria, and application procedures. In the event more than one household has requested an Accessible Unit, the Borrower shall offer the Accessible Unit to households in order on the appropriate waiting list within each category, including household size, income and other relevant parameters.

For individuals who are required to vacate an Accessible Unit because it is needed by an individual with a disability, the Borrower will pay the costs of the transfer to a comparable conventional unit, including new utility deposit(s), if required, and reasonable moving expenses.

Section 4. Rental Policies. The Borrower shall meet the requirements of Section 504, the ADA, the FHA, FEHA, and other federal and state laws and regulations as applicable. Rental applications will include a section to be filled out by applicants to identify whether they are...
requesting an Accessible Unit or a Reasonable Accommodation. Applicants will not be required to disclose a disability under any circumstances, and the Borrower shall seek information to be disclosed limited to only what is necessary to establish the disability-related need for the requested accommodation. If both the disability and disability-related need for the requested accommodation are obvious or already known, no additional information may be sought by the Borrower. Applicants and residents may request a Reasonable Accommodation at any time.

Section 5. Residential Rental Property. The Borrower hereby represents, covenants, warrants and agrees as follows:

All of the Housing Units in the Housing Development will be similarly constructed units, and each income restricted unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities, equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Units shall also comply with these requirements. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.

Section 6. Monitoring Requirements. HACLA will monitor the initial production and ongoing occupancy of the Accessible Units and the Housing Development to ensure full compliance with the Accessibility Standards. HACLA shall inspect the construction and/or rehabilitation to verify that the legally required number of Accessible Units have been produced and that the necessary and required design elements have been constructed to make the Housing Units and site accessible for individuals with disabilities; or, in cases where another government agency has completed an inspection, HACLA may, at its discretion, obtain and rely on the inspection report produced by the other agency.

Section 7. Maintenance of Records. With respect to the Covenants, the Borrower agrees to keep and maintain books, accounts, reports, files, records, and other documents pursuant to the terms of the Financing Documents, Regulatory Agreement and the Covenants, including any and all amendments, revisions, or modifications.

Section 8. Notices, Demands, Payments and Communication. Formal notices, demands, payments and communications between HACLA and the Borrower shall be sufficiently given and shall not be given unless dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally pursuant to the Notice provisions in the Funding Loan Agreement.

Section 9. Term of the Covenants. The Covenants shall be recorded with the Regulatory Agreement upon its execution and shall terminate in accordance with the most restrictive provisions of the Financing Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement, redemption or defeasance of any Notes issued by HACLA on behalf of the Borrower.
Section 10. Covenant to Run with the Land. The Borrower hereby subjects the Project to the covenants, reservations, and restrictions set forth in the Covenants. HACLA and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower’s successors in title to the Project. Each and every contract, deed, or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations, and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. In particular, this Covenant is subject to the requirements of HUD’s Section 504 regulation at 24 C.F.R. § 8.50(c).

Section 11. Default; Enforcement. As part of ensuring compliance with the Accessibility Covenants and the Accessibility Standards, HACLA or its agent, will conduct periodic on-site visits inspecting the Housing Development, which inspections may include inspecting the Housing Units and common areas, tenant files, logs and other records. Should the Borrower fail to comply, HACLA will first issue an Order to Comply (“Order”) stating the element of the Housing Development that is out of compliance, and providing a date by which the Borrower must comply. The Order shall give the Borrower not more than 30 days to correct the violation, or such additional time as HACLA may grant if the Borrower is taking steps to correct the violation (“Compliance Date”), and diligently pursues such action until the default is corrected, which extension is in the HACLA’s sole discretion. HACLA shall re-inspect the Housing Development within 10 days of the Compliance Date specified in the Order or any extension, however failure to inspect or re-inspect within the time frame does not remove the obligation of the Borrower to comply with the Order.

If the Order is issued and the violation continues to exist after the Compliance Date, then HACLA shall declare an “Event of Default” and may take any one or more of the following steps:

a. Inspection Fee for Non-Compliance. In the event the Borrower fails to comply with the Order within the Compliance Date, the Borrower shall be liable for subsequent inspection fees in the amount approved by City Council until compliance has been achieved. Failure to pay the assessed inspection fee within 30 days of the date of invoice, will result in a late charge equal to or two times the fees and a collection fee equal to 50 percent of the original fee shall be imposed if any fee imposed is not paid within 30 days of service of notice of the imposition of the fee.

b. By mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of HACLA hereunder;

c. Filing of a complaint or referral to HUD or other appropriate agencies for further enforcement actions;

d. Have access to and inspect, examine and make copies of all or a portion of the books and records of the Borrower pertaining to the Project, in order to
ensure compliance with all provisions of the Covenants, including records relating to the accessibility of the Accessible Units; and

e. Take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

Section 12. Compliance with Accessibility Requirements. The Borrower hereby certifies that it and its property manager and any agent, contractor and subcontractor will comply with the Accessibility Standards as defined, and the policies described in Sections 2-5. The Borrower and any contractor and subcontractor will provide Reasonable Accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with each of the applicable and stricter of the requirements of the ADA, the 2010 ADA Standards for Accessible Design, the ADAAG, Section 504, UFAS, the FHA, the Fair Housing Act Design and Construction Requirements, federal regulations implementing the ADA, Section 504, and the FHA, California Government Code 11135 et seq., the California Building Code Chapters 11A and 11B, and all subsequent amendments to those laws. The Borrower and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship or association with a person with a disability. Any contract and subcontract entered into by the Borrower, relating to the Covenants and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph.

Section 14. Parties Bound. The provisions of the Covenants shall be binding upon and inure to the benefit of HACLA and the Borrower and their respective successors and assigns.

Section 15. Severability. Every provision of the Covenants is intended to be severable. If any provision of the Covenants shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

Section 16. Waiver. Any waiver by HACLA of any obligation in the Covenants shall be in writing; however, HACLA cannot waive the requirement to comply with federal and State law. No waiver will be implied from any delay or failure by HACLA to take action on any breach or default of the Borrower or to pursue any remedy allowed under the Covenants or applicable law. Any extension of time granted to the Borrower to perform any obligation under the Covenants shall not operate as a waiver or release from any of its obligations under the Covenants. Consent by HACLA to any act or omission by the Borrower shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for HACLA’s written consent to future waivers.

Section 17. Modifications. There shall be no amendment or modification of the Covenants without the prior written approval of HACLA. Any amendment or modification of the Covenants shall be by a written instrument executed by HACLA and the parties to the Covenants and the Regulatory Agreement or their successors in title, and duly recorded in the real property
records of the County of Los Angeles, California. Modifications or amendments to the Covenants may occur by operation of law or other agreements binding HACLA and the parties to the Covenants and the Regulatory Agreement.

**Section 18. Conflicts.** If the provisions of the Covenants are inconsistent with the provisions of the Regulatory Agreement, the Financing Documents, or any other documents which affect the Project, the more restrictive covenants or restrictions shall control.

**Section 19. Recording and Filing.** The Borrower shall cause the Covenants to be recorded and filed in the real property records of the County of Los Angeles and in such other places as HACLA may reasonably request. However, failure to record the Covenants by the Borrower shall not relieve Borrower of any of the obligations specified herein.
PURCHASE OPTION AGREEMENT

Rose Hill Courts Phase I

This Purchase Option Agreement (this “Agreement”) is made and entered into as of __________, 2021 among Rose Hill Courts I Housing Partners, L.P., a California limited partnership (the “Partnership”), Related/Rose Hill Courts Development Co., LLC, a California limited liability company (the “Administrative General Partner”), LOMOD RHC I, LLC, a California limited liability company (the “Managing General Partner”), and the Housing Authority of the City of Los Angeles, a public body, corporate and politic (the “HACLA” and together with the Administrative General Partner, the “Optionee”) and is consented to hereinafter by Raymond James California Housing Opportunities Fund X L.L.C., a Florida limited liability company (the “Investor Limited Partner”).

RECATALS

A. Concurrently with the execution and delivery of this Agreement, the Administrative General Partner, Managing General Partner and Investor Limited Partner are entering into that certain Amended and Restated Agreement of Limited Partnership (the “Partnership Agreement”) continuing the Partnership by amending and restating a prior partnership agreement.

B. The Project is or will be subject to an extended use agreement (the “Extended Use Agreement”) with the Agency restricting the Project’s use to low-income housing (such use restrictions under the Regulatory Agreement and the Extended Use Agreement being referred to collectively herein as the “Use Restrictions”).

C. The Optionee desires to have the option to acquire the Project or the Partnership Interests on the terms and conditions of this Agreement.
D. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Partnership Agreement.

NOW, THEREFORE, in consideration of the execution and delivery of the Partnership Agreement and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. Grant of Option. The Partnership hereby grants to the Optionee, or its designee, including, without limitation, an option to purchase the Partnership’s interest in the real estate, ground lease, structures, improvements, fixtures, and personal property comprising the Project or associated with the physical operation thereof, located at the Project and owned by the Partnership at the time of purchase, during the Option Period (as defined herein), on the terms and conditions set forth in this Agreement and subject to the conditions precedent to the exercise of the Option specified herein. The Project is legally described in Exhibit A attached hereto and made a part hereof. The rights of Optionee under this Section 1 are hereinafter referred to as the “Option”.

2. Term of Option. The term of this Option shall commence on the first calendar day of the 15th year following the commencement of the ten-year tax credit period for the Project, and shall expire at 11:59 p.m. (Pacific Time) on the eighteenth (18th) year following the commencement of such ten-year tax credit period (the “Option Period”). In the event that different component buildings that comprise the Project have different tax credit periods, the Option Period will be based on the latest of these periods.

3. Purchase Price Under Option. The purchase price for the Project pursuant to the Option (the “Option Price”) shall be the greater of the following amounts, subject to the provision set forth hereinbelow:

   (a) Price Formula. An amount, determined by the Partnership’s Accountants, which is equal to the sum of (1) the outstanding principal, accrued interest, any prepayment penalty and any other amounts due under all mortgage documents relating to the Project, whether or not such amounts are due upon sale, and the total amount of all other indebtedness of the Partnership as of the date of closing; (2) exit taxes of the Investor Limited Partner; and [(3) any amount due to the Investor Limited Partner under the Partnership Agreement (other than any tax credit shortfall, if any, included in the purchase price)]. In computing such price, it shall be assumed that each of the Partners of the Partnership (or their constituent partners or members) has an effective combined federal, state and local income tax rate calculated using the maximum of such rates in effect on the date of closing; or

   (b) Fair Market Value. An amount equal to the sum of one hundred percent (100%) of the fair market value of the Project, appraised in accordance with the procedures described in Section 6 below (the “Appraised Fair Market Value”). If the Optionee desires to acquire the reserves held by Project Lenders or the Partnership in connection with the transfer of the Project, the Option Price under this paragraph (b) shall include the fair market value of such reserves. Fair market value shall be calculated considering the nature of the reserves and any existing restrictions on the use or availability of the reserves.
4. **Conditions Precedent.** Notwithstanding anything in this Agreement to the contrary, the Option granted hereunder to Optionee shall be contingent on the following being true and correct at the time of exercise of the Option and any purchase pursuant thereto: (i) all amounts then owed to the Investor Limited Partner, or its successor limited partner of the Partnership, under the Partnership Agreement and the Guaranty (other than any tax credit shortfall, if any, included in the purchase price) have been, or concurrently with the exercise of the Option will be, paid in full and (ii) all required Authority and Project Lender approvals have been obtained.

If any or all of such conditions precedent have not been satisfied, the Option shall not be exercisable by the Optionee. Upon any of the events terminating the Option under this Section 4 with respect to the Optionee, the Option shall be void and of no further force and effect.

5. **Exercise of Option.**

(a) The Option may be exercised by the Optionee by (a) giving prior written notice of its intent to exercise the Option to the Partnership and each of its Partners in the manner provided in the Partnership Agreement and in compliance with the requirements of this Section 5 (the “Option Exercise Notice”), and (b) complying with the contract and closing requirements of Section 7 hereof. Any such Option Exercise Notice may be given during the period commencing six (6) months prior to commencement of the Option Period and terminating at the end of the Option Period. It shall be a condition precedent to the exercise of the Option at any time prior to the end of the Compliance Period that Optionee shall covenant and agree to maintain the Project as a qualified low-income housing project for the balance of the Compliance Period. The Option may be exercised by Optionee (or an Affiliate of Optionee) during the Option Period.

(b) If either Optionee wishes to exercise the Option it shall send written notice of its intent to the other Optionee no later than three (3) months prior to the expiration of the Option Period, and the other Optionee shall have sixty (60) days from the date of such notice to elect whether or not to participate in the purchase. If the other Optionee does not wish to participate in the purchase, the Optionee sending the notice may exercise the Option and purchase the Project or the Investor Limited Partner’s Interests on its own. If both Optionees wish to participate in the purchase, they will jointly participate in the purchase and any subsequent re-syndication of the Project, on the following terms (i) any developer fee associated with such resyndication will be shared sixty percent (60%) to the Administrative General Partner and forty percent (40%) to HACLA; and (2) any net cash flow or net capital proceeds payable to the General Partners following such re-syndication will be shared seventy percent (70%) to HACLA and thirty percent (30%) to the Administrative General Partner. The Partnership may entertain an offer for the Development from an independent third party (unaffiliated with the Partnership or any of its constituent partners) during this period only if both the Managing General Partner and Administrative General Partner jointly agree to entertain such offer.

6. **Determination of Option Price.** Upon delivery of the Option Exercise Notice, the Partnership and the Optionee shall determine the Option Price utilizing the Appraised Fair Market Value of the Project determined as follows: As soon as practicable following the delivery of the Option Exercise Notice, the Optionee and the Investor Limited Partner shall select a
mutually acceptable independent appraiser familiar with properties similar to the Project in Los Angeles, California ("Independent Appraiser"). If the parties have not selected a mutually acceptable Independent Appraiser by the date fifteen (15) business days after delivery of the Option Exercise Notice, the Investor Limited Partner shall provide the Optionee with a list of at least three (3) but no more than five (5) appraisers approved by Investor Limited Partner for the Los Angeles, California market. Optionee shall respond in writing with its choice of the name of one (1) Independent Appraiser from such list within fifteen (15) business days of receipt of the Optionee's candidates. The selected Independent Appraiser shall determine the Appraised Fair Market Value. The Partnership and the Optionee shall each pay one-half of the fees and expenses of any Independent Appraiser selected pursuant to this Section 6.

7. Contract and Closing. Upon determination of the purchase price, the Partnership and the Optionee, shall enter into a written contract for the purchase and sale of the Project in accordance with the terms of this Agreement and containing such other terms and conditions as are standard and customary for similar commercial transactions in the geographic area which the Project is located, providing for a closing not later than the date specified in the Option Exercise Notice or one hundred eighty (180) calendar days after the Option Price has been determined, whichever is later. In the absence of any such contract, this Agreement shall be specifically enforceable upon the exercise of the Option. The purchase and sale hereunder shall be closed through a deed-and-money escrow with the title insurer for the Project or another mutually acceptable title company, provided, however, that the purchase price may be paid in cash or by assumption of debts of the Partnership, or a combination thereof. Upon closing, the Partnership shall deliver to the Optionee, along with the deed to the property, a CLTA Owner’s Policy dated as of the close of escrow in the amount of the purchase price, subject to the liens, encumbrances and other exceptions then affecting the title. The Optionee shall be responsible for all costs including, but not limited to, transfer taxes, title policy premiums and recording costs.

8. Use Restrictions.

(a) In consideration of the Option granted hereunder at the price specified herein, unless other use restrictions remain on the Project at the closing of the sale, Optionee hereby agrees that the deed granting the Project to Optionee shall contain a covenant running with the land, restricting the use of the Project to low-income housing to the extent required by those Use Restrictions contained in the Regulatory Agreement and the Extended Use Agreement. Such deed covenant shall include a provision requiring Optionee to pay any and all costs, including attorneys’ fees, incurred by the Investor Limited Partner in enforcing or attempting to enforce the Use Restrictions, and to pay any and all damages incurred by the Investor Limited Partner from any delay in or lack of enforceability of the same. All provisions relating to the Use Restrictions contained in such deed and in this Agreement shall be subject and subordinate to any third-party liens encumbering the Property.

(b) In the absence of a deed to Optionee conforming to the requirements of this Agreement, the provisions of this Agreement shall run with the land. In the event that the Option is not exercised, or the sale pursuant thereto is not consummated, then, upon conveyance of the Project to anyone other than Optionee hereunder, the foregoing provisions shall terminate and have no further force or effect.
9. **Alternative Purchase of Partnership Interests.** Notwithstanding the foregoing, the Optionee may, at its election, in lieu of a direct acquisition of the Project pursuant to the Option, acquire the limited partnership Interests (but not less than all of such interests) of any of the Partners which it does not already wholly own for a purchase price equal to one hundred percent (100%) of the fair market value of the Interests of the Partners, as applicable. Upon delivery of the Option Exercise Notice, the Partnership and the Optionee shall determine the Option Price of the limited partnership Interests pursuant to this Section 9 and the appraisal process set forth in Section 6 above.

10. **Applicable Law.** This Agreement shall be construed in accordance with the laws of the State of California.

11. **Notices.** All notices, demands or other communications hereunder shall be in writing and deemed to have been given when the same are (i) deposited in the United States mail and sent by certified or registered mail, postage prepaid, (ii) deposited with Federal Express or similar overnight delivery service, (iii) transmitted by telecopier or other facsimile transmission, answerback requested, or (iv) delivered personally, in each case to the parties at the addresses set forth below or at such other addresses as such parties may designate by notice to the Partnership:

12. Binding Provisions. The covenants and agreements contained herein shall be binding upon, and inure to the benefit of, the heirs, legal representatives, successors and assignees of the respective parties hereto, except in each case as expressly provided to the contrary in this Agreement.

13. Counterparts. This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the
parties have not signed the original or the same counterpart.

14. Amendments. This Agreement may be amended only by a written instrument executed in one or more counterparts by the parties hereto.

15. Time. Time is of the essence with respect to this Agreement, and all provisions relating thereto shall be so construed.

16. Legal Fees. Except as provided otherwise herein, in the event that legal proceedings are commenced by the Partnership against the Optionee, or by the Optionee, against the Partnership in connection with this Agreement or the transactions contemplated hereby, each party shall bear its own attorney’s fees and expenses.

17. Assignment. Optionee may assign its rights under this Agreement to an Affiliate wholly controlled by or under common control with Optionee. Except for the foregoing, Optionee shall not assign its interest in this Agreement without the Investor Limited Partner’s prior written consent.

18. Rights Subordinate; Priority of Requirements of Section 42 of the Code. This Agreement is hereby subordinated in all respects to any regulatory agreements (including, without limitation, the Rental Assistance Demonstration Use Agreement to be recorded on the Project) and to the terms and conditions of the Mortgages securing the Project Loans, including any lien of any deed of trust securing any loans made to the Partnership, with respect to the Project. In addition, it is the intention of the parties that nothing in this Agreement be construed to affect the Partnership’s status as owner of the Project for federal income tax purposes prior to exercise of the Option granted hereunder. Accordingly, notwithstanding anything to the contrary contained herein, both the grant and the exercise of the Option shall be subject in all respects to all applicable provisions of Section 42 of the Code. In the event of a conflict between the provisions contained in this Agreement and Section 42 of the Code, the provisions of Section 42 shall control except for the determination of the purchase price unless Section 42 is amended in a manner that makes it mutually beneficial to amend the purchase price. Each Project Lender and their respective successors and assigns are hereby each made an express third party beneficiary of the foregoing subordination, and this Section 18 shall not be modified without the prior written consent of each Project Lender.

the parties hereto acknowledge, the parties hereby agree as follows:

1. Right of First Refusal. The Owner hereby grants to Optionee a right of first refusal to purchase all right, title and interest held by the Owner in the Project, in accordance with the terms and conditions set forth below. The Project is legally described in Exhibit A attached hereto. The rights of the Optionee under this Section are hereinafter referred to as the “Right of First Refusal”. Owner will not transfer, sell, alienate, assign, give, bequeath, or otherwise dispose of the Project or any portion thereof to any third party without first offering the Project for a period of ninety (90) calendar days to Optionee. It is the intention of the parties that this Right of First Refusal is issued pursuant to Section 42(i)(7) of the Internal Revenue Code of 1986, as amended (“Code”). Accordingly the provisions hereof, including the provisions and procedures of Section 2 hereof should be interpreted to satisfy the minimum requirements of such Section 42(i)(7) as interpreted from time to time by the Internal Revenue Service, except for the Purchase Price provided in Section 3 hereof, including, without limitation the right, if any, of Optionee to exercise the right granted hereby without the necessity of the receipt of an offer to purchase the Project from a third party. If it is reasonably determined by counsel for Owner, Investor Limited Partner and Optionee that a third party offer is not necessary under Section 42(i)(7) of the Code, Optionee shall have the right to exercise the Right of First Refusal by written notice as set forth in Section 2.

2. Exercise of Right of First Refusal.

   (a) In the event that the Owner receives an offer from an independent third party (unaffiliated with the Owner or any of its constituent partners), which the Owner is prepared to accept, to purchase, transfer, sell, alienate, assign, give, bequeath, or otherwise dispose of the Project or any portion thereof at any time during the period beginning on the date that is thirty-six (36) months after the termination of the Compliance Period, and for one (1) year thereafter, the Owner shall provide Optionee, Administrative General Partner, Managing General Partner, and Investor Limited Partner written notice of its receipt of such an offer (the “Offer Notice”). Optionee shall have ninety (90) days from receipt of the Offer Notice to provide written notice to Owner (“ROFR Notice”) stating that Optionee wishes to exercise the Right of First Refusal. If Optionee fails to deliver the ROFR Notice within the applicable ninety (90) day period, or if such ROFR Notice is delivered but Optionee does not consummate the purchase of the Project within one hundred eighty (180) calendar days from the date of delivery of the ROFR Notice, this Right of First Refusal shall terminate. Thereafter, the Owner shall be permitted to sell the Project free of the Right of First Refusal. All costs of the exercise of the Right of First Refusal, including without limitation any filing or recording fees and applicable transfer taxes, shall be paid by Optionee.

   (b) Notwithstanding anything to the contrary contained in this Section 2, the right of Optionee to exercise the Right of First Refusal and consummate any purchase pursuant thereto is contingent on each of the following being true and correct at the time of delivery of the ROFR Notice and the closing of the purchase thereto: (i) the Optionee is an entity described in Section 42(i)(7) of the Code; and (ii) all amounts then owed to the Investor Limited Partner, or its successor limited partner of the Partnership, under the Partnership Agreement and the Guaranty have been, or concurrently with the exercise of the Right of First Refusal (other than any tax
credit shortfall) will be paid in full.

(c) The closing on the sale of the Project shall take place in Los Angeles, California, at the time and place set forth in the Election Notice (the “Closing”).

3. **Purchase Price.** The Project’s purchase price under the Right of First Refusal (the “**Purchase Price**”) shall be the “minimum purchase price” as defined in Section 42(i)(7)(B) of the Code plus (i) the amount of any partner and affiliate entity loans made for the benefit of the Project, (ii) an amount sufficient to distribute to members of the Grantor cash equal to the State, local and Federal taxes projected to be imposed on the members of the Grantor as a result of the sale of the Project pursuant to this Agreement, and (iii) any amounts due to the Investor Limited Partner under the Partnership Agreement.

4. **Payment of Purchase Price.** The Purchase Price shall be paid at Closing in one of the following methods:

   (a) The payment of all cash or immediately available good funds at Closing; or

   (b) The assumption of any assumable Loans if Optionee has obtained the consent of the Lenders to the assumption of such Loans, which consent shall be secured at the sole cost and expense of Optionee. Any Purchase Price balance remaining after the assumption of the Loans shall be paid by Optionee in immediately available funds.

5. **Termination Events.** The Right of First Refusal shall terminate, and if exercised, then any obligation of the Owner to close the sale of the Project shall terminate on the occurrence of any one or more of the following events, and if terminated shall not be reinstated unless such reinstatement is agreed to in a writing signed by Optionee and the Investor Limited Partner:

   (a) the transfer of the Project to a lender in total or partial satisfaction of any loan;

   (b) any transfer or attempted transfer of all or any part of the Right of First Refusal, whether by operation of law or otherwise, except as otherwise permitted under Section 7 of this Agreement;

   (c) the Project ceases to be a “qualified low-income housing project” within the meaning of Section 42 of the Code; or

   (d) the Administrative General Partner and/or Managing General Partner purchase the Project pursuant to that certain Purchase Option Agreement, dated as of substantially even date herewith.

6. **Conveyance and Condition of the Property.** The Owner’s right, title and interest in the Project shall be conveyed by quitclaim deed, subject to such liens, encumbrances and parties in possession as shall exist as of the date of Closing. Optionee shall accept the Project “as is,” without any warranty or representation as to the condition thereof whatsoever, including without limitation, without any warranty as to fitness for a particular purpose, habitability, or otherwise.
and no indemnity for hazardous waste or other conditions with respect to the Project will be provided. It is a condition to Closing that all amounts due the Owner and its Partners from Optionee or its Affiliates be paid in full. Optionee shall pay all closing costs, including, without limitation, the Owner’s reasonable attorney’s fees related to the conveyance of the Project hereunder.

7. **Transfer.** Except for an assignment by Optionee to an entity entitled to exercise the Right of First Refusal pursuant to Section 42(i)(7) of the Code, this Right of First Refusal shall not be transferred or assigned to any Person without the Consent of the Investor Limited Partner. In the case of any such permitted transfer, such transferee shall be disqualified from the exercise of any rights hereunder at all times during which Optionee would have been ineligible to exercise such rights hereunder had it not effected such transfer.

8. **Notice.** All notices, demands or other communications hereunder shall be in writing and deemed to have been given when the same are (i) deposited in the United States mail and sent by certified or registered mail, postage prepaid, (ii) deposited with Federal Express or similar overnight delivery service, (iii) transmitted by telex or other facsimile transmission, answerback requested, or (iv) delivered personally, in each case to the parties at the addresses set forth below or at such other addresses as such parties may designate by notice to the Partnership:

|                                   | Attn: Frank Cardone |
9. **Option to Purchase.** The parties hereto agree that if the Internal Revenue Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant an “option to purchase” pursuant to Section 42(i)(7) of the Code as opposed to a “right of first refusal” without adversely affecting the status of such owner as owner of its project for federal income tax purposes, then the parties shall grant Optionee an option to purchase the Project at the Purchase Price.

10. **Definitions.** Capitalized terms not otherwise defined, shall have the meanings given them in the Partnership Agreement or (if not therein defined), in the Code or Treasury Regulations promulgated thereunder, as such may be published and amended from time to time.

11. **Severability of Provisions.** Each provision of this Agreement shall be considered severable, and if for any reason any provision that is not essential to the effectuation of the basic purposes of the Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement that are valid.

12. **Amendments.** This Agreement shall not be amended except by written agreement
between Optionee and the Owner with the Consent of the Investor Limited Partner.

13. **Governing Law.** This Agreement shall be construed and enforced in accordance with the laws of the State California, without regard to principles of conflicts of law.

14. **Headings.** All headings in this Agreement are for convenience of reference only. Masculine, feminine, or neuter gender, shall include all other genders, the singular shall include the plural, and vice versa as the context may require.

15. **Counterparts.** This Agreement may be executed in several counterparts, each of which shall be deemed to be an original and all of which together shall constitute one agreement binding on all parties hereto, notwithstanding that all parties shall not have signed the same counterpart.

16. **Rights Subordinate; Priority of Requirements of Section 42 of the Code.** This Agreement and the grants herein are hereby subordinated in all respects to: (i) any and all applicable Regulatory Agreements (including, without limitation, the Rental Assistance Demonstration Use Agreement to be recorded against the Project), (ii) to the terms and conditions of the Project Loans, including any lien of any deed of trust securing any loans made to the Owner, with respect to the Project, and (iii) any other encumbrances to which title to the Project is (a) now subject, or (b) becomes subject to between the date of this Agreement and the date of exercise of such right of first refusal or buyout option. In addition, it is the intention of the parties that nothing in this Agreement be construed to affect the Owner’s status as owner of the Project for federal income tax purposes prior to exercise of the Right of First Refusal granted hereunder. Accordingly, notwithstanding anything to the contrary contained herein, both the grant and the exercise of the Right of First Refusal shall be subject in all respects to all applicable provisions of Section 42 of the Code, including, in particular, Section 42(i)(7) (but with recognition of any partner loans made for the benefit of the Project). In the event of a conflict between the provisions contained in this Agreement and Section 42 of the Code, the provisions of Section 42 shall control except for the determination of the Purchase Price, unless Section 42 is amended in a manner that makes it mutually beneficial to amend the Purchase Price. Each Project Lender and their respective successors and assigns are hereby each made an express third party beneficiary of the foregoing subordination, and this Section 16 shall not be modified without the prior written consent of each Project Lender.
