RESOLUTION AUTHORIZING THE PRESIDENT AND CEO TO SUBMIT AN APPLICATION IN RESPONSE TO THE CALIFORNIA HOUSING AND COMMUNITY DEVELOPMENT DEPARTMENT’S NOTICE OF FUNDING AVAILABILITY FOR THE FISCAL YEAR 2019/2020 AFFORDABLE HOUSING AND SUSTAINABLE COMMUNITIES PROGRAM FUNDS UP TO A TOTAL LOAN AMOUNT OF $20,000,000 AND A TOTAL GRANT AMOUNT UP TO $10,000,000 FOR BOTH PHASES OF THE ROSE HILL COURTS DEVELOPMENT PROJECT AS A CO-APPLICANT WITH THE RELATED COMPANIES OF CALIFORNIA, LLC (“RELATED”) AND THE CITY OF LOS ANGELES (“CITY”); OR IN THE ALTERNATIVE, AN APPLICATION SOLELY BETWEEN THE HOUSING AUTHORITY AND RELATED; OR AS A CONSENTING PARTY TO THE APPLICATION OF RELATED AND THE CITY, FOR THE TWO PHASES OF THE ROSE HILL COURTS DEVELOPMENT PROJECT AND TO EXECUTE ANY APPLICABLE AGREEMENTS, INCLUDING A JOINT APPLICATION AGREEMENT BETWEEN THE PARTIES, RELATED TO THE APPLICATION

Douglas Guthrie
President and CEO

Jenny Scanlin
Chief Strategic Development Officer

Purpose: To authorize the President and CEO to submit an application in response to a Notice of Funding Availability (“NOFA”) for the Fiscal Year 2019-2020 Affordable Housing and Sustainable Communities (“AHSC”) Program to the Department of Housing and Community Development (“HCD”) for a total loan amount up to $20,000,000 for the Affordable Housing Development (“AHD”) portion of the application and a total grant amount of up to $10,000,000 for the Sustainable Transportation Infrastructure (“STI”) and Transportation Related Amenities (“TRA”) portion of the application, as a co-applicant with the City of Los Angeles (“City”) and the Related Companies of California, LLC (“Related” or “Developer”) for the two phases of the Rose Hill Courts development project (“Project”), or execute the application solely as a party giving consent. In the alternative, authorize the President and CEO to submit the application as a co-applicant with Related only and execute any related agreements, including the City’s Joint Application Agreement with Related and the City or a Memorandum of Understanding to evidence the City’s participation in facilitating the transportation infrastructure and transportation amenities portions of the HCD loan.

Authorize the President and CEO to execute any other related certificates, agreements or documents associated with the NOFA application, all as approved by legal counsel.
Regarding: On November 20, 2014, by Resolution 9171, the BOC authorized the President and CEO to award an Exclusive Right to Negotiate an MOU between the Housing Authority of the City of Los Angeles ("the Authority" or "HACLA") and Related for a period of ninety (90) days in accordance with the RFQ for the Rose Hill Courts project to define the terms and conditions under which Related would perform the scope of work.

On November 26, 2019, by Resolution 9543, the Board of Commissioners certified the Environmental Impact Report ("EIR") prepared in full compliance with California Environmental Quality Act ("CEQA") and the State CEQA Guidelines for the teardown of the existing 100-unit Rose Hill Courts public housing site and its redevelopment into 185 units with supporting amenities. Further, the BOC adopted the Mitigation Monitoring and Reporting Program (MMRP) and approved the Projects.

On January 23, 2020, staff will seek BOC authorization to enter into a Disposition and Development Agreement ("DDA"), a long term Ground Lease and Predevelopment Loan documents with both Rose Hill Courts I Housing Partners, L.P. and Rose Hill Courts II Housing Partners, L.P. (the "Developers" or "Owners") for the development of an 89 unit affordable housing residential development in Phase I of the Rose Hill Courts redevelopment and a 96 unit affordable housing residential development in Phase II of the Rose Hill Courts redevelopment respectively.

Issues: The 100 unit Rose Hill Courts public housing project is located on a 5.24-acre site at 4446 Florizel Street, within the Northeast Community Plan Area, in the El Sereno Community of the City of Los Angeles, bounded by Florizel Street to the north, McKenzie Avenue to the east, Mercury Avenue to the south, and Boundary Avenue to the west. The existing site consists of 14 two-story, wood-frame buildings with townhouse and flat style apartments comprising 100 units and an administration building.

The Project would demolish the existing 15 structures and construct a total of 185 residential housing units (183 affordable housing units' onsite plus two market-rate managers' units) in two phases. The Project includes 88 one-bedroom units, 59 two-bedroom units, 30 three-bedroom units, and eight four-bedroom units, a 6,300 square-foot Management Office/Community Building and a "Central Park" green space, creating a park-like setting for residents. The Project includes ample open space and recreational amenities to promote continued community outdoor use such as outdoor communal space with shaded seating and grills, children's play areas with tot lots, paved surfaces, and several courtyards. The Project would provide a total of 174 parking spaces onsite, with at-grade and tuck-under parking; upgraded lighting, fencing, signage, and security features; and storm drain and utility improvements. The new sustainably designed
buildings would be energy efficient and the landscaping would include water-efficient irrigation.

The Housing Authority and the Developer seek funding for the redevelopment of Rose Hill Courts through a variety of private and public sources, including Federal, State and Local agencies.

The State of California, the Strategic Growth Council ("SGC") and the HCD issued a NOFA dated November 1, 2019 making available approximately $550 million in funding for the AHSC Program for Fiscal Year 2019-2020.

The AHSC Program furthers the purposes of Assembly Bill 32 and Senate Bill 375 by investing in projects that reduce Greenhouse Gas (GHG) emissions by supporting more compact, infill development patterns, encouraging active transportation and transit usage, and protecting agricultural land from sprawl development. Funding for the AHSC Program is provided from the Greenhouse Gas Reduction Fund, an account established to receive Cap-and-Trade auction proceeds. The AHSC Program is administered by the SGC.

The AHSC Program’s mission is to provide loans or grants, or any combination thereof, to projects that will achieve GHG emissions reductions and benefit Disadvantaged Communities through increasing accessibility of affordable housing, employment centers and key destinations via low-carbon transportation.

The Housing Authority and Related desire to submit to the HCD an AHSC Program application for a total loan amount not-to-exceed $20,000,000, $11,000,000 for Phase I and $9,000,000 for Phase II and a total grant amount up to $10,000,000 for STI and TRA project costs.

The AHSC Program funding will support construction of the Project which will demolish the existing 15 structures and construct a total of 185 residential housing units (183 affordable housing units' onsite plus two market-rate managers' units) in two phases.

**Vision Plan:** Place Strategy #1: Stabilize the physical and financial viability of the conventional public housing portfolio.

Redeveloping the aging Rose Hill Courts public housing site through fully code compliant new construction with contemporary amenities that will completely mitigate lead and asbestos and vastly increase the physical life of the housing stock is consistent with Place Strategy 1 and the asset analysis completed in the Build HOPE Vision Plan. Conversion to a more financially stable Section 8 platform with long term contracts will allow for
leveraging the necessary resources for the development and on-going maintenance and upkeep of the properties.

**Funding:**
The AHSC requested funds are comprised of up to $20,000,000 for a loan, of which $11,000,000 will be for Phase I and $9,000,000 will be for Phase II and up to $10,000,000 for a grant for the STI and TRA portions of the Project. Pursuant to the DDA, if the Authority is required to be a co-applicant for any Funding Program, Related agrees to provide an indemnity of the Authority acceptable to the Authority in the Authority’s sole discretion.

**Environmental Review:**

**CEQA**
The Authority is the lead agency for the Rose Hill Courts Redevelopment for purposes of the California Environmental Quality Act ("CEQA"). On November 26, 2019, the Authority certified the Environmental Impact Report (SCH 2018091035) and Errata, dated November 2019 for the Rose Hill Courts Redevelopment Project and approved the Projects.

No further environmental review is required for the Authority’s recommended actions because there has been no change to the Rose Hill Courts redevelopment or substantial changes in circumstances or new information that would warrant subsequent environmental analysis in accordance with CEQA, including but not limited to Public Resources Code section 21166 and State CEQA Guidelines sections 15162, 15163 and 15164. The mitigation measures and related conditions of approval applicable to the Rose Hill Courts redevelopment have been reviewed and will be monitored for compliance.

**NEPA**
The Authority is working with the Housing & Community Investment Department (HCID/LA), the Responsible Entity, on a Part 58 NEPA review for the Project and has prepared a Final Environmental Impact Statement (FEIS). The FEIS is currently in the midst of a public review period. Any comments received will be included in HCID/LA’s Environmental Review Record (ERR). HCID/LA will publish a Record of Decision and Request for Release of Funds (RROF) for a 15 day public comment period following which the RROF will be executed.

**Section 3:** Related is committed to meeting all Section 3 obligations under the Master Development Agreement and will submit a Construction and Post-Construction Section 3 Plan to the Authority prior to commencement of activities for review and approval.

I. Overview

A. Notice of Funding Availability

The Strategic Growth Council (SGC) and the California Department of Housing and Community Development (Department) hereby announce the availability of approximately $550 million in funding for the Affordable Housing and Sustainable Communities (AHSC) program. The AHSC program is administered by SGC and implemented by the Department. The California Air Resources Board (CARB) provides the quantification methodology for determining the greenhouse gas (GHG) emissions reductions for the AHSC program.

These AHSC program funds will be used for loans or grants, or a combination thereof, to projects that will achieve GHG emissions reductions to benefit all California communities, particularly through increasing accessibility to affordable housing and key destinations via low-carbon transportation, resulting in fewer vehicle miles traveled (VMT) through shortened or reduced trip length or mode shift from Single Occupancy Vehicle (SOV) use to transit, bicycling or walking.
