Pico Gardens Resident Advisory Council

1. Residents of Pico Gardens and the RAC want to know what LOMOD is.
2. LOMOD runs more private housing than any other program, but what about public housing? Every year it looks smaller. Where are we going to go and what will happen to the families that are suffering from the pandemic crisis?
3. LOMOD manages more private housing than public housing being constructed.
4. We need more public housing.
5. We don't want to lose our needed benefits.
6. HACLA has said that they have funds from LOMOD so they should use it for emergencies that have occurred and respect the budget of each site and not transfer those funds to another project. Since the budget of each site barely meets the needs.
