RESOLUTION AUTHORIZING THE PRESIDENT AND CEO, OR THEIR DESIGNEE, TO ENTER INTO ONE OR MORE LOANS AND RELATED DOCUMENTS WITH THE CITY OF LOS ANGELES FOR UP TO $18,100,000 FOR THE ACQUISITION OF THE REAL PROPERTY ASSET AT 7639 VAN NUYS BOULEVARD, LOS ANGELES, CALIFORNIA 91405, AND UP TO $49,750,000 FOR THE ACQUISITION OF THE REAL PROPERTY ASSET AT 1654 W. FLORENCE AVENUE, LOS ANGELES, CALIFORNIA, 90047; AND TO UNDERTAKE VARIOUS ACTIONS IN CONNECTION THEREWITH

Douglas Guthrie
President & Chief Executive Officer

Geoffrey Moen
Director of Development

Purpose: The Board of Commissioners (“Board” or “BOC”) authorized the purchase of 7639 Van Nuys Boulevard, Los Angeles, CA (the “Van Nuys Property”) and 1654 W. Florence Avenue, Los Angeles, CA (the “Florence Property,” and together with the Van Nuys Property, the “Properties” or the “Projects”) as part of the City of Los Angeles’ (“City”) Homekey 2.0 portfolio. The Properties are to be purchased and held by HACLA on a temporary basis until the City selects third-party owner/operators for each property, at which time HACLA will transfer title to the Properties.

At the times of the BOC’s prior actions, it was contemplated that the Homekey capital funding and the City’s Local Match would be contributed as equity into escrow at the closings for each Property and a regulatory agreement would be recorded at closing. However, in March of 2022, the Los Angeles City Council approved the disbursement of the City’s Local Match as temporary loans to HACLA to be assigned to the future Owner/Operators upon transfer. The proposed resolutions are required at this time because the BOC’s prior actions did not provide authorization for the funds for acquisition to be accepted as loans by HACLA, and because both properties are scheduled to close prior to the BOC’s next regularly scheduled meeting. HACLA is working with the City to ensure that loans are not needed for future Homekey Round 2 purchases on behalf of the City.
Regarding:

Resolution No. 9731, adopted by the BOC on August 26, 2021, authorized HACLA to acquire the Van Nuys Property in partnership with the City through Homekey, and to execute related documents, including an HCD Standard Agreement, and found that the acquisition would be exempt from the California Environmental Quality Act (“CEQA”).

Resolution No. 9765, adopted by the BOC on November 18, 2021, authorized HACLA to acquire Florence Property in partnership with the City through Homekey, and to execute related documents, including an HCD Standard Agreement, and found that the acquisition would be exempt from the California Environmental Quality Act (“CEQA”).

Issues:

Ownership: Under the terms of the Professional Services Agreement executed between HACLA and the City (the “HACLA-City PSA”) and the Asset Management Agreement attached thereto (the “Asset Management Agreement”) for the acquisition of Round 2 Homekey properties, HACLA agreed to take title to the Properties on behalf of the City for an interim period not to exceed sixty (60) days, with one mutual option to extend for ninety (90) days. During this time, HACLA will provide asset management services, including but not limited to insurance, security, compliance with laws and necessary contract services.

The City is preparing to release a Request for Proposals (“RFP”) for owner/operators for the Properties. At the City’s request, HACLA will transfer the Properties to the owner/operators selected by the City through the RFP within one hundred fifty (150) days of HACLA’s acquisition of the Properties.

Florence Property

The Florence Property is a newly constructed, five-story multifamily structure with a total of one hundred twenty-eight (128) one-bedroom dwelling units, sixty-four (64) structured parking spaces, two open deck spaces, balconies, on-site laundry rooms, and two elevators.

HACLA entered into a Purchase and Sale Agreement (“Florence PSA”) with the owner of the Florence Property on September 28, 2021 for a price of $49,500,000 ($386,719 per unit). HACLA provided a notice of approval to the seller on November 23, 2021, and subsequently exercised its option to extend the close of escrow to March 30, 2022. HACLA has negotiated a one-week extension to the close of escrow in order to accommodate the City’s requirement for loan documents to be executed and to prepare their Local Match for deposit. The
escrow extension comes with a $32,400 fee which will be front-funded by HACLA and repaid to HACLA by the City under the terms of the Professional Services Agreement. The following is a chart of key activities related to the property since the BOC’s last action:

Van Nuys Property:

The Van Nuys Property is a newly constructed, five-story multifamily structure with a total of thirty-six (36) dwelling units and fifty-two (52) structured parking spaces.
HACLA entered into a Purchase and Sale Agreement ("Van Nuys PSA") with the owner of the Van Nuys Property on July 30, 2021 for a price of $16,600,000 ($461,111 per unit). HACLA provided a notice of approval to the seller of physical condition and the Natural Hazard Disclosure report on September 27, 2021, and a notice of approval of environmental conditions on October 22, 2021. HACLA exercised two options to extend closing, on November 30, 2021 and January 13, 2022, and subsequently executed an amendment to the Van Nuys PSA, at the request of the City, to extend the closing date to March 31, 2022. HACLA has negotiated a 10-day extension to the close of escrow in order to accommodate the City’s requirement for HACLA to enter into loan documents and prepare their Local Match deposit to escrow. The escrow extension comes with a $500,000 fee which will be front-funded by HACLA and repaid to HACLA by the City under the terms of the Professional Services Agreement. Financing At the times of the approvals for the acquisition of each Property, it was contemplated that the purchase and related closing costs and fees would be funded with cash equity contributions deposited into escrow on or before the
contractual closing dates. HACLA would take title to the Properties and would transfer them to the respective owner/operators selected by the City, subject to loans from the City to the owner/operators that would equal the sum of the Homekey funds granted and the Local Match funding provided by the City.

Under the proposed resolutions, HACLA would enter into loan documents with the City on a temporary basis for the same amounts as indicated above. The loan documents would include LAHD’s standard form documents, including: 1) an HHH note; 2) a CDBG note; 3) a deed of trust; 4) a loan agreement; and 5) a regulatory agreement (the “Interim Loan Documents’”). Each of the Interim Loan Documents would have a rider for the period of HACLA ownership that would incorporate terms including but not limited to: a term of up to one hundred fifty (150) days, upon which HACLA would have the option to transfer the Property to the City and terminate the loans; interest accrual at a rate of zero percent (0%) per annum; deferral of all payments for the term of the loans; and a waiver of all compliance and reporting requirements for the term of the loans.

**Vision Plan:**  **Place Strategy #4: Steward efforts to reduce and alleviate homelessness.**

In furtherance of the second round of the State’s Homekey Program, HACLA has expended money and staff time to identify and secure agreements to purchase vacant properties within the City in which to provide decent, safe, and sanitary housing for individuals and families experiencing homelessness or at risk of homelessness, including the subject Property.

**Place Strategy #5: Expand HACLA’s role in the broader communities it serves to improve neighborhood-wide health and well-being.**

Acquiring vacant properties to provide decent, safe, and sanitary housing for individuals and families experiencing homelessness or at risk of homelessness will reduce the number of Angelenos exposed to adverse health outcomes in neighborhoods throughout the City of Los Angeles.

**Funding:**  The Chief Administrative Officer confirms the following:

*Source of Funds:*

The costs for the purchases of the Properties will be paid in cash at the close of escrow, sourced from HCD Homekey capital grants and Local Match funds held by the City. The HCD Homekey capital grant funds, of $35,092,000 for the Florence Property, and of $10,032,000 for the Van Nuys Property, have been awarded formally by HCD, and the City and HACLA have executed a Standard Agreement for each Property.
The City Local Match for each Property will comprise a mixture of one or more of the following sources: proceeds from the sale of General Obligation Bonds under Proposition HHH, approved by the voters of the City of Los Angeles in 2016 and subsequently authorized by the Los Angeles City Council (“HHH”); federal Community Development Block Grant Recovery funds granted to the City (“CDBG-R”); federal Community Development Block Grant CARES Act funds granted to the City (“CDBG-CV”); federal HOME Investment Partnership American Rescue Plan funds granted to the City (“HOME ARP”); and State Homeless Housing, Assistance and Prevention funds granted to the City (“HHAP”).

All funds will be wired to escrow prior to closing and will not enter HACLA’s possession. The sum of the HCD Homekey capital grant and City Local Match funds at closing will equal the amount of the temporary loan to HACLA for each Property. A summary of the estimated sources and uses of funds is presented in the tables below.

**Estimated Closing Sources & Uses - Florence Property**

**Budget and Program Impact:**

No cash will be required by HACLA to finance the purchases of the Properties. Deposits and fees paid by HACLA relative to the purchases will be reimbursed to HACLA at the close of escrow for each Property and will be included in the loan amounts. Acquisition costs, including third party due diligence expenses, legal fees, and acquisition fees payable to HACLA, will be invoiced to the City and paid within forty-five (45) days of the close of escrow for each property, in accordance with the terms of the HACLA-City PSA.

**Environmental Review:**
**NEPA:** On December 15, 2021, the City of Los Angeles issued an Environmental Review for Activity/Project that is Categorically Excluded Subject to Section 58.5 (the “CEST Statement”) for the Van Nuys Property, executed by Edwin C. Gipson II, the Director of Finance and Development of the Los Angeles Housing Department (the “Responsible Entity Agency Official”). On December 22, 2021, the Responsible Entity Agency Official executed a CEST Statement for the Florence Property. The CEST Statements found that the Projects were categorically excluded from NEPA pursuant to 24 CFR 58.35(a) and subject to laws and authorities at Section 58.5. The proposed modification to the financing structure of the purchases does not trigger the need for additional NEPA review.

**CEQA:** The BOC previously found that the acquisition of each property was categorically exempt from CEQA, and a Notice of Exemption (“NOE”) was filed for each with the Los Angeles County Registrar-Recorder/County Clerk (“LA RR/CC”) and the California Office of Planning and Research, pursuant to Public Resources Code section 21152(b). The proposed modification to the financing structure of the purchases does not trigger the need for additional CEQA review.

WHEREAS, Resolution No. 9765, adopted by the BOC on November 18, 2021, authorized the acquisition of 1654 W. Florence (the “Property”) in partnership with the City of Los Angeles and for the Property to be assigned or transferred to an owner/operator to be selected by the City of Los Angeles (“City”) through a subsequent competitive request for proposals;

WHEREAS, HACLA and the City have entered into a Professional Services Agreement (“PSA”) which provides, among other items, that the General Manager and the Assistant General Manager of the Los Angeles Housing Department (“LAHD”) are designated by the City to direct HACLA with respect to the City’s desires for property acquisitions through Homekey (the “City Designees”), and that HACLA will take title to such directed Properties for an interim term and at the City’s expense until the City Designees direct HACLA to transfer the Properties to the City’s respective selected owner/operator(s) (the “Interim Period”), and that HACLA will provide asset management services to the City with respect to such Properties during the Interim Period in accordance with an Asset Management Agreement attached to the PSA (the “AMA”);

WHEREAS, the City Designees have directed HACLA to purchase the property located at 1654 W. Florence Avenue, Los Angeles, California 90047 (the “Florence Property”) in accordance with the PSA, and to manage the property during the Interim Period in accordance with the AMA;

WHEREAS, the Los Angeles City Council adopted the recommendation of LAHD on March 11, 2022, to authorize the purchase of the Florence Property (Council File 21-0112), which was subsequently approved by the Mayor of Los Angeles on the same date (the “City Approval”), subject to making a loan to HACLA temporarily to manage the Florence Property on behalf of the City until transferred to the City’s selected owner/operator;

WHEREAS, the BOC’s approval to purchase the Florence Property through Resolution No. 9765 does not include authorization to enter into a loan for such with the City;
WHEREAS, the Florence Property was appraised by a third-party appraiser and the amount offered by the Authority and accepted by the Seller, of $49,500,000, is aligned with and validated by the findings of such appraisal dated October 15, 2021 prepared by Valbridge Property Advisors;

WHEREAS, the Florence Property is located wholly within the City of Los Angeles;

WHEREAS, the Authority, originally acting on behalf of and in cooperation with the City, executed a Purchase and Sale Agreement for the Property on September 28th, 2021 (the “Florence Property PSA”);

WHEREAS, HACLA’s purchase of the Florence Property is required to close escrow on March 30, 2022, subject to an extension that HACLA is in the process of negotiating on behalf of the City;

WHEREAS, funds from the City will be required in order to close escrow on the purchase of the Florence Property;

WHEREAS, the Authority conducted due diligence on the Florence Property, including but not limited to: 1) title review; 2) Phase I environmental site assessment; 3) termite and pest infestation inspection; 4) physical needs assessment; 5) ALTA land title survey; 6) construction monitoring; 7) zoning and permitting report; and 8) Certified Accessibility Specialist (“CASp”) analysis (together, the “Inspections”), which Inspections were performed by third party vendors under contract with HACLA;

WHEREAS, based on the results of the Inspections, HACLA provided a notice of approval of the physical condition of the Florence Property to the seller on November 23, 2021, in accordance with the terms of the Florence PSA;

WHEREAS, HACLA and the City received an award of Homekey financing from the California Department of Housing and Community Development in February of 2022 (the “Homekey Award”), which included a $35,092,000 capital grant that may be used to purchase the Florence Property;

WHEREAS, HACLA and the City have executed a Standard Agreement with HCD with respect to the Homekey Award;

WHEREAS, the City Approval authorizes the use of City funds sufficient to cover the purchase price, closing costs, and related fees for the Florence Property in excess of the Homekey capital grant award, and the City Designees desire to execute loan documents with HACLA for the Interim Period in an amount equal to the purchase price and related closing costs and fees; and
WHEREAS, in review of the California Public Resources Code and exemption criteria therein and the information available at the time of the report, the Board has determined that entering into loan documents with the City for the Florence Property does not alter the Board’s finding that the purchase of the Property is categorically exempt from the California Environmental Quality Act (“CEQA”) under Resolution No. 9765.

NOW, THEREFORE, BE IT RESOLVED, the Board of Commissioners of the Housing Authority of the City of Los Angeles does hereby authorize and approve as follows:

Florence Avenue, Los Angeles, California, 90047, which loan documents may include one or more loan agreements, one or more notes, a deed of trust, a regulatory agreement, and any other documents or certificates related thereto as may be approved by legal counsel in order to effectuate the purchase, escrow closing, operation, and reimbursement of costs related to that property (the “Florence Loan Documents”).

Section 3. The total amount of any Florence Property City Loans shall equal the sum of the purchase price of the Florence Property, all contractual extension fees related to the purchase of the Florence Property, and all costs related to the closing of escrow, all of which together shall not exceed $49,750,000.

Section 4. The Florence Property City Loans shall include riders providing that the loans bear interest at a rate of zero percent per annum, shall be for a term not to exceed the intended transfer date and any mutually agreed extension as set forth in the Asset Management Agreement between the City and HACLA, shall provide HACLA the option to transfer the Florence Property to the City upon the expiration of such term upon which all loan documents shall be terminated, shall require no payment of principal during the term, and shall not require HACLA to provide any reporting or other services to the City beyond those which are required within the Asset Management Agreement.

1.7 SOURCES OF FUNDS AND COMPLIANCE WITH FUNDING REQUIREMENTS. The funds issued under this City Loan Agreement are from the City’s issuance of FY 2020-21 Prop HHH general obligation bonds, as well as the City CDBG Funds and HHAP Funds. The issuance of the Prop. HHH bonds was authorized by a voter-approved ballot measure in November 2016 (pursuant to a City Council resolution dated June 29, 2016, Los Angeles Council File 16-1800) and subsequent actions of the Los Angeles City Council, including the adoption of Los Angeles Ordinance 184671 on or about December 14, 2016 and outlining details of the City’s Prop HHH program, Los Angeles Council File 16-1060; Los Angeles Ordinance 185013, adopted on or about June 20, 2017 and authorizing the issuance of bonds, Los Angeles Council File 17-0622; and Los Angeles Ordinance 185124, adopted on or about August 18, 2017 in order to levy a property tax to pay for the bonds, Los Angeles Council File 17-0912. CDBG Funds for this Project were authorized by Los Angeles Council File 21-0112. [DOES THE CITY WANT TO ADD THE AUTHORIZATION OF HHAP FUNDS HERE? ]Borrower must comply with all Prop HHH, CDBG and HHAP requirements [add in other funding source requirements], and any other implementing rules and regulations are incorporated by this reference. In the event of any conflict between this City Loan Agreement and the regulations of the applicable source of funds, the most restrictive requirements shall govern.

1.8 USE OF FUNDS. Borrower shall use and/or show proof that it used Loan proceeds only for the Eligible Costs and in the amount specified in the Budget as well as any revisions to the Budget or Eligible Costs authorized by this City Loan Agreement or approved in writing by Lender. In its sole discretion, LAHD may approve changes in the budget by the execution of an approval letter stating the reasons for the changes which shall include an attached modified budget. Borrower shall adhere to the modified budget. Any line item increases are to be first funded from the contingency line item, then from any costs savings in any one line item. The Budget is attached as Exhibit E, which is hereby incorporated into this City Loan Agreement by
this reference. The Eligible Costs are specified in Exhibit E, which is hereby incorporated into this City Loan Agreement by this reference. The Method of Financing is specified in Exhibit F, which is hereby incorporated into this City Loan Agreement by this reference.

1.9 **LOAN DISBURSEMENT.** Lender shall not be obligated to disburse any of the Loan proceeds or take any other action under the Loan Documents unless all of the conditions precedent contained in Exhibit G, are satisfied. Borrower may only request disbursement of funds when the funds are needed to pay Eligible Costs as contained in Exhibit E, Budget and Eligible Costs. The required environmental review and clearance must be completed before Borrower incurs costs. Exhibit G is hereby incorporated into this City Loan Agreement by this reference.

Prior to any Loan disbursements, Borrower shall submit a fully executed Certification and Disclosure Regarding Lobbying, as required by 24 CFR 87.110, attached as Exhibit H, which is hereby incorporated into this City Loan Agreement by this reference. Borrower shall comply with all provisions of 31 USC §1352 et seq., 29 CFR Part 93, and all City lobbying policies. Borrower shall also submit an executed Certification Regarding Ineligibility, Suspension and Debarment, as required by Executive Order 12549, attached as Exhibit I, which is hereby incorporated into this City Loan Agreement by this reference.

1.10 **LOAN IN BALANCE.** The Loan is "in balance" whenever the amount of the undisbursed Loan funds (exclusive of the contingency amount(s) in the Budget), plus any other funds in the Budget are sufficient in Lender’s reasonable judgment to pay all of the following sums: (i) all costs of construction, marketing, ownership, maintenance and sale or leasing of the Land and Improvements; (ii) all moneys owing or owed third party consultants, suppliers, or constructors; and (iii) all interest and sums accruing or payable under the Loan Documents. The Budget refers to the Budget most recently approved by the Lender. Other funds include funds to be provided by Borrower or any other party as shown in the Budget. The Loan must remain "in balance" through lien-free completion of the Improvements and occupancy of ninety percent (90%) of the restricted units in full compliance with all applicable restrictions.

The Loan is "out of balance" when Lender, in its reasonable judgment, determines the funds (including all undisbursed Loan funds and any sums provided and to be provided by Borrower or any other party) are insufficient to pay for all such costs and sums payable under the Loan Documents. An out of balance Loan is a default under this City Loan Agreement.

A. Borrower acknowledges that the Loan may become "out of balance" in numerous and unforeseen ways. Borrower further acknowledges that the Loan may become "out of balance" from a shortage of funds in any single line item or category of the Budget, even if there are undisbursed Loan funds in the other line items or categories. Undisbursed Loan funds in one category or line item (e.g., insurance costs) may not be applied to another category or line item (e.g., interest reserve) unless the Budget expressly and specifically allows such use or Lender consents to the specific use in writing.

B. Whenever the Loan is "out of balance", Lender may make written demand on Borrower to open an escrow account requiring both the Lender and Borrower as
signatories for cash disbursements and to deposit Borrower’s own funds into said escrow account in an amount sufficient in Lender’s reasonable judgment to cause the Loan to be "in balance". Borrower shall deposit, within five (5) business days, all funds required by Lender’s demand. Also, if required by Lender, Borrower shall submit, for Lender’s approval, a revised Budget within fifteen (15) days after any such demand. Disbursement of funds from the escrow account shall be made through the Escrow Holder pursuant to the Lender’s instructions based on the Loan being "out of balance".

Unless otherwise shown in the Budget, all funds provided by Borrower, pursuant to Section 1.10(B), must be on deposit with the Escrow Holder ("Escrow Account"). These funds in the Escrow Account shall remain with the Escrow Holder until either of the following occurs: 1) the Lender is satisfied that the City Loan is in balance; or 2) the Notice of Completion is recorded in the Official Records in the Office of the County Recorder of Los Angeles County, State of California. Borrower hereby pledges and grants a security interest to Lender in and to, the Escrow Account and all funds therein. That pledge and security interest shall secure Borrower’s performance of the obligations under this City Loan Agreement, the City Note, and the other Loan Documents. Lender shall have available to it, all rights available to a secured party under the Uniform Commercial Code of the State of California in connection with such security interest. Borrower agrees to execute and deliver to Lender such additional documents as Lender may reasonably require from time to time in order to further evidence or perfect such pledge and security interest. All funds on deposit with the Escrow Holder are herein referred to as "Escrow Funds".

The disbursement procedures described in this City Loan Agreement shall apply to the Loan funds and also to any Borrower’s funds which may be on deposit in the Escrow Account. Any such Borrower’s funds shall be fully disbursed until they are exhausted prior to any Loan funds being disbursed.

1.11 **COLLATERAL.** As collateral for the Loan, the Borrower shall provide the Lender an executed City Deed of Trust in the form attached as Exhibit D giving the Lender a security interest in certain fee parcels on the Property owned by Borrower. The Borrower shall deliver concurrently with the execution of the City Deed of Trust, the original executed Prop. HHH City Note in the form attached as Exhibit C1, the original CDBG City Note in the form attached as Exhibit C2, and the original CDBG City Note in the form attached as Exhibit C3, which Lender shall hold until each respective note is paid in full.

Lender shall file a UCC-1 with the California Secretary of State, a copy of which is attached as Exhibit J, giving Lender a security interest in the Improvements, personal property, and Plans and Specifications. Exhibit J is hereby incorporated into this City Loan Agreement by this reference.

Concurrent with the recordation of the City Deed of Trust and the City Regulatory Agreement, the Lender shall cause all previous Lender deeds of trust, if any, to be respectively reconveyed. All of the Lender’s previous promissory notes, if any, shall be canceled and returned to the Borrower. All of the previous UCC-1’s shall likewise be terminated. The City Regulatory
As further security, Borrower agrees to assign and transfer to the City, subject to the rights of prior lien holders, its successors or assigns, all of (1) Borrower's rights in and to the Plans and Specifications, together with all amendments, modifications, supplements, general conditions and addenda thereto relating to the Project, and (2) Borrower's right, title and interest in the agreement between the Borrower and the Architect relating to the development of the Project, in the form attached as Exhibit L, which is hereby incorporated into this City Loan Agreement by this reference.

1.12 **PREPAYMENT OF LOAN.** No prepayment penalty will be charged to Borrower for payment of all or any portion of the Loan amount prior to the end of the Loan term described herein, except in an Event of Default. However, prepayment of the Loan shall not affect Borrower's obligations under the City Regulatory Agreement, all of which shall remain in full force and effect for the entire term of that regulatory agreement.

1.13 **REPAYMENT OF LOAN.** All interest accrued from the date of the warrant (Los Angeles City check) until the date of Project Completion (the “Construction Period Interest”), shall be due and payable to Lender within sixty (60) days after the date of Project Completion, but no later than the date of the Permanent Loan Conversion. Payment of the Construction Period Interest is a condition required prior to Permanent Loan Conversion. All interest accrued after the date of Project Completion shall be due pursuant to the terms and conditions of this City Loan Agreement, including this Section 1.13 (Repayment of the Loan), and Section 1.5 (Term of the Loan).

On or before each Payment Date, the Borrower shall submit its audited Annual Financial Statements to the City for the preceding fiscal year together with, if any, the City's Share. Failure to do so will result in a default under this City Loan Agreement. Once received on a timely basis, the City shall review and approve such financial statements and share of residual receipts, or request revisions, within ninety (90) days after receipt. In the event that the City determines as the result of its review that there is an understatement in the amount and payment of Residual Receipts due to the City, Borrower shall promptly pay to the City its share of such understatement, but in any event, within thirty (30) days of notice of such understatement. In the event that the City determines that there is an overstatement, the City shall promptly refund the amount to Borrower within thirty (30) days of such determination.

If contested, Borrower is required to pay under protest. Borrower shall have thirty (30) days from notice of obligation to submit, in writing, any contentions to the City. If the City receives contentions in writing, the City will have forty-five (45) days upon receipt to respond. If no written contentions are received by the City within the thirty (30) days, Borrower is deemed to concur with the obligation.

1.14 **MAINTENANCE OF RECORDS, RIGHT TO INSPECT AND COPY.**

D. The Borrower shall furnish such statements, records, reports, including litigation reports, data and other information, within ten (10) business days, as the City may from time to time reasonably request.
E. Borrower shall maintain all records, including records of financial transactions, pertaining to the performance of this City Loan Agreement and all documents required to remain on file as specified in this City Loan Agreement, in their original form in accordance with requirements prescribed by the City. These records shall be retained for a period of no less than five (5) years following termination of this City Loan Agreement and after final disposition of all pending matters. “Pending matters” include, but are not limited to, an audit, litigation or other actions involving records. The City may, at its discretion take possession of, retain and audit said records. Said records shall be subject to examination and audit by authorized City personnel or by the City’s representative at any time during the term of this City Loan Agreement or within the period following termination of this City Loan Agreement and final disposition of all pending matters. Borrower shall provide any reports requested by the City regarding performance of this City Loan Agreement. Any contract or subcontract entered into by Borrower, its contractor or any subcontractor, to the extent allowed hereunder, shall include a like provision for work to be performed under this City Loan Agreement.

1.15 **AUDITS & INSPECTIONS.**

A. Following reasonable written notice, Borrower shall make available for examination at reasonable intervals and during normal business hours to Lender all books, accounts, reports, files, and other papers or property with respect to all matters related to the Loan Documents and the Project, and shall permit Lender to audit, examine, and make excerpts or transcripts from such records. No. 84-2259-S1 and any administrative regulations or field memos implementing revisions or updates to the audit requirements. The auditor's reports, prepared in accordance with appropriate Federal Audit Standards, and any accompanying management reports on the operation of the entity or this City Loan Agreement, shall be submitted to the City within one hundred twenty (120) days after the close of the Borrower's fiscal year.

1. The audit is to be conducted annually on an organization wide basis to test the fiscal integrity of financial transactions as well as compliance with the terms and conditions of the Federal grant and this City Loan Agreement.
2. If this City Loan Agreement is terminated sooner than the close of Borrower's fiscal year, either by completion of Borrower's obligations under this City Loan Agreement or because of default of either party, the audit shall be immediately conducted and submitted to the City within ninety (90) days after such termination.

3. The Borrower, no later than fifteen (15) days after receipt of the final audit report and within one hundred twenty (120) days after the close of Borrower's fiscal year, shall submit three (3) copies of the report to the Portfolio Management Section of the LAHD.

4. If the auditor's report or management report identifies deficiencies with internal controls, contract compliance, or cost certification, the Borrower shall prepare and submit a corrective action plan along with the auditor's reports. The plan shall address all deficiencies and provide specific details on corrective actions to be taken along with the date the action was or will be implemented. If the cost certification indicates funds were not spent in accordance with the provisions of this City Loan Agreement, the Borrower shall immediately reimburse the City for all such costs and this City Loan Agreement shall be immediately terminated.

D. The City, California State Auditor, or applicable federal regulatory agencies shall have the authority to audit, examine and make excerpts or transcripts from records, including contracts, invoices, participant records and other records supporting this City Loan Agreement.

E. Subject to approval by Lender, Borrower may request the annual review to occur at the same time as the annual review for any other program on the project ("Mass Recertification Date").

F. During the term of this City Loan Agreement, the City and/or its agents will monitor the Borrower's compliance with the City Loan Agreement and the requirements of the source of funds utilized to finance the City Loan. The Borrower will be responsible for any costs, penalties, fees and expenses levied against the City and will be responsible to pay any expenses incurred by the City to enforce this City Loan Agreement.

To ensure full compliance with the Accessibility Requirements, LAHD will monitor the initial production by applying the updated Alternative Accessibility Standard for new construction per HUD’s Notice at 79 Fed. In order to determine compliance with the Accessibility Requirements, Borrower shall
submit and LAHD shall review and approve a Certified Access Specialist (“CASp”) for the Project. The CASp will: (1) review building plans and specifications for compliance with Accessibility Requirements and issue a Building Plans Compliance Report; (2) conduct progress/rough inspections and issue a Progress Inspection Report of the housing development that identifies any compliance issues; and (3) conduct final inspection(s) to ensure that all compliance issues have been resolved, and issue a set of findings that identify all compliance issues and a final Accessibility Report when the Project is in compliance.

LAHD shall inspect the construction and/or rehabilitation to verify that the correct number of Accessible Housing Units have been produced and that the necessary and required design elements have been constructed to make the units and site accessible for individuals with disabilities, in compliance with Article 2 and supported by an independent CASp consultant’s report.

During the term of this City Loan Agreement, LAHD will also monitor the ongoing occupancy compliance of the Accessible Housing Units and the Accessible Housing Development, as well as nondiscrimination in regards to individuals with disabilities, utilizing the Housing Development’s City approved Property Management Plan and Fair Housing Policy in Regard to Disability. Compliance with the Accessibility Requirements shall include, but not be limited to: target marketing; establishing and monitoring transfer and waiting lists for the Accessible Housing Units, reasonable accommodations and modifications requests; implementation of the service animal policy and policy for re-leasing empty Accessible Housing Units; and all elements contained in the Fair Housing Policy in Regard to Disability dated July 28, 2014, as amended over time.

B. Residual Receipts calculations shall be on an accrual basis accounting.

C. The City's Share shall be applied first to pay current annual interest due, then the cumulative interest owed, and then to reduce the principal amount of the Loan. Upon payment in full of the Loan, City shall have no further right to payment of any portion of Residual Receipts.

D. The term of the Loan shall be fifty-seven (57) years from the date of the City Note, which repayment date may be extended at the sole discretion of Lender if any
portion of the Loan remains unpaid. Unless paid in full earlier, the remaining balance of the Loan shall be due and payable in full at the expiration of the term of the Loan.

E. Except for senior debt service identified in the definition of Residual Receipts in Exhibit B hereto, debt service on residual receipts loans shall not be considered an expense.

1.17 **ANNUAL OPERATING EXPENSES.** The line items for Operating Expenses to be charged to the Project shall be consistent with those that are listed in the Operating Expenses definition of this City Loan Agreement. The monthly or annual set asides for the Operating Reserve Fund and the Replacement Reserve Fund shall not be part of Operating Expenses.

1.18 **OPERATING RESERVE FUND.**

A. Borrower shall establish an interest bearing account (i.e. Treasuries, Government-insured investments, or a combination thereof) designated by the City as a reserve fund to be known as the Operating Reserve Fund for the [NAME] PROJECT. On or before the close of permanent financing for the project, Borrower shall deposit into the account an amount equal to three months of Operating Expenses and hard debt service but not less than $X Dollars ($X), or such higher amount as required by another governmental lender. Notwithstanding the previous sentence, LAHD’s written approval is required prior to making any modifications to the reserve, and LAHD reserves the right to deny any request if LAHD deems the amount is unreasonable or inconsistent with the industry standards in place at the time of the request.

B. Funds shall be invested subject to the prior written approval of the City and any earnings shall become and remain a part of the Operating Reserve Fund. Funds may be withdrawn only when Revenue is insufficient to pay Operating Expenses. The Borrower shall not draw funds from the Operating Reserve Fund, nor shall the Borrower otherwise increase amounts in the Operating Reserve Fund above the amounts listed in Section 1.18(A) above, without the prior written approval of the City. Any deficit in the reserve at the end of the year due to City approved withdrawals (meaning a balance in the reserve that is less than the initial required balance listed in Section 1.18(A), above) is to be funded and corrected in subsequent years from available cash flow to the extent that there are sufficient funds available from Revenue pursuant to the priority listed in Exhibit B, “Residual Receipts.” Borrower shall be under no obligation to fund the Operating Reserve Fund deficit from other sources if funds are not available after the payment of all Operating Expenses.

C. In the event of a failure by Borrower to pay City’s Share to the Lender pursuant to the terms of this City Loan Agreement, the City Regulatory Agreement, the City Note, or the City Deed of Trust, or if the Borrower defaults under the City Note,
the City Regulatory Agreement, or City Deed of Trust, pursuant to which event the principal amount of the Loan may be accelerated, the City may, after delivery of notice to Borrower and the expiration of any applicable cure periods, apply the funds in the Operating Reserve Fund to the amount then due under the Prop HHH City Note and/or the CDBG City Note and/or HHAP City Note, or use such funds for the continued operation of the Improvements.

D. The Operating Reserve Fund was established as a condition to receiving the Loan for the benefit of the Lender and the Borrower.

1.19 REPLACEMENT RESERVE FUND.

A. On the first Payment Date, Borrower shall establish an interest bearing account (i.e. Treasuries, Government-insured investments, or a combination thereof) designated by the City as a reserve fund to be known as the Replacement Reserve Fund for the [NAME] PROJECT. On the first Payment Date, and annually thereafter on the Payment Date, the Borrower shall deposit \(X\) Dollars ($X) or such higher amount as required by another governmental lender. Notwithstanding the previous sentence, LAHD’s written approval is required prior to making any modifications to the reserve, and LAHD reserves the right to deny any request if LAHD deems the amount is unreasonable or inconsistent with the industry standards in place at the time of the request. Borrower shall only be required to fund the Replacement Reserve Fund to the extent that there are sufficient funds available after the payment of all Operating Expenses. Borrower shall be under no obligation to fund the Replacement Reserve Fund from other sources if funds are not available after the payment of all Operating Expenses.

B. Funds shall be invested subject to the prior written approval of the City and any earnings shall become and remain a part of the Replacement Reserve Fund. Funds may only be drawn to replace or maintain the Improvements or personal property which has been depreciated on the Borrower’s Tax Return, filed with the Internal Revenue Service. The Borrower shall not draw funds from the Replacement Reserve Fund without the prior written approval of the City.

C. In the event of a failure by Borrower to pay City's Share to the Lender pursuant to the terms of this City Loan Agreement, the City Regulatory Agreement, the City Note, or the City Deed of Trust, or if the Borrower defaults under the Prop. HHH City Note, the CDBG City Note, the City Regulatory Agreement, or City Deed of Trust, pursuant to which event the principal amount of the Loan may be accelerated, the City may, after delivery of notice to Borrower and the expiration of any applicable cure periods, apply the funds in the Replacement Reserve Fund to the amount then due under the City Note, or use such funds for the continued operation of the Improvements.

D. The Replacement Reserve Fund was established as a condition to receiving the Loan for the benefit of the Lender and the Borrower.
1.19.1 TRANSITION RESERVE FUND.

A. Borrower shall establish an interest bearing account (i.e. Treasuries, Government-insured investments, or a combination thereof) designated by the City as a reserve fund to be known as the Transition Reserve Fund for the [NAME] PROJECT. On or before the close of permanent financing for the project, Borrower shall deposit into the account not less than X Dollars ($X).

B. Funds shall be invested subject to the prior written approval of the City and any earnings shall become and remain a part of the Transition Reserve Fund. Funds may be withdrawn only in the event the rental assistance contract is reduced or terminated and with prior written City approval.

C. The Transition Reserve Fund was established as a condition to receiving the Loan for the benefit of the Lender and the Borrower.

D. Upon the date the Housing Assistance Payment Contract (“HAP Contract”) expires, and two (2) years thereafter, funds from the Transition Reserve Fund may be used, subject to City approval, to subsidize rents related to the loss of the HAP rental subsidy.

E. Any amount of funds remaining in the Transition Reserve Fund upon the expiration of the HAP Contract, and subject to the aforementioned two-year period, shall be distributed according to the Residual Receipts provision of this City Loan Agreement.

1.19.2 SUPPORTIVE SERVICES AMOUNT AND SUPPORTIVE SERVICES RESERVE FUND.

A. The Borrower certifies that the Project is a permanent supportive housing project. Therefore, on each Payment Date, Borrower may designate funds as Supportive Services and case management funds up to the annual amount of X Dollars ($X) (“Supportive Services Annual Limit”). Borrower may divide the Supportive Services Annual Limit between the Supportive Services Reserve Fund established by the Borrower (“Supportive Services Reserve Fund”) and as an Operating Expense, as defined under Article I, Section 17, Annual Operating Expenses. The actual amount of funds for supportive services coordination and case management in the Supportive Services Reserve Fund and under Operating Expense shall be known as the “Supportive Services Amount,” which together may not exceed the Supportive Services Annual Limit. If the Supportive Services Amount is less than the Supportive Services Annual Limit, the difference shall not accrue into the next fiscal year. Borrower acknowledges and understands that different LAHD funding sources may have different requirements for the Supportive Services Reserve Fund, and the greater amount of the reserve requirements shall apply.
B. Borrower may establish an interest bearing account (i.e. Treasuries, Government-insured investments, or a combination thereof) designated by the City as a reserve fund to be known as the Supportive Services Reserve Fund for the [NAME] PROJECT. On or before the first payment date and annually thereafter on the Payment Date, the Borrower may only deposit the amount that LAHD determines and approves as allowable under the Residual Receipts analysis pursuant to this Loan Agreement. Any approved amount not deposited into the Supportive Services Reserve Fund in the year that the amount is determined is forfeited and may not be deposited in subsequent years. Notwithstanding the previous sentence, Borrower shall only be allowed to fund the Supportive Services Reserve Fund to the extent that there are sufficient funds available after the payment of all Operating Expenses which includes, but is not limited to, fully funding applicable reserves in the following order: (a) Replacement Reserve Fund; (b) Operating Reserve Fund; and (c) Transition Reserve Fund, if applicable. The maximum balance of the Supportive Services Reserve Fund may not exceed three (3) times the per unit annual limit.

C. Supportive Services Reserve Funds shall be invested subject to the prior written approval of the City and any earnings shall become and remain a part of the Supportive Services Reserve Fund. Supportive Services Reserve Funds may only be drawn to pay for supportive services coordination and case management for the Project’s tenant population, and only when the funds from other public and private grants have been exhausted or are insufficient. The Borrower shall not draw funds from the Supportive Services Reserve Fund without the prior written approval from the City. Requests for disbursements shall be submitted by the Borrower in writing and shall be subject to written approval by the City. Disbursements will be contingent upon adherence to the Supportive Services Plan that is in conformance with the Plan requirements of the Housing Authority of the City of Los Angeles.

D. Inflation for the annual per unit supportive services and case management limits may be increased by five percent (5%) annually.

E. Borrower’s audited Annual Financial Statement shall contain specific details of the Supportive Services Funds including, but not limited to, the allocation, usage, expenditure, account balances, interest, fees, and the division of funds between the Operating Expenses and Supportive Services Reserve Fund.

F. In the event of a failure by Borrower to pay City’s Share to Lender pursuant to the terms of this City Loan Agreement, the Regulatory Agreement, the City Note, the City Deed of Trust, or if the Borrower defaults under the City Note, the Regulatory Agreement, or the City Deed of Trust, pursuant to which event the principal amount of the Loan may be accelerated, the City may, after delivery of notice to Borrower and the expiration of any applicable cure periods, apply the funds in the Supportive Services Reserve Fund to the amount then due under the City Note or use such funds for the continued operation of Improvements.
G. In the event the Project no longer provides supportive services coordination and case management, any amount of funds remaining in the Supportive Services Reserve Fund shall be distributed according to the Residual Receipts provisions of this Agreement.

1.20 TITLE AND TITLE INSURANCE. Borrower warrants that it shall obtain and maintain good and marketable title to the Property. As a condition for closing the Loan, Borrower shall obtain an ALTA lender's policy of title insurance naming Lender as the insured with liability not less than the principal amount of the Loan, issued by an insurer satisfactory to Lender, excepting only such defects, liens, encumbrances, and exceptions as are approved by Lender, and containing such endorsements as Lender may reasonably require.

1.21 RECORDING. Upon closing date, if applicable, Escrow Holder shall record the City Regulatory Agreement and the City Deed of Trust with the Recorder for the County of Los Angeles, and shall deliver conformed copies of the recorded documents to the Lender and Borrower.

1.22 TRANSFER OF PROPERTY. During the term of this City Loan Agreement, Borrower has not made or created, and shall not make or permit any refinancing of a loan on the Project, any sale, assignment, conveyance, lease, or any other transfer of this City Loan Agreement, the Project, or the Property, or any part thereof, without the prior written consent of Lender.

The Loan shall be due and payable immediately if the Project, or any portion thereof or interest therein, is sold, transferred, assigned or refinanced otherwise than in accordance with this City Loan Agreement. For purposes of clarity, a transfer of all ownership interests in the Borrower, or any transfer of less than 100% of the ownership interests in the Borrower which the City determines, in its sole discretion, is structured in such a way as to effectively transfer control of the Borrower, shall trigger the transfer provisions of this Article 1.22. Leases in accordance with this City Loan Agreement shall not be in violation of this City Loan Agreement. However, upon City's approval of purchaser, this Loan will be fully assumable by said purchaser.

Lender may give its consent to a sale, transfer, or conveyance provided that all of the following conditions are met: (a) Borrower is in compliance with the Loan Documents, or the sale, transfer, or conveyance will result in the cure of any existing violations of the Loan Documents; (b) the transferee agrees to assume all obligations of Borrower imposed by the City Regulatory Agreement, and the other Loan Documents and enter into such an agreement ("Assumption Agreement"); (c) the transferee demonstrates to Lender's satisfaction that it is capable of and intends to own and operate the Property in full compliance with the City Regulatory Agreement and the other Loan Documents; (d) the terms of the sale, transfer, or conveyance shall not jeopardize Lender's security interest in the Property and such terms are in full compliance with all standards, including eligibility requirements and other conditions imposed by any funding sources for the Project and the Loan; (e) the transferee is not in default on any other obligations; and (f) such other conditions as Lender may reasonably impose in Lender's sole discretion.

1.23 ENCUMBRANCE OF PROPERTY. Except as otherwise provided in this City Loan Agreement (HHH and CDBG and HHAP)
Loan Agreement, Borrower shall not engage in any financing or any other transaction creating any security interest or other encumbrance or lien upon the Property, whether by express agreement or operation of law, or allow any encumbrance or lien to be made on or attached to the Property, except with the prior written consent of Lender. Until issuance of the Notice of Completion, Borrower shall notify Lender in writing in advance of any financing secured by any deed of trust, mortgage, or other similar lien instrument that it proposes to enter into with respect to the Project or Property, and of any encumbrance or lien that has been created on or attached to the Property whether by voluntary act of Borrower or otherwise.

A. The following liens and encumbrances, subject to Lender's conditions for subordination of the City Deed of Trust and/or City Regulatory Agreement, have been approved by Lender as allowable encumbrances to the City Deed of Trust and/or City Regulatory Agreement:

1. General ad valorem real property taxes not yet due and payable.
2. Easements, Special Assessments, etc.
3. Deeds of Trust in the amounts and priority, as specified in Exhibit F, Method of Financing.

B. The Borrower shall provide notice to its other lenders of the Lender's requirements for any subordination of the City Deed of Trust and/or City Regulatory Agreement. If Lender is requested to subordinate the City Deed of Trust and/or City Regulatory Agreement, any request shall be subject to, but not limited to, the following terms:

1. The subordinated amount, including any additional advances, shall not exceed the amount authorized by the Los Angeles City Council and is subject to LAHD policies and approvals.
2. Upon a default under the senior loan documents, senior lender and Borrower shall provide Lender written notice giving Lender an additional thirty (30) days prior to the senior lender filing a notice of default with the Los Angeles County Recorder's Office.
3. Upon a default under the senior loan documents, senior lender shall give Lender a right to purchase the Property from the Borrower, at any time after the default under the senior loan documents but prior to a foreclosure sale.
4. Upon the purchase of the Property by the Lender, the senior lender shall permit the Lender to assume the Borrower's obligations under the senior loan under the original terms and conditions.
5. There shall be no material modification of the senior loan documents without the prior written consent of Lender, which consent will not be unreasonably withheld or delayed.
6. Senior lender agrees that it will not modify the senior loan so as to: a) increase the principal amount of the loan, b) increase the interest rate, c) decrease the term, or d) permit substitution of the security collateral, without the prior written consent of Lender.

If Borrower fails to discharge any lien, encumbrance, charge, or claim referred to herein, then in addition to any other right or remedy, Lender may, but shall be under no obligation to, discharge such lien, encumbrance, charge, or claim at Borrower's expense. Alternatively, Lender may require Borrower to immediately deposit with Lender, or title company, the amount necessary to satisfy such lien or claim and any costs, pending resolution thereof. Lender may use such deposit to satisfy any claim or lien that is adversely determined against Borrower.

Borrower shall file a valid notice of cessation or notice of completion upon cessation of construction on the Project for a continuous period of thirty (30) days or more, and take all other reasonable steps to forestall the assertion of claims of lien against the Property. Borrower authorizes Lender, but without any obligation, to record any notices of completion or cessation of labor, or any other notice that Lender deems necessary or desirable to protect its interest in the Project and Property.

2.21 COMPLETION OF CONSTRUCTION AND IN-SERVICE DATE. Following commencement of construction, Borrower shall diligently perform construction of the Project to completion as evidenced by the recording of the Notice of Completion.

Borrower shall submit within sixty (60) days after the issuance of the Certificate of Occupancy, a complete audit of the construction costs by an independent certified public accountant.

2.22 SCHEDULING AND EXTENSIONS OF TIME. Borrower shall coordinate and schedule the work to be performed according to the Schedule of Performance, attached as Exhibit M, so that commencement and completion of construction will take place in accordance with the provisions of this City Loan Agreement. Lender may extend the time for completion in writing in its sole and absolute discretion. Any time extension granted to Borrower to enable Borrower to complete the work shall not constitute a waiver of any other rights Lender has under the Loan Documents.

2.23 EXCUSABLE DELAYS. Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this City Loan Agreement, if the delay or
failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party’s Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as “Force Majeure Events”).

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of the Borrower shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both the Borrower and its Subcontractor(s), and without any fault or negligence of either of them. In such case, the Borrower shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Borrower to perform timely. As used in this Agreement, the term “Subcontractor” means a subcontractor at any tier.

In the event the Borrower’s delay or failure to perform arises out of a Force Majeure Event, the Borrower agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

2.24 NOTICE OF COMPLETION. Upon completion of development of the Project, Borrower shall submit a certification from the architect for the Project stating that the Improvements to the Property have been made in substantial accordance with the Plans and Specifications and/or work write-up, and the terms of the Loan Documents. Borrower shall furnish Lender with a report from CASp, or another qualified individual approved by LAHD, certifying that the Project as constructed is in accordance with 504/ADA regulations. Borrower shall furnish Lender a copy of the Notice of Completion for the full Project or a phase of the project, as the case may be, no later than ten (10) days after recordation with the County of Los Angeles, upon the occurrence of the following, (1) final approval on all City and other governmental permits; (2) a determination by Lender that Borrower has completed the Project in substantial conformance with industry standards and the Plans and Specifications and/or work write-up; (3) completion of a cost certification reviewed and approved by an independent Certified Public Accountant ("CPA"); and (4) a determination by Lender that Borrower has satisfied all of Borrower's development obligations under this City Loan Agreement including compliance with Accessibility Covenants. The Notice of Completion shall be in a recordable form acceptable to Lender. If Borrower fails to provide the Notice of Completion within the specified time, it shall provide Lender with a written statement indicating in what respects Borrower has failed to complete the construction of the Project in conformance with this City Loan Agreement or is otherwise in violation of the terms of the Loan Documents, and what measures Borrower will need to take or what standards it will need to meet in order to obtain the Notice of Completion. If and when Borrower has taken the specified measures or met the specified standards, and is not otherwise in violation under the Loan Documents, Borrower shall deliver the Notice of Completion to Lender.

2.25 QUALITY OF WORK. Borrower shall construct and maintain the Project in conformance with the City's construction standards and shall employ building materials of a quality suitable for the requirements of the Project.
2.26 RECORDS. Borrower shall be accountable to Lender for all funds disbursed to Borrower pursuant to the Loan Documents. Borrower agrees to maintain records that accurately and fully show the date, amount, purpose, and payee of all expenditures drawn from Loan funds, and to keep all invoices, receipts, and other documents related to expenditures from said Loan funds for not less than five (5) years after completion of the Project as evidenced by the recording of a Notice of Completion. Records must be kept accurate and current. Lender shall notify Borrower of any records it deems insufficient. Borrower shall have fifteen (15) calendar days from the date of said notice to correct any deficiency in the records specified by Lender in said notice, or, if more than fifteen (15) days shall be reasonably necessary to correct the deficiency, Borrower shall begin to correct the deficiency within fifteen (15) days and correct the deficiency as soon as reasonably possible.

Borrower shall promptly comply with all requirements or conditions of the Loan Documents relating to notices, extensions, and other events required to be reported or requested. Borrower shall promptly supply, upon the request of Lender, any and all information and documentation which involves the Project and cooperate with Lender in the development of the Project.

ARTICLE 3. PROJECT OPERATION

3.1 FEES, TAXES, AND OTHER LEVIES. Borrower shall be responsible for payment of all fees, assessments, taxes, charges, and levies imposed by any public authority or utility company with respect to the Property or the Project, and shall pay such charges prior to delinquency. However, Borrower shall not be required to pay and discharge any such charge so long as (a) the legality thereof is being contested diligently and in good faith and by appropriate proceedings, and (b) if requested by Lender, Borrower deposits with Lender any funds or other forms of assurance Lender in good faith from time to time determines appropriate to protect Lender from the consequences of the contest being unsuccessful.

3.2 OBLIGATION TO REFRAIN FROM DISCRIMINATION. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, creed, sex, sexual preference or orientation, national origin, ancestry, physical handicap, medical condition, age, marital status, mental condition, blindness or other physical disability, acquired immune deficiency (AIDS), acquired or perceived, familial status and handicap, pregnancy, childbirth or related medical condition, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Project, or any part therefor, nor shall the Borrower or any person claiming under or through, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, licenses or vendees of the Project.

3.3 MANAGEMENT OF PROJECT. Borrower and Borrower's agents shall lease, operate and manage the Project after completion in full conformance with the terms of the City Regulatory Agreement and the following:

A. The City shall have the right to review, modify and approve Borrower's Property
Management Plan for the development and compliance with the restrictive covenants of this City Loan Agreement and the City Regulatory Agreement. Borrower acknowledges that it has received a copy of an example of a property management plan that meets the LAHD requirements.

B. At all reasonable times and following reasonable notice to the Borrower, the City shall have the right to review the performance of Borrower's management of the Project.

C. Except where a delegation of duties is specifically permitted by this City Loan Agreement, Borrower shall not delegate any or all of its management duties on the Project without the prior written approval of the City, which approval shall not be unreasonably withheld.

D. If Borrower is permitted to delegate its management duties, Borrower shall be responsible to:

   1. Immediately submit information regarding any change in the structure of the management company that was approved by the City;

   2. Annually submit financial statements (such as K1 forms) of the management company to the City;

   3. Maintain annual compliance with this City Loan Agreement; and

   4. Upon request by City, immediately produce current tenant information for compliance with Exhibit N, which is hereby incorporated into this City Loan Agreement by this reference.

E. Any authorized delegation of management duties for the Project, shall not be deemed to relieve the Borrower from any obligations under this City Loan Agreement or the City Regulatory Agreement.

3.4 OPERATION OF PROJECT. Borrower and Borrower's agents shall lease, operate and manage the Project after completion in full conformance with the terms of the City Regulatory Agreement.

Borrower shall agree to: (1) maintain and operate the Assisted Units so as to provide decent, safe, and sanitary housing; and (2) provide the Assisted Units with the same level of services (including security), amenities, and maintenance as are applied to the other dwelling units on the Project. Amenities that are provided to non-assisted unit households include, but are not limited to, access to recreational facilities, and interior amenities. Optional services provided must be available to all residents under the same terms and conditions. All incentives such as rent specials must be offered to all new residents, not only residents of non-assisted units. Borrower is prohibited from charging fees that are not customarily charged in rental housing in that housing area. Borrower must ensure that any fee charged to a tenant or prospective tenant is reasonable,
customary, and complies with 24 CFR 92.504(c)(3)(xi).

Borrower agrees that during the term of the City Regulatory Agreement, LAHD shall have the right to review, approve and request changes to the Property Management Plan, operation of the building and Property management entity, in order to preserve the affordability, accessibility, physical appearance and condition of the Project.

Borrower shall also comply with the Accessibility Covenants contained in Exhibit D to the Regulatory Agreement.

Borrower also agrees that during the term of the Loan Agreement and Regulatory Agreement, the City has the right to enter the property for inspection to ensure compliance of all laws and regulations in relation to the affordability, accessibility, physical appearance and condition of the property.

3.5 **DESIGNATED ASSISTED UNITS.** Borrower must comply with all rules and regulations of each funding source. If HOME funds are used to finance the Project, then, in compliance with 24 CFR 92.252(j), at the time of the execution of this agreement, the Borrower must designate the HOME assisted units as fixed or floating HOME units. The address or unit number of the HOME-restricted units must be specified and reported to the Lender at the time of initial occupancy. Fixed units remain as the same unit throughout the period of affordability. Floating units may change from comparable unit to comparable unit in order to maintain conformity with HOME Regulations Section 92.252. If the rental housing project has floating HOME units, the Borrower must provide the Lender with information regarding unit substitution. The designated Assisted Units on the Project shall meet the following standards:

A. Generally reflect the average number of bedrooms per dwelling unit and average square footage of non-assisted units on the Project;

B. Be similarly constructed and of comparable quality to all other units on the Project;

C. Be dispersed throughout the Project;

D. Provide tenants access and enjoyment of all common areas and facilities of the Property on the same basis as tenants of other units.

3.6 **TENANT SELECTION.** Before leasing the Project, Borrower shall provide Lender for its review and approval Borrower's written tenant selection plan which shall be consistent with the requirements of the Lender and the rules and regulations of each funding source. Prior to leasing any unit, Borrower's tenant selection plan must, at a minimum, meet the requirements for tenant selection set out in 24 C.F.R. 92.253(d) and any modifications thereto and the City’s Fair Housing Policy in Regard to Disability.

Borrower shall rent the Assisted Units to any Eligible Household according to the tenant selection plan. Borrower shall verify the prospective tenant's eligibility and shall require from
each tenant documentation that such household's income from all sources does not exceed allowable limits as described in Exhibit B.

Borrower shall give priority for Assisted Units to Qualified Households who have been displaced as a result of the City of Los Angeles’ public projects.

Borrower shall require each prospective tenant to certify under penalty of perjury that they are not (a) an owner, developer or sponsor of the project; (b) an officer, employee, agent, consultant or elected or appointed official of the owner, developer or sponsor; or (c) a member of the Immediate Family of such person described in subsections (a) and (b). Borrower shall not rent any unit of the Project to any of said individuals.

3.7 **INCOME CERTIFICATION.** Borrower shall limit for the full term of the City Regulatory Agreement the rental of Assisted Units to Qualifying Households according to the schedule contained in Exhibit N. The income levels and other qualifications of applicants for Assisted Units shall be certified within ten (10) business days prior to the household's expected occupancy of one (1) of the units. No tenant shall occupy an Assisted Unit prior to income eligibility determination and certification by Borrower.

Upon the closing of the initial occupancy of the Project, and annually thereafter, Borrower shall provide Lender with an occupancy summary report showing the name of each tenant, unit occupied by each tenant, tenant income, rent paid, and any other information which the Lender requests and which relates to the eligibility of these households. The income will be calculated using part 5 (Section 8) definition of Income and adhere to section 24 CFR 92.252. If the household size of an Eligible Household changes, Borrower shall provide the Lender with the additional income documentation to determine eligibility. If LAHD determines that the Eligible Household is no longer an Eligible Household, such unit will continue to be treated as an Assisted Unit until the next available unit of comparable size on the Project is rented to a person who qualifies for an Assisted Unit; or, if HOME Funds are used and the Eligible Household is found to no longer qualify as an income-eligible household, the household must pay thirty percent (30%) of their Family Income for rent and Utilities, or (if applicable to the Project) the maximum increase allowed under the City's Rent Stabilization Ordinance, whichever is less. Notwithstanding the previous sentence, tenants of HOME-assisted units that have been allocated low-income housing tax credits by a housing credit agency pursuant to section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42) must pay rent according to the requirements of section 42 which must be in compliance with HUD requirements pursuant 24 CFR 92.252.

The City may require the Borrower, at any time, to re-examine for compliance with the Affordability Restrictions and Maximum Rents (Exhibit N), the income of each tenant household and immediately submit its findings to the City.

3.8 **PROJECT RENTS.** Rents for Restricted Units shall be limited to Qualifying Rents as set forth in Exhibit N. Qualifying Households shall be given at least thirty (30) days written notice prior to any rent increase.

The maximum allowable rent that may be charged for a Restricted Unit may change from
time to time when there are changes in the Area Median Income as published by HUD, or when there are changes made to the allowances deducted for tenant paid Utilities as calculated by the City of Los Angeles subject to HUD rules and regulations. In no event, however, will the resulting maximum allowable rent for a Restricted Unit Exceed the HUD fair market rents set for rental housing units of the same number of bedrooms for the area.

Any increase in rental charges must comply with the terms of the lease as to the time and manner of such changes, provided that, no Qualifying Household shall have a rent increase sooner than one (1) year after initial occupancy, and provided further, rents for Restricted Units shall not have an annual increase in excess of the percentage increase in the county median income for the applicable year in which the rent increase is being considered, nor shall there be an accumulation of rental increases from year to year for those years in which the Borrower chose not to increase rents by the percentage allowed herein.

For projects subject to the City's Rent Stabilization Ordinance, the maximum rent increase allowed by that ordinance may be less or more than that allowed by changes in the Area Median Income. In such instances, the rents on restricted units may only be raised to the lesser of the two (2) allowed increases.

Notwithstanding the above, rental limits on units that have been allocated low income housing tax credits by a housing credit agency pursuant to Section 42 of the Internal Revenue Code of 1989 (26 U.S.C. 42), may have their rents raised in accordance with HUD and tax credit regulations during the term of the tax credit allocation and regulatory period.

If the Project is receiving necessary rental assistance from the Rental Assistance Program through the Housing Authority of the City of Los Angeles and/or through the Los Angeles County Department of Health Services (“Rental Assistance”) and said Rental Assistance is withdrawn or terminated due to reasons not attributable to the actions or inactions of the Borrower and approval to increase rents is received from the California Tax Credit Allocation Committee, the Borrower may petition LAHD and, upon confirmation of the circumstances outlined below, LAHD will approve specified modifications to the affordability restrictions and maximum rental charges designated in Exhibit N and Exhibit K(B), if all of the following circumstances exist: (a) alternative funding is unavailable, (b) the Project is otherwise in full compliance with all the terms of the funding for the Project, and (c) more restrictive funding requirements do not apply to the Project. Any allowed changes in the target population shall be to the minimum extent necessary to accommodate the new rent levels. In such event, LAHD will also allow changes to the Supportive Services Plan to reflect any change in the target population. Notwithstanding the foregoing, all modifications must comply with all funding and City requirements.

3.9 FORM OF NONDISCRIMINATION AND NONSEGREGATION CLAUSES. The Borrower shall refrain from restricting the rental, sale or lease of the property on the basis of race, religion, national origin, ancestry, sex, sexual orientation, gender identification, transgender status, sex stereotypes, age, physical handicap, mental disability, medical condition, marital status, domestic partner status, pregnancy, childbirth and related medical conditions, familial status, acquired immune deficiency (AIDS), acquired or perceived, citizenship, and political affiliation or belief. All such deeds, leases or contracts shall contain or be subject to
substantially the following nondiscrimination or non-segregation clauses:

A. In deeds: "The Grantee herein covenants by and for himself/herself, his/her heirs, executors, administrators and assigns, and all persons claiming under or through him/her, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, religion, national origin, ancestry, sex, sexual orientation, gender identification, transgender status, sex stereotypes, age, physical handicap, mental disability, medical condition, marital status, domestic partner status, pregnancy, childbirth and related medical conditions, familial status, acquired immune deficiency (AIDS), acquired or perceived, citizenship, and political affiliation or belief in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the grantee himself/herself or any person claiming under or through him/her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, licenses or vendees of the land herein conveyed. The foregoing covenants shall run with the land."

B. In leases: "The lessee herein covenants by and for himself/herself, his/her heirs, executors, administrators and assigns, and all persons claiming under or through him/her, and this lease is made and accepted upon and subject to the following conditions: That there shall be no discrimination against or segregation of any person, or group of persons, on account of race, religion, national origin, ancestry, sex, sexual orientation, gender identification, transgender status, sex stereotypes, age, physical handicap, mental disability, medical condition, marital status, domestic partner status, pregnancy, childbirth and related medical conditions, familial status, acquired immune deficiency (AIDS), acquired or perceived, citizenship, and political affiliation or belief in the leasing, subleasing, transferring, use, occupancy, tenure or enjoyment of the land herein leased nor shall the lessee himself/herself or any person claiming under or through him/her, establish or permit any such practice or practices of discrimination or segregation with reference to the lessees, subtenants, sublessees, or vendees in the land herein leased."

C. In contracts: "There shall be no discrimination against or segregation of any person or group of persons on account of race, religion, national origin, ancestry, sex, sexual orientation, gender identification, transgender status, sex stereotypes, age, physical handicap, mental disability, medical condition, marital status, domestic partner status, pregnancy, childbirth and related medical conditions, familial status, acquired immune deficiency (AIDS), acquired or perceived, citizenship, and political affiliation or belief in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land, nor shall the transferee himself/herself or any person claiming under or through him/her, establish or permit any such practice or practices of discrimination or segregation with reference to the lessees, subtenants, sublessees, or licenses vendees of the land."
3.10  **LEASING THE PROJECT.** Before leasing any portion of the Project, Borrower shall submit its proposed form of lease for Lender's review and approval. The term of the written Lease shall be for no less than one (1) year unless mutually agreed upon by Borrower and tenant, which shall not be for less than thirty (30) days, and shall not contain any provision nor subsequent modification thereto, which is prohibited by 24 C.F.R. Section 92.253(b) or any State or City tenant-landlord laws. Any termination of the Lease or refusal to renew must be in conformance with 24 C.F.R. 92.253(c) and any other applicable laws and must be preceded by not less than thirty (30) days written notice to the tenant by the Borrower specifying the grounds for the action.

A.  **Units**

1. All Assisted Units shall be leased and shall not be withdrawn from the market. Assisted Units shall be rented in a manner consistent with the Space and Occupancy Standards set forth in Chapter 5, of the Uniform Housing Code (1997) and any subsequent amendments, and in such a manner that there is no under-utilization of the floor space of Assisted Units.

2. If one (1) of the Assisted Units becomes vacated, Borrower shall make reasonable attempts to rent that particular Assisted Unit, or identify another unit as an Assisted Unit.

3. During the initial lease up, and upon vacancies of an Assisted Unit, Borrower shall make reasonable efforts to advertise to Eligible Households. For reference purposes, the eligibility income requirements are specified in Exhibit N, which is hereby incorporated into this City Loan Agreement by this reference. The affirmative marketing requirements and procedures adopted must meet the requirements of federal fair housing laws and the City’s affirmative marketing policy. Borrower shall obtain and comply with the City's affirmative marketing guidelines contained within the Property Management Plan Packet from LAHD and the Fair Housing Policies in Regard to Disability. All affirmative marketing requirements must be followed throughout the affordability period.

B.  The Borrower shall provide to each tenant, the following: (1) a signed copy of the lease and/or rental agreement; and (2) a signed copy of the supplemental agreement to the lease or rental agreement ("Mandatory Addendum").

C. Borrower must submit evidence of marketing efforts and a marketing plan to the City if all restricted units are not occupied by eligible tenants within six (6) months following the date of the Temporary Certificate of Occupancy. Borrower will be in default of this agreement if any restricted unit has not been rented to eligible tenants within twelve (12) months after the date of the Temporary Certificate of Occupancy.

3.11  **NOTICE TO TENANTS.** There are four (4) points in time when the Borrower is required to give written notice to all tenants of Restricted Units:
A. Upon initial move-in/lease execution, Borrower shall give written notice, to all tenants of Restricted Units, of the duration of the rent restrictions under the Regulatory Agreement. Borrower must maintain, in its files, a copy of each notice containing each tenant's signed acknowledgment of the notice required hereunder. The notice shall, at the least, contain language that the rent restrictions under the Regulatory Agreement shall be in effect for fifty five (55) years, and shall terminate fifty five (55) years from the date of Project Completion and fulfillment of the conditions as contained in the Regulatory Agreement. Upon termination of the rent restriction period under the Regulatory Agreement, rents may be set at market rates unless otherwise restricted by some other legal, regulatory, or contractual requirement.

B. Thirty-Six (36) months prior to the termination of the rent restriction period under the Regulatory Agreement, Borrower must give written notice to its tenants of the termination of the restrictions on the Restricted Units before their rents may be raised to market rent levels. Borrower must also give written notice pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, the Housing Authority of the City of Los Angeles, and the California Department of Housing and Community Development. In addition, the Borrower, within thirty-six (36) months of a scheduled expiration of rental restrictions, shall also provide notice of the scheduled expiration of rent restrictions to any prospective tenant at the time he or she is interviewed for eligibility.

C. Twelve (12) months prior to the termination of the rent restriction period under the Regulatory Agreement, Borrower must give written notice to its tenants of the termination of the restrictions on the Restricted Units before their rents may be raised to market rent levels. Borrower must also give written notice, pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, the Housing Authority of the City of Los Angeles, and the California Department of Housing and Community Development.

D. Six (6) months prior to the termination of the rent restriction period under the Regulatory Agreement, Borrower must give written notice to its tenants of the termination of the restrictions on the Restricted Units before their rents may be raised to market rent levels. Borrower must also give written notice, pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, the Housing Authority of the City of Los Angeles, and the California Department of Housing and Community Development.

E. Ninety (90) days prior to the termination of the rent restriction period under the Regulatory Agreement, Borrower must again give written notice to its tenants of the termination of the restrictions on the Restricted Units before their rents may be raised to market rent levels.

3.12 AFFORDABILITY RESTRICTIONS AND MAXIMUM RENTAL
CHARGES. The affordability of the Project and the maximum rental charges shall be maintained as designated in Exhibit N, which is hereby incorporated into this City Loan Agreement by this reference. If HOME Funds are used, Borrower must comply with the affordability requirements contained in 24 CFR 92.252.

3.13 COMPLIANCE WITH REGULATORY AGREEMENT. As a material inducement to Lender making the Loan to Borrower, Borrower covenants to comply with the City Regulatory Agreement in the use and operation of the Property.

3.14 CONFLICTS BETWEEN COVENANTS OR RESTRICTIONS AFFECTING THE PROPERTY. Any conflicts between the restrictive provisions contained in this City Loan Agreement, the City Note, the City Deed of Trust, the City Regulatory Agreement, and any other agreements in connection with the Loan or any other loan which affect the Property, are to be resolved by applying the more restrictive covenants or restrictions which affect the Property.

ARTICLE 4. EMPLOYMENT

4.1 NONDISCRIMINATION.

Unless otherwise exempt, this City Loan Agreement is subject to the applicable non-discrimination, equal benefits, equal employment practices, and affirmative action program provisions in Los Angeles Administrative Code (“LAAC”) Section 10.8, et seq., as amended from time to time.

A. Borrower shall comply with the applicable non-discrimination and affirmative action provisions of the laws of the United States of America, the State of California, and City. In performing this Loan Agreement, Borrower shall not discriminate in any of its hiring or employment practices against any employee or applicant for employment because of such person’s race, color, religion, national origin, ancestry, sex, sexual orientation, gender, gender identity, age, disability, domestic partner status, marital status or medical condition.

B. The requirements of Section 10.8.2.1 of the LAAC, the Equal Benefits Ordinance, and the provisions of Section 10.8.2.1 (f) are incorporated and made a part of this City Loan Agreement by reference.

C. The provisions of Section 10.8.3 of the LAAC are incorporated and made a part of this Agreement by reference and will be known as the “Equal Employment Practices” provisions of this City Loan Agreement.

D. The provisions of Section 10.8.4 of the LAAC are incorporated and made a part of this Agreement by reference and will be known as the “Affirmative Action Program” provisions of this City Loan Agreement.

Any subcontract entered into by Borrower for work to be performed under this City
4.2 **EQUAL OPPORTUNITY.** Borrower and any contractors, subcontractors, and professional service providers for the Project shall comply with all requirements concerning equal employment opportunity as set forth in this City Loan Agreement and any attachments, and shall incorporate such provisions in all construction contracts, professional services contracts, and subcontracts for work on the Project.

A. Pursuant to Executive Order 11246 and implementing regulations at 41 CFR Chapter 60, the Borrower, for itself and its successors and assigns, agrees that:

1. The Borrower shall not discriminate against any employee or applicant for employment because of race, color, religion, creed, sex, sexual orientation, gender identity, transgender status, national origin, ancestry, physical handicap, medical condition, age, marital status, mental condition, blindness or other physical disability, acquired immune deficiency syndrome (AIDS), acquired or perceived, familial status, pregnancy, childbirth or related medical condition. The Borrower will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, religion, national origin, ancestry, sex, sexual orientation, gender identification, transgender status, sex stereotypes, age, physical handicap, mental disability, medical condition, marital status, domestic partnership status, pregnancy, childbirth and related medical conditions, familial status, acquired immune deficiency (AIDS), acquired or perceived, citizenship, and political affiliation or belief. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. The Borrower shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause.

2. The Borrower shall, in all solicitations or advertisements for employees placed by or on behalf of the Borrower, state that all qualified applicants will receive consideration for employment without regard to race, religion, national origin, ancestry, sex, sexual orientation, gender identification, transgender status, sex stereotypes, age, physical handicap, mental disability, medical condition, marital status, domestic partner status, pregnancy, childbirth and related medical conditions, familial status, acquired immune deficiency (AIDS), acquired or perceived, citizenship, and political affiliation or belief.

3. The Borrower shall send a notice to each labor union or representative of workers with which the Borrower has a collective bargaining agreement or other contract or understanding, advising the labor union or worker's
representative of the Borrower's commitments under Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

4. The Borrower shall comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

5. The Borrower shall furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of HUD pursuant thereto and will permit access to the Borrower's books, records and accounts by the City, the Secretary of HUD, and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

6. In the event of the Borrower's noncompliance with the nondiscrimination clauses of this Section, or with any of the said rules, regulations, or orders, following notice and an opportunity to cure as provided in below, this City Loan Agreement may be canceled, terminated, or suspended in whole or in part and the Borrower may be declared ineligible for further government contracts or federally assisted construction contracts in accordance with procedures authorized by Executive Order 11246 of September 24, 1965, or by rules, regulations, or orders of the Secretary of Labor, or as otherwise provided by law.

7. The Borrower shall include the provisions of Paragraphs (1) through (6) of this Section in every contract or purchase order, and will require the inclusion of these provisions in every subcontract entered into by any of its contractors, unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each such contractor, subcontractor, or vendor, as the case may be. The Borrower will take such action with respect to any construction contract, subcontract, or purchase order as the City or HUD may direct as a means of enforcing such provisions, including sanctions for noncompliance. For the purpose of including such provisions in any construction contract, subcontract, or purchase order, as required hereby, the first two (2) lines of this subsection shall be changed to read "During the performance of this Contract, the Borrower agrees as follows:" and the term "Borrower" shall be changed to "Contractor."

B. Except as provided in California Government Code Section 12940, et seq., the Borrower shall not engage in the following prohibited employment practices:

Refusal to hire or employ any person or refusal to select any person for any training program leading to employment, or to bar or to discharge such person from
employment or from such training program leading to employment, or to
discriminate against such person in compensation or in terms, conditions or
privileges of employment because of race, color, religion, creed, sex, sexual
preference or orientation, national origin, ancestry, physical handicap, medical
condition, age, marital status, mental condition, blindness or other physical
disability, acquired immune deficiency syndrome (AIDS), acquired or perceived,
familial status, pregnancy, childbirth or related medical condition.

C. Unless otherwise exempt, this agreement is subject to the equal employment
practices provisions in Section 10.8.3 of the Los Angeles Administrative Code,
State and Federal requirements, as amended from time to time.

1. During the performance of this agreement, Borrower agrees and represents
that it will provide equal employment practices, including compensation,
and Borrower and each contractor and subcontractor hereunder will ensure
that in his or her employment practices, persons are employed and
employees are treated equally and without regard to or because of race,
religion, national origin, ancestry, sex, sexual orientation, gender
identification, transgender status, sex stereotypes, age, physical handicap,
mental disability, medical condition, domestic partner status, marital status,
pregnancy, childbirth and related medical conditions, citizenship and
political affiliation or belief

   a. This provision applies to work or service performed or materials
      manufactured or assembled in the United States.

   b. Nothing in this section shall require or prohibit the establishment of
      new classifications of employees in any given craft, work or service
category.

   c. Borrower agrees to post a copy of Paragraph 1 hereof in conspicuous
      places at its place of business available to employees and applicants
      for employment.

2. Borrower will, in all solicitations or advertisements for employees placed
by or on behalf of Borrower, state that all qualified applicants will receive
consideration, including compensation, for employment without regard to
their race, religion, national origin, ancestry, sex, sexual orientation, gender
identification, transgender status, sex stereotypes, age, physical handicap,
mental disability, medical condition, domestic partner status, marital status,
pregnancy, childbirth and related medical conditions, citizenship, and
political affiliation or belief.

3. As part of the City’s supplier registration process, and/or at the request of
the awarding authority, or the Board of Public Works, Office of Contract
Compliance, Borrower shall certify in the specified format that he or she
has not discriminated in the performance of City contracts against any employee or applicant for employment on the basis of compensation or because of race, religion, national origin, ancestry, sex, sexual orientation, gender identification, transgender status, sex stereotypes, age, physical handicap, mental disability, medical condition, domestic partner status, marital status, pregnancy, childbirth and related medical conditions, citizenship, and political affiliation or belief.

4. Borrower shall permit access to and may be required to provide certified copies of all of his or her records pertaining to employment and to employment practices by the awarding authority or the Office of Contract Compliance for the purpose of investigation to ascertain compliance with the Equal Employment practices provisions of City contracts. Borrower shall, upon request, provide evidence that it has or will comply therewith.

5. The failure of any Borrower to comply with the Equal Employment Practices provisions of this contract may be deemed to be a material breach of City contracts. Such failure shall only be established upon a finding to that effect by the awarding authority, on the basis of its own investigation or that of the Board of Public Works, Office of Contract Compliance. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice, and an opportunity to be heard has been given to Borrower.

6. Upon a finding duly made that Borrower has failed to comply with the Equal Employment Practices provisions of a City contract, the contract may be forthwith canceled, terminated or suspended, in whole or in part, by the awarding authority, and all monies due or to become due hereunder may be forwarded to and retained by the City. In addition such failure to comply may be the basis for a determination by the awarding authority or the Board of Public Works that the Borrower is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Charter of the City of Los Angeles. In the event of such a determination, Borrower shall be disqualified from being awarded a contract with the City for a period of two years, or until Contractor shall establish and carry out a program in conformance with the provisions hereof.

7. Notwithstanding any other provision of this contract, the City shall have any and all other remedies at law or in equity for any breach hereof.

8. Nothing contained in this Contract shall be construed in any manner so as to require or permit any act which is prohibited by law.

9. At the time a supplier registers to do business with the City, or when an individual bid or proposal is submitted, Contractor shall agree to adhere to
the Equal Employment Practices specified herein during the performance or conduct of City Contracts.

10. Equal Employment Practices shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:

a. Hiring practices;

b. Compensation;

c. Apprenticeships where such approved programs are functioning and other on-the-job training for non-apprenticeable occupations;

d. Training and promotional opportunities; and

e. Reasonable accommodations for persons with disabilities.

11. Any contract or subcontract entered into by Borrower, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract. Failure of Borrower to comply with this requirement or to obtain the compliance of its contractors or subcontractors with all such obligations shall subject Borrower to the imposition of any and all sanctions allowed by law, including but not limited to termination of the Borrower’s Contract with the City.

4.3 EMPLOYMENT OPPORTUNITIES FOR BUSINESS AND LOWER-INCOME PERSONS. Borrower and any contractors, subcontractors, and professional service providers for the Project shall comply with all requirements concerning equal opportunities for business and lower-income persons (referred to as a Section 3 clause, of the HUD Act of 1968, 12 U.S.C. 1701u and implementing regulations at 24 CFR part 135) as set forth in Exhibit Q, which is hereby incorporated into this City Loan Agreement by this reference, and shall incorporate such provisions in all construction contracts, professional services contracts, and subcontracts for work on the Project. Section 3 requires that, to the greatest extent feasible, opportunities for training and employment be given to lower-income residents of the Project area and agreements for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by persons residing in, the area of the Project. If these requirements apply to the Project, then:

A. The parties to this City Loan Agreement shall comply with the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary of HUD set forth in Title 24 CFR, Part 135, and all applicable rules and orders of HUD issued thereunder prior to the execution of this City Loan Agreement. The parties to this City Loan Agreement certify and agree that they are under no contractual or other disability which would prevent them from complying with these requirements.
B. The Borrower shall send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers' representative of his/her commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment and training.

C. The Borrower shall include this Section 3 clause in every subcontract for work in connection with the project and will, at the direction of the applicant for, or recipient of, Federal financial assistance, take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the Secretary of HUD, 24 CFR Part 135. The Borrower shall not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of regulations under Title 24 CFR Part 135 and will not subcontract unless the subcontractor has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

D. Compliance with the provisions of Section 3, the regulations set forth in Title 24 CFR Part 135, and all applicable rules and orders of the Department issued thereunder prior to the execution of this City Loan Agreement, shall be a condition of the federal financial assistance provided to the Project, binding upon the applicant or recipient for such assistance, its successors, and assigns. Failure to fulfill these requirements shall subject the Borrower and its subcontractors, its successors, and assigns to those sanctions specified by this City Loan Agreement or Contract through which federal assistance is provided, and to such sanctions as are specified by Title 24 CFR Part 135.

4.4 PARTICIPATION OF SMALL, MINORITY AND WOMEN’S BUSINESSES (MBE/WBE). Borrower and any contractors and subcontractors for the Project shall comply with the policies of Lender, the state, and the federal government concerning minority- and women-owned business enterprises (including Executive Order 11625, as amended by Executive Order 12007 (Minority Business Enterprises); Executive Order 12432 (Minority Business Enterprise Development), and Executive Order 12138 as amended by Executive Order 12608 (Women’s Business Enterprise)), shall use its best efforts to obtain the maximum utilization of minority- and women-owned business enterprises based in Los Angeles, and shall ensure that minority-and women-owned business enterprises based in Los Angeles shall have maximum practicable opportunity to compete for subcontractor work under this City Loan Agreement, as set forth in this City Loan Agreement and any attachments. Borrower shall incorporate similar provisions in all contracts and subcontracts for work on the Project.

Borrower agrees and shall cause any contractors and subcontractors for the Project to agree and obligate itself to utilize the services of Minority, Women and Other Business Enterprise firms on a level so designated in its proposal, if any. Borrower certifies and shall cause any contractors and subcontractors to certify that it has complied with Mayoral Directive 2001-26 regarding contracts greater than $100,000 (One Hundred Thousand Dollars), if applicable. Borrower shall not change any of these designated contractors or subcontractors, nor shall Borrower reduce their
level of effort, without prior written approval of the City.

4.5 **AFFIRMATIVE ACTION PROGRAM.** Unless otherwise exempt, this contract is subject to the affirmative action program provisions in Section 10.8.4 of the Los Angeles Administrative Code, State and Federal requirements, as amended from time to time.

A. During the performance of a City contract, Borrower certifies and represents that Borrower and each contractor and subcontractor hereunder will adhere to an affirmative action program to ensure that in its employment practices, including compensation, persons are employed and employees are treated equally and without regard to or because of race, religion, national origin, ancestry, sex, sexual orientation, gender identification, transgender status, sex stereotypes, age, physical handicap, mental disability, medical condition, domestic partner status, marital status, pregnancy, childbirth and related medical conditions, citizenship, and political affiliation or belief.

1. This provision applies to work or services performed or materials manufactured or assembled in the United States.

2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.

3. Borrower shall and shall cause contractors and subcontractors to post a copy of Paragraph A hereof in conspicuous places at its place of business available to employees and applicants for employment.

B. Borrower will, in all solicitations or advertisements for employees placed by or on behalf of Borrower, state that all qualified applicants will receive consideration for employment, including compensation without regard to their race, religion, national origin, ancestry, sex, sexual orientation, gender identification, transgender status, sex stereotypes, age, physical handicap, mental disability, medical condition, domestic partner status, marital status, pregnancy, childbirth and related medical conditions, citizenship, and political affiliation or belief.

C. As part of the City’s supplier registration process, and/or at the request of the awarding authority or the Office of Contract compliance, Borrower shall certify on an electronic or hard copy form to be supplied, that Borrower, its contractor or subcontractor has not discriminated in the performance of City contracts against any employee or applicant for employment on the basis of compensation or because of race, religion, national origin, ancestry, sex, sexual orientation, gender identification, transgender status, sex stereotypes, age, physical handicap, mental disability, medical condition, domestic partner status, marital status, pregnancy, childbirth and related medical conditions, citizenship, and political affiliation or belief.

D. Borrower shall permit access to and may be required to provide certified copies of
all of its records pertaining to employment and to its employment practices by the awarding authority or the Office of Contract Compliance, for the purpose of investigation to ascertain compliance with the Affirmative Action Program provisions of City contracts. Borrower shall, upon request, provide evidence that it has or will comply therewith.

E. The failure of Borrower or any contractor or subcontractor to comply with the Affirmative Action Program provisions of City contracts may be deemed to be a material breach of contract. Such failure shall only be established upon a finding to that effect by the awarding authority, on the basis of its own investigation or that of the Board of Public Works, Office of Contract Compliance. No such finding shall be made except upon a full and fair hearing after notice and an opportunity to be heard has been given to Borrower.

F. Upon a finding duly made that Borrower has breached the Affirmative Action Program provisions of a City contract, the contract may be forthwith cancelled, terminated or suspended, in whole or in part, by the awarding authority, and all monies due or to become due hereunder may be forwarded to and retained by the City. In addition such breach may be the basis for a determination by the awarding authority or the Board of Public Works that said Borrower is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Los Angeles City Charter. In the event of such determination, such Borrower shall be disqualified from being awarded a contract with the City for a period of two years, or until he or she shall establish and carry out a program in conformance with the provisions hereof.

G. In the event of a finding by the Fair Employment and Housing Commission of the State of California, or the Board of Public Works of the City of Los Angeles, or any court of competent jurisdiction, that Borrower has been guilty of a willful violation of the California Fair Employment and Housing Act, or the Affirmative Action Program provisions of a City contract, there may be deducted from the amount payable to Borrower by the City under the contract, a penalty of ten dollars ($10.00) for each person for each calendar day on which such person was discriminated against in violation of the provisions of a City contract.

H. Notwithstanding any other provisions of a City contract, the City shall have any and all remedies at law or in equity for any breach hereof.

I. Nothing contained in City contracts shall be construed in any manner so as to require or permit any act which is prohibited by law.

J. Borrower shall submit an Affirmative Action Plan which shall meet the requirements of the Los Angeles Administrative Code at the time it submits its bid or proposal or at the time it registers to do business with the City. The Plan shall be subject to approval by the Office of Contract Compliance prior to award of the
contract. The awarding authority may also require Borrower’s contractors, subcontractors, and suppliers to take part in a pre-registration, pre-bid, pre-proposal, or pre-award conference in order to develop, improve or implement a qualifying Affirmative Action Plan. Affirmative Action Programs developed pursuant to this section shall be effective for a period of twelve months from the date of approval by the Office of Contract Compliance. In case of prior submission of a Plan, Borrower may submit documentation that it has an Affirmative Action Plan approved by the Office of Contract Compliance within the previous twelve months. If the approval is 30 days or less from expiration, Borrower must submit a new Plan to the Office of Contract Compliance and that Plan must be approved before the contract is awarded.

1. Every contract of $5,000 or more which may provide construction, demolition, renovation, conservation or major maintenance of any kind shall in addition comply with the requirements of Section 10.13 of the Los Angeles Administrative Code.

2. Borrower may establish and adopt as its own Affirmative Action Plan, by affixing his or her signature thereto, an Affirmative Action Plan prepared and furnished by the Office of Contract Compliance, or it may prepare and submit its own Plan for approval.

K. The Office of Contract Compliance shall annually supply the awarding authorities of the City with a list of contractors and suppliers who have developed Affirmative Action Programs. For each contractor and supplier the Office of Contract Compliance shall state the date the approval expires. The Office of Contract Compliance shall not withdraw its approval for any Affirmative Action Plan or change the Affirmative Action Plan after the date of contract award for the entire contract term without the mutual agreement of the awarding authority and Borrower.

L. The Affirmative Action Plan required to be submitted hereunder and the pre-registration, pre-bid, pre-proposal or pre-award conference which may be required by the Board of Public Works, Office of Contract Compliance or the awarding authority shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:

6. The entry of qualified women, minority and all other journeymen into the industry; and

7. The provision of needed supplies or job conditions to permit persons with disabilities to be employed, and minimizes the impact of any disability.

M. Any adjustments which may be made in the Borrower’s, contractor’s, subcontractor’s or supplier’s work force to achieve the requirements of the City’s Affirmative Action Contract Compliance Program in purchasing and construction shall be accomplished by either an increase in the size of the workforce or replacement of those employees who leave the workforce by reason of resignation, retirement or death and not by termination, layoff, demotion or change in grade.

N. Affirmative Action Agreements resulting from the proposed Affirmative Action Plan or the pre-registration, pre-bid, pre-proposal or pre-award conferences shall not be confidential and may be publicized by the contractor at his or her discretion. Approved Affirmative Action Agreements become the property of the City and may be used at the discretion of the City in its contract compliance Affirmative Action Program.

O. All contractors subject to the provisions of this section shall include a like provision in all subcontracts awarded for work to be performed under the Contract and shall impose the same obligations, including but not limited to filing and reporting obligations, on the subcontractors as are applicable to the contractor. Failure of the contractor to comply with this requirement or to obtain the compliance of its subcontractors with all such obligations shall subject the contractor to the imposition of any and all sanctions allowed by law, including but not limited to termination of the Contract.

A. During the performance of the project, the Borrower certifies and represents that the Borrower and any contractor and subcontractor will comply with the EBO.

B. The failure of the Borrower to comply or to ensure that any contractor or subcontractor comply with the EBO will be deemed by the City to be a material breach of the City Loan Agreement.

C. If the Borrower and any contractor and subcontractor fails to comply with the EBO, the City may cancel, terminate or suspend the City Loan Agreement, in whole or in part, and all monies due or to become due under the City Loan Agreement may be retained by the City. The City may also pursue any and all other remedies at law or in equity for any breach.

D. Failure to comply with the EBO may be used as evidence against the Borrower in actions taken pursuant to the provisions of Los Angeles Administrative Code Section 10.40 *et seq.*, Contractor Responsibility Ordinance.

E. If the City’s designated Administrative Agency determines that a Borrower has set up or used its contracting entity for the purpose of evading the intent of the EBO, the City may terminate the City Loan Agreement. Violation of this provision may be used as evidence against the Borrower in actions taken pursuant to the provisions of the Los Angeles Administrative Code Section 10.40 *et seq.*, Contractor Responsibility Ordinance.

F. The Borrower shall post and shall ensure posting the following statement in conspicuous places at its place of business and the project available to employees and applicants for employment:

Any subcontract entered into by Borrower for work to be performed under this City Loan Agreement must include an identical provision.

In the event that Borrower fails to monitor or enforce these requirements against any contractor or subcontractor, Borrower shall be liable for the full amount of any underpayment of wages, plus costs and attorney’s fees, as if Borrower was the actual employer, and Lender may withhold payments to Borrower, may impose liquidated damages on Borrower in the amounts specified herein, may take action directly against the contractor or subcontractor as permitted by law, and/or may declare an Event of Default and pursue any of the other remedies available under this City Loan Agreement.

4.15 LABOR COMPLIANCE MEETING. The Borrower shall meet with LAHD’s Labor Compliance staff for a pre-construction briefing on all City construction requirements prior to the issuance of a notice to proceed.

ARTICLE 5. INDEMNITY AND INSURANCE

5.1 DAMAGE TO PROPERTY. If any building or improvements erected by Borrower on the Property is damaged or destroyed by an insurable cause, Borrower shall, at its cost and expense, diligently undertake to repair or restore said buildings and improvements consistent with the original Plans and Specifications for the Project. Such work or repair shall be commenced within one hundred twenty (120) days after the damage or loss occurs and shall be complete within eighteen (18) months thereafter. All insurance proceeds collected for such
damage or destruction shall be applied to the cost of such repairs or restoration and, if such insurance proceeds shall be insufficient for such purpose, Borrower shall make up the deficiency. Where the City is a lienholder, insurance must be issued covering the replacement cost value of the property with a Lender’s Loss Payable endorsement listing the City as a loss payee as its interests may appear. The policy must remain in effect through the term of the loan.

5.2 INSURANCE COVERAGE.

A. General Conditions. During the term of this City Loan Agreement and the City Regulatory Agreement and without limiting Borrower's obligation to indemnify, hold harmless and defend City, Borrower shall provide and maintain at its own expense a program of insurance having the coverages and limits not less than the required amounts and types as determined by the Office of the City Administrative Officer of Los Angeles, Risk Management (Form General 146 in Exhibit Q). The insurance must (1) conform to City’s requirements; (2) comply with the Insurance Contractual Requirements (Form General 133 which is included in Exhibit Q); and (3) otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. Borrower shall comply with all Insurance Contractual Requirements shown in Exhibit Q, which is hereby incorporated by reference and made a part of this City Loan Agreement.

B. Modification of Coverage. City reserves the right at any time during the term of this City Loan Agreement and the City Regulatory Agreement to change the amounts and types of insurance required hereunder by giving Borrower and any contractor and subcontractor ninety (90) days advance written notice of such change. If such change should result in substantial additional cost to the Borrower and any contractor and subcontractor, City agrees to negotiate additional compensation proportional to the increased benefit to City.

C. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the commencement of any work, inception of any operations, or tenancy by Borrower and any contractor and subcontractor. Borrower’s and any contractor’s and subcontractor’s failure to procure or maintain required insurance during the entire term of this City Loan Agreement and Regulatory Agreement shall constitute a material breach of this City Loan Agreement under which City may immediately suspend or terminate this City Loan Agreement or, at its discretion, procure or renew such insurance to protect City’s interests and pay any and all premiums in connection therewith and shall become an additional obligation of Borrower to Lender and shall be secured by the City Deed of Trust.

D. Proceeds. All proceeds of insurance with respect to loss or damage to the Project during the term of the City Loan shall be payable, under the provisions of the policy of insurance, jointly to the Borrower, the City, construction lender[s], permanent
lenders and any other lender permitted by the City, and said proceeds shall constitute a trust fund to be used for restoration, repair or rebuilding of the Project in accordance with plans and specifications approved in writing by the City. To the extent that such proceeds exceed the cost of such restoration, repair or rebuilding, such proceeds shall be applied first to repay the approved secured senior lenders and then to repay the City Loan. In the event of any fire or other casualty to the project or eminent domain proceedings resulting in condemnation of the project improvements or any part thereof, the Borrower shall have the right to rebuild the improvements, and to use all available insurance proceeds therefor, provided that (a) such proceeds are sufficient to keep the City Loan in balance and rebuild the improvements in a manner that provides adequate security to the City for repayment of the City Loan or if such proceeds are insufficient then the Borrower shall have funded any deficiency, (b) the City shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no material default then exists under the City Loan. If the casualty affects only part of the improvements and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the City Loan in a manner that provides adequate security to the City for repayment of the remaining balance of the City Loans.

E. Underlying Insurance. Borrower shall be responsible for requiring indemnification and insurance as it deems appropriate from its employees receiving mileage allowance and from its consultants, agents and subcontractors, if any, to protect Borrower’s and City’s interests and for ensuring that such persons comply with any applicable insurance statutes. Borrower is encouraged to seek professional advice in this regard.

F. Worker’s Compensation. By signing this City Loan Agreement, Borrower hereby certifies that it is aware and shall make any contractor and subcontractor aware of the provisions of Sections 3700 et seq., of the Labor Code which require every employer to be insured against liability for Workers’ Compensation and that it will comply with such provisions at all such times as they may apply during the performance of the work pursuant to this City Loan Agreement.

A Waiver of Subrogation in favor of City will be required when work is performed on City premises under hazardous conditions.

5.3 INSURANCE POLICY REQUIREMENTS DURING ACQUISITION AND DEVELOPMENT. At close of escrow, the Borrower must provide the City with a one (1) year prepaid Certificate of Insurance policy (or binder followed by a certificate within thirty (30) days of loan closing) evidencing the required coverage stated below. The term of the insurance policy must not be less than the expected development period or one year, whichever is greater:

A. Builders Risk Property Insurance. Prior to the start of construction, Borrower shall provide and maintain Builders Risk property insurance protecting such
property from "Special Form" causes of loss for the actual replacement cost value of such property. Property insured under this section shall include, but not be limited to the following: All labor and materials comprising new work on the project site, including footings and foundations below grade, materials and equipment destined to become a permanent part of the finished structure and all soft costs applicable to development. Builders Risk insurance shall also extend to building materials located at off-site storage areas or in transit in amounts not less than $50,000 or actual replacement cost value, whichever is greater. The property insurance limit applicable to all property on the site shall be no less than 100% of the actual replacement cost new. cure of any default made or tendered by one or more of Borrower’s limited partners (if applicable) shall be deemed to be a cure by Borrower and shall be accepted or rejected on the same basis as if made or tendered by Borrower.

7.4 LENDER'S REMEDIES.

A. Upon the happening of an Event of Default by Borrower and a failure to cure said Event of Default within the time specified in Article 7.3 above, Lender's obligation to disburse Loan proceeds shall terminate, and Lender may also, in addition to other rights and remedies permitted by the Loan Documents or applicable law, proceed with any or all of the following remedies in any order or combination Lender may choose in its sole discretion:

1. 12. Demand Borrower to pay all fines, penalties, and fees levied against the City, including any enforcement, repayment of funds to HUD and legal costs.

13. Require Borrower to utilize Residual Receipts otherwise payable to Borrower and require Borrower to disburse funds from the Operating Reserve and/or the Replacement Reserve to make repairs to the Project to correct any default hereunder, or, in Lender’s sole discretion, take possession of any such Residual Receipts, the Operating Reserve and/or the Replacement Reserve and carry out such repairs.

B. Upon an Event of Default, the outstanding principal and interest and any other sums outstanding in connection with the Loan shall thereafter bear interest at the Default Rate of fifteen percent (15%) (or any lesser maximum rate permitted by law), payable from the date of such written declaration until paid in full.

C. Upon an Event of Default, Lender is entitled to its equity share upon the sale or transfer of the property. LAHD will be entitled to a share in any appreciation that has occurred between the acquisition and the time of sale or transfer. LAHD’s share in the appreciation will be equal to the proportion of the LAHD loan funds
used in the purchase of the property or the amount of LAHD loan funds used to repay an acquisition bridge loan. This Article 7.4(C) shall apply until construction has been completed and a Notice of Completion has been issued.

7.5 **BORROWER'S REMEDIES.** Upon the fault or failure of Lender to meet any of its obligations under the Loan Documents, Borrower may:

The Investor/Limited Partner must replace the Interim General Partner with a permanent replacement General Partner (“Permanent Replacement General Partner”) within 90 days from the date the General Partner was removed from the Partnership. Upon written request from the Borrower, Lender may give the Borrower thirty (30) day extensions at Lender’s sole discretion, up to a total of a ninety (90) day extension, but no longer than a total of one hundred and eighty (180) days from the date the General Partner was removed from the Partnership. The nomination of the Permanent Replacement General Partner shall be subject to Lender’s consent.

Managing General Partner and Investor/Limited Partner are the entities named in Article 1.6.

B. Transfer of Limited Partnership Interest. The Investor/Limited Partner may sell or assign their limited partnership interest in the Partnership to an Affiliate of the Investor/Limited Partner without Lender’s prior written consent. Any other sale or assignment by the Investor/Limited Partner of their limited partnership interest in the Partnership shall require the prior written consent of the Lender. For purposes of this agreement, an Affiliate of the Investor/Limited Partner means any investor or investment fund in which the general partner or managing member of the investor or investment fund, directly or indirectly controls, is controlled by or is under common control with the Investor/Limited Partner.
C. Amendment of Partnership Agreement. The Partnership Agreement shall not be amended without the prior written consent of Lender, except as necessary to memorialize the assignment or sale of the limited partnership interests by the Investor/Limited Partner as permitted pursuant to this agreement; and to memorialize the Interim General Partner as permitted pursuant to this agreement.

D. Reserve Credits. Lender acknowledges that the amounts held in the operating and replacement reserves by Investor/Limited Partner or the Senior Lien holder for the Project shall be credited, on a dollar for dollar basis, against the operating and replacement reserve requirements as set forth in Articles 1.18 and 1.19 of this City Loan Agreement.

E. Extension of Time to Complete and Occupy the Project. Upon the removal and replacement of the general partner in compliance with this City Loan Agreement, the Interim General Partner and/or the Permanent Replacement General Partner must perform and comply with all provisions of this agreement. Interim General Partner and/or Permanent Replacement General Partner must diligently and continuously cause the completion of construction of the Project and full occupancy of the Project by qualifying tenants on or before the date specified for such completion of construction and occupancy in the Loan Documents. Lender will grant an extension of time for completion of construction and full occupancy of the Project upon written request by Borrower showing its diligence in completing construction and causing full occupancy of the Project. The extension of time shall not be greater than deadlines imposed by any funding regulation applicable to this agreement.

8.2 CONSTRUCTION OF PROVISIONS AND TITLES HEREIN. All titles, subtitles, or headings in this City Loan Agreement have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions hereof. The language of this City Loan Agreement shall be construed according to its fair meaning and not strictly for or against the Lender or Borrower. The word “Borrower” in this City Loan Agreement includes the party or parties identified in the City Loan Agreement. The singular shall include the plural; if there is more than one Borrower herein, unless expressly stated otherwise, their obligations and liabilities hereunder shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

8.3 RELATIONSHIP OF PARTIES. The relationship of Borrower and Lender for this Project under this City Loan Agreement is and at all times shall remain solely that of a debtor and a creditor, and shall not be construed as a joint venture, equity venture, partnership, or any other relationship. Lender neither undertakes nor assumes any responsibility or duty to Borrower (except as provided for herein) or any third party with respect to the Project, the Property, or the Loan. A. Assign or otherwise alienate any of its rights under this City Loan Agreement or the Loan Documents to any other party, including right to payment; or

B. Delegate, subcontract, or otherwise transfer any of its duties under this City Loan Agreement.

8.5 BINDING UPON SUCCESSORS. All provisions of these Loan Documents shall be binding upon and inure to the benefit of the heirs, administrators, executors, successors-in-interest, transferees, and assigns of each of the parties; provided, however, that this section does not waive the prohibition on assignment of this City Loan Agreement by Borrower without Lender's consent.

8.6 CONFLICTS OF INTEREST. Borrower covenants that none of its directors, officers, employees, or agents shall participate in selecting, or administering any of its subcontracts supported (in whole or in part) by Federal funds where such person is a director, officer, employee or agent of the subcontractor; or where such person knows or should have known that:

1. A member of such person's immediate family or domestic partner, or organization has a financial interest in the subcontract;

2. The subcontractor is someone with whom such person has or is negotiating any prospective employment; or

3. The participation of such persons would be prohibited by the California Political Reform Act, California Government Code Section 87100, et seq., if such person were a public officer, because such person would have a "financial or other interest" in the subcontract.

4. No members of the Board of Directors may be employed by the Contractor if this Contractor is a corporation.

C. WHEREAS, as consideration for the City Loan from Lender to Borrower, Borrower has executed this note (“Prop HHH City Note”), memorializing Borrower’s obligation to repay the City the Proposition HHH Funds; and

D. WHEREAS, to secure the Prop HHH City Note, the Borrower has executed the City Loan Agreement, the City Deed of Trust and the City Regulatory Agreement.

1. NOW, THEREFORE, FOR VALUE RECEIVED, the Borrower, promises to pay to the order of Lender a total principal amount of X Dollars ($X) and all accrued interest thereon or so much as may be advanced to the Borrower pursuant to the City Loan Agreement and as evidenced by this Prop HHH City Note.

2. The obligation of the Borrower is subject to the terms of the City Loan Agreement, the City Deed of Trust, the City Regulatory Agreement, and this Prop HHH City Note. This Prop HHH City Note and said other loan documents mentioned in the immediately preceding sentence are public records on file in the office of the City
Clerk, and the provisions of said other loan documents mentioned in this paragraph are incorporated herein by this reference.

3. All initially capitalized terms in this Prop HHH City Note shall have the definition ascribed to such term in the City Loan Agreement. The following terms are defined in the City Loan Agreement and repeated here for convenience of reference:

   a. "Annual Financial Statement" means the financial statement of Operating Expenses and Revenues, prepared at the Borrower's expense, by an independent certified public accountant reasonably acceptable to the City, which shall form the basis for determining the Residual Receipts.

   b. "Operating Expenses" shall mean actual, approved reasonable and customary costs, fees and expenses directly attributable to the operation, recordkeeping, maintenance, taxes and management of the Project, including but not limited to a commercially reasonable property management fee; taxes and assessments; payroll and payroll taxes for property employees; insurance; security, painting, cleaning, repairs, and alterations; landscaping; sewer charges; utility charges; advertising, promotion and publicity; cable television, satellite and other similar services; office, janitorial, cleaning and building supplies; purchase, repair, servicing and installation of appliances, equipment, fixtures and furnishing; fire alarm monitoring; fees and expenses of accountants, attorneys, consultants and other professionals; and supportive services expenses for supportive services coordination case management as defined under Article 1 (Supportive Services Amount and Supportive Services Reserve Fund) in the City Loan Agreement. Also included in Operating Expenses are those costs incurred by the transfer of households, within the development, that are not appropriately housed in regards to accessibility. Specifically, the cost of transferring a household from an accessible unit, who does not need the accessibility features of that unit, to a comparable, conventional unit and the costs of transferring a household in a non-accessible conventional unit to an accessible unit so that the household with a person who has a disability that requires the accessible features of that unit can be appropriately housed. The transfer costs of moving these households, any utility transfer costs, if applicable, and unit preparation costs for occupancy are eligible Operating Expenses. The cost of making unit modifications requested by tenants in order to make a conventional unit more accessible for their use, and any costs associated with providing effective communications (including interpreters) with limited English speaking persons are also eligible Operating Expenses and reasonable accommodations to make housing and housing-related services accessible to individuals with disabilities in accordance with Section 504/ADA regulations and the Accessibility Covenants contained in the Regulatory Agreement. All development expenses will be excluded. Operating Expenses do not include:
depreciation, amortization, depletion or other non-cash expenses, nor any capital costs associated with the development. The Operating Expenses shall be reported in the audited Annual Financial Statement. Expenses for the purpose of calculating Residual Receipts are subject to LAHD approval and shall be calculated on an accrual basis.

c. "Payment Date" shall mean [DATE] for the first payment, and annually thereafter until the City Loan is paid in full or otherwise terminated.

d. "Residual Receipts" shall mean Revenues reduced in the following order: (1) Operating Expenses calculated on an accrual basis; (2) debt service on senior project debt secured by the senior position deed of trust; (3) deposits to the Operating Reserve Fund; (4) deposits to the Replacement Reserve Fund; (5) deposits to the Supportive Services Reserve Fund; (6) repayment of General Partner Operating Loans; (7) deferred developer fees paid with cash (excluding any interest); and (8) related third party transactions, including but not limited to partnership management fee, investor service fee, asset management fee, annual partnership review fee, administrative fee, incentive supervisor fee, and/or facility administration fee. The combined total amount of related third party transactions shall not exceed twenty-five thousand dollars ($25,000) annually with an annual increase of 3.5%, or Portfolio Management Guidelines, whichever is greater. These fees must be substantiated prior to the closing of the loan by the developer and cannot include charges for any office overhead for the development of the Project or Operating Expenses. Deferred developer fees shall be drawn from project cash flow over the first fifteen (15) years of project operation.

e. "Revenue" shall mean all income derived from the Project, including but not limited to rent from the units, laundry operations, and parking fees. Syndication proceeds or interest earned on reserves and income derived from a commercial component (if applicable) shall not be deemed Revenue.

4. This Note evidences the obligation of the Borrower to Lender to repay funds loaned to the Borrower to finance a portion of the cost of construction and permanent financing for the Project.

5. This Note is payable in lawful money of the United States at the office of the Los Angeles Housing Department, 1200 W. 7th Street, 8th Floor, Los Angeles, California 90017, or at such other place as the holder hereof may inform the Borrower in writing.

6. This Note shall bear simple interest at the rate of three percent (3%) per annum on the principal amount outstanding from the date of the warrant (Los Angeles City check), until paid. Interest shall be computed based upon a three hundred sixty-five (365) day year.

7. All interest accrued from the date of the warrant (Los Angeles City check) until the
date of Project Completion (the “Construction Period Interest”), shall be due and payable to Lender within sixty (60) days after the date of Project Completion, but not later than the date of Permanent Loan Conversion. Payment of the Construction Period Interest is a condition required prior to conversion from a construction loan to a permanent loan. All interest accrued after the date of Project Completion shall be due pursuant to the terms and conditions of this Prop HHH City Note.

8. Unless sooner due pursuant to this Prop HHH City Note, the combined principal of the City Loan and all accrued interest thereon shall be due and payable on the earliest of (a) fifty-seven (57) years from the date of the execution of this Prop HHH City Note, (b) the date the Property is sold or refinanced, or (c) an Event of Default by Borrower which has not been cured as provided for in the City Loan Agreement. The termination date may be extended at the sole discretion of Lender provided the Borrower agrees to extend the Project term of the Restricted Units.

9. Interest shall be due and payable to Lender for the preceding calendar year on the Payment Date. Interest due and unpaid in any given year shall accrue and be cumulative and shall be paid to Lender from City's Share received in subsequent years.

10. Any amounts (including but not limited to amounts of principal and interest on the Loan) which Borrower does not pay when due under the terms of the Loan Agreement or this Prop HHH City Note shall bear the simple interest rate of fifteen percent (15%) ("Default Rate") per annum (or such lesser maximum amount permitted by law), from the date due until the date paid.

11. On or before each Payment Date, the Borrower shall submit its audited Annual Financial Statements to the City for the preceding fiscal year together with, if any, the City's Share. Failure to do so will result in a default of the loan agreement. Once received on a timely basis, the City shall review and approve such financial statements and share of Residual Receipts, or request revisions, within ninety (90) days after receipt. In the event that the City determines as the result of its review that there is an understatement in the amount and payment of Residual Receipts due to the City, Borrower shall promptly pay to the City its share of such understatement, but in any event, within thirty (30) days of notice of such understatement. In the event that the City determines that there is an overstatement, the City shall promptly refund the amount to Borrower within thirty (30) days of such determination.

If contested, Borrower is required to pay under protest. Borrower shall have thirty (30) days from notice of obligation to submit, in writing, any contentions to the City. If the City receives contentions in writing, the City will have forty-five (45) days upon receipt to respond. If no written contentions are received by the City within the thirty (30) days, Borrower is deemed to concur with the obligation.

12. Residual Receipts shall be distributed as follows:
a. City shall receive an amount equal to **fifty percent (50%)** of Residual Receipts of the Project, with such share calculated as 50% of the amount of the City Loan divided by the sum of all soft loans proceeds provided to the Project; and

b. Borrower shall receive an amount equal to **fifty percent (50%)** of Residual Receipts of the Project.

13. City's Share of Residual Receipts shall be applied first to pay current annual interest due, then the cumulative interest owed, and then to reduce the principal amount of the City Loan. Upon payment in full of the City Loan, Lender shall have no further right to payment of any portion of Residual Receipts.

14. The City Loan and all current and accrued interest thereon shall be due and payable immediately if the Project, or any portion thereof or interest therein, is sold, transferred, assigned or refinanced otherwise than in accordance with the City Loan Agreement. Leases in accordance with the City Loan Agreement shall not be in violation of the City Loan Agreement. However, upon Lender's approval of purchaser, the City Loan will be fully assumable by said purchaser.

15. The City Loan is a non-recourse obligation of Borrower. Except for misappropriation of funds, neither the Borrower nor any other party shall have any personal liability for repayment of the City Loan. The sole recourse of Lender under this Prop HHH City Note for repayment of the City Loan shall be the exercise of its rights against the Project and related security thereunder. However, nothing contained in the foregoing limitation of liability shall (a) limit or impair the enforcement of all the rights and remedies of the Lender against all such security for the Note, or (b) be deemed in any way to impair the right of the Lender to assert the unpaid principal amount of the Note as demand for money within the meaning of the California Code of Civil Procedure.

The foregoing limitation of liability is intended to apply only to the obligation for the repayment of the principal of, and payment of interest on the Note; except nothing contained in the foregoing is intended to relieve the Borrower of personal liability for (1) fraud or willful misrepresentation; (2) failure to pay taxes, assessments or other charges (which are not contested by Borrower in good faith) which may create liens on the Property that are payable or applicable prior to any foreclosure under the City Deed of Trust (to the full extent of such taxes, assessments or other charges); (3) the Borrower’s indemnification obligations under the Loan Agreement; (4) misappropriation of any rents, security deposits, insurance proceeds, condemnation awards or any other proceeds derived from the collateral security; and (5) payment to the Lender of any rental income or other income arising with respect to the Property received by the Borrower after the Lender has given notice to the Borrower of the occurrence of an Event of Default, subject to the rights of any lender providing a loan secured by the Property to which the Lender has subordinated the City Deed of Trust.
16. The Borrower shall have the right to prepay without penalty the obligation evidenced by this Prop HHH City Note, or any part thereof, at any time and from time to time.

17. Subject to the City Loan Agreement, Lender, at its option, may declare the City Loan immediately due and payable, together with any accrued interest thereon, if the Borrower fails to fulfill its obligations to Lender under the City Loan Agreement, this Prop HHH City Note, the City Deed of Trust, or any agreement or instrument executed in connection therewith.

18. All covenants, conditions and agreements contained in the City Deed of Trust, City Loan Agreement, and any Loan Documents in connection to the Project, are hereby made a part of this Prop HHH City Note. Upon any Event of Default, as defined in the City Loan Agreement, Lender may exercise any other right or remedy permitted under the Loan Documents.

19. Upon an Event of Default, the outstanding principal and (to the extent permitted by law) interest and any other sums outstanding in connection with the Loan shall thereafter bear interest at the Default Rate of fifteen percent (15%) (or such lesser maximum rate permitted by law), payable from the date of such declaration until paid in full.

20. Upon an Event of Default, Lender is entitled to its equity share upon the sale of the property. LAHD will be entitled to a share in any appreciation that has occurred between the acquisition and the time of sale. LAHD’s share in the appreciation will be equal to the proportion of the LAHD loan funds used in the purchase of the property or the amount of LAHD loan funds used to repay an acquisition bridge loan. This section 20 shall apply until construction has been completed and a Notice of Completion has been issued.

21. In the event that any monetary provisions of the City Loan Agreement, City Regulatory Agreement, City Deed of Trust, and/or this Prop HHH City Note conflict, the terms of this Prop HHH City Note and the City Deed of Trust shall control. In the event that any monetary provisions of this Prop HHH City Note or City Deed of Trust conflict, or in the event that any non-monetary provisions of the City Loan Agreement, City Regulatory Agreement, City Deed of Trust, and/or this Prop HHH City Note conflict, the strictest provision shall control.

B. WHEREAS, in order to support Project costs, and pursuant to Council File No. 21-0112, the Los Angeles City Council authorized LAHD to negotiate and execute loan documents with Borrower based on LAHD’s commitment to fund Borrower up to $X in Proposition HHH funds (“Proposition HHH Funds”) and $Y from the City’s CDBG funds (“CDBG Funds”), for a total loan of $Z, to be used to fund acquisition of the Property (collectively, the “City Loan”); and

C. WHEREAS, as consideration for the City Loan from Lender to Borrower, Borrower has executed this note (“CDBG City Note”), memorializing Borrower’s obligation to repay the City the CDBG Funds; and

D. WHEREAS, to secure the CDBG City Note, the Borrower has executed the City Loan Agreement, the City Deed of Trust and the City Regulatory Agreement.

1. NOW, THEREFORE, FOR VALUE RECEIVED, the Borrower, promises to pay to the order of Lender a total principal amount of X Dollars ($X) and all accrued interest thereon or so much as may be advanced to the Borrower pursuant to the City Loan Agreement and as evidenced by this CDBG City Note.

2. The obligation of the Borrower is subject to the terms of the City Loan Agreement, the City Deed of Trust, the City Regulatory Agreement, and this CDBG City Note. This CDBG City Note and said other loan documents mentioned in the immediately preceding sentence are public records on file in the office of the City Clerk, and the
provisions of said other loan documents mentioned in this paragraph are incorporated herein by this reference.

3. All initially capitalized terms in this CDBG City Note shall have the definition ascribed to such term in the City Loan Agreement. The following terms are defined in the City Loan Agreement and repeated here for convenience of reference:

a. "Annual Financial Statement" means the financial statement of Operating Expenses and Revenues, prepared at the Borrower's expense, by an independent certified public accountant reasonably acceptable to the City, which shall form the basis for determining the Residual Receipts.

b. "Operating Expenses" shall mean actual, approved reasonable and customary costs, fees and expenses directly attributable to the operation, recordkeeping, maintenance, taxes and management of the Project, including but not limited to a commercially reasonable property management fee; taxes and assessments; payroll and payroll taxes for property employees; insurance; security, painting, cleaning, repairs, and alterations; landscaping; sewer charges; utility charges; advertising, promotion and publicity; cable television, satellite and other similar services; office, janitorial, cleaning and building supplies; purchase, repair, servicing and installation of appliances, equipment, fixtures and furnishing; fire alarm monitoring; fees and expenses of accountants, attorneys, consultants and other professionals; and supportive services expenses for supportive services coordination case management as defined under Article 1 (Supportive Services Amount and Supportive Services Reserve Fund) in the City Loan Agreement. Also included in Operating Expenses are those costs incurred by the transfer of households, within the development, that are not appropriately housed in regards to accessibility. Specifically, the cost of transferring a household from an accessible unit, who does not need the accessibility features of that unit, to a comparable, conventional unit and the costs of transferring a household in a non-accessible conventional unit to an accessible unit so that the household with a person who has a disability that requires the accessible features of that unit can be appropriately housed. The transfer costs of moving these households, any utility transfer costs, if applicable, and unit preparation costs for occupancy are eligible Operating Expenses. The cost of making unit modifications requested by tenants in order to make a conventional unit more accessible for their use, and any costs associated with providing effective communications (including interpreters) with limited English speaking persons are also eligible Operating Expenses and reasonable accommodations to make housing and housing-related services accessible to individuals with disabilities in accordance with Section 504/ADA regulations and the Accessibility Covenants contained in the Regulatory Agreement. All development expenses will be excluded. Operating Expenses do not include:
depreciation, amortization, depletion or other non-cash expenses, nor any capital costs associated with the development. The Operating Expenses shall be reported in the audited Annual Financial Statement. Expenses for the purpose of calculating Residual Receipts are subject to LAHD approval and shall be calculated on an accrual basis.

c. "Payment Date" shall mean [DATE] for the first payment, and annually thereafter until the City Loan is paid in full or otherwise terminated.

d. "Residual Receipts" shall mean Revenues reduced in the following order: (1) Operating Expenses calculated on an accrual basis; (2) debt service on senior project debt secured by the senior position deed of trust; (3) deposits to the Operating Reserve Fund; (4) deposits to the Replacement Reserve Fund; (5) deposits to the Supportive Services Reserve Fund; (6) repayment of General Partner Operating Loans; (7) deferred developer fees paid with cash (excluding any interest); and (8) related third party transactions, including but not limited to partnership management fee, investor service fees, asset management fee, annual partnership review fee, administrative fee, incentive supervisor fee, and/or facility administration fee. The combined total amount of related third party transactions shall not exceed twenty-five thousand dollars ($25,000) annually with an annual increase of 3.5%, or Portfolio Management Guidelines, whichever is greater. These fees must be substantiated prior to the closing of the loan by the developer and cannot include charges for any office overhead for the development of the Project or Operating Expenses. Deferred developer fees shall be drawn from project cash flow over the first fifteen (15) years of project operation.

e. "Revenue" shall mean all income derived from the Project, including but not limited to rent from the units, laundry operations, and parking fees. Syndication proceeds or interest earned on reserves and income derived from a commercial component (if applicable) shall not be deemed Revenue.

4. This Note evidences the obligation of the Borrower to Lender to repay funds loaned to the Borrower to finance a portion of the cost of construction and permanent financing for the Project.

5. This Note is payable in lawful money of the United States at the office of the Los Angeles Housing Department, 1200 W. 7th Street, 8th Floor, Los Angeles, California 90017, or at such other place as the holder hereof may inform the Borrower in writing.

6. This Note shall bear simple interest at the rate of three percent (3%) per annum on the principal amount outstanding from the date of the warrant (Los Angeles City check), until paid. Interest shall be computed based upon a three hundred sixty-five (365) day year.

7. All interest accrued from the date of the warrant (Los Angeles City check) until the
date of Project Completion (the “Construction Period Interest”), shall be due and payable to Lender within sixty (60) days after the date of Project Completion, but not later than the date of Permanent Loan Conversion. Payment of the Construction Period Interest is a condition required prior to conversion from a construction loan to a permanent loan. All interest accrued after the date of Project Completion shall be due pursuant to the terms and conditions of this CDBG City Note.

8. Unless sooner due pursuant to this CDBG City Note, the combined principal of the City Loan and all accrued interest thereon shall be due and payable on the earliest of (a) fifty-seven (57) years from the date of the execution of this CDBG City Note, (b) the date the Property is sold or refinanced, or (c) an Event of Default by Borrower which has not been cured as provided for in the City Loan Agreement. The termination date may be extended at the sole discretion of Lender provided the Borrower agrees to extend the Project term of the Restricted Units.

9. Interest shall be due and payable to Lender for the preceding calendar year on the Payment Date. Interest due and unpaid in any given year shall accrue and be cumulative and shall be paid to Lender from City's Share received in subsequent years.

10. Any amounts (including but not limited to amounts of principal and interest on the Loan) which Borrower does not pay when due under the terms of the Loan Agreement or this CDBG City Note shall bear the simple interest rate of fifteen percent (15%) ("Default Rate") per annum (or such lesser maximum amount permitted by law), from the date due until the date paid.

11. On or before each Payment Date, the Borrower shall submit its audited Annual Financial Statements to the City for the preceding fiscal year together with, if any, the City's Share. Failure to do so will result in a default of the loan agreement. Once received on a timely basis, the City shall review and approve such financial statements and share of Residual Receipts, or request revisions, within ninety (90) days after receipt. In the event that the City determines as the result of its review that there is an understatement in the amount and payment of Residual Receipts due to the City, Borrower shall promptly pay to the City its share of such understatement, but in any event, within thirty (30) days of notice of such understatement. In the event that the City determines that there is an overstatement, the City shall promptly refund the amount to Borrower within thirty (30) days of such determination.

If contested, Borrower is required to pay under protest. Borrower shall have thirty (30) days from notice of obligation to submit, in writing, any contentions to the City. If the City receives contentions in writing, the City will have forty-five (45) days upon receipt to respond. If no written contentions are received by the City within the thirty (30) days, Borrower is deemed to concur with the obligation.

12. Residual Receipts shall be distributed as follows:

C(1) – (4 of 8)
a. City shall receive an amount equal to **fifty percent (50%)** of Residual Receipts of the Project, with such share calculated as 50% of the amount of the City Loan divided by the sum of all soft loans proceeds provided to the Project; and

b. Borrower shall receive an amount equal to **fifty percent (50%)** of Residual Receipts of the Project.

13. City's Share of Residual Receipts shall be applied first to pay current annual interest due, then the cumulative interest owed, and then to reduce the principal amount of the City Loan. Upon payment in full of the City Loan, Lender shall have no further right to payment of any portion of Residual Receipts.

14. The City Loan and all current and accrued interest thereon shall be due and payable immediately if the Project, or any portion thereof or interest therein, is sold, transferred, assigned or refinanced otherwise than in accordance with the City Loan Agreement. Leases in accordance with the City Loan Agreement shall not be in violation of the City Loan Agreement. However, upon Lender's approval of purchaser, the City Loan will be fully assumable by said purchaser.

15. The City Loan is a non-recourse obligation of Borrower. Except for misappropriation of funds, neither the Borrower nor any other party shall have any personal liability for repayment of the City Loan. The sole recourse of Lender under this CDBG City Note for repayment of the City Loan shall be the exercise of its rights against the Project and related security thereunder. However, nothing contained in the foregoing limitation of liability shall (a) limit or impair the enforcement of all the rights and remedies of the Lender against all such security for the Note, or (b) be deemed in any way to impair the right of the Lender to assert the unpaid principal amount of the Note as demand for money within the meaning of the California Code of Civil Procedure.

The foregoing limitation of liability is intended to apply only to the obligation for the repayment of the principal of, and payment of interest on the Note; except nothing contained in the foregoing is intended to relieve the Borrower of personal liability for (1) fraud or willful misrepresentation; (2) failure to pay taxes, assessments or other charges (which are not contested by Borrower in good faith) which may create liens on the Property that are payable or applicable prior to any foreclosure under the City Deed of Trust (to the full extent of such taxes, assessments or other charges); (3) the Borrower’s indemnification obligations under the Loan Agreement; (4) misappropriation of any rents, security deposits, insurance proceeds, condemnation awards or any other proceeds derived from the collateral security; and (5) payment to the Lender of any rental income or other income arising with respect to the Property received by the Borrower after the Lender has given notice to the Borrower of the occurrence of an Event of Default, subject to the rights of any lender providing a loan secured by the Property to which the Lender has subordinated the City Deed of Trust.
16. The Borrower shall have the right to prepay without penalty the obligation evidenced by this CDBG City Note, or any part thereof, at any time and from time to time.

17. Subject to the City Loan Agreement, Lender, at its option, may declare the City Loan immediately due and payable, together with any accrued interest thereon, if the Borrower fails to fulfill its obligations to Lender under the City Loan Agreement, this CDBG City Note, the City Deed of Trust, or any agreement or instrument executed in connection therewith.

18. All covenants, conditions and agreements contained in the City Deed of Trust, City Loan Agreement, and any Loan Documents in connection to the Project, are hereby made a part of this CDBG City Note. Upon any Event of Default, as defined in the City Loan Agreement, Lender may exercise any other right or remedy permitted under the Loan Documents.

19. Upon an Event of Default, the outstanding principal and (to the extent permitted by law) interest and any other sums outstanding in connection with the Loan shall thereafter bear interest at the Default Rate of fifteen percent (15%) (or such lesser maximum rate permitted by law), payable from the date of such declaration until paid in full.

20. Upon an Event of Default, Lender is entitled to its equity share upon the sale of the property. LAHD will be entitled to a share in any appreciation that has occurred between the acquisition and the time of sale. LAHD’s share in the appreciation will be equal to the proportion of the LAHD loan funds used in the purchase of the property or the amount of LAHD loan funds used to repay an acquisition bridge loan. This section 20 shall apply until construction has been completed and a Notice of Completion has been issued.

21. In the event that any monetary provisions of the City Loan Agreement, City Regulatory Agreement, City Deed of Trust, and/or this CDBG City Note conflict, the terms of this CDBG City Note and the City Deed of Trust shall control. In the event that any monetary provisions of this CDBG City Note or City Deed of Trust conflict, or in the event that any non-monetary provisions of the City Loan Agreement, City Regulatory Agreement, City Deed of Trust, and/or this CDBG City Note conflict, the strictest provision shall control.

**ABSOLUTE ASSIGNMENT OF RENTS AND RIGHT TO POSSESSION**

3. **ASSIGNMENT.** As additional security, Trustor hereby assigns to Beneficiary: (a) all of the rents, revenues, profits, and income from the Security, any deposits now or hereafter in Trustor's possession which have been collected with respect to the Security, and any reserve or capital funds now or hereafter held by Trustor with respect to construction or operation of the Security (collectively, the "Rents"); and (b) the right to enter, take possession of, and manage the Security; provided however that Trustor shall have, before an Event of Default, the exclusive right to possess the Security and to collect Rents and use them in accordance with the Loan Documents. This assignment is intended to be an absolute and present transfer of Trustor's interest in existing and future Rents, effective as of the date of this City Deed of Trust.
4. **ENFORCEMENT.** Any default by Borrower under the Loan Documents which constitutes an Event of Default thereunder shall also constitute an Event of Default by Trustor for purposes of enforcement of this City Deed of Trust. Upon the happening of an Event of Default which remains uncured after expiration of the applicable cure period pursuant to the terms of the City Loan Agreement or other Loan Documents, and written notice to Trustor, Beneficiary may, in addition to other rights and remedies permitted by the City Loan Agreement, this City Deed of Trust, or applicable law, (a) enter upon, take possession of, and manage the Security, either in person as a mortgagee-in-possession, by agent, or by a receiver appointed by a court, and do any acts which it deems necessary or desirable to preserve the value, marketability or rentability of the Security, (b) collect all Rents, including those past due and unpaid, and apply the same to pay for the costs and expenses of operation of the Security, including attorneys’ fees, and pay off any indebtedness secured by this City Deed of Trust, all in such order as Beneficiary may determine, (c) enter upon and take possession of the Security, and complete construction of any improvements on the Security as provided for in the Plans and Specifications approved under the City Loan Agreement or any modifications to the Plans and Specifications or the Project that Beneficiary in its sole discretion believes is appropriate, and/or (d) Beneficiary may make, cancel, enforce, and modify leases and rental agreements, obtain and evict tenants, set and modify rent terms, sue for rents due, enter into, modify, or terminate any contracts or agreements, or take any legal action, as it deems necessary with respect to the Rents or to development or operation of the Security.

6. **NO WAIVER OF POWER OF SALE.** The entering upon and taking possession of the Security and the collection of Rents shall not cure or waive any default or notice of default hereunder or invalidate any act done in response to such default or notice of default and, notwithstanding the continuance in possession of the Security or the collection and application of Rents, Beneficiary shall be entitled to exercise every right provided for in this City Deed of Trust or by law upon occurrence of any Event of Default, including the right to exercise the power of sale.

Beneficiary may file a copy of this City Deed of Trust in the real estate records or other appropriate index as a financing statement for any of the items specified as part of the Security. Trustor shall execute and deliver to Beneficiary at Beneficiary's request any financing statements, as well as extensions, renewals, and amendments thereof, and copies of this instrument in such
form as Beneficiary may require to perfect a security interest with respect to said items. Trustor shall pay all costs of filing such financing statements and shall pay all reasonable costs of any record searches for financing statements and releases. Without the prior written consent of Beneficiary, Trustor shall not create or permit any other security interest in said items.

8. **REMEDIES.** Upon occurrence of an Event of Default by Trustor on any obligation or agreement in the Loan Documents, Beneficiary shall have the remedies of a secured party under the Commercial Code and at Beneficiary's option may also invoke the remedies provided for elsewhere in this City Deed of Trust with respect to said items. Beneficiary may proceed against the items of real property and personal property specified above separately or together and in any order whatsoever.

11. **MAINTENANCE OF THE SECURITY.** Trustor shall, at the Trustor's own expense, maintain and preserve the Security or cause the Security to be maintained and preserved in good condition, in good repair, and in a decent, safe, sanitary, habitable and tenantable condition. Trustor shall not cause or permit any violations of any laws, ordinances, regulations, covenants, conditions, restrictions, or equitable servitudes as they pertain to improvements, alterations, maintenance or demolition on the Security. Trustor shall not commit or permit waste on or to the Security. Trustor shall not abandon the Security. Beneficiary shall have no responsibility over maintenance of the Security. In the event Trustor fails to maintain the Security in accordance with the standards in this City Deed of Trust, the City Loan Agreement, or the City Regulatory Agreement, Beneficiary, after at least seven (7) calendar days prior written notice to Trustor and after any applicable cure periods, may, but shall be under no obligation to, make such repairs or replacements as are necessary and provide for payment thereof. Any amount so advanced by Beneficiary, together with interest thereon from the date of such advance at the same rate of indebtedness as specified in the Note (unless payment of such an interest rate would be contrary to applicable law, in which event such sums shall bear interest at the highest rate then allowed by applicable law), shall become an additional obligation of Trustor to Beneficiary and shall be secured by this City Deed of Trust.

12. **INSPECTION OF THE SECURITY.** Trustor shall permit Beneficiary to enter and inspect the Security for compliance with these obligations upon twenty four (24) hours advance notice of such visit by Beneficiary to Trustor or Trustor's management agent.

13. **LIENS, ENCUMBRANCES, AND CHARGES.** Trustor shall discharge any lien or encumbrance not approved by Beneficiary in writing that may attain priority over this City Deed of Trust, as provided for in the City Loan Agreement.
14. **DEFENSE AND NOTICE OF CLAIMS AND ACTIONS.** Trustor shall appear in and defend, at its own expense, any action or proceeding purporting to affect the Security and/or the rights of Beneficiary. Trustor shall give Beneficiary and Trustee prompt notice in writing of the assertion of any claim, of the filing of any action or proceeding and of any condemnation offer or action with respect to the Security.

15. **SUITS TO PROTECT THE SECURITY.** Following reasonable notice to Trustor, Beneficiary shall have power to institute and maintain such suits and proceedings as it may deem expedient (a) to prevent any impairment of the Security or the rights of Beneficiary, (b) to preserve or protect its interest in the Security and in the Rents, and (c) to restrain the enforcement of or compliance with any governmental legislation, regulation, or order, if the enforcement of or compliance with such legislation, regulation, or order would impair the Security or be prejudicial to the interest of Beneficiary.

16. **DAMAGE TO SECURITY.** Trustor shall give Beneficiary and Trustee prompt notice in writing of any damage to the Security. If any building or improvements erected on the Property is damaged or destroyed by an insurable cause, Trustor shall, at its cost and expense, repair or restore said buildings and improvements consistent with the original plans and specifications. Such work or repair shall be commenced within one hundred twenty (120) days after the damage or loss occurs and shall be complete within eighteen (18) months thereafter. All insurance proceeds collected for such damage or destruction shall be applied to the cost of such repairs or restoration and, if such insurance proceeds shall be insufficient for such purpose, Trustor shall make up the deficiency.

17. **TITLE.** Trustor warrants that Trustor lawfully has legal title to the Security without any limitation on the right to encumber.

18. **GRANTING OF EASEMENTS.** Trustor may not grant easements, licenses, rights-of-way or other rights or privileges in the nature of easements with respect to the Security except those required or desirable for installation and maintenance of public utilities including water, gas, electricity, sewer, cable television, telephone, or those required by law.

19. **TAXES AND LEVIES.** Trustor shall pay prior to delinquency, all taxes, fees, assessments, charges and levies imposed by any public authority or utility company which are or may become a lien affecting the Security. However, Trustor shall not be required to pay and discharge any such tax, assessment, charge or levy so long as (a) the legality thereof shall be promptly and actively contested in good faith and by appropriate proceedings, and (b) Trustor maintains reserves adequate to pay any contested liabilities. In the event that Trustor fails to pay any of the foregoing items, Beneficiary may, but shall be under no obligation to, pay the same, after Beneficiary has given written notice to Trustor of such failure to pay and Trustor fails to fully pay such items within seven (7) business days after receipt of such notice. Any amount so advanced by Beneficiary, together with interest thereon from the date of such advance at the same rate of indebtedness as specified in the Note (unless payment of such an interest rate would be contrary to applicable law, in which event such sums shall bear interest at the highest rate then allowed by applicable law), shall become an additional obligation of Trustor to Beneficiary and shall be secured by this City Deed of Trust.
20. **INSURANCE.** Trustor shall provide such insurance as required under the City Loan Agreement and the City Regulatory Agreement. In the event Trustor fails to maintain the full insurance coverage required by this City Deed of Trust, Beneficiary, after at least seven (7) business days prior written notice to Trustor, may, but shall be under no obligation to, take out the required policies of insurance and pay the premiums on such policies. Any amount so advanced by Beneficiary, together with interest thereon from the date of such advance at the same rate of indebtedness as specified in the Note (unless payment of such an interest rate would be contrary to applicable law, in which event such sums shall bear interest at the highest rate then allowed by applicable law), shall become an additional obligation of Trustor to Beneficiary and shall be secured by this City Deed of Trust.

21. **CONDEMNATION.** All judgments, awards of damages, settlements and compensation made in connection with or in lieu of taking all or any part of or interest in the Security under assertion of the power of eminent domain ("Funds") are hereby assigned to and shall be paid to Beneficiary. Beneficiary is authorized (but not required) to collect and receive any Funds and is authorized to apply them in whole or in part upon any indebtedness or obligation secured hereby, in such order and manner as Beneficiary shall determine at its sole option. All or any part of the amounts so collected and recovered by Beneficiary may be released to Trustor upon such conditions as Beneficiary may impose for its disposition. Application of all or any part of the Funds collected and received by Beneficiary or the release thereof shall not cure or waive any default under this City Deed of Trust.

Notwithstanding anything to the contrary set forth herein, Beneficiary shall, prior to the application of the Funds or any portion thereof to the indebtedness or other obligations, apply such portion of the Funds as is reasonable and necessary to repair and preserve the value, marketability and rentability of the Security.

22. **ACCELERATION ON TRANSFER OF SECURITY; ASSUMPTION.** In the event that Trustor, without the prior written consent of the Beneficiary, sells, agrees to sell, transfers, or conveys its interest in the Security or any part thereof or interest therein, Beneficiary may at its option declare all sums secured by this City Deed of Trust to be immediately due and payable. This option shall not apply in case of:

   A. the grant of a tenant, leasehold, or fee interest to qualifying households who will occupy Project units as provided for under the Loan Documents and the City Regulatory Agreement; or

   B. sale or transfer of fixtures or personal property pursuant to the grant provisions in this City Deed of Trust; Consent to one (1) sale or transfer shall not be deemed to be a waiver of the right to require such consent to future or successive transactions.

23. **RECONVEYANCE BY TRUSTEE.** This City Deed of Trust is intended to continue for the entire term of the Loan Documents. Upon written request of Beneficiary stating that all obligations secured by this City Deed of Trust have been paid and performed, and upon surrender of this City Deed of Trust to Trustee for cancellation and retention, and upon payment by Trustor of Trustee's reasonable fees, Trustee shall reconvey the Security to Trustor, or to the person or persons legally entitled thereto.
DEFAULT AND REMEDIES

24. EVENTS OF DEFAULT. Any of the events listed in the City Loan Agreement as an Event of Default by Borrower shall also constitute an Event of Default by Trustor under this City Deed of Trust, including, but not limited to, (1) Trustor’s failure to pay when due any sums payable under this City Deed of Trust, or such failure by Borrower under the Note or the City Loan Agreement; (2) Trustor’s failure to observe or to perform any of its other covenants, agreements or obligations under this City Deed of Trust, or such failure by Borrower under the Note or the City Loan Agreement; or (3) Trustor’s or Borrower’s failure to make any payment or perform any of its other covenants, agreements, or obligations under any other agreement with respect to financing for the Project or the Security, whether or not Beneficiary is a party to such agreement.

Notwithstanding anything to the contrary set forth herein, any "Event of Default" described hereinabove shall not constitute an "Event of Default" for the purposes of this City Deed of Trust or any other Loan Document if the defaulting party cures, corrects or remedies the Event of Default within (a) thirty (30) calendar days (ten (10) calendar days if the Event of Default is monetary) from receipt from the non-defaulting party of notice pursuant to the terms of the City Loan Agreement, or (b) solely in the event of a non-monetary Event of Default, if such non-monetary default cannot be reasonably cured within thirty (30) days, such longer period as is necessary to cure such default, provided the defaulting party commences the cure within the thirty (30) day period from receipt of the aforementioned notice and diligently prosecutes such cure to completion.

Notwithstanding anything to the contrary contained herein, the Beneficiary hereby agrees that any cure of any default made or tendered by one or more of Trustor’s limited partners shall be deemed to be a cure by Trustor and shall be accepted or rejected on the same basis as if made or tendered by Trustor.

25. ACCELERATION OF MATURITY. Upon the happening of an Event of Default which has not been cured within the times and in the manner provided in the City Loan Agreement, Beneficiary may declare all sums advanced to Trustor under the Note and this City Deed of Trust immediately due and payable.

26. BENEFICIARY'S REMEDIES. Upon the happening of an Event of Default which has not been cured within the times and in the manner provided in the City Loan Agreement, Beneficiary may, in addition to other rights and remedies permitted by the City Loan Agreement, the Note, or applicable law, proceed with any or all of the following remedies:

A. Enforce the assignment of rents and right to possession as provided for in this City Deed of Trust, and/or seek appointment of a receiver to take over possession of the Security and collect Rents;

B. Enter the Security and take any actions necessary in its judgment to complete construction on the Security as permitted under the Assignment of Development Rights executed by Trustor (on file with Beneficiary) and the assignment of rents.
and right to possession in this City Deed of Trust, either in person or through a receiver appointed by a court;

C. Disburse from Loan proceeds any amount necessary to cure any Monetary Default under this City Deed of Trust, the City Loan Agreement, or the Note;

D. Commence an action to foreclose this City Deed of Trust pursuant to California Code of Civil Procedure Sections 725a, et seq., and/or seek appointment of a receiver from a court of competent jurisdiction with the authority to protect Beneficiary's interests in the Security, including the authority to complete construction of improvements;

E. Deliver to Trustee a written declaration of Default and demand for sale, and a written Notice of Default and election to cause Trustor's interest in the Security to be sold, which notice Trustee or Beneficiary shall duly file for record in the Official Records of Los Angeles County, and exercise its power of sale as provided for below; or

F. Pursue any other rights and remedies allowed at law or in equity.

27. **FORECLOSURE BY POWER OF SALE.** Should Beneficiary elect to foreclose by exercise of the power of sale contained in this City Deed of Trust, Beneficiary shall notify Trustee and shall deposit with Trustee this City Deed of Trust (the deposit of which shall be deemed to constitute evidence that the unpaid sums disbursed under the Note are immediately due and payable), and such receipts and evidence of any expenditures made that are additionally secured hereby as Trustee may require.

Upon receipt of such notice from Beneficiary, Trustee shall cause to be recorded, published and delivered to Trustor such Notice of Default and Election to Sell as then required by law and by this City Deed of Trust. Trustee shall, without demand on Trustor, after lapse of such time as may then be required by law and after recoradion of such Notice of Default and after Notice of Sale having been given as required by law, sell the Security, at the time and place of sale fixed by it in said Notice of Sale, whether as a whole or in separate lots or parcels or items as Trustee shall deem expedient and in such order as it may determine unless specified otherwise by Trustor, at public auction to the highest bidder for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to the purchaser its deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustor, Trustee, or Beneficiary, may purchase at the sale.

Trustee may postpone sale of all or any portion of the Property by public announcement at such time and place of sale, and from time to time thereafter, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new Notice of Sale.

After deducting all reasonable costs, fees and expenses of Trustee, including costs of evidence of title in connection with such sale, Trustee shall apply the proceeds of sale as follows: (i) first, to the payment of all sums then secured by this City Deed of Trust, in such order and
amounts as Beneficiary in its sole discretion determines, and (ii) the remainder, if any, to the person or persons legally entitled thereto.

28. **REMEDIES CUMULATIVE.** No right, power or remedy conferred upon or reserved to Beneficiary by this City Deed of Trust is intended to be exclusive of any other rights, powers or remedies, but each such right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law or in equity.

**GENERAL PROVISIONS**

29. **GOVERNING LAW.** This City Deed of Trust shall be interpreted under and governed by the laws of the State of California, except for those provisions relating to choice of law and those provisions preempted by federal law.

30. **STATEMENT OF OBLIGATION.** Beneficiary may collect a fee not to exceed the maximum allowable under applicable law for furnishing a statement of obligations as provided in the California Civil Code.

31. **CONSENTS AND APPROVALS.** Any consent or approval of Beneficiary required under this City Deed of Trust shall not be unreasonably withheld.

32. **TIME.** Time is of the essence in this City Deed of Trust.

33. **NOTICES, DEMANDS AND COMMUNICATIONS.** Formal notices, demands and communications between Trustor and Beneficiary shall be sufficiently given and shall not be deemed given unless dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally, to the principal offices of Trustor and Beneficiary as follows:

   **Trustor:**

   [Add Notice Info]

34. **BINDING UPON SUCCESSORS.** All provisions of this City Deed of Trust shall be binding upon and inure to the benefit of the heirs, administrators, executors, successors-in-interest, transferees, and assigns of Trustor, Trustee, and Beneficiary.

35. **WAIVER.** Any waiver by Beneficiary of any obligation of Trustor in this City Deed of Trust must be in writing. No waiver will be implied from any delay or failure by
Beneficiary to take action on any breach or default of Trustor or to pursue any remedy allowed under the City Deed of Trust or applicable law. Any extension of time granted to Trustor to perform any obligation under this City Deed of Trust shall not operate as a waiver or release Trustor from any of its obligations under this City Deed of Trust. Consent by Beneficiary to any act or omission by Trustor shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for Beneficiary's written consent to future waivers.

36. **AMENDMENTS AND MODIFICATIONS.** Any amendments or modifications to this City Deed of Trust must be in writing, and shall be made only if mutually agreed upon by Beneficiary and Trustor.

37. **CONFLICTS BETWEEN CITY DOCUMENTS.** In the event that any monetary provisions of the City Loan Agreement, City Regulatory Agreement, City Deed of Trust, and/or City Note conflict, the terms of the City Note and City Deed of Trust shall control. In the event that any monetary provisions of the City Note and City Deed of Trust conflict or in the event that any non-monetary provisions of the City Loan Agreement, City Regulatory Agreement, City Deed of Trust, and/or City Note conflict, the strictest provision shall control, except that Trustor shall have no defense or claim that this instrument does not establish a valid lien on the Property or Security.

38. **DEFINITIONS.** Capitalized terms not otherwise defined in this City Deed of Trust shall have the same meaning as defined terms in the City Loan Agreement.

39. **PROOFS OF CLAIM.** In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, recomposition or other proceedings affecting Trustor, its creditors or its property, Trustee, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of Beneficiary allowed in such proceedings and for any additional amount which may become due and payable by Trustor hereunder after such date.

40. **SEVERABILITY.** Every provision of this City Deed of Trust is intended to be severable. If any term or provision of this City Deed of Trust is declared to be illegal, invalid, or unenforceable by a court of competent jurisdiction, the legality, validity, and enforceability of the remaining provisions shall not be affected. If the lien of this City Deed of Trust is invalid or unenforceable as to any part of the debt, or if the lien is invalid or unenforceable as to any part of the Security, the unsecured or partially secured portion of the debt and all payments made on the debt (whether voluntary or under foreclosure or other enforcement action or procedure) shall be considered to have been first paid or applied to the payment of that portion of the debt which is not secured or partially secured by the lien of this City Deed of Trust.

41. **SUBSTITUTION OF TRUSTEES.** Beneficiary may from time to time appoint another trustee to act in the place and stead of Trustee or any successor. Upon such appointment and without conveyance, the successor trustee shall be vested with all title, powers, and duties conferred upon Trustee. Each such appointment and substitution shall be made by a written instrument executed by Beneficiary containing reference to this City Deed of Trust and its place of record, which when duly recorded in the Los Angeles County Office of the Recorder shall be conclusive proof of proper appointment of the successor trustee.
42. **ACCEPTANCE BY TRUSTEE.** Trustee accepts this City Deed of Trust when this City Deed of Trust, duly executed and acknowledged, is made public record as provided by law. Except as otherwise provided by law, the Trustee is not obligated to notify any party hereto of pending sale under this City Deed of Trust or of any action or proceeding in which Trustor, Beneficiary, or Trustee shall be a party unless brought by Trustee.

43. **NONRECOERCSE.** The loan secured by this City Deed of Trust is a non-recourse obligation of Trustor. Neither Trustor nor any other party shall have any personal liability for repayment of the Loan. The sole recourse of Beneficiary for repayment of the Principal and interest shall be the exercise of Beneficiary's rights against the Property. However, nothing contained in the foregoing limitation of liability shall (a) limit or impair the enforcement of all the rights and remedies of the Beneficiary against all such security for the City Note, or (b) be deemed in any way to impair the right of the Beneficiary to assert the unpaid principal amount of the City Note as demand for money within the meaning of the California Code of Civil Procedure.

The foregoing limitation of liability is intended to apply only to the obligation for the repayment of the principal of, and payment of interest on the City Note; except nothing contained in the foregoing is intended to relieve the Trustor of personal liability for (1) fraud or willful misrepresentation; (2) failure to pay taxes, assessments or other charges (which are not contested by Trustor in good faith) which may create liens on the Property that are payable or applicable prior to any foreclosure under the City Deed of Trust (to the full extent of such taxes, assessments or other charges); (3) the Trustor’s indemnification obligations under the City Loan Agreement; (4) misappropriation of any rents, security deposits, insurance proceeds, condemnation awards or any other proceeds derived from the collateral security; and (5) failure to pay to the Beneficiary any rental income or other income arising with respect to the Property received by the Trustor after the Beneficiary has given notice to the Trustor of the occurrence of an Event of Default, subject to the rights of any lender providing a loan secured by the Property to which the Beneficiary has subordinated the City Deed of Trust.

44. **COUNTERPART SIGNATURES.** This City Deed of Trust may be executed in one or more counterparts, and by the parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.
IN WITNESS WHEREOF, Trustor and Beneficiary has caused this City Deed of Trust to be executed by their duly authorized representatives.

The term of the entire Regulatory Agreement shall be in full force and effect, regardless of any expiration of the term of any City Loan, any payment or prepayment of the City Loan, any assignment of the City Note, any reconveyance of the City Deed of Trust, or any sale, assignment, transfer, or conveyance of the Property, unless terminated earlier by the City in writing or extended by the mutual consent of the parties. However, failure to record this Regulatory Agreement or the certificate by the City shall not relieve Owner of any of the obligations specified herein.

2.3 COMPLIANCE WITH FUNDING REQUIREMENTS. Owner must comply with all the requirements imposed on properties assisted under the applicable sources of funds, as applicable to this Project:

A. HOME Funds through the HOME Investment Partnership program as contained in 42 U.S.C. Sections 12701, et seq., 24 C.F.R. Part 92,

III. PROJECT OCCUPANCY AND RENTS

3.1 OPERATION OF PROPERTY. Owner and its agents shall lease, operate and manage the Property after completion in full conformance with the terms of this Regulatory Agreement.

Owner agrees to: (1) maintain and operate the Assisted Units so as to provide decent, safe, and sanitary housing; and (2) provide the Assisted Units with the same level of services (including security), amenities, and maintenance as are applied to the other dwelling units on the Property. Amenities that are provided to non-assisted unit households include, but are not limited to, and access to recreational facilities. Optional services provided must be available to all residents under the same terms and conditions. All incentives such as rent specials must be offered to all new residents, not only residents of non-assisted units. Borrower is prohibited from charging fees that are not customarily charged in rental housing in that housing area. Borrower must ensure that any fee charged to a tenant or prospective tenant is reasonable, customary, and complies with 24 CFR 92.504(c)(3)(xi).

Borrower agrees that during the term of this Regulatory Agreement, LAHD shall have the right to review, approve and request changes to the Property Management Plan (“PMP”), operation of the building and Property management entity, in order to preserve the affordability, physical appearance and condition of the Project.

3.2 DESIGNATED ASSISTED UNITS. Borrower must comply with all rules and regulations of each funding source. In compliance with 24 CFR 92.252(j), at the time of the execution of this agreement, the borrower must designate the HOME-restricted units (if applicable) as fixed or floating HOME units. The address or unit number of any HOME-restricted units must be specified and reported to the Lender at the time of initial occupancy. Fixed units remain as the same unit throughout the period of affordability. Floating units may change from comparable unit to comparable unit in order to maintain conformity with HOME Regulations Section 92.252. If the rental housing project has floating HOME units, the Borrower must provide the Lender with
information regarding unit substitution. The designated HOME-restricted units on the Property shall meet the following standards:

A. Generally reflect the average number of bedrooms per dwelling unit and average square footage of non-assisted units on the Property;

B. Be similarly constructed and of comparable quality to all other units on the Property;

C. Be dispersed throughout the Property; and

D. Provide tenants access and enjoyment of all common areas and facilities of the Property on the same basis as tenants of other units.

3.3 LEASING THE PROPERTY. Before leasing any portion of the Property, Owner shall submit its proposed form of lease for City's review and approval. The term of the written Lease shall not contain any provision, nor subsequent modification thereto, which is prohibited by any State or City tenant-landlord laws. Any termination of the Lease or refusal to renew must be in conformance with any other applicable laws and must be preceded by not less than thirty (30) days written notice to the tenant by the Owner specifying the grounds for the action.

A. Assisted Units

1. All Assisted Units shall be leased and shall not be withdrawn from the market. Assisted Units shall be rented in a manner consistent with the Space and Occupancy Standards set forth in Chapter 5 of the Uniform Housing Code (1997) and any subsequent amendments, and in such a manner that there is no under-utilization of the floor space of Assisted Units.

2. If one (1) of the Assisted Units becomes vacated, Owner shall make reasonable attempts to rent that particular Assisted Unit, or identify another unit as an Assisted Unit.

3. During the initial lease up, and upon vacancies of an Assisted Unit, Owner shall make reasonable efforts to advertise to Eligible Households. The affirmative marketing requirements and procedures adopted must meet the requirements of federal fair housing laws and the City’s affirmative marketing policy. Owner shall obtain and comply with the City's affirmative marketing guidelines contained within the Property Management Plan Packet from LAHD, and affirmatively market all Assisted Units at http://LAhousing.lacity.org or such other platform designated by LAHD. All affirmative marketing requirements must be followed throughout the affordability period.
B. The Owner shall provide to each tenant, the following: (1) a signed copy of the lease and/or rental agreement; and (2) a signed copy of the supplemental agreement to the lease or rental agreement ("Mandatory Addendum").

C. Owner must submit evidence of marketing efforts and a marketing plan to the City if all restricted units are not occupied by eligible tenants within six (6) months following the date of the Temporary Certificate of Occupancy. Borrower will be in default of this Agreement if any restricted unit has not been rented to eligible tenants within twelve (12) months after the date of the Temporary Certificate of Occupancy.

3.4 TENANT SELECTION. Before leasing the Property, Owner must provide City for its review and approval Owner's written tenant selection plan which shall be consistent with the requirements of the Lender and the rules and regulations of each funding source. Prior to leasing any Assisted Unit, Owner's tenant selection plan must, at a minimum, meet the requirements for tenant selection set out in 24 C.F.R. 92.253(d) and any modifications thereto.

Owner shall rent the Assisted Units to any Eligible Household according to the tenant selection plan. Owner shall verify the prospective tenant's eligibility and shall require from each tenant documentation that such household's income from all sources does not exceed allowable limits as described in Exhibit B.

Owner shall give priority for Assisted Units to Qualified Households who have been displaced as a result of the City of Los Angeles' public projects.

Borrower shall require each prospective tenant to certify under penalty of perjury that they are not (a) an owner, developer or sponsor of the project; (b) an officer, employee, agent, consultant or elected or appointed official of the owner, developer or sponsor; or (c) a member of the Immediate Family of such person described in subsections (a) and (b). Borrower shall not rent any unit of the Project to any of said individuals.

3.5 INCOME CERTIFICATION. Owner shall limit for the full term of this Regulatory Agreement the rental of Assisted Units to Qualifying Households according to the schedule contained in Exhibit B. The income levels and other qualifications of applicants for Assisted Units shall be certified within ten (10) business days prior to the household's expected occupancy of one (1) of the units. No tenant shall occupy an Assisted Unit prior to income eligibility determination and certification by Borrower.

Upon the closing of the initial occupancy, and annually thereafter Owner shall provide the City with an occupancy summary report showing the name of each tenant, unit occupied by each tenant, tenant income, rent paid, and any other information which the City requests and which relates to the eligibility of these households. The income will be calculated using part 5 (Section 8) definition of Income and adhere to section 24 CFR 92.252. If the household size of an Eligible Household changes, Owner shall provide the City with the additional income documentation to determine eligibility. If the City determines that the Eligible Household is no longer an Eligible Household, such Unit will continue to be treated as an Assisted Unit until the next available unit of comparable size on the Property is rented to a person who qualifies for an Assisted Unit.
The City may require the Owner, at any time, to re-examine for compliance with the Exhibit B, the income of each tenant household and immediately submit its findings to the City.

3.6 AFFORDABILITY RESTRICTIONS. The affordability of the Project shall be maintained as follows:

A. Of the total of X (X) studio units which are Restricted Units, Y (Y) units in the Project shall at all times be occupied or held vacant and available for use as permanent supportive housing for Homeless individuals, and Z (Z) units in the Project shall at all times be occupied or held vacant and available for use as permanent supportive housing for Chronically Homeless individuals.

B. In addition, of the total of X (X) studio units which are Restricted Units, A (A) units shall at all times be occupied or held vacant and available for rental by 30% Income Households.

C. Income determination shall be made at the time of initial occupancy of a unit by a tenant.

D. All units are described and limited as set forth in Exhibit B hereto, as well as in Exhibit N to the City Loan Agreement.

E. If HOME Funds are used, Owner must comply with the affordability requirements contained in 24 CFR 92.252.

3.7 PROJECT RENTS. Rents for Restricted Units shall be limited to Qualifying Rents as set forth in Exhibit B hereto. Qualifying Households shall be given at least thirty (30) days written notice prior to any rent increase.

The maximum allowable rent that may be charged for a Restricted Unit may change from time to time when there are changes in the Area Median Income as published by HUD, or when there are changes made to the allowances deducted for tenant paid Utilities as calculated by the City of Los Angeles, subject to HUD rules and regulations.

For projects subject to the City's Rent Stabilization Ordinance, the maximum rent increase allowed by that ordinance may be less or more than that allowed by changes in the Area Median Income. In such instances, the rents on Assisted Units may only be raised to the lesser of the two (2) allowed increases.

Notwithstanding the above, rental limits on units that have been allocated low income housing tax credits by a housing credit agency pursuant to Section 42 of the Internal Revenue Code of 1989 (26 U.S.C. 42), may have their rents raised in accordance with HUD and tax credit regulations during the term of the tax credit allocation and regulatory period.

If the Project is receiving necessary rental assistance from the Rental Assistance Program through the Housing Authority of the City of Los Angeles and/or through the Los Angeles County
Department of Health Services (“Rental Assistance”) and said Rental Assistance is withdrawn or terminated due to reasons not attributable to the actions or inactions of the Borrower and approval to increase rents is received from the California Tax Credit Allocation Committee, the Borrower may petition LAHD and, upon confirmation of the circumstances outlined below, LAHD will approve specified modifications to the affordability restrictions and maximum rental charges designated in Exhibit B hereto and in Exhibit N to the City Loan Agreement, if all of the following circumstances exist: (a) alternative funding is unavailable, (b) the Project is otherwise in full compliance with all the terms of the funding for the Project, and (c) more restrictive funding requirements do not apply to the Project. Any allowed changes in the target population shall be to the minimum extent necessary to accommodate the new rent levels. In such event, LAHD will also allow changes to the Supportive Services Plan to reflect any change in the target population. Notwithstanding the foregoing, all modifications must comply with all funding and City requirements.

3.8 NOTICE TO TENANTS. There are five (5) points in time when the Owner is required to give written notice to all tenants of Restricted Units:

A. Upon initial move-in/lease execution, Borrower shall give written notice, to all tenants of Restricted Units, of the duration of the rent restrictions under this Regulatory Agreement. Borrower must maintain, in its files, a copy of each notice containing each tenant's signed acknowledgment of the notice required hereunder. The notice shall, at the least, contain language that the rent restrictions under this Regulatory Agreement shall be in effect for fifty five (55) years, and shall terminate fifty five (55) years from the date of Project Completion and fulfillment of the conditions as contained in this Regulatory Agreement. Upon termination of the rent restriction period under this Regulatory Agreement, rents may be set at market rates unless otherwise restricted by some other legal, regulatory, or contractual requirement.

B. Thirty-Six (36) months prior to the termination of the rent restriction period under this Regulatory Agreement, Borrower must give written notice to its tenants of the termination of the restrictions on the Restricted Units before their rents may be raised to market rent levels. Borrower must also give written notice pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, the Housing Authority of the City of Los Angeles, and the California Department of Housing and Community Development.

C. Twelve (12) months prior to the termination of the rent restriction period under this Regulatory Agreement, Borrower must give written notice to its tenants of the termination of the restrictions on the Restricted Units before their rents may be raised to market rent levels. Borrower must also give written notice, pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, the Housing Authority of the City of Los Angeles, and the California Department of Housing and Community Development.

D. Six (6) months prior to the termination of the rent restriction period under this Regulatory Agreement, Borrower must give written notice to its tenants of the
termination of the restrictions on the Restricted Units before their rents may be raised to market rent levels. Borrower must also give written notice, pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, the Housing Authority of the City of Los Angeles, and the California Department of Housing and Community Development.

E. Ninety (90) days prior to the termination of the rent restriction period under this Regulatory Agreement, Borrower must again give written notice to its tenants of the termination of the restrictions on the Restricted Units before their rents may be raised to market rent levels.

3.9 CONDOMINIUM CONVERSION. Owner shall not convert Property units to condominium or cooperative ownership or sell condominium or cooperative conversion rights to the Property during the term of this Regulatory Agreement.

3.10 NONDISCRIMINATION. Owner shall not discriminate or segregate in the development, construction, use, enjoyment, occupancy, conveyance, lease, sublease, or rental of any part of the Property on the basis of race, religion, national origin, ancestry, sex, sexual orientation, gender identification, transgender status, sex stereotypes, age, physical handicap, mental disability, medical condition, marital status, domestic partner status, family status, pregnancy, childbirth and related medical conditions, Acquired Immune Deficiency Syndrome (AIDS) or AIDS-related conditions (ARC) acquired or perceived, citizenship, political affiliation or belief, or any other arbitrary basis. Owner shall otherwise comply with all applicable local, state, and federal laws concerning discrimination in housing. Owner shall include a statement in all advertisements, notices and signs for the availability of Property units for rent to the effect that Owner is an Equal Housing Opportunity Provider.

IV. PROPERTY MANAGEMENT

4.1 MANAGEMENT RESPONSIBILITIES. Owner is specifically responsible, subject to its obligations herein, for all management functions with respect to the Property, including without limitation the selection of tenants, certification and recertification of household size and income, evictions, collection of rents and deposits, maintenance, landscaping, routine and extraordinary repairs, replacement of capital items, and security. Owner is responsible for maintaining the property in decent, safe and sanitary conditions and in good repair. The City shall have no responsibility over management of the Property.

4.2 MANAGEMENT ENTITY. The City shall have the right to review and approve the management entity chosen by Owner for the Property and the right to require a change in the management agent at any time during the term of this Regulatory Agreement. Any contracting of management services by Owner shall not relieve Owner of its primary responsibilities for proper performance of management duties.

V. GENERAL PROVISIONS
5.1 **MONITORING.** During the term of this regulatory agreement, the City and/or its agents will monitor the Owner’s compliance with this Regulatory Agreement and the requirements of the source of funds utilized to finance the City Loan. Violations of this Regulatory Agreement and funding requirements may result in penalties, fees and expenses being levied against the City. The Owner will be responsible for any costs, penalties, fees and expenses levied against the City and will be responsible to pay any expenses incurred by the City to enforce this Agreement. The Borrower will be charged the cost of monitoring, not prohibited under HUD regulations or the regulations for the applicable funding source.

LAHD will monitor the initial production and ongoing occupancy of the Accessible Housing Units and the Accessible Housing Development by applying the updated ADAAG to ensure full compliance with the Accessibility Requirements. In order to determine compliance with the Accessibility Requirements, Owner shall submit and LAHD shall review and approve a Certified Access Specialist (“CASp”) Inspection Report of the housing development that identifies the necessary and required design elements to make the units and site accessible for individuals with disabilities. LAHD shall inspect the construction/rehabilitation to verify production of the correct number of Accessible Housing Units and appropriate site improvements, in compliance with Section 2 and supported by an independent CASp consultant’s report.

During the term of this Agreement, LAHD will utilize the housing development’s City-approved Property Management Plan and Fair Housing Policy in Regard to Disability, to monitor ongoing occupancy compliance of the Accessible Housing Units and nondiscrimination in regards to individuals with disabilities. Compliance with the Accessibility Requirements shall include, but not be limited to, target marketing, establishing and monitoring a waiting list specific to the Accessible Housing Units, reasonable accommodations and modifications, a service animal policy, policy for re-leasing empty Accessible Housing Units and all elements contained in the Fair Housing Policy in Regard to Disability dated July 28, 2014, as amended over time.

5.3 **TRANSFER AND ENCUMBRANCE OF PROPERTY.** During the term of this Regulatory Agreement, Owner shall not make or permit any sale, assignment, conveyance, lease (other than the rental of Project units to Qualifying Households and other eligible residential tenant occupants), or transfer of this Regulatory Agreement, other City Loan Documents, the Project, or the Property or any part thereof, including the sale of any general or limited partnership interests, without the prior written consent of the City. The City shall give its consent to a sale, transfer, or conveyance provided that all of the following conditions are met: (a) Owner is in compliance with this Regulatory Agreement and the other City Loan Documents, or the sale, transfer, or conveyance will result in the cure of any existing violations of this Regulatory Agreement or the other City Loan Documents; (b) the transferee agrees to assume all obligations of Owner imposed by this Regulatory Agreement and the other City Loan Documents and enter into such an agreement ("Assumption Agreement"); (c) the transferee demonstrates to the City's satisfaction that it is capable of owning and operating the Property in full compliance with this Regulatory Agreement and the other City Loan Documents; (d) the terms of the sale, transfer, or conveyance shall not
jeopardize the City's security interest in the Property and is in full compliance with all standards, including eligibility requirements and other conditions imposed by any funding sources for the Project and any loan; and (e) the transferee is not in default on any other obligations.

During the term of this Regulatory Agreement, Owner shall not engage in any financing or other transaction creating any mortgage or other encumbrance or lien upon the Property (except for any financing provided by the City), without the prior written consent of the City. The City may give its consent to such financing if and to the extent necessary to maintain or improve the affordability or condition of the Property.

D. Require Borrower to pay all fines, penalties, and fees levied against the City, including any enforcement, repayment of funds to HUD and legal costs thereof and place a lien on the property for any and all remedial costs; or

E. Pursue any other remedy allowed at law or in equity.

Notwithstanding anything to the contrary contained herein, City hereby agrees that any cure of any default made or tendered by one or more of Owner’s limited partners shall be deemed to be a cure by Owner and shall be accepted or rejected on the same basis as if made or tendered by Owner.

5.5 NON-LIABILITY OF OFFICIALS, EMPLOYEES AND AGENTS. The City's officers, officials, employees or agents shall not be personally liable to Owner for any obligation created under the terms of this Regulatory Agreement except in the case of actual fraud or willful misconduct by such person.
5.6 **INDEMNIFICATION.** Except for the active negligence or willful misconduct of City, or any of its Boards, Officers, Agents, Employees, Assigns and Successors in Interest, Borrower undertakes and agrees to defend, indemnify and hold harmless the City and any of its Boards, Officers, Agents, Employees, Assigns, and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by the City, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including Borrower’s and any contractor’s and subcontractor’s employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of the negligent acts, errors, omissions or willful misconduct incident to the performance of this Regulatory Agreement as a result (directly or indirectly) of or in connection with this Regulatory Agreement or the use of the Property by Borrower, its agents, employees, contractor or subcontractor of any tier, including suits, causes of action, claims, losses, demands and expenses relating to the condition of the Property. Rights and remedies available to the City under this provision are cumulative of those provided for elsewhere in this Regulatory Agreement and those allowed under the laws of the United States, the State of California, and the City. The provisions of this paragraph shall survive expiration or termination of this Loan Agreement.

5.7 **AMERICANS WITH DISABILITIES ACT.** The Owner hereby certifies that it and any contractor and subcontractor will comply with the Accessibility Covenants. The Owner and any contractor and subcontractor will provide reasonable accommodations to allow qualified individuals with disabilities to have access to and to participate in programs, services, and activities in accordance with the applicable provisions of the ADA, the ADAAG, Section 504, the UFAS, the FHA and all subsequent amendments. The Owner and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship to or association with a person with a disability. Any contract and subcontract entered into by the Owner, relating to this Regulatory Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph.

5.8 **GOVERNING LAW.** This Regulatory Agreement shall be interpreted under and be governed by the laws of the State of California, except for those provisions relating to choice of law and those provisions preempted by federal law.

5.9 **CONFLICTS BETWEEN CITY DOCUMENTS.** In the event that any monetary provisions of the City Loan Agreement, Regulatory Agreement, City Deed of Trust, and/or City Note conflict, the terms of the City Note and City Deed of Trust shall control. a public body, corporate and politic

5.13 **BINDING UPON SUCCESSORS.** All provisions of this Regulatory Agreement shall be binding upon and inure to the benefit of the heirs, administrators, executors, successors-in-interest, transferee, and assigns of Owner and the City, and shall run with the land for the full term of this Regulatory Agreement, regardless of any assignment, payment, prepayment, expiration, extinguishment of any City Loan or City Note, any reconveyance of any City Deed of Trust, or any conveyance or transfer of the Property. Any successor-in-interest to Owner and any purchaser or transferee of the Property shall be subject to all of the duties and obligations imposed on Owner under this Regulatory Agreement for the full term of this Regulatory Agreement. The term "Owner" as used in this Regulatory Agreement shall include all such assigns, successors-in-interest, and transferee.

5.14 **COVENANT TO RUN WITH THE LAND.** The Owner hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Owner’s successors in title to the Project, provided, however, that on the termination of this Agreement, said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof, shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

5.15 **RELATIONSHIP OF PARTIES.** The relationship of Owner and the City for this Project during the term of this Regulatory Agreement shall not be construed as a joint venture, equity venture, or partnership. The City neither undertakes nor assumes any responsibility or duty to Owner or any third party with respect to the operation of the Property or the actions of Owner. Except as the City may specify in writing, Owner shall have no authority to act as an agent of the City or to bind the City to any obligation.
5.16 WAIVER. Any waiver by the City of any obligation in this Regulatory Agreement must be in writing. No waiver will be implied from any delay or failure by the City to take action on any breach or default of Owner or to pursue any remedy allowed under this Regulatory Agreement or applicable law. Any extension of time granted to Owner to perform any obligation under this Regulatory Agreement shall not operate as a waiver or release from any of its obligations under this Regulatory Agreement. Consent by the City to any act or omission by Owner shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for the City's written consent to future waivers.

5.17 OTHER AGREEMENTS. Owner represents that it has not and/or will not entered into any agreements that would restrict or compromise its ability to comply with the terms of this Regulatory Agreement. Owner shall not enter into any agreements that are inconsistent with the terms of this Regulatory Agreement without an express waiver by the City in writing.

5.18 AMENDMENTS AND MODIFICATIONS. Any amendments or modifications to this Regulatory Agreement must be in writing, and shall be made only if executed by both Owner and the City. No verbal agreement or conversation with any officer or employee of either party shall affect or modify any terms and conditions of this Regulatory Agreement.

The Owner agrees to comply with all future City Directives or any rules, amendments or requirements promulgated by the City affecting this Regulatory Agreement.

5.19 SEVERABILITY. Every provision of this Regulatory Agreement is intended to be severable. If any provision of this Agreement shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

5.20 AUTHORITY. Each party to this Regulatory Agreement hereby represents and warrants that each person executing this Regulatory Agreement on behalf of a party has the right, power, legal capacity and authority to enter into and perform under this Regulatory Agreement and that this Regulatory Agreement constitutes valid and binding obligations of such party, enforceable against such party in accordance with its terms.

5.21 NONRECOERCISE. The City Loan is a non-recourse obligation of Owner. Neither Owner nor any other party shall have any personal liability for repayment of the City Loan. The sole recourse of the City for repayment of the principal and interest shall be the exercise of the City's rights against the Property. However, nothing contained in the foregoing limitation of liability shall (a) limit or impair the enforcement of all the rights and remedies of the City against all such security for the City Note, or (b) be deemed in any way to impair the right of the City to assert the unpaid principal amount of the City Note as demand for money within the meaning of the California Code of Civil Procedure and in accordance with the City Loan Agreement.

The foregoing limitation of liability is intended to apply only to the obligation for the repayment of the principal of, and payment of interest on the City Note; except nothing contained in the foregoing is intended to relieve the Owner of personal liability for (1) fraud or willful
misrepresentation; (2) failure to pay taxes, assessments or other charges (which are not contested by Owner in good faith) which may create liens on the Property that are payable or applicable prior to any foreclosure under the City Deed of Trust (to the full extent of such taxes, assessments or other charges); (3) the Owner’s indemnification obligations under the City Loan Agreement; (4) misappropriation of any rents, security deposits, insurance proceeds, condemnation awards or any other proceeds derived from the collateral security; and (5) failure to pay to the City any rental income or other income arising with respect to the Property received by the Owner after the City has given notice to the Owner of the occurrence of an Event of Default, subject to the rights of any lender providing a loan secured by the Property to which the lender has subordinated the City Deed of Trust.

I. INSURANCE COVERAGE.

1. General Conditions. During the term of this Loan Agreement and Regulatory Agreement and without limiting Borrower's indemnification of the CITY, Borrower shall provide and maintain, as well as ensure that any contractor or subcontractor provide and maintain, at its own expense a program of insurance having the coverages and limits not less than the amounts and types listed on the Required Insurance and Minimum Limits Sheet (Form Gen 146 in Exhibit Q of the City Loan Agreement), covering its operations hereunder. Such insurance shall also conform to CITY requirements established by Charter, ordinance or policy, shall comply with the Insurance Contractual Requirements (Form General 133) and with the conditions set forth on the applicable City Special Endorsement form(s), copies of which are included in Exhibit Q, and shall otherwise be in a form acceptable to the City Administrative Officer, Risk Management. Specifically, such insurance shall: 1) protect CITY as a Loss Payee on a Lender’s Loss Payable endorsement, As Its Interests May Appear, respectively, when such status is appropriate and available depending on the nature of the applicable coverages; 2) provide CITY at least thirty (30) days advance written notice of cancellation (ten (10) days for nonpayment of premium).

2. Modification of Coverage. CITY reserves the right at any time during the term of this Loan Agreement and Regulatory Agreement to change the amounts and types of insurance required hereunder by giving Borrower and any contractor and subcontractor ninety (90) days advance written notice of such change. If such change should result in substantial additional cost to the Borrower and any contractor and subcontractor, CITY agrees to negotiate additional compensation proportional to the increased benefit to CITY.

3. Failure to Procure Insurance. All required insurance must be submitted and approved by the City of the Administrative Officer, Risk Management prior to the commencement of any work, inception of any operations, or tenancy by Borrower and any contractor and subcontractor.

Borrower’s and any contractor’s and subcontractor's failure to procure or maintain required insurance during the entire term of this Loan Agreement and Regulatory Agreement shall constitute a material breach of this Loan Agreement under which CITY may immediately suspend or terminate this Loan Agreement or, at its discretion, procure or renew such insurance to protect CITY'S interests and pay any
and all premiums in connection therewith and shall become an additional obligation of Borrower to Lender and shall be secured by the City Deed of Trust.

5. **Proceeds**  All proceeds of insurance with respect to loss or damage to the Project during the term of the Loan shall be payable, under the provisions of the policy of insurance, jointly to the, Owner, the City, construction lender[s], permanent lenders and any other lender permitted by the City, and said proceeds shall constitute a trust fund to be used for the restoration, repair or rebuilding of the Project in accordance with plans and specifications approved in writing by the City. To the extent that such proceeds exceed the cost of such restoration, repair or rebuilding, such proceeds shall be applied first to repay the approved secured senior lenders and then to repay the City Loan. In the event of any fire or other casualty to the project or any part thereof, the Owner shall have the right to rebuild the improvements, and to use all available insurance proceeds therefor, provided that (a) such proceeds are sufficient to keep the City Loan in balance and rebuild the improvements in a manner that provides adequate security to the City for repayment of the City Loan or if such proceeds are insufficient then the Owner shall have funded any deficiency, (b) the City shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no material default then exists under the City Loan. If the casualty affects only part of the improvements and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the City Loan in a manner that provides adequate security to the City for repayment of the remaining balance of the City Loans.

5. **Underlying Insurance**

Owner shall be responsible for requiring indemnification and insurance as it deems appropriate from its employees receiving mileage allowance and from its consultants, agents and subcontractors, if any, to protect Owner's and City's interests and for ensuring that such persons comply with any applicable insurance statutes. Owner is encouraged to seek professional advice in this regard.

6. **Worker's Compensation**. By signing this Loan Agreement, Borrower hereby certifies that it is aware and shall make any contractor and subcontractor aware of the provisions of Section 3700 et seq., of the Labor Code which require every employer to be insured against liability for Workers' Compensation in accordance with the provisions of that Code, and that it will comply with such provisions at all such times as they may apply during the performance of the work pursuant to this Loan Agreement.

A Waiver of Subrogation in favor of CITY will be required when work is performed on CITY premises under hazardous conditions.

Section 2. Owner Obligations. The Owner represents, warrants, covenants and agrees as follows:

a. A State of California Certified Access Specialist (“CASp”) who is a licensed architect or engineer must be identified as part of the development team. A list of CASps can be found
at the following link:  https://www.apps2.dgs.ca.gov/DSA/casp/casp_certified_list.aspx. The CASp cannot be the architect of record for the project. The cost of CASp activities and certifications should be included in the application’s project budget.

b. The Housing Development shall be constructed in accordance with the Accessibility Standards in Section 1 above to ensure accessibility for persons with disabilities. Owner must work with their CASp to ensure that the Housing Development complies with those Accessibility Standards.

c. An accessibility report by a CASp inspector certifying that the Housing Development is in compliance with all applicable Accessibility Standards, as defined in Section 1, above, must be submitted to and approved by LAHD at the following phases of the project development:

1. Accessibility Design Review Report and a pdf copy of the plans are due for review by LAHD when construction documents have been developed, and prior to the submission of plans to Los Angeles Building and Safety Department;

2. The Accessibility Design Review Report must be approved by LAHD before building permits can be issued;

3. Accessibility Progress Inspection Reports conducted after all rough inspections have been signed off by the Los Angeles Building and Safety Department and prior to closing of walls; and

4. The Final Accessibility Report at completion of construction must be approved by LAHD before: (a) any final retention payment; (b) certificate of occupancy; and (c) final building permit can be signed off by the Los Angeles Building and Safety Department.

d. Applicants/developers/owners must list all applicable accessibility standards on title page of plans, including the designated FHA Safe Harbor for the project, and include the following note: “This is a publicly funded housing project and must comply with federal accessibility standards and California Building Code Chapters 11A & 11B”.

e. If the Development is to be rehabilitated, accessibility retrofits of the Housing Development shall take place concurrently with any project rehabilitation in compliance with the Accessibility Standards, including federal accessibility standards.

f. The Accessible Units shall be prioritized for persons with disabilities who have a disability-related need for the accessibility features of the Accessible Unit. If an Accessible Unit is occupied by residents without disabilities, Owner shall require use of a Lease Addendum to require such residents to relocate to a vacant, non-accessible unit of comparable size,
finishes, and amenities, at the same Development at the Development’s expense, within thirty (30) days of notice by the Owner or Property Management Agent, or the minimum amount of notice required by state law, that there is an eligible applicant or existing resident with a disability who requires the accessibility features of the unit.

g. At least eleven percent (11%) of the total Housing Units in the Housing Development shall be constructed and maintained by the Owner as Housing Units with Mobility Features.

h. An additional four percent (4%) of the total Housing Units in the Housing Development shall be constructed and maintained by the Owner as Housing Units with Hearing/Vision Features.

i. The 4% and 11% calculations shall each be based on the total number of Housing Units in the Housing Development. In determining the number of Accessible Units required, any fractions of units shall be rounded up to the next whole number. Required Accessible Units shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout projects and sites, and shall be available in a sufficient range of sizes and amenities so that a qualified individual with a disability has a choice of living arrangements that is, as a whole, comparable to that of other persons eligible for housing assistance under the same program.

j. While additional Accessible Housing Units may be provided, i.e., up to 20 percent (20%), no more than fifteen percent (15%) of the Housing Units in any Housing Development may be counted toward the Target Number of Accessible Housing Units that the City must provide pursuant to the Voluntary Compliance Agreement (VCA) with the U.S. Department of Housing and Urban Development (HUD) (specifically, no more than eleven percent (11%) of the Housing Units in any Housing Development with Mobility Features and no more than four percent (4%) Housing Units in any Housing Development with Hearing/Vision Features) unless HUD provides specific written authorization.

k. The Accessible Units shall be affordable for households pursuant to the terms of the Loan Agreement Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications.

l. The project shall comply with the City’s Accessibility Regulations Matrix & Overview, Accessible Design/Construction Compliance Requirements, and the Accessibility Report Requirements, which may be amended from time-to-time.

m. Owners shall adopt and comply with the City’s Fair Housing Policy Related to Disability, as amended.

n. Owners and property managers (including resident managers and on-site managers) of the Housing Development shall attend the City’s Fair Housing for People with Disabilities workshops.

K(D) – (6 of 13)
o. Owners shall register the Housing Development on the City’s Online Accessible Housing Registry, provide and update required information about the Housing Development and the Accessible Units, allow people with disabilities to apply for the Accessible Units when they become available and to place themselves on the waiting list for the Accessible Units, and comply with all other requirements of the Online Accessible Housing Registry.

p. Following reasonable notice to Owner, Owner shall allow the City to conduct periodic on-site inspections of the Housing Development in order to verify compliance with the Accessibility Standards and the City’s Fair Housing Policy Related to Disability.

q. The Housing Development as a whole and all Housing Units shall meet the requirements of the Accessibility Standards as defined in Section 1, above, and any requirements of the City, provided such requirements minimally meet and do not diminish the requirements of the Accessibility Standards.

r. Owner shall provide a list to the City of all Accessible Units with unit number, bedroom size and type of Accessible Unit (“Housing Unit with Hearing/Vision Features” or “Housing Unit with Mobility Features”).

Section 3. Occupancy of Accessible Housing Units. Owner shall follow the requirements of Section 504 and its implementing regulations at 24 C.F.R. Part 8, as well as the City’s Fair Housing Policy Related to Disability to assure that information regarding the availability of Accessible Units reaches eligible individuals with disabilities. Owner will take reasonable, nondiscriminatory steps to maximize the utilization of such units by eligible individuals who require the accessibility features of the particular unit. To this end, Owner will take the following steps when an Accessible Unit becomes vacant:

a. First, Owner will offer the Accessible Unit to a current occupant of the Housing Development who needs the features of an Accessible Unit;

b. Second, Owner will offer the Accessible Unit to a current occupant of a Housing Development under common control who needs the features of an Accessible Unit;

c. Third, Owner will offer the Accessible Unit to an eligible, qualified applicant on the waiting list for Accessible Housing Units who needs the features of an Accessible Unit;

d. Fourth, Owner will offer the Accessible Unit to a current tenant of a Covered Housing Development who needs the accessible features of the Accessible Unit and are registered with the Website.

e. Fifth, Owner will offer the unit to qualified applicants who need the
accessible features of the Accessible Unit and are registered with the Website.

f. If there are no eligible current tenants or applicants in need of accessible features, then the Owner must conduct targeted outreach and marketing to advertise the unit to qualified individuals who need the accessible features, including listing it as available to individuals who need the accessible features at http://www.LAHousing.lacity.org, distributing the information about the accessible vacancy in accord with the Owner’s City approved Property Management Plan, distributing it to the most recent list from the City of organizations that serve people with disabilities, and sending an e-blast to parties on the LAHousing.lacity.org website Outreach List. All such communications shall take appropriate steps to ensure effective communication with individuals with disabilities by utilizing appropriate auxiliary aids and services, such as the use of accessible websites and emails. Outreach efforts to the disability community shall include, but not be limited to, notices and other communications describing the availability of such Accessible Units, specific information regarding the features of Accessible Units, eligibility criteria, and application procedures. These, and additional procedures, are incorporated into the City’s Fair Housing Policy Related to Disability, as amended.

In the event more than one household has requested an Accessible Unit, Owners shall offer the Accessible Unit to households in order on the appropriate waiting list within each category.

If, after using the process identified above, there are no households who need the features of that Accessible Unit, then Owner may offer the Accessible Unit to the next household on the conventional waiting list. Should that household choose not to occupy the Accessible Unit, they will remain at the same position on the conventional waiting list. If the household chooses to occupy the Accessible Unit, the tenant must sign a lease addendum in the form approved by the City. The lease addendum requires the household to move to the next available, comparable, conventional unit, when given appropriate notice by the Housing Development that there is an eligible applicant or existing resident with a disability who requires the accessibility features of that Accessible Unit.

For individuals who are required to vacate an Accessible Unit because it is needed by an individual with a disability, Owners will pay the costs of the transfer to a comparable conventional unit, including new utility deposit(s), if required, and reasonable moving expenses.

**Section 4. Rental Policies.** The Owner shall adopt the City’s rental policies that meet the requirements of Section 504, the ADA, the Fair Housing Act, FEHA, and other federal and state laws and regulations as applicable, and of the Fair Housing Policy Related to Disability of the City, as amended. Owner shall develop and utilize a Property Management Plan (“PMP”), approved by the City, which describes affirmative marketing, tenanting, and other procedures to ensure that the
Housing Development meets all of the civil rights requirements for individuals with disabilities.

Rental applications will include a section to be filled out by applicants to identify whether they are requesting an Accessible Unit or a Reasonable Accommodation. Applicants will not be required to disclose a disability under any circumstances, and Owner shall seek information to be disclosed limited to only what is necessary to establish the disability-related need for the requested accommodation. If both the disability and disability-related need for the requested accommodation are obvious or already known, no additional information may be sought by the Owner. Applicants and residents may request a Reasonable Accommodation at any time.

Section 5. Residential Rental Property. The Owner hereby represents, covenants, warrants and agrees as follows:

a. All of the Housing Units in the Housing Development will be similarly constructed units, and each income restricted unit in the project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities, equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Units shall also comply with these requirements. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.

b. All of the Housing Units (which shall not include any manager units) will be available for rental on a continuous basis to members of the general public, and the Owner will not give preference to any particular class or group in renting the housing units in the project, except to the extent that: (1) Accessible Housing Units shall be made available on a priority basis to persons who need the accessible features, as described in Section 3 above; (2) any Housing Units are required to be leased or rented to low income tenants or persons [62] years of age and older, (3) the requirements of any regulatory agreement executed between the Owner and HUD or between the Owner and a subordinate lender (including the City), (4) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the project, and (5) any preference Owner may legally provide pursuant to applicable federal and state law.

Section 6. Monitoring Requirements. The City will monitor the initial production and ongoing occupancy of the Accessible Units and the Housing Development to ensure full compliance with the Accessibility Standards, the Fair Housing Policy Related to Disability and the policies in Sections 1 - 4, above. In order to determine compliance with the Accessibility Standards, Owner shall submit and the City shall review and approve a CASp Inspection Report of the housing development that identifies the necessary and required design elements to make the Housing Units and site accessible for individuals with disabilities. The City shall inspect the construction and/or rehabilitation to verify that the legally required number of Accessible Units have been produced and that the necessary and required design elements have been constructed to
make the Housing Units and site accessible for individuals with disabilities and supported by an independent CASp consultant’s report.

The City will utilize the Housing Development’s City approved PMP and Fair Housing Policy Related to Disability to monitor ongoing occupancy compliance of the Accessible Units and nondiscrimination of individuals with disabilities. Compliance with the policies shall include, but not be limited to, target marketing, establishing and monitoring a waiting list specific to the Accessibility Units, appropriately responding to Reasonable Accommodation requests, implementation of the assistance animal policies, implementation of the policies for re-leasing vacant Accessible Units, and all elements contained in the Fair Housing Policy Related to Disability, as amended.

**Section 7. Maintenance of Records.** With respect to the Covenants, the owner agrees to keep and maintain books, accounts, reports, files, records, and other documents pursuant to the terms of the Loan Agreement Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications.

**Section 8. Notices, Demands, Payments and Communication.** Formal notices, demands, payments and communications between the City and the Owner shall be sufficiently given and shall not be given unless dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally pursuant to the Notice provisions in the Loan Agreement.

**Section 9. Term of the Covenants.** The Covenants shall be recorded upon its execution and shall terminate in accordance with the most restrictive provisions of the Loan Agreement Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications.

**Section 10. Covenant to Run with the Land.** The Owner hereby subjects the project to the covenants, reservations, and restrictions set forth in the Covenants. The City and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Owner’s successors in title to the project. Each and every contract, deed, or other instrument hereafter executed covering or conveying the project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations, and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. In particular, this Covenant is subject to the requirements at HUD’s Section 504 regulation at 24 C.F.R. § 8.50(c).

**Section 11. Default; Enforcement.** As part of ensuring compliance with the Accessibility Covenants, the Accessibility Standards, and the Fair Housing Policy Related to Disability, the City or its agent, will conduct periodic on-site visits inspecting the Housing Development, which inspections may include inspecting the Housing Units and common areas, tenant files, logs and other records. Should the Owner fail to comply, the City will first issue an Order to Comply.
(“Order”) stating the element of the Housing Development that is out of compliance, and providing a date by which the Owner must comply. The Order shall give the Owner not more than 30 days to correct the violation, or such additional time as the City may grant if the Owner is taking steps to correct the violation (“Compliance Date”), and diligently pursues such action until the default is corrected, which extension is in the City’s sole discretion. The City shall re-inspect the Housing Development within 10 days of the Compliance Date specified in the Order or any extension, however failure to inspect or re-inspect within the time frame does not remove the obligation of the Owner to comply with the Order.

If the Order is issued and the violation continues to exist after the Compliance Date, then the City shall declare an “Event of Default” and may take any one or more of the following steps:

a. Inspection Fee for Non-Compliance. In the event the Owner fails to comply with the Order within the Compliance Date, the Owner shall be liable for subsequent inspection fees in the amount approved by Council until compliance has been achieved. Failure to pay the assessed inspection fee within 30 days of the date of invoice, will result in a late charge equal to or two times the fees and a collection fee equal to 50 percent of the original fee shall be imposed if any fee imposed is not paid within 30 days of service of notice of the imposition of the fee. The late fee may be imposed without a hearing but may be appealed to the General Manager of HCID. The appeal shall be made in writing, and shall specify the grounds for the appeal. The appeal shall be filed with HCID within ten calendar days of the issuance of the imposition of the late fees and costs. The General Manager or his designee shall issue a decision within ten calendar days of the filing of the appeal. A copy of the decision shall be served on the person or entity subject to the Order or fee by first class United States mail, postage prepaid, or in person. The City shall have the right to bring legal action in any court to enforce the Order and collect the amount of outstanding fees and penalties. City may waive the penalty imposed pursuant to this section if City determines that good causes exist for the Owner’s failure to pay in a timely manner.

b. By mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Owner to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder;

c. Filing of a complaint or referral to HUD or other appropriate agencies for further enforcement actions;

d. Have access to and inspect, examine and make copies of all or a portion of the books and records of the Owner pertaining to the project, in order to

K(D) – (11 of 13)
ensure compliance with all provisions of the Covenants, including records relating to the accessibility of the Accessible Units; and

e. Take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Owner hereunder.

Section 12. Compliance with Accessibility Requirements. The Owner hereby certifies that it and its property manager and any agent, contractor and subcontractor will comply with the Accessibility Standards as defined, and the policies described in Sections 2-5. The Owner and any contractor and subcontractor will provide Reasonable Accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with each of the applicable and stricter of the requirements of the ADA, the 2010 ADA Standards for Accessible Design, the ADAAG, Section 504, UFAS, the Fair Housing Act, the Fair Housing Act Design and Construction Requirements, federal regulations implementing the ADA, Section 504, and the Fair Housing Act, California Government Code 11135 et seq., the California Building Code Chapters 11A and 11B, and all subsequent amendments to those laws. The Owner and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship or association with a person with a disability. Any contract and subcontract entered into by the Owner, relating to the Covenants and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph.

Section 14. Parties Bound. The provisions of the Covenants shall be binding upon and inure to the benefit of the City and Owner and their respective successors and assigns.

Section 15. Severability. Every provision of the Covenants is intended to be severable. If any provision of the Covenants shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

Section 16. Waiver. Any waiver by the City of any obligation in the Covenants shall be in writing; however, the City cannot waive the requirement to comply with federal and state law. No waiver will be implied from any delay or failure by the City to take action on any breach or default of Owner or to pursue any remedy allowed under the Covenants or applicable law. Any extension of time granted to Owner to perform any obligation under the Covenants shall not operate as a waiver or release from any of its obligations under the Covenants. Consent by the City to any act or omission by Owner shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for the City's written consent to future waivers.
**Section 17. Modifications.** There shall be no amendment or modification of the Covenants without the prior written approval of the City. Any amendment or modification of the Covenants shall be by a written instrument executed by the City and the parties to the Covenants and the Regulatory Agreement or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California. Modifications or amendments to the Covenants may occur by operation of law or other agreements binding the City and the parties to the Covenants and the Regulatory Agreement.

**Section 18. Conflicts.** If the provisions of the Covenants are inconsistent with the provisions of the Regulatory Agreement, the Loan Documents, or any other documents which affect the Property, the more restrictive covenants or restrictions shall control.

**Section 19. Recording and Filing.** The Owner shall cause the Covenants to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the City may reasonably request. However, failure to record the Covenants by the City shall not relieve Owner of any of the obligations specified herein.

C. WHEREAS, as consideration for the City Loan from Lender to Borrower, Borrower has executed this note (“HHAP City Note”), memorializing Borrower’s obligation to repay the City the HHAP Funds; and

D. WHEREAS, to secure this HHAP City Note, the Borrower has executed the City Loan Agreement, the City Deed of Trust and the City Regulatory Agreement.

2. The obligation of the Borrower is subject to the terms of the City Loan Agreement, the City Deed of Trust, the City Regulatory Agreement, and this HHAP City Note. This HHAP City Note and said other loan documents mentioned in the immediately preceding paragraph shall be construed and interpreted as one instrument.
preceding sentence are public records on file in the office of the City Clerk, and the
provisions of said other loan documents mentioned in this paragraph are
incorporated herein by this reference.

3. All initially capitalized terms in this HHAP City Note shall have the definition
ascribed to such term in the City Loan Agreement. The following terms are defined
in the City Loan Agreement and repeated here for convenience of reference:

a. "Annual Financial Statement" means the financial statement of Operating
Expenses and Revenues, prepared at the Borrower's expense, by an
independent certified public accountant reasonably acceptable to the City,
which shall form the basis for determining the Residual Receipts.

b. "Operating Expenses" shall mean actual, approved reasonable and
customary costs, fees and expenses directly attributable to the operation,
recordkeeping, maintenance, taxes and management of the Project,
including but not limited to a commercially reasonable property
management fee; taxes and assessments; payroll and payroll taxes for

C(1) – (2 of 8)
expenses will be excluded. Operating Expenses do not include: depreciation, amortization, depletion or other non-cash expenses, nor any capital costs associated with the development. The Operating Expenses shall be reported in the audited Annual Financial Statement. Expenses for the purpose of calculating Residual Receipts are subject to LAHD approval and shall be calculated on an accrual basis.

c. "Payment Date" shall mean [DATE] for the first payment, and annually thereafter until the City Loan is paid in full or otherwise terminated.

d. "Residual Receipts" shall mean Revenues reduced in the following order: (1) Operating Expenses calculated on an accrual basis; (2) debt service on senior project debt secured by the senior position deed of trust; (3) deposits to the Operating Reserve Fund; (4) deposits to the Replacement Reserve Fund; (5) deposits to the Supportive Services Reserve Fund; (6) repayment of General Partner Operating Loans; (7) deferred developer fees paid with cash (excluding any interest); and (8) related third party transactions, including but not limited to partnership management fee, investor service fee, asset management fee, annual partnership review fee, administrative fee, incentive supervisor fee, and/or facility administration fee. The combined total amount of related third party transactions shall not exceed twenty-five thousand dollars ($25,000) annually with an annual increase of 3.5%, or Portfolio Management Guidelines, whichever is greater. These fees must be substantiated prior to the closing of the loan by the developer and cannot include charges for any office overhead for the development of the Project or Operating Expenses. Deferred developer fees shall be drawn from project cash flow over the first fifteen (15) years of project operation.

e. "Revenue" shall mean all income derived from the Project, including but not limited to rent from the units, laundry operations, and parking fees. Syndication proceeds or interest earned on reserves and income derived from a commercial component (if applicable) shall not be deemed Revenue.

4. This Note evidences the obligation of the Borrower to Lender to repay funds loaned to the Borrower to finance a portion of the cost of construction and permanent financing for the Project.

5. This Note is payable in lawful money of the United States at the office of the Los Angeles Housing Department, 1200 W. 7th Street, 8th Floor, Los Angeles, California 90017, or at such other place as the holder hereof may inform the Borrower in writing.

6. This Note shall bear simple interest at the rate of three percent (3%) per annum on the principal amount outstanding from the date of the warrant (Los Angeles City check), until paid. Interest shall be computed based upon a three hundred sixty-five (365) day year.
7. All interest accrued from the date of the warrant (Los Angeles City check) until the date of Project Completion (the “Construction Period Interest”), shall be due and payable to Lender within sixty (60) days after the date of Project Completion, but not later than the date of Permanent Loan Conversion. Payment of the Construction Period Interest is a condition required prior to conversion from a construction loan to a permanent loan. All interest accrued after the date of Project Completion shall be due pursuant to the terms and conditions of this HHAP City Note.

8. Unless sooner due pursuant to this HHAP City Note, the combined principal of the City Loan and all accrued interest thereon shall be due and payable on the earliest of (a) fifty-seven (57) years from the date of the execution of this HHAP City Note, (b) the date the Property is sold or refinanced, or (c) an Event of Default by Borrower which has not been cured as provided for in the City Loan Agreement. The termination date may be extended at the sole discretion of Lender provided the Borrower agrees to extend the Project term of the Restricted Units.

9. Interest shall be due and payable to Lender for the preceding calendar year on the Payment Date. Interest due and unpaid in any given year shall accrue and be cumulative and shall be paid to Lender from City's Share received in subsequent years.

10. Any amounts (including but not limited to amounts of principal and interest on the Loan) which Borrower does not pay when due under the terms of the Loan Agreement or this HHAP City Note shall bear the simple interest rate of fifteen percent (15%) ("Default Rate") per annum (or such lesser maximum amount permitted by law), from the date due until the date paid.

11. On or before each Payment Date, the Borrower shall submit its audited Annual Financial Statements to the City for the preceding fiscal year together with, if any, the City's Share. Failure to do so will result in a default of the loan agreement. Once received on a timely basis, the City shall review and approve such financial statements and share of Residual Receipts, or request revisions, within ninety (90) days after receipt. In the event that the City determines as the result of its review that there is an understatement in the amount and payment of Residual Receipts due to the City, Borrower shall promptly pay to the City its share of such understatement, but in any event, within thirty (30) days of notice of such understatement. In the event that the City determines that there is an overstatement, the City shall promptly refund the amount to Borrower within thirty (30) days of such determination.

If contested, Borrower is required to pay under protest. Borrower shall have thirty (30) days from notice of obligation to submit, in writing, any contentions to the City. If the City receives contentions in writing, the City will have forty-five (45) days upon receipt to respond. If no written contentions are received by the City within the thirty (30) days, Borrower is deemed to concur with the obligation.

12. Residual Receipts shall be distributed as follows:

C(1) – (4 of 8)
a. City shall receive an amount equal to fifty percent (50%) of Residual Receipts of the Project, with such share calculated as 50% of the amount of the City Loan divided by the sum of all soft loans proceeds provided to the Project; and

b. Borrower shall receive an amount equal to fifty percent (50%) of Residual Receipts of the Project.

13. City's Share of Residual Receipts shall be applied first to pay current annual interest due, then the cumulative interest owed, and then to reduce the principal amount of the City Loan. Upon payment in full of the City Loan, Lender shall have no further right to payment of any portion of Residual Receipts.

14. The City Loan and all current and accrued interest thereon shall be due and payable immediately if the Project, or any portion thereof or interest therein, is sold, transferred, assigned or refinanced otherwise than in accordance with the City Loan Agreement. Leases in accordance with the City Loan Agreement shall not be in violation of the City Loan Agreement. However, upon Lender's approval of purchaser, the City Loan will be fully assumable by said purchaser.

15. The City Loan is a non-recourse obligation of Borrower. Except for misappropriation of funds, neither the Borrower nor any other party shall have any personal liability for repayment of the City Loan. The sole recourse of Lender under this HHAP City Note for repayment of the City Loan shall be the exercise of its rights against the Project and related security thereunder. However, nothing contained in the foregoing limitation of liability shall (a) limit or impair the enforcement of all the rights and remedies of the Lender against all such security for the Note, or (b) be deemed in any way to impair the right of the Lender to assert the unpaid principal amount of the Note as demand for money within the meaning of the California Code of Civil Procedure.

The foregoing limitation of liability is intended to apply only to the obligation for the repayment of the principal of, and payment of interest on the Note; except nothing contained in the foregoing is intended to relieve the Borrower of personal liability for (1) fraud or willful misrepresentation; (2) failure to pay taxes, assessments or other charges (which are not contested by Borrower in good faith) which may create liens on the Property that are payable or applicable prior to any foreclosure under the City Deed of Trust (to the full extent of such taxes, assessments or other charges); (3) the Borrower's indemnification obligations under the Loan Agreement; (4) misappropriation of any rents, security deposits, insurance proceeds, condemnation awards or any other proceeds derived from the collateral security; and (5) payment to the Lender of any rental income or other income arising with respect to the Property received by the Borrower after the Lender has given notice to the Borrower of the occurrence of an Event of Default, subject to the rights of any lender providing a loan secured by the Property to which the Lender has subordinated the City Deed of Trust.

C(1) – (5 of 8)
16. The Borrower shall have the right to prepay without penalty the obligation evidenced by this HHAP City Note, or any part thereof, at any time and from time to time.

17. Subject to the City Loan Agreement, Lender, at its option, may declare the City Loan immediately due and payable, together with any accrued interest thereon, if the Borrower fails to fulfill its obligations to Lender under the City Loan Agreement, this HHAP City Note, the City Deed of Trust, or any agreement or instrument executed in connection therewith.

18. All covenants, conditions and agreements contained in the City Deed of Trust, City Loan Agreement, and any Loan Documents in connection to the Project, are hereby made a part of this HHAP City Note. Upon any Event of Default, as defined in the City Loan Agreement, Lender may exercise any other right or remedy permitted under the Loan Documents.

19. Upon an Event of Default, the outstanding principal and (to the extent permitted by law) interest and any other sums outstanding in connection with the Loan shall thereafter bear interest at the Default Rate of fifteen percent (15%) (or such lesser maximum rate permitted by law), payable from the date of such declaration until paid in full.

20. Upon an Event of Default, Lender is entitled to its equity share upon the sale of the property. LAHD will be entitled to a share in any appreciation that has occurred between the acquisition and the time of sale. LAHD’s share in the appreciation will be equal to the proportion of the LAHD loan funds used in the purchase of the property or the amount of LAHD loan funds used to repay an acquisition bridge loan. This section 20 shall apply until construction has been completed and a Notice of Completion has been issued.

21. In the event that any monetary provisions of the City Loan Agreement, City Regulatory Agreement, City Deed of Trust, and/or this HHAP City Note conflict, the terms of this HHAP City Note and the City Deed of Trust shall control. In the event that any monetary provisions of this HHAP City Note or City Deed of Trust conflict, or in the event that any non-monetary provisions of the City Loan Agreement, City Regulatory Agreement, City Deed of Trust, and/or this HHAP City Note conflict, the strictest provision shall control.
