RESOLUTION AUTHORIZING THE PURCHASE OF COMMERCIAL GENERAL LIABILITY, LAW ENFORCEMENT, LEAD-BASED PAINT LIABILITY AND PROPERTY INSURANCE FROM THE HOUSING AUTHORITY INSURANCE GROUP

Purpose: The purpose of this item is to authorize the Housing Authority of the City of Los Angeles’ (HACLA) President and CEO, or designee, to purchase from the Housing Authority Insurance Group (HAI) the following insurance policies: (1) Commercial General Liability (including coverage for Law Enforcement and Lead Based Paint) for a premium cost of $603,545; and (2) Commercial Property Insurance (including terrorism coverage) for all HACLA owned and leased properties for a premium cost of $1,398,710.

Regarding: HACLA insurance policies are renewed annually. On August 26, 2021, the Board of Commissioners adopted Resolution 9738 to purchase a 10 Million Dollar Commercial General Liability Insurance Policy (including $1 Million in Law Enforcement Liability Insurance and $1 Million in Lead-Based Paint Liability Insurance) and Property Insurance for all HACLA owned and leased properties. The policies will expire on September 12, 2022.

Issues: The U.S. Department of Housing and Urban Development (HUD) requires HACLA to maintain commercial general liability insurance coverage and property insurance to mitigate liability related to property owned or leased by HACLA. HUD has recognized HAI Group as an insurance company that is controlled by Public Housing Authorities (PHA); and, as such, the procurement bidding requirement is waived.

HACLA seeks board approval to renew coverage of the following policies:

**Commercial General Liability:**

This policy provides coverage to HACLA against third party claims alleging personal injury or property damage occurring on properties owned or leased by HACLA. Although HUD’s Annual Contributions Contract (ACC) does not require that HACLA maintain Law Enforcement Liability or Lead Based Paint coverage; HACLA continues to elect the coverage to mitigate exposure.

In this renewal period, we are removing 544 units owned by Los Angeles LOMOD South, Inc., from the HACLA Policy, and absorbing a $21,818 premium increase for the...
Commercial General Liability Policy. We are also seeing a nominal increase of $216 for the Law Enforcement Liability and no rate change for Lead-Based Paint Liability renewal. HACLA’s overall increase is 3.8%.

HACLA’s Commercial General Liability Insurance Policy renews on September 12, 2022, for a total premium (inclusive of Law Enforcement and Lead-Based Paint coverages) of $603,545. The coverage terms remain the same as the expiring policy. Specifically, the general liability coverage limit is $10 Million Dollars and Law Enforcement and Lead Based-Paint coverage is $1 Million Dollars.

The carrier remains responsible for investigating and defending HACLA legal interests and pays upfront costs associated with investigating the claims. The deductible for general liability and law enforcement will remain at $100,000 per occurrence and $25,000 for lead-based paint.

**Commercial Property Insurance:**

HACLA’s Commercial Property insurance protects HACLA in case of a loss or damage to any of the HACLA owned properties. This type of insurance covers HACLA assets with limits of coverage for all properties at a replacement cost value (RCV).

In this renewal period, we are removing 544 units currently owned by Los Angeles LOMOD South, Inc. from the HACLA policy. The cost of the renewed policy is $1,398,710, which reflects a premium increase of three percent (3%). Some of the factors impacting the rate increases include the current insurance market, inflation, labor shortages and demand surges. The deductible will continue to be $50,000 per occurrence. All other aspects of this policy will remain the same.
