RESOLUTION AUTHORIZING LOS ANGELES LOMOD SOUTH TO ENTER INTO A PARTNERSHIP AGREEMENT WITH PHK SUP8, LLC, FOR THE LONG-TERM OPERATION, DEVELOPMENT AND OWNERSHIP OF REAL PROPERTY LOCATED AT 7625 AND 7631 TOPANGA CANYON, LOS ANGELES, CA 91304; THE EXECUTION OF AN INTERIM LEASE AGREEMENT BETWEEN HACLA AND TOPANGA CANYON HOUSING PARTNERS, LP; THE PROVISION OF A $306,000 OPERATING GRANT AND A $2,000,000 BRIDGE LOAN TO TOPANGA CANYON HOUSING PARTNERS, LP; ALLOWS FOR THE USE AND CONVERSION OF A FORMER MOTEL TO A 52-UNIT PERMANENT SUPPORTIVE HOUSING PROJECT; AND RELATED ACTIONS

Purpose: These clarifying authorizations provide underlying authority to actions taken by the Housing Authority of the City of Los Angeles (“HACLA” or “Authority”) to implement its commitment to the State of California Department of Housing and Community Development (“HCD”) under Standard Agreement 20-HK00127 for the HomeKey Program.

Regarding: Approval of this Resolution is consistent with HACLA’s Acquisition and Disposition of Real Property Policy, which was last amended at the October 22, 2020 Board of Commissioner’s meeting and is preceded by related actions including Resolution No.9613 adopted by the Board on July 30, 2020 authorizing HACLA’s submittal of multiple applications to the State HCD HomeKey Program on its behalf to further the goal of expanding options for deeply affordable permanent and interim housing and actions through Resolutions Nos. 9625, 9589 and 9745 approving and amending a Revolving Line of Credit with City National Bank to be used for the purpose of acquiring and rehabilitating real property for use as affordable housing in the City of Los Angeles, among other things.

On October 29, 2020 HACLA’s Board of Commissioner’s adopted Resolution 9653 authorizing the acceptance of a Homekey capital grant award in the amount of $8,257,350 and another smaller Homekey award for operations in the amount of $306,000 for the purpose of purchasing and rehabilitating a 52-unit motel located at 7631 Topanga Canyon Boulevard (the “Property” or “Project”) and to enter into a Standard Agreement with HCD and take all actions including entering into agreements for services, partnerships, operations and financing to meet the Authority’s obligations.

The October 29, 2020 Board Report contemplated returning to the Board of Commissioners with further detail on the contemplated partnership for long-term ownership and additional financing for the rehabilitation work. This report provides a detailed update on the Project and clears authorities for various agreements which have been put into place including the Interim Lease Agreement or Attachment 2 and the
Authority Grant Agreement found in Attachment 3.

Issues

Background: After the successful submission of a Homekey Application on August 13, 2020, HACLA entered into Standard Agreements with HCD and drew on available grant funding from the State’s Homekey Program and $3,186,080 of its own Line of Credit authority to acquire three parcels located at 7625 Topanga Canyon and 7631 Topanga Canyon, Canoga Park, CA 91304. Two of the parcels housed an existing motel which was being used as part of the Roomkey Program and was fully occupied as interim housing at purchase. The remaining parcel, which is unencumbered by Homekey requirements, was operating as a restaurant but presented an opportunity for future development. L.A. Family Housing was contracted with the City of Los Angeles and LAHSA to operate the Roomkey site and provided expertise to complement HACLA’s long-term plans for the build out of the former hotel and restaurant as permanent supportive housing. L.A. Family Housing was included as a co-applicant on HACLA’s successful Homekey application and HACLA contracted with L.A. Family Housing to continue running interim housing in the motel property as staff worked through the details of a longer-term partnership agreement and plan for permanent conversion. On March 5, 2021, HACLA, through its instrumentality, Los Angeles LOMOD South, Inc. and PHK Sup8, LLC, a single-purpose entity created by L.A. Family Housing, formed a partnership as Topanga Canyon Housing Partners, LP (the “Partnership”) and executed a Limited Partnership Agreement found in Attachment 4. Shortly after, on May 17, 2021, HACLA entered into a short-term lease agreement (“Interim Lease Agreement”) with Topanga Canyon Housing Partners, LP.

Interim Lease Agreement: The Interim Lease Agreement provided Topanga Canyon Housing Partners, LP the rights to operate and manage both the interim housing operations at the former motel and the active restaurant lease. The Interim Lease Agreement also established a path for Topanga Canyon Housing Partners, LP to lead the initiative to develop the permanent housing plan under HACLA’s Homekey obligations and consider a future development plan for the restaurant property by providing the Partnership with Option Agreements to long-term ground lease the hotel and restaurant properties with HACLA’s approval of a final construction, financing and operations plan. The Interim Lease Agreement is in place for two years until May 17, 2023 and has options for two one-year extensions to be granted at HACLA’s sole discretion based on receipt of a request from the Partnership. Given the current timing for construction of the motel conversion and the status of the restaurant site’s plans, staff expect the Partnership to request such extensions and recommends approval of the request.

Prior Board of Commissioner actions acknowledged the intention to administratively manage the creation and execution of the Limited Partnership Agreement and controlling documents for both short-term operations and requested a report back and review of both the Partnership Agreement and the financing plan for the building rehabilitation.

Partnership Agreement: PHK SUP8, LLC, serves as the managing member (“MGP”), and Los Angeles LOMOD South, Inc. serves as the Administrative General Partner (“AGP”) of Topanga Canyon Housing
Partners, LP. La Cienega LOMOD, Inc. ("La Cienega") serves as the Limited Partner of Topanga Canyon Housing Partners, LP. In this capacity, La Cienega has no current or anticipated obligations to the Partnership and is largely serving as a placeholder to maintain flexibility for potential financing options. The Limited Partnership Agreement provides for the partners to exit the Partnership with each other’s consent through sale or transfer of rights and the opportunity to buy out each other’s position in the Partnership.

As AGP, Los Angeles LOMOD South, Inc. holds a 64.99% majority ownership and development interest while PHK SUP8 LLC holds a 35% development and ownership interest. La Cienega LOMOD holds .01% ownership and development interest. As the majority interest owner, Los Angeles LOMOD South, Inc. is expected to provide 100% of the guarantees required for any financing of the project, oversee accounts and audits, and report to HACLA to ensure compliance with the Project Homekey regulatory agreement and financing. PHK SUP8, LLC as the MGP, is tasked with overseeing the development of plans for redevelopment of the site and will provide all on-site services to tenants and ensure the Property is in compliance with all Project Homekey or other funding and regulatory requirements.

Construction Plans & Financing

HACLA passed through $306,000 of Homekey funding to the Partnership to manage the operations of the interim housing as the original Roomkey contract ended December 31, 2020. The Homekey application anticipated the site would operate as interim housing for approximately twenty-four months and unit conversions would take place while the building was partially occupied. The Partnership successfully managed the site as interim housing from its initial purchase in November 2020 through September 2021, at which time it was determined that all households in the 52-unit motel should be relocated to other transitional or permanent housing and the former motel was secured as vacant until construction permits could be pulled to initiate the plans for permanent conversion. The motel conditions were deteriorated at purchase and the Partnership soon realized that the idea of conducting a rehabilitation of the site while maintaining it as interim housing was going to be operationally impossible. Additionally, the architects and engineers needed access to the building and unit interiors to conduct destructive testing and better assess infrastructure conditions to inform the conversion plans.

The Partnership hired J.S. Egan Design, Inc. to oversee the development of architectural plans for the motel conversion and coordinate permits with the City of Los Angeles. J.S. Egan Design, Inc. also anticipated architect and engineering services for the successful conversion of the Best Western Hotel into NOHO Apartments. Once complete, Canoga Park Place Apartments (the Partnership’s selected name for this Homekey project), will be HACLA’s second successful motel conversion project in the Homekey portfolio. The development of these conversion models has broken new ground for the City’s permitting process and the adaption of the original buildings into a cohesive community complex with onsite services and amenities took great creativity and precision. Higher utility loads and the non-transient use created some new infrastructure needs for the Property, including a requirement for a new transformer. Also, while motels are developed to encourage easy access to guests, the layout does not provide the type of privacy and security one would want in a long-term rental property. The designs (see Attachment 5) maintain the exiting bones of the motel buildings but provide a refreshed residential look
to the new units, common space and service areas. Small additions to the building’s original lobby allow all services and offices to be operated on site and provide casual and formal gathering spaces for tenants as well as pet-amenities and landscaping.

After a year of design and engineering work, the Partnership was able to receive permits and bid the motel conversion project this year, awarding a contract to Lucy Development Company on October 1, 2022. Onsite construction began immediately thereafter and is estimated to complete in Fall 2023. This work is currently under contract for nearly $7.4 million.

To cover construction-related costs, the Partnership was awarded an additional $2,500,000 through a CDBG-Homekey Set-Aside grant in July 2022 and will be entering into a sub-recipient grant agreement with the City of Los Angeles to receive these funds. Additionally, the Partnership is seeking a loan from Los Angeles LOMOD South to the Partnership in the amount of $2,876,549 (“LOMOD South Bridge Loan”). The LOMOD South Bridge Loan will be funded from available cash reserves held by Los Angeles LOMOD South. In accordance with the Limited Partnership Agreement, the LOMOD South Bridge Loan will carry a 5% interest rate and receives priority for repayment from available cashflow.

Subject to approval of the Authority, HACLA is being requested to provide the Partnership a bridge loan in the amount of $2,000,000, to be drawn from its Line of Credit with City National Bank (“Authority Bridge Loan”), the form of which can be found in Attachment 6.

The Partnership shall make interest payments on the Authority Bridge Loan according to the terms of HACLA’s line of credit agreement with City National Bank (“Revolving Credit Agreement”), and if the Revolving Credit Agreement is amended or replaced with a successor agreement, according to the terms of such amended or successor agreement. The Partnership shall be responsible for such interest payments from the initiation of Authority Bridge Loan borrowings, as well as any fees, penalties, or other charges applicable under the Revolving Credit Agreement, as amended or succeeded, until the Authority Bridge Loan and all applicable fees, penalties, and other applicable charges are paid in full. The Partnership shall prioritize repayment of the Authority Bridge Loan from proceeds of its Permanent Financing Loan, and in the event such proceeds are insufficient to repay the entire indebtedness, proceeds from Net Cash Flow to the extent available shall be used until the respective loan maturity dates, when all remaining unpaid principal and interest shall be due and payable.
In its expenditures for Project costs, the Partnership will first spend the entirety of available CDBG-Homekey Set-Aside Grant funds, and then commence borrowings under the LOMOD South Bridge Loan on an as-needed basis. Once the Partnership has exhausted all authorized LOMOD South Bridge Loan funds, the Partnership shall commence borrowings under the Authority Bridge Loan on an as-needed basis.

Permanent financing is anticipated to occur upon completion of the rehabilitation, once the Property is stabilized and in conjunction with the execution of the Ground Lease. If the Authority Bridge Loan and LOMOD South Bridge Loan are not fully repaid at that time, leasehold deeds of trust pertaining to those loans, along with corresponding subordination agreements, will be recorded against the Ground Lease.

**Next Steps:**

The Partnership anticipates leasing Canoga Park Place in the Fall of 2023 and will engage EAH as the selected Property Manager (“PM”) and L.A. Family Housing as the lead for all supportive services. Both EAH and L.A. Family Housing worked well together to provide interim housing on site and anticipate beginning early planning for staffing and coordination for tenancy to begin in the second quarter of FY2023. The Partnership will also be preparing for permanent conversion and with an existing Section 8 HAP for up to fifty-one units, believes the operating income and stability of the Property will ensure competitive financing rates.

The Partnership is in the process of hiring an architect and engineering firm to begin drawings and designs for the build out of the restaurant site as a complementary affordable housing site and will return to the Board of Commissioners with plans for both the permanent conversion and a status update on the restaurant development by Q4 FY2023.

**Vision Plan:**

**Place Strategy #4: Steward efforts to reduce and alleviate homelessness**

Prioritizing actions to plan, support and lead efforts to address homelessness in a variety of populations and by varied means.

**Place Strategy #5: Expand HACLA’s role in the broader communities it serves to improve neighborhood-wide health and wellbeing**

HACLA has identified opportunities to participate and support community-based efforts to advocate for improvements to infrastructure, safety, health, education and economic equity.

**Place Strategy #2: Increase functionality and effectiveness of the Asset Management portfolio**

This strategy focuses on the strategic directive of the Housing Authority of the City of Los Angeles to acquire real property to diversify the housing portfolio and increase the supply of deeply affordable housing within the City of Los Angeles

**Funding:**

The Chief Administrative Officer confirms the following:

*Source of Funds:* Unencumbered and legally available financing in the amount of $2,000,000 is available to the Authority through its City National Revolving Line of Credit. The Line of Credit will provide an adequate interim financing mechanism to fund the
Authority’s Bridge Loan to the Partnership. The Board of Commissioners approved the initial draw of $3,186,080 to acquire the Super 8 Motel property at its October 29, 2020 meeting. The same October 2020 Board Report acknowledged a future need for $2,000,000 from the Authority to cover the anticipated rehabilitation costs but did not approve those funds at the time. This Board Report will officially commit the Line of Credit and provide such funds to the Partnership as a Bridge Loan and will issue a related Note with repayment terms.

**Budget and Program Impact:** It is understood that to the extent outstanding loans can be repaid at the time of permanent financing for Canoga Park Place Apartments, the loans shall be repaid in the following order of priority: 1) Authority Bridge Loan; 2) LOMOD South Bridge Loan. Any subordination agreements recorded against the Ground Lease shall reflect that order of priority among these loans as well. Due to various restrictions pertaining to the City National Bank line of credit against which the Authority Bridge Loan is drawn, if this loan is unable to be repaid at the time of permanent financing, it will need to be replaced by borrowings more suitable for long-term repayment.

**Environmental Review:**

**NEPA:**
The primary source of funding for the Homekey program, Coronavirus Relief Funds, was federal funds, thus making the rehabilitation discussed herein potentially subject to the National Environmental Policy Act (“NEPA”). On October 21, 2020, LAHD completed review of the Super 8 Motel acquisition and rehabilitation project (aka Canoga Park Place Apartments or Project) and determined the acquisition and rehabilitation to be Categorically Excluded per 24 CFR 58.35(a), and subject to laws and authorities at §58.5: 24 CFR 58.35(a) (3) (ii) – Rehabilitation and Improvements of Multifamily Residential Buildings. LAHD imposed mitigation requirements including Lead Based Paint and Asbestos Material testing and removal as part of the rehabilitation plans, which is being followed by the Partnership and included in the contractor’s scope of work. The Environmental Clearance is valid for five years after its determination and no further review is required at this time.

**CEQA:**
For purposes of the California Environmental Quality Act (Public Resources Code, §21000 et seq.) (“CEQA”), HACLA is the Lead Agency on the Project. Based upon review of the exemption criteria and the information available at the time of review of these recommendations, the Project meets all of the applicable requirements set forth in Health and Safety Code section 50675.1.2 and is therefore exempt from CEQA pursuant to Health and Safety Code sections 50675.1.1 and 50675.1.2. Specifically: none of the units are being acquired via eminent domain; the units will be in decent, safe, and sanitary condition at the time of their occupancy, where applicable; all contractors working on the Project will, as applicable, be required to comply with applicable Labor Code requirements; the Project will comply with applicable Public Contract Code provisions, the acquisition was paid for exclusively with public funds; the Project will provide housing units for individuals and families who are experiencing homelessness or who are at risk of homelessness; long-term covenants and restrictions require the units be restricted to persons experiencing homelessness or who are at risk of homelessness, which may include lower income and very low income households, for no fewer than 55 years; and the Project does not increase the original footprint of the structures on site by more than
10 percent, and an increase to the footprint of the original Projects’ structures, if any, is exclusively to support the conversion to housing for the designated population, including, but not limited to, both achieving compliance with local, state, and federal requirements and providing sufficient space for the provision of services and amenities. Additionally, the Super 8 Motel acquisition qualifies for the statutory exemptions from the requirements of CEQA under California Public Resources Code section 21080.50 – Interim Motel Project exemption. Should the Board make a finding that the exceptions apply; a Notice of Exemption (“NOE”) will be submitted to the Los Angeles County Registrar-Recorder/County Clerk (“LA RR/CC”), as applicable, pursuant to Public Resources Code section 21152(b). An original NOE was filed on November 5, 2020 making similar findings.

LEASE AGREEMENT

THIS LEASE AGREEMENT (“Agreement”) is made as of May 17, 2021 (“Effective Date”), by and between the Housing Authority of the City of Los Angeles, a public body, corporate and politic (“Lessor” or “HACLA”), and Topanga Canyon Housing Partners, L.P., a California limited partnership (“Lessee” or the “Partnership”). Lessor and Lessee are sometimes hereinafter referred to collectively as the “Parties” or individually as a “Party.”

RECITALS

A. HACLA was created, established, and authorized to transact business and exercise powers under and pursuant to the provisions of the Housing Authorities Law of the State of California (consisting of Chapter 1 of Part 2 of Division 24 of the California Health and Safety Code (“HSC”), for the purposes of facilitating the administration and expansion of safe and affordable housing for constituents within the City of Los Angeles. HACLA is governed by its Board of Commissioners (the “Board”). Pursuant to Resolution No. 9653 approved by the Board on October 29, 2020 (the “Resolution”), HACLA has acquired that certain real property located at 7625 Topanga Canyon Boulevard and 7631 Topanga Canyon Boulevard, in the City of Los Angeles, County of Los Angeles, State of California, further identified as Assessor’s Parcel Numbers 2012-002-024 and 2012-002-020 (collectively, “Property”). The Property consists of two parcels of land, one of which is comprised of, among other things, a hotel facility known as the Super 8 by Wyndham containing fifty two (52) guest rooms (the “Hotel Property”), and the other of which consists of a facility containing a restaurant (the “Restaurant Property”).

B. HACLA and Lessee are entering into this Agreement for the limited purpose of leasing the Property to the Partnership (“Lease”) on a short-term basis in order to enable the Partnership to operate the Hotel Property as interim affordable and supportive housing serving those experiencing homelessness or at risk of experiencing homelessness (as such terms are defined in Part 578.3 of Title 24 of the Code of Federal Regulations), and who are impacted by the COVID-19 pandemic, all in accordance with the State of California’s Homekey Program (Assembly Bill No. 83 (2019-2020 Reg. Sees.) which created the statutory basis for the Homekey Program in California by adding section 50675.1.1 to the Health and Safety Code) (the "Project"). It is the intent of the Parties that the Partnership will so operate the Hotel Property on an interim basis during which time the Partnership will formulate a plan to convert, rehabilitate, develop, finance and operate the Hotel Property as permanent affordable and supportive housing in accordance with the Homekey Program (the “Partnership’s Homekey Hotel Plan”), and that the Partnership will formulate a plan for the financing and operation of the Restaurant Property as a restaurant which is not required to comply with the Homekey Program (the “Partnership’s Restaurant Plan”), both of which will be approved by HACLA, whereupon the Partnership will be in a position to exercise the option or options set forth in this Agreement to enter into a long-term (67 year) ground lease of the Property with HACLA (“Ground Lease”). The Partnership’s Homekey Hotel Plan and the Partnership’s Restaurant Plan may be submitted separately and at different times.

C. HACLA has purchased the Property with funds (“Homekey Funds”) received from the federal Coronavirus Aid Relief Funds and/or California’s General Fund allocated to and administered by the California Department of Housing and Community Development (“HCD”) via the Homekey Program, as described in the Notice of Funding Availability dated July 16, 2020 (the “Homekey NOFA”), as well as its own funds. Pursuant to the Homekey Program (defined below),
the Partnership has executed a certain Agreement Containing Covenants Affecting Real Property ("Agreement Containing Covenants"), which has been duly recorded in the office of the Recorder of Los Angeles County, California, and which is an encumbrance on and against the fee simple estate and any leasehold estate in the Property. The Agreement Containing Covenants sets forth restrictions and covenants imposed by the Homekey Documents (as hereinafter defined) for the Project. The terms of the Agreement Containing Covenants are incorporated herein by this reference. For the purposes hereof, the term, (i) "Homekey Program" means the program authorized pursuant to AB 83 (2019-2020) by the State of California intended to provide housing for individuals and families who are experiencing homelessness or who are at risk of homelessness (as defined in Part 578.3 of Title 24 of the Code of Federal Regulations) and who are impacted by the COVID-19 pandemic, which authorized a program administered by HCD to provide up to $600 million in grant funding available to local public entities, including cities, counties, or other local public entities, including housing authorities or federally recognized tribal governments within California to purchase and rehabilitate housing, including hotels, motels, vacant apartment buildings, and other buildings and convert them into interim or permanent, long-term housing; and (ii) "Homekey Documents" means the Resolution, the NOFA, the Agreement Containing Covenants, the Standard Agreement (and the exhibits included therein) (as shown attached hereto as Exhibit A), and all other documents specified under or required by the Homekey Program, including, without limitation, all guidelines, the expenditure and program reporting, Declaration of Restrictive Covenants, and supportive services plan.

D. The Partnership consists of a limited partnership comprised of, among others, (i) PHK Super8 LLC, a California limited liability company, as the Managing General Partner, and (ii) Los Angeles LOMOD South, Inc., a California nonprofit public benefit corporation ("LOMOD"), as the Administrative General Partner, which is an instrumentality of HACLA.

E. The Partnership and HACLA now wish to enter into this Agreement whereby HACLA, as Lessor, will lease the Property to the Partnership, as Lessee, for the purposes set forth above and subject to the terms and conditions set forth in this Agreement.

NOW THEREFORE, IN CONSIDERATION OF the aforesaid Recitals and of the mutual promises contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. LEASE TRANSACTION

1.1 Incorporation of Recitals and Lease of Property. The Parties acknowledge and agree that the Recitals are true and correct in every respect, and that the Recitals are hereby incorporated into this Agreement as though herein fully and completely rewritten. HACLA hereby leases the Property to the Partnership for the limited purposes set forth in Recital “B” above and otherwise subject to and in accordance with the terms and conditions of this Agreement, and the Partnership hereby leases the Property from HACLA for the limited purposes set forth in Recital “B” above and otherwise subject to and in accordance with the terms and conditions of this Agreement. PARTNERSHIP SPECIFICALLY ACKNOWLEDGES AND AGREES THAT HACLA IS LEASING TO THE PARTNERSHIP AND THE PARTNERSHIP IS LEASING FROM HACLA THE PROPERTY ON AN “AS IS-WHERE IS-AND WITH ALL FAULTS” BASIS, AND THAT THE PARTNERSHIP IS NOT RELYING ON ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, FROM HACLA.
1.2 **Lease Fee.** The Partnership shall pay a monthly fee to HACLA during the Lease Term (as hereinafter defined) in an amount equal to the gross income derived from the operation of the Project including, without limitation, all rent paid for the use of all or any part of the Restaurant Property and the Hotel Property, and all other income in money or equivalent, cash or credit, received by Lessee from Project operations, minus reasonable and pre-approved expenses incurred by Lessee in the operation of the Project in the ordinary course of business. The Hotel Property Option and the Restaurant Property Option are sometimes herein referred to collectively as the “Options” or individually as an “Option.” The Options may be exercised simultaneously or at different times, and otherwise in accordance with and subject to the terms and conditions of this Agreement. If the Hotel Property Option is exercised and the Restaurant Property Option is not exercised, then this Lease shall be terminated with respect to the Hotel Property but this Lease shall continue with respect to the Restaurant Property. 3. RIGHTS AND OBLIGATIONS WITH RESPECT TO THE PROPERTY.

3.1 Title; Quiet Enjoyment. During the Lease Term, provided there does not exist a Termination Event or an Event of Default (as defined in Section 6.1 below), and except as expressly set forth elsewhere in this Agreement, Lessee will peaceably and quietly have, hold and enjoy the Property subject thereto, without suit, trouble or hindrance from Lessor.

3.2 Uses. Lessee shall use the Hotel Property solely for the purposes stated in Recital B of this Agreement and in Section 301 of the NOFA and for no other purposes. Lessee shall use the Restaurant Property as a restaurant for commercial purposes only; provided, however, if the restaurant ceases operations, the Restaurant Property may be used as storage or as community space for the Hotel Property. This is a special purpose Lease, and any use of the Property in contravention of the required uses shall constitute the automatic termination of this Agreement and all rights of the Partnership hereunder without notice or time to cure. The Partnership shall not use the Property in any manner that constitutes a nuisance or trespass or a violation of any applicable laws or restrictive covenants of record including, without limitation, the Declaration of Restrictive Covenants.

3.3 Personal Property. Personal property ("Personal Property") located at each Property is and will remain personal property belonging to Lessor although it may be used by Lessee solely for the purpose of meeting contractual obligations of this Lease. Lessee is obligated to repair or replace any and all Personal Property which becomes damaged or destroyed in the course of their use of such Personal Property when such Personal Property should be repaired or replaced if reasonably required to maintain the proper and efficient operation of the Project; provided, however, that Lessee shall not be liable for minor damage such as scratches, scruffs, stains and dents resulting from normal wear and tear. Lessee shall not be required to repair or replace Personal Property which becomes unusable due to normal wear and tear if such Personal Property is not reasonably required to maintain the proper and efficient operation of the Project. A full accounting of any destruction or replacement of Personal Property shall be provided to Lessor ten (10) days prior to Lease Termination. See Exhibit A attached hereto for a Schedule of Personal Property for the Property which belongs to Lessor, pursuant to the Purchase Agreement.

3.4 Maintenance; Alterations; Operations; Security.

3.4.1 Maintenance; Utilities
At all times during the Lease Term, with respect to the Property, Lessee will, at Lessee’s own cost and expense, maintain, preserve, and keep the Property in good working order and condition, and will make or cause to be made all necessary and proper repairs and replacements subject to the qualifications below, and renewals to the Property, which will become part of the Property. All such alterations, additions, modifications or improvements will thereafter comprise part of the Property and will be subject to the terms and conditions of this Agreement. During the Lease Term, Lessee will, at its own expense, make such replacements, alterations, additions, modifications and improvements to the applicable Property as may be required from time to time by applicable law, at the request of HACLA or the County under the Homekey Program or by any governmental authority, where the cost of same does not exceed Ten
Thousand Dollars ($10,000).

In addition, at all times during the Lease Term, Lessee shall maintain all utilities in its name and shall be responsible for all utility payments for the Property pursuant to Section 3.4.4 below.

3.4.2 Repairs

Lessee shall, at its cost, maintain the Property in a clean, graffiti-free, safe, professional, and operable condition, and shall not permit or allow any waste or damage to remain on any portion of the Property. Lessee shall repair or replace, at its cost and subject to Lessor’s direction and supervision, any damage to any portion of the Property caused by Lessee or Lessee’s use of the Property. If Lessee fails to make such repairs or replacements within 30 days after the occurrence of such damage caused by Lessee, then Lessor may, at its discretion, make the same at Lessee’s cost. If any such damage occurs outside of the Property, then Lessor may elect to repair such damage at Lessee’s expense, rather than having Lessee repair such damage. The cost of all maintenance, repair or replacement work performed by Lessor under this section shall be paid by Lessee to Lessor within 30 days after Lessor has invoiced Lessee therefore. Lessee hereby waives and releases its right to make repairs at Lessor’s expense under Sections 1941 and 1942 of the California Civil Code or under any similar law, statute or ordinance now or hereafter in effect.

3.4.3 Alterations.

No alterations or additions to any portion of the Property (including signs, temporary or permanent) shall be made by Lessee without first obtaining the written approval of the Lessor and any applicable governmental agency, as may be required. Upon approval of any improvements or alterations, the alterations/improvements to the Property shall be performed at Lessee’s sole expense and only in accordance with plans and specifications which have been previously submitted to and approved in writing by Lessor. All alterations and additions shall be constructed, maintained, and used by Lessee, at its sole risk and expense, in accordance with all laws. Lessor’s consent to or approval of any alterations or additions (or the plans therefore) shall not constitute a representation or warranty by Lessor, nor Lessor’s acceptance, that the same comply with sound architectural and/or engineering practices or with all applicable laws and permits. Lessee shall be solely responsible for ensuring all such compliance.

3.4.4 Operating Costs.

Except for the Grant (as defined below), Lessee shall be solely responsible for payment of all “Operating Costs” and expenses associated with operation and maintenance of the Property, and shall keep such utility expenses in Lessee’s name, including but not limited to: utilities (electric, water, gas, telephones, etc.), maintenance of fence(s)/gates, trimming of trees and shrubs, watering and/or maintenance of lawn, trees, shrubs, landscaping features, parking area, pavement, all plumbing, electrical, painting for the interior and exterior of the Property, roof, windows, heating/ventilation/air conditions (HVAC), etc. The term “Operating Costs” shall mean all expenses and disbursements
that Lessee incurs in connection with the use, operation, and maintenance of the Property, including the following costs: (1) wages and salaries of any employee of Lessee or hired contractor (whether paid directly or through a management company) for any engagement in the operation, maintenance or security of the Property, including insurance, supplies and materials used in the operation, maintenance, repair, replacement, and security of the Property; (2) costs for improvements made to the Property which, although capital in nature, are expected to reduce the normal operating costs (including all utility costs) of the Property; (3) cost of all utilities; (4) insurance expenses for the insurance coverages required by this Lease and subject to the waiver in writing by HACLA of any such insurance expenses; (5) repairs, replacements, and general maintenance of the Property; (6) service, maintenance and management contracts with independent contractors for the operation, maintenance, management, repair, replacement, or security of the Property (including alarm service and window cleaning). The Parties have or will enter into a certain Grant Agreement whereby HACLA will contribute to the Partnership the amount of Three Hundred Six Thousand Dollars ($306,000.00) to facilitate converting, rehabilitating and operating the Project in accordance with the Homekey Documents (the “Grant”).

3.4.5 Permits and Licenses

Lessee, during the term of this Agreement, shall possess all applicable permits, licenses, and authorization required by law to conduct its current business at the Property. Upon Lessor’s request, Lessee shall provide evidence of such permits and licenses.

3.4.6 Performance of Work

Any maintenance or other repairs required to maintain the Property shall be performed only by contractors and subcontractors duly licensed, bonded and in good standing under the laws of the State of California. Lessee agrees to provide a list of all contractors, subcontractors and consultants in addition to all Lessee third party contracts at Lessor’s request. All such contracts must terminate prior to the expiration terms of this Agreement or be co-terminus with this Agreement. Lessee shall cause all contractors and subcontractors to procure and maintain insurance coverage naming Lessor as additional insureds against such risks, in such amounts, and with such companies as Lessor may reasonably require. Lessee shall provide Lessor with the identities, mailing addresses and telephone numbers of all persons performing work or supplying materials prior to beginning such construction and Lessor may post on and about the Property notices of non-responsibility pursuant to applicable laws. All such work shall be performed in accordance with all laws and in a good and workmanlike manner so as not to damage the Property. Lessee is responsible for all of its contractors, subcontractors and consultants and their work and all such work which may affect improvements on the Property must be approved by the Lessor.

3.4.7 Mechanic’s Liens

All work performed, materials furnished, or obligations incurred by or at the request of Lessee shall be deemed authorized and ordered by Lessee only, and Lessee shall not permit any mechanic’s liens to be filed against the Property in connection therewith. Upon completion of any such work, Lessee shall deliver to Lessor final lien waivers from
all contractors, subcontractors and materialmen who performed such work. If such a lien is filed, then Lessee shall, within ten days after Lessor has delivered notice of the filing thereof to Lessee (or such earlier time period as may be necessary to prevent the forfeiture of the Property, or any interest of Lessor therein or the imposition of a civil or criminal fine with respect thereto), either (1) pay the amount of the lien and cause the lien to be released of record, or (2) diligently contest such lien and deliver to Lessor a bond or other security reasonably satisfactory to Lessor. If Lessee fails to timely take either such action, then Lessor may pay the lien claim, and any amounts so paid, including expenses and interest, shall be paid by Lessee to Lessor within ten days after Lessor has invoiced Lessee therefore. Lessor and Lessee acknowledge and agree that their relationship is and shall be solely that of “Lessor-Lessee” (thereby excluding a relationship of “owner-contractor,” “owner-agent” or other similar relationships). Accordingly, all materialmen, contractors, artisans, mechanics, laborers and any other persons now or hereafter contracting with Lessee, any contractor or subcontractor of Lessee for the furnishing of any labor, services, materials, supplies or equipment with respect to any portion of the Property, at any time from the date hereof until the end of the Lease Term, are hereby charged with notice that they look exclusively to Lessee to obtain payment for same. Nothing herein shall be deemed a consent by Lessor to any liens being placed upon the Property or Lessor’s interest therein due to any work performed by or for Lessee or deemed to give any contractor or subcontractor or materialman any right or interest in any funds held by Lessor to reimburse Lessee for any portion of the cost of such work. Lessee shall defend, indemnify and hold harmless Lessor and its agents and representatives from and against all claims, demands, causes of action, suits, judgments, damages and expenses (including attorneys’ fees) in any way arising from or relating to the failure by Lessee to pay for any work performed, materials furnished, or obligations incurred by or at the request of Lessee. This indemnity provision shall survive termination or expiration of this Agreement.

3.4.8 Security

Lessee shall at all times procure, maintain and pay for adequate professional security services at the Property at a level and pursuant to a schedule submitted by Lessee upon initiation of this Agreement and approved by the Lessor.

4. INSURANCE; WAIVERS; NO SUBROGATION.

4.1 Lessee’s Insurance. Effective as of the earlier of (1) the date Lessee enters or occupies the Property pursuant to this Agreement, or (2) the Commencement Date, and continuing throughout the Term, Lessee shall maintain the following insurance policies and coverage:

(a) Commercial general liability insurance in amounts of $1,000,000 per occurrence for bodily injury, personal injury and property damage including a minimum of $50,000 Fire Legal Liability Supplemental or, following the expiration of the initial Term, such other amounts as the Lessor may from time to time reasonably require (and, if the use and occupancy of the Property includes any activity or matter that is or may be excluded from coverage under a commercial general liability policy, Lessee shall obtain
such endorsements to the commercial general liability policy or otherwise obtain insurance to insure all liability arising from such activity or matter in such amounts as the Lessor may reasonably require), insuring Lessee, Lessor and their respective agents, affiliates, successors and assigns against all liability for injury to or death of a person or persons or damage to Property arising from the use and occupancy of the Property and (without implying any consent by Lessor to the installation thereof) the installation, operation, maintenance, repair or removal of Lessee’s Equipment;

(b) Insurance covering the full value of all alterations and improvements and betterments in the Property, if any, naming Lessor as additional loss payees as their interests may appear;

(c) Insurance covering the full value of all furniture, trade fixtures and personal property (including property of Lessee or others) in the Property;

(d) Contractual liability insurance sufficient to cover Lessee’s indemnity obligations hereunder (but only if such contractual liability insurance is not already included in Lessee’s commercial general liability insurance policy), and

(e) Statutory Worker’s compensation insurance. As required by the California Labor Code, and Employers Liability with limits not less than $1,000,000 per occurrence. Licensee shall provide evidence of Workers’ Compensation Insurance or a copy of Consent to Self-Insure Issued by the State of California Department of Industrial Relations.

The Partnership shall furnish to HACLA certificates of such insurance and such other evidence satisfactory to HACLA of the maintenance of all insurance coverages required hereunder at least ten days prior to the earlier of the Commencement Date, and at least 15 days prior to each renewal of said insurance, and Lessee shall obtain a written obligation on the part of each insurance company to notify Lessor at least 30 days before cancellation or a material change of any such insurance policies. All such insurance policies shall be in form, and issued by companies reasonably satisfactory to Lessor and name the Lessor and the State of California and the Department of Housing and Community Development, as well as their respective appointees, officers, agents and employees, as additional insureds. If Lessee fails to comply with the foregoing insurance requirements or to deliver to Lessor the certificates or evidence of coverage required herein, Lessor, in addition to any other remedy available pursuant to this Agreement or otherwise, may, but shall not be obligated to, obtain such insurance and Lessee shall pay to Lessor on demand the premium costs thereof, plus an administrative fee of 15% of such cost.
4.2 **Lessor’s Insurance.** Throughout the Term of this Agreement, Lessor shall maintain, as a minimum, property insurance for the Property’s replacement value (excluding property required to be insured by Lessee), less a commercially reasonable deductible if Lessor so chooses. Lessor may, but is not obligated to, maintain such other insurance and additional coverages as it may deem necessary. The cost of all insurance carried by Lessor with respect to the Property shall be at the Lessor’s sole expense and for the sole benefit of Lessor and under Lessor’s sole control, and Lessee shall have no right or claim to any proceeds thereof or any other rights thereunder.

4.3 **No Subrogation.** Lessor and Lessee each waives any claim it might have against the other for any injury to or death of any person or persons, damage to or theft, destruction, loss, or loss of use of any property (a “Loss”), to the extent the same is insured against under any insurance policy that covers the Property, Lessor’s or Lessee’s fixtures, personal property, leasehold improvements, or business, or is required to be insured against under the terms hereof (including all deductible amounts), regardless of whether the negligence of the other party caused such Loss. Each party shall cause its insurance carrier to endorse all applicable policies waiving the carrier’s rights of recovery under subrogation or otherwise against the other party.

5. **DEFAULT.**

5.1 **Lessee’s Events of Default**

Each of the following occurrences which continue to exist for a period of ten (30) business days, or as otherwise noted, after receipt by Lessee of a written notice thereof shall be an “Event of Default”:

(a) **Abandonment.** Lessee (1) abandons or vacates the Property or any substantial portion thereof or (2) fails to continuously operate its temporary housing business at the Property.

(b) **Failure to Fulfill Homekey Obligations.** Lessee fails, at the sole discretion and opinion of Lessor, to fulfill the requirements of the Homekey Program and/or the Homekey Documents, including the Declaration of Restrictive Covenants, which default continues after Lessor issues a written notice of same to Lessee and Lessee does not cure such default within five (5) calendar days after the date of such written notice.

(c) **Insurance.** Lessee fails to procure, maintain and deliver to Lessor evidence of the insurance policies and coverages as required herein, which default continues after Lessor issues a written notice of same to Lessee and Lessee does not cure such default within five (5) calendar days after the date of such written notice.

(d) **Mechanic’s Liens.** Lessee fails to pay and release of record, or diligently contest and bond around, any mechanic’s lien filed against the Property for any work performed, materials furnished, or obligation incurred by or at the request of Lessee, within the time and in the manner required herein.
(e) **Disruptive Events.** Lessee fails to abide by the terms of this Agreement in such a manner, whether in the frequency of violation or in the extent of disturbance from one or more violations, as to negatively affect the image of the Property, the safety of any occupant of the Property or the general public and/or quiet enjoyment of the Property by adjoining neighbors, where such violation(s) occur within thirty (30) days after notice from Lessor to Lessee of one or more prior violations of the foregoing type(s), it being recognized and acknowledged by Lessee that the violations which may cause an Event of Default under this section are of a transitory nature and hence are not otherwise suitable for the notice and cure provisions which may be applicable to other Events of Default under this Agreement.

(f) **Other Defaults.** Lessee’s failure to perform, comply with, or observe any other obligation of Lessee under this Agreement and the continuance of such failure for a period of more than thirty (30) calendar days after Lessor has delivered to Lessee written notice thereof.

(g) **Insolvency.** The filing of a petition by or against Lessee (the term “Lessee” shall include, for the purpose of this section, any guarantor of Lessee’s obligations hereunder) (1) in any bankruptcy or other insolvency proceeding; (2) seeking any relief under any state or federal debtor relief law; (3) for the appointment of a liquidator or receiver for all or substantially all of Lessee’s property or for Lessee’s interest in this Agreement; or (4) for the reorganization or modification of Lessee’s capital structure; however, if such a petition is filed against Lessee, then such filing shall not be an Event of Default unless Lessee fails to have the proceedings initiated by such petition dismissed within sixty (60) calendar days after the filing thereof.

5.2 **Remedies.** Upon any Event of Default, Lessor may, in addition to all other rights and remedies afforded Lessor hereunder or by law or equity, take any one or more of the following actions, each and all of which shall be cumulative and non-exclusive, without notice or demand whatsoever:

5.2.1 **Termination of Agreement.**

Lessor may terminate this Agreement and all rights of Lessee hereunder, in which event Lessee shall immediately surrender the Property to Lessor, and if Lessee fails to do so, Lessor may, without prejudice to any other remedy which it may have for possession, enter upon and take possession of the Property and expel or remove Lessee and any other person who may be occupying the Property or any part thereof, without being liable for prosecution or any claim for damages therefore; and Lessor may recover from Lessee the following:

(a) Any amount necessary to compensate Lessor for all the detriment proximately caused by Lessee’s failure to perform its obligations under this Agreement or which in the ordinary course of things would be likely to result therefrom, [expenses incurred for locating another operator of the Property], expenses of remodeling the
Property or any portion thereof for a new Lessee, whether for the same or a different use, and any special concessions made to obtain a new Lessee; and

(b) At Lessor’s election, such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by applicable law.

5.2.2 Enforcement of Agreement.

Lessor shall have the remedy described in California Civil Code Section 1951.4 (lessor may continue lease in effect after lessee’s breach and abandonment). Accordingly, Lessor may, from time to time, without terminating this Agreement, enforce all of its rights and remedies under this Agreement.

5.3 Payment by Lessee; Non-Waiver; Cumulative Remedies.

5.3.1 Payment by Lessee.

Upon any Event of Default, Lessee shall pay to Lessor all costs incurred by Lessor (including court costs and reasonable attorneys’ fees and expenses) in (1) obtaining possession of the Property, (2) removing and storing Lessee’s or any other occupant’s property, (3) repairing, restoring, altering, remodeling, or otherwise putting the Property into condition acceptable to a new Lessee, (4) performing Lessee’s obligations which Lessee failed to perform, and (5) enforcing, or advising Lessor of, its rights, remedies, and recourses arising out of the Event of Default. To the full extent permitted by law, Lessor and Lessee agree the federal and state courts of the state in which the Property are located shall have exclusive jurisdiction over any matter relating to or arising from this Agreement and the parties’ rights and obligations under this Agreement.

5.3.2 No Waiver.

No waiver by Lessor of any violation or breach of any of the terms contained herein shall waive Lessor’s rights regarding any future violation of such term.

5.3.3 No Remedy Exclusive; Attorneys’ Fees.

No right or remedy conferred upon or reserved to a party hereunder is exclusive of any right or remedy under this Agreement, or at law or in equity or otherwise provided or permitted, but each is cumulative of every other right or remedy now or existing in the future at law or in equity or by statute or otherwise, and may be enforced concurrently or from time to time. If either party institutes any action to enforce this Agreement, each party shall pay its own legal costs without regard to whether or not that party prevails in such action.

5.3.4 Force Majeure.

Notwithstanding the foregoing provisions of this Section 6, Lessee will not be liable or responsible to Lessor, nor be deemed to have defaulted or breached this Agreement,
for any failure or delay in fulfilling or performing any term of this Agreement when
and to the extent such failure or delay is caused by or results from acts or circumstances
beyond the reasonable control of Lessee including, without limitation, acts of God,
flood, fire, earthquake, explosion, governmental actions, war, invasion or hostilities
(whether war is declared or not), terrorist threats or acts, riot, or other civil unrest,
national emergency, revolution, insurrection, epidemic, pandemic, lockouts, strikes or
other labor disputes (whether or not relating to either party's workforce), or restraints
or delays affecting carriers or inability or delay in obtaining supplies of adequate or
suitable materials, or telecommunication breakdown or power outage.

6. **SURRENDER OF PROPERTY.**

No act by Lessor shall be deemed an acceptance of a surrender of the Property, and no
agreement to accept a surrender of the Property shall be valid unless it is in writing and signed
by Lessor. At the expiration or earlier termination of this Agreement, Lessee shall deliver to
Lessor the Property with all improvements located therein in good repair and condition, free
of any liens, free of Hazardous Materials placed on the Property during the Lease Term, broom-
clean, reasonable wear and tear excepted, and shall deliver to Lessor all keys to the Property.
Lessee may not remove any unattached trade fixtures, furniture, and personal property in the
Property except trade fixtures, furniture and personal property purchased and placed in the
Property by Lessee. All Personal Property at the Property at initiation of Lease or any Personal
Property purchased by Lessee in order to fulfill its operations under the Homekey Program is
considered owned by Lessor. At Lessor’s option, Lessee shall remove such alterations,
additions, improvements, trade fixtures, personal property, equipment, wiring, conduits,
cabling, and furniture (including Lessee’s Equipment) as Lessor may request.; however,
Lessee shall not be required to remove any addition or improvement to the Property if Lessor
has specifically agreed in writing that the improvement or addition in question need not be
removed. Lessee shall repair all damage caused by such removal. All items not so removed
shall, at Lessor’s option, be deemed to have been abandoned by Lessee and may be
appropriated, sold, stored, destroyed, or otherwise disposed of by Lessor without notice to
Lessee and without any obligation to account for such items; any such disposition shall not be
considered a strict foreclosure or other exercise of Lessor’s rights in respect of the security
interest granted. Lessee shall be responsible for noticing its employees and third party
contractors/consultants as to the termination of this Agreement. The provisions of this section
shall survive the end of the Lease Term.

7. **HOLDING OVER**

If Lessee fails to vacate the Property at the end of the Lease Term, then Lessee shall be a Lessee
at sufferance and, in addition to all other damages and remedies to which Lessor may be
entitled for such holding over, Lessee shall otherwise continue to be subject to all of Lessee’s
obligations under this Agreement. The provisions of this section shall not be deemed to limit
or constitute a waiver of any other rights or remedies of Lessor provided herein or at law. If
Lessee fails to surrender the Property upon the termination or expiration of this Agreement, in
addition to any other liabilities to Lessor accruing therefrom, Lessee shall protect, defend,
indemnify and hold Lessor harmless from all loss, costs (including reasonable attorneys’ fees)
and liability resulting from such failure, including any claims made by any succeeding Lessee
founded upon such failure to surrender, and any costs and expenses to Lessor resulting
therefrom.

8. **INDEMNIFICATION.**

8.1 **Lessee Indemnification of Lessor.**

Lessee, with respect to its Property, shall defend, indemnify, and hold harmless Lessor, its representatives, respective directors, commissioners, officers, agents, contractors, servants, or employees and successors or assigns (the “Lessor Parties”) from and against all claims, demands, liabilities, losses, costs, causes of action, suits, judgments, damages, and expenses of any kind whatsoever, including without limitation, attorneys’ fees (collectively, “Damages”) arising from (1) any loss arising from any occurrence on the applicable Property or arising out of the installation, operation, maintenance, repair or removal of any of Lessee’s personal property or (2) Lessee’s failure to perform its obligations under this Agreement, in each case unless and to the extent such failure is caused by the negligence or fault of Lessor or its agents (other than a loss arising from the sole or gross negligence of Lessor or its agents), and even though any such claim, cause of action, or suit is based upon or alleged to be based upon the strict liability of Lessor or its agents and (3) whenever such Damages arise from the negligence or willful misconduct of Lessee, its successors or assigns, or any of their respective directors, officers, agents, contractors, servants, or employees (the “Lessee Parties”). The indemnities set forth herein shall survive termination or expiration of this Agreement. If any proceeding is filed for which indemnity is required hereunder, the indemnifying party agrees, upon request therefore, to defend the indemnified party in such proceeding at its sole cost utilizing counsel satisfactory to the indemnified party.

9. **TAX MATTERS.**

9.1 **Possessory Interest/Personal Property Tax.**

Lessee shall be liable for all taxes levied or assessed against its own personal property, furniture, or fixtures placed by Lessee in the Property including possessory interest taxes. If any taxes for which Lessee is liable are levied or assessed against the Lessor or Lessor’s property and Lessor elects to pay the same, then Lessee shall pay to Lessor, within 30 days following written request therefore, the part of such taxes for which Lessee is primarily liable hereunder; however, Lessor shall not pay such amount if Lessee notifies Lessor that it will contest the validity or amount of such taxes before Lessor makes such payment, and thereafter diligently proceeds with such contest in accordance with law and if the non-payment thereof does not pose a threat of loss or seizure of the Property or interest of Lessor therein or impose any fee or penalty against the Lessor.

Pursuant to Revenue and Taxation Code Section 107.6, Lessee is hereby notified that the Property may be subject to property taxation and that the Lessee may be subject to the payment of possessory interest tax and shall be liable for all such taxes which may be levied.
10. ASSIGNMENT.

10.1 General Assignment.

Lessor may assign, transfer, pledge, or otherwise dispose of the Property and this Agreement or any interest herein without the prior written consent of any other party hereto. Lessee may not assign, transfer, pledge, or otherwise dispose of all or any part of its leasehold estate or its interest in this Agreement or any interest herein unless approved in writing by the Lessor, which approval may be given or withheld in Lessor’s sole and absolute discretion. Any purported assignment in violation of this Section 11.1 is null and void.

11. BOOKS AND RECORDS. Lessor shall have the right, from time to time, acting by and through its employees or agents, to examine the books, records, and accounting data of Lessee, and to make extracts therefrom or copies thereof. Lessee shall promptly make such books, records, and accounting data available to Lessor, as stated above, upon written request.

12. MISCELLANEOUS.

12.1 Integration.

The following documents are incorporated into this Agreement by this reference, and, in the event of any conflict between this Agreement and the documents incorporated into this Agreement, the following order of precedence will apply: (a) this Agreement; (b) Homekey Program and (c) the completed and executed Personal Property Schedule.

12.2 Survival.

Sections 3.4.4, 3.4.6, 3.4.7, 6, 7, 8, and 12.15 of this Agreement will survive expiration or earlier termination of this Agreement.

12.3 Construction; Headings.

This Agreement will be interpreted fairly in accordance with its terms and without any strict construction in favor of or against either party. The existence or absence of any terms or conditions of this Agreement will not be used in the construction or interpretation of any other agreement between the Parties. The existence or absence of any term or condition of any other agreement between the Parties will not be used in the construction or interpretation of this Agreement. The headings in this Agreement are for reference only and will not affect the interpretation of this Agreement.

normal business hours followed by a confirmatory letter sent in another manner permitted hereunder. All notices shall be effective upon delivery to the address of the addressee. The parties hereto may change their addresses by giving notice thereof to the other in conformity with this provision. Rejection or other refusal to accept a notice, request, communication or demand or the inability to deliver the same because of a changed address of which no notice was given shall be deemed to be receipt of the notice, request, communication or demand sent. 12.5 Severability.

If any provision of this Agreement is deemed invalid or unenforceable, that provision will be reformed and/or construed consistently with applicable law as nearly as possible to reflect the original intentions of this Agreement, and in any event, the remaining provisions of this Agreement will remain in full force and effect.

12.6 Waiver; Remedies.

Any waiver of a party’s rights hereunder must be set forth in a writing executed by a duly authorized representative of such party. All rights and remedies enumerated in this Agreement will be cumulative and none will exclude any other right or remedy permitted herein or by law or in equity.

12.7 Counterparts.

This Agreement, including all attachments and other documents incorporated in this Agreement or made applicable by reference, and any amendments, waivers, consents or supplements hereto or thereto may be executed in counterparts (and by different parties hereto in different counterparts), each of which will constitute an original, but all taken together will constitute a single document binding on the parties. This Agreement and any amendments, waivers, consents or supplements hereto may be executed and delivered by facsimile signature, PDF or any electronic signature complying with the U.S. federal ESIGN Act of 2000 (e.g., www.docusign.com).

12.8 Entire Agreement; Amendments.

This Agreement, including all attachments and other documents incorporated in this Agreement or made applicable by reference, constitutes the complete and exclusive statement of the terms and conditions of the Agreement between Lessee and Lessor and supersedes all prior representations, understandings, and communications (oral or written) between the parties concerning the subject matter hereof. This Agreement may be modified or amended only in writing signed by both Parties.

12.9 Independent Relationship.

The Parties acknowledge that the relationship of Lessor and Lessee is only that of a lessor and lessee. Nothing contained in this Agreement will create any agency, employment, partnership, joint venture or similar relationship between Lessor and Lessee for any purpose. No party will have any right whatsoever to incur any liabilities or obligations, including with respect to Lessor related to Lessee’s employees or third party contractors, or to make any warranties on behalf of or binding upon any other party.

12.10 Lessor’s Liability.

The liability of Lessor to Lessee (or any person or entity claiming by, through or under Lessee) for any default by Lessor under the terms of this Agreement, or any matter relating to or arising out of the occupancy or use of the Property and/or other areas, shall be limited to Lessee’s actual direct, but not consequential, damages therefore and shall
be recoverable only from the interest of Lessor in the Property and insurance proceeds relating thereto, and Lessor shall not be personally liable for any deficiency.

12.11 No Merger.

There shall be no merger of the leasehold estate hereby created with the fee estate in the Property or any part thereof if the same person acquires or holds, directly or indirectly, this Agreement or any interest in this Agreement and the fee estate in the leasehold interest in the Property or any interest in such fee estate.

12.12 No Offer.

The submission of this Agreement to Lessee shall not be construed as an offer, and Lessee shall not have any rights under this Agreement unless Lessor executes a copy of this Agreement and delivers it to Lessee.

12.13 Recording.

Lessee shall not record this Agreement or any memorandum of this Agreement without the prior written consent of Lessor, which consent may be withheld or denied in the sole and absolute discretion of Lessor, and any recordation by Lessee shall be a material breach of this Agreement. Lessee grants to Lessor a power of attorney to execute and record a new Agreement releasing any such recorded instrument of record that was recorded without the prior written consent of Lessor.

12.14 Attorneys’ Fees.

In the event any action, suit or proceeding is brought for the enforcement of, or the declaration of, any right or obligation pursuant to this Agreement or as a result of any alleged breach of any provision of this Agreement, each Party shall bear its own costs and expenses, including attorney fees, and any judgment or decree rendered in such a proceeding shall not include an award thereof.

12.15 Hazardous Materials.

The term “Hazardous Materials” as used in this Agreement means any substance, material, or waste which is now or hereafter classified or considered to be hazardous, toxic, or dangerous under any law relating to pollution or the protection or regulation of human health, natural resources or the environment, or poses or threatens to pose a hazard to the health or safety of persons on the Property. Lessee shall not use, generate, store, or dispose of, or permit the use, generation, storage or disposal of Hazardous Materials on or about the Property except in a manner and quantity necessary for the ordinary performance of Lessee’s business, and then in compliance with all laws. If Lessee breaches its obligations under this section, Lessor may immediately take any and all action reasonably appropriate to remedy the same, including taking all appropriate action to clean up or remediate any contamination resulting from Lessee’s use, generation, storage or disposal of Hazardous Materials. Lessee shall defend, indemnify, and hold harmless Lessor and its representatives and agents from and against any and
all claims, demands, liabilities, causes of action, suits, judgments, damages and expenses (including reasonable attorneys’ fees and cost of clean-up and remediation) arising from Lessee’s failure to comply with the provisions of this section. This indemnity provision shall survive termination or expiration of this Agreement.

12.16 Governing law.

This Agreement shall be governed by and construed in accordance with the laws of the State of California.

Authority Grant Agreement Executed
GRANT AGREEMENT

This GRANT AGREEMENT (this “Agreement”) is entered into as of May 17, 2021 (the “Effective Date”), by and between the Housing Authority of the City of Los Angeles, a public body, corporate and politic (“HACLA”), and Topanga Canyon Housing Partners, LP, a California limited partnership (“Partnership”) (each a “Party” or collectively the “Parties”).

RECITALS

A. HACLA was created, established, and authorized to transact business and exercise powers under and pursuant to the provisions of the Housing Authorities Law of the State of California (consisting of Chapter 1 of Part 2 of Division 24 of the California Health and Safety Code (“HSC”)), for the purposes of facilitating the administration and expansion of safe and affordable housing for constituents within the City of Los Angeles. HACLA intends to acquire or has acquired that certain real property located at 7625 Topanga Canyon Boulevard and 7631 Topanga Canyon Boulevard, in the City of Los Angeles, County of Los Angeles, State of California, further identified as Assessor’s Parcel Numbers 2012-002-024 and 2012-002-020 (collectively, “Property”).

B. HACLA intends to enter into or has entered into a limited purpose lease of the Property to the Partnership (“Lease”) in order to facilitate the rehabilitation, conversion and operation of the Property as interim and permanent affordable and supportive housing serving those experiencing homelessness or at risk of experiencing homelessness (as such terms are defined in Part 578.3 of Title 24 of the Code of Federal Regulations), and who are impacted by the COVID-19 pandemic, all in accordance with the State of California’s Homekey Program (Assembly Bill No. 83 (2019-2020 Reg. Sees.) which created the statutory basis for the Homekey Program in California by adding section 50675.1.1 to the Health and Safety Code) (the "Project").

C. HACLA will underwrite the Project with funds (“Homekey Funds”) received from the federal Coronavirus Aid Relief Funds and/or California’s General Fund allocated to and administered by the California Department of Housing and Community Development (“HCD”) via the Homekey Program, as described in the Notice of Funding Availability dated July 16, 2020 (the “Homekey NOFA”). For the purposes hereof, the term, (i) "Homekey Program" means the program authorized pursuant to AB 83 (2019-2020) by the State of California intended to provide housing for individuals and families who are experiencing homelessness or who are at risk of homelessness (as defined in Part 578.3 of Title 24 of the Code of Federal Regulations) and who are impacted by the COVID-19 pandemic, which authorized a program administered by HCD to provide up to $600 million in grant funding available to local public entities, including cities, counties, or other local public entities, including housing authorities or federally recognized tribal governments within California to purchase and rehabilitate housing, including hotels, motels, vacant apartment buildings, and other buildings and convert them into interim or permanent, long-term housing; and (ii) "Homekey Documents" means the NOFA, the Standard Agreement (and the exhibits included therein) (as shown attached hereto as Exhibit A), and all other documents specified under or required by the Homekey Program,
including, without limitation, all guidelines, the expenditure and program reporting, Declaration of Restrictive Covenants, and supportive services plan.

D. The Partnership consists of a limited partnership comprised of, among others, (i) PHK Super8 LLC, a California limited liability company, as the Managing General Partner, and (ii) Los Angeles LOMOD South, Inc., a California nonprofit public benefit corporation and an instrumentality of HACLA ("LOMOD"), as the Administrative General Partner. LOMOD is organized for the purposes of developing, owning, and operating affordable housing developments for low-income households in the State of California.

E. In order to facilitate the conversion, rehabilitation and operation of the Project, HACLA has agreed to grant and transfer a certain amount of Homekey Funds to the Partnership, subject to the terms and conditions of this Agreement.

AGREEMENT

NOW, THEREFORE, IN CONSIDERATION OF the aforesaid Recitals, the mutual promises and covenants of the Parties as hereinafter set forth, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties to this Agreement agree as follows:

ARTICLE 1
GRANT OF HOMEKEY FUNDS

Section 1.1. Recitals. The foregoing recitals are true and correct and are hereby incorporated by reference into this Agreement as though herein fully and completely rewritten.

Section 1.2. The Grant. Subject to the terms and conditions of this Agreement, HACLA shall contribute, or cause the contribution of Homekey Funds in the amount of THREE HUNDRED SIX THOUSAND DOLLARS ($306,000.00) (the "Grant") to the Partnership for purposes of converting, rehabilitating the Property for the Project, and operating the Project in accordance with the requirements of the Homekey Program and Homekey Documents.

Section 1.3. Grant Disbursements. The Grant shall be disbursed only for the purpose of operating the Property for interim and permanent affordable and supportive housing pursuant to the Homekey Program and the Homekey Documents after (i) execution and delivery of the Lease and this Agreement, (ii) recording of the Declaration of Restrictive Covenants, and (iii) the written approval by HACLA of an operating scope and budget demonstrating how the Grant will be used.

Section 1.4. Use of Grant. Use of the Grant must be for Eligible Uses as such term is defined in the Homekey NOFA, and must be expended by the applicable Expenditure Deadline (as defined in the Standard Agreement required by the Homekey Program).

Section 1.5. Project Improvements.
A. Not later than dates/deadlines specified in the Homekey Documents as drafted and/or amended in the future, the Partnership shall promptly commence, and thereafter diligently perform to completion, the work of rehabilitation and construction of improvements required for the Project (“Improvements”). The Grant may be used for the cost of permits, architectural, engineering and feasibility studies, or environmental testing related to the Improvements or construction of the Improvements themselves if conducted prior to June 30, 2022.

B. Additional improvements, not required by the Homekey Program, but which may be required to allow for management efficiency, added or improved community space, and carrying out onsite services for residents may also be performed by the Partnership and paid for with Grant funds.

ARTICLE 2
PARTNERSHIP COVENANTS

Section 2.1.Prevailing Wage Law Compliance. The Partnership and its agents and contractors shall comply with California prevailing wage laws, including California Labor Code Sections 520 et seq. and the regulations adopted pursuant thereto (“Prevailing Wage Laws”). The Partnership shall be solely responsible for ensuring compliance with all applicable Prevailing Wage Laws in connection with all work funded in whole or in part by the Homekey Funds.

Section 2.2. Section 3 Compliance. The Partnership shall comply with the HACLA’s Section 3 Guide and Compliance Plan (the “Partnership’s Plan”), including developing an Employment Opportunity Plan for major construction projects and any on-site management or services and the requisite periodic reporting responsibilities. Section 3 commitments are triggered in full upon commencement of work and/or first assignment.

Section 2.3. Assumption of Obligations, Reporting and Compliance Obligations. Partnership hereby agrees to assume all obligations of HACLA under the Homekey Program and Homekey Documents incorporated herein by reference (including, without limitation, the Standard Agreement shown in Exhibit A attached to this Agreement), and shall comply with same on HACLA’s behalf, including, without limitation all reporting requirements to HCD under the Homekey Program and Homekey Documents.

Section 2.4. Declaration of Restrictive Covenants. The Partnership will abide by the “Declaration of Restrictive Covenants”), recorded by and for the benefit of HACLA, on the Property, for a fifty-five (55) year term, mandating that the operation of the Motel site to serve only the Target Population as defined by the Homekey Program and to develop a Leasing and Service Plan which sufficiently demonstrates the required commitments to tenant selection and provision of permanent supportive housing for the life of the Declaration of Restrictive Covenants.

Section 2.5. Accounting and Audits. The Partnership shall keep or cause to be kept complete and accurate books of account and records with respect to the expenditure of all Homekey Funds. The Partnership’s books of account shall be kept in accordance with
GAAP accounting standards, or such other method of accounting determined by the Administrative General Partner on behalf of the Partnership. The Partnership shall conduct an annual financial audit by an independent auditor and shall make such audit and accounting records available to HACLA upon request. The Homekey Funds for operation and rehabilitation of the Property shall be deposited in one or more accounts maintained in a federally regulated banking institution. The Partnership shall produce expenditure reports required for reporting to HCD regarding the use of Homekey Funds during the first two years of operation.

ARTICLE 3
INDEMNIFICATION AND INSURANCE

Section 3.1. Indemnification. The Partnership shall defend, hold harmless and indemnify HACLA from and against all claims, liability, costs, expenses, loss or damages of any nature whatsoever (collectively, “Claims”), including reasonable attorneys’ fees, arising out of or in any way connected with the construction of the Improvements, the operation of the Project, any act or omission of the Partnership which directly or indirectly caused in whole or in part any injury to person or damage to property, and the Partnership’s performance or failure to perform in accordance with the Declaration of Restrictive Covenants and any of its covenants and obligations under this Agreement (including but not limited to payment or nonpayment of prevailing wages by the Partnership and/or any agent or contractor of the Partnership), and including, without limitation, any Claims asserted by HCD against HACLA for any breach of the Homekey Documents or noncompliance with the requirements of the Homekey Program. The indemnification obligations set forth above shall survive the expiration or earlier termination of this Agreement.

ARTICLE 4
DEFAULT AND REMEDIES

Section 4.1. Events of Default. Any act or omission of the Partnership which is declared to be default by HACLA under any of the Homekey Documents or the Declaration of Restrictive Covenants, which default continues after any required notice and time to cure thereunder, shall also constitute a default under this Agreement without the necessity of providing a separate notice of default and without the necessity of providing any additional notice or time to cure. In addition, (i) the filing of a voluntary or involuntary petition in bankruptcy naming the Partnership as the debtor therein, (ii) an assignment by the Partnership of all or substantially all of its assets for the benefit of creditors, or (iii) any other voluntary or involuntary assignment or transfer of all or any interest of the Partnership in the Grant or its rights under this Agreement without the prior written consent of HACLA, which consent may be given or withheld in HACLA’s sole and absolute discretion, is strictly prohibited, and shall automatically constitute a default hereunder without the necessity of providing any notice or time to cure. The Partnership covenants that it will promptly notify HACLA in writing of the occurrence of any event which might materially and adversely affect its ability to comply with the requirements of the Homekey Program or any Homekey Documents, or with the giving of notice or
passage of time or both would constitute, a default or breach under any of the Homekey Documents.

Section 4.2. Remedies. Upon the occurrence of any event of default as described in Section 4.1 above, HACLA shall be entitled to invoke, prosecute and enforce all remedies available to it at law and in equity to recover from the Partnership the following: (i) the Grant, together with interest thereon at the legal rate of interest from the date of such default; (ii) any and all fines, fees or penalties, and any interest accrued thereon, to the extent that HCD or any other governmental agency seeks or demands the same or initiates any action or claims against HACLA as a result of such event of default; and (iii) all costs and expenses of collection and recovery including reasonable attorneys’ fees and court costs.

ARTICLE 5
MISCELLANEOUS

Section 5.1. Relationship of Parties. Nothing contained in this Agreement shall be construed as creating the relationship of employer and employee or principal and agent between HACLA and the Partnership or the Partnership’s agents or employees, and the Partnership shall be wholly responsible for the manner in which it or its agents, or both, perform under this Agreement.

Section 5.2. Notices. Notices. All notices and other communications given pursuant to this Agreement shall be in writing and shall be (1) mailed by first class, United States Mail, postage prepaid, certified, with return receipt requested, and addressed to the parties hereto at the address specified in the Project Documents, (2) hand delivered to the intended addressee, (3) sent by a nationally recognized overnight courier service, or (4) sent by facsimile transmission during normal business hours followed by a confirmatory letter sent in another manner permitted hereunder. All notices shall be effective upon delivery to the address of the addressee. The Parties hereto may change their addresses by giving notice thereof to the other in conformity with this provision. Rejection or other refusal to accept a notice, request, communication or demand or the inability to deliver the same because of a changed address of which no notice was given shall be deemed to be receipt of the notice, request, communication or demand sent.

Section 5.3. Severability. If any clause or provision of this Agreement is illegal, invalid, or unenforceable under present or future laws, then the remainder of this Agreement shall not be affected thereby and in lieu of such clause or provision, there shall be added as a part of this Agreement a clause or provision as similar in terms to such illegal, invalid, or unenforceable clause or provision as may be possible and be legal, valid, and enforceable.

Section 5.4. Amendments. Binding Effect. This Agreement may not be amended except by an instrument in writing signed by HACLA and the Partnership. No provision of this Agreement shall be deemed to have been waived by HACLA or the Partnership unless such waiver is in writing signed by HACLA and the Partnership, and no custom or practice which may evolve between the Parties in the administration of the terms hereof shall
waive or diminish the right of HACLA or the Partnership to insist upon the performance by the Partnership or HACLA, as the case may be, in strict accordance with the terms hereof. The terms and conditions contained in this Agreement shall inure to the benefit of and be binding upon the Parties hereto, and upon their respective successors in interest and legal representatives, except as otherwise herein expressly provided. This Agreement is for the sole benefit of HACLA and the Partnership, and no third party shall be deemed a third party beneficiary hereof.

Section 5.5. **No Offer.** The submission of this Agreement to the Partnership shall not be construed as an offer, and Partnership shall not have any rights under this Agreement unless and until HACLA executes an original counterpart of this Agreement and delivers it to the Partnership.

Section 5.6. **Entire Agreement.** This Agreement constitutes the entire agreement between HACLA and the Partnership regarding the subject matter hereof and supersedes all oral statements and prior writings relating thereto. Except for those set forth in this Agreement, no representations, warranties, or agreements have been made by HACLA or the Partnership to the other with respect to this Agreement or the obligations of HACLA or the Partnership in connection therewith. The normal rule of construction that any ambiguities be resolved against the drafting party shall not apply to the interpretation of this Agreement or any exhibits or amendments hereto. This Agreement shall not be amended or modified except by a writing signed by both Parties.

Section 5.7. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of California.

Section 5.8. **Joint and Several Liability.** If the Partnership is comprised of more than one party, each such party shall be jointly and severally liable for Partnership’s obligations under this Agreement.

Section 5.9. **Successors and Assigns.** This Agreement shall be binding upon, and inure to the benefit of, the Parties and their permitted successors and assigns.

Section 5.10. **Counterparts, Facsimile/PDF Copies.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original of this Agreement and all of which together shall constitute one and the same instrument. The Property was acquired for the purpose of participating in HCD's Homekey Program and $8,257,350 of the Homekey Funds were used by HACLA to complete the purchase of the Property.

E. The Partners seek to enter into this Partnership to enable (i) the Partnership to lease the Property from HACLA (initially pursuant to the Master Lease (defined below) and later, pursuant to the Ground Lease (defined below), (ii) the acquisition of the remaining Homekey Funds by the Partnership from HACLA pursuant to a grant agreement between HACLA and the Partnership, executed concurrently

(a) No Partner shall have any liability or obligation to the other Partner(s) or the Partnership for any decision made or action taken in connection with the discharge of its duties hereunder or when otherwise acting on behalf of the Partnership unless such decision or action resulted from fraud, negligence, willful misconduct, or a material breach of this Agreement. To the fullest extent permitted by applicable law, neither the General Partners, nor the Limited Partner, nor any, employee or agent of the Partnership nor any employee, representative, manager, director, commissioner, consultant, agent or affiliate of any of the Partners (collectively, the "Covered Persons") shall be liable to the Partnership for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Partnership and in a manner reasonably believed to be within the scope of the authority conferred on such Covered Person by this Partnership, except that a Covered Person shall be liable for any such loss, damage or claim incurred by reason of such Covered Person's gross negligence or willful misconduct.

20. **Liability of Each Partner to Other Partners.** Notwithstanding anything to the contrary hereunder, no Partner shall have any liability or obligation to the other Partners or the Partnership for any decision made or action taken in connection with the discharge of its duties hereunder or when otherwise acting on behalf of the Partnership unless such decision or action resulted from fraud, gross negligence, willful misconduct, or an intentional, material breach of this Agreement.

21. **Dissolution and Winding Up.** The Partnership shall continue in full force and effect until the expiration of the Term, except that the Partnership shall be dissolved prior thereto upon the occurrence of any of the following events:
(a) the withdrawal, Bankruptcy, dissolution or adjudication of incompetency of a General Partner in the event that at that time, such General Partner is the only remaining General Partner, unless the Limited Partner (or if at the time, there is more than one Limited Partner, a majority vote of the Limited Partners), within ninety (90) days after receiving Notice of such withdrawal, Bankruptcy, dissolution or adjudication of incompetency, elects to designate a successor General Partner(s) and continue the Partnership upon the admission of such successor General Partner(s) to the Partnership.

The Liquidating Agent shall, to the extent feasible, liquidate the assets of the Partnership as promptly as shall be practicable. To the extent the proceeds are sufficient therefor, as the Liquidating Agent shall deem appropriate, the proceeds of such liquidation shall be applied to pay the liabilities of the Partnership, and the balance of such proceeds shall be distributed by the Liquidating Agent to the Partners pro rata in accordance with their respective capital accounts, as such accounts are determined after all adjustments are made as required in this Agreement to such accounts for the taxable year of the Partnership during which the liquidation occurs. If, in the sole discretion of the Liquidating Agent, it shall determine that it is not feasible to liquidate all or part of the assets of the Partnership or that an immediate sale of all or part of such assets would cause an undue loss to the Partners, the Liquidating Agent shall cause the fair market value of the assets not so liquidated to be determined by independent appraisal. Such assets shall then be distributed by the Liquidating Agent in such manner as to satisfy the provisions of the second immediately preceding sentence. Any distribution of assets in kind shall be distributed on the basis of the fair market value thereof and any Partner entitled to any Interest therein as a tenant-in-common with all other Partners so entitled.

Section 2.1 Loan. The Authority shall loan to the Borrower the Authority Bridge Loan for the purposes set forth in Section 2.4(b) of this Agreement. Loan funds will be provided through borrowings under the Authority’s Revolving Credit Agreement. Following Conversion, the Borrower shall repay the Loan to the Authority from proceeds of its permanent Financing Loan and, in the event such proceeds are insufficient to repay the entire indebtedness, from Net Cash Flow to the extent available until the Loan Maturity Date, when all remaining unpaid principal and interest shall be due and payable, all as more fully and particularly provided in the Authority Bridge Note. The obligation to repay the Authority Bridge Loan shall be evidenced by the Authority Bridge Note in the form attached hereto as Exhibit E.

Section 2.2 Term. The Authority Bridge Loan shall mature on the date of closing of the Permanent Financing Loan or, if the proceeds of the Permanent Financing Loan are insufficient to repay the entire Authority Bridge Loan, on the Loan Maturity Date.

Section 2.3 Interest.

(a) Interest shall accrue from the date of the first borrowing under this Agreement and shall be equivalent to the interest applicable to the Revolving Credit Agreement borrowings that fund this Agreement. The Borrower’s interest payments under this Agreement shall be pursuant to the payment schedule applicable to the borrowings under the Revolving Credit Agreement that fund this Agreement.

(b) In the event of a Default, interest on the Loan shall begin to accrue, as of the date of Default and continuing until the earlier of such time as the Loan funds are repaid in full or the Default is cured, at the default rate of the lesser of ten percent (10%), compounded annually, or the highest rate permitted by law.

(a) Construction Financing. The maximum amount of funds to be disbursed pursuant to this Section 2.7 shall not exceed, in the case of the Authority Bridge Loan, Two Million Dollars ($2,000,000.00). The Authority Bridge Loan shall be a non-revolving line of credit, such that once advances have been made and repaid, such amounts may not be reborrowed. Disbursements under the Loan shall begin only after all available borrowings under the LOMOD Bridge Loan have been exhausted.

The Authority shall make disbursements upon receipt of a signed draw request by the Borrower consistent with the requirements of Section 2.7(a)(iii). The Authority shall not be obligated to make any disbursements of such proceeds or take any other action under the Loan Documents unless the following conditions are satisfied prior to each such disbursement of the Loan:

(i) The Borrower is not in Default.

(ii) The undisbursed proceeds of the Loan, together with other funds or firm commitments for funds that the Borrower has obtained in connection with the Project, are not less than the amount that the Authority reasonably determines is necessary to pay for development of the Project and to satisfy all of the covenants contained in this Agreement.

(iii) The Authority has received a written draw request from the Borrower setting forth the proposed use of funds consistent with the Approved Development Budget, and in a form containing sufficient detail and with sufficient supporting documentation to permit the Authority to confirm that the work to be funded by the draw request has been performed. The draw requests shall also contain a statement of the total costs incurred by the Borrower since the date of the Borrower's last draw request, and the amount of those costs paid by the Borrower. The Authority’s Form of Draw Request is attached hereto as Exhibit B.

(b) Conversion to Permanent Loan. The Loan shall convert to a permanent loan at Conversion. Once Conversion has occurred, no further advances shall be made pursuant to this Agreement.

(c) Total Amount of Disbursements. Notwithstanding the determination of the construction financing and the permanent financing conversion set forth in this Section 2.7, in no event shall the Authority disburse to the Borrower an amount greater than the Loan amount.

Section 2.8 Repayment Schedule. The Loan shall be repaid as follows:
(a) Payments of Loan. The Borrower shall make repayments of the Loan in accordance with the Note.

(b) Payment in Full. All principal and accrued interest on the Authority Bridge Loan shall be due in full on the earlier to occur of (i) the date of closing of the Permanent Financing Loan, but only to the extent proceeds of the Permanent Financing Loan are available for repayment of the Authority Bridge Loan, (ii) the date of any Transfer not authorized by the Authority, (iii) the date of any Default, and (iv) the Loan Maturity Date.

(c) Prepayment. The Borrower shall have the right to prepay the Loan at any time without premium or penalty. Amounts prepaid may not be re-borrowed.

(d) Construction Cost Savings. The Authority shall be entitled to one hundred percent (100%) of any construction cost savings allocated to Borrower under the construction contract for the Project, if any, after completion of the Project; provided, however, during construction of the Project, Borrower may utilize construction cost savings for other construction costs or soft costs of the Project. Following completion of the Project, any remaining construction cost savings shall be used: (a) first, to repay the Authority Bridge Loan and (b) second, to repay the LOMOD Bridge Loan.

Section 2.9 Reports and Accounting of Net Cash Flow.

(a) Audited Financial Statement. In connection with the annual repayment of the Loan, the Borrower shall furnish to the Authority an audited financial statement duly certified by an independent firm of certified public accountants approved by the Authority, setting forth in reasonable detail the computation and amount of Net Cash Flow during the preceding calendar year.

(b) Books and Records. The Borrower shall keep and maintain on the Property, or elsewhere with the Authority's written consent, full, complete and appropriate books, record and accounts relating to the Project, including all such books, records and accounts necessary or prudent to evidence and substantiate in full detail the Borrower's calculation of Net Cash Flow. Books, records, and accounts relating to the Borrower's compliance with the terms, provisions, covenants and conditions of this Agreement shall be kept and maintained in accordance with generally accepted accounting principles consistently applied, and shall be consistent with requirements of this Agreement which provide for the calculation of Net Cash Flow on a cash basis. All such books, records, and accounts shall be open to and available for inspection by the Authority, its auditors or other authorized representatives at reasonable intervals during normal business hours. Copies of all tax returns and other reports that the Borrower may be required to furnish to any governmental agency shall at all reasonable times be open for inspection by the Authority at the place that the books, records and accounts of the Borrower are kept. The Borrower shall preserve records on which any statement of Net Cash Flow is based for a period of not less than five (5) years after such statement is rendered, and for any period during which there is an audit undertaken pursuant to subsection (c) below then pending.

(c) Authority Audits. The receipt by the Authority of any statement pursuant to
subsection (a) above or any payment by the Borrower or acceptance by the Authority of any Loan repayment for any period shall not bind the Authority as to the correctness of such statement or such payment. Within three (3) years after the receipt of any such statement, the Authority or any designated agent or employee of the Authority at any time, and upon reasonable prior notice, shall be entitled to audit the Net Cash Flow and all books, records, and accounts pertaining thereto. Such audit shall be conducted during normal business hours at the principal place of business of the Borrower and other places where records are kept. Immediately after the completion of an audit, the Authority shall deliver a copy of the results of such audit to the Borrower. If it shall be determined as a result of such audit that there has been any deficiency in a Loan repayment to the Authority, then such deficiency shall become immediately due and payable with interest at the default rate set forth in section 2.3(b) above, determined as of and accruing from the date that said payment should have been made. In addition, if the Borrower's auditor's statement for any calendar year shall be found to have understated Net Cash Flow by more than five percent (5%) and the Authority is entitled to any additional Loan repayment as a result of said understatement, then the Borrower shall pay, in addition to the interest charges referenced hereinabove, all of the Authority's reasonable costs and expenses connected with any such audit or review of Borrower's accounts and records.

Section 2.10 Recourse/Non-Recourse. Except as provided below, neither the Borrower nor any partner of the Borrower shall have any direct or indirect personal liability for payment of the principal of, or interest on, the Loan. Nothing contained herein is intended to relieve the Borrower of its obligation to indemnify the Authority under Section 7.4 of this Agreement, or for liability for: (i) fraud or willful misrepresentation; (ii) the failure to pay taxes, assessments or other charges which may create liens on the Property that are payable or applicable prior to any foreclosure under the Deed of Trust (to the full extent of such taxes, assessments or other charges); (iii) the fair market value of any personal property or fixtures removed or disposed of by the Borrower other than in accordance with the Deed of Trust; and (iv) the misappropriation of any proceeds under any insurance policies or awards resulting from condemnation or the exercise of the power of eminent domain or by reason of damage, loss or destruction to any portion of the Property.

Section 3.13 Mechanics Liens, Stop Notices, and Notices of Completion.

(a) If any claim of lien is filed against the Property or a stop notice affecting the completion of construction is served on the Authority or any other lender or other third party in connection with the Project, then the Borrower shall, within thirty (30) days after such filing or service, either pay and fully discharge the lien or stop notice, effect the release of such lien or stop notice by delivering to the Authority a surety bond in sufficient form and amount, or provide the Authority with other assurance satisfactory to the Authority that the claim of lien or stop notice will be paid or discharged, provided that the Authority provides written notice of such claim of lien or stop notice to the Borrower promptly upon receipt by the Authority.

The Authority may use such deposit to satisfy any claim or lien that is adversely determined against the Borrower.

(c) The Borrower shall file a valid notice of cessation or notice of completion upon cessation of construction on the Project for a continuous period of thirty (30) days or more, except in the event such cessation of construction is caused by adverse weather conditions, and shall take all other reasonable steps to forestall the assertion of claims of lien against the Property. (i) adjudging the Borrower to be bankrupt or insolvent;

(ii) approving as properly filed a petition seeking reorganization of the Borrower or seeking any arrangement for the Borrower under the bankruptcy law or any other applicable debtor's relief law or statute of the United States or any state or other jurisdiction;

(iii) appointing a receiver, trustee, liquidator, or assignee of the Borrower in bankruptcy or insolvency or for any of their properties;

(iv) directing the winding up or liquidation of the Borrower, if any such decree or order described in clauses (i) to (iv), inclusive, shall have continued unstayed or undischarged for a period of ninety (90) days; or

(v) the Borrower shall have admitted in writing its inability to pay its debts as they fall due or shall have voluntarily submitted to or filed a petition seeking any decree or order of the nature described in clauses (i) to (iv), inclusive. The occurrence of any of the events of Default in this paragraph shall act to accelerate automatically, without the need for any action by the Authority, the indebtedness evidenced by the Note.

(f) Assignment; Attachment. The Borrower shall have assigned its assets for the benefit of its creditors or suffered a sequestration or attachment of or execution on any substantial part of its property, unless the property so assigned, sequestered, attached, or executed upon shall have been returned or released within ninety (90) days after such event or, if sooner, prior to sale pursuant to such sequestration, attachment, or execution. The occurrence of any of the events of default in this paragraph shall act to accelerate automatically, without the need for any action by the Authority, the indebtedness evidenced by the Note.

(g) Suspension; Termination. The Borrower shall have voluntarily suspended its business or, if the Borrower is a partnership, the partnership shall have been dissolved or terminated, other than a technical termination of the partnership for tax purposes.
(h) Liens on Borrower’s Leasehold Estate and Improvements. There shall be filed any claim of lien (other than liens securing the Approved Financing and approved in writing by the Authority) against the Borrower’s Leasehold Estate and Improvements or any part thereof, or any interest or right made appurtenant thereto, or the service of any notice to withhold proceeds of the Loan and the continued maintenance of said claim of lien or notice to withhold for a period of thirty (30) days without discharge or satisfaction thereof or provision therefor (including, without limitation, the posting of bonds) satisfactory to the Authority.

(i) Reserved.

(j) Unauthorized Transfer. Any Transfer other than as permitted by Section 4.13.

(k) Representation or Warranty Incorrect. Any Borrower representation or warranty contained in this Agreement, or in any application, financial statement, certificate, or report submitted to the Authority in connection with any of the Loan Documents, proving to have been knowingly incorrect in any material respect when made. After completion of the Improvements, Default may be declared under this subsection only if the failure of representation or warranty also has a material adverse effect on the operation of the Project.

Section 5.2 Reserved.

Section 5.3 Reserved.

Section 5.4 Remedies. The occurrence of any Default hereunder following the expiration of all applicable notice and cure periods will, either at the option of the Authority or automatically where so specified, relieve the Authority of any obligation to make or continue the Loan and shall give the Authority the right to proceed with any and all remedies set forth in this Agreement and the Loan Documents, including but not limited to the following:

(a) Acceleration of Note. The Authority shall have the right to cause all indebtedness of the Borrower to the Authority under this Agreement and the Note, together with any accrued interest thereon, to become immediately due and payable. The Borrower waives all right to presentment, demand, protest or notice of protest, or dishonor. The Authority may proceed to enforce payment of the indebtedness and to exercise any or all rights afforded to the Authority as a creditor under the law including the Uniform Commercial Code. The Borrower shall be liable to pay the Authority on demand all reasonable expenses, costs, and fees (including, without limitation, reasonable attorney's fees and expenses) paid or incurred by the Authority in connection with the collection of the Loan and the preservation, maintenance, protection, sale, or other disposition of the security given for the Loan.

(b) Specific Performance. The Authority shall have the right to mandamus or other suit, action or proceeding at law or in equity to require the Borrower to perform its obligations and covenants under the Loan Documents or to enjoin acts which may be unlawful or in violation of the provisions of the Loan Documents.
(c) Right to Cure at Borrower's Expense. The Authority shall have the right (but not the obligation) to cure any monetary default by the Borrower under a loan other than the Loan. The Borrower agrees to reimburse the Authority for any funds advanced by the Authority to cure a monetary default by the Borrower upon demand therefor, together with interest thereon at the lesser of the maximum rate permitted by law or ten percent (10%) per annum from the date of expenditure until the date of reimbursement.

Section 5.5 Right of Contest. The Borrower shall have the right to contest in good faith to any claim, demand, levy, or assessment, the assertion of which would constitute a Default hereunder. Any such contest shall be prosecuted diligently and in a manner unprejudicial to the Authority or the rights of the Authority hereunder.

Section 5.6 Remedies Cumulative. No right, power, or remedy given to the Authority by the terms of this Agreement or the Loan Documents is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given to the Authority by the terms of any such instrument, or by any statute or otherwise against the Borrower and any other person. Neither the failure nor any delay on the part of the Authority to exercise any such rights and remedies shall operate as a waiver thereof, nor shall any single or partial exercise by the Authority of any such right or remedy preclude any other or further exercise of such right or remedy, or any other right or remedy.

ARTICLE 6 REPRESENTATIONS AND WARRANTIES OF BORROWER

Section 6.1 Borrower's Warranty of Good Standing and Authority. The Borrower hereby represents and warrants to the Authority as follows:

(a) Organization. The Borrower is duly organized and validly existing and is (or shall be prior to the commencement of activities under this Agreement) in good standing under the laws of the State of California and has the power and authority to own its property and carry on its business as now being conducted.

(b) Authority of Borrower. The Borrower has full power and authority to execute and deliver this Agreement and to make and accept the borrowings contemplated hereunder, to execute and deliver the Loan Documents and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement, and to perform and observe the terms and provisions of all of the above.

(c) Authority of Persons Executing Documents. This Agreement and the Loan Documents and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement have been or will be executed and delivered by persons who are duly authorized to execute and deliver the same for and on behalf of the Borrower, and all actions required under the Borrower's organizational documents and applicable governing law for the authorization, execution, delivery, and performance of this Agreement and the Loan Documents and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement, have been duly taken (to the extent such actions are required as of the date of execution and delivery of the above-named documents).
(d) Valid and Binding Agreements. This Agreement and the Loan Documents and all other documents or instruments which have been executed and delivered pursuant to or in connection with this Agreement constitute or, if not yet executed or delivered, will, when so executed and delivered, constitute, legal, valid, and binding obligations of the Borrower enforceable against it in accordance with their respective terms, subject to the laws affecting creditors rights and principles of equity.

(e) No Breach of Law or Agreement. Neither the execution nor delivery of this Agreement and the Loan Documents or of any other documents or instruments executed and delivered, or to be executed or delivered, pursuant to this Agreement, nor the performance of any provision, condition, covenant or other term hereof or thereof, will conflict with or result in a breach of any statute, rule, or regulation, or any judgment, decree, or order of any court, board, commission, or agency whatsoever binding on Borrower, or any provision of the organizational documents of the Borrower, or will conflict with or constitute a breach of or a default under any agreement to which the Borrower is a party, or will result in the creation or imposition of any lien upon any assets or property of the Borrower, other than liens established pursuant to the Loan Documents.

(f) Pending Proceedings. Except as disclosed in writing to the Authority prior to execution of this Agreement, to the knowledge of the Borrower, the Borrower is not in default under any law or regulation or under any order of any court, board, commission, or agency whatsoever, and, to the best of its knowledge, there are no claims, actions, suits or proceedings pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower or the Project, at law or in equity, before or by any court, board, commission, or agency whatsoever.

(g) No Debarment. Neither the Borrower nor the Administrative General Partner nor the Managing General Partner has been debarred or suspended pursuant to 2 C.F.R. Part 2424.

(h) Financial Statements. The financial statements of the Borrower and other financial data and information furnished by the Borrower to the Authority fairly present the information contained therein. As of the date of this Agreement, there has not been any adverse, material change in the financial condition of the Borrower from that shown by such financial statements and other data and information.

ARTICLE 7 GENERAL PROVISIONS

Section 7.1 Relationship of Parties. Nothing contained in this Agreement shall be interpreted or understood by any of the Parties, or by any third persons, as creating the relationship of employer and employee, principal and agent, limited or general partnership, or joint venture between the Authority and the Borrower or its agents, employees, or contractors, and the Borrower shall at all times be deemed an independent contractor and shall be wholly responsible for the manner in which it or its agents, or both, perform the services required of it by the terms of this Agreement. The Borrower has and retains the right to exercise full control of employment, direction, compensation, and discharge of all persons assisting in the performance of services under this Agreement. In regards to the acquisition of the Property, construction of the Improvements, and operation of the Project, the Borrower shall be solely responsible for all
matters relating to payment of its employees, including compliance with Social Security, withholding, and all other laws and regulations governing such matters, and shall include requirements in each contract that contractors shall be solely responsible for similar matters relating to their employees. The Borrower shall be solely responsible for its own acts and those of its agents and employees.

Section 7.2 No Claims. Nothing contained in this Agreement shall create or justify any claim against the Authority by any person that the Borrower may have employed or with whom the Borrower may have contracted relative to the purchase of materials, supplies, or equipment, or the furnishing or the performance of any work or services with respect to the acquisition of the Property, the construction of the Improvements, or the operation of the Project, and the Borrower shall include similar requirements in any contracts entered into for the acquisition of the Property, the construction of the Improvements, or the operation of the Project.

Section 7.3 Amendments. No alteration or variation of the terms of this Agreement shall be valid unless made in writing by the Parties.

Section 7.4 Indemnification. Notwithstanding any other provision of this Agreement to the contrary, Borrower shall defend, indemnify and hold harmless the Authority and its commissioners, its officer(s), employee(s), agent(s), contractor(s), and director(s) (including directors or employees of any Authority instrumentalities or affiliates) from all claims, actions, demands, costs, expenses and attorneys' fees arising out of, attributable to or otherwise occasioned, in whole or in part, by an act or omission of the Borrower, its agent(s), contractor(s), servant(s), or employee(s) which constitutes a breach of the Borrower's obligations under this Agreement. If any third-party performing work for the Borrower on the Project shall assert any claim against the Authority on account of any damage alleged to have been caused by reason of the negligent acts or intentional misconduct of the Borrower, its agent(s), servant(s), employee(s) or contractor(s) (including, without limitation, its general contractor), the Borrower shall defend at its own expense any suit based upon such claim; and if any judgment or claim against the Authority based on such claim shall be allowed, the Borrower shall pay or satisfy such judgment or claim and pay all reasonable costs and expenses in connection therewith including attorneys’ fees. The obligations, indemnities, and liabilities of the Borrower under this Section 7.4 shall not extend to any liability caused by the negligence or misconduct of the Authority or its employee(s), contractor(s) or agent(s). The Borrower’s liability shall not be limited by any provisions or limits of insurance set forth in this Agreement. The provisions of this Section 7.4 shall survive the expiration of the Term.

Section 7.5 Non-Liability of Authority Officials, Employees and Agents. No member, official, employee or agent of the Authority shall be personally liable to the Borrower in the event of any default or breach by the Authority or for any amount which may become due to the Borrower or its successor or on any obligation under the terms of this Agreement.

Section 7.6 No Third Party Beneficiaries. There shall be no third party beneficiaries to this Agreement.

Section 7.7 Discretion Retained By Authority. The Authority's execution of this Agreement in no way limits the discretion of the Authority in the review and approval process in
connection with development of the Project.

Section 7.8 Conflict of Interest.

(a) Except for approved eligible administrative or personnel costs, no person described in Section 7.8(b) below who exercises or has exercised any functions or responsibilities with respect to the activities funded pursuant to this Agreement or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a personal or financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during, or at any time after, such person's tenure. The Borrower shall exercise due diligence to ensure that the prohibition in this Section 7.8(a) is followed.

(b) The conflict of interest provisions of Section 7.8(a) above apply to any person who is an employee, agent, consultant, officer, or any immediate family member of such person, or any appointed official of the Authority, or any person related within the third (3rd) degree of such person.

Section 7.9 Notices, Demands and Communications. Formal notices, demands, and communications between the Parties shall be sufficiently given if and shall not be deemed given unless dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered by express delivery service, return receipt requested, or delivered personally, to the principal office of the Parties as follows:

Section 7.10 Applicable Law. This Agreement shall be governed by the laws of the state of
California.

Section 7.11 Parties Bound. Except as otherwise limited herein, the provisions of this
Agreement shall be binding upon and inure to the benefit of the Parties and their heirs, executors,
administrators, legal representatives, successors, and assigns. This Agreement is intended to run
with the land and shall bind the Borrower and its successors and assigns in the Property and the
Improvements for the entire Term, and the benefit hereof shall inure to the benefit of the
Authority and its successors and assigns.

Section 7.12 Reserved.

Section 7.13 Severability. If any term of this Agreement is held by a court of competent
jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions shall continue
in full force and effect unless the rights and obligations of the Parties have been materially
altered or abridged by such invalidation, voiding, or unenforceability.

Section 7.14 Force Majeure. In addition to specific provisions of this Agreement,
performance by either Party shall not be deemed to be in default where delays or defaults are due
to: war; insurrection; strikes; lock-outs; riots; floods; earthquakes; fires; quarantine restrictions;
freight embargoes; lack of transportation; or court order; actions or inactions of HUD; or any
other similar causes (other than lack of funds of the Borrower or the Borrower's inability to
finance the construction of the Project) beyond the control or without the fault of the Party
claiming an extension of time to perform. An extension of time for any cause will be deemed
granted if notice by the Party claiming such extension is sent to the other within fifteen (15) days
from the commencement of the cause and such extension of time is not rejected in writing by the
other Party within fifteen (15) days of receipt of the notice. In no event shall the Authority be
required to agree to cumulative delays in excess of one year.

Section 7.15 Authority Approval. This Loan has been approved by the Authority Board
of Commissioners (“Authority Board”) pursuant to Resolution No. _____. Whenever this
Agreement calls for Authority approval, consent, or waiver, the written approval, consent, or
waiver of the Authority President and Chief Executive Officer shall constitute the approval,
consent, or waiver of the Authority, without further authorization required from the Authority
Board. The Authority hereby authorizes the Authority President and Chief Executive Officer to
deliver such approvals or consents as are required by this Agreement, or to waive requirements
under this Agreement, on behalf of the Authority. Any consents or approvals required under this Agreement shall not be unreasonably withheld or made, except where it is specifically provided that a sole discretion standard applies. The Authority President and Chief Executive Officer is also hereby authorized to approve, on behalf of the Authority, requests by the Borrower for reasonable extensions of time deadlines set forth in this Agreement. The Authority shall not unreasonably delay in reviewing and approving or disapproving any proposal by the Borrower made in connection with this Agreement.

Section 7.16 Waivers. Any waiver by the Authority of any obligation or condition in this Agreement must be in writing. No waiver will be implied from any delay or failure by the Authority to take action on any breach or default of the Borrower or to pursue any remedy allowed under this Agreement or applicable law. Any extension of time granted to the Borrower to perform any obligation under this Agreement shall not operate as a waiver or release from any of its obligations under this Agreement. Consent by the Authority to any act or omission by the Borrower shall not be construed to consent to any other or subsequent act or omission or to waive the requirement for the Authority's written consent to future waivers.

Section 7.17 Title of Parts and Sections. Any titles of the sections or subsections of this Agreement are inserted for convenience of reference only and shall be disregarded in interpreting any part of this Agreement's provisions.

Section 7.18 Entire Understanding of the Parties. This Agreement constitutes the entire understanding and agreement of the Parties with respect to the Loan.

Section 7.19 Multiple Originals; Counterpart. This Agreement may be executed in multiple originals, each of which is deemed to be an original, and may be signed in counterparts.

(Topanga Canyon Housing Partners, LP)

$2,000,000.00

Los Angeles, California

As of ___________, 2022

FOR VALUE RECEIVED, the undersigned (the “Borrower”) promises to pay the principal sum of up to Two Million Dollars ($2,000,000.00) (the “Authority Bridge Loan”), or so much thereof as may be advanced to the Borrower pursuant to this Promissory Note (this “Note”) and that certain Authority Loan Agreement by and between the Borrower and the Housing Authority of the City of Los Angeles (the “Lender”) dated of even date herewith (the “Loan Agreement”), with interest as provided herein from the date above upon the unpaid balance of this Note, in lawful money of the United States.

(1) Capitalized terms used but not defined herein shall have the meaning set forth in the Loan Agreement.

(2) Funds shall be advanced during the term hereof in accordance with Section 2.7 of the Loan Agreement.

(3) Payment Terms.

(a) All payments due under this Note shall be paid to the order of the Housing Authority of the City of Los Angeles at 2600 Wilshire Boulevard, Los Angeles, CA 90057 or at such other place as the Lender hereof may from time to time designate in writing.

(b) Interest shall accrue from the date of the first borrowing under the Loan Agreement and shall be equivalent to the interest applicable to the Revolving Credit Agreement borrowings that fund the Loan Agreement (the “Interest Rate”). The Borrower’s interest payments under this Agreement shall be pursuant to the payment schedule applicable to the borrowings under the Revolving Credit Agreement that fund this Agreement.

(c) Payments of principal and any accrued interest shall be due and payable under this Note as follows:

(i) Immediately upon Conversion, the Authority Bridge Loan shall be due and payable from the proceeds of permanent financing for the Project, if any, pursuant to the Loan Agreement; provided, however, that if proceeds of permanent financing for the Project are insufficient to repay the entire Authority Bridge Loan, the remaining balance of the Authority Bridge Loan shall be repaid in accordance with subsection (ii) of this Section (c); and

(ii) Commencing the year following Conversion, any remaining unpaid principal and interest under the Authority Bridge Loan shall be due and payable from Net Cash Flow to the extent available, pursuant to Exhibit A hereto. Such payments shall be applied first to accrued interest, if any, then to principal, and shall be payable annually not later than one hundred twenty (120) days following the end of each fiscal year for the prior annual fiscal period.

(4) If borrowings under this Note are not repaid in full at the time of Conversion, payment of this Note shall be secured by an Authority Subordinate Leasehold Deed of Trust (the “Deed of Trust”) between the Borrower and the Lender to be executed at Closing, encumbering a leasehold interest in certain real property and fee interest in certain improvements located in the City of Los Angeles, County of Los Angeles, State of California, recorded in the official land records of the County of Los Angeles, as well as by other instruments defined in the Loan Agreement as the Loan Documents.

(5) Default.
Subject to the notice and cure periods set forth in the Loan Agreement, any of the following shall constitute an “event of default” under this Note:

(i) Any failure to pay, in full, any payment required under this Note within ten (10) days of written notice that such payment is due;

(ii) The occurrence of any “Default” under the Loan Agreement as defined therein, “Event of Default” under the Deed of Trust as defined therein, or breach or violation of any other instrument securing the obligations of the Borrower under this Note or under any other promissory notes hereafter issued by the Borrower to the Lender pursuant to the Loan Agreement or the Deed of Trust, following the expiration of notice and cure periods, if any, set forth therein.

Upon the occurrence of such an event of default, the entire unpaid principal balance, together with all interest thereon, and together with all other sums then payable under this Note and the Deed of Trust shall at the option of the Lender become immediately due and payable upon written notice by the Lender to the Borrower without further demand.

The failure to exercise the remedy set forth in Subsection 5(b) above or any other remedy provided by law upon the occurrence of one or more of the foregoing events of default shall not constitute a waiver of the right to exercise any remedy at any subsequent time in respect to the same or any other default. The acceptance by the Lender hereof of any payment which is less than the total of all amounts due and payable at the time of such payment shall not constitute a waiver of the right to exercise any of the foregoing remedies or options at that time or at any subsequent time, or nullify any prior exercise of any such remedy or option, without the express consent of the Lender, except as to the extent otherwise provided by law.

6 Waivers.

(a) The Borrower hereby waives diligence, presentment, protest and demand, and notice of protest, notice of demand, and notice of dishonor of this Note. The Borrower expressly agrees that this Note or any payment hereunder may be extended from time to time and that the Lender may accept further security or release any security for this Note, all without in any way affecting the liability of the Borrower.

(b) No extension of time for payment of this Note or any installment hereof made by agreement by the Lender with any person now or hereafter liable for payment of this Note shall operate to release, discharge, modify, change, or affect the original liability of the Borrower under this Note, either in whole or in part.

(c) The obligations of the Borrower under this Note shall be absolute and the Borrower waives any and all rights to offset, deduct, or withhold any payments or charges due under this Note for any reason whatsoever.

7 Miscellaneous Provisions.

(a) All notices to the Lender or the Borrower shall be given in the manner and at the addresses set forth in the Loan Agreement, or to such addresses as the Lender and the Borrower may hereinafter designate. Copies of notices to the Borrower from the Lender shall also be provided by the Lender to any limited partner of the Borrower who requests such notice in writing and provides the Lender with written notice of its address.

(b) The Borrower promises to pay all costs and expenses, including reasonable attorney's fees, incurred by the Lender in the enforcement of the provision of this Note, regardless of whether suit is filed to seek enforcement.

(c) This Note may not be changed orally, but only by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification, or discharge is sought.

(d) This Note shall be governed by and construed in accordance with the laws of the State of California.
(e) The times for the performance of any obligations hereunder shall be strictly construed, time being of the essence.

(f) This document, together with the Loan Documents, contains the entire agreement between the parties as to the Authority Bridge Loan. It may not be modified except upon written consent of the parties.

(g) Except as provided below, neither the Borrower nor any partner of the Borrower shall have any direct or indirect personal liability for payment of the principal of, or interest on, the Authority Bridge Loan or the performance of the covenants of the Borrower under the Deed of Trust. The sole recourse of the Lender with respect to the principal of, or interest on, this Note and defaults by the Borrower in the performance of its covenants under the Deed of Trust shall be to the property described in the Loan Agreement and the Deed of Trust; provided, however, that nothing contained in the foregoing limitation of liability shall (a) limit or impair the enforcement against all such security for this Note of all the rights and remedies of the Lender thereunder, or (b) be deemed in any way to impair the right of the Lender to assert the unpaid principal amount of this Note as demand for money within the meaning and intendment of Section 431.70 of the California Code of Civil Procedure or any successor provision thereto. The foregoing limitation of liability is intended to apply only to the obligation for the repayment of the principal of, and payment of interest on this Note and the performance of the Borrower's obligations under the Deed of Trust, except as hereafter set forth; nothing contained herein is intended to relieve the Borrower of its obligation to indemnify the Lender under Section 7.4 of the Loan Agreement, or for liability for: (i) fraud or willful misrepresentation; (ii) the failure to pay taxes, assessments or other charges which may create liens on the Property that are payable or applicable prior to any foreclosure under the Deed of Trust (to the full extent of such taxes, assessments or other charges); (iii) the fair market value of any personal property or fixtures removed or disposed of by the Borrower other than in accordance with the Deed of Trust; and (iv) the misappropriation of any proceeds under any insurance policies or awards resulting from condemnation or the exercise of the power of eminent domain or by reason of damage, loss or destruction to any portion of the Property.

(h) Notwithstanding any other provisions of this Note, all liens, claims, charges, and priorities related to the Authority Bridge Loan contemplated by this Note shall be subordinate and junior to all liens, claims, charges, and priorities related to the permanent loan.

(i) Exhibit A, attached hereto, is hereby incorporated into this Note.
